Report of the Auditor General.

I have the honour to submit the Report of the Auditor General of Canada, for the fiscal year ended 31st March, 1912, including statements in detail of the Expenditure and Revenue of the Dominion of Canada for that period.

I have to report an over-ruling by the Treasury Board of a refusal of the Auditor General to issue a Letter of Credit for the payment of bounties under The Fenian Raid Volunteer Bounty Act of 1912, on the ground that there was no parliamentary appropriation.

There are two methods of appropriating public money, which have been followed by the Parliament of Canada since Confederation, one by an amount in the annual Supply Bill and the other by providing in Special Acts that the money required shall be paid out of the Consolidated Revenue Fund.

The latter practice has been followed in the British North America Act, in the House of Commons Act providing for the indemnity and mileage of Members and Senators, the Judges Act for the salaries of Judges, the various Acts for Subsidies to Railways, Mail Subsidies and Steamship Subventions, Bounties on Iron and Steel, and in fact in all Special Acts calling for the expenditure of public money where no special amount has been granted in the annual Supply Bill.

So far as I am aware the Fenian Raid Bounty Act is the exception to the rule. I think the matter is of sufficient importance to warrant the consideration of Parliament and the expression of an opinion for future guidance.

Ottawa, December 27, 1912.

J. FRASER, *Auditor General.*

DECISIONS BETWEEN THE SESSIONS OF 1911-12 AND 1912-13.

**Finance Department : Payment of Grants under the Fenian Raid
Volunteer Bounty Act.**

AUDITOR GENERAL'S OFFICE, OTTAWA, May 25, 1912.

SIR,—I have to acknowledge receipt of your application for a Letter of Credit for \$200,000 for payment of grants to volunteers under the provisions of the Fenian Raid Volunteer Bounty Act.

In reply I beg to say that I can find no appropriation for this purpose. I shall therefore have to refuse to issue a certificate on the ground that there is no appropriation.

This action is taken under Sections 41 and 43 of the Consolidated Revenue and Audit Act.

I might add that I have not received the Order in Council required under section 5 of the Fenian Raid Volunteer Bounty Act.

I am, sir, your obedient servant,

The Deputy Minister of Finance.

J. FRASER, A.G.

FINANCE DEPARTMENT, June 28, 1912.

SIR,—Referring to your communication of the 25th ultimo, acknowledging receipt of an application of this Department for a letter of credit for two hundred thousand dollars (\$200,000) for payment of grants to volunteers under the provisions of "The Fenian Raid Volunteer Bounty Act," I have now to inform you that the Order in Council required under section 5 of that Act has been passed. In your letter referred to, you refuse, under sections 41 and 42 of "The Consolidated Revenue and Audit Act," to issue a certificate for the credit, on the ground that there is no appropriation. I do not understand, therefore, that your objection to the issue of the credit was because there was no Order in Council prescribing regulations under section 5. Is it to be assumed that you still adhere to your refusal on the ground of no appropriation? Your reply is requested.

I have the honour to be, Sir, your obedient servant,

The Auditor General.

HENRY T. ROSS, *Asst. D.M.F.*

AUDITOR GENERAL'S OFFICE, June 28, 1912.

SIR,—In reply to your letter of this date, regarding the application for a letter of credit for payments under the provisions of "The Fenian Raid Volunteer Bounty Act", I beg to say that the objection stated in the Auditor General's letter of the 25th ultimo still holds.

I am, Sir, your obedient servant,

E. D. SUTHERLAND, *for A.G.*

The Assistant Deputy Minister of Finance.

3 GEORGE V., A. 1913

FINANCE DEPARTMENT, July 3, 1912.

DEAR SIR,—Referring to your letter of the 28th ultimo, with regard to Fenian Raid Bounty credit, I now enclose extract from minutes of the meeting of the Treasury Board held on the 2nd instant with reference to the matter.

Yours sincerely,

HENRY T. ROSS,

Assistant Deputy Minister of Finance.

The Acting Auditor General.

