Auditor General's Report

It will be seen from the summaries of the Appropriation Accounts on pages b-4 and b-2 that the gross amount voted to meet the estimated expenditure of the fiscal year ended March 31st, 1923 was \$334,332,595.21 and the expenditure actually incurred under this provision was \$280,725,821.55. In addition to this amount there was expended during the fiscal year, under the authority of Special Statutes, \$179,916,856.35, making the gross expenditure for the fiscal year under review \$460,642,677.90.

Under Section 61 of the Consolidated Revenue and Audit Act, the Auditor General, in reporting for the information of the House of Commons the result of the examination of the appropriation accounts, is directed to call attention to every case in which:—

- (a) Cheques have been issued without his certificate;
- (b) a grant has been exceeded;
- (c) money received by a department from other sources than the grants for the year to which the account relates has not been applied or accounted for according to the direction of Parliament;
- (d) in which a sum charged against a grant is not supported by proof of payment;
- (e) a payment so charged did not occur within the period of the account, or was for any other reason not properly chargeable against the grant or was in any way irregular;
- (a) No cheques for the issue of which direct application had been made to the Auditor General were issued during the year without the required certificate; but it must be borne in mind in connection with the issue of cheques on Parliamentary grants that the cheques issued under letters of credit authorized in favour of the proper departmental officers by the Minister of Finance on the recommendation of the Auditor General exceed in number and amount the cheques issued under direct application to the Auditor General. The Auditor General has no direct control over the issue of letter of credit cheques. These cheques come to his notice in the first instance when he receives the monthly applications from the departments concerned to repay the Banks named therein the total of the cheques issued during the previous month, and later on, in more detailed form, when the supporting vouchers are received by him for audit. Letters of Credit are authorized by the Minister of Finance under the provisions of Section 40 of the Consolidated Revenue and Audit Act and the practice at present prevailing in respect of payments from public funds has been in effect since the Act came into force. The spending departments must assume full responsibility for the issue of their letters of credit cheques and the expenditure to which they apply.

- (b) Grants to the number of seventeen were exceeded during the year, the total excess being \$368,783.39. It will be necessary, as in previous years, to obtain the sanction of Parliament for this excess expenditure.
- (c) Section 35, Subsection 1, of the Consolidated Revenue and Audit Act directs that all public moneys from whatever source of revenue derived shall be deposited to the credit of the account of the Minister of Finance and Receiver General. There have been some instances during the year in which the proceeds of the sale of surplus stores, instead of being deposited to the credit of the Receiver General, were used by the departments concerned to pay certain items of the expenditure under their control; thereby, in effect, increasing, without the authority of Parliament, the grants provided in the Supply Bill for the services so affected. I have called the attention of the respective departments to this improper use of the revenue and pointed out to them the obligatory provisions of the Statute. The salaries of rural postmasters have, under long established practice, been paid direct from revenue, the net revenue only being deposited to the credit of the Receiver General.
- (d e) There is nothing of importance to report under these two headings.

The objections and criticisms of any importance that were deemed necessary in respect of any items of expenditure included in this report will be found in the correspondence published in connection with the details of expenditure under the various department headings.

AUDIT OF STORES

A test audit of the stores at the Printing Bureau was made during the year and with the exception of some minor differences between the stock actually on hand and the quantities called for by the stores ledgers the result of the audit was, on the whole, satisfactory.

An audit was also made by a chief examiner of this office of the stores and expenditure in the Yukon Territory in accordance with the provisions of the Yukon Act. His audit revealed a shortage in the liquor supplies on hand at one of the depots to an amount of over \$2,000. This shortage was reported to the Gold Commissioner and I have been informed that the full amount involved has since been made good by the responsible vendor.

During the summer months a chief examiner was sent to the western provinces to make a test audit of the accounts kept at the principal branch offices of the Departments of Indian Affairs, Interior, Immigration and Colonization and Customs and Excise. Correspondence arising from his report on the stores, revenue receipts and trust accounts under the control of the Department of Indian Affairs is published in this report after the detailed statement of expenditure given in Part I.

GRANTS FOR SPECIFIC AMOUNTS

Grants of this nature are authorized either by special statutes or by specific items in the Supply Bill. Occasionally grants are authorized by Orders in Council from votes for general purposes.

SESSIONAL PAPER No. 1

The expenditure under these grants, as a general rule, is not audited in detail by the Auditor General, so that he is not in a position to report to the House of Commons the final disposition made of the moneys so voted or authorized. All he may do in the way of audit is to satisfy himself that the amount of the grant has been voted or otherwise authorized and the cheques have been made payable to the proper persons.

There are some exceptions in which grants authorized by Parliament are subject to audit in detail by the Auditor General, as, for instance, the annual grant of \$150,000 to the Ottawa Improvement Commission.

STATEMENTS OF LEGAL EXPENSES, ADVERTISING AND PRINTING

Now that the pressure of work during war years has relaxed somewhat, I have thought it well to restore to the report the Summaries under the above headings, concerning the omission of which from the reports of recent years, many enquiries have been made at this office.

WM. KEARNS,
Assistant Auditor General.

