WHEREAS the principles upon which the several Governments are enabled to act in the furtherance of this purpose have been fully considered and a determination has been reached:

THEREFORE the Dominion of Canada and the several Colonies aforesaid declare and agree as follows:

TRADE

Article I. The Dominion of Canada affirms the principle of granting a preference on all goods being the produce or manufacture of any of the Colonies aforesaid imported into Canada, which are now subject to duty or which may be made subject to duty at any future time.

Article II. Subject to the special provisions of Article III, the duties of Customs on all goods (other than tobacco, cigars, cigarettes, and spirituous or alcoholic liquors) being the produce or manufacture of any of the Colonies aforesaid imported into Canada, which are now subject to duty or which may be made subject to duty at any future time, shall not at any time be more than fifty (50) per cent of the duties imposed on similar goods when imported from any foreign country.

Article III. The Dominion of Canada will grant to the articles specified in Schedule "A," being the produce or manufacture of any of the Colonies aforesaid, imported into Canada, the preferential treatment indicated in respect of each such article in the said Schedule "A."

Article IV. The Colonies aforesaid severally affirm the principle of granting a preference on all goods being the produce or manufacture of Canada imported into such Colonies, which are now subject to duty or which may be made subject to duty at any future time.

Article V. Subject to the special provisions of Articles VI and VII, the duties of customs on all goods (other than tobacco, cigars and cigarettes) being the produce or manufacture of Canada imported into the Colonies aforesaid, which are now subject to duty or which may be made subject to duty at any future time, shall not at any time be

(a) in the case of Barbados, British Guiana, and Trinidad, more than fifty (50) per cent.

(b) in the case of British Honduras, the Leeward Islands, and the Windward Islands, more than sixty-six and two-thirds ($66\frac{2}{3}$) per cent.

(c) in the case of Bermuda and Jamaica, more than seventy-five (75) per cent, and

(d) in the case of Bahamas more than ninety (90) per cent

of the duties imposed on similar goods when imported from any foreign country.

Article VI. The Colonies aforesaid will grant to the articles specified in Schedule "B," being the produce or manufacture of Canada, imported into the said Colonies, the preferential treatment indicated in respect of each such article in the said Schedule "B."

Article VII. In the case of the Bahamas, the provisions of Article V (d) shall not apply to wines, malt liquors, spirits, spirituous liquors, liquid medicines, and articles containing alcohol.

Article VIII. The Governments of any of the Colonies aforesaid on giving six months' notice may provide that to be entitled to the concessions granted in Articles V and VI the products of Canada shall be conveyed by ship direct without transshipment from a Canadian port into the said Colony or by way of one of the other Colonies entitled to the advantages of this Agreement.

The Government of Canada on giving six months' notice may provide that, to be entitled to the concessions granted in Articles II and III, the products of any of the Colonies aforesaid shall be conveyed by ship direct without transshipment from the said Colony or from one of the other Colonies entitled to the advantages of this agreement into a Canadian port.

Provided that, should the discretion recognized in this Article be at any time exercised by the Government of Canada, provision shall be made, in all contracts entered into with steamships subsidized by the Dominion and the Colonies, aforesaid, and plying between ports in Canada and ports in the said Colonies, for an effective control of rates of freight.

Article IX. This Agreement shall not interfere with any existing preference or with the granting of any future preference by the Dominion or by any of the Colonies aforesaid to any other part of the British Empire, or with any existing preference or the granting of any future preference by the said Colonies among themselves.

STEAMSHIP SERVICES—EASTERN GROUP

Article X. The Government of Canada will use its best endeavours to arrange for a mail, passenger and freight steamship service to come into effect as soon as possible,

and in any case within three years, between Canada, Bermuda, the Leeward Islands, the Windward Islands, Barbados, Trinidad, and British Guiana, on the following lines:

(1) Steamers shall sail weekly from St. John or Halifax calling one week on the outward passage at Bermuda, Barbados, Trinidad and British Guiana, and on the homeward passage at Trinidad, Grenada, St. Vincent, Barbados, St. Lucia, Dominica, Monserrat, Antigua, Nevis, St. Kitts and Bermuda; on alternate weeks calling on the outward passage at Bermuda, St. Kitts, Nevis, Antigua, Monserrat, Dominica, St. Lucia, Barbados, St. Vincent, Grenada, Trinidad, and British Guiana, and on the homeward passage at Trinidad, Barbados, and Bermuda.

(2) The steamers shall be from 5,000 to 6,000 tons gross, capable of maintaining an ocean speed of 12 knots, and providing accommodation for 100 first class, 30 second class, and 100 steerage or deck passengers, and shall be provided with 'tween decks.