Treasury Board Minute July 2, 1912:—The Board has had under consideration the provisions of "The Fenian Raid Volunteer Bounty Act, 1912;" the application for a letter of credit cheque thereunder by the Deputy Minister of Finance to the Auditor General; the report of the Auditor General that there is no Parliamentary authority for issuing such cheque; the written opinion of the Acting Minister of Justice that there is such authority, reference being made by the Acting Minister to section 4 of the Act as the authority.

The Board hereby authorize the Deputy Minister of Finance to prepare the necessary cheque for the purposes of the said Act, irrespective of the Auditor General's report.

HENRY T. ROSS,

Acting Secretary of the Treasury Board.

AUDITOR GENERAL'S OFFICE, August 7, 1912.

SIR,—With reference to the Minute of the Treasury Board, dated July 2nd, 1912, authorizing the payment of Fenian Raid Bounties, I have to ask for a copy of the written opinion of the Acting Minister of Justice that there is Parliamentary authority for the issue of the cheques.

I am, Sir, your obedient servant,

E. D. SUTHERLAND,

For Auditor General.

The Deputy Minister of Finance.

FINANCE DEPARTMENT, August 10, 1912.

E. D. SUTHERLAND, Esq.

Audit Office,
Ottawa.

DEAR SIR,—In reply to your letter of the 7th instant in reference to the Minute of the Treasury Board dated 2nd July, 1912, authorizing the payment of Fenian Raid Bounties, I now enclose as requested, a copy of written opinion of the Deputy Minister of Justice in regard to Parliamentary authority for the issue of cheques.

Yours truly,

T. C. BOVILLE,

Deputy Minister of Finance.

JUSTICE DEPARTMENT, OTTAWA, May 29, 1912.

SIR,—In reply to your letter of 27th instant, respecting the payments of the grants to volunteers under "The Fenian Raid Volunteer Bounty Act" of last session, the Auditor General having refused to authorize the expenditure upon the ground that there is no direct parliamentary appropriation for the payments, I have the honour to state that in my opinion the statute in question is itself a parliamentary authority for the expenditure.

This opinion is given under the provisions of Section 42 of the Consolidated Revenue and Audit Act.

I have the honour to be, Sir, your obedient servant,

The Deputy Minister of Finance.

E. L. NEWCOMBE, *D.M.J.*

AUDIT OFFICE, OTTAWA, October 4, 1912.

Re ARREARS DUE.

SIR,—In the statement of arrears due, furnished October 17, 1911, the Port of Lethbridge was entered for \$1.

In the statement furnished this year Lethbridge is entered for \$19,889.82.

The collector in arrears, D. S. McCaig, seems to have left the service July 31, 1911, and your statement dated October 17th placed his arrears at only \$1.

This would call for some explanation. I have also to ask how the defalcation of \$19,889.82 occurred.

I am, sir, your obedient servant,

The Commissioner of Customs.

JOHN GORMAN, *for* A.G.

DEPARTMENT OF CUSTOMS, OTTAWA, October 9, 1912.

Auditor General, Ottawa.

SIR,—I beg to acknowledge the receipt of your letter of the 4th instant, with reference to arrears due at the Port of Lethbridge, and would state in reply that when the yearly statement of arrears was sent you on the 17th October, 1911, the investigation into the defalcation of officer D.S. McCaig had not been completed and it was not possible to show in that statement the actual amount the officer was in default.

The complete report of the investigating officer was not made until the 9th November, 1911, and was received in the Department on the 13th of that month.

The defalcation occurred through the suppression of invoices and entries by Officer D. S. McCaig, and, while only a small portion of the shortage has so far been recovered, the defaulting officer has assigned some valuable lands to the Customs, from which it is expected a considerable amount will be realized at a later date.

I have the honour to be, sir, your obedient servant,

JOHN McDOUGALL, *Commissioner of Customs.*

AUDIT OFFICE, OTTAWA, October 4, 1912.

Re ARREARS DUE.

SIR,—In your statement of advances made and not yet accounted for, there appear advances to Arnold Wainwright as follow:—

May 22,	1908.....	\$ 300
Feb. 15,	1909.....	300
Sept. 21,	1910.....	350
May 23,	1911.....	900
Nov. 29,	1911.....	1,000

SESSIONAL PAPER No. 1

Your accountant states that the transactions to which these advances refer have not yet been closed.

