FOR

WEEK ENDED DECEMBER 12TH, 1925

Car loadings are showing seasonal declines but they are still far above those of last year and the decline this year is less precipitous. Total loadings for last week aggregated 69,449 cars, a decrease from the previous week's of 3,159 cars. Grain loadings continued heavy, last week being the sixth consecutive week and the ninth week this year that exceeded 20,000 cars. Coal loading showed a revival totalling 7660 cars. Lumber showed a decrease of 300 cars and pulpwood, a decrease of 555 cars; merchandise loadings were smaller by 442 cars but the big drop was in miscellaneous freight which showed a decrease of 1,668 cars.

The increase over last year's loadings was 14,545 cars, grain accounting for 10,247 cars of it.

## CARS OF REVENUE FREIGHT LOADED ON CANADIAN RAILWAYS
