Trade-marks Journal

Vol. 65 No. 3346

General Information

The *Trade-marks Journal* is published every week in compliance with [Rule 15 of the Trade-marks Regulations](#). The Registrar of Trade-marks cannot guarantee the accuracy of this publication, nor assume any responsibility for errors or omissions or the consequence of these. All mail relating to trademarks should be addressed to the Registrar of Trade-marks, 50 Victoria Street, Gatineau, Quebec, Canada, K1A 0C9.

Electronic *Trade-marks Journal*

The *Trade-marks Journal* is available in electronic form on the CIPO web site (<http://cipo.gc.ca>). The *Journal* is available in PDF format and can be downloaded free of charge, viewed and printed with Adobe Acrobat Reader. The electronic form of the *Trade-marks Journal* is the official version.

The *Journal* is also available in a printable HTML format as an alternate official version, and contains a search function to narrow and customize the *Journal* content to user defined areas of interest.

Official Languages

The *Journal* is available in English and in French. The application details are displayed based on the language of the application. If the language of the application is English, the goods, services, or other text and description appearing in the English version of the *Journal* are in the language filed by the applicant. If the language of the application is French, the goods, services, or other text and description appearing in the English version of the *Journal* have been translated. Any registration resulting from the application will be restricted to these goods or services described therein.

Filing Dates

The filing date of each trademark application advertised in the *Trade-marks Journal*, including those to extend the statement of goods or services of an existing registration, is shown next to the application number in the sequence of Year, Month and Day.

Nice Classification

The *Journal* includes reference to the Nice classification when the goods or services of an application have been grouped and classed by the applicant in accordance with the current version and edition of the Nice Classification.

Opposition

Any person who has a valid ground of opposition (see [section 38 of the *Trade-marks Act*](#) for the grounds of opposition) to any application for registration of a trademark or to any application for registration of a trademark extending the statement of goods or services advertised in this *Trade-marks Journal* may file a statement of opposition with the Registrar of Trade-marks within two months from the date of issue of this publication. The prescribed fee must accompany the statement of opposition.
