# INTRODUCTION

The *Privacy Act* (PA) was proclaimed into force on July 1, 1983.

The PA extends to individuals the right of access to information about themselves held by the Government, subject to specific and limited exceptions. The PA also protects individuals' privacy by preventing others from having access to their personal information and gives individuals substantial control over the collection, use, and disclosure by the federal government of such information.

Section 72 of the PA requires that the head of every government institution prepare for submission to Parliament an annual report on the administration of the PA within the institution during each financial year.

This thirty-fourth Annual Report on the Administration of the PA is prepared in accordance with section 72 of the Act. It is intended to describe how the Department of Justice administered its responsibilities during fiscal year 2016-17.

## ***PART I – GENERAL INFORMATION***

### ***DEPARTMENT OF JUSTICE***

---

To better understand the context within which the PA is administered, this section provides background information about the Department of Justice.

The Department of Justice has a dual mandate. This mandate stems from the dual role of the Minister of Justice, who is also the Attorney General of Canada.

In support of the Minister of Justice, the Department is responsible for providing policy and program advice and direction through the development of the legal content of bills, regulations, and guidelines. In support to the Attorney General of Canada, the Department is responsible for litigating civil cases by or on behalf of the Federal Crown and for providing legal advice to federal law enforcement agencies and other government departments.

### ***PRIVACY ACTIVITIES***

---

The Access to Information and Privacy (ATIP) Coordinator is accountable for the development, coordination, and implementation of effective policies, guidelines, systems, and procedures in order to enable efficient processing of requests under the PA. The Coordinator is also responsible for related policies, systems, and procedures stemming from the PA.

The responsibility for the coordination of new data collection at the Department of Justice also lies with the ATIP Coordinator. This ensures compliance with the PA and, as necessary, the creation of new Personal Information Banks or Program Records.

**Activities of the ATIP Office include:**

- Processing requests under the PA;
- Acting as spokesperson for the Department of Justice in dealing with the Treasury Board Secretariat, the Privacy Commissioner, and other government departments and agencies regarding the application of the PA;
- Responding to consultation requests submitted by other federal institutions on Department of Justice documents located in their files and on records that may be subject to solicitor-client privilege;
- Coordinating, reviewing, approving, and publishing new entries and modifications to Info Source, an annual Government of Canada resource that describes its organization and information holdings;
- Preparing the Annual Report to Parliament and other statutory reports, as well as other materials that may be required by central agencies;
- Developing policies, procedures, and guidelines for the orderly implementation of the PA by the Department;
- Promoting awareness of the PA, to ensure departmental respect of the obligations imposed on the Government;
- Monitoring departmental compliance with the PA, its regulations and relevant procedures and policies; and
- Participating in and advising on the preparation of Privacy Impact Assessments (PIAs).

