Insufficient Certificate on Vouchers.

AUDIT OFFICE, OTTAWA, July 30, 1901.

SIR,—Let me call your attention to the incompleteness of the certificates, and to the lack of information on many of the vouchers in support of payments against your appropriation for schools, Ontario, Quebec and maritime provinces. For examples I would refer you to vouchers in support of the following payments :—

Cheque No.	30.—Alex. Neilson.. . . .	\$ 6 25
"	46.—James McDougall.. . . .	4 00
"	147.—O. Fiset.... .	200 00
"	245.—Alex. Neilson.. . . .	12 95
"	246.—O. Hinds.. . . .	22 00
"	368.—Carrie Morley.. . . .	1 50
"	370.—Mrs. C. Menesseno.. . . .	1 50

I would remind you that all this expenditure should be authorized and approved by the deputy head or some other responsible officer, and such approval should be shown on the vouchers. Also, that each voucher should contain within itself sufficient evidence to enable me to determine the specific purpose for which the expenditure was incurred. The above vouchers form only a few instances in which there is a lack, both of information and of approval by a responsible officer. Voucher paid by cheque No. 30 contains no certificate as to the receipt of the goods or as to the fairness of the prices charged. Please see that these and similar defects are remedied in future.

I am, sir, your obedient servant,

The Secretary Dept. of Indian Affairs.

FREDERICK HAYTER, *for A.G.*

AUDIT OFFICE, OTTAWA, May 30, 1901.

SIR,—Indian voucher No. 7, Destitute Indians, Treaty 8, is for the payment of \$251.58 to the Canada Drug and Book Company for drugs supplied. There is no certificate on this voucher as to the receipt of the goods or as to the fairness of the prices, except the certificate of the firm who sold the goods to the effect that the prices charged are wholesale. I am returning the voucher herewith to have the necessary certificates supplied.

I am, sir, your obedient servant,

The Secretary Dept. of Indian Affairs.

J. L. McDOUGALL, *A.G.*

DEPT. OF INDIAN AFFAIRS, OTTAWA, June 4, 1901.

SIR,—I have the honour to acknowledge the receipt of your letter of the 30th ultimo, returning voucher amounting to \$251.58 in favour of the Canada Drug and Book Company, and asking to be furnished with certificates as to the receipt of the goods, &c. ; and in reply I beg to inform you that the drugs charged for in the voucher were shipped to Edmonton, and from there sent to various missionaries in Treaty 8, to be used for Indian purposes. Owing to the length of time which has elapsed since the drugs were sent forward, and the great distance to which they have been sent it is almost impossible now to obtain receipts such as you ask for. The department will, however, request Dr. O. C. Edwards, who is at present in Treaty 8, to make a report regarding these drugs upon his return. I reinclose the account in question, which you will observe has been certified to by the accountant of the department as to charges.

I am, sir, your obedient servant,

The Auditor General.

J. D. McLEAN, *Secretary.*

SESSIONAL PAPER No. 1

AUDIT OFFICE, OTTAWA, June 6, 1901.

SIR,—I am in receipt of your letter of the 4th instant, returning the account of the Canada Drug and Book Company, of Regina, for medical supplies purchased for Treaty 8, certified as to the charges being fair and just by Mr. D. C. Scott, your accountant. I would point out that Mr. Scott is hardly the proper officer to certify as to the prices in an account of this nature. Section 33 of the Audit Act states that this certificate shall be given by the officer in whose charge such part of the public service is. Dr. Edwards acted as medical officer for Treaty 8, and he probably superintended the purchase of these supplies. Under the circumstances I think that his certificate is the only one that would be satisfactory either as to receipt or the fairness of the prices.

I am, sir, your obedient servant,

The Secretary Dept. of Indian Affairs.

J. L. McDOUGALL, A.G.

DEPARTMENT OF INDIAN AFFAIRS, OTTAWA, June 12, 1901.

SIR,—I have noted the contents of your letter of the 6th instant, and in reply I have the honour to inform you that Dr. Edwards is now absent in Treaty 8, and his address is at present uncertain, but upon his return the department will get him to certify to the Canada Drug and Book Company's account, referred to by you, for medical supplies furnished for Indians of that district.

I am, sir, your obedient servant,

J. D. McLEAN, *Secretary*.

The Auditor General.

AUDIT OFFICE, OTTAWA, June 10, 1901.

SIR,—I am returning, herewith, four vouchers in support of payments chargeable against your appropriation for Regina Industrial school, that I may point out the incompleteness of the certificates contained thereon and that you may have the proper certificates supplied. You will notice that vouchers 18, Willoughby and Duncan, and 22 and 30, the Regina Trading Company, do not contain the certificate 'prices fair and just' as required by section 33 of the Audit Act. The certificate on voucher 26, Willoughby and Duncan, reads in part as follows: 'I hereby certify that the above quantities of lumber and sewer piping were received and purchased at the prices charged.' The part of the certificate 'were purchased at the prices charged' is no certificate that the 'prices were fair and just,' and cannot be substituted therefor. Kindly have the necessary certificates supplied.

I am, sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Secretary of the Department of Indian Affairs.

AUDIT OFFICE, OTTAWA, November 11, 1901.

DEPARTMENT OF INDIAN AFFAIRS, OTTAWA, November 13, 1901.

SIR,—I have the honour to acknowledge the receipt of your letter of the 11th instant, making inquiries in regard to the settlement of Messrs. Hislop & Nagle's account for supplies furnished to destitute Indians at Fort Rae; and in reply, I beg to say that an interval transpired after the receipt of the account during which inquiries were instituted and explanations furnished in regard to the issue of the supplies charged for, and upon receipt of the same the department made payment. If it is your desire the department will return the account to Messrs. Hislop & Nagle for fuller details.

I am, sir, your obedient servant,

The Auditor General.

AUDIT OFFICE, OTTAWA, November 15, 1901.

SIR,—I am in receipt of your letter of the 13th instant with regard to the payment to Hislop & Nagle for supplies furnished destitute Indians at Fort Rae. It would be advisable to have the account returned for fuller details. You will notice that this account is not certified by any officer connected with your department as to the furnishing of the supplies and the fairness of the prices. Kindly have such certificates furnished with your amended account. I return the account herewith.

I am, sir, your obedient servant,

The Secretary Dept. of Indian Affairs.

Delay in receipt of Vouchers and Returns at Audit Office.

AUDIT OFFICE, OTTAWA, January 31, 1901.

SIR,—I beg to remind you that I have as yet received no vouchers for your expenditure, during the current fiscal year, on account of Indians of Manitoba and the Northwest. It is impossible to make a satisfactory audit of these accounts unless they are

sent in at regular periods during the year. I see no reason why the accounts for any one month should not be in my hands before the close of the succeeding month. Kindly let me have as soon as possible all accounts to December 31, and have the accounts for the balance of the year sent in monthly.

I am, sir, your obedient servant,

The Secretary Dept. of Indian Affairs.

J. L. McDOUGALL, A.G.

DEPT. OF INDIAN AFFAIRS, OTTAWA, February 5, 1901.

SIR,—In reply to your letter of the 31st ultimo, I beg to inform you that a statement of the expenditure on account of Indians in Manitoba and the North-west Territories during the current fiscal year has been commenced, and will be completed up to December 31, 1900, as soon as possible, when it will be sent to you with the vouchers in connection therewith. I may add that the department will endeavour in future to meet your wishes, as expressed in the concluding portion of your letter.

I am, sir, your obedient servant,

The Auditor General.

J. D. McLEAN, *Secretary*.

AUDIT OFFICE, OTTAWA, April 29, 1901.

SIR,—I have your application of the 22nd instant for the issue of a Letter-of-Credit of \$100,000 to defray current expenditure on account of consolidated fund. I find that I have received vouchers for your expenditure only up to the end of December last. There appears to be no adequate reason why there should be more than a month's delay at the utmost between the end of any month and the rendering of the vouchers for the expenditure during that month, so that I should now be in possession of all your accounts to the end of February at least, and those of March should follow shortly. Before authorizing the issue of this credit I should like to be informed when these vouchers will be forwarded to this office.

I am, sir, your obedient servant,

The Secretary Dept. of Indian Affairs.

J. L. McDOUGALL, A.G.

DEPARTMENT OF INDIAN AFFAIRS, OTTAWA, May 1, 1901.

SIR,—With reference to your letter of the 29th ultimo, the contents of which I have noted, I have the honour to state that before noon to-day the department held your receipt for the statement and all the vouchers for expenditure incurred from the Consolidated Fund, Manitoba and the North-west Territories, up to March 31. The statement and vouchers for January and February could have been sent you much sooner, but it was thought advisable to give you the statement complete for three months. I beg to call your attention to the delay which has occurred in the matter. My application for the credit was dated April 22, and your letter dated April 29 did not reach me until the 30th.

I am, sir, your obedient servant,

The Auditor General.

Payments to Different Officers for Same Service.**AUDIT OFFICE, OTTAWA, April 10, 1901.**

SIR,—On September 24, 1897, an Order in Council was passed appointing Dr. O. C. Edwards as medical health officer for the Regina industrial school and the Muscowpetung's and Assiniboine agencies at a salary of \$1,400 a year, divided as follows: Regina industrial school, \$500; Muscowpetung's, \$600; Assiniboine, \$300. On July 2, 1900, a further Order in Council was passed suspending the previous order from April 1 until the resumption by Dr. Edwards of the duties to which he was originally appointed, he having been for the time making a medical visitation to the Indians in the territory covered by Treaty 8. The Order in Council goes on further to say that the minister will make temporary arrangements for medical attendance at the industrial school and at the agencies during the absence of Dr. Edwards. While Dr. Edwards was employed in connection with Treaty 8 he was paid at the rate of \$8 a day up to September 25, inclusive. From April 1, Dr. I. J. Ingersoll was paid as medical attendant to the Regina industrial school at a rate equal to \$500 a year. Dr. E. C. Carthew was paid at the rate of \$600 a year up to June 30 as medical attendant to the Indians on Muscowpetung's reserve. From July 1, Muscowpetung's reserve appears to have been divided for purposes of medical attendance, Dr. Carthew receiving \$25 a month as medical attendant at East Muscowpetung's and Dr. W. H. Kalbfleish receiving \$25 a month as medical attendant at West Muscowpetung's. Dr. Victor Bonjou was paid from April 1 at the rate of \$25 a month as medical attendant on the Indians of the Assiniboine reserve.

Dr. Edwards appears to have resumed the duties for which he was originally appointed on September 25, as his pay as medical attendant at the school and the reserves is resumed from that date. The other doctors, however, who were acting during Dr. Edwards' absence have continued under pay since that date. Kindly inform me why the regular medical attendant and those who were employed temporarily have both been drawing their salaries from September 26 last.

I am, sir, your obedient servant,

The Secretary, Dept. of Indian Affairs.

J. L. McDOUGALL, A.G.

DEPARTMENT OF INDIAN AFFAIRS, OTTAWA, April 25, 1901.

SIR,—With reference to your letter of the 10th instant, on the subject of the medical services rendered by Dr. O. C. Edwards, as well as the attendance furnished by certain other medical officers therein mentioned, I am directed by the deputy minister to inform you that it was first intended that Dr. Edwards should resume (upon his return from Treaty 8) the duties of the position that he occupied formerly at Regina, but it was afterwards decided that no change should be made in the temporary arrangement that had been entered into in the meantime. After Dr. Edwards returned from his trip to Athabaska he was given leave of absence to come east, where he remained some six or eight weeks. His visit to the west having been a very difficult one, it was considered only reasonable that he should be given the leave. He returned to Regina for the purpose of awaiting further instructions from the department; there were one or two decisions arrived at as to where he should be located, but no conclusion was come to until the minister finally decided that he should accompany the commissioner who has been sent to Athabaska to pay the annuity moneys during the present year, as his (Dr. Edwards') services will be largely required in connection with the Indians in this district. It has not been decided what his duties will be after he returns, but it is thought that possibly he may be left in charge of the large district north of Edmonton.

I am, sir, your obedient servant,

The Auditor General.

J. D. McLEAN, *Secretary*.

SESSIONAL PAPER No. 1

AUDIT OFFICE, OTTAWA, May 17, 1901.

SIR,—I am in receipt of your letter of April 25, with reference to the payment of the salary of Dr. O. C. Edwards after his return from Treaty 8, and the payment of other medical officers for performing the duties originally assigned to Dr. Edwards. From your letter I would conclude that from the time of Dr. Edwards' return from Treaty 8, until the date of his leaving with the commissioner sent to pay the annuity moneys, during the present year, his sole duties were awaiting instructions and drawing his salary, the medical services at the Regina school and at the Indian reserves being performed by the medical officers who were employed during Dr. Edwards' absence. I do not see how Dr. Edwards can be legally paid during this period for the performance of services which were actually performed by other medical men who were also paid therefor.

I am, sir, your obedient servant,

The Secretary Dept. of Indian Affairs.

J. L. McDOUGALL, A.G.

DEPT. OF INDIAN AFFAIRS, OTTAWA, May 17, 1901.

SIR,—Referring to your letter of the 17th instant, addressed to the secretary of the department, with reference to the payment of salary to Dr. O. C. Edwards after his return from Treaty 8, I beg to state that I can hardly agree with the conclusion that the payment of Dr. Edwards' salary for the short time after the date of his arrival from the Athabasca district until his return to the district was at all irregular or illegal, in view of the fact that he was simply awaiting the instructions of the government as to the service he was to be called upon to render. The responsibility in not arranging for the immediate employment of his services can hardly be charged to Dr. Edwards, and I do not think he should be called upon to suffer loss for the delay in the department defining his special duties.

I am, sir, your obedient servant,

The Auditor General.

JAS. A. SMART, D.S.G.I.A.

AUDIT OFFICE, OTTAWA, May 17, 1901.

SIR,—I have a copy of an order in council of the 1st instant authorizing the removal of Mr. J. W. Short from the position of Indian agent for the Berens River Agency, from March 31, 1901, and appointing Rev. John Semmens as his successor from April 1 last. I notice that the memo. from the Superintendent General of Indian Affairs recommending this change is dated April 24. I would ask whether Mr. Semmens entered upon the actual performance of his duties as agent on April 1? The same order authorizes the payment to Mr. Short of two months' salary, from April 1, 1901. I do not see how Mr. Short can be legally paid for these two months during which he was not performing the duties of agent, nor was employed in any other capacity.

I am, sir, your obedient servant,

The Supt. General of Indian Affairs.

J. L. McDOUGALL, A.G.

DEPT. OF INDIAN AFFAIRS, OTTAWA, May 27, 1901.

SIR,—In reply to the inquiry in your letter of the 17th instant, I have the honour to inform you that the Rev. J. Semmens entered upon the actual performance of his duties as Indian agent, for the Berens River Agency, on April 1 last.

I am, sir, your obedient servant,

The Auditor General.

J. D. McLEAN, Secretary.

Temporary Employees should be paid to Day of Death only.

AUDIT OFFICE, OTTAWA, May 22, 1901.

SIR,—Indian Consolidated Fund, cheque No. 1125, is for the payment of \$50 to Mrs. Margaret Bannatyne, being the salary of the late R. J. Bannatyne, for the month of July. Mr. R. J. Bannatyne was employed as clerk at the Touchwood agency, and died on July 21 last. I am of the opinion that the order in council of February 9, 1875, authorizing the payment of the salary of a deceased officer up to the end of the month in which his decease occurred is applicable only to such officers as are on the permanent list. As Mr. Bannatyne does not appear to have been permanently appointed under an order in council, I think that his salary should have been paid to the day of his death only and not to the end of the month.

I am, sir, your obedient servant,

The Secretary Dept. of Indian Affairs.

J. L. McDOUGALL, A.G.

DEPARTMENT OF INDIAN AFFAIRS, OTTAWA, May 30, 1901.

SIR,—With reference to your letter of the 22nd instant, in which you take exception, for the reason stated, to the payment to Mrs. Margaret Bannatyne of her deceased husband's full salary (\$50) for the month of July, he having died on the 21st of that month, I have the honour to inform you that this department considers that the Order in Council of February 9, 1875, (which you quote) authorizing the payment of the salary of a deceased officer up to the end of the month in which his demise occurred is applicable to temporary employees as well as to those on the permanent staff, and therefore the department has adopted the rule of making payment of salary in such cases to the end of the month.

I am, sir, your obedient servant,

The Auditor General.

J. D. McLEAN, *Secretary*.

AUDIT OFFICE, OTTAWA, June 6, 1901.

SIR,—I have your letter of the 30th instant (file No. 130,191-21), with regard to the payment of the salary of the late Mr. Bannatyne for the full month in which he died. In reply, I can only re-affirm my opinion that the Order in Council of February 9, 1875, is only applicable to the cases of permanent employees and that temporary employees can be paid only up to the date of their death. Knowing the stand I take in this matter, I trust you will not use your letter-of credit for similar cases in the future, but will make application to this office for a Receiver General's cheque, when in the event of my refusing to authorize the issue of such cheque, you have the right of appeal to the Treasury Board.

I am, sir, your obedient servant,

The Secretary Dept. of Indian Affairs.

Lack of Uniformity in Checking Amount of Bacon Supplied.

AUDIT OFFICE, OTTAWA, June 8, 1901.

SIR,—I beg to ask your attention to the payments made during the current fiscal year to Lawry & Son, Limited, of Hamilton, for bacon supplied under contract to the

SESSIONAL PAPER No. 1

various Indian reserves in the North-west Territories. Bacon was supplied to 18 different agencies, there being two deliveries—one by July 1, and one by November 1—in each case, except at Birtle where there was only one delivery. The accompanying statement shows the net amounts charged by Lawry & Son, the net amounts received by the agents and the difference or shrinkage. From this statement it will be seen that in 22 cases there was less bacon received than appeared in the invoices, and in 13 cases the weights entered in the invoices were accepted. The probability is that in these 13 cases the agents were not so particular about weighing in the bacon. This is also evident if we look at the deductions for tare (weight of sacks, paper, &c.). Lawry & Son allowed 2 lbs. off gross weight of each sack in the July delivery and 3 lbs. off each sack in the November delivery for weights of sacks, &c. Some of the agents seem to have accepted these figures and made a corresponding deduction from the gross weight as determined by them; others simply give the net weight received, while a few give the gross weight, the tare and the net weight as they found it. The accompanying statement, marked 'B,' shows the amount of tare in these cases, according to Lawry & Son, and according to the agents. The relatively large differences shown here tend to make one suspicious that corresponding differences would have been found in the other cases.

Statement 'C' shows the number of pounds of bacon charged for the Indians and for the officials in each agency. In two cases it is all charged to the Indians and in one case all to the officials. In the remaining cases it is divided between the two. Kindly let me know how the figures are arrived at. In the July delivery at the Blood agency, after the net amount of bacon—1,941 pounds—was arrived at, a deduction of $1\frac{1}{2}$ per cent was made, leaving 1,912 lbs., which was divided between the Indians and the officials, giving 927 lbs. to the former and 985 to the latter, which was billed at \$10.41 per cwt. The usual way and the one which should have been followed in this case is to divide the net amount of 1,941 lbs. between the officials and the Indians and then calculate the value at \$10.41 per cwt., less $1\frac{1}{2}$ per cent. A similar method was followed in the Touchwood July delivery, where a net delivery of 3,804 lbs. was charged—507 lbs. to the Indians and 3,240 to the officials.

I notice the following errors in calculating the amounts charged to the different votes :—

Edmonton, November delivery, 600 lbs. was charged to Vote XI, general expenses, at \$65.46 instead of \$64.48. Kindly transfer 98 cents of this charge to the Vote for Destitute Indians.

Moose Mountain, July delivery, 360 lbs. charged to general expenses at \$34.67 instead of \$34.54. Please transfer this overcharge of 13 cents to the Vote for Destitute Indians.

From what I have said above it would appear that there is a want of uniformity among the agents as regards the taking in or goods supplied under contract. There should be a uniform system adopted of determining the quantities received which should be followed by every agent.

I am, sir, your obedient servant,

The Secretary Dept. of Indian Affairs.

DEPT. OF INDIAN AFFAIRS, OTTAWA, June 18, 1901.

SIR,—I beg to acknowledge receipt of your letter of June 8, dealing with the manner in which bacon supplied under contract is weighed in the various Indian agencies in the North-west Territories. As this is a matter which requires the attention of the Indian Commissioner and the inspectors, I have submitted your communication to the commissioner with the request that he should report at an early date, and issue whatever instructions he may think necessary to the Indian agents in order that a uniform result may follow the taking into store of the contract supply of bacon. With reference to paragraph 'C' of your letter I have to inform you that at the Birtle agency the officials do not draw rations, and at the Assiniboine agency, although they are entitled to rations, the agents report that they would not use any of the bacon and that it would be issued to Indians. Therefore, in these two agencies no bacon was charged to the 'general expense' vote. At Muscowpetung's agency the Indians do not use any bacon. The quantity supplied is entirely for the use of the officials.

I am, sir, your obedient servant,

The Auditor General.

Travel of Rev. Father Paquette.

AUDIT OFFICE, OTTAWA, June 10, 1901.

SIR,—Cheque No. 3537, Manitoba and North-west, is for a payment of \$443 to Rev. Father Paquette for expenses of a trip to Isle à la Crosse, visiting a school beyond the treaty limits. All I have in the way of vouchers in support of this account is four receipts, as follows :—

- (1.) A receipt from Moise Charette for \$165 for thirty-three days' hire of team, rig and man, at \$5 a day, including all expenses.
- (2.) A receipt from Louis Arcan for the same amount for similar service.
- (3.) A receipt from Antoine Napes for \$99 for hire of a single rig and man for thirty-three days, at \$3 a day, all expenses included, and
- (4.) A receipt from Zephirin Morin for \$14 for hire of boat and man from east end of Green lake to Beaver river and return.

There is no accompanying statement of expenditure nor any explanation whatever of these receipts which moreover have no certificate of any kind. Kindly explain why this payment was made without proper vouchers. I would also ask why Father Paquette required two teams and a single rig on this trip, as they appear to have been all hired at the same time.

I am, sir, your obedient servant,

The Secretary Dept. of Indian Affairs.

J. L. McDOUGALL, A.G.

DEPT. OF INDIAN AFFAIRS, OTTAWA, June 18, 1901.

SIR,—In reference to your letter of June 10 dealing with the payment to the Rev. M. J. P. Paquette of expenses of a trip to Isle à la Crosse to visit the boarding school at that point. I beg to say that the correspondence with the reverend gentleman led to the payment being made. As the receipts do not bear any certificate I have sent him a voucher in order that he may properly certify to the account. I also beg to attach an extract from a letter, dated at Duck lake, January 8, from Mr. Paquette dealing with the subject. This explains fully the reason for taking two teams and a single rig on the trip.

I am, sir, your obedient servant,

The Auditor General.

J. D. McLEAN, *Secretary*.

Extract—Letter from Rev. M. J. P. Paquette, January 8, 1901.

‘I have the honour to state that I should have been very imprudent to undertake such a trip as to go to Isle à la Crosse at such an advanced season of the year with only one or two conveyances. You are not probably aware that during three or four days of the journey it is impossible to find one bite of hay for the horses, and the rest of the time the grass is so scarce that the horses can hardly find anything to eat ; therefore, one double rig was used only for the provisions for the horses to go and return for over a month's journey. The other double rig was to carry out tents, bedding, stove and necessary provisions. The single rig was for myself and man. In such a long journey it would have been very imprudent to take less horses and rigs than I did without incurring the danger of being a long time on the prairie. As there are no bridges across many large rivers, one of my men got nearly drowned with the horse and broke the rig very badly. Being an old traveller in the North-west, particularly in that wild part of the country I foresaw the difficulties that were to be met with especially when the rivers begin to freeze, and snow on the ground. If I had only one rig as you imagine, my man and horse would have been drowned, and I would have been left alone in the wilderness not less than 200 miles from a living soul. Permit me also to tell you that my two other men and myself had great difficulty to draw the man and the horse (half drowned) from the middle of the river.

‘As you may understand though our rigs were not very much loaded, on several occasions in crossing swamps, &c., we broke our whipple-trees and one wheel, and once more we were very lucky to have my three rigs and three men with me. We saw several dead horses along the road, and no doubt I should have had to leave one or two of mine also drowned in the deep mud if I had had only one or two conveyances, and as it was, the day before our arriving at Duck lake two of our horses were so tired that they were scarcely able to walk.’

Payment of Travel of School Teacher under Exceptional Circumstances.

AUDIT OFFICE, OTTAWA, August 8, 1901.

