

6

REASONS TO MAKE SURE YOU'RE #FLOODREADY

RISK

1

Both older and newer homes can be at risk from flooding.

HISTORY

2

If your property flooded before, it can happen again.

FINISHED BASEMENTS

3

Expensive furniture and electronics can be damaged.

MOULD

4

Flood-caused mould can affect your family's health.

INSURANCE

5

Overland flooding is not usually covered.

CLIMATE CHANGE

6

Projected changes in average conditions and extreme weather may cause more floods.

Don't wait for the water!

Take steps to protect your property.