It seems to call for some explanation why advances made four years ago are not yet accounted for, especially as you gave him an advance of \$1,000 on November 29th last.

I am sir, your obedient servant,

The Commissioner of Customs.

JOHN GORMAN, *for A.G.*

AUDIT OFFICE, OTTAWA, October 21, 1912.

Re ARREARS DUE.

SIR,—I wrote you July 12th and again September 30th for a statement of arrears due to your Department, and so far have had no reply.

As this statement must shortly be sent to the printers, I would ask for your prompt attention.

The want of the statement is delaying the publication of our Report.

I am sir, your, obedient servant.

Deputy Minister Marine & Fisheries.

J. FRASER, *A.G.*

AUDIT OFFICE, OTTAWA, October 4, 1912.

Re ARREARS DUE FOR AID TO CIVIL POWER.

SIR,—In the statement you furnished October 6th, 1911, the amount due by eleven municipalities for Aid to Civil Power amounted to \$88,899.21.

The statement furnished October, 1st 1912, places the amount due as \$91,027.26.

The amount due by several of the municipalities was increased, and seemingly nothing has been paid.

Awaiting explanations.

I am, sir, your obedient servant,

The Deputy Minister of Militia and Defence.

JOHN GORMAN, *for A.G.*

DEPARTMENT OF MILITIA AND DEFENCE, OTTAWA, Oct. 9, 1912.

SIR, Answering your letter of the 4th inst., regarding discrepancies between Statements of Arrears furnished you on October 6 1911 and October 1 1912, I beg to state that there was expenditure on account of Aid to Civil Power to four of these Municipalities amounting to \$714.67 during the year 1911-12.

With regard to the rest of the differences the statement of October 6 1911 did not include items of expenditure which should have been included. The statement rendered in October 1912 is correct.

I have the honour to be, sir, your obedient servant,

The Auditor General.

J. W. BORDEN, for D. M.

AUDIT OFFICE, OTTAWA, October 11, 1912.

SIR,—I have received your letter of 9 inst., explaining differences in amounts due for Aid to Civil Power, between amounts due in 1911 and 1912.

You do not state what action has been taken towards collecting these arrears.

I am, sir, your obedient servant,

The Deputy Minister, Militia and Defence. JOHN GORMAN, for A. G.

DEPARTMENT OF MILITIA AND DEFENCE, OTTAWA, October 14, 1912.

SIR,—Answering your letter of October 11, 1912, I beg to enclose herewith copy of my letter of the 18 January 1912.

The papers in connection with Springhill were transferred to the Justice Department for action in April last.

I have the honour to be, sir, your obedient servant,

The Auditor General.

J. W. BORDEN, for D. M.

DEPARTMENT OF MILITIA AND DEFENCE, OTTAWA, January 18, 1912.

SIR,—In reply to your letter of the 6th November last respecting expenditure on account of Aid to Civil Power, I have the honour to say that the claims against the municipalities mentioned, Springhill excepted, are with the Justice Department for recovery through the Courts. As regards Springhill, this claim was sent to the officer Commanding at Halifax November 24 last with instructions to endeavour to collect, but, if unsuccessful to return the claim here in order that it may be sent to the Justice Department for action.

I have the honour to be, sir, your obedient servant,

The Auditor General.

(sgd.) E. Fiset, D. M.

AUDIT OFFICE, OTTAWA, October 4, 1912

Re Arrears due.

SIR,—The statement of arrears due the Intercolonial furnished October 19, 1911, amounted to \$283,549.78.

SESSIONAL PAPER No. 1

The statement furnished September 6, 1912, showed \$433,905.40,—an increase of \$150,355.62.

As this large increase may elicit some enquiry during the Session, it would be advisable for you to furnish me your explanation, which I will publish.

I am, sir, your obedient servant,

JOHN GORMAN, for A. G.

The General Manager, Intercolonial Railway.

MONCTON, N.B., Oct. 30, 1912.