SIR,—Indian Consolidated Fund cheque No. 5,157 covers a payment of \$31 to Philip Garnot, teacher, for a portion of his travelling expenses from Duck Lake to Meadow Lake school. I would ask whether it is the custom of your department to pay the expenses, either in whole or in part, of teachers proceeding to their schools. If not, kindly indicate the special circumstance under which the payment in question was made.

I am, sir, your obedient servant,

The Secretary Dept. of Indian Affairs.

FREDERICK HAYTER, *for A.G.*

DEPT. OF INDIAN AFFAIRS, OTTAWA, August 12, 1901.

SIR,—In reference to your letter of the 8th instant, I beg to inform you that it is not the custom of this department to pay the expenses, either in whole or in part, of teachers proceeding to their schools. However, the present instance was made an exception of as the trip to Meadow Lake is a long and expensive one, and the department had great difficulty in securing any person to take the position.

The Auditor General.

Gratuity on Retirement should be Voted.

AUDIT OFFICE, OTTAWA, September 13, 1901.

SIR,—Indian cheque No. 6,567 is for a payment of \$40 to Mr. Thos. B. Lauder for one month's salary after the cessation of his services as farm instructor on the Blackfoot reserve. I am of the opinion that this payment, which is of the nature of a gratuity, and which is not supported by any parliamentary authority, is illegal.

I am, sir, your obedient servant,

The Secretary Dept. of Indian Affairs.

J. L. McDOUGALL, *A.G.*

DEPT. OF INDIAN AFFAIRS, OTTAWA, September 16, 1901.

SIR,—I have noted the contents of your letter of the 13th instant, regarding the payment of \$40 which was made to Mr. Thos. B. Lauder, for one month's salary after the cessation of his services as farm instructor at the Blackfoot reserve; and in reply, I have the honour to inform you that the department will obtain a supplementary vote at next session of parliament to legalize the payment in question.

I am, sir, your obedient servant,

The Auditor General.

S. STEWART, *Asst. Secretary.*

AUDIT OFFICE, OTTAWA, May 2, 1901.

SIR,—I am in receipt of an Order in Council of the 9th instant, authorizing the payment of the salary of Mr. J. A. Mitchell for two months, dating from April 1, 1901.

Mr. Mitchell was formerly Indian agent at Muscowpetung's reserve, but his services were dispensed with from February 28 last. As Mr. Mitchell was not a member of the civil service and, accordingly, did not come under the provisions of the Civil Service Act, I do not see how he can legally be paid for any time during which he is not engaged in the performance of his duties as agent. I am assuming, you will see, that although you wish to pay his salary for the two months from April 1, the newly-appointed agent will be acting as agent and as such will draw the salary.

I am, sir, your obedient servant,

The Secretary Dept. of Indian Affairs.

J. L. McDOUGALL, A.G.

DEPT. OF INDIAN AFFAIRS, OTTAWA, June 28, 1901.

SIR,—I beg to acknowledge the receipt of your letter of May 2, with reference to the Order in Council of April 9, authorizing the payment of salary for two (2) months to Mr. J. A. Mitchell, the retiring agent of Muscowpetung's agency. You point out that, in your opinion, such a payment would be illegal. In reply, I beg to state, that, in the absence of any statute dealing explicitly with such cases, it appears to me that the proposed payment to Mr. Mitchell is not illegal. It is proposed to make this payment out of the 'miscellaneous' item included in the vote for 'general expenses' for Manitoba and the North-west Territories. It is quite true that Mr. Mitchell was appointed by Order in Council, but did not come under the provisions of the Civil Service Act. The payment of gratuities, however, to retiring officers who cannot otherwise be provided for, might be authorized by His Excellency in Council, particularly as the economy and efficiency of the service is promoted by making such changes and arrangements. In the present case the agent who was given charge of Muscowpetung's agency had before charge of File Hills agency, and although he received an increase in salary, his new salary fell very short of the combined salaries formerly paid. The department desired to pay Mr. Mitchell for two months as some compensation for his sudden retirement, and felt that no strong grounds could be taken in opposition to the payment owing to the saving which would result in the end, and the greater efficiency that would be promoted in the combined agencies.

I am, sir, your obedient servant,

The Auditor General.

S. STEWART, *Asst. Secretary.*

AUDIT OFFICE, OTTAWA, July 5, 1901.

SIR,—I am in receipt of your letter of the 28th ultimo, with reference to the Order in Council of April 9, authorizing the payment of salary for two months to Mr. J. A. Mitchell, the retiring agent of Muscowpetung's agency. In reply, I beg to say that as no services were rendered by Mr. Mitchell during the two months covered by the Order in Council, no pay can be legally given him. It is illegal to pay any amount as a gratuity to an employee unless under the Superannuation Act.

I am, sir, your obedient servant,

The Secretary Dept. of Indian Affairs.

Suggestions as to Method of Dealing with Money Received by Agent in Trust for Indians.

AUDIT OFFICE, OTTAWA, October 4, 1901.

SIR,—Indian cheque No. 4291, Manitoba and North-west, is for a payment of \$16 to R. M. Wilson, Indian agent at the Peigan agency, 'in trust for John Knowlton, for

SESSIONAL PAPER No. 1

sixteen days work at one dollar per day for repairs to building.' John Knowlton is an Indian, and appears on the Peigan annuity pay-lists, being No. 66, on Division 'C.' Other payments have been made, in this and other agencies, to the agent in trust for the Indians. I understand that, besides payments of this nature, other sums are received by the agent in trust for the Indians for work done, &c., for others than the government. Kindly let me know under what authority or departmental regulation the agents are empowered to hold moneys in trust for the Indians; whether the agent retains this money in cash or deposits it in a bank to his credit as Indian agent; how these moneys are ultimately paid over to the Indians or expended on their behalf; what audit, if any, of the trust account is made by your inspectors, and how often; also whether statements showing the condition of these trust accounts are rendered to your department at regular intervals. I would suggest that all cheques for payments in trust be drawn to the joint order of the agent and agency clerk so that the account if kept in a bank should appear to the joint credit of the two officials.

I am, sir, your obedient servant,

The Secretary Dept. of Indian Affairs.

J. L. McDOUGALL, A.G.

DEPT. OF INDIAN AFFAIRS, OTTAWA, October 4, 1901.

SIR,—In reply to your letter of the 4th instant, respecting Indian cheque No. 4291, for \$16 to R. N. Wilson, Indian agent at the Peigan agency, 'in trust for John Knowlton,' I beg to say that at this as well as at other agencies where payments are due to Indians the custom has been to make them through the Indian agent. He is obliged to account for the money so received in his cash-book, a copy of which is forwarded to this office accompanied by a statutory declaration as to correctness together with a receipt from the Indian. The inspector for the district is advised when the cheques are issued and is furnished with the list sent by the agent showing to whom the cash belongs and he is required, when inspecting each agency, which takes place annually as a rule, to compare these advices with the cash-book and see that each payment is entered therein, and vouchers or receipts from the Indians filed for all payments made to them. Wherever an agent is convenient to a chartered bank he deposits the money in his name and withdraws it by his own cheque and pays the cash to the Indian. The department will take into consideration your suggestion to issue all cheques for payments in trust to the order of the agent and agency clerk, so that the amount, if kept in a bank, will appear to the joint credit of the two officials.

I am, sir, your obedient servant,

The Auditor General.

Payment for Money Lost in Transit.

AUDIT OFFICE, OTTAWA, March 25, 1901.

SIR,—Cheque No. 458, charged against your British Columbia appropriation for the current fiscal year is for a payment of \$300 to R. Cunningham & Son for cash lost in transmission to Surveyor Skinner. Kindly let me know the full circumstances attending the loss of this money, and what evidence there is of the loss.

I am, sir, your obedient servant,

The Secretary Dept. of Indian Affairs.

J. L. McDOUGALL, A.G.

DEPT. OF INDIAN AFFAIRS, OTTAWA, March 28, 1901.

SIR,—I beg to acknowledge the receipt of your letter of the 25th instant, asking to be informed of the full circumstances attending the loss of the \$300 referred to by you, and in connection with which a payment of \$300 was made to Messrs. R. Cunningham & Son ; and in reply I have the honour to inclose herewith for your information in the matter copy of a letter of February 26, 1900, from Mr. Surveyor E. M. Skinner, which contains a statement of the facts. I also transmit an affidavit made by Mr. Skinner and two affidavits made by Mr. R. Cunningham. Kindly return the affidavits to the department.

I am, sir, your obedient servant,

The Auditor General.

J. D. McLEAN, *Secretary*.

QUAMICHAN, B.C., February 26, 1900.

SIR,—I have the honour to acknowledge the receipt of your letter of the 20th instant, inclosing Messrs. Cunningham & Sons letter and asking for a statement of the facts as far as I am aware. On my arrival at Hazelton, in August last, I asked Mr. Morrison, Mr. Cunningham's agent, if he would be able to cash any cheques to enable me to pay the workmen. He promised to do his best, but stated that owing to constant demand there was rarely much money to be had at Hazelton. While at Babine Lake, I forwarded a cheque to Mr. Morrison asking him to cash it if possible, and retain the money until my arrival, and asking if not to forward the same to Port Essington, and have it sent up from there. On my return to Hazelton, Mr. Morrison told me of the loss of some freight in transit to him by canoe, but owing to the loss of lists of freight could not say what was missing. He then advanced me the sum of three hundred dollars from the firm's funds at Hazelton to enable me to pay off the men I had decided not to retain. I asked Mr. Morrison to recoup himself when the money arrived from below. On my return to Hazelton from the Hagwilget valley, Mr. Morrison informed me of the loss of the money which had been inclosed in a box of papers, books, &c., and addressed to him, but could give me little information beyond the fact that the Indian in charge, Charles Nelson, had also lost a cheque intrusted to him to cash at Hazelton.

From outside sources, I learned that Charles Nelson was not aware of the valuable nature of the box. Mr. George Cunningham also told me that this Indian had not been told the box contained money. This is much to be regretted as being entirely trustworthy he would have exercised great care to have safely delivered it.

Final Closing of Suspense Account.

DEPT. OF INDIAN AFFAIRS, OTTAWA, September 7, 1901.

SIR,—I beg to inform you that after careful analysis of Suspense Account, No. 76, Indian Fund, a settlement has been arrived at. In order to close out this old account as on June 30, it is proposed to make a series of entries in accordance with this settlement. Before taking this action, however, it is deemed advisable to submit the whole matter for your consideration in order that the entries may receive your approval, and be considered final. The analysis and proposed settlement were made

SESSIONAL PAPER No. 1

by Mr. Edwin Rochester, of the Accountant's branch of this department. Mr. Rochester will be in readiness at any time to explain to your examiner the basis upon which the settlement has been arrived at. The papers are herewith.

I am, sir, your obedient servant,

The Auditor General.

J. D. McLEAN, *Secretary*.

AUDIT OFFICE, OTTAWA, November 13, 1901.

SIR,—With reference to your letter of September 7, relative to the closing of the Suspense Account in the Indian Trust Fund, I beg to say that I have examined the file of papers sent in connection therewith, and, as I consider it highly advisable that this account be closed for good, I would agree to the various entries set out in the accompanying schedule. These entries agree in the main with those proposed by Mr. Rochester in his report, the chief differences being as follows :—

1st.) The amounts to be credited to the various bands have been slightly altered in some instances, either in regard to the total amount to be credited or in the division between capital and interest. These differences have been pointed out to Mr. Rochester, who agreed as to the correctness of the alterations.

(2nd.) Mr. Rochester proposed to credit land management fund with the amount of \$1,049.73, which is made up of the difference between the amounts collected from the Six Nations Indians on account of their indebtedness, with the accumulated interest thereof, and the amounts actually paid over to the merchants. I think that the Six Nations should get the benefit of his, and, accordingly, I would recommend the crediting of this amount to the band.

(3rd.) I have made some alterations in the amounts to be charged to the different bands on account of expenditures made on their behalf. In the case of tribes that have a considerable balance to their credit, and that have a more or less steady source of revenue, I have charged the total amount of expenditure incurred on their behalf, with the accumulated interest, even though their capital be temporarily impaired thereby.

(4th.) The expenditures on behalf of certain bands which I have allowed to be charged against Land Management Fund, are as follows :—(1st.) The expenditure on account of five several bands which have no funds whatever to their credit. (2nd.) In the case of four bands which had a very small amount at their credit, I have charged against Land Management Fund the difference between the amounts which they had at their credit and the amounts of the expenditure incurred out of suspense account on their behalf.—(3rd.) In connection with the amount for legal expenses incurred in behalf of the Temiscamingue Indians, I have charged against the interest so much as they have now at the credit of that account ; the balance, amounting to \$2,997.77 I have charged against management fund. In all of these cases it is understood that a subsidiary loan account is to be opened, which may be credited with such amounts as may hereafter be received on behalf of these bands until the amounts will be wiped out.

After a conversation on the subject with your accountant, I have agreed to charge to Management Fund the amount of \$3,155.55, which is made up of an advance of \$2,000 for the expenses of a survey on the Caughnawaga reserve, with accumulated interest to the amount of \$1,155.55. I have agreed to this on the representation being made that a very large amount has been already charged against their funds on account of surveys, and their funds have been depleted to such an extent that, if any further charges of this nature be imposed on this band, a great deal of ill-feeling would in all probability be created among the Indians. The amount to be credited to Land Management Fund for percentage on collections has been slightly increased, making it now \$1,635.40. I also send a statement showing how the proposed entries will close

suspense account, and also the effect of these entries on Land Management Fund. In the latter account an amount of \$1,414.68, which was transferred to the credit of that account in 1879, with interest accumulated to the amount of \$1,772.04, must be taken into consideration as there was no valid reason for crediting that amount to management fund at the time. This would leave the actual shortage in Land Management Fund at \$566.87; from which must be deducted an amount of \$536.41, which was erroneously credited to Management Fund for percentage on collections but is now reversed, thus making the net shortage on Land Management Fund \$30.46, which amount will in all probability be made good in a comparatively short time by receipts on account of those bands which have no funds at their credit.

I am, sir, your obedient servant,

The Secretary Dept. of Indian Affairs.

J. L. McDOUGALL, A.G.

DEPT. OF INDIAN AFFAIRS, OTTAWA, November 19, 1901.

SIR,—In reply to your letter of the 16th instant, I beg to say that in order to contribute towards a permanent settlement of suspense account the department is very glad to accept your suggestions in the matter. Entries will therefore at once be made in accordance with your statement.

I am, sir, your obedient servant,

Decrease in Rental of Squaw Island.

AUDIT OFFICE, OTTAWA, November 23, 1901.

SIR,—General receipt No. C, 7,734, issued on August 20, 1900, at Manitowaning, by Agent Sims, is in favor of Messrs. Noble Bros., for \$125, being the rental of Squaw island for one year from November 25, 1899. General receipt No. C 7,755, issued by Agent Sims, on June 30, 1901, is also in favour of Noble Bros., for \$50, being rental of Squaw island for one year to November 25, 1901. Kindly explain the cause of the great difference between the rental for the two successive years.

I am, sir, your obedient servant,

The Secretary Dept. of Indian Affairs.

J. L. McDOUGALL, A.G.

DEPT. OF INDIAN AFFAIRS, OTTAWA, December 2, 1901.

SIR,—In reply to your letter of the 23rd instant, asking for an explanation as to the difference between the rental paid by Messrs. Noble Bros. for Squaw island for years ended November 25, 1900, and November 25, 1901, I have to inform you that the Messrs. Noble Bros. are yearly tenants of said island, and after payment of rent for year ended November 25, 1900, viz. : \$125, it was represented to the department that the rental paid was excessive, their operations on the island being very limited, consequently the rental was reduced to \$50 for the year ended November 25, 1901, which sum is considered sufficient rent for the island.

I am, sir, your obedient servant,

The Auditor General.

1-2 EDWARD VII., A. 1902

Re Indian Trust Fund.

AUDIT OFFICE, OTTAWA, Aug. 8, 1901.

SIR,—The revenue statement of the Indian Trust Fund for June has just been received. It contains 33 deposit receipts dated in May, 82 dated in June and 26 dated in July.

The statement for May was entered on June 20th, and I assume those receipts dated in May were not received till after that date. Is it not possible to have your agents send in their receipts more promptly?

I would also suggest that the June return be forwarded at the beginning of July; and if necessary a supplementary statement, applicable to the previous year, be forwarded in August.

It is desirable for obvious reasons that all deposit receipts should come to account as promptly as possible. But the fact, that at the close of each month, an adjustment is made between our books and the bank accounts makes it the more necessary. Every additional outstanding receipt adds to the task of adjusting.

I am, sir, your obedient servant,

The Secretary, Dept. of Indian Affairs.

JOHN GORMAN, *for A.G.*

Re Elkhorn Industrial School—Sale of Wheat.

AUDIT OFFICE, OTTAWA, August 23, 1901.

SIR,—On February 6th, 1901, the Indian Commissioner deposited \$163.70 in Merchants Bank at Winnipeg, on account of wheat sold at the Elkhorn Industrial School.

The voucher in connection with this item is signed by the Principal of the school, and shows that this deposit was part of proceeds of 426 bushels of wheat sold to the Ogilvie Milling Co., October 15, 1890, at 54 cents per bushel. Has the balance been paid? Why was the whole proceeds of the wheat not paid at time of sale?

I am, sir, your obedient servant,

The Secretary, Dept. of Indian Affairs.

JOHN GORMAN, *for A.G.*

DEPARTMENT OF INDIAN AFFAIRS, OTTAWA, August 28, 1901.

SIR,—In reply to your letter of the 23rd inst. regarding the sale of wheat at Elkhorn Industrial School I have to inform you that in sending this deposit receipt the Indian Commissioner pointed out that Mr. Wilson, in ignorance of the regulations, had paid from the proceeds of this wheat the sum of \$66.35 for which the Commissioner forwarded vouchers. He informed Mr. Wilson that this action was irregular, and that in future he must forward the whole of the money collected.

Your obedient servant,

The Auditor General.

L. STEWART, *Asst. Secretary.*

	\$310 30

I am, sir, your obedient servant,

The Secretary, Dept. of Indian Affairs.

JOHN GORMAN, *for A.G.*

DEPARTMENT OF INDIAN AFFAIRS, OTTAWA, August 28, 1901.

SIR,—In reply to your letter of the 24th inst. dealing with sales at Industrial Schools, I have to inform you that the only Industrial schools from which the Department can expect any revenue are those whose expenses are met wholly by the department. These schools (except Elkhorn) have heretofore produced no revenue. The schools which are conducted upon a per capita basis are allowed to sell their produce for the benefit of the institution.

Your obedient servant,

The Auditor General.

L. STEWART, *Asst. Secretary.*

Accounts for Travel : Insufficient details of outlay.

AUDIT OFFICE, OTTAWA, October 24, 1901.

SIR,—Included with the accounts paid by cheque No. 65217 (1900-01), to the Collector of Inland Revenue at Guelph, is one rendered by Mr. S. Broadfoot, which is made up of the following amounts :—

3 trips to Galt, railway fares	\$ 2 55
Board at Galt, 15½ days	15 50
Personal expenses	6 20

The first two amounts are given in detail in the account and a voucher is supplied for board at Galt, but the last is not detailed, nor is there any indication of the nature of the 'personal expenses'. An account from M. J. O'Donohue, included in the payments covered by cheque No. 65277 is made up in the same way.

In connection with similar items in previous accounts for travelling expenses, I have frequently pointed out that all outlay of this kind should be given in detail, with the date and particulars of each payment.

I am, sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Deputy Minister of Inland Revenue.

AUDIT OFFICE, OTTAWA, November 2, 1901.

SIR,—Among the vouchers submitted by the collector at Windsor in connection with his expenditure for August, 1900, paid by cheque No. 65179, is an account from W. Henderson, which includes a charge of \$21 for board from July 16 to August 16, and another of \$15 for 'personal expenses' for the same period, no details of these expenses being given. Please let me have a regular voucher in support of this latter charge.

I am, sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Deputy Minister of Inland Revenue.

DEPT. OF INLAND REVENUE, OTTAWA, Dec. 5, 1901.

SIR,—I beg to acknowledge the receipt of your communication of October 24 last relative to the accounts of Mr. S. Broadfoot and Mr. M. J. O'Donohue, of the Guelph division, not being sufficiently detailed as respects personal expenses.

This objection will be removed as a circular (copy inclosed) has been issued on the subject.

I remain, sir, your obedient servant,

The Auditor General.

W. J. GERALD, D.M., I.R.

(Circular.)

DEPT. OF INLAND REVENUE, OTTAWA, November 5, 1901.

SIR,—Objection having been taken by the Auditor General to Contingent accounts wherein, in addition to the regular hotel expenditure, items appear under the designation of 'personal expenses' and of which no details are given, I beg to advise

SESSIONAL PAPER No. 1

you that, in future, such items cannot be passed by the department unless full details thereof are stated in order that it may judge whether or not payment thereof should be made.

In so far as possible, vouchers must hereafter be supplied for horse-hire.

I remain, sir, your obedient servant,

W. J. GERALD, *D.M., I.R.*

Vouchers not supplied for Hotel expenses.

AUDIT OFFICE, OTTAWA, November 18, 1901.

SIR,—By cheque No. 67,004 of 1900-1901, Mr. David Horn was paid \$569.40 as fees and expenses in connection with the Grain Inspection Commission.

Please ask Mr. Horne to furnish particulars and vouchers as follows :—

(1) The bills for hotel expenses at Ottawa, \$12.75, and at Montreal, \$106.40.

(2) Details of the outlay for fares, \$40, and for porters, waiters, cabs, street cars, \$15.

In the account of the Deputy Minister of Trade and Commerce paid by cheque No. 67,003, the bills are required for hotel expenses amounting to \$98.50.

I am, sir, your obedient servant,

The Deputy Minister of Inland Revenue.

J. L. McDOUGALL, *A.G.*

DEPT. OF INLAND REVENUE, OTTAWA, December 5, 1901.

SIR,—I beg to acknowledge the receipt of your communication of the 18th ult., asking that Mr. David Horn, Chief Inspector of Grain, Winnipeg, and Mr. W. G. Parmelee, Deputy Minister of Trade and Commerce, Ottawa, both of whom were members of the 'Grain Inspection Commission' be requested to furnish bills for hotel expenses.

In reply thereto I beg to state that this department cannot, even at your request, impugn the integrity of these gentlemen by demanding the vouchers asked for.

Mr. Parmelee, in accordance with the provisions of the Order in Council of February 6, 1893, has certified that the account is correct and just in all respects and expense wholly incurred on business of the commission. If, in addition to the certificate required by the above Order in Council, hotel bills are to be asked for and furnished as vouchers, I would be glad if you would point out the authority therefor.

Mr. Horn's account, which I have received from your office, I find has not this declaration attached, and I have returned it to him to have such placed thereon and to give such details of his railway fares, cabs, street cars, baggage and porters as, at this date, he may be able to do. I return Mr. Parmelee's account herewith.

I am, sir, your obedient servant,

The Auditor General.

W. J. GERALD, *D.M., I.R.*

AUDIT OFFICE, OTTAWA, December 18, 1901.

SIR,—I beg to acknowledge the receipt of your letter of the 5th instant, in which you ask for the authority for requiring the production of hotel bills as vouchers in connection with certain accounts for travel.

The ground for demanding hotel bills is precisely the same as in the case of any other expenditure made by a government officer, for instance, the outlay by Collectors of Inland Revenue for office rent, cleaning, furniture, &c. These officials make a statutory declaration as to the correctness of their statements of expenditure, yet they are required also to produce vouchers.

I have frequently written to your department regarding the necessity for supplying hotel bills. You, of course, understand that the cases of Mr. Parmelee and Mr. Horn were not singled out because there was any reason why they should be asked for hotel bills, which did not apply equally to any official making a stay for a day or more at a hotel.

I am, sir, your obedient servant,

The Deputy Minister of Inland Revenue.

J. L. McDOUGALL, A.G.

Advances to Chief Inspector of Grain.

AUDIT OFFICE, OTTAWA, November 29, 1901.

SIR,—In the fiscal year 1899-1900 an advance of \$1,200 was made by your department from the vote for inspection of staples to David Horn. Let me direct your attention to the correspondence regarding this advance, published on pages K—35, and 36 of the Audit Report for that year. Please let me know how this amount has been accounted for.

During the year 1900-1901 the following payments were made to Mr. Horn for which no vouchers have yet reached this office :—

Cheque 66510, March 14, 1901.. . . .	\$ 2,000
“ 66752, April 24, 1901.. . . .	2,000
“ 66857, May 8, 1901.. . . .	1,000
“ 67099, June 8, 1901.. . . .	1,000
“ 67467, July 12, 1901.. . . .	1,000
	<hr/>
	\$ 7,000

Please cause me to be supplied with vouchers in support of these advances. Your early attention to this matter is requested, as the vouchers are needed to enable me to complete the audit of your expenditure for last year.

