REPORT ON THE PRODUCTION OF BOOTS AND SHOES IN CANADA,

February, 1929.

Number of Factories.-- Returns of production for the month of February, 1929 were received from 184 boot and shoe factories out of a total of 187 factories in operation during the month. One factory each in Nova Scotia, Quebec and Ontario failed to make return. The factories reporting operations are located by provinces as follows: Nova Scotia, 2; New Brunswick, 3; Quebec, 110; Ontario, 62; Manitoba, 2; and British Columbia, 5.

Production.-- The production of leather footwear in Canada in February, 1929, amounted to 1,585,378 pairs, an increase over the preceding month of 245,901 pairs, or 18 p.c., but a decrease from the month of February, 1928, of 79,926 pairs, or $4\frac{1}{2}$ p.c. Boots and shoes with leather or fabric uppers show a total output in February, 1929, of 1,467,175 pairs, an increase over the preceding month of 215,425 pairs, or 17 p.c., but a decrease from the month of February, 1928, of 56,830 pairs, or $3\frac{1}{2}$ p.c. Attention is called to the corrected statement of production for the month of January, 1929, attached hereto. An error was made by one of the firms reporting for that month which necessitated changes in several items, and it was thought best to issue a new statement, which may be substituted for the page 2 of the January Report.

Cumulative Production.-- The cumulative production for the two months ended February 28, 1929, was 2,924,355 pairs, a decrease of 223,363 pairs, or $6\frac{1}{2}$ p.c., from the corresponding period of 1928. Production of footwear for misses and children shows an increase over the two months of 1928, while all of the other items of size show decreases.

Imports and Exports.-- The quantity of footwear (except rubber) imported into Canada during the month of February, 1929, totalled 72,981 pairs, compared with 51,827 in the preceding month and 68,091 pairs in February, 1929. These totals comprise footwear with leather uppers, footwear with canvas uppers and footwear with felt uppers. Exports of Canadian made leather footwear in February, 1929, amounted to 1,461 pairs, compared with 2,611 pairs in the preceding month and 3,121 pairs in February, 1928.

General Tables.-- Statistics of production are given in detail in the following tables.
