**Overdrafts of Expenditure on Appropriations.**

AUDIT OFFICE, OTTAWA, June 23, 1904.

SIR,—I beg to inform you that the Appropriation Ledger of this office shows that the vote for 'Annual Drill and Musketry' (\$520,000) is overdrawn \$18,448.70. Please furnish an explanation of the cause of the overdraft.

I am, sir, your obedient servant,

The Deputy Minister of Militia and Defence

J. L. McDOUGALL, A.G.

---

DEPT. OF MILITIA AND DEFENCE, OTTAWA, July 8, 1904.

SIR,—In reply to your favour of 23rd ult., *re* overdraft of vote for Annual Drill, &c., \$18,448.70, I beg to say that on January 11 last application was made to you by requisition No. 43 to debit Arms, Ammunitions, &c. (capital account) and credit Annual Drill, &c., with \$10,000, and on 15th *idem* a similar application was made by requisition No. 45 for a further sum of \$20,000.

These requisitions for transfers were subsequently cancelled under circumstances as stated to you in my letter of February 8th last; in the meantime, however, cheques had been drawn against the appropriation for 'Annual Drill' in anticipation of the transfers being made—hence the overdraft, which will be covered when the Supplementary Estimates for 1903-04 are passed.

I am, sir, your obedient servant,

The Auditor General.

L. F. PINAULT, Col., *D. M. of M. & D.*

---

AUDIT OFFICE, OTTAWA, July 19, 1904.

SIR,—I am in receipt of your application to repay Bank of Montreal the sum of \$427,527.67, the amount of your expenditure during June. I notice that you have expended on account of 'Annual Drill and Musketry, &c.,' \$188,054.63, although you had no available funds for that purpose and your vote was previously overdrawn, as shown by the records of this office, to the extent of \$18,448.70. Your attention was called to this overdraft in my letter of June 23.

You have also expended on account of 'Salaries and Wages' an amount of \$14,917.83, for which there was no available vote.

I cannot assume the responsibility of passing your application to repay the bank an expenditure for which there was no proper parliamentary authority, and I have, therefore, reduced your application to \$224,555.21, being the difference between the full amount of your June expenditure and the sum of the two amounts as above for which you had no funds.

As regards these amounts, I shall report the matter to the Treasury Board on the 21st instant and shall be glad to attach any explanation from you that may reach me in the meantime.

I am, sir, your obedient servant,

The Deputy Minister of Militia and Defence.

J. L. McDOUGALL, A.G.

---

DEPT. OF MILITIA AND DEFENCE, OTTAWA, July 20, 1904.

SIR,—In reply to your letter of the 19th instant, with reference to my application to repay the Bank of Montreal the sum of \$427,527.67, the amount of expenditure during June, and calling attention to payments on account of 'Annual Drill and Musketry, &c.,' of \$188,054.63, and 'Salaries and Wages' of \$14,917.83, for which there were no available votes, I have the honour to state as follows:—

## SESSIONAL PAPER No. 1

1. In March last, the Minister of Militia and Defence decided to train the whole of the active militia during the present drill season. It is in the interest of the service that the Ontario troops should perform their training during June, and it was decided to assemble camps at London and Niagara on June 7 and 14, respectively. As these troops would complete their annual training before the 1st July it was decided to ask Parliament for a supplementary appropriation for 1903-4 to meet the expenditure.

2. The Minister submitted, for the approval of Council an amount for the purpose, which in due time was brought down to Parliament in the Supplementary Estimates for 1903-4.

3. Owing to circumstances over which this department had no control, this appropriation was not made available before the termination of training, and in fact is not yet available.

4. There were trained at London, Niagara and Ottawa some 10,000 men; it would have been an unheard of thing, and it would not have done, to have sent these men to their homes without their being paid for their training; consequently, an arrangement was made with the Bank of Montreal to advance the money necessary to pay them.

5. As regards the vote for 'salaries and wages,' urgent Supplementary Estimates, including an item for \$18,000 for this service, were brought down to Parliament some weeks before the Supplementary Estimate for 1903-04. This item was voted by Parliament, but, unfortunately, for some reason over which this department had no control, when the Deputy Governor General came down to Parliament to assent to several Bills the interim Supply Bill, including this amount, was not assented to.

The vote for 'salaries and wages' having been entirely exhausted, and the pay of many employees being past due, the Minister considered the matter of sufficient urgency, and in view of the attendant circumstances he asked the bank to advance sufficient funds to pay the salaries and wages due.

In view of the foregoing explanations, I trust that the Treasury Board will recognize that obtaining these advances from the bank was done under urgent circumstances, and in the public interest. I am well aware that there were no appropriations available, but the Minister, after discussing the matter with his colleagues, felt that he would be warranted in arranging with the bank to advance these funds, and he trusts that the Treasury Board will be able to see its way to approve his action.