I am, sir, your obedient servant,

The Deputy Minister of Inland Revenue.

J. L. McDOUGALL, A.G.

AUDIT OFFICE, OTTAWA, December 18, 1901.

SIR,—Let me direct your attention to my letter of the 29th ultimo, asking for vouchers in support of payments made during the years 1899-1900 and 1900-1901, to David Horn, from the vote for inspection of staples. These vouchers are required at once, in order that the printing of the part of the Audit Report relating to the expenditure of your department may not be delayed.

I am, sir, your obedient servant,

The Deputy Minister of Inland Revenue.

J. L. McDOUGALL, A.G.

SESSIONAL PAPER No. 1

DEPARTMENT OF INLAND REVENUE, OTTAWA, Dec., 1901.

SIR,—I beg to acknowledge the receipt of your communication of the 29th ult. requesting vouchers for amounts advanced Chief Inspector Horn of Winnipeg, on account of inspection of staples.

I beg to forward herewith the receipts of Mr. Horn for the amounts mentioned in your letter.

These advances were rendered necessary by the short crop of 1900 not yielding sufficient fees to carry on the work of inspection.

The department expects that the revenue of this fiscal year, the crop being an exceptionally large one, will enable the advances made being returned.

I remain, sir, your obedient servant,

The Auditor General.

W. J. GERALD, *D.M., I.R.*

AUDIT OFFICE, OTTAWA, December 28, 1901.

SIR,—On the 26th instant I received your letter inclosing the receipts of Chief Inspector Horn for amounts advanced to him during the past two fiscal years on account of grain inspection, Manitoba.

In order that I may determine, as required by the Audit Act, whether the money in this case has been applied to the purpose for which the grant was intended to provide, viz : “to meet the deficiency in inspection fees”, I beg to request that you will cause me to be supplied with a statement of the fees collected and another of the expenditure payable from such fees, supported by the necessary vouchers.

I beg also to ask for a copy of the regulations established by the Department of Inland Revenue regarding the disposal of the Manitoba Grain Inspection Fund and with reference to the salaries and expenses to be paid from that fund, under the provisions of item 20 in the schedule to 62-63 Victoria, chap. 25, and subsection 2 of section 47, 63-64 Victoria, chap. 39.

I am, sir, your obedient servant,

The Deputy Minister of Inland Revenue.

J. L. McDOUGALL, *A.G.*

Removal Expenses : Incomplete Vouchers.

AUDIT OFFICE, OTTAWA, December 20, 1901.

SIR,—I beg to ask your consideration of the inclosed account paid by cheque No. 65032 of 1900-1901, being the removal expenses of M. V. Fortier, Deputy Collector of Inland Revenue, from Ste. Thérèse to St. Jerome.

I note that the account has been reduced from \$148 to \$125; still, in my opinion it should not have been accepted at all until Mr. Fortier produced original bills giving the calculations of the various charges, instead of mere receipts for lump sums apparently written by himself and signed by the different persons who had claims against him.

I have also to ask for an explanation of the charge of \$12 for one month's rent at St. Jerome.

I am, sir, your obedient servant,

The Deputy Minister of Inland Revenue.

J. L. McDOUGALL, *A.G.*

SESSIONAL PAPER No. 1

Re Weights and Measures and Gas Departmental Stamp Account.

AUDIT OFFICE, OTTAWA, February 25, 1901.

SIR,—On the Departmental Stamp accounts recently received, credit is taken for stamps destroyed by water : weights and measures 10,000, value \$20,000, and gas 500, value \$2,000.

No explanations or certificates are furnished in connection therewith.

Your early attention is requested.

I am, sir, your obedient servant,

The Secretary, Inland Revenue Dept.

J. L. McDOUGALL, A.G.

DEPT. OF INLAND REVENUE, OTTAWA, Feb. 27, 1901.

SIR,—I have the honour to acknowledge receipt of your communication of the 25th inst., relative to the destruction of weights and measures and gas stamps, and, in reply, to inform you that the stamps were damaged through the overflow of the basin in the room above the vault, and when it was found that they were of no use, they were properly destroyed.

The stamps are of no value beyond the paper on which they are printed, and the cost of printing, which is a very small item, and they only assume their face value when they are attached to the certificates after the inspection has been made and fees collected.

I am, sir, your obedient servant,

The Auditor General.

W. A. HIMSWORTH, *Secretary*.

AUDIT OFFICE, OTTAWA, March 9, 1901.

SIR,—I have received your letter of the 27th ultimo *re* weights and measures and gas stamps damaged by water and destroyed.

You have not furnished any certificate in connection therewith. This certificate should give the numbers and denominations of the stamps damaged, and be certified by the officers who destroyed them.

Should it be again necessary at any time to destroy any stamps, I have to ask to be notified and I shall send a clerk from this office to be present. This is the practice when stamps are destroyed in the Post Office Department.

While agreeing with you that these stamps are of no intrinsic value in themselves, they remaining in your department, I would point out that once they reached the inspectors they represent their face value, and must be accounted for. Hence the necessity that all proper safeguards should be exercised when it is found necessary to destroy any.

I am, sir, your obedient servant,

The Secretary, Inland Revenue Department.

J. L. McDOUGALL, A.G.

Re Gas Inspection.

AUDIT OFFICE, OTTAWA, March 6, 1901.

SIR,—The fees collected for gas inspection at Westminster, B.C., during 1898-9 amounted to \$58. Nothing came to account for 1899-1900, though the Collector of

Excise was paid \$100 for his services as Gas Inspector, the same amount paid previously.

Awaiting explanations.

I am, sir, your obedient servant,

The Commissioner of Inland Revenue.

J. L. McDOUGALL, A.G.

Re Electric Light.

AUDIT OFFICE, OTTAWA, December 18, 1901.

SIR,—The statements received from your department of the Electric Light Revenue for 1900-1901, show the receipts to have been as follows :—

Registration fees....	\$ 4,822 50	
Inspection fees....	10,770 27	
		\$ 15,592 77
The cash that came to account during the year was....	15,363 02	
		\$ 229 75
Leaving a difference of....		

According to your report of 1900-1901, page 56, there was a balance of cash in the hands of collectors on June 30, 1900, of \$174.75, and a balance on June 30, 1901, of \$379.50, a difference of \$204.75. Please explain why these differences do not agree.

It would simplify the accounts very much if your department would treat the revenue as all the other departments do ; that is, to carry to the account of each year the revenue collected in that year, even though deposit was not made until the early days of July. The expenditure paid after June 30 belonging to the previous year is charged back to that year. Why not treat the revenue in the same way ?

I am, sir, your obedient servant,

The Deputy Minister of Inland Revenue.

J. L. McDOUGALL, A.G.

Re Inspections.

AUDIT OFFICE, OTTAWA, March 27, 1901.

SIR,—Returns have been received from your department of inspections made since April last.

During the intervening time fifteen divisions have been inspected three times, fourteen twice, two once, and two Windsor and Montreal have not been inspected. Why is this the case ?

Some returns are certified specifically by the inspector; the majority are merely signed. Presumably the same duty is expected to be performed in all cases. Why is it not certified that the required duty has been performed in both classes of cases ?

What action has been taken in reference to the four electric light plants reported unregistered at St. Catherines by the inspector in August, 1900, and again in January last.

What supervision or check is exercised on the sale of methylated spirits by the inspector ?

What is the explanation of the shortage of 2,606.48 gallons spirits reported at Quebec ?

SESSIONAL PAPER No. 1

I have to ask for a list of the inspectors, showing the ports each has to inspect ; and a copy of the instructions given them. Perhaps the duties of the inspectors are not confined to the same places.

I am, sir, your obedient servant,

The Commissioner, Inland Revenue.

J. L. McDOUGALL, A.G.

Re Refunds of Excise Revenue.

DEPT. OF INLAND REVENUE, OTTAWA, February 26, 1901.

SIR,—I beg to forward herewith the vouchers asked for in your communication of the 8th ultimo.

The accountant has been requested to forward the vouchers in future with the statements.

I am, sir, your obedient servant,

The Auditor General.

W. J. GERALD, *Asst. Com.*

AUDIT OFFICE, OTTAWA, March 2, 1901.

SIR,—I have to acknowledge the receipt of your letter of the 26th ultimo, in which you state that you are forwarding the vouchers asked for in my letter of the 8th January.

On examining the documents received, I find they are merely the receipt of the payee in each case. I have now to ask for all the papers in connection with each case; the claim paper, the statement of details making up the claim, the certificate of your officer who has examined and approved the claim, together with any other document or correspondence in reference thereto.

It would expedite and facilitate the work of this office could you arrange that these vouchers in complete form be furnished regularly month by month.

I am, sir, your obedient servant,

The Asst. Commissioner of Inland Revenue.

J. L. McDOUGALL, A.G.

Re Excise Seizures—Expenses.

AUDIT OFFICE, OTTAWA, July 2, 1901.

SIR,—The expenditure in connection with excise seizures consists principally of the travelling expenses of your officers and disbursements by them for cartage, services, &c. In many cases the vouchers are not furnished for these disbursements, and I have to request you to have them furnished in every case where possible.

Gabriel Bouliane, in his account for August, 1899, charged \$6.25 as paid to a carter from Tadousac to Baie des Mille Vaches—2½ days at \$2.50 ; and in his account for February, 1900, he charges \$12 for the same service. No voucher is furnished in either case.

I am, sir, your obedient servant,

The Deputy Minister of Inland Revenue.

J. L. McDOUGALL, A.G.

Re Bottling Labels.

AUDIT OFFICE, OTTAWA, March 26, 1901.

SIR,—During the fiscal year ended June 30 last, there was a revenue from bottling labels of \$9,808.39.

On page K—18 of the last year's report the British American Bank Note Co. is shown as having been paid for 3,214,000 bottle stamps at 70c. per M. I assume that these and the bottling labels are one and the same thing.

I have to ask for a statement, certified by the officers in charge, showing the quantity of labels on hand June 30 last, the quantity since received from the manufacturers, the quantity since disposed of, giving details, and the balance on hand. In future such a statement should be furnished each month.

I have also to ask for a copy of the regulations governing the sale of these labels, the price at which sold, and any other information pertinent thereto.

I am, sir, your obedient servant,

The Commissioner, Inland Revenue.

J. L. McDOUGALL, A.G.

Re Distillery Accounts.

AUDIT OFFICE, OTTAWA, March 26, 1901.

SIR,—I have lately received the monthly distillery returns to the end of February, also the bottling returns for the same period.

I desire to have a test audit made of some of these returns, and for that purpose I have to ask you to send me all the statements and entries in connection with the Walkerville distillery for the month of December last.

I am, sir, your obedient servant,

The Commissioner, Inland Revenue.

J. L. McDOUGALL, A.G.

DEPT. OF INLAND REVENUE, OTTAWA, May 6, 1901.

SIR,—I beg to acknowledge the receipt of your communication of March 26 ultimo, stating that you desired to make a test audit of some of the distillery returns and suggesting those of the Walkerville distillery for the month of December last.

In accordance with your request I forward you herewith all the entries necessary for such a test audit, and Mr. Shaw has placed each series of entries together in such a manner as to expedite your audit.

I am, sir, your obedient servant,

The Auditor General.

W. J. GERALD, *Asst. Com.*

AUDIT OFFICE, OTTAWA, May 17, 1901.

SIR,—I have received your letter of the 6th instant, accompanying entries and statements covering the transactions at the Walkerville distillery during December, 1900.

As requested, I am returning herewith the entries in question. I am retaining the statements.

SESSIONAL PAPER No. 1

The entries for spirits ex-warehoused, for removal, do not furnish any evidence that the spirits in question have been received and placed in bond at the division to which they were consigned. What returns are furnished to your department to enable an audit to be made of the goods placed in and withdrawn from bonded warehouse?

The entries for export are also short of any evidence that the spirits have been actually exported.

As the collectors' monthly returns give no details of the entries passed by him, and the duty collected thereon, there is no means furnished to this office to determine that the collector has accounted for the duty called for by the entries of spirits ex-warehoused for consumption.

I have to ask for corresponding entries and statements of the transactions at the Gooderham distillery for December last.

I am, sir, your obedient servant,

The Asst. Commissioner of Inland Revenue.

J. L. McDOUGALL, A.G.

Re Inspection of Grain.

AUDIT OFFICE, OTTAWA, July 23, 1901.

SIR,—The Minister of Inland Revenue stated in the House of Commons on May 21 last that it was proposed to pay the inspectors of grain by salary, and that the inspection fees would be refunded to the credit of the Consolidated Fund. This new arrangement will, no doubt, go into force from the commencement of the present fiscal year. Please let me know what arrangements have been made with the view of having inspectors make prompt deposit of the fees collected and render returns of same to your department.

I should be glad to have a statement of the fees collected during the last fiscal year, and the disposition made thereof.

I am, sir, your obedient servant,

The Deputy Minister of Inland Revenue.

JOHN GORMAN, *for A.G.*

AUDIT OFFICE, OTTAWA, Nov. 21, 1901.

SIR,—In my letter of the 7th instant, calling your attention to certain letters to which I had received no reply, I included a letter dated July 23, *re* inspection of grain.

I have not since heard from you on the subject, and would now again recall it to your memory, and ask for your early attention.

I do not find that any fees have yet come to account from the inspection of grain.

I am, sir, your obedient servant,

The Deputy Minister of Inland Revenue.

J. L. McDOUGALL, A.G.

NOTE.—Fees amounting to \$1,272.05 have come to account through the Department of Trade and Commerce, that were collected by the Grain Inspector at Montreal.

Re Letters Not Answered.

AUDIT OFFICE, OTTAWA, Nov. 7, 1901.

SIR,—I am without any replies to the following letters :—

Re Excise Seizures.

AUDIT OFFICE, OTTAWA, November 12, 1901.

SIR,—The receipts and disbursements on account of excise seizures for the last five years were as follows :—

Fiscal Year.	Receipts.	Disbursements.
1896-97.....	\$ 3,352 81	\$ 5,328 65
1897-98.....	7,356 78	6,312 66
1898-99.....	10,463 47	10,238 06
1899-00.....	6,076 14	6,907 23
1900-01.....	1,236 69	4,229 88
	<hr/> \$28,485 89	<hr/> \$33,016 48

The disbursements consist of expenses, \$5,580.76, refunds, \$484, and distribution to seizing officers and informers, \$26,951.72, the total exceeding the receipts during these five years by \$4,530.59. Chap. 34, section 114, Revised Statutes, provides that all forfeitures and penalties, after deducting expenses shall belong to His Majesty for the public uses of Canada ; with a proviso that the net proceeds or any portion thereof may be divided between the seizing officers and the informers, in such proportions as the Governor in Council in any case or class of cases directs and appoints. Presumably you have drawn on the other revenue accounts for the excess of the disbursements over the receipts, and this you are not authorized to do by the authority quoted above. The practice hitherto followed has been to deduct from the gross proceeds of each seizure the expenses and the duty and distribute the balance among the seizing officers and the informers. In cases where nothing is paid to an informer, the seizing officers get the whole balance. If you distribute all the net proceeds of seizures in which anything has been realized there will be no surplus to meet expenses connected with cases from which no receipts arise.

The practice followed in the distribution of customs seizures, is to deduct the expenses, the duty paid and 5 per cent of the gross proceeds ; the seizing officer usually, but not always, gets one-third of the balance. If there is an informer, he receives another one-third, and the remaining one-third rests with the government. If there is no informer, other than the government officer, two-thirds of the net proceeds rests with the government.

I beg to submit this information for such action as you may deem expedient.

• I am, sir, your obedient servant,

The Deputy Minister of Inland Revenue.

J. L. McDOUGALL, A.G.

Re Excise Revenue : Increases and Decreases.

AUDIT OFFICE, OTTAWA, November 7, 1901.

SIR,—The increase in excise revenue during 1900-01, as compared with the previous year, was \$495,874.03. There were decreases during the year at the following places:—

Belleville.	\$23,641 52	Brantford.	\$ 808 94
Cornwall.	2,949 26	Kingston.	4,360 73
Owen Sound.	1,475 57	Charlottetown.	543 50
Winnipeg.	27,656 60	Vancouver.	34,282 52

The fact of a falling off in the receipts at some places at a time when the receipts generally are largely on the increase seems to call for some inquiry as to the cause, especially when the decreases are so large as at Belleville, Winnipeg and Vancouver. I would suggest that you should ask your collectors at these places how they account for the decrease.

I am, sir, your obedient servant,

The Deputy Minister, Inland Revenue.

J. L. McDOUGALL, A.G.

DEPT. OF INLAND REVENUE, OTTAWA, November 30, 1901.

SIR,—I beg to acknowledge the receipt of your communication of the 7th inst., suggesting that this department request the Collectors at Belleville, Cornwall, Owen Sound, Winnipeg, Brantford, Kingston, Charlottetown and Vancouver to explain how they account for the decrease in revenue as compared with the previous year, more particularly as the Excise Revenue of the Dominion showed an aggregate increase of nearly \$500,000.

The Collectors referred to can give no explanation of the decrease of revenue in their respective divisions other than those apparent in our annual report, viz.: that smaller quantities of exciseable goods have been entered for consumption, within their division, than in the preceding year. This does not necessarily indicate a decrease in consumption within those divisions, as the duty on goods consumed therein may have been paid elsewhere and these goods sent into the divisions duty paid.

If you will turn to page 69 of the report of this department for 1901, you will find that in the division of Belleville, 62,368.44 proof gallons of spirits were entered for consumption, and duties amounting to \$118,499.87 were collected thereon, while in 1900 (page 67) 75,061.31 proof gallons were so entered, upon which duties aggregating \$142,616.48 were collected. The decrease is \$24,116.61, but for the reasons above stated, this does not necessarily establish the fact that a less quantity of spirits was actually consumed in that division than in the previous year.

I regret to say that there is no explanation other than I have given above and our collectors can throw no more light upon it than is already possessed by your department and this. Were it possible to secure the explanation you desire by the course you suggest, I should cheerfully comply therewith.

I am, sir, your obedient servant,

The Auditor General.

Irregularities in Accounts paid through Immigration Commissioner at Winnipeg.

NOTE.—For beginning of this correspondence, see A. G's Report 1899-1900, pages L-86 and 109.

DEPT. OF THE INTERIOR, OTTAWA, February 5, 1901.

SIR,—In further reference to the Deputy Minister's letter of the 21st ultimo, I am to inform you that the duplicate payment to Mr. A. Becker, to which you drew the attention of the department on the 14th ultimo, appears to have been refunded to the Receiver General under a misapprehension. Cheque No. 547, issued on September 30, 1899, never reached Mr. Becker, and is still shown as an outstanding cheque in the bank account. A letter has been written to the Commissioner of Immigration respecting the matter, and it is possible that a Receiver General's cheque may have to be issued in order to recoup Mr. Becker for the refund he has erroneously made.

I am, sir, your obedient servant,

The Auditor General.

P. G. KEYES, *Secretary*.

Allowance to Permanent Officials for Living Expenses should not exceed the Probable Average Cost in the Localities Visited.

NOTE.—For beginning of this correspondence see Auditor General's Report, 1899-1900, page L-106, and for further correspondence on this subject see preliminary part of this report.

AUDIT OFFICE, OTTAWA, July 2, 1901.

SIR,—I beg to call your attention to the following payments on account of town sites commission charged to Dominion Lands Income for the year 1900-1901 :—

Cheque 3153—E. F. Stephenson.. . . .	\$ 450 00
“ 3659—E. F. Stephenson.. . . .	385 82
“ 2833—J. A. Smart.. . . .	150 00
“ 3167—J. A. Smart.. . . .	150 00
“ 3344—J. A. Smart.. . . .	195 95

The vouchers submitted in support of these payments contain the following items :—

E. F. Stephenson, living allowance—

October 14, 1900 to October 20, 1900—6½ days at..	\$10 00	\$ 65 00
Nov. 12, 1900 to Dec. 14, 1900—32½ days.. . . .	10 00	325 00

J. A. Smart, living allowance—

Sept. 17, 1900 to Nov. 24, 1900—45 days at.. . . .	\$10 00	\$450 00
--	---------	----------

These allowances are in accordance with Order in Council of June 19, 1900, but as was shown in my letter of June 29, 1900, and subsequent correspondence, the amount of the allowance is considerably in excess of the average expenses incurred by persons travelling in Canada, and as such is in part a remuneration to the commissioners for their services. In this case the payment is an evasion of section 51 of the Civil Service Act which provides that 'No extra salary or additional remuneration of any kind whatsoever shall be paid to any deputy head, officer or employee in the Civil Service of Canada, unless a sum has been placed for that purpose in each case in the estimates submitted and voted by Parliament.'

No allowance above the actual expenses incurred can be legally granted without the authority of parliament, and I am of the opinion that Messrs Smart and Stephen-

SESSIONAL PAPER No. 1

son should refund any amount not actually expended by them until such time. The fact that one of the gentlemen at least is in my opinion underpaid for his general services does not affect this matter.

I am, sir, your obedient servant,

The Deputy Minister of the Interior.

J. L. McDOUGALL, A.G.

DEPT. OF THE INTERIOR, OTTAWA, August 28, 1901.

SIR,—On my return from the west recently, I found your letter to me of July 2 last, in which you state that you are of opinion that Mr. E. F. Stephenson and myself should refund any amount not actually expended by us out of the \$10 per diem allowance authorized to be made to us by Order in Council of June 19, 1900, in connection with the North-west Townsite investigation. I must say in reply that I am a little surprised that this matter should have been allowed to remain in abeyance for so many months, and that the present demand should be made after all the moneys have been paid and the accounts settled. I certainly think that it is within the authority of the government to arrange for a fixed living allowance for any officer of the government who is called upon to perform services of importance outside of his office, and in view of the fact that this matter has already been finally adjusted it would be rather unfair to the officers named to ask them to refund any amounts which they have been paid. I need not add that Mr. Stephenson is in the same position as myself in so far as the living expenses incurred on this work are concerned, and as no statements were kept or vouchers taken for the amounts paid, it would be quite out of the question at this late date to furnish an accurate account of the sum expended.

I am, sir, your obedient servant,

The Auditor General.

JAS. A. SMART, D.M.I.

Payments to North Atlantic Trading Co. as Commission on Immigrants.

AUDIT OFFICE, OTTAWA, November 21, 1901.

SIR,—With reference to the matter of the North Atlantic Trading Co. I beg to say that I have passed your application of the 6th instant for a payment of £3,100 on account of the amount earned by them in connection with the Immigration Branch during the year ended June 30th last. On examining the lists of names of the immigrants who arrived at the different ports. I find that the total number seems to be 7,540 instead of 7,496 as stated by you. I also notice that you are crediting the company for all immigrants irrespective of age, even the infants. In former years credit was given for adults and children over a certain fixed age only. The memorandum of the agreement with the company for the last year furnished by you does not state that the company is to be allowed for all children irrespective of age. The agreement states merely, that the government shall pay a bonus of £1 on every bona fide agricultural immigrant, including farm labourers and domestic servants. Another clause states that no bonus is to be paid on any immigrant who is not mentally or physically fit. I would like to have it made clear why you are allowing the company a bonus on young children for the year in question.

I am, sir, your obedient servant,

The Deputy Minister of the Interior.

J. L. McDOUGALL, A.G.

Memorandum of agreement with North Atlantic Trading Co.

The present agreement with the North Atlantic Trading Company dates from July 1, 1900. Under this the company is to represent the immigration interests of Canada in Russia, Germany, Austria, Roumania, Switzerland, Italy Holland, Belgium, France, Norway, Sweden and Denmark, and other countries that may subsequently be agreed upon. The company undertakes to maintain a continuous and active emigration propaganda for Canada in these countries, by advertising, printing and circulating suitable literature, by mail and personal distribution, and by the employment of duly qualified agents, and it is stipulated that in these ways the company shall expend not less than \$10,000 per annum, and shall from time to time produce evidence that this is being done, and that every effort that can reasonably be expected is being put forth in the countries named. Full settlement for each year's work to be deferred until such evidence is produced. On the other hand it is agreed that the government of Canada shall pay to the company a bonus of £1 on every *bona fide* agricultural immigrant (farm labourers and domestic servants included) landing in Canada from the countries named with the intention of settling in Canada; of those from the Austrian Provinces of Galicia and Bukowinia the head of every family to be possessed of not less than \$200 in addition to transportation to destination; \$50, to suffice for a man and wife without children; \$100, where the children do not exceed four in number, and where unmarried persons from these provinces over sixteen years of age, come out independently of their families, each such person must be possessed of at least \$25, in addition to transportation. No bonus is to be paid on any immigrant not mentally or physically fit, or who is a criminal, and any expenses incurred in having such persons cared for and deported may be charged to the company.

