Report of the Auditor General.

I have the honour to submit the Report of the Auditor General of Canada, for the fiscal year ended 31st March, 1913, including statements in detail of the Expenditure and Revenue of the Dominion of Canada for that period.

In 1912 an Act was passed authorizing a bounty of \$100 each to Volunteers who served the Crown during the Fenian Raids. In the discussion which took place when the proposed Act was before the House the Hon. the Minister of Militia estimated the number to be paid as between 8,000 and 10,000. Up to the 12th December, 1913, 15,856 warrants have been issued amounting to \$1,585,600 or \$585,600 above the highest estimate.

The Civil Service Act of 1908 has been in operation for nearly five years. This Act established the principle of competitive examinations for entrance into the Inside Service and also fixed a scale of minimum and maximum salaries for the various classes. A number of amendments have been made since the passing of the Act. Some difficulty has arisen in the interpretation of some of the sections as will be seen by a perusal of the correspondence shown on Page A—9. I would respectfully suggest that the time has arrived when the Act should be amended and consolidated to remove these difficulties.

Section 310 of the Dominion Elections Act provides that the fees, allowances and disbursements in connection with the holding of elections shall be paid to the Returning Officer and shall be distributed by him to the several persons entitled thereto. This provision has led to serious difficulties in the settlement of election accounts. After the accounts have been audited and the money sent to the Returning Officer for the payment of these fees and allowances, there are many instances in which the Returning Officer has failed to pay over the money to the persons entitled thereto, and there seems to be no practical method for recovering these monies or compelling the Returning Officer to make the distribution.

J. FRASER,

Auditor General.

Re Persons eligible under The Civil Service Act for transfer to the Inside Service.

AUDIT OFFICE, OTTAWA, October 2nd, 1912.

SIR,—I have to request to be furnished with a copy of the report made by you in regard to the transfer of Mr. R. M. Easton from the Outside to the Inside Service in your Department.

Also please state when he was appointed to and the positions held by him in the Outside Service and the date of his birth.

I am sir, your obedient servant,

The Deputy Minister of Interior.

E. D. SUTHERLAND, *for A.G.*

DEPT. OF THE INTERIOR, OTTAWA, October 8th, 1912.

SIR,—In reference to the request contained in your letter of the 2nd instant regarding the transfer of Mr. R. M. Easton from the Outside to the Inside Service, I beg to enclose herein copy of the report made in connection with such transfer which will no doubt convey the desired information.

Yours truly,

The Auditor General,

J. A. COTE, *Acting D. M.*

DEPARTMENT OF THE INTERIOR, OTTAWA, May 31, 1912.

SIR,—I have the honour to report that there is a vacant clerkship in Subdivision B of the Second Division of the Topographical Surveys Branch, owing to the resignation of Mr. J. F. Fredette, and I respectfully recommend, under the provisions of Section 50 of the Civil Service Act, as amended by Chapter 8, 9-10 Edward VII, that Mr. Roderick Myles Easton be transferred from the Outside Service to the Inside Service in Subdivision B of the Second Division at his present salary of \$1,014 per annum, such transfer to date from the 1st June, 1912.

Mr. Easton was born on the 23rd November, 1884; he has been employed in connection with the lithographic office of the Topographical Surveys Branch since the 17th of May, 1909, and he has been continuously in employment for a period of over three years.

Mr. Easton's duties are to assist at the preparation of township plans and I am further to add that the duties he is performing are of a like character to those of the position to which he is to be transferred. He is well qualified for the office and if his duties were performed in the Inside Service he would be entitled to the said position.

I am, sir, your obedient servant,

W. W. CORY.

D. M.

The Minister of the Interior.

AUDIT OFFICE, October 16th, 1912.

SIR,—I have to acknowledge receipt of your letter of the 8th instant in reference to the transfer of R. M. Easton from the Outside to the Inside Service, and in reply to say that Mr. Easton, not having been appointed by Order in Council is not eligible for a transfer to the Inside Service.

It appears that he was employed at Ottawa at a weekly salary and at work that did not bring him within the requirements of the Civil Service Act, otherwise he could not, legally, have been employed without a Certificate of the Civil Service Commission and then only for a period of six months in any one year.

I am, sir, your obedient servant,

J. FRASER, A. G.

The Deputy Minister of the Interior.

INTERIOR DEPARTMENT, OTTAWA, Oct. 22, 1912.

SIR,—In reference to your letter of the 16th instant regarding the transfer of Mr. R. M. Easton from the Outside to the Inside Service, I beg to bring to your attention the following facts in addition to those which were contained in the memorandum sent to you on the 8th of the current month. It is noted that the objections to the transfer are that Mr. Easton was not appointed by Order-in-Council, that he was employed at a weekly salary and at work which did not bring him within the requirements of the Civil Service Act. In reply I may say that Mr. Easton was attached to the lithographic printers' staff at the Topographical Surveys Branch on the 17th May, 1909, and that his salary was charged to the appropriation for Surveys of Dominion Lands, which is an Outside Vote. He was found to be very competent and he was afterwards employed at the preparation of plans to be photographed, a class of work of a purely clerical character.

I wish to add that Mr. Easton has taken the technical course of the International Typographical Union Commission, of Chicago, conducted by the Inland Printer Technical School. This course comprises a study of hand-lettering, balance, proportion, tone, harmony, scientific study of light and of colour, study of paper, inks and the various methods of process engraving.

From the above you will perceive that Mr. Easton is not what may be termed an ordinary printer, but that he possesses qualifications which pertain to a clerical character and that the work he is performing is of such a nature as to entitle him to a clerkship on the Inside Service. In fact, I may say that clerks who were performing exactly the same class of duties in 1908 were placed on the Inside Service at the time of the classification.

It is hoped, therefore, that with the above explanation you will be in a position to allow the transfer to go through without any further delay.

Yours truly,

W. W. CORY, D. M.

The Auditor General.

SESSIONAL PAPER No. 1

AUDIT OFFICE, OTTAWA, October 26, 1912.

SIR,—I enclose herewith correspondence with the Department of the Interior in reference to the transfer of R. M. Easton from the Outside to the Inside Service of the Department.

It appears to me that Mr. Easton was not in the Civil Service and therefore the transfer could not have been made.

I presume the information contained in these letters was not given to the Treasury Board at the time the case was dealt with and it was supposed that Mr. Easton had been regularly appointed to the Outside Service.

I would suggest that the opinion of the Department of Justice should be obtained as to the status of Mr. Easton and whether he was eligible to be transferred under the provisions of the Civil Service Act.

I am, sir, your obedient servant,

J. FRASER, A.G.

The Deputy Minister of Finance.

FINANCE DEPARTMENT, OTTAWA, November 4th, 1912.

DEAR SIR,—I enclose herewith correspondence between the Auditor General and the Department of the Interior respecting the transfer of Mr. R. M. Easton from the Outside to the Inside Service of that Department.

Briefly stated Mr. R. M. Easton appears to have been employed at Ottawa at a weekly salary since the 17th May, 1909. He was not appointed by Order in Council nor through the instrumentality of the Civil Service Commission. He was attached to the lithographic printers' staff of the Topographical Surveys Branch and his salary was charged to the appropriation for Surveys of Dominion Lands. The Auditor General holds that Mr. Easton, not having been appointed by Order in Council, is not in the Civil Service and that therefore the transfer to the Inside Service could not be made under the provisions of section 50 of the Civil Service Act as amended by sections 4 and 5 of Chapter 8, Statutes of 1910.

I shall be very much obliged if you will give the matter consideration as suggested by the Auditor General with the view of establishing the status of Mr. Easton and whether he is eligible to be transferred under the provisions of the Civil Service Act. In this connection may I call your attention to section 3 of the Civil Service Amendment Act, 1908, which defines the Outside Service as consisting of "the rest of the public service".

Yours truly,

T. C. BOVILLE, D.M. F.

The Deputy Minister of Justice.

JUSTICE DEPT., OTTAWA, 11th November, 1912.

DEAR SIR,—Referring to your letter of the 4th instant, submitting correspondence between the Auditor General and the Department of the Interior, respecting the proposed transfer of Mr. R. M. Easton from the Outside to the Inside Service of that department. I am of opinion that in view of the fact that Mr. Easton is employed in the public service he must be a member of the Outside Service if he be not in the Inside Service. See the provision to which you refer, section 3 of the Act of 1908. I do not think his membership of the

Outside Service, or his eligibility for transfer to the Inside Service depends upon whether or not he was appointed by Order in Council. I observe, however that the Auditor General, in his letter to the Deputy Minister of the Interior of 19th October last, states that Mr. Easton "was employed at Ottawa at a weekly salary at work that did not bring him within the requirements of the Civil Service Act, otherwise he could not have been legally employed without a certificate of the Civil Service Commission, and then only for a period of six months in any one year". This statement appears to raise a question as to the legality of Mr. Easton's employment, and inasmuch as he was employed at the city of Ottawa, I do not see at present how he would escape classification in the Inside Service under the definition of the said section 3.