AUDITOR GENERAL'S OFFICE, OTTAWA, January 17, 1924.

Rapport de l'Auditeur Général

On verra par les résumés des comptes de crédits, pages b-4 et b-2 que la somme globale votée pour solder la dépense de l'exercice terminé le 31 mars 1923 était de \$334,332,595.21 et que la dépense réellement encourue au titre de ce crédit était de \$280,725,821.55. Outre cette somme, il s'est dépensé, pendant l'exercice, sous l'autorité des statuts spéciaux, \$179,916,856.35, ce qui porte la dépense globale de l'année à \$460,642,677.90.

En vertu de l'article 61 de la Loi du revenu consolidé et de l'audition, l'Auditeur général, en rapportant, pour l'information de la Chambre des Communes, les résultats de l'examen des comptes de crédits, doit signaler chaque cas où—

- (a) Des chèques ont été émis sans son certificat;
- (b) un crédit a été dépassé;
- (c) de l'argent reçu par un département, d'autres sources que les crédits de l'année à laquelle le compte se rapporte, n'a pas été employé ou inscrit dans les comptes suivant les directions du Parlement;
- (d) une somme imputée sur un crédit n'est pas appuyée de la preuve du paiement;
- (e) un paiement ainsi inscrit n'a pas été effectué pendant la période dont il est rendu compte ou, pour toute autre raison, ne pouvait pas convenablement être imputé sur l'octroi, ou était irrégulier de quelque manière que ce soit;
- (a) Aucun chèque dont l'émission a été directement demandée à l'Auditeur général n'a été émis pendant l'année sans les certificats requis; mais il faut se rappeler, à propos de l'émission des chèques sur les crédits parlementaires, que les chèques émis en vertu de lettres de crédit autorisées, en faveur des hauts fonctionnaires attitrés, par le ministre des Finances, sur la recommandation de l'Auditeur général, dépassent, comme nombre et comme somme, les chèques émis en vertu d'une demande directe à l'Auditeur général. Celui-ci n'a aucun contrôle direct sur l'émission des chèques de lettres de crédit. Il ne connaît l'existence de ces chèques que lorsqu'il reçoit les demandes mensuelles des départements concernés de rembourser aux banques désignées la somme totale des chèques émis pendant le mois précédent et, plus tard, sous une forme plus détaillée, lorsque les pièces justificatives lui parviennent. Les lettres de crédit sont autorisées par le ministre des Finances en vertu des dispositions de l'article 40 de la Loi du revenu consolidé et de l'audition, et la pratique actuelle au sujet des paiements effectués à même les fonds publics est en vigueur depuis que la Loi a pris effet. Les ministères doivent prendre la pleine responsabilité de l'émission de leurs chèques de lettres de crédit et de la dépense à laquelle ils se rapportent.

- (b) Dix-sept crédits ont été dépassés, pendant l'exercice, d'une somme totale de \$368,783.38. Il faudra, comme par les années passées, obtenir du Parlement la sanction de cette dépense supplémentaire.
- (c) L'article 35, paragraphe 1, de la Loi du revenu consolidé et de l'audition stipule que tous les deniers publics, de quelque source qu'ils proviennent, doivent être déposés au crédit du compte du ministre des Finances et du Receveur général. Il est arrivé, au cours de l'année, que dans certains cas les produits des ventes de surplus de magasins, au lieu d'être déposés au crédit du Receveur général, ont été employés par les départements intéressés à payer certains item de la dépense qui relève du contrôle de ces départements, de sorte que ces départements ont ainsi, de fait, augmenté, sans l'autorisation du Parlement, les crédits autorisés par le bill des Subsidés pour les services en question. J'ai attiré l'attention de chacun de ces départements sur cet emploi irrégulier des recettes de même que sur les dispositions obligatoires de la loi. Depuis longtemps déjà les appointements des directeurs de la poste rurale ont été payés directement à même les recettes, les recettes nettes seulement étant déposées au crédit du Receveur général.
- (d) Il n'y a rien de bien important à relever relativement à ces deux item.

Les objections et les critiques quelque peu importantes que nous avons eues devoir faire touchant les item de la dépense se trouvent contenues dans la correspondance publiée dans ce rapport et qui a trait à l'exposé détaillé de la dépense sous la rubrique des différents départements.

INVENTAIRES DES MAGASINS

On a fait, au cours de l'année, un inventaire de contrôle des magasins de l'Imprimerie Nationale et, réserve faite de quelques légères différences dans les quantités des marchandises en magasins et les quantités indiquées dans les livres des magasins, le résultat, dans l'ensemble, a été satisfaisant.

L'examineur en chef de ce bureau a aussi fait un inventaire des magasins et une vérification de la dépense du territoire du Yukon en conformité des dispositions de la Loi du Yukon. Cet inventaire a mis à jour le fait qu'à l'un des dépôts il manquait pour environ \$2,000 de liqueurs. Ce déficit a été porté à la connaissance du Commissaire de l'or et j'ai appris que le montant en question avait depuis été remboursé par le vendeur responsable.

