## PREFACE

In response to demand for more detailed statistical data, the single annual report summarizing vital statistics data which has been published for fifty years is being replaced by three separate volumes encompassing natality, mortality, nuptiality and dissolution of marriage.

At the time of this volume going to press, divorce data resulting from divorce legislation of 1968 had not been tabulated in detail and are therefore not included in this volume.

However, certain divorce data for the years 1969-1971 are available upon request from either D. Nagnur or J. Silins, Vital Statistics Section, Health Division, Statistics Canada, Ottawa, K1A 0Z5, (613-994-5523).

## PRÉFACE

Pour répondre aux besoins croissants de prévisions, qui exigent des statistiques plus détaillées, on vient de remplacer notre rapport annuel traditionnel, qui présentait toutes les statistiques de l'état civil, par trois volumes, consacrés respectivement à la natalité, à la mortalité, et finalement, à la nuptialité et à la dissolution des mariages.

À l'époque de la préparation de ce volume, on n'avait pas enregistré, d'une façon détaillée, les données ayant trait aux divorces octroyés sous la législation de 1968. Par conséquent, on n'a pas mis de telles données détaillées dans ce volume.

Cependant, on est en mesure de fournir quelques renseignements détaillés, en ce qui concerne les divorces octroyés au cours de la période 1969-1971. Il faudrait contacter D. Nagnur ou J. Silins, Section de la statistique de l'état civil, Division de la santé, Statistique Canada, Ottawa, K1A 0Z5 (613-994-5523).

<sup>1</sup> Granted by Parliament of Canada. Figures for these provinces do not necessarily refer to divorces granted during each calendar year but to bills of divorce passed by the House of Commons at the session(s) of Parliament opening in the year in question. — Accordées par le Parlement fédéral. Le nombre annuel de divorces ne coïncide pas nécessairement avec les années de calendrier, mais comprend le nombre de bills de divorces approuvés par le Parlement à la (les) session(s) commençant l'année en question.

<sup>2</sup> A Divorce Court was established in Prince Edward Island in 1945. Prior to that year divorces were granted by Parliament. — Une cour de divorce a été instituée en île-du-Prince-Édouard en 1945. Antérieurement à cette année les divorces étaient accordés par le Parlement fédéral.

<sup>3</sup> No fall term of court held in 1944. Petitions held over until January 1945. — La cour n'ayant pas siégé à l'automne 1944, les demandes ont été renvoyées à janvier 1945.

<sup>4</sup> A new rule was adopted in August 1948 by the Divorce Court granting a Decree Nisi to become absolute at the end of three months. As a result a number of divorces were not effective until 1949. — En vertu d'un nouveau règlement adopté en août 1948, un décret provisoire devient absolu au bout de trois mois. Il en résulte qu'un certain nombre de divorces ne sont devenus effectifs que l'année suivante.

<sup>5</sup> No bills of divorce were passed by the House of Commons during the 1962 sessions of Parliament. — Durant les sessions de 1962, le Parlement n'a adopté aucun bill de divorce.
