1971 CENSUS OF CANADA

RECENSEMENT DU CANADA 1971

# Families

IMMIGRANT FAMILIES

# Familles

FAMILLES IMMIGRANTES

## INTRODUCTION

This report presents final figures of the 1971 Census relating to "families with head born outside Canada" by

- (a) type of family (Table 68); and
- (b) period of immigration and age of head showing family type, composition and average employment income, as well as labour force activity of heads and wives (Tables 69,70).

Figures are shown for the following geographic areas:

- (i) Canada and provinces (Tables 68, 69); and
- (ii) census metropolitan areas (Tables 68, 70).

The information in this report was collected on a 33 1/3% sample basis. As a result, the number of families for a given geographic area may differ from that shown in reports containing data collected on a 100 p.c. basis. The latter figures, of course, represent the official count of families (see Catalogue No. 93-714).

The 1971 Census figures in this report have been subjected to a confidentiality procedure to prevent the possibility of associating small figures with any identifiable individual. The particular technique used is known as "random rounding". Under this method, all last or "unit" digits in a table (including all totals) are randomly rounded (either up or down) to "0" or "5". This technique provides the strongest possible protection against direct, residual, or negative disclosures without adding any significant error to the census data. However, since totals are independently rounded they do not necessarily equal the sum of individual rounded figures in distributions. Also, minor differences can be expected for corresponding totals and cell values in various census reports.

Ce bulletin présente les chiffres définitifs du recensement de 1971 en ce qui concerne les "familles dont le chef est né à l'extérieur du Canada" selon

- a) le genre de famille (tableau 68); et
- b) la période d'immigration et l'âge du chef, par genre et composition de la famille et revenu moyen de l'emploi, ainsi que par l'activité du chef et de son épouse (tableaux 69,70).

Les chiffres sont publiés pour les secteurs géographiques suivants:

- i) Canada et provinces (tableaux 68, 69); et
- ii) régions métropolitaines de recensement (tableaux 68, 70).

Les renseignements de la présente publication ont été recueillis par un échantillonnage de 33 1/3 %. Il s'ensuit que le nombre de familles pour une région géographique donnée n'est pas forcément le même que celui des publications dont les données avaient été recueillies à 100 p. 100. Bien entendu, c'est ce dernier chiffre qui représente le dénombrement officiel des familles (voir la publication n° 93-714 au catalogue).

Par souci de confidentialité, les chiffres de 1971 publiés ici ont été soumis à une formule qui garantit l'impossibilité d'associer des chiffres de faible importance à une personne reconnaissable. Cette technique particulière s'appelle l'"arrondissement aléatoire". Grâce à cette méthode, tous les derniers chiffres, c'est-à-dire les chiffres des unités, des tableaux (y compris tous les totaux) sont arrondis de façon aléatoire (vers le haut ou vers le bas) à "0" ou à "5". Cette technique assure la protection maximale contre la divulgation directe, négative ou par recoupements, sans ajouter d'erreur significative aux données. Toutefois, puisque les totaux sont arrondis séparément, ils ne sont pas nécessairement égaux à la somme des chiffres individuels arrondis dans les distributions. De plus, il faut s'attendre que les totaux et les autres chiffres correspondants dans divers bulletins du recensement présentent quelques légères différences.

(1) Comprend les autres genres de familles secondaires.

(2) Ne comprend que les cinq premiers mois de 1971.

## DEFINITIONS

**Family:** A census family consists of a husband and wife (with or without children who have never been married, regardless of age) or a parent with one or more children never married, living in the same dwelling. A family may consist, also, of a man or woman living with a guardianship child or ward under 21 years for whom no pay was received.

**Type of family:** Refers to the classification of families as to whether they maintain their own household (i.e., whether the head of the family is also head of the household). Families not maintaining their own household are further classified according to their relationship to the head of the household (i.e., related or lodging families).

**Period of immigration:** Refers to the year (or period) when family heads born outside Canada first came to live in Canada.

**Born outside Canada:** Refers to immigrants, both British and foreign born, regardless of date of immigration.

**Age:** Age classifications in the census are based on the number of completed years of age at last birthday prior to June 1, 1971.

**Children in family:** Refers to sons and daughters, under 25 years, who have never married and are living at home. Children who have ever been married, regardless of age, are not considered as members of their parents' family even though they are living in the same dwelling.

The following were to be included as children: adopted children, stepchildren, foster children and wards for whom no pay was received.

**School attendance:** Refers to full-time attendance at any type of educational institution since September 1970.

**Families with head who worked in 1970:** Refers to those family heads, 15 years and over, who reported that they worked one or more weeks in 1970, either full-time or part-time.

**Employment income:** Refers to the total of income received in 1970 as wages and salaries, net income from business or professional practice, and net farm income.

**Labour force activity:** Refers to the labour market activity of persons 15 years and over in the week prior to enumeration, i.e., working for pay or profit or in unpaid family work, looking for work, on temporary lay-off, or with a job but not at work.

Definitions of these and other terms, including geographic terms, used technically in this report are discussed in the Introductory Report to Volume II, Part 2 (Catalogue No. 93-713).

## MEASURES OF RELIABILITY

The estimates of the mean square error for the characteristics covered in this report were not available at the time of publication. They will be available in the introductory report to this volume (Catalogue No. 93-713). Those users requiring this information prior to the release of the introductory report should contact the Census User Inquiry Service.

## DÉFINITIONS

**Famille:** Une famille de recensement se compose de l'époux et de l'épouse avec ou sans enfants célibataires (peu importe leur âge) ou de l'un ou l'autre des parents avec un ou plusieurs enfants célibataires vivant dans le même logement. Une famille peut être formée également d'un homme ou d'une femme vivant avec un enfant en tutelle ou un pupille de moins de 21 ans pour lequel il (elle) ne reçoit pas de rétribution.

**Genre de famille:** Les familles sont classées en familles principales (une famille dont le chef est aussi le chef du ménage) et en familles secondaires. Les familles secondaires sont subdivisées selon leur lien avec le chef du ménage, c'est-à-dire suivant qu'elles sont des familles apparentées ou des familles non apparentées (familles chambreuses, etc.).

**Période d'immigration:** Année (ou période) où un chef de famille né à l'extérieur du Canada est arrivé au Canada pour la première fois avec l'intention d'y demeurer.

**Personnes nées à l'extérieur du Canada:** Immigrants, britanniques ou nés à l'étranger, quelle que soit la date où ils ont immigré.

**Âge:** Nombre d'années révolues au dernier anniversaire de naissance avant le 1<sup>er</sup> juin 1971.

**Enfants faisant partie de la famille:** Fils et filles célibataires de moins de 25 ans qui vivent à la maison. Les enfants qui ont déjà été mariés, peu importe leur âge, ne sont pas considérés comme membres de la famille de leurs parents même s'ils vivent dans le même logement.

Les personnes suivantes sont aussi considérées comme enfants: les enfants adoptés, les beaux-fils et les belles-filles, les enfants en tutelle et les pupilles pour lesquels il n'est pas versé de rémunération.

**Fréquentation scolaire:** Fréquentation à plein temps de n'importe quel genre d'établissement d'enseignement depuis septembre 1970.

**Familles dont le chef a travaillé en 1970:** Les chefs de famille de 15 ans et plus qui ont déclaré avoir travaillé une semaine ou plus en 1970, soit à plein temps ou à temps partiel.

**Revenu de l'emploi:** Revenu total reçu en 1970 sous forme de rémunération, de revenu net provenant de l'exploitation d'une entreprise ou de l'exercice d'une profession pour compte propre et de revenu agricole net.

**Activité:** Activité sur le marché du travail des personnes de 15 ans et plus au cours de la semaine précédant le dénombrement, c.-à-d. travaillant contre rémunération ou en vue d'un bénéfice, ou sans rémunération dans une entreprise familiale, cherchant du travail, en congédiement temporaire, ou ayant un emploi mais n'étant pas au travail.

Les définitions de ces termes et d'autres incluant les termes géographiques employés techniquement dans ce bulletin sont données dans l'Introduction au volume II, partie 2 (n<sup>o</sup> 93-713 au catalogue).

## MESURES DE FIABILITÉ

Les estimations de l'erreur quadratique moyenne des caractéristiques données dans ce bulletin n'étaient pas disponibles au moment de la publication. Elles seront disponibles dans le rapport introductoire de ce volume (n<sup>o</sup> 93-713 au catalogue). Les utilisateurs demandant ce renseignement avant la publication du rapport introductoire devraient s'adresser au Service-utilisateurs, Recensement.

## Publications of the Census of Canada, 1971

This report is one of the Volume Series of publications of the 1971 Censuses of Population, Housing and Agriculture. Altogether, there are some 225 reports in this series prepared in such a way that by removal of their covers the contents can be combined to form the materials comprising the 6 volumes and 25 separate volume parts in the entire series. A hard-covered binder, suitably titled, is included in the composite price to purchasers of the complete set of reports for any given volume part.

### Catalogue of reports

A catalogue is available which describes the individual reports in the Volume Series of 1971 Census publications as well as reports in other series (i.e., Advance Series, Census Tract Series, and Special Series). The catalogue also includes a price list and an order form. A copy of this catalogue may be obtained from Publications Distribution, Statistics Canada, Ottawa K1A 0T6. For further information on census publications, address your inquiry to Information Division, Statistics Canada.

### How to order reports

Orders for reports may be sent to Publications Distribution, Statistics Canada, Ottawa K1A 0T6, or to Publishing Division, Information Canada, Ottawa K1A 0S9. Enclose payment with your order in the form of a cheque or money order made payable to the Receiver General of Canada. If more convenient, census publications may be ordered from Information Canada bookstores in Halifax, Montreal, Ottawa, Toronto, Winnipeg, or Vancouver. For other details concerning deposit accounts, bulk orders, etc., contact Publications Distribution, Statistics Canada.

### Other forms of publication

In addition to the tabulated results of the 1971 Census published in reports and bulletins, a large number of tables will be issued to users as copies of computer print-outs. These will also be available in microform. A variety of statistical tables may be purchased on computer "summary" tapes for further computer analysis by users. Details of the content, prices, and availability of census tabulations in these output media may be obtained from the User Inquiry Service, Census Field, Statistics Canada, Ottawa K1A 0T7.

### Special tabulations

To the extent that confidentiality constraints permit, Statistics Canada will produce for users at cost, special tabulations not already included in the planned tabulation programme. Requests should be sent to the Census User Inquiry Service specifying clearly the precise classifications or cross-classifications and the geographic areas. The exact categories for each characteristic and a rough table layout should be included.

### Maps and geographic files

Large-scale maps may be purchased to show the boundaries of enumeration areas (i.e., the territory covered by each Census Representative in taking the census), as well as small-scale maps of census divisions and other statistical areas. Supporting documentation relating to the census geographic files (i.e., place names, codes, etc.) are available in tabular form identifying the component enumeration areas of administrative and statistical units (e.g., towns, villages, municipalities, tracts). Further details, including costs to users, may be obtained from the User Inquiry Service of the Census Field of Statistics Canada.

## Publications du recensement du Canada de 1971

Le présent bulletin fait partie de la série des volumes des recensements de la population, du logement et de l'agriculture de 1971. Cette série compte au total environ 225 bulletins présentés de telle sorte qu'en retirant leur couverture l'utilisateur peut les réunir et constituer ainsi les 6 volumes de la série, qui comprennent 25 parties distinctes. Un auto-relieur à couverture rigide portant le titre approprié est compris dans le prix d'achat de la série complète des bulletins constituant une partie de volume.

### Catalogue

On peut se procurer un catalogue qui décrit chaque bulletin de la série des volumes du recensement de 1971, ainsi que les bulletins des autres séries (série préliminaire, série des secteurs de recensement et série spéciale). Le catalogue contient également une liste de prix et une formule de commande. On peut obtenir un exemplaire de ce catalogue en s'adressant à la Distribution des publications, Statistique Canada, Ottawa K1A 0T6. Pour tout renseignement complémentaire sur les publications du recensement, s'adresser à la Division de l'information de Statistique Canada.

### Commandes de bulletins

Les commandes de bulletins peuvent être envoyées à la Distribution des publications, Statistique Canada, Ottawa K1A 0T6, ou à la Division de l'édition, Information Canada, Ottawa K1A 0S9. Toute commande doit être accompagnée d'un chèque ou d'un mandat établi à l'ordre du Receveur général du Canada. On peut aussi commander les publications du recensement aux librairies d'Information Canada de Halifax, de Montréal, d'Ottawa, de Toronto, de Winnipeg et de Vancouver. Pour plus de détails sur les comptes de dépôt, les commandes en gros, etc., s'adresser à la Distribution des publications, Statistique Canada.

### Autres formes de publication

En plus des diverses publications contenant les résultats du recensement de 1971, de nombreux tableaux seront mis à la disposition des utilisateurs sous forme d'états mécanographiés. Ces tableaux seront également disponibles en microcopie. Les utilisateurs désireux de faire des analyses par des moyens mécanographiques pourront également se procurer un large éventail de tableaux statistiques sur bandes "sommaires". Pour tout renseignement sur le contenu, le prix et la disponibilité des résultats du recensement sur ces supports, s'adresser au Service-utilisateurs, Secteur du recensement, Statistique Canada, Ottawa K1A 0T7.

### Totalisations spéciales

Dans la mesure où le respect du secret des données le permettra, Statistique Canada établira, à l'intention des utilisateurs qui en acquitteront les frais, des totalisations spéciales qui ne font pas encore partie du programme d'exploitation prévu. Il faut envoyer les demandes au Service-utilisateurs des données du recensement en précisant bien les classements ou recoupements et les régions géographiques. Il faut inclure les catégories exactes pour chaque caractéristique et une ébauche de la disposition des tableaux.

### Cartes et fichiers géographiques

Les utilisateurs pourront se procurer des cartes à grande échelle indiquant les limites des secteurs de dénombrement (c.-à-d. des territoires recensés par chaque représentant du recensement) ainsi que des cartes à petite échelle des divisions de recensement et des autres secteurs statistiques. Les documents constituant les fichiers géographiques (noms, codes, etc. géographiques) sont disponibles sous forme de tableaux présentant les différents secteurs de dénombrement qui constituent les unités administratives et statistiques (par ex., villes, villages, municipalités et secteurs de recensement). Pour plus de détails et pour une indication des frais, s'adresser au Service-utilisateurs du Secteur du recensement de Statistique Canada.