Mr. Easton, so far as I perceive, does not fall within the description of paragraph (b) of section 4 of the Civil Service Act, nor is he employed in an office of a purely local character.

I would, however, reconsider the case upon the statement of any grounds which are thought to exclude Mr. Easton from the application of the provisions of the Act of 1908 governing the Inside Service.

Papers returned.

I have, etc.,

The Deputy Minister of Finance.

E. L. NEWCOMBE, D. M. J.

FINANCE DEPARTMENT, OTTAWA, November 19th 1912.

DEAR SIR,—Referring to your letter of the 26th ultimo, in the matter of the transfer of Mr. Easton, I beg to enclose herewith copies of correspondence with the Department of Justice on the subject.

Yours truly,

The Auditor General.

T. C. BOVILLE, D.M.F.

AUDIT OFFICE, November, 25, 1912.

SIR,—I have to acknowledge receipt of your letter of the 19th instant enclosing correspondence with the Department of Justice *re* transfer of Mr. Easton from the Outside to the Inside Service. I would like to direct your attention to the wording of Section 50, Civil Service Act, which provides for a transfer of *Officers*. No mention is made of Clerks. Also see Civil Service Act, 1910, Section 6, which reads—"Any officer or employee" &c., making a distinction between officers and employees. I think you will agree with me that an officer is one who has received his appointment by Order in Council, while an employee may have been engaged by the Minister of a Department and has no permanent tenure of office and is therefore not eligible for transfer to the Inside Service, although, by the Civil Service Act, 1908, he may be in the Outside Service, that is in the Public Service.

My first contention was that Mr. Easton, not having been appointed by Order in Council, was not in the Outside Service, that is, not in the class in the Outside Service who were eligible for transfer, although not so stated in my letter. He was only an employee. I would like to have the attention of the Deputy Minister of Justice directed to this view of the case.

I am, sir, your obedient servant.

The Deputy Minister of Finance.

J. FRASER, A.G.

SESSIONAL PAPER No. 1

FINANCE DEPARTMENT, OTTAWA, December 17, 1912.

DEAR SIR,—Referring to your letter of the 25th ultimo, respecting the case of Mr. Easton, I beg to enclose herewith copy of a letter received from the Department of Justice on the subject.

Yours truly,

The Auditor General.

T. C. BOVILLE, *D.M.F.*

DEPARTMENT OF JUSTICE, OTTAWA, 9th December, 1912.

DEAR SIR,—Referring to your letter of the 4th instant, enclosing copy of a letter from the Auditor General with regard to the case of Mr. Easton, I think the Auditor General is right in the point which he now takes. In writing my letter of 11th ultimo, I failed to observe that section 50 of the Civil Service Act is limited to exchange of position between officers. It does not extend to mere employees, and there is a plain distinction running through the Act between officers who hold their positions by appointment, and employees who are merely engaged or retained in the service by departmental authority. It would appear to me therefore that Mr. Easton is not an officer within the meaning of section 50.

Yours very truly,

The Deputy Minister of Finance.

E. L. NEWCOMBE, *D.M.J.*

AUDIT OFFICE, October 31, 1912.

SIR,—I have to request to be furnished with a copy of the report made by you in regard to the transfer from the Outside to the Inside Service of your Department of Mr. Alfred Fortey. Please state the date of his appointment, the position held by him in the Outside Service, where employed and the date of his birth.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *for A.G.*

The Deputy Minister of Marine and Fisheries.

DEPARTMENT OF MARINE AND FISHERIES, OTTAWA, November 7, 1912.

SIR,—I beg to acknowledge the receipt of your letter of the 31st ultimo in which you ask to be furnished with a copy of my report in regard to the transfer from the Outside to the Inside Service of this Department of Mr. Alfred Fortey.

You will please find herewith a copy of the report alluded to. With regard to the other information which you require, I may say that Mr. Alfred Fortey was appointed to the Outside Service on the 28th July, 1909, in the capacity of District Engineer for the Province of Ontario. He was born on the 22nd July, 1875.

I am, sir, your obedient servant,

The Auditor General.

C. STANTON, *Asst. D.M.*

DEPARTMENT MARINE AND FISHERIES, OTTAWA, October 19, 1912.

SIR,—I have the honour to report that the Chief Engineer of the Department of Marine and Fisheries requires the services of an experienced clerk in his Branch, to attend to requisitions, warrants, accounts and keeping up the records of construction work, and he states that Mr. Alfred Fortey is specially qualified for this position on account of his experience as District Engineer and the insight into office work he has gained during the three years he has been so employed. He accordingly recommends that Mr. Fortey be transferred from the Outside to the Inside Service of the Department.

Mr. Fortey is in receipt of a salary of \$1,200 per annum and performs duties of a like character to those of the position to which it is proposed to transfer him, and if he were in the Inside Service he would be entitled to the said position for the duties of which he is duly qualified.

Provision has been made in the Appropriation for Civil Government, for the current fiscal year, for the payment of the salary of a clerk at the rate of \$1,200 per annum subdivision 'B' Second Division. I have, therefore, the honour to recommend, under the provisions of section 50 of the Civil Service Act, that Mr. Fortey be transferred from the Outside Service to the Inside Service of the Department of Marine and Fisheries at his present salary of \$1,200 per annum in sub-division 'B' of the Second Division, such transfer to date from the 1st October, 1912.

I am sir, your obedient servant,

A. JOHNSTON, D.M.

The Minister of Marine and Fisheries.

AUDIT OFFICE, December 23, 1912.

SIR,—In regard to the transfer of Mr. Alfred Fortey from the Outside Service to the Inside Service of your Department, I send you herewith copies of correspondence in reference to a somewhat similar case.

Under the opinions given by the Justice Department Mr. Fortey is not eligible for transfer to the Inside Service.

I am, sir, your obedient servant,

J. FRASER, A.G.

The Deputy Minister of Marine and Fisheries.

AUDIT OFFICE, January 16, 1913.

SIR,—I have to request that you furnish me with a copy of the report made by you in regard to the transfer of Mr. W. R. Little from the Outside to the Inside Service of your Department.

Also please state when he was appointed, the positions held by him in the Outside Service, and the date of his birth.

I am, sir, your obedient servant,

The Deputy Minister of Interior.

J. FRASER, A.G.

SESSIONAL PAPER No. 1

INTERIOR DEPT., OTTAWA, January 21, 1913.

SIR,—In accordance with the request contained in your letter of the 16th instant, I beg to enclose herein copy of the report made in connection with the transfer of Mr. W. R. Little from the Outside to the Inside Service of this Department.

Yours truly,

W. W. CORY, *D. M.*

The Auditor General.

INTERIOR DEPARTMENT, OTTAWA, December 12, 1912.

SIR,—I have the honour to report that there is a vacant clerkship in Subdivision A of the Second Division in the Dominion Astronomical Observatory, owing to the resignation of Mr. C. C. Smith, and that it is necessary for the proper working of the Immigration Branch to have that clerkship transferred thereto. I beg therefore to recommend that the classification and organization of the Department of the Interior be amended by transferring the above-mentioned clerkship from the Dominion Astronomical Observatory to the Immigration Branch as aforesaid.

I beg further to recommend, under the provisions of Section 50 of the Civil Service Act, as amended by Chapter 8, 9-10 Edward VII, that Mr. William Rogerson Little be transferred from the Outside to the Inside Service, in Subdivision A of the Second Division, to a position in the Immigration Branch at his present salary of \$1,600 per annum, such transfer to date from the 1st of December, 1912.

Mr. Little was born on the 5th October, 1875; he was employed in connection with the Yukon Territory from the 20th August, 1900 to the 31st August, 1911, and from the 1st September, 1911 to the present date he has been attached to the Immigration Outside Service. Mr. Little has had considerable experience in connection with departmental matters and I am further to add that the duties he is performing at the present time are of a like character to those of the position to which he is to be transferred. He is well qualified for the office and if his duties were performed in the Inside Service he would be entitled to the said position.

I am, sir, your obedient servant,

W. W. CORY, *D. M.*

The Minister of the Interior.

INTERIOR DEPT., OTTAWA, February 13, 1913.