**Monitoring Compliance**

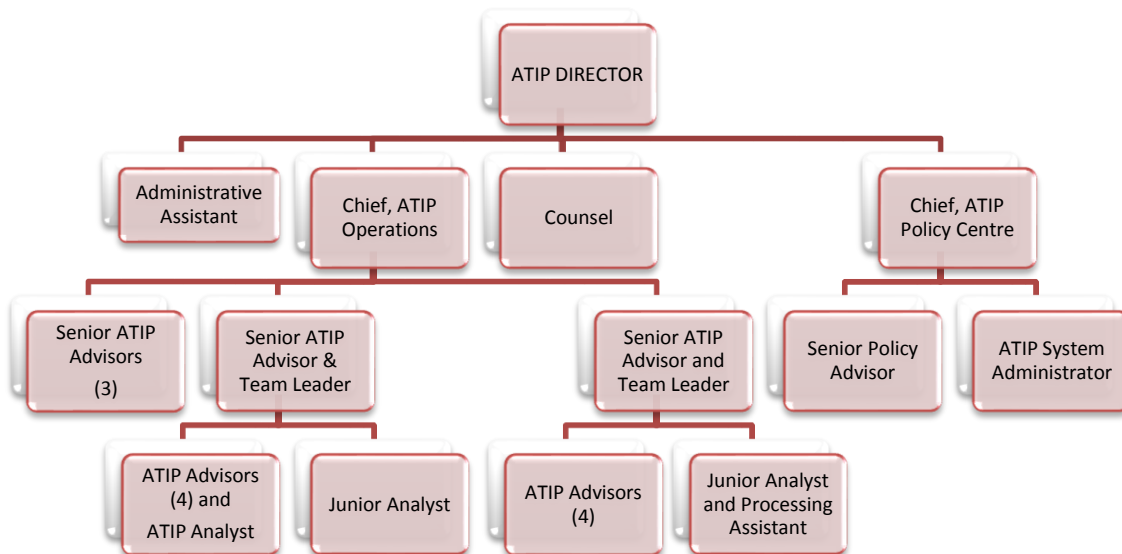

The workload is assessed, through the ATIP Case Management System, on a daily basis in order to ensure that workload is evenly distributed and effectively managed to meet statutory deadlines. Various reports are produced on a weekly, bi-weekly, monthly and quarterly basis to ensure that all levels of officials are advised.

## ORGANIZATION FOR THE IMPLEMENTATION OF ACCESS TO INFORMATION ACTIVITIES

---

The ATIP Coordinator, who is also referred to as the ATIP Director, has full authority delegated by the Minister for the administration of the Act. For the purpose of increased executive oversight, full authority is also conferred to the Assistant Deputy Minister and Chief Financial Officer, Management Sector, and the Chief Information Officer. The Delegation Order can be found at **Appendix A** of this report.

Within the ATIP Office, 4 employees were dedicated on a full-time basis to the administration of the PA and related functions. The organizational chart of the ATIP Office is as follows:

Officials of the Department were directly involved in the application of the PA by making recommendations concerning the disclosure of records and by ensuring compliance with the provisions of the Act.

The stages for processing requests are as follows:

The reading rooms at the Department of Justice headquarters and those located in the regional offices across Canada make available to the public the most recent published version of Info Source, as well as departmental publications and manuals. Many of these publications can be found on the Department of Justice and the Treasury Board Secretariat's websites.

## *ADMINISTRATIVE ISSUES*

---

### **Salary and Administrative Expenditures**

A total of 4 full-time equivalents were utilized on a full-time basis in the administration of the PA. The salary expenditures amounted to \$263,360.

The administrative expenditures amounted to \$59,508 which included professional services contracts.

These costs do not include resources expended by the Department's other sectors to meet the requirements under the PA.

### **Accomplishments**

The Department of Justice continues to strive to provide leadership and improve its performance in order to maintain the highest standards of service. For fiscal year 2016-17, the ATIP Office has accomplished the following:

- To reduce internal processing timelines and paper consumption, when appropriate, the ATIP Office used SharePoint, a Web application platform, for the transfer of information with the Offices of Primary Interest;
- To better serve Canadians, the Department of Justice continued to be part of the Access to Information and Privacy Online Request Pilot Project. Canadians can continue to submit requests under the PA through an online channel;
- To ensure that the consultation process remains as efficient as possible, the Department developed guidelines for the ATIP community that clarify the ATIP Office's role in requests that have been received by other federal government institutions pursuant to the PA. Additionally, the Office has updated and communicated its service standards to assist the community in estimating the turnaround time for consultations with the Department. The timeframes continue to be reviewed periodically to ensure that they remain current;
- To ensure that the process remains current, the Department of Justice reviewed and updated its Privacy Breach Protocol. The Protocol is intended to provide guidance to Departmental Employees so that, when a breach does occur, it is quickly contained and similar breaches are prevented from re-occurring in the future;

- The Department of Justice implemented a new Privacy Protocol for Non-Administrative Purposes. The Protocol outlines the privacy protection principles and procedures that the Department committed to follow when collecting, using or disclosing personal information for a non-administrative purpose.
- Continued to develop internal guidance documents and tools to ensure consistency, and to document best practices and lessons learned. These guidance documents are routinely discussed at regular staff meetings and updated as required;
- Continued to update its internal procedures in order to process PA requests more efficiently and to share its best practices with other government institutions; and
- Continued to reduce paper consumption by printing double-sided, as well as providing release packages electronically to requesters when appropriate.

## **Education and Training**

ATIP officers regularly provide advice and informal training on the application of ATIP legislation to departmental employees who must review relevant records requested under the PA.