I am, sir, your obedient servant,

The Auditor General.

L. F. PINAULT, *Col., D. M. of M. & D.*

AUDIT OFFICE, OTTAWA, July 25, 1904.

SIR,—In accordance with the provisions of Section 31 of the Consolidated Revenue and Audit Act I have to report to the Treasury Board an expenditure of money in June out of the credit of the Department of Militia and Defence, beyond the amount for which there is any legislative authority on these accounts:

Annual drill and musketry, &c. . . . .	\$188,054 63
Salaries and wages . . . . .	14,917 83

I inclose you herewith copies of the correspondence with the Militia Department in the matter. You will notice that the Bank of Montreal is still unpaid the sum of these amounts.

I do not see that the Treasury Board is likely to approve of the action taken by the Militia Department.

If parliament had not been in session, the constitutional means of obtaining the necessary authority was by a Governor's Warrant. Parliament having been in session, the constitutional means was by putting through a special Supply Bill.

I am, sir, your obedient servant,

The Secretary of the Treasury Board.

J. L. McDougall, *A.G.*

AUDIT OFFICE, OTTAWA, January 12, 1904.

SIR,—Let me acknowledge the receipt of your requisition No. 43 of the 11th inst., asking for a transfer debiting 'Arms, Ammunition, &c.,' and crediting 'Annual Drill, with \$10,000, amount of cheque No. 1909. The application should state your reasons why a transfer is necessary, and is returned herewith for amendment.

I am, sir, your obedient servant,  
The Deputy Minister of Militia and Defence. J. L. McDOUGALL, A.G.

....

AUDIT OFFICE, OTTAWA, January 18, 1904.

SIR,—Let me acknowledge the receipt of your requisition No. 45 of the 15th instant for a transfer debiting 'Arms, Ammunition, &c.,' and crediting 'Annual Drill, &c.,' with \$20,000, amount of cheque 520, Woods Ltd., for bell tents.

The application should state your reasons why a transfer is necessary, and is returned herewith for amendment.

I am, sir, your obedient servant,  
The Deputy Minister of Militia and Defence. J. L. McDOUGALL, A.G.

DEPT. OF MILITIA AND DEFENCE, OTTAWA, January 16, 1904.

SIR,—I have the honour to acknowledge receipt of yours of 12th instant. Among other stores purchased for reserve, there were 2,000 tents. This payment (cheque 1909, \$10,000), as well as cheque 520, \$20,000, were on account of these. I am applying for a transfer of this latter amount also.

I am, sir, your obedient servant,

DEPT. OF MILITIA AND DEFENCE, OTTAWA, January 21, 1904.

SIR,—With reference to your letter of the 18th instant, returning requisition No. 45, for a transfer debiting 'Arms, Ammunition, &c.,' and crediting "Annual Drill, &c.,' with \$20,000, I have the honour to return herewith the requisition, with a statement thereon showing the purpose for which the transfer is required.

I am, sir, your obedient servant,  
The Auditor General. L. F. PINAULT, Col., D. M. of M. & D.

AUDIT OFFICE, OTTAWA, February 1, 1904.

SIR,—Let me acknowledge receipt of your letters of the 16 and 21st instant, returning your applications for a transfer debiting 'Arms, Ammunition, Reserve Equipments, &c.,' and crediting 'Annual Drill' with \$30,000, the amount of two payments to the Woods, Ltd., by cheques No. 520, of July 9, for \$20,000, and No. 1969, of August 13, for \$10,000, for circular tents.

I find, on examination, that the vouchers sent to this office in support of these payments are incomplete, the abstracts of the payments and the paid cheques being the only papers returned. Please cause this office to be furnished with the statements of account on which the payments were made, showing quantities and value of goods supplied at the date of payment.

I also notice that a refund of \$30,000 was made by the Woods, Ltd., on August 27, 1903, at Ottawa. The deposit receipt states that the deposit was a refund of cheques Nos. 520 and 1969, and these are the payments you ask to be transferred.

Why were payments made at all to the Woods, Ltd., if the amounts were not due, and how can a transfer be made of an expenditure that appears to be refunded?

I am, sir, your obedient servant,  
The Deputy Minister of Militia and Defence. J. L. McDOUGALL, A.G.

SESSIONAL PAPER No. 1

DEPT. OF MILITIA AND DEFENCE, OTTAWA, February 8, 1904.

SIR,—I have the honour to acknowledge receipt of your letter of the 1st instant, respecting the application for transfer of cheques No. 520 and No. 1969 from 'Annual Drill, Stores, &c.' to 'Arms, Ammunitions, &c.'