DEAR SIR,—On the 7th January last, an Order in Council was passed authorizing the transfer of Mr. W. R. Little from the Outside to the Inside Service at his present salary of \$1,600 per annum, such transfer to date from the 1st December, 1912. I understand that some doubt has been raised as to the power of the Governor in Council to authorize a transfer of this kind, owing to the fact that Mr. Little did not hold the status of an 'officer' within the meaning of the provisions of the Civil Service Act, as contained in the Revised Statutes of 1906, and the subsequent amendments thereto. In this relation, I would refer you to your letter of the 25th November last, addressed to the Deputy Minister of Finance, in which you call attention to the term 'officer' mentioned

in Section 50, of the Civil Service Act, which would in your opinion preclude the transfer of an ordinary employee or clerk from the Outside to the Inside Service. I do not think that the word 'officer' has any specific or defined meaning under the Act, as where provisions of a general nature are made, there is no distinction between the words 'officer' and 'clerk,' each term implying the meaning of a person to whom the Act applies. In support of this contention, I would call your attention to Sections 91 and 92, of the Act. You will find that in the former Section no reference is made to 'officers' and in the latter Section no reference is made to 'clerks.' These provisions, however, are very important, as they relate to the status of Government employees and the deduction of pay in the case of unauthorized absence. However, apart from this consideration, I would like to mention that all appointments made by the Minister of the Interior to positions in our Yukon, Dominion Lands or Immigration services have the same force and effect as if they were made by Order in Council. In this connection, I would refer you to Section 79 of the Dominion Lands Act, 7-8 Edward VII, Chapter 20, and also to Sections 6 and 7 of The Immigration Act, where the Minister of the Interior is empowered to appoint not officials or clerks or employees, but officers. As for the Yukon Territory, in 1898 Parliament gave the Governor in Council power to make laws for the good Government of that district. In the same year, the Governor in Council, exercising such powers, established a number of offices in the Yukon—the holders or incumbents of such offices being specifically designated as 'officers.' Amongst these offices was that of 'Clerk to the Commissioner of the Yukon Territory,' and to this position Mr. W. R. Little was appointed on the 20th of August, 1900. He remained continuously in that employ until the 31st of October, 1910, when he was temporarily transferred to other outside duties, but his employment has always been continuous since he was first appointed.

I may say that these facts were submitted to the Deputy Minister of Justice verbally by Mr. Coté, of my office, and Mr. Newcombe agreed with the view that the members of our Outside Service, connected with our Yukon, Dominion Lands and Immigration Branches, were clearly eligible for transfer to the Inside Service, under the provisions of Section 50 of the Act, should it be found advisable in the public interest to attach any of them to our headquarters' staffs.

Under the circumstances, I trust that you will allow Mr. Little's ease to go through in the usual way.

Yours truly,

W. W. CORY, *D. M.*

The Auditor General.

AUDIT OFFICE, May 23, 1913.

SIR,—Under an Order in Council dated May 15, Mr. S. H. Waggoner is transferred from the Outside to the Inside Service of your Department at his present salary of \$1,400.

Mr. Waggoner was transferred to the Outside Service on the 1st July, 1912 at the salary he was then receiving namely \$1,250.

I do not consider that he is eligible under the Civil Service Act for retransfer now to the Inside Service.

I am, sir, your obedient servant,

The Commissioner of Customs.

J. FRASER, *A.G.*

SESSIONAL PAPER No. 1

DEPARTMENT OF CUSTOMS, OTTAWA June 4, 1913

SIR,—I am instructed to ask for a legal opinion from the Department of Justice in the following case:—Stephen H. Waggoner was by Order in Council appointed a clerk in the Customs Outside Service at Ottawa and was employed as such clerk from the 1st July, 1890, to the 1st May, 1911, when he was transferred to the Inside Service of the Department of Customs, as a clerk in the Second Division, Sub-Division B.

On the 1st July, 1912, he was transferred to the Outside Service of the Customs at \$1,250, the salary he was then receiving.

By Order in Council dated 15th May, 1913, Mr. Waggoner was transferred from the Outside to the Inside Service of the Customs at a salary of \$1,400—(the salary he was then receiving in the Outside Service being \$1,700.) The certificate called for by Section 50 of the Civil Service Act (as amended in 1910) was furnished in connection with this last transfer.

The Auditor General now writes the following letter, dated May 23, 1913:—

“Under an Order in Council dated May 15, Mr. S. H. Waggoner is transferred from the Outside to the Inside Service of your Department at his present salary of \$1,400.

“Mr. Waggoner was transferred to the Outside Service on the 1st July, 1912 at the salary he was then receiving, namely, \$1,250.

“I do not consider that he is eligible under the Civil Service Act for retransfer now to the Inside Service.”

The question, therefore, submitted for legal opinion is this—Was Mr. Waggoner, in these circumstances, eligible on May 15, 1913, for transfer to the Inside Service of the Department of Customs as a clerk in the Second Division, Sub-Division B, although he had been previously employed in the Inside Service, his subsequent term of employment in the Outside Service being less than three years.

I am, sir, your obedient servant,

JOHN McDUGALD, *Commissioner*.

The Deputy Minister of Justice.

JUSTICE DEPT., OTTAWA, June 9, 1913.

SIR,—Referring to your letter of the 4th instant, with regard to the proposed transfer of Mr. Stephen H. Waggoner from the Outside to the Inside Service, I am of opinion that such transfer is authorized by section 50 of the Civil Service Act as amended. I see no reason to doubt upon your statement of the case that Mr. Waggoner has satisfied the condition requiring service for a period of three years in the Outside Service.

I am, sir, your obedient servant,

The Commissioner of Customs.

E. L. NEWCOMBE, *D.M.J.*

DEPARTMENT OF CUSTOMS, OTTAWA, June 10, 1913

SIR,—I have the honour to acknowledge the receipt of your letter of the 23rd ultimo, respecting the transfer of Mr. S. H. Waggoner to the Inside Service of this Department.

In reply I enclose copy of a letter sent to the Deputy Minister of Justice, together with his reply, on this subject.

From this you will see that in the opinion of the Department of Justice Mr. Waggoner has satisfied the condition requiring a service of three years in the Outside Service.

I am, sir, your obedient servant,

The Auditor General.

JOHN McDOUGALD, *Commissioner*.

Re Appointment of Two Private Secretaries in One Department.

AUDIT OFFICE, June 28, 1913.

SIR,—I am in receipt of an Order in Council appointing Mr. J. E. Tremblay a clerk for a period of one year from the 1st April, 1913, in Subdivision "B" of the Second Division at a salary of \$1,200 under the provisions of Section 31, of the Civil Service Act, as amended by Chapter 15 of 1912. I also have your application to pay Mr. Tremblay the difference between his present salary, \$800, and that fixed by the Order in Council, \$1,200, for April, May and June.

Before certifying the payroll I should like to have a statement of your reasons for considering that more than one appointment may be made in a department under the provisions of Chapter 15 of 1912.

I am, sir, your obedient servant,

The Deputy Minister of Justice.

E. D. SUTHERLAND, *for A.G.*

DEPARTMENT OF JUSTICE, OTTAWA, June 30, 1913

SIR,—I have the honour to acknowledge your letter of the 28th instant, respecting the appointment of Mr. J. E. Tremblay, as Private Secretary to the Minister of Justice, under the provisions of Chapter 15 of the Statutes of 1912, and in reply beg to state that under paragraph (j) of Section 31 of the Interpretation Act (I.S.C., 1906 Chap. 1) words in the singular include the plural and words in the plural include the singular. Under the Act of 1912 above referred to, a Minister may therefore, appoint two or more persons to be his Private Secretaries.

I am, sir, your obedient servant,

The Acting Auditor General.

FRANCIS H. GISBORNE, *Acting D.M.*

SESSIONAL PAPER No. 1

Re Appointment of Private Secretary to other than the Head of a Department.

AUDIT OFFICE, OTTAWA, October, 4, 1912.

SIR,—At the last Session of Parliament the following item was passed in the supply Bill: item 573 "to provide for the "salary of a Private Secretary to the Honourable Mr. Lougheed, a member of the Cabinet and Leader of the Senate, \$1,200".

Mr. A. Hinds was appointed as Private Secretary to Mr. Lougheed at a salary of \$600 per annum.

Mr. Hinds is a permanent clerk in the Civil Service on the staff of the Senate.

Sec. 81 Civil Service Act provides that any member of the Civil Service may be appointed Private Secretary to the head of a department and may be paid an additional salary not exceeding six hundred dollars a year whilst so acting.

Hon. Mr. Lougheed is a Minister without portfolio.

I have to request that you will advise me as to whether Mr. Hinds can legally be paid the amount of \$600 per annum as a private secretary in addition to his salary as a clerk in the Senate, or does Sec. 38 of the Civil Service Amendment Act 1910 apply to him in this connection.

I am, sir, your obedient servant,

The Deputy Minister of Justice.

J. FRASER, A.G.

DEPARTMENT OF JUSTICE, OTTAWA, October 9, 1912.

SIR,—Referring to your letter of 4th instant, section 8 of the Civil Service Act does not apply as Mr. Lougheed is not the head of a department. I observe that there is a special vote of \$1,200 to provide for the salary of his private secretary, and this may doubtless be applied to the full extent, but I do not think that in the absence of special words any part of it can be used to increase the salary of a clerk subject to the Civil Service Act.

I am, sir, your obedient servant,

E. L. NEWCOMBE, D. M.

The Auditor General.

AUDIT OFFICE, October 12, 1912.

SIR,—In the Supplementary Estimates for the current fiscal year there is provision for the payment of a private secretary to the Honourable Mr. Lougheed. An Order in Council was passed appointing Mr. A. Hinds to the position at \$600 per annum.

I find that Mr. Hinds is a member of the Senate Staff and therefore under the Civil Service Act.