DEAR SIR,—I received and acknowledged your letter dated October 4th, asking for an explanation of the increase in the arrears of the Intercolonial, an increase amounting to \$150,355.62.

I now send you a letter from Mr. Shannon, Comptroller, dated October 19th, giving this information. If any further information is required, please let me know.

Yours truly,

The Auditor General.

D. POTTINGER.

MONCTON, N.B., Oct. 19, 1912.

DEAR SIR,—I have to acknowledge receipt of your communication of the 8th inst. enclosing copy of a letter received from the Auditor General asking for an explanation in regard to increased amount of arrears.

The Auditor General points out that the increase amounts to \$150,355.62, and in going over and comparing the arrears to March 31, 1912, with similar statement of the previous year, I find the following represents the increase:—

1. Canadian Northern Railway.....	\$1,521 26
2. Canada & Gulf Terminal Railway.....	3,195 59
3. Dominion Iron & Steel Co.....	12,214 46
4. Post Office Department.....	28,323 22
5. Salisbury & Albert Railway.....	62,385 78
6. Grand Trunk Railway.....	42,815 22
7. Reid Newfoundland Co. (demurrage).....	12,057 90
8. Uranium Steamship Co. (tickets exchanged for S.S. orders).....	1,522 62
9. H. & A. Allan (tickets exchanged for S.S. orders)...	822 74

The above items more than make up the increase of this year over last, so that there is really a decrease in the arrears outside of these special items.

1. Canadian Northern Railway—This Company are always about a year behind in their payments and the bulk of 1912 arrears is accounted for by bill for freight on account of box cars, \$1,210.66, still unpaid.

2. The Canada & Gulf Terminal Railway are slow in paying their accounts but the bulk of the arrears mentioned above have now been settled.

3. Dominion Iron & Steel Co.—The amount of their arrears is made up of demurrage, car hire and freight on rails; statements are sent them from time to time and they remit spasmodically.

4. Post Office Department—The arrears consist of special mail trains from Nov., 1911 to February, 1912, not yet paid for. During the winter months, particularly at Christmas time, the English mail being so large, it became necessary to run two mail trains and they were charged accordingly but they have only paid for one mail train. There has been considerable correspondence with regard to this.

5. Salisbury & Albert Railway—The arrears due by this Company constitute the largest amount of an increase in arrears as shown above and is accounted for by rails and fastenings and second hand bridges. Under the agreement made with this Company by the Government, in the event of the Government not taking over this railway, the Company would have three years in which to pay for such rails and fastenings and bridges.

6. Grand Trunk Railway—Tickets exchanged. The amount of arrears as shown above is \$42,815.22 and were not collected at the time the statement was prepared and sent to the Auditor General but since that time this amount has been practically wiped out.

7. Reid Newfoundland Co.—This Company does not pay our demurrage charges for cars held at North Sydney until their steamer can take the contents. This Company although frequently pressed for payment of demurrage, has so far failed to pay any of the amounts and the matter has been referred to the Board for action.

8. Uranium Steamship Co. and

9. H. & A. Allan—These amounts have been wiped out since the compilation of the statement.

Yours truly,

D. Pottinger, Esq.,
Assistant Chairman,
Board Managenemt.

S. L. SHANNON,
Comptroller and Treasurer.

AUDIT OFFICE, OTTAWA, October 26, 1912.

Re Arrears due.

SIR,—Statement of arrears due to your Department in connection with Canals Revenue recently reached this office.

It would be more satisfactory if a summary accompanied these statements, and that they were added.

The amounts due at most of the Canals, are approximately the same as last year, showing that very little of the arrears due are being collected.

There is an increase of about Twelve Hundred Dollars (\$1,200) at Rideau Canal, and over Thirty-three Thousand (\$33,000) at Welland Canal. The increase at latter Canal is largely composed of following items:—

Lease No. 6006, Jas. Davey, Jr.....	\$28,011 25
Lease No. 2504, Montrose Paper Co.....	4,894 00

According to your Revenue Returns, the annual rental of Lease No. 6006 is \$120, and of Lease No. 2504, \$146, and both are paid up to June 30, 1912.