The company is to do nothing in contravention of the laws of the countries named. The agreement with the company is for ten years from July 1, 1900, subject to cancellation at any time after five years on three months' notice from either party. In addition to the bonus named the government of Canada is to pay to the company £500 annually, towards the cost of printing suitable literature, the company to report to the Department of the Interior every three months the kind and quantity of literature being published, and where it is being distributed, and to publish as part of such literature any material which may be furnished by the department.

The bonuses are to be paid monthly upon reported arrivals at Canadian ports.

DEPT. OF THE INTERIOR, OTTAWA, Nov. 27, 1901.

SIR,—Referring to your favour of the 21st instant, regarding the payment of bonuses to the North Atlantic Trading Company, I beg leave to say that under the present agreement it was the intention of the department to pay the bonus named, to all members of the agricultural or domestic servant class. This would include, of course, men, women and children. The clause in the agreement, dealing with persons not mentally or physically fit, is intended to refer to any who were suffering from some mental or physical disease.

I am, sir, your obedient servant,

The Auditor General.

SESSIONAL PAPER No. 1

AUDIT OFFICE, OTTAWA, November 6, 1901.

SIR,—I beg to draw your attention to the following payments by the High Commissioner on account of Immigration for 1900-1901 :

Cheque 18568—J. Rath, bonus on immigrants, including bonus of Loren T. Jorgenson who sailed from Liverpool on str. *Tunisian* April 5, 1900, arriving at Halifax on the 14th of same month..... £1 0 7

Cheque 18578—A. Motzfeldt, bonus on immigrants, including bonus on A. K. Londberg and J. Gustapon, who sailed from Liverpool on str. *Vancouver*, April 14, 1900, arriving at Quebec on the 24th of same month..... £2 1 1

I find that bonuses for these persons had already been paid to the North Atlantic Trading Company under the agreement with that company for the year ended June 30, 1900, and Messrs. Rath and Motzfeldt have accordingly been overpaid £1 0s. 7d. and £2 1s. 1d. respectively. Please cause refunds of the amounts overpaid to be made.

Advertising Homestead Regulations charged against vote for Immigration.

AUDIT OFFICE, OTTAWA, March 13, 1901.

SIR,—I find that the following payments for advertising Homestead Regulations have been made from the appropriation for Immigration during the current fiscal year:

Cheque 5868—Ottawa, *La Semaine Agricole*..... \$65 00

" 6042—E. J. Reynolds in pamphlets, *Ottawa Heroes*. 15 00

I would like to know your reasons for charging these particular payments to the Vote for Immigration, when in all other cases the cost of publishing the same regulations is charged to the vote for Dominions Lands, Advertising, etc.

I am, sir, your obedient servant,

The Deputy Minister of the Interior.

J. L. McDOUGALL, A.G.

DEPT. OF THE INTERIOR, OTTAWA, March 20 1901.

SIR,—I am directed to say in answer to your letter of the 13th instant, that the Homestead Regulations are synopsisized in many of the pamphlets distributed through the Immigration Branch, and have also been printed and distributed in circular form by our Immigration Agents. It is necessary that new comers should be conversant with the conditions governing settlement on homestead land, and it is found that advertising the regulations has been of valuable assistance in this regard.

I am, sir, your obedient servant,

The Auditor General.

P. G. KEYES, *Secretary*.

AUDIT OFFICE, OTTAWA, March 23, 1901.

SIR,—I am in receipt of your letter of the 20th inst., with reference to advertising Homestead regulations in Ottawa '*La Semaine Agricole*' and '*Ottawa*'

Heroes' and in reply I beg to point out that neither of the payments in question is for pamphlets for distribution by the Immigration Branch of your department, but both appear to be for the regular advertisement of the Dominion Lands, such as are charged in similar cases against Dominion Lands Income.

I am, sir, your obedient servant,

The Deputy Minister of the Interior.

J. L. McDOUGALL, A.G.

DEPT. OF THE INTERIOR, OTTAWA, March 27, 1901.

SIR,—Referring to your favour of the 23rd instant, regarding the action of the department in advertising the Homestead regulations in Ottawa, 'La Semaine Agricole' and 'Ottawa Heroes', I beg leave to say that in so far as advertising is concerned, this department makes use of whatever medium it considers valuable from an immigration standpoint, and the fact that the Homestead regulations are for the regular advertisement of Dominion Lands does not preclude us from inserting them, from time to time, for immigration purpose. As a matter of fact we have the Homestead regulations printed in circular form and distributed in large numbers with other literature, and in special advertisements authorized by the Immigration Branch, the Homestead regulations appear either in extenso or insynopsis. It is considered that newcomers should be advised of the regulations which are in force, regarding the settlement of land, and if the department in the carrying out of its Immigration policy sees fit to incorporate the Homestead regulations as part of its literature or as an advertisement, I am of opinion that action of this kind or the expenditure arising therefrom is not wrongly charged to the Immigration Appropriation.

The Auditor General.

Meals charged by L. Rankin, Travelling Immigrant Agent.

AUDIT OFFICE, OTTAWA, March 8, 1901.

SIR,—I beg to draw your attention to the attached statement of meals charged in the accounts of Mr. Leonard Rankin between July 1, 1899 and October 31, 1900, and paid by immigration cheques drawn by McCreary and Moffatt. It seems strange that Mr. Rankin would pay 50 cents for each meal during a period of 16 months and require besides his regular meals as many as 28 luncheons in a month. There is nothing upon the vouchers to show where Mr. Rankin travelled. I would ask that this office be supplied with a copy of his diary showing the dates and the places visited during the months covered by the statement.

I am, sir, your obedient servant,

The Deputy Minister of the Interior.

J. L. McDOUGALL, A.G.

DEPT. OF THE INTERIOR, OTTAWA, April 6, 1901.

SIR,—Referring to your letter of the 8th ultimo, on the subject of meals charged in the accounts of Mr. Leonard Rankin, between the 1st of July, 1899, and the 31st of October, 1900, I am directed to say that during the period referred to Mr. Rankin was doing duty on the Soo Line, checking trains mainly at night, which necessitated

his travelling practically all the time, and made a night meal necessary in addition to his meals during the day, the night meal being described in his expense accounts as 'lunch.'

Salary Cheques Issued Before End of the Month.

AUDIT OFFICE, OTTAWA, May 14, 1901.

SIR,—In examining the cheques returned from the Bank of Montreal for the month of February, I find that the salary cheques of the immigration officers of Quebec, Montreal and of other places were issued on the 21st of that month and were cashed by the bank on the 25th. I would ask under what authority these cheques were issued by your department before the services for which they were intended were performed.

I am, sir, your obedient servant,

The Deputy Minister of the Interior.

J. L. McDOUGALL, *A.G.*

DEPT. OF THE INTERIOR, OTTAWA, May 29, 1901.

SIR,—I am in receipt of your letter of the 14th instant, in which you refer to certain salary cheques for the month of February which were paid to the immigration officers at Quebec, Montreal, and other places on the 25th instead of the end of the month, and asking the department under what authority these cheques were issued by the department before the services were performed for which payment was made. In reply I beg to say that I understand it has always been customary to issue cheques for the outside service so as to enable the officials to receive their salaries by the end of the month. In the case of Montreal and Quebec, possibly the cheques would reach them a day or two before the end of the month, but this would not be the case at Winnipeg or in the Territories, as well as in most of the agencies in the United States. The desire of the department has been to issue the cheques so that they would be paid on the last day of the month. In some cases, it is quite true that they have been paid two or three days before, but in most cases I think it will be found that the cheques are not cashed until the beginning of the following month. If it is thought advisable to do so the rule may be changed so as to have all cheques issued on the last day of the month, but I am satisfied that in many cases this would be a serious inconvenience to the officials who live at a distance from Ottawa. I may add that inquiry has been made of several of the departments as to the system of paying the outside service salaries, and I understand that there is no regular plan and that each department adopts its own system. It is thought that, in cases where the officials live at considerable distances from the Capital, the cheques might be dated the last day of the month so as to avoid the suggestion of irregular payment, but possibly this would hardly meet the case. I shall be very glad indeed to have your advice as to the best course to pursue in connection with this matter.

I am, sir, your obedient servant,

The Auditor General.

JAS. A. SMART, *D.M.I.*

AUDIT OFFICE, OTTAWA, June 6, 1901.

SIR,—I am in receipt of your letter of the 29th ultimo with reference to the issue of the salary cheques of the officers of the outside service of your department. In reply I beg to say that I see no special objection to the issue of the cheques before the end of the month, providing they do not pass into the hands of the recipients before the last day of the month. I might suggest that the cheque be sent to your chief officer at each agency who will hold them until the end of the month or of the period for which payment is made. He could also see that a refund is made before handing over the cheque in cases in which for any reason the employee is not entitled to the full amount for which his salary cheque is drawn. The cheques should in each case reach the chief officer referred to as short a time as possible before the end of the month.

I am, sir, your obedient servant,

The Deputy Minister of the Interior.

Expenses of E. Crean meeting Immigrants at Portland.

AUDIT OFFICE, OTTAWA, May 31, 1901.

SIR,—I beg to call your attention to the following charges in the expense accounts of Mr. Ed. Crean, Travelling Immigration Agent, for board at Portland, Maine, while waiting for arrival of steamers:

Jan. 4-9, 1901, Str. <i>Dominion</i> , 6 days at \$3.....	\$18 00
Jan. 11-15, 1901, Str. <i>Tunisian</i> and <i>Cambroman</i> , 5 dys. at \$3.	15 00
Jan. 17-28, 1901, Str. <i>Vancouver</i> , 12 days at \$3.....	36 00
Jan. 30 to Feb. 6, Str. <i>Corinthian</i> , 8 days at \$3.....	24 00
Feb. 8-17, 1901, Str. <i>Tunisian</i> , 10 days at \$3.....	30 00
Feb. 21-Mar. 4, Str. <i>Vancouver</i> , 12 days at \$3.	36 00
Mar. 6-10, 1901, Str. <i>Numidian</i> , 5 days at 3.	15 00
" 11-17 " " <i>Cecilian</i> , 7 " \$3.....	21 00
" 19-25 " " <i>Cambroman</i> , 7 " \$3.	21 00
" 27-31 " " <i>Tunisian</i> , 4 " \$3.	12 00

I would ask why Mr. Crean returned to Portland immediately upon leaving the immigrants at Montreal, instead of going to his headquarters at Quebec, and thence proceeding to Portland shortly before the expected arrival of the next steamer.

Mr. Crean's movements from January 3, to the end of March, may be summarized as follows :—

Jan. 3-31, 4 days travelling, 25 days waiting for steamer.
Feb. 1-28, 4 " " 24 " " " "
Mar. 1-31, 4 " " 27 " " " "

You will please understand that I ask this only because it appears on the face of the account as if a considerable expenditure had been unnecessarily made.

I am, sir, your obedient servant,

The Deputy Minister of the Interior.

J. L. McDougall, A.G.

DEPT. OF THE INTERIOR, OTTAWA, June 5, 1901.

SIR,—Referring to your favour of the 31st ultimo, calling attention to some charges in the expense account of Mr. Edward Crean, Travelling Immigration Agent, for board at Portland, Maine, while waiting the arrivals of steamers, I would say that towards the end of the calendar year, 1900, it was decided by the department that

SESSIONAL PAPER No. 1

owing to the fact that Portland would, in all probability, be the port through which a large number of Canadian bound passengers would come, it would be better to station Mr. Crean there for the purpose of looking after the immigrant arrivals. Mr. Crean arrived in Portland in the early part of January and has been stationed there ever since. He has reported to the department quite regularly of his movements and while in some cases it may appear that his expenses are rather high, yet, taking into consideration the nature of his duties and the uncertainty of knowing exactly when boats are to arrive, I am of the opinion that we could not have done otherwise than keep him there during the whole season instead of part of the time there and part of the time in Quebec.

I find on looking over Mr. Crean's reports that he has been pretty steadily at work. On January 26, he writes from Portland: I arrived here on the 4th instant and the ss. *Dominion*, of the Dominion Line, arrived on January 9. I accompanied the passengers to Montreal, where I arrived on the 10th, and returned to Portland, arriving on the 11th. On January 15, I accompanied the passengers of the ss. *Cambroman* and the ss. *Tunisian* to Montreal and returned to Portland, arriving on the 17th. Am now awaiting the arrival of ss. *Vancouver* and ss. *Numidian*, which are expected to arrive to-morrow or Monday. On February 12, he writes: On January 17, I met the passengers of the ss. *Vancouver* and accompanied them to Montreal, then returned to Portland and met the passengers of the ss. *Numidian*, which arrived on January 31, and accompanied them to Montreal, returning immediately to Portland. On February 6, he left for Montreal with the passengers of the ss. *Corinthian*, returning to Portland on the evening of the 7th, and on the 10th, he met and took care of the passengers of the ss. *Dominion*. At the time of writing he was awaiting the arrival of the ss. *Tunisian*, expected Thursday or Friday with 300 passengers. On February 28, he writes that he waited for the *Tunisian* from the 12th to the 17th, on which date he accompanied the passengers to Montreal, arriving there on the morning of the 18th. On the evening of the 18th he left Montreal for Portland, arriving there on the morning of the 19th, and on the evening of the same day he left with the passengers of the ss. *Cambroman*. He left Montreal for Portland on the evening of the 20th and arrived there on the 21st. He was then awaiting the arrival of the ss. *Vancouver*, which was expected on Sunday. On March 18, he writes that from the 1st to the 4th he was awaiting the arrival of the ss. *Vancouver*, which arrived at 7.45 a.m. of the latter date, and he accompanied the passengers to Montreal, returning to Portland and the morning of the 5th. There he awaited the arrival of the ss. *Numidian* until the 10th, accompanying the passengers to Montreal and returning to Portland on the 11th. There he awaited the arrival of the ss. *Sicilian*, seven days overdue, and which arrived on the morning of the 17th, and he left with the passengers of this boat at 6 p.m. that day. On April 2, he writes that he left Portland with the passengers of the ss. *Sicilian* on March 17, for Montreal, returning to Portland on the 19th, and that he awaited the arrival of the ss. *Cambroman*, which arrived on March 25, accompanied the passengers to Montreal and returned to Portland on the 27th. On the same day he accompanied the passengers of the ss. *Parisian* to Montreal and returned immediately to meet the ss. *Tunisian*, which arrived on March 30. He went forward with the passengers of this steamship, arriving in Montreal on the morning of March 31.

April 20, he reports that arriving in Montreal on the evening of March 31 with the passengers of the ss. *Tunisian*, he waited in that city until the evening of April 1, as per instructions from the department, in order to accompany a person who was being deported, and he arrived in Portland on the morning of April 2. On the arrival of the ss. *Vancouver*, on April 7, he accompanied the passengers to Montreal, returning to Portland on April 9, where he remained until the arrival of the ss. *Numidian* on the 15th, whose passengers he accompanied to Montreal, returning to Portland on the morning of the 17th. On May 2, he reports that he accompanied the passengers of the ss. *Dominion*, arriving on April 22, to Montreal, returning to Port-

land, on April 24, and he accompanied the passengers of the ss. *Cambroman*, arriving on April 28, to Montreal, returning immediately to Portland and arriving on May 1. I doubt very much that in view of the foregoing statement, the department would have saved very much, if anything, if instead of Mr. Crean's running directly between Montreal and Portland he should have gone to Quebec, as suggested in your letter, and proceeded to Portland shortly before the expected arrival of the next steamer.

The Auditor General.

Accounts for Advertising at Dawson not Certified by King's Printer.

AUDIT OFFICE, OTTAWA, May 9, 1901

SIR,—I find from the account received from Dawson that large payments have been made to the *Dawson News*, the *Klondike Nugget* and the *Yukon Sun* for advertising. The Public Printing and Stationery Act provides that all accounts for advertising should be certified to by the King's Printer. Kindly inform me why these accounts were not submitted to him for audit. I inclose the vouchers to have his certificate obtained thereon.

I am, sir, your obedient servant,

The Deputy Minister of the Interior.

J. L. McDOUGALL, A.G.

DEPT. OF THE INTERIOR, OTTAWA, May 23, 1901.

SIR,—I beg to acknowledge the receipt of your letter of the 9th instant, in reference to certain accounts for advertising in the Yukon Territory and in connection with which you pointed out that the Public Printing and Stationery Act provides that all accounts for advertising should be certified by the King's Printer. Since receiving your letter the accounts have been submitted to the King's Printer for audit. Dr. Dawson thinks that no useful end can be served by his audit. He agrees with me that the rules for advertising laid down in the Order in Council of the 25th July, 1896, cannot apply, and were never intended to apply, to transactions in the Yukon Territory, and that not one single condition of the Order in Council could have been observed. The King's Printer considers the circumstances of the case exceptional, he says, that under the principles laid down by yourself the certificate should be given by the person 'who has personal knowledge of the facts.' The accounts are examined by Mr. Lithgow, the comptroller, approved by the commissioner, and bear upon them the certificate required by the regulations, and I, therefore, think under the special conditions should be considered as satisfactory.

I am, sir, your obedient servant,

The Auditor General.

JAS. A. SMART, D.M.I.

AUDIT OFFICE, OTTAWA, June 4, 1901.

SIR,—I am in receipt of your letter of the 28th inst. with reference to the certifying of accounts for advertising in the Yukon Territory. In your letter you state that Dr. Dawson thinks no useful end can be served by his audit, and also that he agrees with you that the rules for advertising laid down in the Order in Council of July 25, 1896, cannot apply, and were never intended to apply to transactions in the Yukon

SESSIONAL PAPER No. 1

Territory. That Order in Council is general in its wording, and is applicable to all accounts for advertising which are not specifically excepted from its operation. If it was found that the rules thus laid down could not have been observed in connection with the advertising in the Yukon district, an Order in Council should have been obtained excepting such transactions from the working of the original order. I beg, however, to again ask your attention to section 3 of the Public Printing and Stationery Act, which enacts that: 'the proper officer of the department shall superintend and execute. . . . the audit of all accounts for the advertising required for the public service.' This is a regulation laid down by parliament and cannot be amended or set aside by an Order in Council, or by the opinion of the King's Printer as to the usefulness of his audit. Until the Act is amended by parliament all such accounts must bear evidence that they have been audited in the department of Printing and Stationery before I am justified in passing them.

I am, sir, your obedient servant,

The Deputy Minister of the Interior.

J. L. McDOUGALL, A.G.

AUDIT OFFICE, OTTAWA, July 23, 1901.

SIR,—I have a copy of an Order in Council of the 29th ultimo, providing that, for the purpose of audit of accounts for advertisements ordered in the Yukon Territory, the certificate of the comptroller and the approval of the commissioner shall be sufficient. I beg to point out, however, an obstacle to the carrying out of this order, namely that section 3 of the Public Printing and Stationery Act assigns the audit of all accounts for the advertising required for the public service to the Department of Public Printing and Stationery. I need not point out that an Order in Council cannot set aside the provisions of an Act of Parliament. Until the Act is amended such accounts should be audited by the King's Printer.

I am, sir, your obedient servant,

The Deputy Minister of the Interior.

Printing done at Dawson without reference to King's Printer.

AUDIT OFFICE, OTTAWA, May 9, 1901.

SIR,—I beg to call your attention to the accompanying statement showing the amounts paid during the current fiscal year to the Yukon *Sun* for printing forms, &c. Section 3 of the Public Printing and Stationery Act provides that all printing, &c., shall be executed subject to the superintendence and audit of the King's Printer. The execution, accordingly, of any more work of this nature other than through the King's Printer is illegal. I can understand that on account of the distance it might occasionally be necessary to have small orders executed in Dawson, but in order that this might be done, an amendment to that effect should be made to the Act. It seems to me that a great deal of the work done by the *Sun* might have been anticipated and have been obtained through the King's Printer, the only legitimate source.

I am, sir, your obedient servant,

The Minister of the Interior.

SIR,—I am in receipt of your letter of to-day's date, with reference to the amount paid to the *Yukon Sun* during the current fiscal year for printing forms, &c., and in reply beg to say that I note your remarks with reference to this matter, but my attention had not before been called to the quantity of printing that had been given to this paper. Some of it I am certain had of necessity to be printed at Dawson, otherwise very serious loss and inconvenience would have ensued, but as you very well point out there are some items which might have been anticipated and the orders given in the regular way. I need not direct your attention to the fact that often there has been considerable delay in getting the forms printed at the Bureau during their busy season, and possibly if orders had, in this instance, been given in the usual way, it would have been too late for the purpose for which the printing was required. I will, however, communicate at once with the commissioner of the Territory, drawing his attention to the matter and advising him that it is absolutely necessary for him to prepare and forward requisitions to the department long enough ahead to enable us to procure any necessary forms, &c.

I am, sir, your obedient servant,

The Auditor General.

SIR,—I beg to acknowledge the receipt of your letter of the 9th instant in reply to mine of the same date with reference to payments to the *Yukon Sun* for printing forms, &c., at Dawson. In communicating with the commissioner of the Yukon Territory in this matter, as you speak of doing, I have to ask you to emphasize the fact that the procuring of any work of this nature other than through the King's Printer is illegal under sec. 3 of the Public Printing and Stationery Act.

Commission on Gold Dust Paid Canadian Bank of Commerce.

AUDIT OFFICE, OTTAWA, May 8, 1901.

SIR,—In the vouchers received for the expenditure at Dawson during the current fiscal year, I find that Mr. Ogilvie has paid the Canadian Bank of Commerce sums amounting to \$6,313.69 for commissions on gold dust shipped to the Seattle Assay Office. The amount of gold dust deposited with the bank was \$16,084.1 ounces, on which the bank advanced the sum of \$241,261.95 being at the rate of \$15 per ounce. The amount realized by the assay was \$239,743.10, there being a net loss of \$1,518.85. The bank commission of 2 per cent on the amount realized by the assay amounted to \$4,794.84, the amount paid to the bank being made up of this commission and the amount advanced by the bank in excess of the assay returns. I would like a copy of the arrangement made with the bank under which it receives a commission of 2 per cent on the gold dust handled. I would also draw your attention to the amount lost in assay, and would ask what steps are taken to prevent a miner from paying his royalty with an inferior grade of gold dust. I think that, while the commission paid the bank for handling the gold dust is properly chargeable against the appropriation, the loss in the assay should not be so charged but should be made a charge against the revenue. I would, therefore, ask you to apply for a transfer crediting the Yukon appropriation and debiting the revenue with the amount lost by assay.

I am, sir, your obedient servant,

The Deputy Minister of the Interior.

J. L. McDOUGALL, *A.G.*

DEPT. OF THE INTERIOR, OTTAWA, May 27, 1901.

SIR,—In reference to your letter of the 8th instant, asking for a copy of the arrangement made with the bank under which it receives a commission of 2 per cent on the gold dust handled in the Yukon Territory, I have the honour to inclose, herein, copies of the correspondence relating to the matter, including also correspondence showing the steps taken by the department to prevent miners paying royalty with an inferior grade of gold dust. Application has been made for a transfer crediting the Yukon appropriation with \$1,518.85 and debiting the revenue with that amount which was lost by assay.

I am, sir, your obedient servant,

The Auditor General.

P. G. KEYES, *Secretary.*

COMMISSIONER'S OFFICE, DAWSON, Nov 13, 1900.

SIR,—In reply to yours of August 25, file 572694, referring to certain shortages in Assay returns on the gold paid in as royalty, I beg to inclose herewith, for your information, a copy of a report from the comptroller, to myself on that subject.

I am, sir, your obedient servant,

The Minister of the Interior.

WILLIAM OGILVIE, *Commissioner.*

SESSIONAL PAPER No. 1

COMPTROLLER'S OFFICE, DAWSON, Nov. 12, 1900.

SIR,—I am in receipt of a copy of a letter from the department, dated August 25, Ref. No. 572694, together with your letter asking for a report on the question of loss by assay of gold dust paid as royalty. On April 20, 1899, I sent a circular to all the royalty collectors requesting them to use every care and see that gold dust paid as royalty, was free from dust and properly cleaned. Copy of this letter is inclosed. At the beginning of the present season, I purchased magnets, and supplied one for the use of the collectors at each office where royalty was paid, asking them to see that the black sand was removed. It is pointed out in the letter from the department above referred to, that the loss on assay 2,000a, including freight and charges amounted to \$6,683.53. This gold dust was from Grand Forks, and was accepted in payment of royalty on claims on Eldorado Creek, Gold and Cheechacke Hills, and contained a considerable portion of nuggets mixed with quartz; but no more, I would think, than fairly represented the average product of the claim. The gold from Eldorado Creek and Gold and Cheechacke Hills varies very much in value. I inclose statement of the values of gold dust furnished me by the Bank of British North America, showing how assay value differs in the gold produced from the same creeks and benches.

