Postcensal estimates of population for census divisions, census metropolitan areas and economic regions,

As of July 1, 2008 (preliminary)

Annual demographic estimates as of July 1, 2008, for census divisions, are now available.

These estimates are based on the 2006 Census counts adjusted for census net undercoverage (including adjustment for incompletely enumerated Indian reserves and population review), and updated between censuses from migration, fertility and mortality information coming from administrative sources. These estimates are based on the 2006 Standard Geographical Classification.

A new series of CANSIM tables will become available in the summer of 2009.

Definitions, data sources and methods: survey number 3608.
