### Labour Force Survey: Update

An error has been detected in the processing of the August 8 Labour Force Survey release. This error impacts only the July 2014 estimates. The source of the error has been identified and corrected estimates will be released on Friday, August 15, 2014.

Statistics Canada takes this matter very seriously and is immediately launching a review of the data verification processes in place. This does not affect other statistical programs. A report on the results of the review will be published on the Statistics Canada website as soon as it is available.