In looking into this matter, it appears you are correct.

These two payments were refunded by the Woods, Ltd., Co. at my request on August 27 last, and on the same day a cheque for \$40,000 (C. 11731) was issued to them out of 1902-03 funds in full payment of 1,600 tents which they had delivered to the department in June, and against which the two payments in question, viz., C. 520 of July 9 and C. 1969 of August 13, had been 'on account.'

The reason the transaction was thrown into 1902-03 accounts was that this department did not receive payment until August 27 of \$40,000 worth of tents sold to the Interior Department, and which the 1,600 purchased from the Woods, Ltd., Co. were to replace. As the Interior Department paid us for these out of 1902-3 funds, we placed the amount to the credit of 1902-3 'Annual Drill' appropriation, and used the money thus available to pay the Woods, Ltd., Co. Otherwise, this balance would have lapsed.

When making application for the transfer, the fact was overlooked that the payments in question had in reality been thrown into the past year's accounts.

The vouchers you ask for will be found with C. 11731 in your department.

Kindly return the application.

I am, sir, your obedient servant,

The Auditor General.

**Payment of Old Account for Transportation of Supplies into the Yukon, 1898 and 1899.**

AUDIT OFFICE, OTTAWA, January 22, 1904.

SIR,—I am in receipt of an Order in Council of January 19, 1904, authorizing payment to the Boston and Alaska Transportation Company of claim for carriage of supplies to Dawson and Fort Selkirk in 1898.

In this connection, I would point out that your letter of credit is not applicable for payment of this and similar special items. The proper method of payment and the usual one is by Receiver General's cheque, obtained on application to this office and the Finance Department. Please send with the application the vouchers supporting the claim for payment.

I am, sir, your obedient servant,

The Deputy Minister of Militia and Defence.

AUDIT OFFICE, OTTAWA, March 24, 1904.

SIR,—Relative to the claim of the Boston and Alaska Transportation Company for balance alleged to be due on transportation of militia supplies into the Yukon in 1898 and 1899, it would appear to me, from an examination of the papers and attendant circumstances, that the question of the liability of the department, or the Boston and Alaska Transportation Company, or both, for the loss through the spoiling of certain supplies ought to be as carefully determined as possible, and I would, therefore, recommend that the whole matter be referred to the Justice Department for an opinion on that question alone.

It is not altogether clear from the papers whether the supplies that spoiled in transit were properly packed in the first instance. The correspondence with the

Hudson's Bay Company would indicate that the department, through its acceptance of the supplies, has deprived itself of any claim against the company for any loss from improper packing.

As to the statement of alleged deficiencies in the cargoes delivered, which has not been charged in the account against the company, while the department may not be in a very good position to press this claim, through the discrepancies that appear on the face of the statements, still I do not think that the item should be altogether eliminated from the account. I would suggest that a report be obtained from Colonel Evans on this matter.

I am, sir, your obedient servant,

The Deputy Minister of Militia and Defence.

Will you be so kind as to call upon Colonel T.D.B. Evans, C.B., for a report in this case?

It appears that while there was an alleged shortage, the total weight of the packages delivered agreed, or almost agreed, with the weight entered in the shipping bill.

It is desired that Colonel Evans' report be obtained in order to accurately determine the amount of shortage, if possible.

WINNIPEG, April 7, 1904.

*From D.O.C., M.D. 10, to the Adjutant-General, Headquarters.*

I am not in possession of the documents connected with this case.

As far as I can remember, a Board was held on the first portion of the cargo received, and subsequently on the balance when it arrived, the following summer. I believe that in the latter lot several supposed deficiencies were made good. The case was a complicated one, as Captain Pearse, fearing that the supplies would fail to arrive in time, took complete charge and pushed a portion of them through, using up a certain amount of the supplies for the crew in so doing. Captain Pearse's action may, to a certain extent, have relieved the B. & A. Company of responsibility for deficiencies.

The supplies that were landed at Circle City were also to a certain extent used by those in charge.

## SESSIONAL PAPER No. 1

Certain supplies used by the Empire Transportation Company, which took the contract for carrying up the stranded stores from Circle City, were charged to and deducted from the accounts of the company. I do not know from memory if these stoppages were deducted from the deficiencies shown by the Board.

In view of the great difficulties and loss of vessels encountered by this company in the delivery of the stores referred to, and the difficulty of fixing the legal responsibility for, and exact amount of, shortages, I would recommend that a lenient view be taken by the department in regard to the settlement of this claim.

DEPT. OF MILITIA AND DEFENCE, OTTAWA, April 17, 1904.

SIR,—I have the honour to request a ruling by your department in the matter of the claim of the Boston and Alaska Transportation Company against this department, a settlement of which, by the payment of \$18,379.40, His Excellency in Council approved on January 19 last, the funds having been voted by Parliament.