Au cours des mois d'été, on a envoyé un examinateur en chef dans les provinces de l'Ouest dans le but de faire une vérification de contrôle des comptes tenus aux principaux bureaux-succursales du département des Affaires indiennes, et des ministères de l'Intérieur, de l'Immigration et de la Colonisation et de la Douane et de l'Acceise. La correspondance qui a suivi le rapport de cet examinateur sur les magasins, les récépissés des recettes et les comptes en fiducie relevant du contrôle du département des Affaires indiennes se trouvent publiés dans ce rapport à la suite de l'état détaillé de la dépense que l'on trouvera à la Partie I.

CRÉDITS POUR DES SOMMES DÉTERMINÉES

Les crédits de ce genre sont autorisés soit par une législation spéciale, soit par un item particulier dans le bill des subsides. Il arrive parfois que des sommes sont autorisées par des arrêtés du conseil à même les crédits pour fins générales.

DOC. PARLEMENTAIRE No 1

En règle générale les dépenses faites à même ces crédits ne font pas l'objet d'une vérification détaillée de la part de l'Auditeur général, de sorte que celui-ci ne se trouve pas en mesure de faire rapport à la Chambre des Communes sur l'emploi définitif que l'on a fait des deniers ainsi votés ou autorisés. Tout ce qu'il lui est loisible de faire dans le sens d'une vérification c'est de se rendre compte que le montant du crédit a été voté ou autorisé et que les chèques ont été faits à l'ordre des personnes qui y avaient droit.

Il se trouve certaines exceptions où les crédits autorisés par le Parlement font l'objet d'une vérification détaillée de la part de l'Auditeur général, ainsi, par exemple, le crédit annuel de \$150,000 à la Commission d'Embellissement d'Ottawa.

ÉTAT DES DÉPENSES POUR FRAIS DE COUR, PUBLICITÉ ET IMPRESSION

Maintenant que le travail extraordinaire auquel nous avons dû nous astreindre durant les années de guerre a quelque peu diminué d'intensité, j'ai cru bon d'insérer de nouveau dans ce rapport les sommaires sous les rubriques précitées et dont l'omission dans les rapports des dernières années a donné lieu à un grand nombre de demandes de renseignements à ce bureau.

WM. KEARNS,

Auditeur général adjoint.

Commission not Issued to Mr. Duncan Marshall

AUDIT OFFICE, OTTAWA, September 20, 1923.

DEAR SIR,—I find on examination of the payments made under your Letter of Credit during the past fiscal year, on the Vote for the administration of the Agricultural Instruction Act—No. 52—that Mr. Duncan Marshall was paid as Commissioner of Agriculture, \$6,000, in monthly instalments of \$500, to March 31, 1923.

As you are aware Mr. Marshall's appointment as a Commissioner was authorized by Order in Council—P.C. 223—dated February 7, 1922.

Will you please let me know if a Commission was issued to Mr. Marshall and if such Commission limited the period of his services to any specific date.

Yours truly,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister, Agriculture Department, Ottawa.

DEPARTMENT OF AGRICULTURE, OTTAWA, September 20, 1923.

DEAR SIR,—Replying to your letter of the 20th instant, I have to advise you that no Commission was issued to Mr. Marshall.

Yours very truly,

(Sgd.) A. L. JARVIS, *Acting D.M.*

The Asst. Auditor General, Ottawa.

Payments to Mr. Van Bruyssel

DEPARTMENT OF AGRICULTURE, OTTAWA, July 9, 1923.

DEAR SIR,—I enclose herewith, memorandum in regard to certain payments made to Mr. Van Bruyssel, and should be greatly obliged if you would give me your ruling as to whether this Department would be in order in paying to Mr. Van Bruyssel the further sum of \$160.11, being actual expenses incurred in connection with a special and additional investigation, undertaken at the request of the Department after the general investigations he was to carry on had been agreed upon and commenced.

Yours very truly,

J. H. GRISDALE, *D.M.*

The Auditor General, Ottawa.

AUDIT OFFICE, OTTAWA, July 16, 1923.

DEAR SIR,—I beg to acknowledge the receipt of your letter of the 9th instant asking if a sum of \$160.11, actual expenses incurred by Mr. Van Bruyssel may be paid in excess of \$2,000, authorized to be paid by the Department by Order in Council, P.C. 3294 of September 30th, 1921.

The Order in Council explicitly provides that the Department may make an advance of \$1,000 to Mr. Van Bruyssel and that when the work is completed the Department be authorized to pay him such further sum as, in the opinion of the Minister, is fair and reasonable, not, however, to exceed a total of two thousand dollars for *all* services rendered.

SESSIONAL PAPER No. 1

Mr. Van Bruyssel should, it seems to me, be called upon to render an account showing he has incurred expenses to the extent of \$2,000 on the business assigned to him by the Minister of Agriculture.

It is, I think, quite clear that the Department may not, under the Order in Council, pay him an amount in excess of \$2,000.

Yours truly,

WM. KEARNS, *Asst. A.G.*

J. H. GRISDALE, Esq., Deputy Minister, Dept. of Agriculture, Ottawa.

DEPARTMENT OF AGRICULTURE, OTTAWA, Sept. 11, 1923.