You have not furnished any statement of arrears due on advances made.

An early reply is requested, as the statement of arrears due by the several Departments, will shortly be sent to printers.

I am, Sir, your obedient servant,

The Deputy Minister, Railways and Canals.

JOHN GORMAN, for A.G.

SESSIONAL PAPER No. 1

DEPARTMENT RAILWAYS AND CANALS, OTTAWA, November 12, 1912.

SIR.—I have to acknowledge the receipt of your letter of the 26th of Oct., ultimo, asking to be furnished with certain information in the above matter.

In reply, I have to say that, in regard of the increase (about \$1,200 you state), in the arrears of rental on the Rideau Canal, such increase is made up to a great extent by sundry small amounts due by lessees from whom it would appear to be impossible to collect, one item being \$50 due by John Woodruff, and another \$500 under a lease which was held by Messrs. J. K. Paisley and A. M. Chisholm, assignees of Messrs. Rowan, Birkett and Chisholm, which lease, together with the total arrears of rent, \$3,000, have been cancelled by Order in Council.

In regard of the increase on the Welland Canal, which, you state, is largely composed of the following items:—

Lease No. 6006, Jas. Davey, Jr. \$28,011 25

Lease No. 2504, Montrose Paper Co. 4,894 00

I have to say that the amounts due under these two leases are for excess water used, and to date are as follows:—

Lease No. 6006. \$28,131 25

Lease No. 2504. 5,040 00

With regard to the desired statement of arrears due on advances made, I have to say that there are no such arrears due this Department in respect of the year 1911-12, all advances made prior to March 31, 1912, having been accounted for.

I am, sir, your obedient servant,

L. K. JONES,

Asst. Deputy Minister and Secretary.

The Auditor General.

(a) Expenditure overestimated. Owing to the expansion of the service and establishment of the Rural Mail Delivery in many parts of the Dominion, a substantial increase in mail service expenditure has to be provided for in each year, but it is impossible to make a close estimate of what will be required.

(b) Expenditure underestimated. Owing to the establishment of free delivery by letter carriers at some places and the very large increase in the work at many city offices, especially in the West, the staffs of those offices had to be increased to a much greater extent than was anticipated when the estimates were prepared.

(c) The amount asked for the Yukon service was not quite sufficient to meet the expenditure as a number of new mail services had to be provided for throughout the Territory where new mining camps were opened.

These accounts have been examined under my direction and are correct.

AUDIT OFFICE, OTTAWA, January 11, 1912.

Re Experimental Farms.

SIR,—I am in receipt of your statement dated 5th instant, accompanying returns of Experimental Farms, on which you state returns not in:—

Agassiz—August, September and October.

Ottawa—October, but without any explanations.

Six of the returns now received were for September and eight for October. No returns for November have yet been received.

Is it not possible that these returns should reach your Department before the close of the following month.

I have also to request that all deposit receipts should be forwarded to the Finance Department regularly each month, and that the corresponding returns be forwarded to this office.

The return of Central Farm, Ottawa, for September, amounted to \$779.29, and the deposit therefor was not made till November 27.

The Treasury Board Regulations direct that a deposit should be made whenever \$25 is on hand

Your attention is requested.

I am, sir, your obedient servant,

The Deputy Minister of Agriculture.

J. FRASER, A.G.

AUDIT OFFICE, OTTAWA, March 19, 1912.

SIR,—I wrote you January 11 in reference to delay in receipt of returns of sales at Experimental Farms, especially Agassiz and Ottawa, to which I have not received any reply.

No return nor deposit has since been received from Agassiz.

The returns for December from several farms, including Ottawa, are short, and none from any farm for January.

Your attention is requested.

I am, sir, your obedient servant,

The Deputy Minister, Dept. of Agriculture

J. FRASER, A.G.

DEPARTMENT OF AGRICULTURE, OTTAWA, June 20, 1912.

