## PREFACE

This publication is the second in the series of separate annual Vital Statistics reports presenting data on marriages and divorces; prior to 1971, these data were published in a combined annual report on Vital Statistics, Catalogue 84-202.

In addition to the usual data on marriages, this report includes, for the first time, several detailed tabulations on divorces for the period 1969 to 1972. These detailed tabulations have been derived from the number of divorce decrees granted under the new divorce legislation of July 2, 1968 and do not include decrees granted to those petitions filed under the previously existing legislation. Consequently, the total counts of decrees granted for the years 1969, 1970 and 1971 in the detailed tabulations differ slightly from those published elsewhere in Vital Statistics Reports. Further information regarding these statistics may be obtained from D. Nagnur or J. Silins, Vital Statistics Section, Health Division.

## PRÉFACE

Ce bulletin est le deuxième d'une série des rapports annuels séparés, rédigés par la section de la statistique de l'état civil. Ils présentent des renseignements au sujet des mariages et des divorces jusqu'à 1971, on a publié ces statistiques dans un rapport annuel combiné, ayant trait à toutes les statistiques de l'état civil, catalogue 84-202.

Ce rapport présente les données habituelles en ce qui concerne les mariages, et, de plus, plusieurs tableaux détaillés au sujet des divorces, pour la période 1969-1972. On a construit ces tableaux détaillés par moyen des listes des décrets de divorce accordés sous la nouvelle législation du 2 juillet, 1968. Ils ne comprennent pas les décrets octroyés en réponse aux pétitions faites sous la législation antérieure. Par conséquent, les totaux des décrets octroyés au cours des années 1969, 1970 et 1971, selon les tableaux détaillés diffèrent légèrement des totaux qu'on a publiés dans d'autres bulletins de la section de la statistique de l'état civil. Pour ce qui est de ces statistiques, il faudrait contacter D. Nagnur ou J. Silins, de la Section de la statistique de l'état civil, Division de la santé, afin d'obtenir des renseignements additionnels.

<sup>1</sup> Granted by Parliament of Canada. Figures for these provinces do not necessarily refer to divorces granted during each calendar year but to bills of divorce passed by the House of Commons at the session(s) of Parliament opening in the year in question. — Accordées par le Parlement fédéral. Le nombre annuel de divorces ne coïncide pas nécessairement avec les années de calendrier, mais comprend le nombre de bills de divorces approuvés par le Parlement à la (les) session(s) commençant l'année en question.

<sup>2</sup> A Divorce Court was established in Prince Edward Island in 1945. Prior to that year divorces were granted by Parliament. — Une cour de divorce a été instituée en île-du-Prince-Édouard en 1945. Antérieurement à cette année les divorces étaient accordés par le Parlement fédéral.

<sup>3</sup> No fall term of court held in 1944. Petitions held over until January 1945. — La cour n'ayant pas siégé à l'automne 1944, les demandes ont été renvoyées à janvier 1945.

<sup>4</sup> A new rule was adopted in August 1948 by the Divorce Court granting a Decree Nisi to become absolute at the end of three months. As a result a number of divorces were not effective until 1949. — En vertu d'un nouveau règlement adopté en août 1948, un décret provisoire devient absolu au bout de trois mois. Il en résulte qu'un certain nombre de divorces ne sont devenus effectifs que l'année suivante.

<sup>5</sup> No bills of divorce were passed by the House of Commons during the 1962 sessions of Parliament. — Durant les sessions de 1962, le Parlement n'a adopté aucun bill de divorce.

<sup>6</sup> The number of divorces shown for 1969 and 1970 includes decrees absolute granted in those years to petitions filed prior to July 2, 1968.