DEAR SIR,—Under date July 16th you gave me an opinion in regard to the payment of an additional sum of \$160.11 to Mr. Ferd. van Bruyssel, to whom a payment of \$2,000 was authorized by Order in Council P.C. 3294 of Sept. 30, 1921. After receipt of your letter I took up the matter with the Department of Justice and am now in receipt of a reply from Mr. Newcombe, copy of which I include herewith. It seems to me that under this ruling it would be in order for us to pay this claim, but before doing so I should be glad to hear whether or not you would have any objection.

Yours very truly,

J. H. GRISDALE, *D.M.*

The Auditor General, Ottawa.

DEPARTMENT OF JUSTICE, OTTAWA, August 27, 1923.

DEAR SIR,—Referring to your letter of 20th instant, with regard to Mr. van Bruyssel's claim for \$160.11, representing an amount expended for special travelling expenses and cables in connection with enquiries which were prosecuted by Mr. van Bruyssel in Europe under the instructions of your Department I have considered the Order in Council of 30th September, 1921, and the correspondence submitted, and I observe that as to the services described in the Order in Council the Minister was authorized to pay Mr. van Bruyssel the sum of \$1,000 as an advance in payment of expenses to be incurred, and upon the completion of the work such further sum as in the opinion of the Minister might be found reasonable, not to exceed \$2,000 for all services rendered; probably the intention of the Order in Council was that the payments thereby authorized should not exceed \$2,000 in all; but it should be observed that the amount of compensation within this limit was to be determined by the Minister, and that the enquiry for which the expenditure was authorized related to the flax industry. It would appear that the charge of \$160.11 now in question was incurred under the special instructions of your department with relation to the sale of horses in Holland, and for cables. I doubt that an enquiry with respect to horses was within the scope of the Order in Council, and moreover I see that Mr. van Bruyssel quotes a letter from you from which I infer that \$147.26 has already been paid and appropriated on this account and is thus out of question. There remains therefore only the sum of \$12.85 for cables, which I would allow, and therefore I conclude that Mr. van Bruyssel is entitled to receive the balance of the amount allowed by the Minister under the Order in Council, plus the charge for cables.

Yours very truly,

(Sgd.) E. C. NEWCOMBE, *D.M.J.*

J. H. GRISDALE, Esq., Deputy Minister of Agriculture, Ottawa.

AUDIT OFFICE, OTTAWA, September 14, 1923.

SIR,—With reference to your letter of the 11th instant, enclosing an opinion of the Department of Justice, respecting a claim made by Mr. Van Bruyssel for \$160.11 in excess of \$2,000 authorized to be paid him for services in connection with an enquiry relating to the flax industry, I infer from Mr. Newcombe's letter that he wrote under the impression that \$147.26 of this amount had already been paid by the Department.

So far as I have been informed, no such payment has been made. As I understand the case, Mr. Van Bruyssel has been paid only the amount authorized by the Governor in Council, namely \$2,000.

Of course, if the Department had authority without reference to Council to order an investigation in relation to the sale of horses in Holland, the extra amount claimed by Mr. Van Brussel for such investigation may be paid from any appropriation applicable to such service.

I am, sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

J. H. GRISDALE, Esq., Deputy Minister, Dept. of Agriculture.

Entertainment of Excursionists at Experimental Farm

AUDIT OFFICE, OTTAWA, November 6, 1923.

SIR,—Included in the expenditure charged to Experimental Farms appropriation for the fiscal year 1922-1923. I find a number of payments made in connection with the entertainment of excursionists, etc.

Starting some years ago with a trifling outlay at Central Farm, Ottawa, this form of expenditure has extended to several of the branch farms, and now aggregates a considerable amount.

During the fiscal year 1922-1923, outlay of this nature at Central Farm alone amounted to \$1,115.68 and at Cap Rouge, Quebec, Farm, to \$836.68.

Such expenditure is not, in my opinion, properly chargeable to Experimental Farms appropriation, and should be incurred only after the special authority of Parliament has been obtained therefor.

I am, sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

Deputy Minister, Department of Agriculture.

DEPARTMENT OF AGRICULTURE, OTTAWA, November 10, 1923.

DEAR SIR,—I have to acknowledge receipt of your letter of the 6th instant, in regard to certain payments made from the Experimental Farms appropriation for the fiscal year 1922-23, in connection with the entertainment of excursionists, etc.

This matter was referred to the Experimental Farms for report, and I include, herewith, copy of a memorandum prepared by the Acting Director, in which I concur.

Yours very truly,

A. L. JARVIS, *Acting D.M.*

The Acting Auditor General, Ottawa.

Note by Asst. A.G.—The memorandum by Acting Director not published as it does not affect the objections raised.

AUDIT OFFICE, OTTAWA, November 15, 1923.

SIR,—I beg to acknowledge the receipt of your letter of the 10th instant with reference to payments made in connection with the entertainment of excursionists, etc., at the Experimental Farms.

I did not call in question the policy of the Department in extending hospitality to visitors to the Experimental Farms in special cases, but to the fact that the expenditure was incurred without the necessary provision by Parliament having been made for such exceptional expenditure.