Mr. Lougheed is not the head of a department and Section 81 of the Civil Service Act does not apply in his case.

Under these circumstances Mr. Hinds cannot receive this addition to his salary (See Section 21 of the Civil Service Act, 1910) and should be asked to refund the amounts already paid to him as private secretary.

I am, sir, your obedient servant,

The Deputy Minister of Finance.

J. FRASER, A. G.

FINANCE DEPARTMENT, October 15, 1912.

DEAR SIR,—I beg to acknowledge receipt of your letter of the 12th instant, respecting the allowance made to Mr. Hinds as private secretary to Honourable Mr. Lougheed.

I have written to Mr. Hinds requesting that the amount already paid for this service, \$300, be refunded.

No further payments will be made on this behalf.

Yours truly,

T. C. BOVILLE, D. M.

The Auditor General.

FINANCE DEPARTMENT, October 21, 1912.

DEAR SIR,—Referring to your letter of the 12th instant, respecting the allowance paid to Mr. Hinds as private secretary to the Honourable Mr. Lougheed, I enclose herewith copy of a letter addressed to Mr. Hinds in the above matter, together with a copy of his reply.

Yours truly,

T. C. BOVILLE, D. M.

The Auditor General.

FINANCE DEPARTMENT, October 15, 1912.

DEAR SIR,—My attention has been drawn by the Auditor General to the fact that you are being paid, in addition to your salary as a Civil Servant, at the rate of \$600 per annum as private secretary to the Honourable Mr. Lougheed.

Under the terms of the Civil Service Act it is held by the Auditor General that Mr. Lougheed is not the Head of a Department and Section 81 of the Act does not apply to your case.

It is pointed out by the Auditor General that under the provisions of Section 21 of the Civil Service Act, 1910, this amount cannot be paid to you and he requests that the amount already paid during the current year, \$300, be refunded. Will you be so good as to have the necessary refund made and forwarded to me.

Yours truly,

T. C. BOVILLE, D. M.

A. Hinds, Esq.,
The Senate.

THE SENATE, OTTAWA, October 17, 1912.

DEAR MR. BOVILLE,—I beg to acknowledge receipt of your letter of the 15th instant, respecting the payment to me of \$600 per annum as private secretary to the Honourable Mr. Lougheed, Minister without Portfolio.

As the Honourable Mr. Lougheed is at present in Calgary would you be good enough to let the matter stand until his return, when it can doubtless be arranged to have the matter set straight in the Supplementary Estimates.

Believe me, yours faithfully,

The Deputy Minister of Finance.

A. H. HINDS,

SESSIONAL PAPER No. 1

Re Promotion without Certificate of Civil Service Commission.

AUDIT OFFICE, April 4, 1912.

SIR,—I have your application to pay John Leslie of your Department the sum of \$275 for the year 1911-12. It is stated as arrears on account of his promotion from 1st April 1911.

The item in the Supplementary Estimates providing for Mr. Leslie reads as follows: "amount required on account of salary of J. Leslie, promoted to First Division, Sub-div. A from April 1st 1911, \$275." I understand that Mr. Leslie was not promoted, having failed to obtain the certificate of qualification from the Civil Service Commissioners. Is it contended that the statement of fact which was not a fact became such when Parliament adopted the resolution or that Parliament promoted Mr. Leslie by this resolution without the requirements of the Civil Service Act having been complied with?

I see that in the Post Office Department Estimates No. 380, there are a number of cases similar to Mr. Leslie's, where Parliament used the words "hereby promoted" making their intention quite clear, viz: that Parliament was then promoting by this resolution, but in Mr. Leslie's case, it appears to me that they resolved that the sum of \$275 be granted to His Majesty to provide for the payment of Mr. Leslie who had been promoted, not being aware of the fact that he had not been promoted. Will you kindly give me your opinion on the matter.

I am, sir, your obedient servant,

J. FRASER, A.G.

The Deputy Minister of Justice.

JUSTICE DEPARTMENT, OTTAWA, April 6, 1912.

SIR,—Referring to your letter of the 4th instant with regard to the statutory promotion of Mr. John Leslie, an officer of my department, I do not distinguish in effect between the expressions "promoted", and "hereby promoted", seeing that they appear in an Act of the Parliament which has power to effect the promotion. Mr. Leslie is recognized by the statute as a *promoted* officer, and the fact cannot therefore be questioned. Moreover, the estimate was submitted to parliament for the very purpose of bringing about the promotion, which had been illegally obstructed by one of the Civil Service Commissioners, and the intention of the vote so explained by the House. I do not see any ground therefore for your supposition that Parliament may have been misled; but in any case, as already stated, the statute is in my opinion conclusive as to Mr. Leslie's status.

I am, sir, your obedient servant,

E. L. NEWCOMBE, D.M.

The Auditor General.

AUDIT OFFICE, February 8, 1912.

SIR: I am in receipt of an Order in Council dated 6th December, 1911, promoting John Graham of your Department, from Division II A. to I B, but no certificate has been furnished by the Civil Service Commission. I am unable to recognize the authority of this Order in Council unless the certificate of the Commission as required by Section 24 of the Civil Service Amendment Act of 1908, is also furnished.

I am, sir, your obedient servant,

J. FRASER, A.G.

The Deputy Postmaster General.

POST OFFICE DEPARTMENT, OTTAWA. Feb. 20, 1912.

DEAR SIR,—I have your letter of the 8th inst. calling attention to the promotion of Mr. John Graham of this Department from Division 2, A, to Division 1, B, and stating that you cannot recognize the authority of the Order in Council making this promotion unless the certificate of the Commission, as required by Section 24 of the Civil Service Amendment Act of 1908, is also furnished.

In reply I have to say that provision was made by a special vote in the supplementary estimates of the present year to promote Mr. Graham to Division 1, B, and it was the intention of the Postmaster General, when this item was placed in the estimates, that the promotion should be made without reference to the Civil Service Commission, it being understood that a vote granted for a specific purpose when the name of the person affected is named in the estimates,—has the force of a statute. Mr. Graham's promotion was therefore, made in pursuance of an Order of Parliament and has been sanctioned by the Treasury Board with a full knowledge of the facts.

If you are still unable to concur in this view of the matter, I should be glad to have the question referred to the Department of Justice for a decision.

I am, sir, your obedient servant,

The Auditor General.

R. M. COULTER, D.P.G.

AUDIT OFFICE, OTTAWA, Feb. 23, 1912.

SIR—I have to acknowledge receipt of your letter of the 20th inst. in reference to the promotion of John Graham from Div. 2A to 1B to which I took objection on the ground that no certificate had been received from the Civil Service Commission.

You state that provision had been made in the Supplementary Estimates of the present year to promote Mr. Graham and that it was the intention of the Postmaster General to promote without reference to the Commission.

In the Supplementary Estimates page 16 the following item appears: "To provide for the promotion of 'John Graham from second division sub-division A to first division sub-division B, \$1,225'". It is true that the money necessary for the promotion was provided, but this does not exempt the promotion from the provisions of the Civil Service Act. In order to dispense with the provisions of this Act it would be necessary for the Resolution on which the Vote

SESSIONAL PAPER No. 1

of Parliament is based to state "To promote "John Graham &c., "The promotion is then made by Act of Parliament which, of course overrides any provision of the Civil Service Act.

As the question is one of very great importance I shall be glad if you will obtain the opinion of the Department of Justice as suggested in your letter.

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. FRASER, A.G.

Re Appointment of a person who is not a natural born or naturalized British subject or has not been a resident of Canada for at least three years.

AUDIT OFFICE, OTTAWA, Sept. 30, 1913.

SIR,—Section 14 of the Civil Service Amendment Act, 1908, provides that "No person shall be admitted to such an examination (the competitive examination in Section 13) unless he is a natural-born or naturalized British Subject "and has been a resident of Canada for at least three years, and is, at the time "of the examination, of the full age of 18 years and not more than thirty-five "years and presents the required certificates as to health, character and habits."

Section 21 provides that, under certain conditions, the Governor in Council may appoint a person "Without competitive examination and without reference "to the age limit, provided the said person obtains from the Commission a "certificate, to be given with or without examination, as is determined by the "regulations of the Commission, that he possesses the requisite knowledge and "ability and is duly qualified as to health, character and habits."

A question has arisen as to the eligibility for appointment under Section 21 of persons who are not British or who have not been resident in Canada for three years.

It appears to me that the only exemptions under this Section from the requirements of Section 14 are the "competitive examinations" and "the age limit" as those are specifically mentioned, and if it was the intention of Parliament to allow those who are not natural-born or naturalized British Subjects or who have not resided in Canada for at least three years to be appointed, it should have been so stated with the two exemptions mentioned.

I shall be much obliged if you will give me your opinion as to whether the Governor in Council has power to appoint to the Inside Service, under the provisions of Section 21, a person who is not a natural-born or naturalized British subject or has not been a resident in Canada for at least three years.

I am, sir, your obedient servant,

J. FRASER, A.G.

The Deputy Minister of Justice.

