Labour Force Historical Review on DVD-ROM

The *Labour Force Historical Review* on DVD-ROM is an easy-to-use tool for discovering patterns or trends in labour market data. This annual product is a comprehensive and timely database of Labour Force Survey estimates containing thousands of cross-classified data series, spanning more than three decades. With over 100 tables, the *Labour Force Historical Review* contains monthly and annual data on a wide range of subjects: labour force status by demographics; education and family characteristics; trends in the labour markets of metropolitan cities; employment and unemployment levels by economic regions; data by industry and occupation; wages and union membership, and much more.

This product allows you to view trends, as well as quickly chart and print the data you are looking for. Efficiently focus your labour market research efforts using one resource.

The DVD-ROM *Labour Force Historical Review*, 2010 (71F0004X, \$209), is now available. Network and bulk prices are available on request.

For more information, contact Client Services (toll-free 1-866-873-8788; 613-951-4090; labour@statcan.gc.ca), Labour Statistics Division.