Eldorado, from \$15.50 to \$14.73; Gold and Cheechacke Benches, from \$16 to \$13. From this, there would have to be deducted $2\frac{1}{4}$ per cent for freight and insurance, which was the charge made by the Canadian Bank of Commerce during June. I also inclose statement which I got from the Alaska Commercial Company of assays made by Selby, of San Francisco, of twenty-five different samples taken from the creeks and benches in this district. Although they were very well cleaned, the loss in melt varies from 2 to 4 per cent. Eldorado dust is worth according to this assay, \$14.42. This is without allowing 14 cents for silver which we do not get when sold in Dawson; and there would have to be deducted $2\frac{1}{4}$ per cent freight and insurance, leaving \$14.10, for what I am informed was a fair sample of the gold of this creek. I inclose a copy of a letter from Sgt. Marshall (who had charge at Grand Forks) to Inspector MacDonell, in reply to inquiries made by me on this subject. Dealing with the third paragraph, assay 2,000, Q. realized a gain of \$1,325.38. This dust was from Dominion Creek, a glance at the assay statement inclosed will show that Dominion dust averages over \$1.25 per ounce, more than Eldorado. It will thus be seen that the government does not make an actual loss on the royalty collected at Grand Forks, but obtained from the bank a temporary credit of \$15 per ounce, which is more than the dust is worth and this has to be adjusted when the value is determined. Freight and insurance was charged on all dust assayed up to the time that I was instructed by telegraph, dated June 25, from the Honourable Minister of Finance, to warehouse the gold and wait the result of the tenders which were called for at Ottawa. The result of the first shipment disposed of under this tender has been returned to the department in my letter of credit statement for September. I wish to point out that a very large proportion of the royalty was paid in currency this season, almost altogether so, on Gold Run, Dominion, Hunker, Sulphur and Upper Bonanza; these being the creeks that produce the most valuable gold. The payment of royalty is accepted at the rate of \$15 per ounce. It has been considered advisable to accept currency rather than compel dust to be paid, as that would necessitate the employment of a gold dust expert on each creek, and could not be attended to by the non-commissioned officers of the North-west Mounted Police; in fact, I have yet to see the man in Dawson who can tell the product of the different creeks with any certainty.

I am, sir, your obedient servant,

(Sgd.) J. T. LITHGOW,

The Commissioner of the Yukon Territory.

Comptroller.

DEPT. OF FINANCE, OTTAWA, July 12, 1900.

SIR,—Referring to my letter to you of the June 25, I have now to confirm the following message sent you this day:—

‘Have accepted tender Bank Commerce for handling our gold this season. Deliver to that bank all gold at approximate value subject readjustment. Am writing fully.’

For your information I inclose a copy of Mr. Fielding's letter to the Bank of Commerce calling for their tender, and also a copy of the bank's reply. The terms thereof are, I think, sufficiently explicit to enable you to carry out this feature of our business at Dawson. The gold is to be deposited with the Bank of Commerce at an approximate value (\$15 an ounce seems to have been the rate in the past) and the receipts and draft for the amounts so deposited are to be sent out with as little delay as possible. When the returns of the assay value come in from the assay office you are to satisfy yourself as to the accuracy and correctness of the bank's statements as per assay office certificates. The bank's commission of 2 per cent is then to be deducted; the account adjusted; and the receipt and draft for the balance forwarded in the usual course. I have received your message of the 6th instant, advising me of the revenue for June as \$434,000. I need hardly remind you of the necessity of keeping the royalty revenue for 1899-1900 and 1900-1901 distinct.

I am, sir, your obedient servant,

The Comptroller of the Yukon territory.

J. M. COURTNEY, *D.M. of F.*

THE CANADIAN BANK OF COMMERCE, TORONTO, July 6, 1900.

DEAR SIR,—Referring to your letter of 22nd and 25th ultimo regarding the percentage at which we would be willing to purchase gold from the government at Dawson under the terms set forth in your letter of 22nd, we beg to state that we are willing to purchase gold hereafter with a deduction of two per cent from the net assay value, such deduction to be in full of all charges and services in connection with the purchase of such gold.

Yours truly,

The Minister of Finance.

B. F. WALKER, *General Manager.*

Living Allowance Paid Yukon Officials While Travelling to Ottawa.

AUDIT OFFICE, OTTAWA, May 17, 1901.

SIR,—I find from the statement of expenditure at Dawson during the month of March, under letter of credit that Mr. H. E. Baine, one of the draughtsmen employed at Dawson, received an advance of \$400 on March 9th for travelling expenses. On the same date he received \$400 as salary and living allowance from March 1st to April 30th at \$200 per month including six weeks' leave of absence from March 20th. Mr. Baine appears to have left Dawson for Ottawa on March 16th, arriving at his destination on April 9th. During this time his travelling expenses, including board and lodging *en route* were paid out of the \$400 received for travelling expenses. The \$200 paid Mr. Baine monthly is made up of \$50 on account of salary and \$150 for board and lodging allowance. I am of the opinion that this allowance should only be paid while the employees are actually in the Yukon Territory. Accordingly Mr. Baine should be paid board allowance for only the first fifteen days of March, his full expenses when travelling being paid from that date. The payment of salary in advance is also

SESSIONAL PAPER No. 1

irregular, as no salary should be paid in advance of the regular pay day, that is in this case, before the end of each month. I would also ask under what regulations Mr. Baine is allowed six weeks' leave of absence.

I am, sir, your obedient servant,

The Deputy Minister of the Interior.

J. L. McDOUGALL, A.G.

DEPT. OF THE INTERIOR, OTTAWA, May 21, 1901.

SIR,—I have the honour to acknowledge the receipt of your letter of the 17th instant, in reference to the payment of living allowance to Mr. H. E. Baine, and at the same time allowing his living expenses while travelling, and in reference thereto, I am to inform you that immediately the statement of expenditure for March was received from Dawson, Mr. Baine's attention was called to the matter and a refund of the living allowance from the time he left Dawson will be made at once. A copy of your letter has been sent to Mr. Lithgow for his information and guidance respecting the payment of salaries in advance of the regular pay day.

I am, sir, your obedient servant,

The Auditor General.

P. G. KEYES, *Secretary*.

AUDIT OFFICE, OTTAWA, Dec. 21, 1901.

SIR,—I find that Mr. W. R. Hamilton, an employee in the Gold Commissioner's Office at Dawson, appears to have been away from that office from October 1, 1900, to February 1, 1901, on leave. He was allowed his salary and living allowance to November 16, from which date until February 1, he drew neither pay nor living allowance. Mr. Hamilton appears to have left Dawson for Ottawa on November 5, receiving \$225 as an advance for his travelling expenses, the balance amounting to \$2.60 being paid at Ottawa, his travelling expenses covering his living expenses throughout his journey. I do not think that he is entitled to his living allowance for this period, when he was absent from Dawson and when his travelling expenses were paid by the government. This case seems to be similar to that of Mr. Baine, who was called upon to refund the amount paid him for living expenses when away from Dawson.

I am, sir, your obedient servant,

The Deputy Minister of the Interior.

J. L. McDOUGALL, A.G.

DEPT. OF THE INTERIOR, OTTAWA, Dec. 28, 1901.

SIR,—I have the honour to acknowledge the receipt of your letter of the 21st instant, in which you point out that Mr. W. R. Hamilton should refund an overpayment of living allowance made to him last year, and in reference thereto, I may say that this refund was made in September last, per Bank Draft No. 2472, for \$137.20; the amount was included in Statement No. 5, sent to the Finance department on September 27, 1901, and was placed to the credit of Casual Revenue.

I am, sir, your obedient servant,

The Auditor General.

P. G. KEYES, *Secretary*.

Living Allowance at Dawson, paid Yukon Officials while travelling on trips of Inspection.

AUDIT OFFICE, OTTAWA, May 14, 1901.

SIR,—I beg to call your attention to the correspondence on the subject of the payment of living allowance to certain officials at Dawson while absent upon trips of inspection, a copy of which will be found on pages L-95, 96, 97 of my last report, and more particularly to your letter of January 14, 1901, in which you say that 'it has now been decided that the regular monthly allowance that is paid officials for living and lodging expenses must cease when these officials are absent on business and that for the time they are so absent they shall receive instead the allowance which is paid mining inspectors, namely, thier actual travelling expenses. If any amount in excess of this has been paid it will have to be refunded.' I notice that in the accounts of this year, various trips have been made by the officials, the expenses of which are paid in full, while at the same time they are receiving their regular board allowances. Kindly inform me what refunds have come to hand, either for the past fiscal year or for the present year for board allowances thus drawn in excess.

I am, sir, your obedient servant,

The Deputy Minister of the Interior.

J. L. McDOUGALL, A.G.

DEPT. OF THE INTERIOR, OTTAWA, May 20, 1901.

SIR,—Referring to your letter of the 14th instant, regarding the payment of living allowances while officials are away from Dawson, I beg to say that I quite approve of the position taken by you, that where officials have been given leave of absence to visit their homes in the east, or to visit the east on business, the living allowance should cease. I find, however, that there are many cases where officials have to leave Dawson to go up the creeks for a few days at a time in the discharge of their duties, and I am of the opinion that it would be very hard to make a cast-iron rule that in these cases a deduction should be made in their regular living allowance, as in most cases, if not all, the arrangement made by the officials with the hotels or other persons with whom they board or have lodgings provides for continuous living, and the fact of their being absent for a few days will not permit them to get a credit for the period of such absence. I appreciate the difficulty with regard to this matter and quite approve of the suggestion that the department should not pay double allowance for expenses,—that is, to pay travelling and living expenses to an official while he is travelling on government business and grant him at the same time the usual living allowance. In many cases, however, it seems to be impossible to overcome the difficulty, and in order to show you how difficult it is in this case I inclose you a copy of a letter received from Mr. Senkler, the gold commissioner, on the subject. I think possibly that it might be well to make a rule that the living allowance can only be allowed during the temporary absence on business connected with the department for say four or five days, and leave the matter to the commissioner to decide. I was not aware until my attention was drawn to the fact recently, that the comptroller undertook to grant living allowances to officials who had leave of absence to come east, and I quite agree with what you say in this connection. There can be no possible justification for such an allowance in these cases, and I will see that the amount so allowed is properly credited.

I am, sir, your obedient servant,

The Auditor General.

JAS. A. SMART, D.M.I.

SESSIONAL PAPER No. 1

OFFICE OF THE GOLD COMMISSIONER, DAWSON, Y.T., February, 15, 1901.

SIR,—I have been sent by Mr. Ogilvie a copy of departmental letter to Mr. McDougall, the Auditor General, dated the 14th ultimo, in which it is stated that the regular monthly allowance which is paid officials for living and lodging expenses must cease when these officials are absent on business. I beg to state that in the generality of cases the officials in Dawson have a regular monthly arrangement with the people with whom they board, and that in cases where they are away for a few days they still have to pay the same amount monthly. This is especially the case where some few of the officials keep house together; the expenses of keeping house still goes on and amounts to the same whether they are away for a few days during the month or not. In the case of Mr. Lithgow and myself we have often to go upon the creeks on business; he in order to inspect the officers, myself to make personal examinations of properties in dispute in my court, especially in cases of boundary disputes. I find that it is a great help in coming to a conclusion to make a personal examination of the ground.

The amount allowed at the present time is not sufficient to cover our expenses, and if in addition to the house expenses I would have to pay the expense I would be put to in going out upon the creeks, there would be a considerable increase in my monthly output. I do not think that it is just that we should be put to this extra expense. When I was in Ottawa last summer I spoke to Mr. Smart on the question of allowance, and I believe it was his intention from what he said to me that the head officials should be allowed \$125 a month instead of \$100, as allowed at the present time. The actual cost that myself, Mr. Lithgow and Mr. Gosselin are put to per month amounts to more than \$125 a month each.

I am, sir, your obedient servant,

E. C. SENKLER,

Gold Commissioner.

The Secretary, Dept. of the Interior.

Advertisements not to be inserted oftener than three times in weekly papers.

AUDIT OFFICE, OTTAWA, July 11, 1901.

SIR,—Yukon cheque No. 18, issued on July 27, 1900, is for the payment of \$16 to the publisher of the *Embryo Courier* for 4 insertions of a 64 line advertisement *re* Mining claims in the Yukon at 10 cents and 5 cents a line. It appears to me that the *Courier* should not have been paid more than \$12.80, as weekly papers are allowed only three insertions. I would point out that *La Tribune* of St. Hyacinthe was allowed for only three insertions though it charged for eight insertions of the same advertisement.

I am, sir, your obedient servant,

The Deputy Minister of the Interior.

FREDERICK HAYTER, *for A.G.*

DEPT. OF THE INTERIOR, OTTAWA, August 27, 1901.

SIR,—In further reference to your letter of the 11th ultimo, in which you point out that Yukon cheque 18 issued on July 27, 1900, for \$16, to the publisher of the *Embryo Courier*, was for four insertions of a 64 line advertisement *re* Mining claims in the Yukon, at ten cents and five cents a line, I am to inform you that the matter has been submitted to the King's Printer who has corrected the account which now reads three insertions, &c., at ten cents and seven and one-half cents per line, which makes the account correct at \$16.

I am, sir, your obedient servant,

The Auditor General.

Overpayment to Yukon 'Sun' for advertising.

AUDIT OFFICE, OTTAWA, December 16, 1901.

SIR,—The following item appears in an account rendered on May 31 last, by the *Yukon Sun* for printing and advertising done for the Gold Commissioner's office during that month :—

May 30, 4-inch advertisement, 10 issues at \$1.75 per inch..... \$70 00

The item in question, which is a notice with regard to representation of placer mining claims, was first inserted on April 24, and appears to have been published twice a week through the months of May and June. In the April and June accounts it is charged as a 3-inch advertisement, and the copy of the advertisement attached to the account in question only measures three inches instead of four as there charged. There thus appears to have been an overpayment made to the *Yukon Sun* of \$17.50. Kindly have this adjusted at your earliest convenience.

I am, sir, your obedient servant,

The Deputy Minister of the Interior.

J. L. McDougall, A.G.

Travelling Expenses of H. McKinnon to be refunded by Territorial Government.

AUDIT OFFICE, OTTAWA, Dec. 24, 1901.

SIR,—In March last, an advance of \$200 was made from your Yukon Appropriation to Hugh McKinnon on account of travelling expenses to Dawson, from which he presumably paid his travelling expenses as far as Victoria. From Victoria to Dawson he travelled with the commissioner's party and his expenses were paid by the commissioner. I understand that Mr. McKinnon was appointed to assist the license inspector, and that his salary is paid from the local revenues. A refund was made of the \$200 advanced and was credited to your appropriation. No refund, however, appears to have come to hand for that part of his expenses which was paid by the commissioner. As Mr. McKinnon is altogether a local officer, I think that a refund should be made from local revenues of the balance of his expenses to Dawson.

I am, sir, your obedient servant,

The Deputy Minister of the Interior.

Commission on Sale of Claims to Sheriff Eilbeck.

AUDIT OFFICE, OTTAWA, Dec. 21, 1901.

SIR,—I beg to draw your attention to the following payments made during the last fiscal year by the Gold Commissioner at Dawson to R. J. Eilbeck, sheriff of the Yukon Territory, as commissions on sales of reserved and reverted claims during the months of July, August, September October and November, 1900. The July sale apparently occupied only one day. The gross amount of the sales was \$25,958, on which Mr. Eilbeck's commission at 3 per cent amounted to \$778.74. The August sale also occupied but one day, the amount realized being \$6,129, on which Mr. Eilbeck's commission at 3 per cent was \$183.87. The September sale, which also occupied but one day, realized \$2,425, on which Mr. Eilbeck's commission at 3 per cent was \$72.75. The October sale occupied two days, the amount realized being \$19,157 and Mr. Eilbeck's commission at 3 per cent \$574.71. The November sale occupied about nine days, the amount realized being \$57,065, and Mr. Eilbeck's commission at 2 per cent being \$1,141.50, making his total commission on the sales \$2,751.37.

SESSIONAL PAPER No. 1

Mr. Eilbeck received during the last year \$3,000 as salary as sheriff and \$1,800 as living allowance. I am of the opinion that the payment for these sales should, under any circumstances have been much smaller and particularly in view of the fact that he was receiving full pay for all his time in his salary as sheriff.

I am, sir, your obedient servant,

The Deputy Minister of the Interior.

J. L. McDOUGALL, A.G.

Advertising and Printing at Banff not certified by King's Printer.

AUDIT OFFICE, OTTAWA, November 21, 1901.

SIR,—I beg to return herewith the following accounts forwarded to this office on account of advances made to Mr. H. Douglas, Superintendent of Rocky Mountain Park for the year 1900-1901 :

August, National Park <i>Gazette</i> —printing, etc.....	\$ 8 75
December, Crag and Canyon—advertising and printing....	11 00
January, Crag and Canyon—advertising.....	10 00
February, Crag and Canyon—advertising.....	10 00
March, Crag and Canyon—advertising and printing....	11 25

These accounts bear no certificate from King's Printer as required by the regulations governing advertising for the various departments, and I would ask that copies of the advertisement be obtained and the accounts submitted to the King's Printer for examination and approval.

The Deputy Minister of the Interior.

Payments should not be made even temporarily from an appropriation for which they were not intended.

AUDIT OFFICE, OTTAWA, June 6, 1901.

Sir,—I am in receipt of your application for a transfer entry charging Half-Breed Commission with certain cheques issued from the vote for Dominion Lands Income.

Kindly inform me why these cheques were issued from the vote for Dominion Lands as your officers must apparently have known at the time that they were not properly chargeable against that vote.

I am, sir, your obedient servant,

The Deputy Minister of the Interior.

J. L. McDOUGALL, A.G.

DEPT. OF THE INTERIOR, OTTAWA, June 10, 1901.

SIR,—I beg to acknowledge the receipt of your letter of the 6th instant, in which you ask why certain payments made in connection with the Half-Breed Commission were charged to the Dominion Lands Income vote, and in reference thereto, I would say that the work of the Commission extended beyond the time estimated as being required to complete their work, and the sum voted was in consequence insufficient. \$5,000 was allotted temporarily from the vote for 'unforeseen expenses' but even that

sum proved inadequate to enable the department to meet the current expenses, and before the sum placed in the Supplementary Estimates for the purposes of the Commission became available, it was necessary to do what was done in 1898-99, that is, to issue cheques out of the Dominion Lands vote, and afterwards recoup the amount out of a special sum placed at the disposal of the department. There was no other way of meeting the demands of the service in this case, and I felt justified, in view of the supplementary vote for the commission having been practically agreed to and the absolute necessities of the case, in authorizing payment from Dominion Lands Contingencies of all of the salaries and living expenses of those engaged in this work.

I am, sir, your obedient servant,

The Auditor General.

AUDIT OFFICE, OTTAWA, June 15, 1901.

SIR,—I am in receipt of your letter of the 10th instant in connection with certain payments on account of Half-Breed Commission which were made from the vote for Dominion Lands Income. In reply I beg to say that an appropriation can only be used to make such payments as are properly chargeable against that appropriation, and cannot be drawn upon to supplement another appropriation even with the expectation that a transfer of the amount will be made when money is available. I have accordingly to ask that in future no cheques be drawn against any appropriation to which the accounts are not properly chargeable.

I am, sir, your obedient servant,

The Deputy Minister of the Interior.

From these vouchers it appears that each payment has been charged twice and thus Mr. Desmeules has been overpaid \$52.84. Please cause a refund to be made.

The Deputy Minister of the Interior.

Accounts for Surveys at West Dawson not Properly Certified.

AUDIT OFFICE, OTTAWA, May 14, 1901.

SIR,—On March 8th last, a payment was made by Mr. Ogilvie, at Dawson, to Chas. M. Wendworth, of \$633.90. This was for the cost of a survey of cabins and lots in

SESSIONAL PAPER No. 1

West Dawson town site, made in 1899, by C. L. W. Barwell, D.L.S., the items being as follows:—

To survey and plans of cabins on West Dawson town site..	\$200 00
“ consultation with Mr. Ogilvie.....	50 00
“ lot survey as per Mr. Ogilvie’s instructions.....	350 00
“ paid saw mill for stakes.....	33 90
	<hr/>
	\$633 90

There is no certificate on these accounts that the services have been performed and that the prices are fair and just, the only approach to a certificate being the words: ‘Approved, Wm. Ogilvie.’ The item of \$33.90 paid to the saw-mill for stakes should be supported by a receipted account from the firm from whom the stakes were procured. This voucher is accompanied by an affidavit made by Mr. Woodworth, but it does not appear clear to me why the costs of these services have been repaid to Mr. Woodworth after having been paid by him originally. I would like to have a certificate to the effect that the services were duly authorized, that the work was performed and that the prices were fair and just. I would also like an explanation why it is at this day made a charge against the Dominion government.

I am, sir, your obedient servant,

The Deputy Minister of the Interior.

J. L. McDOUGALL, A.G.

DEPT. OF THE INTERIOR, OTTAWA, May 29, 1901.

SIR,—I have the honour to acknowledge the receipt of your letter of the 14th inst., in which you ask an explanation respecting the payment of \$633.90 made on or March 8th last, by Mr. Ogilvie, at Dawson, to Chas. M. Woodworth for the cost of a survey of cabins and lots in West Dawson townsite, made in 1899 by C. L. W. Barwell, D.L.S. The circumstances under which this payment was made are briefly as follows:—

On June 23, 1897, G. B. Johnston *et al.*, made application to the department to purchase 160 acres of land for agricultural purposes opposite Dawson, at what is commonly called West Dawson. They had a survey made of the land and the purchase price was to have been \$3 per acre. Subsequently, a fever epidemic broke out in Dawson and a large number of people moved across the river and built cabins on the land which Johnston had under cultivation. He remonstrated with them without avail, since they claimed that the government authorities had ratified their action, and in fact had ordered them to go there. Mr. Johnson then made a claim against the government for damages which he assessed at \$5,000. Following this, Mr. Ogilvie arranged with Mr. Johnson and his attorney, Mr. Woodworth, that a grant of the land would be made to them, provided they would relinquish all claim for damages against the government, pay \$10 per acre for the land, and deal as leniently as possible with the occupants. A system of survey was devised by Mr. Ogilvie, arranged to create as little disturbance as possible to the occupants, and Mr. Barwell, a Dominion Land Surveyor, was employed by Mr. Woodworth to make the survey on the ground. It cost \$633.90. After every means had been exhausted to arrive at a settlement with the occupants and without success, Mr. Woodworth, who in the meantime had purchased all rights to the land from his client, took the ground that he should not be put to the expense of ejection proceedings, and to settle the difficulty he agreed to abandon all claims to the land provided the actual cost of the survey were refunded to him. In view of the complicated circumstances, it was thought advisable to make the refund, and thus place the department in a position to sell

the lots to the persons in occupation. Mr. Woodworth furnished an affidavit in triplicate regarding the payment made by him to Mr. Barwell, D.L.S., for the cost of the survey, together with a receipted account from Mr. Barwell, and on March 8 last, a payment of \$633.90 was made to him by Mr. Ogilvie. The application to purchase has been cancelled and the returns of the survey made by Mr. Barwell have been handed over to the Examiner of Surveys at Dawson. The Commissioner of the Yukon Territory, or the Examiner of Surveys may, if you consider it necessary, be requested to certify that the work was performed, and that the prices were fair and just. It is evident from the circumstances which I have related that they will be ready to give the certificate. They may also, if you wish, certify that the services were authorized in the manner which I have explained.

I am, sir, your obedient servant,

The Auditor General.

Pay-lists should be submitted to Audit office for all officials at Ottawa not paid from Civil Government Contingencies.

AUDIT OFFICE, OTTAWA, June 6, 1901.

SIR,—I am in receipt of your application for a transfer entry charging Dominion Lands, salaries of extra clerks at head office with \$800 for cheques issued from Dominion Lands, Income Salaries, to pay the salaries of Messrs. W. W. Cory and R. Patching. Before passing this entry I would ask in what capacity and under what authority these officers are employed at head office, and also why the pay-lists were not forwarded to this office in accordance with treasury minute of November 29, 1895, which provides that 'All departmental employees at Ottawa (other than those extra clerks and messengers who are paid from civil government contingencies, and labourers and mechanics) be paid on pay-lists certified by the Auditor General before payment.'