JUSTICE DEPT., OTTAWA, October 4, 1913.

SIR,—Referring to your letter of the 30th ultimo, I am of opinion that a person may be eligible to appointment under Section 21 of the Civil Service Amendment Act, 1908, although he has not been a resident of Canada for three years previously to his appointment. I think, however, that candidates for

appointment under that section are subject, equally with all other appointees to the Civil Service, to the requirement that they shall be British subjects. This seems to be implied in the requirement of Section 106 of the Civil Service Act, that all officers, clerks, etc., shall before receiving any salary take and subscribe the Oath of Allegiance.

I am, sir, your obedient servant,

E. L. NEWCOMBE, D.M.

The Auditor General.

Re Authority of Governor in Council to appoint a Superintendent of Stationery without the certificate of the Civil Service Commission.

CIVIL SERVICE COMMISSION, March 31, 1913.

SIR,—The Commission is to-day in receipt of an Order in Council appointing Mr. J. O. Patenaude to the position of Superintendent of Stationery in the Department of Public Printing and Stationery, Subdivision A of the First Division, at a salary of \$3,200 per annum. Inasmuch as the position is graded in Subdivision A of the First Division, and as reference is made to Section 33 of the Civil Service Amendment Act, 1908, it is presumed that the appointment is to the Inside Service, and I am directed to point out that no application has been made to the Commissioners for the certificate of qualification which is specifically required by the section of the Act above referred to, and that the Commissioners are of opinion that the appointment cannot be regarded as legal without the issue of such certificate.

I am, sir, your obedient servant,

WM. FORAN, *Secretary*.

The Auditor General.

DEPARTMENT OF JUSTICE, OTTAWA, April 14, 1913.

DEAR MR. PARMELEE,—I have before me a reference from Dr. Shortt of the Civil Service Commission, and copy of the papers with regard to the appointment of Mr. J. O. Patenaude as Superintendent of Stationery. I think the procedure adopted in this case is irregular. The appointment is provided for by Sections 9, 11 and 15 of the Public Printing and Stationery Act, not by the Civil Service Acts. Section 33 of the Civil Service Amendment Act, 1908, has nothing to do with the case. I think if it be desired to appoint Mr. Patenaude Superintendent of Stationery at a salary of \$3,200 a recommendation should be made to Council accordingly, and that Council has the authority to sanction this independently of the Civil Service Commission and without any certificate, provided of course you have the necessary parliamentary appropriation.

Yours very truly,

E. L. NEWCOMBE.

The King's Printer and Controller of Stationery.

SESSIONAL PAPER No. 1

DEPT. OF PUBLIC PRINTING AND STATIONERY, OTTAWA, May 6, 1913.

DEAR MR. FRASER,—I have the honour to enclose for your information copy of an opinion given on the 14th April by Mr. E. L. Newcombe, Deputy Minister of Justice, pointing out the proper procedure to follow in order to secure the appointment of Mr. J. O. Patenaude as Superintendent of Stationery. You will observe that Mr. Newcombe holds that the appointment is provided for by Sections 9, 11 and 15 of the Public Printing and Stationery Act, and in consequence I made my recommendation to Council for Mr. Patenaude's appointment based on the Sections in question, and leaving out all reference to the Civil Service Act. If Mr. Newcombe is right—as I presume he is—the Civil Service Commission has no jurisdiction, and therefore no certificate from the Commissioners is necessary.

Yours faithfully,

C. H. PARMELEE, K.P.

The Auditor General.

Re Temporary appointment of an officer in the Inside Service at \$5,000 and paid from Civil Government Salaries.

JUSTICE DEPARTMENT, OTTAWA, August 19, 1913.

SIR,—I am advised that you have some hesitation in passing the supplementary payroll for Mr. O'Brien's salary for July and August as one of the legal officers of this department because the Order in Council under which he is appointed refers to the appointment as a temporary one. I beg to state that in my opinion, the addition of the word 'temporary' does not effect the legality of the appointment of Mr. O'Brien as a legal officer of this department or his right to be paid out of the vote for Civil Government Salaries. I am also of opinion that the Order in Council of 2nd July last is sufficient authority for the payment of Mr. O'Brien's salary at \$5,000 per annum out of the vote in the Supplementary Estimates—'To provide for the appointment of two additional legal officers \$10,000.'

I am, sir, your obedient servant,

FRANCIS H. GISBORNE, *Asst. D.M.*

The Auditor General.

Re Recall of an officer who has been dismissed.

JUSTICE DEPARTMENT, OTTAWA, May 17, 1913.

DEAR SIR,—In my opinion Mr. ——— having been legally dismissed is no longer in the Civil Service, and to pass an Order in Council rescinding the dismissing order would be to reappoint him by Order in Council which cannot be done. I think he must be reappointed as it were an entirely new appointment.

Yours sincerely,

CHAS. J. DOHERTY, *Minister.*

The Auditor General.

Re Increase of salary after appointment.

AUDIT OFFICE, August 9, 1912.

SIR,—Under a certificate from the Civil Service Commission dated June 17 and an Order in Council dated July 27 the salary of Miss F. M. Plunkett of your department is increased to \$750.

Miss Plunkett was appointed by the Commission on the 29th January at the minimum of the 3B class and I cannot find any provision in the Civil Service Act, whereby after appointment such an increase may be granted.

I am, sir, your obedient servant,

E. D. SUTHERLAND for A.G.

The Deputy Minister of Public Works.

PUBLIC WORKS DEPARTMENT, OTTAWA, Sept. 4, 1912.

SIR,—Referring to your letter of the 9th ultimo, which reads as follows:—

'Under a certificate from the Civil Service Commission dated June 17 and an Order in Council dated July 27 the salary of Miss F. M. Plunkett of your Department is increased to \$750.

'Miss Plunkett was appointed by the Commission on the 29th January at the minimum of the 3B Class and I cannot find any provision in the Civil Service Act, whereby after appointment such an increase may be granted.'

The Department of Justice was consulted in the matter and I now enclose copy of a letter received from them on the subject. In this letter the opinion is expressed that the power conferred by Section 33 of the Civil Service Amendment Act, 1908, to add to an officer's salary may be exercised at any time within the probationary period, so that it would appear that the addition to Miss Plunkett's salary was legally made.

The Department will be glad to hear further from you in the matter.

I am, sir, your obedient servant,

R. C. DESROCHERS, *Secretary*.

The Auditor General.

JUSTICE DEPARTMENT, OTTAWA, August 31, 1912.

SIR,—Referring to your letter of 30th instant, with reference to the case of Miss Florence Plunkett, I am of opinion that the power conferred by Section 33 of the Civil Service Amendment Act, 1908, to add to an officer's salary may be exercised at any time within the probationary period.

I am, sir, your obedient servant,

E. L. NEWCOMBE, *D.M.*

The Secretary, Public Works Department.

SESSIONAL PAPER No. 1

AUDIT OFFICE, September 9, 1912.

SIR.—I am in receipt of your letter of the 4th instant enclosing a copy of an opinion from the Department of Justice in reference to the case of Miss Plunkett of your Department.

When I wrote objecting to this increase I was not aware that the Department of Justice held such an opinion in regard to Section 33 of the Civil Service Amendment Act, 1908.

In view of that opinion, I am prepared to pass a paylist covering this increase.

I am, sir, your obedient servant,

JOHN GORMAN, for A.G.

AUDIT OFFICE, OTTAWA, June 13, 1913.

SIR,—With regard to the investigations held by Mr. H. P. Duchemin for your department, I presume your attention has been called to the statement made in the House of Commons by Mr. McKenzie, M.P., on the 23rd ultimo (p. 10981, 'Hansard') that 'on the 6th September last Mr. Duchemin held six investigations between three o'clock and six o'clock in the afternoon in a house at New Campbellton, or Big Bras d'Or, and rendered six separate and distinct bills, amounting to over one hundred dollar for three hours work'.

His account, dated 31st October last, shows that he charged for six days' services for portions of September 2nd, 5th, 6th, 7th, 9th, 11th and 12th in conducting investigations at Little Bras d'Or and New Campbellton.

In view of the discussion in the House, I should like a statement in full detail from Mr. Duchemin showing how his time was occupied during the six days charged for.

I am, sir, your obedient servant,
E. D. SUTHERLAND, for A.G.

The Commissioner of Customs.

DEPARTMENT OF CUSTOMS, OTTAWA, June 26, 1913.

SIR,—I have the honour to acknowledge receipt of your letter of the 13th instant, in which you call attention to a statement on page 10981 of 'Hansard,' with reference to investigations made by Mr. H. P. Duchemin, and enclose herewith a copy of Mr. Duchemin's report on this subject.

I have the honour to be, sir, your obedient servant,
JOHN McDOUGALL, *Commissioner of Customs.*

The Auditor General.

SYDNEY, N.S., June 21, 1913.