It seems to me expenses of this nature should not be charged, as a matter of course, to a general vote for Experimental Farms.

I am, sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister, Agriculture Department, Ottawa.

Allowance for Meals at Ottawa to Permanent Employee

AUDIT OFFICE, OTTAWA, August 8, 1923.

SIR,—In examining the Vouchers covering the expenditure for Live Stock Appropriation 1922-23, I find that in the accounts of R. W. Zavitz, Poultry Inspector, an item for meals amounting to \$2.50 per diem, while in Ottawa, is charged regularly. This usually amounts to upwards of \$30 per month.

Mr. Zavitz is a resident of Ottawa and draws the regular salary and bonus that his position calls for.

What is the authority for allowing \$2.50 per diem for meals while in Ottawa?

I am, sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister of Agriculture, Ottawa.

DEPARTMENT OF AGRICULTURE, OTTAWA, September 5, 1923.

DEAR SIR,—Referring to your letter of the 8th instant asking for information in regard to certain accounts in favour of R. W. Zavitz of the Live Stock Branch of this Department, I have to advise you that Mr. Zavitz joined the service of the Live Stock Branch in December, 1919, as a Poultry Inspector, in connection with Record of Performance and was stationed at Guelph, Ontario. During the summer of 1920 with the growth of the work he was brought to Ottawa and gave part time to supervision of this work. Later in 1921 when it became evident that the work was going to assume still larger proportions, he was stationed in Ottawa and has spent more and more of his time here coincident with the growth of the work, until during the last year he has spent nearly all his time in Ottawa.

The establishment of a position to be known as Supervisor of Record of Performance is under consideration, and it is the intention to ask the Civil Service Commission to establish such a class in the near future. In that event it is quite probable that Mr. Zavitz would receive the appointment since he is the officer directly in line for such a position, which would, of course, be filled by

promotion, and in the meantime it is the intention to continue to pay part of his expenses while in Ottawa, the allowance for same not to exceed \$30 per month, unless, of course, instructions are received from you to the contrary.

Yours very truly,

A. L. JARVIS, *Acting D.M.*

The Assistant Auditor General, Ottawa.

AUDIT OFFICE, OTTAWA, September 7, 1923.

SIR,—I beg to acknowledge receipt of your letter of the 5th instant in reply to mine of the 8th ultimo with reference to the payment of a living allowance to Mr. R. W. Zavitz, Poultry Inspector.

In reply to my query as to your authority for the payment of a portion of this employee's living expenses while in Ottawa, you inform me that the creation of a position to be known as "Supervisor of Record of Performance" is under consideration and that on its establishment, Mr. Zavitz would probably receive the appointment. You add that "in the meantime, it is the intention to continue to pay part of his expenses while in Ottawa, the allowance for same not to exceed \$30 per month, unless, of course, instructions are received from you to the contrary."

I would point out to you that from the date upon which he established residence in Ottawa, no such allowance could be legally paid to Mr. Zavitz without the authority of the Governor in Council. An Order in Council should now be obtained covering all such payments made or proposed.

I am, sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

Deputy Minister of Agriculture.

Banquet at Chateau Laurier. Ottawa

AUDIT OFFICE, OTTAWA, November 9, 1923.

SIR,—Included in the expenditure made from Live Stock appropriation in the fiscal year 1922-23, I find that by cheque No. 42837 the Chateau Laurier, Ottawa, received the sum of \$202.00 covering the cost of a "banquet on December 1st, 1922, for members of the Live Stock Branch".

The account is as follows:—

| | |
|--------------------------------|----------|
| 70 dinners at \$2.50 | \$175 00 |
| Cigars and cigarettes | 17 00 |
| Service | 10 00 |
| | <hr/> |
| | \$202 00 |

Please inform me as to your authority for making the cost of this banquet a charge against the Live Stock appropriation.

I am, sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister of Agriculture.

DEPARTMENT OF AGRICULTURE, OTTAWA, November 16, 1923.

DEAR SIR,—Replying to your letter of the 9th instant, in regard to a certain account for a banquet for members of the Live Stock Branch, December 1st, 1922, I include, herewith, copy of a letter from the Live Stock Commissioner, to whom the matter was referred.

Yours very truly,

A. L. JARVIS, *Acting D.M.*

The Assistant Auditor General, Ottawa.

LIVE STOCK BRANCH, OTTAWA, November 15, 1923.

DEAR SIR,—I beg to acknowledge receipt of your letter of the 10th instant enclosing copy of one received by you from the Assistant Auditor General in regard to an account of the Chateau Laurier for \$202 covering the cost of the Banquet held on Dec. 1, 1922. On authority from the Minister, a conference of the senior officers of the Live Stock Branch was held in Ottawa on November 30th. and Dec. 1, 1922. The various phases of our work were discussed, both jointly and individually, during the two days of the conference and verbal authority was given by the Deputy Minister to bring the conference to a close by a Banquet at the Chateau Laurier at which the Minister's Secretary, Dr. Grisdale, and other heads of the various Branches of the Department were in attendance.

Yours faithfully,

H. B. ARKELL, *Live Stock Commissioner.*

The Deputy Minister of Agriculture, Ottawa.

