Note of Appreciation

Canada owes the success of its statistical system to a long-standing cooperation involving Statistics Canada, the citizens of Canada, its businesses and governments. Accurate and timely statistical information could not be produced without their continued cooperation and goodwill.

Note de reconnaissance

Le succès du système statistique du Canada repose sur un partenariat bien établi entre Statistique Canada et la population, les entreprises et les administrations canadiennes. Sans cette collaboration et cette bonne volonté, il serait impossible de produire des statistiques précises et actuelles.

To order, call 613-951-3640 and ask for the client services officer. For information on the content, call the same number and ask for the information officer.

Note

Most of the series shown in these tables have three lines. The first of these lines is the series itself, usually expressed in millions of dollars and sometimes expressed as an index with 1986=100. The second line, italicized and in smaller typeface, is the annual or year-over-year percentage change and the third line, also italicized and in smaller typeface, is the quarterly percentage change. The two percentage change lines are omitted for series which are either very volatile or quite small.

Note

La plupart des séries figurent dans ces tableaux sous trois lignes. La première ligne représente la série elle-même, habituellement exprimée en millions de dollars, et parfois sous forme d'indice (1986=100). La deuxième ligne, en italique et en caractères plus petits, représente la variation annuelle ou année sur année en pourcentage, et la troisième, aussi en italique et en caractères plus petits, la variation trimestrielle en pourcentage. Dans le cas des séries très instables ou très faibles, les deux lignes de variation en pourcentage sont omises.
