Note of Appreciation

Canada owes the success of its statistical system to a long-standing cooperation involving Statistics Canada, the citizens of Canada, its businesses and governments. Accurate and timely statistical information could not be produced without their continued cooperation and goodwill.

Note de reconnaissance

Le succès du système statistique du Canada repose sur un partenariat bien établi entre Statistique Canada et la population, les entreprises et les administrations canadiennes. Sans cette collaboration et cette bonne volonté, il serait impossible de produire des statistiques précises et actualées.

Symbols

The following standard symbols are used in this document:

- .. figures not available.

- nil or zero.

Statistics Canada
National Accounts and Environment Division

These tables are drawn from the *National Income and Expenditure Accounts* (catalogue no. 13-001). The tables are released quarterly by Statistics Canada. Users should refer to this publication for footnotes and other information concerning the estimates in the tables. Users can also consult the *Guide to the Income and Expenditure Accounts* (catalogue no. 13-603E) for a more in-depth explanation of concepts and methods. The statistics in these tables are also available on microcomputer diskettes for \$25 per quarter or \$100 for an annual subscription, or on CANSIM, Statistics Canada's on-line computer database.

To Order

To order, call 613-951-3640 and ask for the client services officer. For information on the content, call the same number and ask for the information officer.

Signes conventionnels

Les signes conventionnels suivants sont employés uniformément dans ce document:

- .. nombres indisponibles.
- nc nombres non calculables.
- néant ou zéro.
