Statistics Canada provides data in many forms...

The statistics contained in this brochure have been compiled by Statistics Canada, the nation's central statistical agency. They represent a small cross-section of the Agency's products, but give a good indication of current social and economic trends.

Statistics Canada offers this information in various forms, including printed publications, on CD, diskette, computer print-out, microfiche and microfilm, and magnetic tape. Direct on-line access to aggregated information is possible through CANSIM, Statistics Canada's database and retrieval system.

Statistics Canada's World Wide Web site www.statcan.ca is the newest route to statistical information profiling Canada's business, economy and society.