DEAR SIR,—Replying to your favour of the 17th instant, I beg to furnish details asked for by the Auditor General, as follows:—

Sept. 2, 1912.—Travel Sydney to Sydney Mines, conferring with Mr. McCormick and arranging docket of cases; going over charges of local complainants; arranging for places of hearing; for service of witnesses, etc. Also issuing subpoenas, notices and communicating by mail with local complainants from Sydney, in *re* Little Bras d'Or, Big Bras d'Or and New Campbellton cases; sitting at North Sydney to open hearing, J. J. McDonald case.

“ 4, 1912.—Further conferring with Mr. McCormick, Sydney Mines, and Mr. McDonald, North Sydney, in *re* Little Bras d'Or case; sitting at North Sydney, J. J. McDonald case (continued).

“ 5, 1912.—Travel Sydney to Sydney Mines, taking evidence in Day case, Arseneau and Dunlop cases. Sydney—issuing further subpoenas Big Bras d'Or cases.

SESSIONAL PAPER No. 1

Sept. 6 and 7, 1912.—Travel from Sydney to Sydney Mines and Big Bras d'Or, sittings for hearings of evidence afternoon and night of the 6th at Big Bras d'Or; return to Sydney on 7th, going over evidence and partially preparing reports.

“ 9, 1912.—Taking adjourned hearing of Arseneau case at North Sydney. Further sitting J. J. McDonald case.

“ 11, 12 and 13, 1912.—Reviewing evidence, making findings, preparing and drafting reports in *re* the following cases: Arseneau, Dunlop, Day, Rod. McLeod; D. J. Morrison; Rod. McDonald; Rodk. Bain and Geo. Livingstone cases; going over evidence in J. J. McDonald case; holding adjourned sitting McDonald case at Sydney, and meeting accused there; issuing subpoenas at request of accused for absent witnesses; further adjournment of hearing taking up McCurdy case with Mr. McCormick, and disposing of same; writing complainants in various constituencies for immediate closing all Customs inquiries; conferring with Mr. Douglas and issuing processes *re* McAulay, McDonald and Peach inquiries.

This is as complete a report as I can furnish at this distance of time from the date of the inquiries.

I may say that Mr. McKenzie made some strange errors, during the course of the discussion referred to, in the House of Commons. He stated, for instance, that I had rendered six different accounts, in connection with these investigations. The Auditor General will, of course, know that this is incorrect. I have rendered but two accounts, covering in all eight days, one to your department for six days and another to another department for two.

Mr. McKenzie also stated that the six investigations which he referred to were all held in one afternoon at Little Bras d'Or, when, as a matter of fact, they were held at different points, namely, at Big Bras d'Or, at Sydney Mines, and at North Sydney, on distinctly different dates.

Further, Mr. McKenzie assumes that the sole work of a Commissioner of Inquiry is the sitting to take evidence, whereas, this is only a fraction—and in most cases a very small fraction—of the amount of time taken up. For instance: You will note that the hearing at Big Bras d'Or included one day to arrange docket, get names of witnesses, find out what evidence they were likely to give and determine to whom subpoenas should issue, fixing place of hearing, etc. Following this, was the sending out of notices, the issuing of subpoenas, the arranging for bailiffs to serve same, etc. He further ignores what is the largest item of all in connection with these investigations, namely, that of travel. Going from Sydney to Big Bras d'Or, holding the investigations, and taking the evidence there and return, alone consumed one and a half days and a night sitting for the taking of evidence.

Further, Mr. McKenzie implied that my accounts have overlapped and that different departments were charged for same periods of time. In this, too, he is, of course, incorrect. My method has been as follows: I have kept strict account of the time during each month in which I have been engaged on the work of my commission. At the end of the month I have made up the exact number of days that I have been engaged on Government business as Commissioner, and have determined as well as might be, how this time should be apportioned between the different departments. This apportionment has, for obvious reasons, been difficult to make with absolute accuracy as between the various departments. It has, however, been easy for me to determine the

precise number of days that I have been doing work of Investigator, and I have in no case charged for any more or any less time than I have been so occupied. Sometimes part of a day is charged against one department, and part against another. In determining how much of each day is to be charged against a particular department, I have considered the number of investigations that I have had for the various departments during the itinerary under consideration, and have made the fairest and most equitable apportionment that I could under the circumstances, as between the various departments.

I may say that immediately on receipt of 'Hansard' containing Mr. McKenzie's observations in this connection, I wrote the Hon. Mr. Hazen somewhat fully with regard to the matter.

Trusting that the foregoing information will be sufficient for the purpose of the Auditor General, I remain,

Yours very truly,

(Signed) H. P. DUCHEMIN.

The Commissioner of Customs, Ottawa.

AUDIT OFFICE, OTTAWA, November 19, 1912.

Re Defalcation at Joliette.

SIR,—I learn from an Order in Council dated September 12, dismissing the Collector of Inland Revenue at Joliette, that he is a defaulter to the extent of \$3,225.88.

I have to ask for particulars in respect of this defalcation; when the office was last inspected; how the collector got so much in arrears; if he is under bond of a Guarantee Company, and any other information pertinent thereto.

The return for June, the last to hand, shows the revenue accrued as \$9,399.23 all of which was duly deposited.

I am, sir, your obedient servant,

J. FRASER, A.G.

The Deputy Minister of Inland Revenue.

INLAND REVENUE DEPT., OTTAWA, November 21, 1912.

SIR,—I have the honour to acknowledge the receipt of your communication of the 19th instant relative to the defalcation of L. V. Labelle, Collector of Inland Revenue at Joliette and, in reference thereto, beg to state that the actual amount of defalcation was \$3,243.01, as per a statement herewith enclosed.

Mr. Labelle was bonded in the Guarantee Company of North America to the extent of \$1,000. This amount has been paid into the department and placed against this defalcation, as well as the amount contributed by Mr. Labelle towards the Retirement Fund, which amounts to \$1,127.38.

There was also due Mr. Labelle fourteen days' salary for the month of August, amounting to \$79.55, which also was deposited to the credit of the Receiver General on this account.

The net balance, therefore, of the defalcation is \$1,036.08.

The Inspecting Officer, Mr. F. N. J. A. Toupin, inspected the office on the 30th day of May and carefully checked over the books and reported to the department on that date that he had done so and found everything correct.

Mr. Labelle's defalcation only dates from that date up to the 13th day of August, when he again visited the Division with a view to performing his inspection, he found that Mr. Labelle had disappeared the day before, apparently anticipating the quarterly visit of the inspector.

I have the honour to be, sir, your obedient servant,

WM. HIMSWORTH,
Acting Deputy Minister.

The Auditor General.

AUDIT OFFICE, OTTAWA, March 3, 1913.

Re Adulteration of Food.

SIR,—I beg to call your attention to our correspondence in November, 1909, in reference to the Public Analysts.

You stated in your letter of Nov. 25 that though the analysts were paid, they were not asked to do any work, as it was the purpose of the department to centralize the work at the laboratory at Ottawa where it could be done by expert analysts and at a fraction of the cost if the samples were submitted to outside analysts.

You stated in your letter of Nov. 29th that though the analysts were not called on to do anything it would be necessary to continue to pay them for some little time. Seemingly, you are still paying them, as I find in the expenditure for 1911-12 the following entries:—

M. Bowman, Halifax—	
Retaining fee, \$200; re-agents, \$100.....	\$ 300 00
J. T. Donald, Montreal—	
Retaining fee, \$200; member of board to deal with foodstuffs, \$200, rent \$100, re-agent \$100, 2 cr. tartar, \$8.....	616 00
W. H. Ellis, Toronto—	
Retaining fee as member of board to deal with food- stuffs.....	200 00
C. J. Fagan, Victoria—	
Retaining fee, \$200; rent, \$100, re-agents, \$100.....	400 00
F. X. Valade, Ottawa—	
Retaining fee, \$200, rent, \$100, re-agents, \$100.....	400 00
	<hr/>
	\$1,916 00

In looking through your report for last year, I do not find any reference to these analysts, and I would inquire if they performed any services since 1909.

If you are still continuing to pay these analysts, without asking them to do any work, I wish to inform you that I will be forced to report the matter to the Treasury Board.

I am, sir, your obedient servant,

J. FRASER, A.G.

The Deputy Minister of Inland Revenue.

INLAND REVENUE DEPT., OTTAWA, March 10, 1913.

SIR,—With reference to your communication of the 3rd March on the subject of the continued employment of certain Public Analysts, I beg to inform you that the matter has been laid before the Honourable the Minister of Inland Revenue and he directs me to say that he has had under consideration for some little time past the matter of re-organizing the Analysts' Branch which is attached to this department, and he is in hopes that ere long this will be accomplished.

Under this re-organization it is hoped to be able to utilize the services of some of the Public Analysts who were years ago appointed under the provisions of the Adulteration of Food Act and who still are in receipt of their retaining fees as provided therein.

He, therefore, desires me to request that the matter may be allowed to remain in abeyance for a short time longer with this end in view.

While on this subject I may state that Dr. J. T. Donald, of Montreal, holds a dual position. He is a member of the Advisory Board as well as District Analyst, for which he is paid the sum of \$200 per annum.