SIR,—Adverting to your letter under date 11 January last *re* Experimental Farms, I am now in receipt of a memorandum from the Accountant, who reports that the Acting Director of Experimental Farms has intimated to him that Mr. Moore, the Superintendent of the Experimental Farm at Agassiz, B.C., explains the delay in making his returns owing to his being so far behind in money matters that he was forced to use the money he had to pay freight and other necessary accounts and when the time came to send in the statement there was not sufficient money in the bank for the draft.

SESSIONAL PAPER No. 1

The explanation is most unsatisfactory and instructions have been given that such action must not be repeated. The Director of the Experimental Farms has sent out instructions to every Superintendent calling attention to the necessity of making deposits promptly and forwarding the returns with the receipts to the Department immediately at the end of each month, and in future I trust there will be no cause for any delay.

Your obedient servant,

The Auditor General.

GEO. F. O'HALLORAN, D.M.

AUDIT OFFICE, OTTAWA, April 23, 1912.

Re Casual Revenue.

SIR,—The vouchers in connection with deposits made to credit of Casual Revenue should be furnished.

In the meantime I have to ask for the vouchers in connection with the following sales:—

I am, sir, your obedient servant,

The Deputy Minister, Dept. of Agriculture.

J. FRASER, A.G.

AUDIT OFFICE, OTTAWA, September 17, 1912.

SIR,—I wrote you April 23 last, giving a list of vouchers required in connection with certain sales made by your officers.

I have had no reply, nor have the vouchers been furnished.

The want of these vouchers is very inconvenient, in making up the statement for the Audit Report; and without them no audit can be made.

Your early attention will oblige.

I have also to ask that you should instruct your officers to furnish vouchers in future for all sales.

I am, sir, your obedient servant,

The Deputy Minister of Agriculture.

JOHN GORMAN, for A.G.

Re Collectors' Bank Accounts.

AUDIT OFFICE, OTTAWA, Sept. 27th, 1911.

SIR,—Some Collectors deposit daily to credit of Receiver General, others deposit daily to credit of Collector, and periodically to credit of Receiver General. Presumably deposits to credit of Collector are only made where the receipts are small.

What is the regulation in reference thereto?

I am, sir, your obedient servant,

J. FRASER, A.G.

The Commissioner of Customs.

DEPARTMENT OF CUSTOMS, OTTAWA, Sept. 30th, 1911.

SIR,—Replying to your letter of the 27th instant, I beg to say that our Collectors deposit to the credit of the Receiver General daily or at regular periods throughout the month, as determined by the amount of their collections and instructions from the department. At ports where the collections are large the Collector deposits to the credit of the Receiver General daily, simply using a deposit slip requesting the usual deposit receipts and drafts.

Collectors depositing to the credit of the Receiver General every two or four days, or weekly deposit their collections to their own credit in the Bank daily if they amount to \$25 or over, and issue an official cheque in favour of the Receiver General for issue of deposit receipts for collections accrued at a stated period for making deposits.

All special deposits are placed to the credit of the Collector in the bank at the same period as he makes deposit of Customs revenue and Departmental cheques are deposited as soon as received to the credit of the Collector.

I have the honour to be, sir,

your obedient servant,

JOHN McDUGALD,

Commissioner of Customs.

The Auditor General.

Re Payment of Customs Refunds and Drawbacks.

AUDIT OFFICE, OTTAWA, Sept. 27th, 1911.

SIR,—The present practice is that your Department issue a cheque in favour of the Collector for all refunds and drawbacks and he deposits it to his credit and issues cheques to persons and firms entitled thereto.

Frequently the Departmental cheque is for a refund or drawback due to an individual firm. In such cases might not the Collector endorse over the Departmental cheque to party entitled thereto and so obviate the necessity of depositing it and issuing a Collector's cheque?

I am, sir, your obedient servant,

J. FRASER, A.G.

The Commissioner of Customs.

DEPARTMENT OF CUSTOMS, OTTAWA, October 7th, 1911.

SIR,—I have the honour to acknowledge the receipt of your letter of the 27th ultimo, in which you suggest that when a Departmental Cheque for a refund or drawback is due to an individual firm, the Collector should endorse such cheque over to the party entitled thereto.

