Canadian Forces Provost Marshal's Message

It is my pleasure to present this annual report on Military Police (MP) activities in support to the Canadian Armed Forces (CAF) for the period from April 1, 2014 to March 31, 2015.

In my second year as the Canadian Forces Provost Marshal and Commander of the Canadian Forces Military Police Group (CF MP Gp), I feel it is important once again to highlight the excellent work of the men and women across the CF MP Gp. They continue to serve as an example for the remainder of the CAF by demonstrating their loyalty, dedication to duty, ethical conduct and strong sense of community engagement. I am inspired and excited by what we have accomplished together.

The CF MP Gp continued to build a solid reputation of providing professional, operationally focused, independent and transparent police services to the CAF at home and abroad. After months of planning and training, the first CF MP contingent departed Canada for the Sinai Peninsula as part of military activities undertaken by the CAF to support the Multinational Force and Observers in Egypt. In addition, the CF MP Gp began to develop and deliver MP training and capacity-building programs for Ukrainian forces personnel.

At home, MP personnel were once again involved in virtually every major CAF operation and exercise, while remaining committed to providing a safe and secure environment to local military communities. For the first time in its history, the CF MP Gp co-hosted, along with the Victoria Police Department, the annual conference of the Canadian Association of Chiefs of Police. The 109th conference reflected on the rich history of partnership between Canadian law enforcement professionals towards peace and security.

The critical institutional support we provide to the CAF mission has highlighted our specialized training needs and our requirements to maintain a highly competent, well-trained cadre of police and security professionals. The construction of the new Canadian Forces Military Police Academy is well underway. This will be the first-ever purpose-built training facility in the history of the MP, a significant milestone for the CF MP Gp. Scheduled to open its doors in the fall of 2015, it will rank amongst the most technologically advanced police training academies in Canada.

The CF MP Gp has once again demonstrated steadfast support to the Military Police Fund for Blind Children (MPFBC), a very special military charity that has been helping visually impaired young Canadians for almost 60 years. The MPFBC Committee, made up entirely of volunteers from the MP family, oversaw significant fundraising efforts through a number of special events. With the kind support of several corporations, donors and volunteers, over \$300,000 was raised this past year.

As this year marks our 75th anniversary, I am extremely proud of our significant accomplishments and the respect and admiration we enjoy among the policing community in Canada. Looking forward, I feel confident we will continue to build on the momentum of this past year and our 75 years of excellence in military policing. Notwithstanding this success, we will continue to evaluate and explore ways to improve our skills, efficiency, and professionalism, providing even better support to the CAF and the military community.

Community Relations

Community relations are at the core of the MP organization. Involvement in the military and its extended community helps foster trust in the MP and increases visibility in the organization. Community engagement encourages military community members to participate in crime prevention and creates a positive environment for reporting of incidences. The Military Police Fund for Blind Children is the MP flagship charity and is steeped in a rich and long history. Military volunteers dedicate time and effort to better the lives of children with vision impairment. In this reporting period, almost 175 thousand dollars were dispersed by the Fund to visually impaired children across the country. Throughout the communities, MP have hosted and will continue to host fundraisers for this worthy cause.

Community relations are a key aspect of MP duties. MP are engaged in community activities at the bases and wings and the surrounding communities.

Investigation Statistics for the Canadian Armed Forces

The MP maintains an activity tracking database known as the Security and Military Police Information System (SAMPIS). The tables below reflect the data collected from January 1, 2014 to December 31, 2014. This is a collection of data representing the number of investigations commenced during this reporting period. This data in no way reflects criminal convictions; rather, it reflects the number of investigations that were initiated by the MP.
