12 months, 1952	106,900,768	36,421,085	16,283,679	47,684,705	27,755,188	235,045,425

All 1952 figures have been revised by the reporting firms.

The above figures represent square feet in terms of thickness reduced to one-half inch, except one firm reporting on 7/16" basis. These are preliminary figures subject to revision on further examination of individual reports.

Since January 1948 production and domestic shipments of rigid insulating board for further manufacture into insulating siding are excluded.

Prepared in Forestry Section.