Formal awareness information sessions are also provided to other sectors within the Department. Particular emphasis is placed on those aspects of the Act that are directly related to the employees' areas of responsibility. Two sessions were provided this fiscal year (a total of 20 participants).

The Centre for Information and Privacy Law (CIPL) also offered training to 121 departmental employees:

- Cabinet Confidences Training (2 sessions for a total of 61 participants – ATIP Designated Counsels, Legal Counsels and Paralegals)
- Fiscal Forum Training – (Panel related to litigation and Access to Information related issues – 60 participants)

In addition, formal training was offered through the Department of Justice's Learning Program, to an additional 111 employees:

- ATIP Fundamentals – 2016 (2 sessions for a total of 45 participants)
- Solicitor-Client Privilege Training (2 sessions for a total of 66 participants)

ATIP training is part of the recommended courses under the values and ethics component of the Department's Roadmap for new Managers. An e-orientation deck is posted on the Department's Intranet site for employee consultation.

The CIPL also provided information sessions outside the Department of Justice, to other government institutions (total of approximately 28 participants):

- Cabinet Confidences Training (16 Officials from Employment and Social Development Canada and Veterans Affairs Canada)
- Solicitor-Client Privilege Training (12 Legal Counsels at the Privy Council Office)

ATIP employees regularly participate in collective awareness sessions with ATIP Counsel to review recent jurisprudence and case law related to the PA. The ATIP Counsel participates in monthly ATIP Practice Group meetings during which information is exchanged and viable solutions are proposed. The Practice Group is open to all departmental counsel, including those from Legal Services Units, and its mandate is to discuss questions such as the right of access to information or privacy issues.

In addition to mentorship and partnership relationships, workshops and presentations are also regularly provided within the ATIP Office on various topics concerning the application of the ATIA and related policy and procedures. This allows ATIP employees to benefit from each other's respective levels of experience and knowledge.

Finally, ATIP employees participate in training sessions, conferences and seminars organized by the Treasury Board Secretariat or by various associations on matters relating to both access and privacy. These exchanges provide updates for employees in the development of ATIP and upcoming trends in this area.

<b>2014-15</b>	189	192	47,053	14,908

##### Requests Received Pursuant to the *Privacy Act*

261 requests were received during the period under review. In addition, 23 requests were carried forward from previous years, for a total of 284 requests.

##### Requests Completed Pursuant to the *Privacy Act*

244 requests were completed during the period under review. 40 were carried forward to be completed in fiscal year 2017-18.

There was a decrease in the number of requests completed from those of the previous year (19%). Responding to formal access to information requests involved the review of 54,095 pages, of which 19,094 pages were partially or entirely disclosed.

### Disposition of Completed Requests

Of the 244 requests completed in fiscal year 2016-17:

- No relevant records existed under the control of the Department of Justice for 145 requests; and
- 39 requests were abandoned by the applicant. In the majority of cases the applicant did not pursue the requests, either by withdrawing them or by not providing the clarification that was requested by the ATIP Office.

The remaining 60 requests were released in the following manner:

- 15 were fully disclosed (25%);
- 40 were partially disclosed (67%); and
- 5 were exempted in their entirety (8%).

### Completion Time and Extensions

Out of 244 requests completed in 2016-17, 218 (89%) were processed within 30 days or less.

The ATIP Office routinely monitors the processing time for privacy requests. This routine monitoring is done through various statistical reports (weekly, monthly, quarterly and yearly) and meetings with ATIP staff to ensure that requests are being processed in a most timely manner. All ATIP staff, portfolio contacts, and senior management are made aware of the performance metrics.

In some instances, the Department found it necessary to seek extensions to the prescribed time limits due to the need to consult with other government institutions (4 times) and interference with operations (20 times).

### Exemptions Invoked

The Department invoked exemptions under the PA for 71 requests. Section 26 was invoked most often (33 times), which exempts personal information relating to individuals other than the requester, and section 27 (29 times), which exempts information relating to solicitor-client privilege. For further details regarding all the exemptions invoked, please refer to the Statistical Report at Part III of this Report.

### Exclusions Cited

No Information was excluded.

### Method of Access

A total of 30 requesters wanted paper copies and 25 requesters chose to receive information on CD-ROM at no extra charge, an option which tends to be more widely accepted.