I am, sir, your obedient servant,

The Deputy Minister of the Interior.

J. L. McDOUGALL, *A.G.*

DEPT. OF THE INTERIOR, OTTAWA, June 10, 1901.

SIR,—I beg to acknowledge the receipt of your letter of the 6th instant, in reference to the transfer of the salaries of Messrs. Cory and Patching from Dominion Lands Income Salaries to the vote for extra clerks at Head Office. These officers were appointed by the Minister of the Interior. Mr. Cory's duties are to superintend the issue of patents for railway lands and Mr. Patching is his assistant. The accountant informs me that the reason the pay-lists were not forwarded to your office was that he understood their duties formed part of the work connected with the office of the Commissioner of Dominion Lands, and their names were therefore included in the Dominion Lands Outside Service pay-list; these lists are never I understand submitted to you for approval. As the work is purely one in connection with Dominion Lands and of a special character, I fancy the department might have considered these clerks in the Outside Service, but it was decided to make special provision for the particular service, and hence a vote was obtained to provide for it and a transfer is asked of the sums charged to the Dominion Lands Outside Service Salaries vote.

I am, sir, your obedient servant,

The Auditor General.

JAS. A. SMART, *D.M.I.*

SESSIONAL PAPER No. 1

AUDIT OFFICE, OTTAWA, June 15, 1901.

SIR,—I am in receipt of your letter of the 10th instant with reference to the transfer of the salaries of Messrs. Cory and Patching from Dominion Lands Income Salaries, to the vote for Dominion lands, salaries of extra clerks, &c. In reply, I beg to say that the Treasury Minute of November 29, 1895, is applicable to all officers at Ottawa, other than those paid from Civil Government Contingencies, and labourers and mechanics, and that in future pay-lists should be sent to this office for these persons as well as for all temporary employees serving at Ottawa.

I am, sir, your obedient servant,

The Deputy Minister of the Interior.

J. L. McDOUGALL, A.G.

Error in adjustment of R. C. Kisley's expenditure for Moose Mountain Fire Guard.

AUDIT OFFICE, OTTAWA, Dec. 21, 1901.

SIR,—I beg to call your attention to a payment of \$99.06 made on August 31st last, to R. C. Kisley, Dominion Lands Agent at Alameda, as balance of expenditure in connection with the Moose Mountain Fire Guard. The statement of account on which this payment was made, and which appears to have been prepared in your department, is as follows :—

June 29, 1900.—To balance.....	\$112 88	
“ “ Cheque No. 3954.....	400 00	
Dec. 30, 1900.—By disbursements.....		\$246 75
Jan. 31, 1901 “ “		365 19
Balance.....	99 06	
	<hr/>	<hr/>
	\$611 94	\$611 94

The entry of \$246.75 for disbursements up to December 30, is supported by a pay-list covering the period between November 10 and December 8, 1900. The disbursements covered by the January statement embrace identical payment for wages up to December 8, which are supported by separate receipts dated in the early part of December, and in addition sundry payments for board, livery, &c. In this way the agent has been given credit for the amount of the pay-lists, viz. : \$246.75, a second time ; and, instead of there being a balance of \$99.06 due him at the end of the operations, the agent should have deposited \$147.69 to the credit of the Receiver General. Mr. Kisley has thus been overpaid the amount of \$246.75. I have to ask that you obtain a refund of this amount at your earliest convenience.

I am, sir, your obedient servant,

The Deputy Minister of the Interior.

J. L. McDOUGALL, A.G.

DEPT. OF THE INTERIOR, OTTAWA, January 3, 1902.

SIR,—I have the honour to acknowledge the receipt of your letter of the 21st ultimo, in reference to the expenditure connected with the Moose Mountain Fire Guard, and in answer to your request that a refund of the balance unexpended be made as early as possible, I am to inform you that the agent of Dominion lands at Alameda deposited \$246.75 on November 25, being the balance outstanding on June 30 last ; the bank receipt was sent to the Finance Department with the Casual Revenue Statement No. 9, dated December 3, 1901.

I am, sir, your obedient servant,

The Auditor General.

P. G. KEYES, *Secretary*.

Re Redemption of Scrip.

AUDIT OFFICE, OTTAWA, May 1, 1901.

SIR,—The sales reported by the Agent at Lethbridge for the month of December last amounted to \$10,849.39 in acquittance of which \$33.03 in cash and \$10,816.36 in scrip was returned.

I inclose four counterfoils of receipts issued during the month, all for surface and coal rights and all covered by scrip, as follows :—

28270	Dec. 20—Johnny Montalbetti, Blairmore.	\$3,200 00
28271	“ Francis Rochett, Blairmore.	3,200 00
28272	“ A. Comb. Barebeau, Blairmore.	1,600 00
28275	Dec. 22—D. Wannamougher, Blairmore.	520 00

Please let me know what means you have of determining that the agent did not receive these amounts in cash and substituted scrip therefor. The words 'By mail' are entered in the counterfoils instead of the signature of the payer. I have to ask that the letters in question be furnished. When remittances are received by an agent, the accompanying letters should be furnished.

I am, sir, your obedient servant,
The Deputy Minister of the Interior. J. L. McDOUGALL, A.G.

DEPT. OF THE INTERIOR, OTTAWA, June 6, 1901.

SIR,—In reference to your letter of the first ultimo wherein you desire to know what means this department has of determining that the Agent at Lethbridge did not receive certain amounts in cash and substitute scrip therefor, I have the honour to inclose herein a copy of a letter just received from the Agent of Dominion Lands in reference to the matter and also the letters in cases where the scrip was remitted to Lethbridge by mail.

I am, sir, your obedient servant,
The Auditor General. P. G. KEYES, *Secretary*.

DOMINION LANDS OFFICE, LETHBRIDGE, May 21, 1901.

SIR,—I beg to acknowledge your letter of the 7th inst., file No. 123234 (2) inclosing copy of a letter received from the Auditor General, together with four coupons referring to Scrip notes received with my return of December 23, 1900. I return the coupons herewith inclosed and have noted the number and amount of each scrip note and regret very much that this was not done when the return was forwarded to you, and the only reason I can give for the omission is that we were very busy and by an oversight omitted to enter the scrip notes.

The Scrip received for counterfoils Nos. 28270, 28271, 28272 was handed to me by Mr. S. W. Gebo and as the work entailed therewith was considerable and Mr. Gebo had other matters to attend to while in town I asked him to call later in the day and sign the counterfoils and obtain the receipts, but unfortunately he did not call at the office again, and when my assistant made out the cash statement and found the coupons not signed he thought the amount had been received by mail and made a note accordingly. I have obtained Mr. Gebo's signature to the coupons, and inclose a certificate from him that the scrip was handed to me on the date named.

I inclose coupon No. 28275 with the Scrip notes and amount of each noted thereon and I also inclose a letter dated December 19, from Mr. A. W. McVittie asking me to call at the Union Bank and obtain \$400 worth of scrip, and a letter from same gentleman, dated December 20, inclosing order for scrip for \$120 and cheque to purchase scrip to the value of \$400. In this connection, I beg to report that in no case have I ever received directly or indirectly any pecuniary or other benefit as a commission on scrip and when I purchased the scrip for Mr. McVittie, who was acting for Daniel Wannamaugher, I did so to accommodate him and as your circular letter of March 24, 1900, directs me, that when payment is tendered at my office in the purchase of Dominion lands, I am to notify the person making the payment, that scrip or cash, as the payer may wish will be accepted, I consider that I was acting in accordance with the wish of the department when I called at the bank for the scrip for Mr. McVittie.

I am, sir, your obedient servant,

A. J. FRASER, *Agt. Dom. Lands.*

Re \$1,615 stolen from Grand Forks Office.

AUDIT OFFICE, OTTAWA, Dec. 4, 1901.

SIR,—I find upon examination of the returns from Grand Forks for the month of May last, that there is a deficiency of \$1,615.

There is an item on the Gold Commissioner's summary for June which reads : 'By amount stolen from Grand Forks Office, May, 23, 1901.'

There is also a note on the Departmental Summary for June as follows : '\$1,615 short Gold Commissioner's statement—see correspondence attached.'

I have to ask you to be good enough to furnish any correspondence and affidavits you may have in relation to this matter.

I am, sir, your obedient servant,

The Deputy Minister of the Interior.

JOHN GORMAN, *for A.G.*

DEPT. OF THE INTERIOR, OTTAWA, Dec. 13, 1901.

SIR,—I have the honour to acknowledge the receipt of your letter of the 4th inst., in which you ask to be furnished with correspondence and affidavits relating to the

SESSIONAL PAPER No. 1

money stolen from Grand Forks Office, and in connection therewith, you will find inclosed, herein, the copies which you require.

I am, sir, your obedient servant,

The Auditor General.

P. G. KEYES, *Secretary.*

DEPT. OF THE INTERIOR, OTTAWA, November 29, 1901.

SIR,—In accordance with your instructions I made inquiry into the above matter, and found the facts to be about as stated in the correspondence in relation thereto, now on file in the department.

Some time subsequent to the robbery, the police arrested a young man, who at the time of the robbery was one of the assistants in the office robbed. I inclose you herewith a copy of the depositions taken at the preliminary hearing of the case, which was dismissed, as there was not sufficient evidence to sustain the charge.

I visited Grand Forks and interviewed Sergeant Raven, of the North-west Mounted Police, who had charge of the matter, but he informed me that although the police had made every endeavour, they have been utterly unable to discover the robber or recover any part of the money stolen.

He stated to me, in addition, that he was perfectly satisfied that Mr. A. C. Robertson, the mining inspector in charge of the office, had no knowledge of, or part in the robbery. I am of the same opinion, but I do think he showed gross ignorance in the duties of his office in allowing so many people to know the combination of the safe. In his evidence at the above investigation, he swore that at least one Latimer, one Spence, and the accused, all knew the combination, and he informed me that he had personally supplied each of these men with it. His excuse for so doing was that he had received no instructions in regard to the duties of his office; that he found the assistants in possession of the combination when he took charge, and that he therefore thought it was proper for them to know it.

I am, sir, your obedient servant,

W. W. CORY, *Inspector of Government Offices.*

The Deputy Minister of the Interior

OFFICE OF INSPECTOR OF MINES, GRAND FORKS, May 24, 1901.

SIR,—I have to report to you that during the night of May 23 the safe, a four-number combination, in this office was rifled of its contents.

I closed the office myself on the 23rd, about 9.15 p.m., and locked the safe securely, as well as the office door. On returning to the office about 8 a.m. on the 24th, I found the office door unlocked, but closed, while the safe door stood open, and all its money contents, excepting cheque for \$200, payable to W. K. Latimer as salary, \$30 in gold coin, and \$2 bill and one 50 cents piece, carried off.

All the papers in the safe had been examined and scattered about the floor.

The drawer in the writing table had also been gone through and a revolver belonging to myself taken.

The only thing in the safe which was not touched was the lower of the three small drawers, which contained my private papers, and gold to the amount of about \$250; this drawer I kept locked, and carried the key myself.

I am, sir, your obedient servant,

The Gold Commissioner, Dawson.

A. C. ROBERTSON, *Inspector of Mines.*

Re Government Official staking or acquiring Mining Claims.

AUDIT OFFICE, OTTAWA, December 18, 1901.

SIR,—An Order in Council was passed March 29, 1899, prohibiting any person employed by the government of Canada in any capacity in the Yukon Territory, staking or acquiring any mining claim.

The following names are entered in the returns as purchasers of mining claims at the auction sales of last summer, of Government Reserve and Reverted Claims : T. H. Hinton, J. W. Willison, W. H. Routledge, W. D. Madden, H. Y. Blankman, F. C. Wade.

Are these persons not debarred from acquiring claims under the Order in Council ?

I am, sir, your obedient servant,

The Deputy Minister of the Interior.

Re Local Revenue, Yukon—Advance to Mr. J. E. Girouard for travelling expenses.

AUDIT OFFICE, OTTAWA, February 18, 1901.

SIR,—On December 4th last, \$1,000 was advanced out of Local Revenue, Yukon, to Mr. J. E. Girouard to pay travelling expenses from Dawson to Ottawa and return.

As Mr. Girouard is Dominion Registrar at Dawson, drawing a salary of \$4,000 per annum with a living allowance of \$100 per month, I have to inquire why there is occasion for an advance from Local Revenue to pay his expenses to Ottawa and return.

I am, sir, your obedient servant,

The Deputy Minister of the Interior.

J. L. McDOUGALL, A.G.

DEPT. OF THE INTERIOR, OTTAWA, March 4, 1901.

DEAR SIR,—I am in receipt of your letter of the 18th ultimo, with reference to the advance of \$1,000 out of local revenue to Mr. J. E. Girouard to pay travelling expenses from Dawson to Ottawa and return.

In reply I beg to say that Mr. Girouard's mission to Ottawa was in connection with a matter of local interest to the council, namely, the payment for a road which was constructed by Mr. T. M. O'Brien. I understand that the Yukon Council sent him as their delegate to interview the government, in order that this claim might be settled, and in doing so passed a vote to him of \$1,000 for the purpose.

This is the only explanation that I am able to give regarding the matter.

Yours very truly,

The Auditor General.

JAS. A. SMART, D.M.I.

AUDIT OFFICE, OTTAWA, May 20, 1901.

SIR,—In your letter of March 4th last you state that Mr. Girouard's mission to Ottawa was in connection with a matter of local interest to the council, namely, the

SESSIONAL PAPER No. 1

payment for a road which was constructed by Mr. T. M. O'Brien.

I am now in receipt of a letter from the comptroller, inclosing a detailed statement of Mr. Girouard's expenses, which indicates that he left Dawson December 4th, 1900, and reached there on his return April 8, 1901.

I have to inquire if he had the authority of your department to absent himself from his duties as registrar; if he was paid his salary as registrar during the time he was away; and who performed his duties during his absence.

I am, sir, your obedient servant,

The Deputy Minister of the Interior.

J. L. McDOUGALL, A.G.

DEPT. OF THE INTERIOR, OTTAWA, May 29, 1901.

DEAR SIR,—I am in receipt of your letter of the 20th instant in which you inquire as to whether Mr. Girouard, the registrar, had authority from this department to absent himself from his office when he came to Ottawa in connection with the O'Brien matter as representative of the Yukon Council, and also asking who performed his duties as registrar during his absence.

In reply, I beg to say that Mr. Girouard was not authorized by this department to come to Ottawa, as far as I am aware, although it would hardly have been necessary under the authority vested in the commissioner for application to have been made here for a leave of absence, as the commissioner has full authority over all the officials in the Yukon. Mr. Aimé Dugas was appointed acting registrar during Mr. Girouard's absence.

Yours very truly,

The Auditor General.

JAS. A. SMART, D.M.I.

COMPTROLLER'S OFFICE. DAWSON, Y.T., April 20, 1901.

SIR,—In my statement of local revenues for the Yukon territory for the quarter ending December 31, an advance was made to Mr. J. E. Girouard, on December 4, to pay his travelling expenses from Dawson to Ottawa and return, \$1,000.

Mr. Girouard has made a return of his expenses showing his expenditure to be \$999.60, and has refunded 40 cents, which has been deposited to the credit of the Local Revenues, April 20.

His account has been approved of by the Commissioner, copy of which I now beg to enclose.

I am, sir, your obedient servant,

The Auditor General.

J. T. LITHGOW, *Comptroller*.

Re Local Revenue, Yukon : Payment to F. X. Gosselin for making assessment of Town of Dawson.

AUDIT OFFICE, OTTAWA, March 8, 1901.

SIR,—On July 17 last, three men were paid \$1,500 each for making an assessment of the town of Dawson, from April 26 to July 10. One of these, F. X. Gosselin,

an officer of your department, being Timber and Land Agent, and drawing a salary of \$150 per month and a living allowance of \$100 per month.

It seems to call for some explanation why the Yukon Commissioner and Council employed a Dominion official to assist in making an assessment of the town of Dawson; how this official could perform his duties as Timber and Land Agent and at the same time make over \$500 per month.

I am, sir, your obedient servant,

The Deputy Minister of Interior.

J. L. McDOUGALL, A.G.

DEPT. OF THE INTERIOR, OTTAWA, March 12, 1901.

DEAR SIR,—I have your letter of the 8th instant with reference to the employment of Mr. F. X. Gosselin, Crown Timber and Land Agent at Dawson, by the local authorities at that place as an assessor, and in which you state that some explanation should be made by the Yukon Commissioner and Council as to the employment of a Yukon official to make an assessment of the town of Dawson, and as to how this official could perform his duties as Timber and Land Agent and at the same time receive over \$500 per month for his services as assessor.

I may say in reply that my impression is, that so far as the department is concerned, it could not take any exception to Mr. Gosselin's employment so long as it did not interfere with his duties as agent. It is presumed that Mr. Gosselin performed the duties in connection with the assessment outside of office hours, although I have no information at all on the subject. There does not, however, appear to me to be any question as to the right of the authorities to employ him and for Mr. Gosselin to accept the position, unless the department had given direct instructions that he should not be so employed. Of course, in this instance there was no opportunity of considering the matter at all as he was employed without reference to the department.

I may add that I have understood that it is not an uncommon thing for officials of the government to be engaged to do any special work, outside of the government service, which does not interfere with the duties of their office, and I do not know that any exception has been taken to it. However, for your information, I will be glad to write to Dawson and ascertain the facts in connection with this matter.

Yours very truly,

The Auditor General.

Re Purchase of Law Books.

AUDIT OFFICE, OTTAWA, Oct. 14, 1901.

SIR,—On January 25th last, Pattullo & Ridley were paid \$552.35 for Law Reports, &c., and on February 1, James Craig was paid \$478 for Law Reports and \$76.84 for freight, insurance, &c., on the same. Please explain why these books were not purchased from Carswell & Co., direct, or from some other regular dealer. The practice of buying anything on government account from others than the regular dealers in such goods is recognized throughout the service as objectionable.

Judge Craig (presumably the same person) was allowed \$350 for freight on his Law Library when moving to the Yukon for the reason that these books would cer-

SESSIONAL PAPER No. 1

tainly be very useful to the judge, and the bar would also have more or less advantage from having these books available. In view of this allowance, explanations should be given why freight is again claimed and allowed. The account covers 94 volumes, for 91 of which \$5 per volume is charged, and for the other 3 a lump sum of \$23. Among these are 16 volumes of Supreme Court Reports. These reports are sold by the Recorder of the Court to the public at \$2.50 per single copy and to Carswell & Co. at \$1.25 per volume, as they order large numbers of them.

In the account of Pattullo & Ridley the number of volumes is not given and consequently there is no means of forming any opinion as to price charged.

The account of Mr. Craig is certified by Judge Dugas as follows: 'The above are the prices of Carswell & Co.'s catalogue and freight added', 'Goods supplied, prices fair and just.' It is not clear whether or not the rate of \$5 per volume covers both the catalogue price and freight. If so, freight should not afterwards be charged, even had the government not previously made an allowance for the freight. Do Carswell & Co., not give a discount on Catalogue prices?

The account of Pattullo & Ridley is certified by Judge Craig, 'Goods received, prices fair and just.'

I am, sir, your obedient servant,

The Comptroller, Yukon Territory.

J. L. McDOUGALL, A.G.

RENFREW, ONT., Oct. 18, 1901.

SIR,—Regarding the purchase from Pattullo & Ridley of \$552.35, all I know is that I understood the books were purchased through Mr. Justice Dugas, who asked me to certify as to the price, which I did. I was also under the impression that the books were purchased by the Yukon Council. The books purchased from myself were some reports in my own library which I brought into the Yukon with me. Mr. Justice Dugas suggested to me that if I had the books I should sell them to the Yukon Council to fill up shortages in the library. They were sold at Carswell's Catalogue prices. I received my cheque from the Yukon Council, and I understood that the books were purchased by the Yukon Council out of a fund which they had for the purpose. The lawyers in the Yukon Territory pay annual fees as well as admission fees, and these fees, I understand, while not kept in a separate account, are yet applied for the purpose of purchasing books. It was out of this fund I understood my account was paid.

As to the charge for freight. While I was allowed \$350 freight on Law Books my freight bill on Law Books was \$565, so that you will see I brought in a very much larger quantity of books than I was allowed freight on. I will be very happy to forego the \$76.84 freight, if the government will make up the additional \$215, which I had to pay on freight, not speaking of wharfage, cartage and other charges. My library, which was an exceedingly large one, was used by the lawyers themselves, and I had to furnish a library at my own expense and keep a housekeeper to keep it clean for the use of the lawyers, while matters of that nature which were required by my brother judge, Mr. Justice Dugas, were all paid for from public funds.

I trust this explanation will be satisfactory.

I am, sir, your obedient servant,

The Auditor General.

JAS. CRAIG.

COMPTROLLER'S OFFICE. DAWSON, Y.T., December 4, 1901.

SIR,—I have the honour to acknowledge receipt of your letter of October 14, in reference to accounts of Pattullo & Ridley, \$552.35, for law reports, &c., and James Craig, \$478, for law reports, and \$76.84 for freight, insurance, &c., on same.

I referred the matter to the Hon. Mr. Justice Dugas, and now inclose a copy of letter from him, also copy of letter from Mr. Charles Macdonald, clerk of the court, dealing with the subject fully.

I have also written to Mr. Justice Craig, who is at present away on leave of absence, sending him a copy of your letter, and asking him to communicate with you direct as to the question of freight, &c.

I am, sir, your obedient servant,

The Auditor General.

THOS. H. HINTON, *Acting Comptroller*.

COURT HOUSE, DAWSON, Y.T., December 2, 1901.

SIR,—Referring to the letter of the Auditor General *re* purchase of books from Judge Craig and Mr. Ridley, I beg to say, in the first place, that I did not know that the council was in any way bound to buy books needed for the court more from Mr. Carswell than anybody else. It will be remembered that the money appropriated for that purpose is wholly the product of the fees imposed on members of the bar, and which the council has decided to apply, in all instances, to the purchase of law books.

As to those bought from Judge Craig, the council took the precaution of obtaining from the clerk of the court, Mr. Charles Macdonald, his certificate as to their value. His letter inclosed explains itself. We did not know, of course, anything about the freight paid thereon by the government. Having bought other books from Mr. Ridley, which came direct, I understand, from Carswell, the council thought that it would be proper to have them valued by Judge Craig, who was kind enough to put the ordinary certificate to the list, and it was thought that no better precaution could be taken, so both amounts were paid.

I may add that it may appear from the east that it would be, in all circumstances, better to address ourselves directly to book sellers when we need books, but from here, where we have had the experience of so many long delays to have orders filled, and where we were so much in need of books such as those we bought, that we were very glad to have the opportunity of obtaining them here, not thinking for a moment that any fault could be found therewith by the Auditor General at Ottawa.

Yours truly,

The Acting Comptroller.

C. A. DUGAS, *per F. M. S.*

COURT HOUSE, DAWSON, Y.T., December 2, 1901.

SIR,—Referring to the books purchased from Messrs. Pattullo & Ridley, I beg to say that this was a consignment of books sent by Messrs. Carswell & Co. to N. F. Hagel, K.C. Mr. Hagel did not take the books, and going over the list, I thought the prices seemed to be these which would have been charged in Toronto, and were, in my opinion, fair and reasonable. Mr. Ridley assured me that the only advance was that of the freight actually paid.

Referring to Mr. Justice Craig's books, they consisted of a set of old Upper Canada and Ontario Reports, and were very complete. The prices paid for them,

SESSIONAL PAPER No. 1

not speaking of freight, seemed the proper ones. As to the question of who paid the freight on any of these books, I know nothing. Both lists of books were badly needed, and were a valuable acquisition to the library. I may say that in particular the Ontario Reports are largely used.

Yours truly,

CHARLES MACDONALD, *Clerk of the Court.*

Hon. Mr. Justice Dugas, Dawson, Y.T.

Re Local Revenue, Yukon Election Expenses.

AUDIT OFFICE, OTTAWA, October 15, 1901.

SIR,—Ordinance No. 33, which fixes the fees for election services, provides that each officer for every mile necessarily travelled in discharge of his duties shall be paid 25 cents.

J. M. Eilbeck delivered thirteen ballot boxes at sundry points between Dawson and White Horse. He was paid for 920 miles—the distance both ways at 25 cents per mile, according to the tariff. Please explain why he was allowed in addition his steam-boat fare, \$95. The White Pass and Yukon route was also paid \$19.50 for transportation, making the whole cost of delivering the thirteen boxes \$344.50.