In the opinion of the Department the present practice is preferable to that you propose, as for greater security we desire that the Collector shall be responsible for the endorsement on the cheque, and this would be impossible if the Departmental cheque were endorsed over to the individual. Under the present arrangement a full record of the payment is shown in the Collector's monthly bank statement, and the port cheque is forwarded to your office for examination.

I am, sir, your obedient servant,

JOHN McDUGALD,

Commissioner of Customs.

The Auditor General.

Re Customs Revenue.

AUDIT OFFICE, OTTAWA, January 7th, 1912.

SIR,—On November 29th last, the Collector's returns for April, May and June, reached this office: none since.

The Refund and Drawback vouchers for August are the last to hand.

It is necessary for the performance of the work of audit that these returns and vouchers should reach us as promptly as possible.

Is there any reason why Collectors' returns should not be forwarded monthly, or why each month's returns should not reach us within the next two months?

Your attention is requested.

I am, sir, your obedient servant,

J. FRASER, A.G.

The Commissioner of Customs.

DEPARTMENT OF CUSTOMS, OTTAWA, February 2nd, 1912.

SIR,—I beg to acknowledge the receipt of your letter of the 17th ult., respecting delay in furnishing your Office with the monthly revenue returns of Collectors of Customs and find upon enquiry that the delay in forwarding these returns has been caused by the practice of our officials in awaiting the receipt in the Department of reports from a few unimportant places.

There is no reason why these returns should not be forwarded to you within a period of sixty days after the close of each month and I have given instructions that they are to be so forwarded in future—the missing returns to be noted on the statements.

I am advised that the refund and drawback vouchers for the month of September were sent you on the 20th ult., and that the vouchers for October will be forwarded early next week.

The Accountant has been instructed that these vouchers are to be forwarded to your office more promptly in future.

I am, sir, your obedient servant,

JOHN McDUGALD,

Commissioner of Customs.

The Auditor General.

SESSIONAL PAPER No. 1

Re Customs Inspections.

AUDIT OFFICE, OTTAWA, January 27th, 1912.

SIR,—The following Ports and Outports do not seem to have been inspected during 1911, viz.:—

* * * * * * * * *

Owing to the practice, which seems to be general, of depositing each day the receipts of the previous day, it is possible that a portion of the current day's receipts might be used to make up the previous day's receipts.

The only means of discovering if this were done, is by the Inspectors counting the cash immediately on commencing their inspection, which, no doubt, they do

Are the daily entries from each port forwarded to your Department and examined and audited?

I am, sir, your obedient servant,

J. FRASER, A.G.

The Commissioner of Customs.

DEPARTMENT OF CUSTOMS, OTTAWA, March 25th, 1912.

SIR,—I have the honour to refer to your letter of the 27th January last, in which you state that certain ports and outports do not appear to have been inspected during 1911, and would advise you that inspection reports for the following offices have been sent you since your letter was written, viz.:—Digby, N.S., Middleton, N.S., Yarmouth, N.S., Guelph, Ont., Grand Forks, B.C., Carson, B.C., Cascade, B.C., Trail, B.C., and Waneta, B.C.

Your officers apparently overlooked the receipt of some inspection reports, as upon examination of our records I find that reports of inspection of the following offices were sent you on the dates mentioned, viz.:—

Paspebiac, Que.....	August 4th, 1911.
Bridgeburg, Ont.....	January 4th, 1912.
Kingston, Ont.....	January 4th, 1912.
Bath, Ont.....	January, 4th 1912.
Portage la Prairie, Man.....	January 5th, 1912.

The inspection of Big Muddy, Willow Creek, and Wood Mountain, Sask., has been delayed, owing to the superannuation of Inspector G. H. Young, but this work will be undertaken by Inspector H. C. Graham, at the earliest possible date.

Similarly the inspection of the Port of Nelson and Outport of Kaslo has been delayed because of the continued illness of Inspector John Kenny, but these offices will be inspected as soon as possible by Mr. Inspector A. C. Paterson, recently appointed, and Mr. Kenny who returned to duty this month.

