Canadian Export Classification, 2015

The 2015 edition of *Canadian Export Classification* is now available.

The *Canadian Export Classification* is a structured, hierarchical classification system based on the Harmonized Description and Coding System (HS). The HS nomenclature is divided into 21 sections, which in general, group goods produced in the same sector of the economy.

The product *Canadian Export Classification, 2015* ([65-209-X](#)), is now available from the *Browse by key resource* module of our website under *Publications*.