Dr. W. H. Ellis, who is no longer a District Analyst, is also a member of this Board and is paid a fee of \$200. This Board, which was constituted under the provisions of sections 25 and 26 of the Adulteration of Food Act, in 1909, by direction of the late Minister of Inland Revenue, and consisting of three members, viz., Dr. McGill, Chief Analyst, chairman, Dr. W. H. Ellis and Dr. J. T. Donald, has been engaged in establishing Standards under the provisions of the Act.

I remain, sir, your obedient servant,

WM. HIMS WORTH,
Acting Deputy Minister.

The Auditor General.

SESSIONAL PAPER No. 1

AUDIT OFFICE OTTAWA, December 26, 1912.

Re Sub-Agency St. Paul des Metis.

Sir,—I have received the report of Assistant Inspector Bannerman on the Sub-Agency at St. Paul des Metis. He did not find that the agent there was carrying on his work in a satisfactory manner, and suggests his removal. The matter has no doubt been reported to you, and I have to ask what action has been taken in reference thereto.

I am, sir, your obedient servant,

J. FRASER, A.G.

The Deputy Minister, Interior Department.

AUDIT OFFICE, OTTAWA, January 11, 1913.

Re Placer Claims, Yukon.

Sir,—Upon examination of the bank account of the Controller of the Yukon Territory, Dawson, for the month of November last, I find that a large number of cheques were drawn returning portions of the amounts paid on interim receipts for placer claims on Dominion Creek.

Enclosed is a list of the cheques so drawn showing the amount returned in each case as well as the number of the interim receipts all of which were issued for \$10 each.

Please let me know why these amounts were refunded and the authority therefor.

I am, sir, your obedient servant,

J. FRASER, A.G.

The Deputy Minister, Interior Department.

DEPARTMENT OF THE INTERIOR, OTTAWA, January 22, 1913.

Sir,—I beg to acknowledge the receipt of your letter of the 11th instant, in which you state that upon examination of the bank account of the Controller of the Yukon Territory at Dawson, for the month of November last, it is found that a large number of cheques were drawn refunding portions of the amounts paid on interim receipts for placer mining claims on Dominion Creek, and you enclose a list of the cheques so drawn, showing the amount of the refund in each case.

In reply I am to inform you that no report has been received from Dawson in respect of these refunds, but it would appear that in October last an hydraulic mining location situated on Dominion Creek, known as the Krueger Concession, became open on a certain day and hour, and it is thought that this location was

stamped by a number of miners. No doubt some of these claims were staked by a number of miners at the same time, and it was found impossible to decide who was the first locator. It is thought, therefore, that the Mining Recorder decided to grant joint entry to the several persons staking at the same time, and as each staker had deposited the sum of \$10.00 with his application, and as one payment of \$10.00 is sufficient for one claim, it was necessary to refund the proportionate amounts to the several co-owners. Thus, where \$7.50 has been refunded, four persons obtained entry and paid the sum of \$40.00, of which only \$10.00 was necessary to pay the entry fee, and a refund was made to each of the four grantees. Where \$8.75 was refunded, eight persons obtained entry for one claim, and paid \$80.00. After deducting \$10.00, the sum of \$70.00 was refunded proportionately to the co-owners.

While no specific report has been obtained from the officers of the Department at Dawson, there would appear to be no doubt that the above is an explanation of the matter referred to in your communication.

Your obedient servant,

The Auditor General.

L. PEREIRA,
Assistant Secretary.

AUDIT OFFICE, OTTAWA, March 6, 1913.

Re Grand Trunk Pacific Town and Development Co.

SIR,—On July 18, 1912, the Land Patents Branch issued receipt No. 13638 to the Grand Trunk Pacific Town and Development Co. Ltd., for the sum of \$51,612.80, "offered as amount due the Department of the Interior from Jan. 1, 1911 to Jan. 1, 1912, on account of one quarter of the net proceeds received from the sale of vacant Crown lands purchased".

In arriving at this amount the following figures are furnished—

$\frac{1}{4}$ of net revenue.....		\$60,390 63
To Commission of 8%.....	\$ 4,831 25	
" $\frac{1}{4}$ of Taxes for 1911.....	2,326 85	
" Error in Commission in 1910.....	30	
" $\frac{1}{4}$ of survey fees for 1911 and adjustment of overcharges in previous years.....	1,619 43	8,777 83
		<u>51,612 80</u>

With reference to the Commission of 8%, or the charges of management, I beg to draw your attention to the memorandum of Mr. C. H. Beddoe of date February 19, 1912, in which he states that "Whilst 8% is a reasonable allowance for cost of management for the years 1908, 1909, and 1910, this rate should not be considered as a basis for future charges. The conditions under which the company carried on its business in 1911, when the receipts were exceedingly heavy, as compared with the previous years, would naturally render it necessary to change the mode of arriving at the rate to be charged, otherwise the charges of management will be abnormally high".

SESSIONAL PAPER No. 1

I have to ask what action has been taken with reference to the opinion obtained from the Department of Justice under date of March 14, 1912, concerning the agreements subsequently entered into by the Grand Trunk Pacific Town and Development Co. Ltd., with the Transcontinental Townsite Co. Ltd. and the International Securities Co. for the disposal of all the unsold lots in the Townsites of Edson, Watrous and Biggar.

How many more townsites are affected by similar agreements to those quoted above?

I am sir, your obedient servant,

The Deputy Minister, Interior Department.

J. FRASER, A.G.

DEPARTMENT OF THE INTERIOR, OTTAWA, March 10, 1913.

SIR,—I beg to acknowledge receipt of your letter of the 6th instant, and in reply I enclose herein a copy of Mr. Pope's report made on the 12th ultimo, which deals with the points referred to in your letter.

With reference to your inquiry as to how many townsites are affected by agreements with outside companies, I may say that agreements have been entered into in connection with the townsites of Wainwright, Melville, Tofield and Scott, and the only one of these that the Government is interested in is Melville, a draft copy of which I enclose herein.

The Auditor General,

Your obedient servant,
L. PERIERA, *Sec.*

DEPARTMENT OF THE INTERIOR, OTTAWA, February, 25, 1913.

SIR,—I am directed to enclose herein a copy of Mr. Pope's report on the audit of the accounts of the Grand Trunk Pacific Development Company for the year 1911, which report shows that the Interior Department should be credited with \$551.32 when the statement of revenue for 1912 is prepared by your Company.

Under the ruling of the Department of Justice it is necessary to request you to forward a cheque for \$46,338.73, covering the revenue collected during 1908, 1909, 1910 and 1911, not included in the previous statements rendered by the Grand Trunk Pacific Development Company to the Department.

Your obedient servant,
L. PERIERA, *Sec.*

G. U. Ryley, Esq., Land Commissioner,
Grand Trunk Pacific Development Co.,
Winnipeg, Man.

DEPARTMENT OF THE INTERIOR, OTTAWA, February, 24, 1913.

MEMORANDUM.

The Deputy Minister.

I beg to submit, herewith, Mr. Pope's report on the audit of the accounts between the Dominion Government and the Grand Trunk Pacific Development Company, Limited. The audit covers transactions up to the 31st December, 1911, and it is clear, comprehensive and thorough. The old question still crops up, however, in regard to the arrangements made between the Grand Trunk Pacific Development Company and outside Companies without the sanction of the Dominion Government. The statements of the Grand Trunk Pacific Development Company have been made up on the basis of the agreements they have entered into with these Companies whereas the Department of Justice ruled sometime ago that the Crown is not bound and cannot be prejudiced by the provisions of the agreements.

By accepting the statements rendered by the Grand Trunk Pacific Development Company the balance due to the Dominion Government on the 31st December, 1911, is \$551.32, but by adding twenty-five per cent of the sales made by outside Companies in the various townsites an additional sum of \$46,338.73 will have to be collected from the Company. I think, as suggested by Mr. Pope, that it would be well to send a copy of the report to the Land Commissioner of the Grand Trunk Pacific Railway Company at Winnipeg.

Respectfully submitted,

CHAS. H. BEDDOE,
Superintending Accountant.

DEPARTMENT OF THE INTERIOR, OTTAWA, February, 12, 1913.

The Superintending Accountant,
Department of the Interior,

SIR,—I beg to report that I arrived in Winnipeg on the 23rd ultimo accompanied by Mr. Hutton, cashier of this office, for the purpose of auditing the accounts of the Grand Trunk Pacific Development Company, Limited. We began work on the 24th ultimo, concluded our labours on the 1st instant and returned to Ottawa on the morning of the 4th instant.

As I outlined very fully the method employed in making the audit in my report of last year, it is not necessary to go into the same explanation again, but I may add that, owing to the fact that all the material was kept on which the Company's statements were based, it was a much easier matter to check up the books this year than last.

Cost of Surveys.

