IMPORTANT INFORMATION

You must provide accurate and complete information when you apply for and receive Canada Pension Plan disability (CPPD) benefits. Please notify Service Canada if:

- your work-related earnings exceed \$5,500 in 2017;
- you want to return to work or your return to work is unsuccessful;
- you are in a paid education or training program or have successfully completed a school, university, trade, technical training or rehabilitation program;
- your medical condition improves;
- your address, phone number or direct deposit information changes; or
- a child enters or leaves your custody.

WHEN YOU TURN 65, your CPPD benefit automatically changes to a CPP retirement pension, which will likely be less than your disability benefit.

CPPD BENEFITS ARE TAXABLE. To have tax withheld from your CPPD benefit, complete and return Form ISP-3520, *Request for Voluntary Federal Income Tax Deductions*, to Service Canada.

For information about programs, services or initiatives for persons with disabilities, such as:
