Note: Numbers from 2007 to 2012 were revised.

All historical tables from 2011 have been refreshed using a new methodology, therefore results in the 2013 Report will not match the data published in releases before 2011.

Noter bien que les données de 2007 à 2012 ont été révisées.

Tous les tableaux contenant des données historiques depuis 2011 ont été révisés en utilisant une nouvelle méthodologie, par conséquent les données contenues dans le rapport 2013 sont différentes de celles publiées dans les versions antérieures à 2011.

About the CPP

This publication is made available to all levels of government, social security organizations and private sector.

The Canada Pension Plan (CPP) which came into force on the 1st of January 1966 is a contributory, earnings-related social insurance program. It ensures a measure of protection to a contributor and their family against the loss of income due to retirement, disability and death. The plan operates throughout Canada except in Quebec which has its own similar program, the Quebec Pension Plan (QPP). The QPP is closely associated with the CPP and both plans are operated and coordinated through a series of agreements between the federal and Quebec governments.

The CPP covers nearly all employed and self-employed persons in Canada (except Quebec) who are at least age 18, and under age 70 and not in receipt of a disability pension under the CPP and who earn more than a minimum level of earnings in a calendar year.

In 2013, employees contributed 4.95 percent of covered earnings and their employer paid a matching contribution. Self-employed persons contributed at the rate of 9.9 percent on the same range of annual earnings. The Year's Basic Exemption (YBE) was \$3,500 for 2013 and the Year's Maximum Pensionable Earnings (YMPE), which is indexed to the average Canadian wage, was \$51,100 in 2013.

Contributions are made on the portion of an individual's annual earnings above the YBE and up to a ceiling known as the YMPE.

The data appearing in this publication were compiled as aggregates of records from the Record of Earnings file, which contains the information on the earnings and contributions of each contributor. The information in these tables should not be mistaken for contributor information available from income data, which includes other sources such as pensions, interest and other investment income. Individual details are held in strict confidence.

À propos du RPC

La présente publication est mise à la disposition de tous les ordres de gouvernement, des organismes de sécurité sociale et du secteur privé.

Entré en vigueur le 1er janvier 1966, le Régime de pensions du Canada (RPC) est un régime d'assurance sociale contributif fondé sur les gains. Il protège un cotisant et sa famille contre la perte de revenu attribuable à la retraite, à l'invalidité et au décès. Le Régime est applicable dans tout le Canada, à l'exception du Québec qui a un programme semblable, soit le Régime de rentes du Québec (RRQ). Le RRQ est étroitement lié au RPC et les opérations des deux régimes sont coordonnées par une série d'accords entre le gouvernement fédéral et celui du Québec.

Le RPC s'adresse à presque toutes les personnes salariées ou travaillant à leur compte au Canada (sauf au Québec) qui sont âgées d'au moins 18 ans, mais moins de 70 ans, qui ne reçoivent pas une pension d'invalidité du RPC et dont les gains, au cours d'une année civile, dépassent le niveau minimal des gains prévu.

En 2013, les employés ont versé une cotisation égale à 4,95 p. 100 de leurs gains assurés et leur employeur a versé une cotisation équivalente. Les travailleurs autonomes ont cotisé au taux de 9,9 p.100 sur la même tranche des gains annuels. En 2013, l'exemption de base de l'année (EBA) était de 3 500 \$. Le maximum des gains annuels ouvrant droit à pension (MGAP) lequel est indexé au salaire moyen au Canada était de 51 100 \$ en 2013.

Des cotisations sont prélevées sur la tranche des gains annuels d'un particulier compris entre l'EBA et un plafond prescrit qui est le MGAP.

Les données de la présente publication ont été compilées à partir de l'ensemble des inscriptions au Registre des gains; ce dernier contient les renseignements sur les gains et les montants des cotisations de chaque cotisant. Les renseignements fournis dans ces tableaux ne doivent pas être considérés comme provenant des données sur les revenus, qui comprennent d'autres sources telles que les revenus de pensions, d'intérêts et d'autres investissements. Les renseignements particuliers sont strictement confidentiels.

About this Report

The tables that follow include information on the number of contributors and the amount of contributions paid, distributed by gender, age, earnings level, employment status and by province. It should be noted that the amount of contributions excludes refunded contributions made through tax filing.

In addition to information on contributions to the Canada Pension Plan in the year 2013, this publication also contains historical data dating from 1966 on the most often requested information.

It should be noted that for the Canada Pension Plan Contributors Report 2011, the methodology has changed to better reflect the impact of refunds on the number of contributors and dollar amounts contributed. All historical tables have been refreshed using consistent methodology. Therefore, results in the 2013 Contributors Report will not match the data published in releases before 2011.

In order to ensure client confidentiality, an 'X' has been placed where the number of contributor is equal to or below 9. In order to avoid residual disclosure, an 'X' has also been placed where the next lowest number of contributors was found, which may be below, equal to, or above 9.

In tables where are identified by 'unknown' location, values under 10 are not suppressed. In previous Contributions Reports, these contributors were not included.

À propos du présent rapport

Les tableaux qui suivent contiennent des renseignements sur le nombre de cotisants et le montant des cotisations versées, selon le sexe, l'âge, le niveau des gains, l'état relatif à l'emploi et la province. Il est à noter que le montant des cotisations exclut le remboursement des cotisations effectué lors des déclarations des revenus.

En plus de présenter l'information sur les cotisations au Régime de pensions du Canada durant l'année 2013, cette publication contient des données historiques datant de 1966 sur les renseignements les plus en demande.

Le rapport des Cotisants du Régime de pensions du Canada 2011 a utilisé une nouvelle méthodologie afin de mieux refléter l'impact du remboursement des cotisations sur le nombre de cotisants et sur les montants cotisés au Régime. Tous les tableaux contenant des données historiques ont été révisés. Par conséquent, les données contenues dans ce rapport sont différentes de celles publiées dans les versions avant 2011.

En guise de protection des renseignements personnels des cotisants, un « X » a été placé dans le cas où le nombre de cotisants est égal ou inférieur à 9. Afin d'éviter la divulgation par recoupements, un « X » a aussi été mis au nombre suivant de cotisants le moins élevé, lequel peut être inférieur, égal ou supérieur à 9.

Dans les tableaux où les cotisants sont identifiés avec un emplacement «inconnu», les valeurs inférieures à 10 ne sont pas supprimées. Dans les rapports précédents, ces cotisants n'étaient pas inclus.

Highlights:

The number of contributors to the Canada Pension Plan (CPP) increased by 0.9 percent to 13.7 million in 2013.

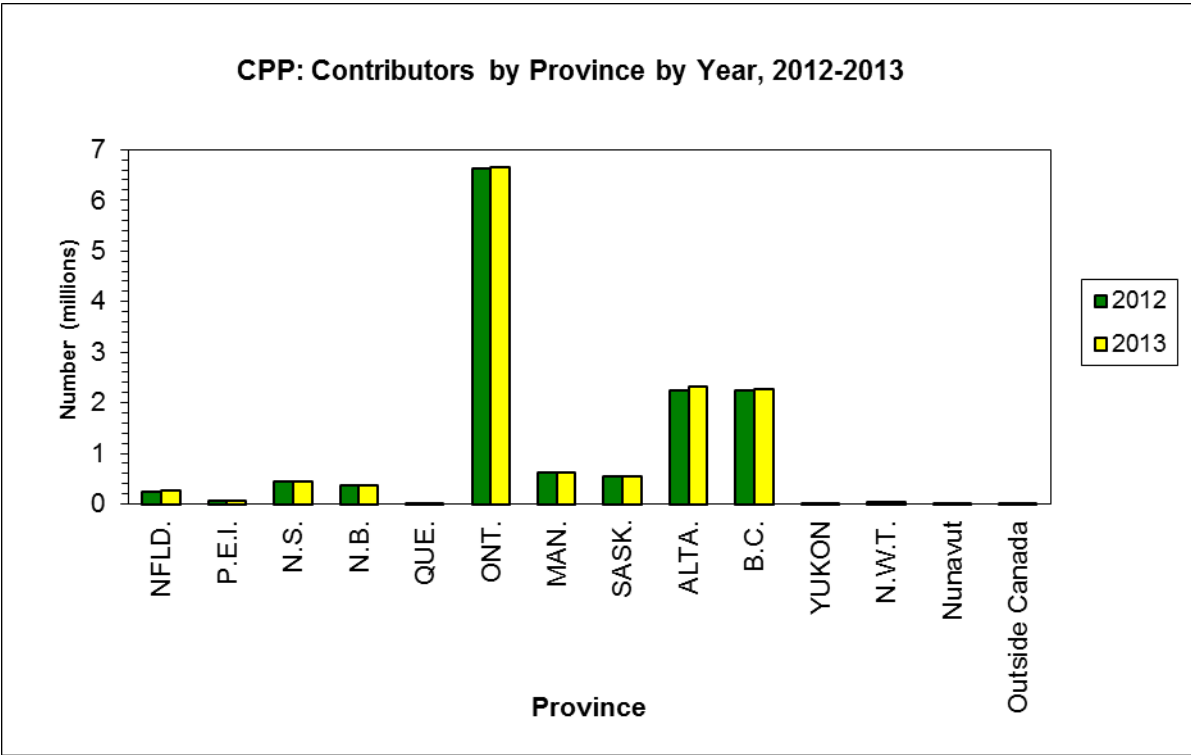

The amount of contributions to the CPP increased by 3.1 percent in 2013 (42.1 billion) compared with 2012 (40.8 billion).

The number of females who contributed during 2013 was 6.5 million; this represents an increase of 1.0 percent (61,652). The number of male contributors in 2013 rose by 0.8 percent (56,600) to 7.2 million.

Among the provinces, Alberta experienced the largest increase in the number of its contributors in 2013 (81,042) compared to the previous year, 2012.

Males aged 55-59 increased by 2.6 percent in 2013. The age group of 50-54 represents the largest proportion of male contributors, this age group has increased by 1.2 percent over the previous year.

Females age 55-59 increased by 2.6 percent in 2013. Among female contributors those in age group 50-54 represents 12.5 percent of the total number of female contributors, the largest proportion since 2012.

Definitions and Terminology

Contributor:

To contribute to the Plan, a person must be at least age 18, under age 70, and not be in receipt of a disability pension under the Canada Pension Plan. In addition, earnings for the year must exceed \$3,500 or this amount adjusted in line with the portion of the year the individual was a contributor. If you are under the age of 70 and working outside of Quebec while receiving your CPP or QPP retirement pension, you can make CPP contributions towards the Post-Retirement Benefit (PRB). Contributions to the PRB are mandatory for working retirement pension recipients under age 65, while those aged 65 or above may elect not to contribute.

Employment Status:

A contributor having earnings only from salary and wages is considered an "employee". Contributors having only earnings from self-employment are classified as "self-employed". Contributors with both employment and self-employment earnings are classified as "mixed".

Contributions:

In 2013, contributions were payable on earnings between \$3,500 and \$51,100 for both employees and the self-employed. Employees contribute at the rate of 4.95% with a matching contribution being made by their employers. Self-employed persons contribute at the rate of 9.9%. Thus, in 2013 the maximum contribution payable by an employee was \$2,356.20 and \$4,712.40 by a self-employed person.

Earnings:

Earnings are essentially salaries from wages of employees and earnings from self-employment on which CPP contributions are made. Earnings do not include income from investments or pensions. Beginning with the 2008 Contributors Report, tables containing the distribution by earnings level utilize contributors' actual earnings for the calendar year. Previously, contributors who started to receive CPP

Définitions et terminologie

Cotisant:

Pour être cotisant au Régime, une personne doit être âgée d'au moins 18 ans, mais de moins de 70 ans, et ne pas recevoir une pension d'invalidité du Régime de pensions du Canada. De plus, les gains pour l'année doivent être supérieurs à 3 500 \$ ou à ce montant ajusté en fonction de la partie de l'année pour laquelle le particulier a été cotisant. Toute personne âgée de moins de 70 ans travaillant à l'extérieur du Québec et recevant une prestation de retraite du RPC ou du RRQ peut verser des cotisations au RPC qui seront appliquées à la prestation après-retraite (PAR). Si vous êtes âgées de 60 à 65 ans et que vous touchez une pension de retraite du RPC ou du RRQ, ces cotisations sont obligatoires. Si vous avez 65 ans ou plus, mais moins de 70 ans, vous pouvez choisir de cotiser ou non.

État relatif à l'emploi:

Un cotisant est considéré comme étant «salarié» si ses gains proviennent seulement de traitements et de salaires. Un cotisant ayant des gains provenant seulement d'un travail à son propre compte est classifié comme étant «travailleur autonome». Si un cotisant a des gains provenant à la fois de traitements et de salaires ainsi que d'un travail à son propre compte, il est classifié comme étant «mixte».

Cotisations:

En 2013, les gains cotisables étaient les gains compris entre 3 500 \$ et 51 100 \$, tant pour les travailleurs salariés que les travailleurs autonomes. Les travailleurs salariés versent une cotisation correspondant à 4,95% de leurs gains, et leurs employeurs en font autant. Les travailleurs autonomes ont un taux de cotisation de 9,9%. Ainsi, en 2013, la cotisation maximale payable par un employé était de 2 356,20 \$ et celle d'un travailleur autonome, de 4 712,40 \$.

Gains:

Revenus sur lesquels des cotisations au Régime de pensions du Canada ont été prélevées. Ces gains sont essentiellement des salaires et des traitements ainsi que des gains provenant d'un travail autonome. Les gains ne comprennent donc pas les revenus provenant d'investissements ou de pensions. Les tableaux référant à la distribution des cotisants selon le niveau de gains dans le Rapport des cotisants 2008 utilisent le gain réel

benefits (Disability or Retirement) had their accumulated earnings up to that time prorated for the full calendar year in order to represent their earnings at the time benefits commenced. Due to processing modifications, this method is no longer required.

Average Earnings:

Average of the earnings shown in the Record of Earnings. However, contributors having earnings of \$100,000 or over are considered as having earnings of \$99,999 for the purposes of the average.

Median Earnings:

The value of the distribution of earnings which divides the number of contributors into two equal parts, or the amount of earnings above which 50% of the contributors are located and below which the other 50% are located.

Year's Basic Exemption (YBE):

This is the minimum level of earnings in a calendar year to be covered by CPP. This figure changes annually and in 2013 the YBE was \$3,500. Legislation that became effective January 1, 1998, has now frozen it at \$3,500.

Year's Maximum Pensionable Earnings (YMPE):

Contributions are made on the portion of an individual's annual earnings to this ceiling. This is approximately the average Canadian wage and was \$51,100 in 2013.

Age:

Refers to the age of the contributor at the end of the calendar year.

Province:

Many contributors have earnings in more than one province. To avoid multiple counting of these contributors, all earnings were considered to have been made in the province in which the greatest amount was earned.

The figures shown for the province of Quebec relate only to contributions of certain federal employees (members of Canadian Armed Forces for example) who reside in Quebec.

In the section presenting the distribution of the number of contributors by earnings level and by age, details have not been included in Quebec, N.W.T., Yukon, Nunavut and Outside Canada because of the small numbers in these areas.

pour l'année civile. Auparavant, lorsqu'un cotisant commençait à recevoir une prestation (invalidité ou retraite) leurs gains de l'année étaient recalculés en proportion du nombre de mois écoulés dans l'année au moment où la prestation débutait. En raison de changement du système d'exploitation, cette méthode n'est plus requise.

Moyenne des gains:

Moyenne des gains inscrits au registre des gains. Cependant, les cotisants dont les gains sont de 100 000 \$ ou plus sont considérés comme ayant des gains de 99 999 \$ pour le calcul de la moyenne.

Médiane des gains:

La valeur de la distribution des gains qui divise le nombre de cotisants en deux parties égales, ou le montant des gains au-dessus et au-dessous duquel se situent 50% des cotisants.

Exemption de base de l'année (EBA) :

Il s'agit du niveau minimal des gains dans une année civile qui sera assuré par le RPC. L'EBA change chaque année et, en 2013, elle était de 3 500 \$. Conformément à la loi en vigueur depuis le 1er janvier 1998, l'EBA est maintenant gelée à 3 500 \$.

Maximum des gains annuels ouvrant droit à pension (MGAP):

Les cotisations sont prélevées sur la tranche des gains annuels d'un particulier jusqu'à ce plafond. Le MGAP est approximativement équivalent au salaire moyen canadien, et il était de 51 100 \$ en 2013.

Âge:

L'âge utilisé est celui du cotisant à la fin de l'année civile.

Province:

Un grand nombre de cotisants ont des gains dans plus d'une province. Afin d'éviter de compter plus d'une fois ces cotisants, on considère que tous leurs gains ont été accumulés dans la province où ils ont gagné le plus.

Les données présentées pour la province de Québec ne concernent que les cotisations versées par certains employés fédéraux (par exemple, les membres des Forces armées canadiennes) résidant au Québec.

Dans la section présentant la distribution du nombre de cotisants par niveau des gains et par âge, les tableaux donnant les détails sur le Québec, les Territoires du Nord-Ouest, le Yukon, le Nunavut et l'extérieur du Canada ont été exclus en raison du petit nombre de cotisants dans ces régions.

Note: These figures are not representative of all the contributors in Quebec but only those who contribute to Canada Pension Plan;
this note applies in every table in which Quebec appears.

Ces chiffres ne représentent pas tous les cotisants dans l'emplacement de Québec, mais seulement ceux qui cotisent au Régime de pensions du Canada;
ceci s'applique à tous les tableaux où le Québec apparaît.
