## **Survey of Earned Doctorates** 2004-2005

Data on the Survey of Earned Doctorates (SED) for 2004-2005 are now available. The SED is an annual census of doctorate recipients in Canada. The basic purpose of this survey is to gather data about all doctoral graduates in Canada to inform government, associations, universities and other stakeholders on the characteristics and plans of these very highly qualified graduates after they leave their doctoral programs.