### *Consultations by other Federal Institutions or Departments*

#### **Overview of Consultations Requests Received from other Government Institutions and Organizations**

<b>Fiscal Year</b>	<b># of Requests Received</b>	<b># Pages Received</b>	<b># of Requests Completed</b>	<b># of Pages Reviewed</b>
<b>2016-17</b>	73	2,805	74	4,904
<b>2015-16</b>	84	2,742	85	3,857
<b>2014-15</b>	79	4,002	84	4,350

During the period under review, the Department received 73 requests from other government institutions and organizations requesting recommendations regarding records originating from, pertaining to, or of interest to the Department of Justice. ### *Other types of Requests*

#### **Advice**

The ATIP Office also acted as a resource on several occasions for departmental officials as well as those from other government institutions, offering advice and guidance on the provisions of the legislation as well as related policies. The Office was consulted on the disclosure and collection of information on a wide-range of issues.

## *Complaints, Investigations and Federal Court Cases*

### **Complaints Filed**

Nine complaints were filed with the Office of the Privacy Commissioner (OPC) during the reporting period. The reasons for the complaints were as follows:

- One related to delay;
- Two related to exemption or exclusion of information; and,
- Six concerned the handling of the request in general.

### **Completed Investigations**

Complaint findings are defined as follows:

Well-founded: The OPC found evidence of the complainant's rights being denied under the PA.

Not well-founded: The investigation uncovered no evidence leading the OPC to conclude that the government institution violated the complainant's rights under the PA.

Resolved: After a thorough investigation, the OPC helped negotiate a solution that satisfied all parties. The finding is used for those complaints in which well-founded would be too harsh to fit what essentially is a miscommunication or misunderstanding.

Settled during the course of investigation: The OPC helped negotiate a solution that satisfied all parties during the investigation, but did not issue a finding.

Discontinued: The complaint was withdrawn or abandoned by the complainant before allegations were fully investigated.

Eight investigations were completed during the reporting period, some of which had been carried forward from previous years. Out of the eight, six were not well-founded, one was discontinued by the complainant, and one was well-founded. No key issues were raised as a result of these complaints.

At the end of the fiscal year, 11 complaints were still under investigation by the OPC.

## *Review by the Federal Court of Canada*

No applications were filed before the Federal Court pursuant to sections 41, 42 and 44 of the PA during the reporting period.

### ***Request for Correction of Personal Information***

Paragraph 12(2)(a) of the PA provides that every individual given access to personal information about himself or herself that has been used, is being used, or is available for use for an administrative purpose, is entitled to request correction of such information where the individual believes there is an error or omission therein.

The Department of Justice has not received any request for correction of personal information during the reporting period.

### ***Use and Disclosure***

It is the Department of Justice's policy that personal information be used solely for the purpose for which it is collected or for a consistent use as described in the Info Source publication.

### ***Disclosure under Paragraph 8(2)***

Sub-paragraph 8(2)(m) of the PA permits the disclosure of personal information in situations where the public interest in disclosure clearly outweighs any invasion of privacy that could result from the disclosure or when the disclosure would clearly benefit the individual to whom the information relates. The Privacy Commissioner must be informed of disclosures to be made under these provisions.

The Department did not disclose personal information pursuant to paragraph 8(2)(m) during the reporting period.

### ***Exempt Banks***

The Department of Justice had no exempt banks under the PA.

### ***Audits Conducted by the Privacy Commissioner***

Pursuant to subsection 37(1) of the PA, the Privacy Commissioner may carry out investigations in respect of personal information under the control of government institutions to ensure compliance with paragraphs 4 to 8.

No formal investigations by the Commissioner were completed during the reporting period.

### ***Privacy Breaches***

Federal institutions are required to notify the Office of the Privacy Commissioner of Canada and the Treasury Board of Canada Secretariat of all material privacy breaches and of the mitigation measures being implemented if the breach involves sensitive personal information and could reasonably be expected to cause serious injury to the individual.

No material breaches occurred during this reporting period.

### ***Privacy Impact Assessments (PIAs)***

PIAs are a means to ensure that privacy principles are taken into account during the design, implementation, and evolution of programs and services that involve personal information. Programs and services with potential privacy risks are required to undergo a PIA.

No PIAs were completed during this reporting period.