When making the audit of 1910 it was not possible to get from Land Commissioner of the Grand Trunk Pacific Railway Company, Ltd., a statement of the actual expenditure on account of surveys and he charged in the accounts of 1907, 1908, 1909 and 1910 a flat rate of 75 cents per lot. After considerable

SESSIONAL PAPER No. 1

correspondence the Land Commissioner agreed to get out the actual expenditure, which he did and attached to the revenue statement for 1911 is the following adjustment:—

Year.	Number of Lots.	Cost of Survey.
		\$ cts.
1907	12,952	5,583 47
1908	5,742	2,039 03
1909	5,907	2,975 07
1910	9,201	3,976 58
1911	12,604	7,516 58
	Draughts- man's Sal- ary.....	3,204 61
	Fees.....	1,494 76
	Office Expens- ses.....	5,000 00
	46,466	31,852 70

Average cost of survey per lot is 68½ cents. This means a reduction of \$2,197.13 on account of survey fees from 1907 to 1910, inclusive, which amount is allowed the Government in the statement rendered by the Grand Trunk Pacific Development Company, Ltd. for 1911. The vouchers, accounts and pay-lists in connection with surveys were carefully checked and found correct.

Taxes.

The taxes on all the lots in which the Government is interested as agreed upon last year have been included in the 1911 accounts, and the tax bills were carefully checked and found correct, with the following exceptions:—

Wainwright.

Tax Voucher	
1557 overcharge.....	\$2 52
1276 "	2 60
	<hr/>
	\$5 12

Edson.

Tax Voucher undercharge.....	30
	<hr/>
	\$4 82
25% due the Government.....	\$1 20
	<hr/>

Charges of Management.

After looking into the amount of work performed in the Land Commissioner's office, such as entering up the payments in the sales registers, collecting the remittances, issuing receipts, conducting the correspondence and paying a com-

mission of 5% to the selling agents, I am still of the same opinion as expressed in last year's report that 8 % for charges of management of lands affected by the Government agreement was a fair charge to make.

Adjustment of the Accounts for 1911.

I attach hereto a statement showing the difference as found between our figures and those included in the statement as rendered by the Company, the net result of which shows that the Company owes the Dominion Government \$551.32.

Crop Leases.

Although considerable revenue has been collected for crop leases, a close examination of the books and leases shows that a very small proportion of the collections are on lands covered by the Government agreements. The total amount due the Government under this head up to the 31st December, 1911, was \$171.45, which amount is reported in the Company's statement for 1911.

Agreements entered into Without the Sanction of the Dominion Government.

In my report of last year I brought to the attention of the Department the fact that the Grand Trunk Pacific Development Company had entered into agreements with outside Companies covering the disposal of all unsold lots in several of the townsites, in which the Government is interested, without the consent of the Minister of the Interior. Under these agreements the Grand Trunk Pacific Development Company receive 50% of the revenue collected, less 5% commission and $\frac{1}{2}$ the taxes. Ten per cent is set aside to be applied to the purchase price at \$100 per acre and the balance of 40% goes to the outside Companies.

In my report of last year I referred to the fact that the first payments on account of purchase made by the International and Transcontinental Companies under the agreements referred to became due on the 1st January, 1911, and I give below for the purpose of reference a statement in this connection:—

Amounts set aside by the Grand Trunk Pacific Development Company on account of acreage under the Agreements entered into by the Transcontinental Townsite Company of Winnipeg and Mr. Elisha S. Horn of Kansas City, known as the International Townsite Company to the 31st December, 1911.

SESSIONAL PAPER No. 1

It was pointed out that these agreements materially affect the Government's interest in the Townsites and the Deputy Minister, therefore, decided to refer the agreements in question to the Department of Justice. I quote below the decision given by Mr. Newcombe, the Deputy Minister of Justice, on the 14th March, 1912:—

In my opinion since the Crown is not a party to the agreements made by the Grand Trunk Pacific Town and Development Company it is not bound and cannot be prejudiced by the provisions of these agreements. The Company is entitled to deduct 'such additional charges as are usual and proper charges for management', and I do not think that these very complicated agreements which the Company has made in respect of the selling are necessarily to be regarded as evidence of such usual and proper charges. I am disposed to think that in the adjustment of the matter the actual amount of proceeds should be credited and against this should be charged the taxes, cost of survey and 'Usual and proper charges of management' whatever the latter may amount to. The aggregate of these being deducted would show the net proceeds of which the Crown should receive one-fourth. As at present advised, I think these agreements may be disregarded for the purpose of ascertainment of these net proceeds.

Acting on the above decision I submit herewith a statement showing the revenue collected in connection with the agreements entered into by the Grand Trunk Pacific Development Company, Ltd., and the International and Transcontinental Companies, which revenue has not been reported to the Department of the Interior.

If the adjustment of the accounts meets with the approval of the Deputy Minister, I would suggest that a copy of this report be transmitted to the Land Commissioner of the Grand Trunk Pacific Railway Company, Winnipeg, with the request that the Department of the Interior be given credit for \$551.32 when the statement of revenue for 1912 is prepared. Unless the ruling of the Justice Department is reversed it will be necessary to request the Land Commissioner to forward to the Department a cheque for \$46,338.73 covering the revenue collected during 1908, 1909, 1910, and 1911, not included in the previous statements rendered to this Department.

Once again I wish to bear testimony to the able assistance rendered by Mr. Hutton, Cashier of the Revenue Division of the Accounts Branch.

Respectfully submitted,

GEO. D. POPE.

Chief Clerk of Revenue.

AUDIT OFFICE, OTTAWA, December 10, 1913.

SIR,—On March 10 last you furnished a copy of a report of Mr. Pope of your Department, in reference to the accounts of the Grand Trunk Pacific Development Company.

In this report Mr. Pope claims that the Company are indebted to the Government to the amount of \$46,338.73 for revenue collected in 1908, 1909, 1910 and 1911, not included in previous statements, and suggests that they should be requested for payment.

I have to inquire what action has been taken in reference thereto and with what result.

I am, Sir, your obedient servant,

J. FRASER, A. G.

The Deputy Minister, Interior Department.

DEPARTMENT OF THE INTERIOR, OTTAWA, December 13, 1913.

SIR,—I beg to acknowledge receipt of your letter of the 10th instant, with reference to the accounts of the Grand Trunk Pacific Development Company. I may say that an audit of the Company's books for the calendar year 1912 was made by Mr. Pope on the 29th October, 1913, and I enclose herein a copy of his report.

The claim against the Company was some weeks ago placed in the hands of the Deputy Minister of Justice for collection.

Yours truly,

W. W. CORY, D. M.

The Auditor General.

SESSIONAL PAPER No. 1

DEPARTMENT OF THE INTERIOR,
ACCOUNTS BRANCH, OTTAWA, NOV. 6, 1913.

CHARLES H. BEDDOE, Esq.,
Superintending Accountant,
Department of the Interior.

SIR,—I beg to report that on the 29th of October, 1913, assisted by Mr. Hutton, I completed the audit of the Grand Trunk Pacific Development Company Limited, for the year 1912, and found that the revenue collected amounted to about one fourth of that of the previous year.

The tax bills were carefully examined and found correct.

Adjustment of the Accounts for 1912.

I attach hereto a statement showing the difference as found between our figures and those included in the statements as rendered by the Company, the net result of which shows that the Company owes the Dominion Government \$3,690.97. In former years it has been our custom to adjust any differences in the next year's statement, but as the amount this year in favour of the Department is so large, I would suggest that the Land Commissioner of the Grand Trunk Pacific Development Company be requested to forward a cheque for \$3,690.97. I may add that the adjustment as attached hereto was checked by the accountant of Mr. Ryley's office and found to be correct.

Agreements Entered into without the Sanction of the Dominion Government.

In my reports covering the audit for the years 1910 and 1911, I brought to the attention of the Department the fact that the Grand Trunk Pacific Development Company had entered into agreements with outside companies, covering the disposal of all unsold lots in several of the townsites in which the Government is interested, without the consent of the Minister of the Interior.

The question of dealing with these agreements is now before the Department of Justice and I attach hereto a statement showing the amount of revenue collected by the Grand Trunk Pacific Development Company under agreements entered into with the International and Transcontinental Companies, which amounts have not been included in the yearly statements furnished the Department of the Interior.

If it is decided to ignore the said agreements with the outside companies the Dominion Government would be entitled to 25 per cent of the revenue not reported to the Department which, including the revenue of 1912, would amount to \$55,057.07 less the amount of taxes paid by the outside companies. In this connection I attach hereto a statement showing the amount of taxes paid by the International and Transcontinental Companies, 25 per cent of which amounts to \$1,101.60. If we deduct this amount from the \$55,057.07, it will show a balance due to the Crown up to the 31st of December, 1912, of \$53,955.47.

I also attach a statement showing the amounts set aside by the Grand Trunk Pacific Development Company on account of acreage under the agreements above referred to, and I may say that two cheques covering this statement amounting to \$12,582.90, have been received by the Department and are held pending further action.

It is hoped that a decision regarding the agreement with the outside companies may be reached at an early date.

Respectfully submitted,
(Sgd.)

GEO. D. POPE,
Chief of the Revenue Division.