Note by Asst. A.G.—It seems to me special Parliamentary provision should be obtained for expenditures of this nature.

Commission non émise à M. Duncan Marshall

BUREAU DE L'AUDITEUR GÉNÉRAL, OTTAWA, le 20 septembre 1923.

CHER MONSIEUR,—En examinant les paiements que vous avez effectués au cours du dernier exercice, sous l'autorité de votre lettre de crédit, pour l'application de la Loi de l'instruction agricole, n° 52, je constate que vous avez versé \$6,000 à M. Duncan Marshall, en sa qualité de commissaire de l'agriculture, en versements mensuels de \$500, jusqu'au 31 mars 1923.

Vous ne l'ignorez pas, la nomination de M. Marshall au poste de commissaire fut autorisée par arrêté du conseil, C.P. 223, en date du 7 février 1922.

Auriez-vous l'amabilité de m'informer s'il a été émis une commission à M. Marshall et si telle commission spécifiait que ses services devaient prendre fin à une date donnée?

Votre dévoué,

WM. KEARNS, *A.G. adj.*

Le sous-ministre, Ministère de l'Agriculture, Ottawa.

MINISTÈRE DE L'AGRICULTURE, OTTAWA, le 20 septembre 1923.

MONSIEUR,—En réponse à votre lettre du 20 courant, je dois vous dire qu'aucune commission n'a été émise à M. Marshall.

Votre dévoué,

(Signé) A. L. JARVIS, *S.-M. suppléant.*

L'Auditeur général adjoint, Ottawa.

Paiements effectués en faveur de M. Van Bruyssel

MINISTÈRE DE L'AGRICULTURE, OTTAWA, le 9 juillet 1923.

MONSIEUR,—Vous trouverez ci-inclus un mémoire concernant certains paiements effectués en faveur de M. Van Bruyssel. Vous m'obligeriez beaucoup en me disant si le ministère est autorisé à payer une somme additionnelle de \$160.11 pour couvrir les frais d'une enquête spéciale supplémentaire entreprise à la demande du ministère après que les enquêtes générales qu'il était chargé de faire furent commencées.

Votre dévoué,

J. H. GRISDALE, *Sous-ministre.*

L'Auditeur général, Ottawa.

BUREAU DE L'AUDITEUR GÉNÉRAL, OTTAWA, le 16 juillet 1923.

MONSIEUR,—J'accuse réception de votre lettre du 9 courant dans laquelle vous demandez si vous êtes autorisé à payer la somme de \$160.11 représentant les frais de M. Van Bruyssel en excédent des \$2,000 que votre ministère était autorisé à déboursier par l'arrêté du conseil, C.P. 3294, du 30 septembre 1921.

L'arrêté du conseil stipule explicitement que le ministère peut avancer à M. Van Bruyssel la somme de \$1,000 et, quand le travail sera terminé, lui payer toute autre somme que le ministre juge juste et raisonnable, sans toutefois excéder la somme de \$2,000 pour tous services rendus.

D'après mon interprétation, vous devriez faire produire par M. Van Bruyssel un compte indiquant que ses frais s'élèvent à \$2,000 pour le travail que le ministre de l'Agriculture lui a assigné.

Je crois qu'il est très clair que le ministère ne peut pas, aux termes de l'arrêté du conseil, lui verser aucune somme en excédent de \$2,000.

Votre dévoué,

WM. KEARNS, *A.G. adj.*

M. J. H. GRISDALE, sous-ministre, ministère de l'Agriculture, Ottawa.

MINISTÈRE DE L'AGRICULTURE, OTTAWA, le 11 septembre 1923.

CHER MONSIEUR,—Le 16 juillet vous m'avez fait connaître votre opinion relativement au paiement d'une somme additionnelle de \$160.11 à M. Ferd. van Bruyssel, à qui un paiement de \$2,000 a été autorisé par l'arrêté du conseil C.P. 3294 en date du 30 septembre 1921. Après la réception de votre lettre j'ai soumis la question au ministère de la Justice et je reçois aujourd'hui une réponse de M. Newcombe dont j'inclus une copie dans cette lettre. Il me semble qu'en vertu de cette décision il serait dans l'ordre pour nous de payer cette réclamation, mais avant de ce faire j'aimerais de savoir si vous y avez quelque objection.

Votre bien dévoué,

J. H. GRISDALE, *Sous-ministre.*

A l'Auditeur général, Ottawa.

MINISTÈRE DE LA JUSTICE, OTTAWA, le 27 août 1923.

CHER MONSIEUR,—A propos de votre lettre du 20 courant, relativement à la réclamation de M. van Bruyssel pour la somme de \$167.11, représentant un montant dépensé sous forme de frais de déplacement dans un cas particulier et aussi de câblogrammes touchant les recherches faites en Europe par M. Van Bruyssel d'après les instructions de votre ministère, j'ai pris connaissance de l'arrêté du Conseil en date du 30 septembre 1921 et de la correspondance soumise, et je constate qu'au point de vue des services indiqués dans l'Arrêté du Conseil le ministre a été autorisé à payer à M. Van Bruyssel la somme de \$1,000 à titre d'avance sur le paiement des dépenses à encourir, et, à la fin de son travail, une autre somme jugée raisonnable par le ministre, mais le paiement ne devant pas dépasser \$2,000 pour tous les services rendus. Il est probable que l'intention de l'arrêté du Conseil était que les paiements ainsi autorisés ne devraient pas dépasser \$2,000 en tout; mais il est à remarquer que le montant de la rémunération ne devant pas dépasser ce chiffre devait être déterminé par le ministère, et que les travaux de recherches pour lesquels cette dépense était autorisée portaient sur l'industrie du lin. Il semblerait que cet item de \$160.11 dont il est ici question a été encouru d'après les instructions spéciales de votre ministère relativement à la vente de chevaux en Hollande et aussi pour le paiement de câblogrammes. Je me demande si une enquête relative aux chevaux entraient dans les travaux indiqués dans l'arrêté du Conseil; et, bien plus, je constate que M. van Bruyssel cite une lettre venant de vous et par laquelle je comprends qu'une somme de \$147.26 a déjà été payée et portée à ce compte, de sorte qu'il n'est plus question de ce montant. Il ne reste donc plus à payer qu'une somme de \$12.85 pour les câblogrammes, sommes dont je permettrais le paie-

ment, et, par conséquent, je conclus que M. Van Bruyssel a droit de recevoir la balance du montant qui lui a été accordé par le ministre aux termes de l'arrêté du Conseil, plus les frais pour les câblogrammes.

Votre bien dévoué,

(Signé) E. C. NEWCOMBE, *S.-M. de la Justice.*

J. H. GRISDALE, *Ecr., sous-ministre de l'Agriculture, Ottawa.*

BUREAU DE VÉRIFICATION, le 14 septembre 1923.

MONSIEUR,—A propos de votre lettre du 11 courant incluant une opinion du ministère de la Justice relativement à la réclamation, par M. Van Bruyssel, du montant de \$160.11, en sus des \$2,000 qu'il était autorisé à toucher pour ses services dans l'enquête sur l'industrie du lin, je vois, d'après la lettre de M. Newcombe, que celui-ci était sous l'impression que ce montant avait déjà été versé par le ministère.

D'après les renseignements que j'ai obtenus, le paiement n'en a pas été effectué. Si je comprends bien la question, M. Van Bruyssel n'a reçu que la somme autorisée par le gouverneur en conseil, soit \$2,000.

Sans doute, si le ministère avait, sans avoir besoin de recourir au Conseil, l'autorité de faire enquête sur la vente des chevaux en Hollande, la somme supplémentaire réclamée par M. Van Bruyssel pour une telle enquête peut être payée à même le crédit applicable à ce service.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

J. H. GRISDALE, *sous-ministre de l'Agriculture, ministère de l'Agriculture.*

Réception des excursionnistes à la ferme expérimentale

BUREAU DE VÉRIFICATION, OTTAWA, le 6 novembre 1923.

MONSIEUR,—Parmi les dépenses imputées sur le crédit des fermes expérimentales pour l'exercice 1922-23, je trouve un certain nombre de paiements effectués pour la réception d'excursionnistes, etc.

Commencé il y a quelques années par une somme insignifiante à la ferme centrale, à Ottawa, ce genre de dépense s'est étendu à plusieurs des autres fermes de l'État et représente maintenant une somme considérable.

Pendant l'exercice 1922-23, les frais de cette nature à la seule ferme centrale se sont élevés à \$1,115.68 et au Cap-Rouge, à \$836.68.

A mon avis, cette dépense n'est pas convenablement imputable sur le crédit des fermes expérimentales et ne devrait être encourue qu'à la suite d'une autorisation spéciale du Parlement.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Le sous-ministre de l'Agriculture.

MINISTÈRE DE L'AGRICULTURE, OTTAWA, 10 novembre 1923.

CHER MONSIEUR, J'accuse réception de votre lettre du 6 courant relative à certains paiements effectués à même le crédit des fermes expérimentales, pendant l'exercice 1922-23, pour la réception d'excursionnistes, etc.

Cette question a été soumise aux fermes expérimentales qui doivent faire rapport. J'inclus sous ce pli copie d'un mémoire préparé par le directeur adjoint, mémoire que j'endosse.

Votre tout dévoué,

A. L. JARVIS, *S.-M. adj.*

L'auditeur général adjoint, Ottawa.

REMARQUE PAR L'AUDITEUR GÉNÉRAL ADJOINT.—Le mémoire ne concernant pas l'objection soulevée n'est pas publié.

BUREAU DE VÉRIFICATION, OTTAWA, 15 novembre 1923.

MONSIEUR.—J'accuse réception de votre lettre du 10 courant à propos du paiement effectué pour la réception d'excursionnistes, etc., aux fermes expérimentales.

Je n'ai pas soulevé de doute sur la politique du département relativement à l'hospitalité qu'il accorde aux visiteurs des fermes expérimentales dans des cas particuliers, mais j'ai signalé le fait que la dépense était encourue sans que le crédit nécessaire ait été prévu par le Parlement pour cette dépense exceptionnelle.