Article XI. The Government of Canada will stipulate in any contract entered into for such steamship service that:—

(1) There shall be reasonable proportionate allocation of passenger and cargo accommodation between the Colonies mentioned in Article X.

(2) There shall be no unfair differentiation in rates of freight against the smaller Colonies as compared with the rates to larger Colonies situated at a similar distance from St. John or Halifax.

(3) The steamers shall be so constructed that so far as the traffic warrants, cold storage shall be provided if this can be secured without unreasonable additional cost.

Article XII. If a subsidized steamship service is arranged for the Government of Canada will endeavour to secure the co-operation of the owners of such steamship service towards the provision of hotels and bungalows in the Colonies, the Governments of the Colonies being prepared on their part to offer such facilities as may be practicable, both as regards sites and financial assistance.

Article XIII. The representatives of the Colonies mentioned in Article X undertake to recommend to their Governments that these Governments shall contribute towards such subsidized steamship service, when established, in the following amounts annually:—

Barbados.....	not less than	£ 5,000
Bermuda.....	“	2,000
British Guiana.....	“	7,500
Leeward Islands.....	“	2,500
Trinidad.....	“	7,500
Windward Islands.....	“	2,500
		<hr/>
		£27,000

Article XIV. Pending the establishment of such service the Government of Canada will use its best endeavours to maintain a fortnightly service on the existing lines and to supplement it with such additional freight or passenger and freight vessels as the trade may require.

STEAMSHIP SERVICES—WESTERN GROUP

Article XV. The Government of Canada, subject to the adoption by the Governments concerned of the recommendations embodied in Article XVI, undertakes to provide as soon as possible, and in any case not later than the 1st January, 1921, a fortnightly freight, mail and passenger steamship service between Canada, the Bahamas, Jamaica, and British Honduras, on the following lines:—

(1) The steamers shall not be less than 3,500 long tons dead weight, shall have an ocean-going speed of not less than 10 knots, and shall have accommodation for from 15 to 20 first-class passengers, and shall be provided with 'tween decks, and, so far as the traffic warrants, with cold storage if this can be secured with reasonable cost.

(2) The steamers shall sail from such Canadian ports as freight conditions require and shall proceed to Belize in British Honduras, calling at Nassau in the Bahamas, and at such port or ports in Jamaica as may be necessary, and shall call on the return voyage at such port or ports in Jamaica as may be necessary, and at Nassau.

Article XVI. The representatives of the Colonies mentioned in Article XV undertake to recommend to their Governments that these Governments shall, if the service proves unremunerative, contribute twenty-five (25) per cent of any loss; provided that the amounts contributed shall not exceed, in the case of the Bahamas, the sum of £3,000 per annum, in the case of British Honduras, the sum of £5,000 per annum, and in the case of Jamaica the sum of £5,000 per annum.

Article XVII. This Agreement shall be subject to the approval of the Parliament of Canada and of the Legislature of each of the Colonies aforesaid, and of the Secretary of State for the Colonies. Upon such approval being given, the Agreement shall be brought into force at such time as may be agreed upon between the Governments of Canada and of the Colonies aforesaid by Proclamation to be published in the *Canada Gazette* and in the Official Gazette of each of the said Colonies. *

Article XVIII. This Agreement shall remain in force for ten years after the Proclamation aforesaid and thereafter until terminated by twelve months' written notice given either by the Government of Canada, or by the Government of any of the Colonies aforesaid, but in the latter case the Agreement shall remain in full force and effect

*See note on next page.

as to any of the other Colonies which have not given such notice.

IN WITNESS WHEREOF the representatives of the Government of Canada and of the Governments of the Colonies aforesaid have signed this Agreement.

Done at Ottawa this 18th day of June, 1920, in a single copy which will be deposited in the Archives of the Government of Canada and of which authenticated copies will be transmitted by the Government of Canada to the Governments of each of the Colonies aforesaid.

With a view to the further promotion of the purposes of the Canada-West Indies Trade Agreement of even date the representatives of the Government of Canada and of the Colonies named in the agreement will recommend for the favourable consideration of their respective Governments that direct British owned and British controlled cables should be laid as soon as possible, without waiting for the termination of the Agreement with the West Indian and Panama Telegraph Company, to connect Bermuda with Barbados, Trinidad, British Guiana, the Windward Islands, the Leeward Islands, and Turks Island or Jamaica.

The Government of Canada will institute inquiries as soon as practicable as to the possibility of arranging for the laying of such cables and will communicate the results of these inquiries to the Governments of the Colonies.
