RAW HIDES, SKINS AND FINISHED LEATHER

JANUARY 1965

DOMINION BUREAU OF STATISTICS
APR 1 1965
PROPERTY OF THE LIBRARY

About the middle of 1964, it was discovered that this monthly survey was deficient in coverage with regard to the stocks of raw hides and skins held by domestic packers. Steps were taken to bring the missing firms into the survey and the necessary monthly inventory holdings were obtained for each month of 1964. The addition of these new firms to the survey, effective with January, 1965, accounts for the revisions to the 1964 inventory data shown in this report.