E. Duval was paid \$953.25 for bringing these thirteen boxes back to Dawson. To make up this amount he was allowed mileage on each box at 25 cents per mile, even when two boxes were brought from the same place. He was paid for 3,813 miles. The ordinance says 25 cents for every mile necessarily travelled. Is it claimed that 3,813 miles were necessarily travelled in collecting these boxes? Presumably these boxes were all collected in one trip for which he should have been allowed mileage both ways. Instead he was paid for thirteen trips one way. This voucher is certified as follows by R. J. Eilbeck, Returning Officer, 'Certified correct and as per agreement. Prices as per ordinance No. 33; boxes delivered to me this day.' It is marked 'approved' by the commissioner and 'examined' by yourself. I have to request that you will furnish reasons for the method of making out the account, so much at variance with the tariff and so unusual in the manner of the charges.

I am, sir, your obedient servant,

The Comptroller, Yukon Territory.

J. L. McDUGALL, *A.G.*

COMPTROLLER'S OFFICE, DAWSON, Y.T., November 11, 1901.

SIR,—I beg to acknowledge receipt of your letter of the 15th ultimo, in reference to amounts paid to J. M. Eilbeck and E. Duval for expenses in connection with the Yukon elections, but as both Mr. Lithgow and Mr. R. J. Eilbeck are out of the country on leave of absence, I have written them inclosing a copy of your letter and asking them to have the matter fixed up when in Ottawa.

I am, sir, your obedient servant,

The Auditor General of Canada.

THOS. H. HINTON, *Acting Comp.*

Re Local Revenue—Yukon.

AUDIT OFFICE, OTTAWA, May 2, 1901.

SIR,—I have lately received a return from Mr. Lithgow, comptroller, of the receipts and expenditure of local revenue for the quarter ended March 31, which shows that the account at the Bank of Commerce is overdrawn to the extent of \$40,777.88.

I am, sir, your obedient servant,

The Deputy Minister of the Interior.

J. L. McDUGALL, *A.G.*

DEPT. OF THE INTERIOR, OTTAWA, May 8, 1901.

SIR,—I beg to acknowledge the receipt of your letter of the 2nd instant, in reference to an overdraft of the Local Revenue account at the Bank of Commerce, Dawson, and I am to inform you that there is no doubt the reason for this is, because the Yukon Council expended upwards of \$100,000 last year for roads and bridges, which amount will be recouped by the Department of Public Works. The money is not available at present, but as soon as the appropriation for that purpose has been released, the matter will be straightened out.

I am, sir, your obedient servant,

The Auditor General.

P. G. KEYES, *Secretary*.

Re Local Revenue—Yukon—Interest paid Bank of Commerce.

AUDIT OFFICE, OTTAWA, February 26, 1901.

SIR,—I have to call your attention to two payments, amounting to \$895.05 made by the Commissioner of the Yukon Territory out of the Local Revenue, to the Bank of Commerce, for interest on overdrawn account.

This overdraft arose from the delay in getting a refund from the Public Works Department for expenditure on roads, bridges, &c. It commenced towards the end of December, 1899, and lasted to August following. During that time the average balance at the credit of the Dominion Government in the Bank of Commerce was over \$150,000, on which no interest is paid.

There is no more reason in the bank charging interest on this account, than there would be in its charging interest on the advances made on Letter-of-Credit account; and it should be called on to refund the amount.

I am, sir, your obedient servant,

The Deputy Minister of the Interior.

J. L. McDOUGALL, *A.G.*

Re Local Revenue—Yukon License Inspector J. D. McGregor.

AUDIT OFFICE, OTTAWA, February 18, 1901.

SIR,—Mr. J. D. McGregor, license inspector was paid his salary of \$200 per month to September 30, 1899, and a living allowance of \$3 per day to September 20, 1899.

In February, 1899, \$1,500 was advanced at Ottawa to this officer for expenses of himself and assistants. No statement has been furnished showing how this amount was expended.

On August 24 he was paid out of the Local Revenue, Yukon, as follows :—

Account for railway fares, &c., from Brandon to Dawson	
and from Dawson to White Horse and return.. . . .	\$ 322 00
Salary for May, June, July and August	800 00
Living allowance for same time.. . . .	480 00

Account of disbursements for officers employed for liquor preventive service :—

Robert Lowe.. . . .	\$ 915 00
W. H. Boyd	1,125 75
E. McKeown.. . . .	1,296 75
	<hr/> \$ 3,337 50

The \$1,500 so far as I can see, was advanced for the purpose which has been met in full by the above payments.

SESSIONAL PAPER No. 1

On October 6, 1900, he was paid the sum of \$1,600 as salary and living allowance for the months of October, 1899, and January, February, March and April, 1900. Mr. H. A. Bliss was paid the same salary and allowance for his services, as acting chief license inspector during the same time.

A statement is required showing how the advance of \$1,500 was expended, what services Mr. McGregor was performing during October, 1899, and January, February, March and April, 1900, and why he was not paid his salary and living allowance for these months until October 6, 1900.

Your early attention is requested.

I am, sir, your obedient servant,

The Deputy Minister of the Interior.

J. L. McDOUGALL, A.G.

DEPT. OF THE INTERIOR, OTTAWA, February 27, 1901.

DEAR SIR,—I am in receipt of your letter of the 18th instant, in which you ask for an explanation with regard to the advance of \$1,500 which was made to Mr. J. D. McGregor, Chief License Inspector for the Yukon Territory, in the month of February, 1899; also for a statement as to what services were rendered by Mr. McGregor during the month of October, 1899, and January, February, March and April, 1900, and why, he was not paid his salary and living allowance for these months until October 6, 1900. In reply, I beg to state that the advance of \$1,500, to which you refer, was paid out of local revenue, and it was understood that Mr. McGregor would account for it to the Yukon council, which I believe he has done.

I may explain that, as far as I know, the reason why Mr. McGregor was paid his salary to the end of October, 1899, was because he came out from Dawson at that time, and he was again paid after January, as he had then resumed the duties of his office in connection with the enforcement of the regulations and the inauguration of the importation of liquor into the Yukon Territory.

However, as Mr. McGregor's salary and expenses are paid from Local Revenue, any information required in this connection would, I presume, be furnished by the Yukon Council.

I am, sir, your obedient servant,

The Auditor General.

JAS. A. SMART, D.M.I.

AUDIT OFFICE, OTTAWA, March 4, 1901.

SIR,—You conclude in your letter of the 27th ultimo, in reply to mine of the 18th, in reference to payment made to License Inspector J. D. McGregor out of the Local Revenue, Yukon, as follows :—

‘However, as Mr. McGregor's salary and expenses are paid from Local Revenue, any information required in this connection would, I presume, be furnished by the Yukon Council.’

You seem to think that the explanations with reference to the finances of the Yukon Council should be made direct to this office. Please let me know if this is your view, so that I may write to the commissioner and have the work go on without interruption. As soon as there is time to discuss the method of procedure with you, I shall do so.

I am, sir, your obedient servant,

The Deputy Minister of Interior.

J. L. McDOUGALL, A.G.

DEPT. OF THE INTERIOR, OTTAWA, March 6, 1901.

DEAR SIR,—I am in receipt of your letter of the 4th instant with regard to the payment made to Mr. J. D. McGregor, Chief License Inspector of the Yukon territory, out of the Yukon Local Revenue. In reply, I beg to state that I am not aware it was intended that this department should assume direct responsibility for expenditure made by the Yukon Council. The accounts, as you probably know, are not sent to this department and consequently are not passed upon by me. However, at any time you thought we could be of any assistance to your office in procuring the information in relation to any matters in connection with the Yukon accounts, I would be only too pleased to obtain the same from the officials having the expenditure under their control at Dawson, so that it may be furnished to you.

Yours very truly,

The Auditor General.

JAS. A. SMART, *D.M.I.*

AUDIT OFFICE, OTTAWA, March 16, 1901.

SIR,—According to your returns it seems that Mr. J. D. McGregor, Chief Inspector of Licenses, left Dawson for the east about the beginning of October, 1899, and reached there on his return in June, 1900.

While Mr. McGregor was in Ottawa in February, 1900, he was advanced \$1,500 by the Department of Interior to pay his expenses and also for the services of assistants in connection with preventive service; and was instructed to account to you for the expenditure connected therewith. You have not furnished to this office any such account of this \$1,500; please do so.

On August 24, 1900, you paid him for:

Travel from Brandon to Dawson, &c.	\$ 322 00
Salary for May, June, July and August	800 00
Living allowance for same time	480 00

Disbursements for assistants:

Robert Lowe.	\$ 915,00
W. H. Boyd.	1,125 75
E. McKeown.	1,296 75
	<hr/> \$3,337 50

Were these the assistants referred to by the department when advancing the \$1,500?

On October 6 you paid him his salary and living allowance for October, 1899, and for January, February, March and April, 1900, amounting in all to \$1,600. From October 1, 1899, to April 18, 1900, Mr. Bliss was paid by you as acting Chief License Inspector at the same rate as Mr. McGregor receives.

I have to ask for full information in connection with these rather complicated payments:—

(1.) Was Mr. McGregor sent east in October, 1889, by authority of your Council?

(2.) Why was payment of his salary and living allowance so long delayed?

(3.) Why was a living allowance of \$120 per month, which may not be too great in Dawson, paid for the time he was in the east, where the cost of living is certainly less than \$4 a day?

I am, sir, your obedient servant,

The Comptroller, Dawson.

J. L. McDOUGALL, *A.G.*

SESSIONAL PAPER No. 1

COMPTROLLER'S OFFICE, DAWSON, April 15, 1901.

SIR,—I have the honour to acknowledge the receipt of your letter of the 16th ult., inquiring into certain payments made to Mr. J. D. McGregor, chief license inspector.

Referring to the advance of \$1,500 from Ottawa to Mr. McGregor, I beg to state that this advance has not yet been adjusted, owing to the fact that Mr. McGregor has accounts for travelling expenses which were held for further inquiry.

Messrs. Robert Lowe, W. H. Boyd and E. McKeown are the assistants referred to who were employed as preventive officers under the direction of Mr. McGregor.

In October, 1899, Mr. McGregor went east to arrange for a more efficient preventive service, he being, at that time, the only officer engaged in the suppression of the illegal importation of liquor into the territory, as well as the illicit manufacture of it.

He was on leave of absence during November and December, 1899, but resumed his duties from January 1, 1900, and was, I understand, in consultation with the government *re* the enactment of more stringent liquor regulations and matters connected with the issue of permits.

He went east for the purpose above referred to, after consultation with the Commissioner, and by his permission. The reason the payment of his salary and living allowance was so long delayed arose from the fact that we were advised that all the moneys received from the issue of liquor permits would be paid at Ottawa and the expenses of the preventive service paid out of that fund; this was subsequently rescinded.

With regard to living allowance being paid at the rate of \$120 per month while east, I beg to say that Mr. McGregor's salary was fixed at \$200 per month and living allowance at \$120 and his actual travelling expenses; but it was not provided that the living allowance should be reduced if out of the territory; consequently, when his account was presented to the Commissioner, he authorized the payment at that rate.

I am, sir, your obedient servant,

The Auditor General.

J. T. LITHGOW, *Comptroller*.

COMPTROLLER'S OFFICE, DAWSON, April 8, 1901.

SIR,—I have the honour to inform you that a statement of the Local Revenues and expenditure of the Yukon Territory for the quarter ended March 31, 1901, has been mailed to you, together with vouchers.

The cheques have also been forwarded, with statement and list of outstanding cheques to the end of the quarter.

It will be noted that there are no vouchers for payments made to Messrs. W. H. Boyd, \$814, and Mr. William Lowe, \$1,102. These gentlemen were employed as preventive officers under direction of Mr. J. D. McGregor, chief license inspector. They did not come to Dawson, and cheque was mailed to Mr. McGregor at Brandon to pay their salaries and expenses; but I have not yet received the vouchers.

Re Local Revenue, Yukon : Expenditure *re* Census.

AUDIT OFFICE, OTTAWA, February 18, 1901.

SIR,—During April and May last \$1,095.80 was advanced to Superintendent Primrose to meet expenses in taking the census. Two vouchers for these advances have since been received—one for \$834 and one for \$253.75, \$8.05 being refunded. A payment to H. C. Rudd of \$85 made May 14, 1900, is entered on both vouchers. He was employed for 9 days at \$12 per day, was paid \$23 on April 19, and \$85 on May 14, as

SESSIONAL PAPER No. 1

shown by his receipts. The total amount is entered on the one voucher ; and \$85 is again entered on the other.

Superintendent Primrose should be called upon to refund this amount.

I inclose copies of the vouchers and the duplicate receipts.

I am, sir, your obedient servant,

The Deputy Minister of Interior.

J. L. McDOUGALL, A.G.

DEPT. OF THE INTERIOR, OTTAWA, May 20, 1901.

SIR,—I have the honour to inclose for your information copy of a letter from Mr. Lithgow in reference to certain advances made to Superintendent Primrose out of the Local Revenue in connection with which, according to your letter of February 18 last, you were under the impression that a duplicate payment had been made to one H. C. Rudd.

I am, sir, your obedient servant,

The Auditor General.

P. G. KEYES, *Secretary.*

COMPTROLLER'S OFFICE, DAWSON, Y.T., April 12, 1901.

SIR,—Please refer to my letter of April 2, file No. 565, replying to your letter of March 7, file No. 480262, respecting duplicate payment of \$85 alleged to have been made to Mr. H. C. Rudd, census enumerator.

I now beg to inclose statement of all advances and expenditures made in taking the census.

On May 8, a cheque was sent to Superintendent Primrose for \$281.80. He retained \$85.30 to pay the expenses at Tagish, and made a return to me showing the amount disbursed for meals, \$168.45, and a cash refund of \$8.05.

There was a receipt from H. C. Rudd for \$85 to balance the advance, and the fact that it was overlooked, that Mr. Rudd had already been paid \$108. When the vouchers came in from Tagish, another cheque was issued for \$85.30 and forwarded to Superintendent Primrose. On Jan. 19, he refunded \$45.80, and there are vouchers still to come in from Dalton Trail, \$39.50. These will be forwarded to the Auditor General as soon as received.

The itemised receipts for the \$85.30 in connection with the expenses incurred in taking the census at Tagish have been paid by police vouchers which were forwarded to Ottawa with the police accounts.

I am, sir, your obedient servant,

The Secretary, Department of Interior.

J. T. LITHGOW, *Comptroller.*

*The prison population was not furnished to this office during the intervening years, from 1888 to 1898.

NOTE BY A.G.—The average cost at Kingston has been computed on an expenditure of \$145,670.99. This amount is obtained by deducting from the total expenditure (\$185,839.89) the sum expended on the binder twine industry (\$40,168.90).

The computation was made on this basis because if the binder twine expenditure had been included the revenue from the same source should have been deducted. It was impossible to arrive at the exact revenue as the output of the year had not been all sold.

Election Commission: Letter of Credit.

AUDIT OFFICE, OTTAWA, December 27, 1900.

SIR,—I have your application of this date for a \$5,000 cheque in favour of Sir John Boyd and Mr. John D. Falconbridge for expenses of the judicial inquiry into certain election matters.

It is evident from Mr. Falconbridge's letter, which accompanies the application, that the writer does not understand the importance which we attach to using the credit as we expect it to be done. Instead of having the amount of the credit transferred bodily to Toronto to be placed to any one's credit and to be used in any way there, it is expected that one uniform procedure is to be followed. The greatest stress is laid upon the continuous use of the two names in the credit, one being a check upon the other. Then it is intended that the cheques drawn upon the credit be made to the order of the public creditor, the only exceptions being for such sums as may be required to be advanced for travelling expenses or other small outlay immediately required.

Mr. Falconbridge should understand that no payments for the services of the members of the commission or himself should be made out of the credit.

Before any further credit is issued Mr. Falconbridge should explain what use has been made of the \$1,000 already paid, and make a statement of the disbursements which are expected to be made from the credit sought and when they are likely to be required.

I am, sir, your obedient servant,

The Deputy Minister of Justice.

J. L. McDOUGALL, A.G.

AUDIT OFFICE, OTTAWA, July 2, 1901.

SIR,—I beg to return herewith your application of December 27, 1900, for a credit of \$5,000 in favour of Sir John A. Boyd and John D. Falconbridge to meet expenses in connection with the Royal Commission respecting alleged election frauds, and the letter from Mr. Falconbridge to the Minister of Justice which was inclosed with it.

In connection with this matter I would call your attention to my letter of the same date as your application, giving my reasons for holding the credit until certain information was furnished to me. As I have not received any reply I presume you have decided not to press for the credit.

I am, sir, your obedient servant,

The Deputy Minister of Justice.

Extra Pay to a Permanent Employee.

AUDIT OFFICE, OTTAWA, June 5, 1901.

SIR,—I beg to ask for explanation of an account rendered by Mr. G. S. Malepart, the accountant at St. Vincent de Paul penitentiary, amounting to \$29.63 for services and expenses in connection with the case of *Lussier vs. The Queen*, submitted to arbitration in June, 1900. In this account Mr. Malepart makes a charge of \$3 a day for five days' services as secretary taking depositions, and it seems to me this charge should have been disallowed by the department in view of the fact that Mr. Malepart is a permanent penitentiary officer employed at a yearly salary.

The department has not the right to increase Mr. Malepart's salary, which is fixed by statute.

I am, sir, your obedient servant,

The Deputy Minister of Justice.

J. L. McDOUGALL, A.G.

SESSIONAL PAPER No. 1

AUDIT OFFICE, OTTAWA, June 25, 1901.

SIR,—I beg to inform you that I have passed your application of the 7th inst., in connection with arbitration award and expenses in the case of *Lussier vs. The Queen*, with the exception of the amounts in favour of Mr. E. R. Cameron, G. S. Malepart, and Miss H. E. Stewart.

These are permanent employees in the government service, and as such come under the operations of the following order in council :—19th August, 1900 : That the provisions of the 9th section of the order in council of 27th July, 1882, which provides amongst other things : ‘ That at any time, if the public service requires it, the heads of departments, or deputy heads, to have the right to call for the attendance of all or any of the officers or clerks at an earlier hour than those named ’ be confirmed.

That no extra salary or additional remuneration of any kind whatsoever be paid to any deputy head, officer or employee permanently employed in the civil service of Canada, unless an amount to provide for the payment has first been specially voted by parliament.

If this order means anything it means that an order which does not mention and which contravenes it is not legal.

I am, sir, your obedient servant,

The Deputy Minister of Justice.

J. L. McDOUGALL, A.G.

DEPARTMENT OF JUSTICE, OTTAWA, June 27, 1901.

SIR,—I have the honour to acknowledge receipt of your letter of the 25th instant, in which you state that you have passed the application of this department of the 6th instant in connection with the arbitration award and expenses in the case of *Lussier vs. The Queen*, with the exception of the amounts in favour of Mr. E. R. Cameron, G. S. Malepart, and Miss H. E. Stewart.

Your objection to these items I understand to be that they contravene the order in council of August 19, 1900, which provides that no extra salary or additional remuneration of any kind whatsoever shall be paid to any deputy head, officer or employee permanently employed in the civil service of Canada, unless an amount to provide for the payment has first been specially voted by parliament.

In reply, I beg to state that it seems to me to be quite clear that these payments would not be extra salary or additional remuneration within the meaning of that order in council, or of the Civil Service Act. They could not properly be so considered even if they were for services rendered to the government, for the services for which the charges are made were certainly not such as at the time of the appointment of the officers in question could legitimately have been intended or expected to be within the scope of the ordinary duties of their offices (*Bradley vs. The Queen*, 27 S.C.R. 657).

But the services in question were as a matter of fact not rendered to the government, but to the litigants in the matter of *Lussier's* claim. So far as the question under discussion is concerned, it is a mere matter of accident that the expense of them, or part of it, is directed to be paid by the government as one of the litigants. The whole amount with the other costs and expenses of the arbitration might have been ordered to be paid by *Lussier*, the claimant.

I am, sir, your obedient servant,

The Auditor General.

A. POWER, Acting D.M.J.

DEPARTMENT OF JUSTICE, OTTAWA, July 3, 1901.

SIR,—Referring to my letter of the 27th ultimo, in reference to your objections to certain items in connection with the arbitration in the case of *Lussier vs. The Queen*, I will be glad to have an answer at your earliest convenience.

I am, sir, your obedient servant,

The Auditor General.

A. POWER, *Acting D.M.J.*

AUDIT OFFICE, OTTAWA, July 6, 1901.

SIR,—I have the honour to acknowledge the receipt of your letter of the 27th ultimo, with reference to the payments you desire to be made to Mr. Cameron, Miss Stewart, and Mr. Malepart, for services in connection with the arbitration case of *Lussier vs. The Queen*.

The Order in Council of August 19, 1900, quoted in my letter of the 25th ultimo, seems clearly applicable to these cases. That order was passed on representations made by the Auditor General to the Treasury Board in regard to certain payments asked for by your own department under the decision of the Supreme Court (*Bradley vs. The Queen*, 27 S.C.R., 657) in favour of permanent employees for work done outside their regular office duties; and I have, therefore, taken the directions addressed therein to the departments generally as given, in view of that decision, for their future guidance in the matter of extra work. If, however, the Governor in Council desires to make an exception in the present instance he may, I presume, do so by a special order.

I have passed \$90 of the \$200 asked for in favour of Mr. Cameron, namely, \$50, the amount deducted from the award, and \$40 to cover out-of-pocket expenses.

I am, sir, your obedient servant,

A. POWER, Esq., Acting Deputy Minister of Justice.

J. L. McDOUGALL, A.G.

Payments not Supported by Necessary Vouchers.

AUDIT OFFICE, OTTAWA, September 13, 1901.

SIR,—I beg to bring to your notice the several charges made last year by the Dominion policemen sent on canal protection duty, for board and other expenses.

In scarcely any instance have vouchers in support of these charges been furnished, though in nearly all cases the board and lodging were for periods of considerable duration at the same place. I shall be obliged if you will look into this matter and cause the necessary proofs of payment to be sent me.

I am, sir, your obedient servant,

The Deputy Minister of Justice.

J. L. McDOUGALL, A.G.

Application for Payment not Certified: No Vouchers.

AUDIT OFFICE, OTTAWA, September 12, 1901.

SIR,—With reference to your application of the 8th ultimo, for a cheque of \$662 in favour of Mr. D. A. Lafortune, which has been held over in this office pending my return from England, I beg to say that I am unable to certify to the payment in question in the absence of the necessary accounts giving details as to the nature and extent of the disbursements for which Mr. Lafortune asks to be recouped.

I inclose a copy of a letter written to the Minister of Justice on this matter in October last, and return your application herewith.

I am, sir, your obedient servant,

The Deputy Minister of Justice.

J. L. McDOUGALL, A.G.

Re Justice—Yukon Territory—Sheriff Eilbeck.

AUDIT OFFICE, OTTAWA, March 14, 1901,

SIR,—On July 18 last an Order in Council was passed fixing the salary of Sheriff Eilbeck at \$2,000, with a living allowance of \$1,200, and directing that all the fees of office received by the sheriff should be deposited to the credit of the Receiver General.

I have received your letter of the 12th instant inclosing a return of the fees collected during the month of January last, amounting to \$276.11 and a deposit receipt for \$157.71, the balance after deducting expenses. I do not find that anything has come to account for the fees collected during the six months ended December 31, and I have to ask for explanations.

I take objection to the charge of \$11 for post office box and keys. If the sheriff should be provided with a post office box it should be charged to the appropriation.

I am, sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Deputy Minister of Justice.

JUSTICE DEPARTMENT, OTTAWA, March 18, 1901.

SIR,—I have the honour to acknowledge receipt of your letter of 14th instant respecting the fees deposited by Sheriff Eilbeck.

I have been in correspondence with the sheriff for some time on the matters mentioned by you, and I will write you on the subject at a later date.

I am, sir, your obedient servant,

E. L. NEWCOMBE, D.M.J.

The Auditor General.

AUDIT OFFICE, OTTAWA, July 11, 1901.

SIR,—On March 14 last I wrote you that the fees of the Territorial Court, Yukon Territory, collected by Sheriff Eilbeck during the six months ended December 31, 1900, had not come to account.

You wrote on March 18 that you had been in correspondence with the sheriff on the matter, and that you would write me on that subject at a later date.

I would beg to inform you that the fees in question have not since been accounted for.

It is desirable that these fees should be deposited before the accounts of 1900-1901 are closed.

I am, sir, your obedient servant,

JOHN GORMAN, *for A. G.*

The Acting Deputy Minister of Justice.

SESSIONAL PAPER No. 1

JUSTICE DEPARTMENT, OTTAWA, August 6, 1901.

SIR,—I have the honour to acknowledge receipt of your letter of July 11 respecting the fees collected by Sheriff Eilbeck during the six months ended December 31, 1900.

