Financial information of universities and colleges

2009/2010

The Canadian Association of University Business Officers (CAUBO) provides financial data on the major degree-granting institutions in Canada. The CAUBO data are an important part of the Statistics Canada's Financial Information of Universities and Colleges Survey.

The interim CAUBO report is now available for the 2009/2010 academic year and will include financial data for all CAUBO member institutions except those in Quebec. A full final report will be released as soon as the Quebec data become available. Aggregated data for degree-granting institutions that are not members of the CAUBO organization are expected to be released in July.

Definitions, data sources and methods: survey number 3121.

For more information, or to enquire about the concepts, methods or data quality of this release, contact Client Services (toll-free 1-800-307-3382 or 613-951-7608; fax: 613-951-4441; educationstats@statcan.gc.ca), Tourism and Centre for Education Statistics Division. ■

Foreign control in the Canadian economy
2008 (revised)

Revised 2008 data for foreign control in the Canadian economy are now available on CANSIM. The foreign control data for 2009 will be released later in 2011.

Foreign control data are based on information obtained under the *Corporations Returns Act*, combined with information from the Annual Financial and Taxation Statistics for Enterprises program.

This release uses the annual financial and taxation statistics published on February 9, 2011.

Available on CANSIM: tables 179-0004 and 179-0005.

Definitions, data sources and methods: survey number 2503.