The office at Key Harbor, not Key Hart, was not open in 1911, and the Department is not prepared at present to send an officer to Moose Factory and York Factory to inspect these places where duties are collected from the Hudson's Bay Company only.

With respect to your remarks as to the possible use of a portion of one day's receipts to make up the deposit for receipts of the previous day, you are advised that the Inspectors count the cash immediately on commencing their inspection.

The daily entries of each port are forwarded to the Department and examined and audited.

The Customs office at Middleton, with all papers and records, was destroyed by fire on 27th January, 1911, but the report of inspection of business at that port since that date was sent you on the 20th instant.

I am, sir, your obedient servant,

JOHN McDUGALD,
Commissioner of Customs.

The Auditor General.

Re Customs Montreal, Special Account.

AUDIT OFFICE, OTTAWA, January 4th, 1912.

SIR,—The Collector of Customs, Montreal, collects wharfage which is paid over to the Harbour Commissioners. The amount paid over in November was \$53,500.

I should like to know what supervision your Department exercises over these receipts and payments. Do the officers of the Harbour Commission check the amounts collected and give the Collector a satisfactory acquittance?

Pilotage amounting to \$725.54, was also collected and paid over in November to the Corporation of Pilots. Do the officers of this Corporation check the receipts and give the Collector satisfactory acquittance?

There is held in this account \$28.47, for outstanding cheques issued between 1904 and 1908. Should this amount not be deposited to credit of Receiver General?

I am, sir, your obedient servant,

J. FRASER, A.G.

The Commissioner of Customs.

DEPARTMENT OF CUSTOMS, OTTAWA, January 22, 1912.

SIR,—Referring to your letter of the 4th instant, respecting Special Account, Customs, Montreal, the Collector of Customs at Montreal reports as follows:—

"Some years ago the Harbour Commissioners created an audit branch for the special purpose of checking wharfage account, and two of their officers, with headquarters at the Custom House, are engaged solely on this work. Wharfage papers, &c., are checked by these officers and the daily collections are audited and a record thereof kept by them. We remit to the Harbour Commissioners twice a month by cheque, and get receipts. The paid cheques returned by the Bank, and sent to the Auditor General with the monthly Special Bank Statement, are additional vouchers.

"The Corporation of Pilots, Quebec, keep a close check on pilotage collections. When the sea pilotage is paid at this port the master of the vessel is given a receipt which is handed to the pilot when he boards the vessel at Quebec. In default of such receipt the pilotage is exacted at Quebec. For some seasons

SESSIONAL PAPER No. 1

past most of the pilotage fees have been paid direct to the Corporation, and they see that every vessel requiring a pilot is duly accounted for. A detailed statement of collections at this port is forwarded to Quebec after the close of each month. We notify the Corporation on the last day of the month of the amount to their credit, and their practice is to draw on the Collector through the Banque Nationale. The paid cheques, which accompany the Special Bank Statement to the Auditor General, and the paid drafts are our vouchers."

With regard to your inquiry as to outstanding cheques issued between 1904 and 1908, amounting to \$28.47, you are advised that this amount covers 19 cheques issued as refunds of sums over in cheques tendered by importers in payment of duties. The Collector at Montreal has been instructed to again notify the importers that these cheques are outstanding, and to arrange to have them cleared from the balance sheet at an early date.

I am, sir, your obedient servant,

JOHN McDUGALD,
Commissioner of Customs.

The Auditor General.

AUDIT OFFICE, OTTAWA, June 6th, 1912.

SIR,—I beg to draw your attention to voucher No. 4017 covering distribution of certain Special Branch Seizures.

According to this voucher Inspector Geo. H. Young received, as seizing officer, \$1,007.15 on account of seizures Nos. 1734 and 1735.

As Inspector Young is in receipt of a salary of \$2,500 per annum, it would appear that he is not entitled to any award or share in the proceeds of fines or penalties imposed in connection with Customs seizures, under the provisions of Order in Council of 8th June, 1892. I shall be glad to know if amendments have been made to this order enabling officers in receipt of more than \$2,000 salary to participate in awards of seizures.

I am, sir, your obedient servant,

J. FRASER, A.G.

The Commissioner of Customs.
