Dominion Statistician, R.H. COATS, L.L. D., F.R.S.C., F.S.S. (Hon.) Chief, Transportation and Public Utilities Branch, G.S. Wrong, B.Sc.

OPERATING REVENUES, EXPENSES & STATISTICS RAILWAYS IN CANADA WITH ANNUAL OPERATING REVENUES OF \$500,000 OR OVER

FOR THE TWELVE MONTHS ENDED DECEMBER 318T, 1935.

NOT FOR LOAN

Canadian railways earned \$306,819,785 in 1935, an increase of \$5,982,937 over 1934 gross revenues of \$297,836,848. Operating expenses for the year increased from \$249,640,378 in 1934 to \$261,281,085, or by \$11,640,707, the operating pay roll accounting for \$8,514,383 of this increase, and the operating income was reduced from \$35,885,641 to \$34,357,235. The improvement in gross revenues was made in the last six months of the year: at the end of June revenues were \$755,023 below those of 1934 but each month to the end of the year showed improvements over the corresponding months in 1934. Maintenance of equipment expenses were heavier than in 1934 for each month except one and the total was up by \$3,468,096. Transportation expenses increased by \$5,541,742, or 4.7 per cent, as against an increase in operating pay roll of 5.7 per cent, in freight traffic of 3.8 per cent, in passenger traffic of 3.5 per cent and in revenue train miles of 1.7 per cent. Freight traffic measured in revenue ton miles was lighter than in 1934 for the first five months and was down by 4.5 per cent at the end of May, but was heavier for the remaining seven months and was up by 3.8 per cent at the close of the year.

The pay roll amounted to \$164,466,783, an increase of \$9,661.809, or 6.2 per cent, over the 1934 pay roll, and the number of employees increased from 119,203 to 119,537, or by 0.25 per cent. The 15 per cent reduction in basic rates of wages was reduced to 12 per cent on January 1, 1935, and to 10 per cent on May 1, 1935.

CANADIAN NATIONAL RAILWAYS: Gross revenues of the Canadian lines for 1935 increased to \$144,596,515 from \$140,824,360 for the previous year, but operating expenses increased from \$130,296,562 to \$135,094,078, reducing net operating revenues by \$1,025,360, or from \$10,527,798 in 1934 to \$9,502,437, and the operating income from \$6,655,681 to \$6,054,882. All four lines in the United States showed improvements over 1934. Oross revenues increased from \$24,078,141 to \$28,587,986, operating expenses increased from \$21,639,515 to \$23,832,169 and the operating income from a debit of \$330,980 to a credit of \$1,369,235. This more than offset the decline on the Canadian lines and the system operating income increased from \$6,324,630 to \$7,424,121, or by \$1,099,441. This improvement in the United States lines was greatest during the last four months of the year and debits were reported for only four months, as against eight months in 1934. The Canadian lines also showed gains in each of the last three months, amounting to \$778,882 over the 1934 operating incomes, but these were not sufficient to overcome the earlier declines.

CANADIAN PACIFIC RAILWAY: Gross revenues were \$3,320,009 greater than in 1934, increasing from \$125,642,229 to \$128,962,239, but increased operating expenses more than offset this improvement and the operating income for the year declined by \$1,986,499, or from \$24,384,023 to \$22,397,523. The increase in the operating pay roll was \$4,101,732, or 6.8 per cent, for an increase of 275 employees or half of one per cent. The largest increase in expenses was in maintenance of equipment which advanced 12.2 per cent, or \$2,495,390. Maintenance of way and structures increased 4.4 per cent, or \$835,830, and transportation increased 4.1 per cent, or \$1,861,063.
