Production and disposition of tobacco products

December 2010

Canadian manufacturers produced 1.4 billion cigarettes in December, down 26.0% from November. The total number of cigarettes sold increased by 25.3% to 2.1 billion and closing inventories fell by 26.7% to 2.0 billion cigarettes in December.

Note: This survey collects data on the production of tobacco products in Canada by Canadian manufacturers and the disposition or sales of this production. It does not collect data on imported tobacco products. Therefore, sales information in this release is not a proxy for domestic consumption of tobacco products.

Available on CANSIM: table 303-0062.

Definitions, data sources and methods: survey number 2142.

The December 2010 issue of *Production and Disposition of Tobacco Products*, Vol. 39, no. 12 (32-022-X, free), is now available from the *Key resource* module of our website *Publications*.

Canadian Financial Capability Survey 2008

The public use microdata file for the Canadian Financial Capability Survey is now available.

Note: The Canadian Financial Capability Survey is sponsored by Human Resources and Skills Development Canada, Finance Canada and the Financial Consumer Agency of Canada.

Specifically, the survey will shed light on Canadians' knowledge, abilities and behaviour concerning financial decision-making. In other words, how Canadians understand their financial situation, the financial services available to them and their plans for the future. The survey is designed to collect information surrounding respondents' approaches to day-to-day money management and budgeting, longer term money management and general financial planning.

Definitions, data sources and methods: survey number 5159.

The CD-ROM *Canadian Financial Capability Survey*, 2008 (18-505-X, \$1,500) is now available.