Il me semble que les dépenses de ce genre ne devraient pas être imputées sur le crédit général des fermes expérimentales.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.J. adj.*

Le sous-ministre de l'Agriculture.

Paiement des repas d'un employé permanent

BUREAU DE VÉRIFICATION, OTTAWA, 8 août 1923.

MONSIEUR.—En examinant les pièces justificatives concernant la dépense sur le crédit de l'industrie animale 1922-23, je constate que dans les comptes de R. W. Zavitz, inspecteur d'aviculture, ses repas, au montant de \$2.50 par jour, tandis qu'il est à Ottawa, sont régulièrement facturés. Cela s'élève à plus de \$30 par mois.

M. Zavitz est domicilié à Ottawa et retire le traitement et la gratification auxquels sa position lui donne droit.

En vertu de quelle autorisation lui accorde-t-on \$2.50 par jour pour ses repas tandis qu'il s'élève à Ottawa?

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Le sous-ministre de l'Agriculture.

MINISTÈRE DE L'AGRICULTURE, OTTAWA, 5 septembre 1923.

CHER MONSIEUR,—À propos de votre lettre du 8 courant demandant des renseignements sur certains comptes en faveur de R. W. Zavitz, de la division d'industrie animale, dans notre département, je dois vous dire que M. Zavitz

est entré au service de la division en décembre 1919, à titre d'inspecteur de volailles, pour le service de l'enregistrement des pontes alors établi à Guelph, Ontario. A l'été de 1920, ce travail augmentant beaucoup, il a été transféré à Ottawa et il consacrait une partie de son temps à la surveillance de ce travail. Plus tard, en 1921, lorsqu'il devint évident que le travail allait prendre encore de plus amples proportions, il fut posté à Ottawa où il est resté de plus en plus longtemps à mesure que la besogne augmentait. L'an dernier, il a passé presque tout son temps à Ottawa.

La question d'établir la position de surveillant de l'enregistrement des pontes est à l'étude. Nous avons l'intention de demander à la Commission du Service civil de l'établir prochainement. Si la chose a lieu, il est probable que M. Zavitz sera nommé, vu qu'il se trouve tout désigné pour remplir cette position qui sera sans doute accordée par promotion. En attendant, nous avons l'intention de continuer à lui payer une partie de ses frais, pendant son séjour à Ottawa, mais pas plus de \$30 par mois, à moins que vous ne nous donniez des instructions contraires.

Votre tout dévoué.

A. L. JARVIS, *sous-ministre suppléant*.

L'Auditeur général adjoint, Ottawa.

BUREAU DE VÉRIFICATION, OTTAWA, le 7 septembre 1923.

CHER MONSIEUR, J'accuse réception de votre lettre du 5 courant en réponse à la mienne du 8 écoulé au sujet du paiement d'une allocation de subsistance à M. R. W. Zavitz, inspecteur de volailles.

En réponse à ma question relativement à l'autorisation du paiement d'une partie des frais de subsistance de cet employé pendant son séjour à Ottawa, vous m'informez que la question de créer une position de "surveillant des enregistrements de ponte" est à l'étude et que M. Zavitz l'obtiendra probablement. Vous ajoutez qu'"en attendant, vous avez l'intention de continuer à lui payer une partie de ses frais, pendant son séjour à Ottawa, mais pas plus de \$30 par mois, à moins que je ne vous donne des instructions contraires."

Je vous ferai remarquer que, du jour où il a établi son domicile à Ottawa, on ne pouvait plus légalement payer une telle allocation à M. Zavitz sans l'autorisation du gouverneur en conseil. Il faudrait que vous obteniez un décret couvrant tous les paiements effectués ou projetés à cette fin.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Le sous-ministre de l'Agriculture.

MONSIEUR.—En réponse à votre lettre du 9 courant au sujet du compte pour un banquet donné aux membres de la Division de l'Industrie animale le 1er décembre 1922.—veuillez trouver sous pli copie de la lettre du Commissaire de l'Industrie animale à qui la chose avait été référée.

DIVISION DE L'INDUSTRIE ANIMALE, OTTAWA, le 15 novembre 1923.

MONSIEUR.—Je vous accuse réception de votre lettre contenant une copie de la lettre que vous avez reçue de l'auditeur général adjoint au sujet du compte de \$202 du Château Laurier pour le banquet donné le 1er décembre 1922. Avec l'autorisation du Ministre les fonctionnaires senior de la Division de l'Industrie animale se réunirent en conférence à Ottawa le 30 novembre et le 1er décembre 1922. Les divers aspects de notre travail y ont été discutés individuellement et collectivement au cours des deux jours de cette conférence et le sous-ministre a donné l'autorisation verbale de clore cette conférence par un banquet au Château Laurier auquel, le secrétaire du ministre ainsi que les chefs des diverses branches du ministère ont assisté.

Bien à vous,

H. B. ARKELL, *Commissaire de l'Industrie animale.*

Le sous-ministre de l'Agriculture, Ottawa.

REMARQUE PAR L'AUDITEUR GÉNÉRAL ADJOINT.—Il me semble qu'un vote spécial du Parlement est nécessaire pour des dépenses de cette nature.