I now inclose statements showing gross receipts for that period to have been \$4,489.38, disbursements \$2,563.59, net balance \$1,925.79.

When the transfer asked for in my letter of this date has been made, there will be a balance due from the sheriff of \$325.79, which he has been asked to deposit to the Receiver General.

I am, sir, your obedient servant,

A. POWER, *Acting D.M.J.*

The Auditor General.

AUDIT OFFICE, OTTAWA, August 13, 1901.

SIR,—I have received your letter of the 6th inst., inclosing statements from Sheriff Eilbeck, of Dawson, covering the fees received by him during the six months ended December 31 last.

During the six months disbursements were made out of these fees amounting to \$2,563.59, of which \$317.14 was paid for telegraph accounts, \$626.45 was paid to members of the North-west Mounted Police and others for services, and \$1,620 for deputies' salaries.

No vouchers have been furnished for the amount entered as deputies' salaries. Was the sheriff authorized to pay a deputy out of his fees? No such charge is made on the returns for the following six months.

I may again remind you that the Audit Act, chap. 29, R.S., sec. 27, directs that the gross revenues should be deposited.

I am, sir, your obedient servant,

JOHN GORMAN, *for A. G.*

The Acting Deputy Minister of Justice.

JUSTICE DEPARTMENT, OTTAWA, August 14, 1901.

SIR,—In reply to your letter of the 13th instant, I beg to state that the sheriff found it necessary to employ deputies, and that as no appropriation was available at that time, he paid them from the fees in his hands. Subsequently an arrangement was made by which the Department of the Interior assumed these payments, from January 1, 1901, to June 30, 1901, and a supplementary vote was taken at last session of Parliament in order to recoup the Interior Department for these payments, which has been done.

I am requesting a transfer debiting the amount \$1,620 to the appropriation for Yukon Miscellaneous, and crediting the same to Casual Revenue. I am also asking the sheriff for more detailed vouchers of these disbursements.

I am, sir, your obedient servant,

E. L. NEWCOMBE, *D.M.J.*

The Auditor General.

Re Territorial Court Fees.

AUDIT OFFICE, OTTAWA, August 13, 1901.

SIR,—In February last \$4,036.30 came to account, being the fees collected by Chas. Macdonald, clerk of the Yukon Territorial Court, during the six months ended December 31, 1900, less \$350, which he retained for rent.

I do not find that anything has come to account for the fees since accrued. It is desirable that these fees should come to account before the close of this month, when the Finance Department advise that the books for the last fiscal year will be closed.

The Treasury Board has ordered that all officers collecting public revenue should make a monthly return of their collections, and a daily deposit if the receipts amount to \$25. (*See Audit Report, 1899-1900, page B-23.*)

I am, sir, your obedient servant,

JOHN GORMAN, *for A. G.*

The Acting Deputy Minister of Justice.

JUSTICE DEPARTMENT, OTTAWA, August 19, 1901.

SIR,—I have the honour to acknowledge receipt of your letter of the 13th instant, in which you call attention to the fact that the fees collected by Chas. Macdonald, clerk of the Yukon Territorial Court, during the last six months of the fiscal year 1900-1901 have not yet been deposited.

I have been daily expecting a return of these fees, and as they did not arrive, I telegraphed to Mr. Macdonald on the 14th instant that an immediate deposit is required.

I am, sir, your obedient servant,

E. L. NEWCOMBE, *D.M.J.*

The Auditor General.

NOTE BY A. G.—The fees for balance of the year ended June 30, 1901, have since come to account.

Re Binder Twine Industry.

AUDIT OFFICE, OTTAWA, June 3, 1901.

SIR,—The statement of arrears due to your department furnished on or about October, 1899, included the following items:—

Hobbs Hardware Co.	\$453 12
McColl Bros. & Co.	130 00

You stated in your letter of June 5, 1900, that the account against the Hobbs Hardware Co. had been written off, as the result of the investigations of Mr. Ballantyne who was appointed arbitrator. I have not been furnished with a copy of Mr. Ballantyne's report, which I asked for in my letter of August 11, 1900.

SESSIONAL PAPER No. 1

You state that the account against McColl Bros. had been forwarded for collection. It does not appear in the statement of arrears due furnished in 1900. Has the amount been paid, and, if so, when did it come to account.

I am, sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Deputy Minister of Justice.

AUDIT OFFICE, OTTAWA, June 7, 1901.

SIR,—On February 27 last the House of Commons passed the following motion:—‘That it is expedient that so long as the government continues to manufacture binder twine the same shall be offered for sale directly to farmers up to July 1 in each year at cost of material and manufacture, calculating wages on the basis of fair wages for free labour, and that the quantity of twine unsold and on hand on July 1 in each year be sold by tender to the highest bidder after public advertisement.’

I have to inquire what has been done towards carrying out the provisions of this motion.

According to the April return the prices charged were as follows:—Standard, 6½c.; Sisal, 7c.; Monarch, 8½c.; Beaver, 8½c.; and Maple Leaf, 10c. Were those prices fixed in accordance with the motion of the House?

Please let me have a copy of the advertisement for tenders for the balance of twine on hand on July 1, and the names of the papers in which it was inserted.

I am, sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Deputy Minister of Justice.

JUSTICE DEPARTMENT, OTTAWA, June 8, 1901.

SIR,—In reply to yours of the 3rd instant, respecting the amount due by the Hobbs Hardware Company, I beg to say that your request for the Ballantyne report will be submitted to the Minister upon his return to Ottawa.

As regards the amount due by McColl Bros., I have to say that this department made every effort to collect it without suit, but McColl Bros. refused to pay alleging a defence. Considering the amount, and the claim of defence, the Minister does not think it advisable to enter suit against them.

I am, sir, your obedient servant,

E. L. NEWCOMBE, D.M.J.

The Auditor General.

JUSTICE DEPARTMENT, OTTAWA, June 24, 1901.

SIR,—In reply to your letter of the 7th instant, *re* binder twine, I beg to inform you that the prices at which the twine is now being sold are in accordance with the motion of the House of Commons, of February 27 last.

As requested, I inclose a copy of the advertisement calling for tenders for the twine that will be on hand, unsold, on July 1 next, together with the names of the papers in which the notice was inserted.

I am, sir, your obedient servant,

A. POWER, Acting D.M.J.

The Auditor General.

Re Casual Revenue.

JUSTICE DEPARTMENT, OTTAWA, June 12, 1901.

SIR,—With reference to the inclosed deposit receipt for the amount therein mentioned, I have the honour to inform you that this has stood in my name in trust since 1897, and is now transferred to the credit of the Receiver General, on account of principal and interest of the amount deposited with the Deputy Minister of Justice in 1889 by Messrs. Kingsmill, Cattanach & Simonds, on behalf of the Niagara Bridge Company. Will you kindly acknowledge receipt of the deposit receipt.

I am, sir, your obedient servant,

E. L. NEWCOMBE, *D.M.J.*The Auditor General.

Re Penitentiary Revenue.

AUDIT OFFICE, OTTAWA, July 31, 1901.

SIR,—The warden of the St. Vincent de Paul Penitentiary, in accounting for the revenue collected in June, has deducted \$10, which he states he paid to L. Normand by order of your department, on account of fine remitted.

I beg to point out that this action of your department conflicts with section 27 of chap. 29 Revised Statutes, which directs that the *gross* revenues shall be deposited.

I have to ask that the revenue so used be made good.

I am, sir, your obedient servant,

JOHN GORMAN, *for A.G.*The Acting Deputy Minister of Justice.

Re Territorial Court, Yukon Territory.

AUDIT OFFICE, OTTAWA, August 24, 1901.

SIR,—In the return of the local revenue of the Yukon Territory for the month of May last, \$3,267.50 is entered as received from Justice Dugas for forfeited bail bonds and fines inflicted by the Territorial Court.

I have to inquire if these fines, &c., do not appertain to the Dominion revenue. I inclose a copy of the statement.

I am, sir, your obedient servant,

JOHN GORMAN, *for A.G.*The Deputy Minister of Justice.

JUSTICE DEPARTMENT, OTTAWA, July 28, 1901.

SIR,—I have the honour to acknowledge receipt of Mr. Gorman's letter of the 24th instant, in which it is pointed out that in the return of the local revenue of the Yukon Territory for the month of May last, \$3,267.50 is entered as having been re-

SESSIONAL PAPER No. 1

ceived from Mr. Justice Dugas for forfeited bail bonds and fines inflicted by the Territorial Court, and inquiry is made whether moneys derived from these sources do not appertain to the Dominion revenue.

In reply I beg to state that under section 927 of the Criminal Code, 1892, as that section is enacted by the Act 63-64 Victoria, chapter 46, which came into force on January 1 of the present year, moneys of this class recovered in the provinces are payable to the treasurer of the province in which the same are imposed or recovered, to be applied by him in the manner prescribed in aid of the administration of justice, except in certain cases specified in the section referred to, and in which such moneys are to be paid over to the Receiver General and to form part of the Consolidated Revenue Fund of Canada. I am inclined, however, to think that the Yukon Territory is not to be considered a province within the meaning of this section, and that fines, penalties or forfeitures for the violation of any law of Canada, and the proceeds of estreated recognizances recovered in the territory should be treated as revenue of the Dominion, and I propose to write in this sense to Mr. Justice Dugas and to the Commissioner of the Territory, and to call upon the Territorial government to pay over the moneys to which you refer as having been received in May last.

I am, sir, your obedient servant,

E. L. NEWCOMBE, *D.M.J.*

The Auditor General.

Commoners Appointed to Senate : Mode of Calculating Indemnity.

AUDIT OFFICE, Ottawa, September 26, 1901.

SIR,—Referring to your expenditure on account of Senate indemnity and mileage for the session of 1901, I notice these payments :

	Indemnity.	Mileage.
J. Godbout	\$ 1,340 00	\$ 66 40
A. M. Dechene	40 00	69 60

Mr. Godbout's indemnity is reckoned at the rate of \$1,500 for the session, less \$160 for 20 days' absence, at \$8, and Mr. Dechene is paid for 4 days at \$10 per day.

I also notice from the House of Commons expenditure on account of Indemnity and Mileage, payments to these gentlemen of the following amounts for the same session of 1901 :

	Indemnity.	Mileage.
J. Godbout	\$ 640 00	\$ 66 40
A. M. Dechene	1,500 00	72 40

Mr. Godbout's indemnity is reckoned at the rate of \$1,000 for the session, less \$360 for 45 days' absence at \$8, and Mr. Dechene is paid the full sessional indemnity of \$1,500.

You will see from this statement that Mr. Godbout has received for the session of 1901, \$1,980 for indemnity, and two mileages amounting to \$133.20, while Mr. Dechene has received \$1,540 for indemnity and two mileages, amounting to \$142.

As the Act respecting the Senate and House of Commons does not, in my opinion, contemplate that any member shall draw more than one sessional indemnity for one session, together with one mileage, please call the attention of these Senators to this matter and obtain refunds of the over-payments so made.

Mr. Dechene in his Senate declaration, dated May 23, the mileage being based on the declaration, gives his residence at St. Roch des Aulnaies, distant from Ottawa, as stated, by the nearest mail route, 348 miles, and in his Commons declaration of the same date, gives his residence at Village des Aulnaies, which is distant from Ottawa by the nearest mail route, 362 miles. Please obtain an explanation of this difference.

I am, sir, your obedient servant,

The Clerk of the Senate.

J. L. McDOUGALL, A.G.

THE SENATE, September 28, 1901.

SIR,—I have the honour to acknowledge the receipt of your letter of the 26th instant relative to the amount paid Honourable Senators J. Godbout and A. M. Dechene on account of their indemnity and mileage in connection with their attendance in the Senate during the last session of parliament.

In reply, I would state that as the amounts which have been paid to those gentlemen were based on the declaration which they respectively made under the provision of section 31 of the R. S. of Canada of 1886. I do not see that I have any right to question the correctness of the statements contained in said declarations, and I therefore decline to take any action in the premises.

I am, sir, your obedient servant,

SAMUEL E. ST. O. CHAPLEAU,

The Auditor General.

Clerk of the Senate.

AUDIT OFFICE, OTTAWA, November 20, 1901.

SIR,—Replying to your letter of the 28th September relative to the payments by you to Senators Godbout and Dechene, I have to state that a letter of credit is issued for only such expenditure as you will have reason to believe will not be subject to any objection in the Audit Office. Knowing as you must have known that these gentlemen when paid by you would each be in the receipt of two mileages and an amount on account of indemnity more than either would have obtained as a senator or member of the Commons for the whole session even though subject to deduction for days of absence, and that such payments are open to objection, you would have been within your duties under the conditions of your letter of credit to have applied to the Finance Department and this Office for a Receiver General's cheque, and thrown upon them the responsibility of dealing with the matter before payment was made.

I would emphasize in reference to these cases the restrictions stated as to the use of the letter of credit which should be applied only to the ordinary services of a department, and ask you to be good enough as an accounting officer to follow that system. If you believe that a payment which you, if the matter were entirely in your hands, would feel justified in making, would be objected to in this office you should apply direct to this office for the payment. If this office should decline to pass the application you would still have recourse to the Treasury Board by appeal.

I am, sir, your obedient servant,

The Clerk of the Senate.

J. L. McDOUGALL, A.G.

Re Leather Trunks for Senators and Clerk and Assistant Clerk of the Senate.

AUDIT OFFICE, OTTAWA, September 25, 1901.

SIR,—Referring to your expenditure on account of 'Salaries and Contingencies, Senate,' I notice payments to S. & H. Borbridge to the amount of \$2,150 for 86 leather trunks at \$25 each. These trunks were supplied, as indicated by the vouchers, one each to 83 senators, 2 to Senator Sheyn (one of these being for last parliament), and one each to Clerk Chapleau and Assistant Clerk Boucher. It appears that your authority for this expenditure is a report of the Committee on Printing of Parliament adopted April 25, 1901, 'that each member of the Senate be supplied with a leather trunk at this, the first session of a new parliament,' and a report of the Standing Committee on Internal Economy and Contingent Accounts presented April 29th.

In my opinion the adoption of the reports referred to is insufficient to authorize the payments in question which should be made only when authorized by statute, nor would the terms of the vote from which the payments were made justify its use for the purchase of leather trunks for the senators and others, the words of the vote being 'Salaries and Contingencies.'

Please let me know on what authority leather trunks were supplied to the Clerk and Assistant Clerk of the Senate, whose names do not appear in the report referred to.

I would also call your attention to the report of the Committee on Internal Economy, &c., referred to, which asks for provision for leather trunks for 81 senators only. The accounts, as stated, show that 86 were purchased.

Please provide the certificate of an expert in the value of trunks as to the fairness of the charge, it having been stated to me that the price was much too great.

I am, sir, your obedient servant,

The Clerk of the Senate.

J. L. McDOUGALL, A.G.

SESSIONAL PAPER No. 1

THE SENATE, September 25, 1901.

SIR,—*Re* payment of \$2,150 for leather trunks.

In answer to your communication of the 25th instant on the above subject, I have the honour to state, as you correctly remark, that my authority for making this disbursement is based on a report of the Standing Committee on Internal Economy and Contingent Accounts, which was adopted by the Senate on the 14th of June, 1900 ; but I may also add, for your further information, that the payment of this amount, less \$125, was made out of an appropriation specially asked and voted for the purpose.

With reference to your inquiry as to the authority for the supply of similar trunks to the officers occupying seats upon the floor of the Senate, *i.e.* the Clerk, &c., I would state that the officers in charge of the distribution of those articles reports that it was done as heretofore, by order of the said committee, and I might add that, on looking over the records of this office, I find that this practice has obtained since 1891, without any question having ever been raised against it.

I would also say that the report of the Committee on Internal Economy and Contingent Accounts does not specify that only 81 trunks are to be provided.

As regards the last paragraph of your letter, which calls for 'the certificate' of an expert on the value of the trunks which have been supplied, on the ground that the information has reached you that the price paid for the same was in excess of what it should be, I must decline complying with your request, but will do the next best thing, that is, will place your letter before the chairman of the above committee at as early a date as possible, and as I am informed the committee made the selection of the kind of trunk they wanted and agreed upon the price to be paid for the same themselves, they will be in a better position than I am to give you all the information you ask.

I am, sir, your obedient servant,

SAMUEL E. ST. O. CHAPLEAU,

The Auditor General.

The Clerk of the Senate.

AUDIT OFFICE, OTTAWA, October 3, 1901.

SIR,—Let me acknowledge the receipt of your letter of the 25th ult., relative to an expenditure by the Senate of \$2,150 for leather trunks.

Replying, I have to say that I do not know of any appropriation specially asked and voted for the purpose in question as stated in your letter, and that the terms of the vote, 'Salaries and Contingencies,' under your control, do not legalize the use made of it in this case.

My statement that the order of the committee asked for permission for 81 trunks, while 86 were purchased, was based on the wording of the report of April 29, 1901, sec. 4.

As regards your declining to furnish the certificate of an expert as to the correctness of the price charged, I have to point out that such a certificate is the only evidence which can prove its correctness and, therefore, is an essential voucher.

I am, sir, your obedient servant,

The Clerk of the Senate.

J. L. McDougall, A.G.

THE SENATE, October 4, 1901.

SIR,—Adverting to your letter of the 3rd instant, received this day, in reply to mine of the 25th ultimo, relative to the payment of an account for leather trunks for

the Senate, I have the honour to reiterate my former statement, that a special vote was asked and granted for that purpose; it is true that the vote appears under the heading of Contingencies, but that is nothing new, for if you refer to the Supply Bill you will see that only a lump sum, under the heading of 'Salaries and Contingencies' appears therein, to cover all the expenses of the Senate, including, beside salaries, debates, translations, printing, stationery, trunks, &c., &c. Consequently your contention that the payment of this account from the vote above referred to is not legal, is a misapprehension on your part. As regards the report of the contingent committee of April 29 last, to which you allude, you will notice that the committee does not recommend the purchase of 81 leather trunks, but simply refers to the fact that a supplementary vote has been asked to defray the cost of the same.

Now with reference to the certificate which you ask me to obtain of an expert, 'as to the correctness of the price charged' for these trunks. I do not think, and I am sure you will agree with me, that this purchase comes under the head of transactions requiring such a certificate, said transactions being more in the nature of a contract than of an ordinary purchase, because the sub-committee to whom this duty was entrusted called for samples and prices asked by different makers and dealers, and in this case I am informed the lowest offer was accepted. At all events, I shall, under these circumstances, adhere to my former decision in the matter.

I am, sir, your obedient servant,

SAMUEL E. ST. O. CHAPLEAU,

The Auditor General.

The Clerk of the Senate.

AUDIT OFFICE, OTTAWA, November 19, 1901.

SIR,—I beg to acknowledge the receipt of your letter of the 4th ultimo with regard to the purchase of leather trunks for senators.

I hope that I can make my position about the appropriation clear.

I suppose you will admit that a senator has no more right to get a cheque, under your letter-of-credit, for twenty five dollars, unless he can show that it is due to him, than any other man that may present himself at your office with a demand for such a sum. You would have no hesitation in disposing of the claim of the other man. If, however, the senator's claim were for some stationery supplies required to be used in the discharge of his duties, you would at once comply, on condition that the appropriation was not exhausted. The ordinary use of an appropriation is to make payments, legal in themselves, *i.e.*, to meet proper charges for the country to bear. That is, a general appropriation is one which does not define the particular thing which is to be provided for a particular person at a particular price, it is used for things which are regular in themselves.

Now, as explained above, with all respect to senators, they have no more right to get leather trunks than I have to get a leather trunk or the twenty-five dollars which a leather trunk costs. Therefore, they must get the direct authority of parliament in some way. Nothing short of the assent of the three branches of the legislature which is given by an Act of parliament will suffice. In recent years payments which would be irregular are made regular very frequently by describing the person or persons who are to be specially favoured and the extent to which they are to be favoured. The item in the Supply Bill in this case might have been: '\$2,150—to provide leather trunks for so many senators, the clerk and assistant clerk'—in which case I should have said there is a special vote (in contradistinction to a general vote) which has legalized the expenditure. The acquiescence of any one branch alone, or two branches even, has no effect whatever in legalizing what is otherwise illegal.

SESSIONAL PAPER No. 1

Then, with reference to the other branch of our discussion—the requiring the certificate of an expert :

In your view this was a contract because certain persons were invited to tender. The only kind of contract which can do away with the necessity of a certificate of the fairness and justice of the price by a competent judge of the article being supplied, is a contract given to the lowest tenderer after tenders have been called for by 'public' notice. Anything short of a notice to the whole public may be used to help favourites to get extravagant prices.

In conclusion, let me say that, although it is my duty to hear any explanations of misapprehensions on the part of this office or any argument in opposition to its reasonings, I cannot continue to issue credits where expenditure is made contrary to the directions of the office unless, after an appeal to the Treasury Board, I am over-ruled.

I am, sir, your obedient servant,

The Clerk of the Senate.

J. L. McDOUGALL, A.G.

Re Leather Trunks for Members of Commons, Pressmen and Clerk.

AUDIT OFFICE, OTTAWA, September 25, 1901.

SIR,—Referring to your expenditure on account of 'Contingencies' for 1900-1901, I notice payments to S. & H. Borbridge and Geo. May & Sons, of Ottawa, to the amount of \$4,300 for 172 leather trunks at \$25 each. These trunks were supplied, as indicated by the accounts, to 163 members of the House of Commons, to the Clerk of the House, and to 8 members of the press gallery. It appears that your authority for this expenditure is a resolution of the House on the recommendation of the Committee on Printing of Parliament, 'that each member of the House of Commons and those members of the press gallery who have served for three consecutive years be supplied with a leather trunk at this, the first session of parliament,' concurred in April 17th, 1901.

The resolution referred to is insufficient to authorize the payments in question which should be made only when authorized by statute.

The terms of the vote, 'Additional amount for contingencies,' from which the payments were made would not justify its use for the purchase of leather trunks for the members and others. I should like to have a certificate from an expert in such work as to the value of the trunks, it having been stated to me by an expert that they were greatly overcharged.

Please let me know on what authority a leather trunk was assigned to the Clerk of the House, his name not having been in the resolution of the House.

In this connection I would call your attention to a report of the Committee on Printing of Parliament concurred in September 30, 1896, 'that the practice of supplying each senator and member of the House of Commons with a leather trunk and a box of stationery be discontinued in future and the order of the House authorizing the same dated May 5th, 1892, be rescinded.'

I am, sir, your obedient servant,

The Clerk of the Commons.

J. L. McDOUGALL, A.G.

HOUSE OF COMMONS, OTTAWA, October 1, 1901.

SIR,—I have the honour to acknowledge your letter of the 25th instant, relative to the expenditure on account of contingencies for 1900-1901 and to certain payments for leather trunks supplied members and others.

On a report of the Joint Committee on Printing, recommending that leather trunks be supplied members and others, the House was pleased to concur in the said report and a sub-committee of the Printing Committee composed of business men was empowered to take steps for the proper carrying out of the order of the House. Tenders were asked for and samples of leather trunks were furnished by several firms. After thorough investigation, contracts were awarded for the number of trunks required to the two firms mentioned in your letter. One hundred and seventy-two have been delivered to members, &c., so far, and I am informed that the members, without exception, are thoroughly satisfied that the trunks are up to sample, and made of solid sole leather.

I am inclined to think that the expert you mentioned was a disappointed tenderer. If such a question is to be raised I have no authority to deal with it, but it must be settled by the committee which has charge of the matter.

The vote 'Additional amount for Contingencies' was placed in the supplementary estimates by the Finance Department towards the specific payment for these trunks, and in paying for them out of that vote the intention of Parliament was carried out by the Accountant of the House.

The members of the 8th Parliament cannot pass resolutions that will bind all future Parliaments—it can only be done by statute, and even that can be repealed—and therefore the members of the 9th Parliament had a perfect legal right to direct that leather trunks should be furnished them, and the duty of the officers of the Commons after, an appropriation has been passed by all the branches of Parliament, is to carry out their commands.

The trunk put down for the Clerk of the House was necessary to store away during the recess official clothes, which have been year after year moth-eaten and consequently lost to the country.

I am, sir, your obedient servant,

JNO. GEO. BOURINOT,

The Auditor General.

Clerk of the House of Commons.

AUDIT OFFICE, OTTAWA, November 20, 1901.

SIR,—I beg to acknowledge the receipt of your letter of the 17th ulto., with regard to the purchase of leather trunks for members of the Commons.

I hope that I can make my position about the appropriation clear.

The acquiescence of any one branch alone, or two branches even, has no effect whatever in legalizing what is otherwise illegal.