Pending the payment of the amount authorized by the Minute of Council, the Auditor General requests that the question of the liability of this department, or the Boston and Alaska Transportation Company, or both, for the loss through the spoiling of certain supplies be as carefully determined as possible, and that the whole matter be referred to your department for an opinion on that question alone.

In compliance with the Auditor General's request, the Minister of Militia and Defence desires at an early date a ruling by your department on the point referred to.

I forward, herewith, all papers belonging to the department touching on the subject, which kindly return in due course.

I am, sir, your obedient servant,

As regards the reference to the Department of Justice, the Deputy Minister recommended that another submission should be made to Council. This was accordingly done, and a copy of the approved Minutes of Council is herewith.

I trust that you will now be able to see your way to pass this claim.

EXTRACT from a Report of the Committee of the Honourable the Privy Council, approved by the Governor General on May 11, 1904.

On a report dated May 7, 1904, from the Minister of Militia and Defence, submitting that by an Order in Council of January 19, 1904, authority was given for payment of \$18,379.40 in full settlement of the claim of the Boston and Alaska Transportation Company for carriage of goods under contract made in 1898, and further, that the claim of the company is pending in the Exchequer Court upon petition of right of James Carroll, the receiver of the company, who claims by his petition, dated October 15, 1901, \$35,950.70.

The Minister states that various defences have been set up on behalf of the Crown to this claim, among others the failure of the company to perform a part of the contract, and damages sustained by the government through delay, extra cost of forwarding and damage to the goods.

The Minister, considering all the circumstances, and especially the proceedings of Mr. Pearse, who professed to act for the government, with reference to taking over a portion of the goods in transit, and the arrangements subsequently made for forwarding the goods to their destination, to which the company very strongly object, was of the opinion that it would be reasonable to pay the further sum of \$18,379.40, as authorized by the Order in Council aforesaid, and he intended by the Order in Council to take authority to compromise the claim for that amount, each party paying their own costs.

The Minister recommends, as this intention was not, however, sufficiently apparent, that he be authorized to conclude a final compromise and settlement of the said claim upon the terms above mentioned, and that the Order in Council of January 19, 1904, be rescinded.

The Committee submit the same for approval.

(Sgd.) JOHN J. MCGEE,

*Clerk of the Privy Council.*

The Honourable the Minister of Militia and Defence.

AUDIT OFFICE, OTTAWA, May 16, 1904.

SIR,—I am in receipt of an Order in Council of the 11th instant, relative to the claim of the Boston and Alaska Transportation Company for carriage of goods into the Yukon in 1898 and 1899, recommending that the Minister be authorized to conclude a final compromise and settlement of the claim upon the terms mentioned.

In this connection, I would refer you to my letter of January 22, 1904, pointing out that your letter of credit is not applicable for payment of this and similar special items. The proper method of payment and the usual one is by Receiver General's cheque, obtained on application to this office. The application should be accompanied by the vouchers supporting the claim.

I am, sir, your obedient servant,

The Deputy Minister of Militia and Defence.

AUDIT OFFICE, OTTAWA, May 21, 1904.

SIR,—Let me acknowledge the receipt of your requisition No. 69 for a cheque in favour of T. J. Donaghue, assignee, in full settlement of the claim of the Boston and Alaska Transportation Company for carriage of goods to Dawson City and Fort Selkirk in 1898 and 1899. I am also in receipt of your letter of the 17th inst., with accompanying papers, relative to the same subject.

SESSIONAL PAPER No. 1

I note that the matter was referred to Colonel Evans for a report, and to the Department of Justice, as suggested in my previous letter, and that a new Order in Council was obtained rescinding the former Order of January 19 and recommending, after a recital of certain facts, that, as the intention of the former Order was not sufficiently apparent, the Minister be authorized to conclude a final compromise and settlement of the claim upon the terms mentioned.

I do not notice in the papers any opinion of the Department of Justice as to the liability of the government in the matter in question. Their action appears to be confined to the preparation of a draft of the Order in Council of May 11, without any expression of opinion on the subject-matter referred to them.

If the government are not liable, I do not see how the passing of an Order in Council could establish any liability or empower a Minister to pay money that is not legally due. Perhaps, therefore, you will obtain the direct opinion of the Department of Justice on Canada's liability.

I am, sir, your obedient servant,

The Deputy Minister of Militia and Defence.

J. L. McDOUGALL, A.G.

TORONTO, ONT., July 20, 1904.

*Re Boston and Alaska Transportation Company.*

DEAR SIR,—On May 7, 1898, the Boston and Alaska Transportation Company entered into a contract with the Department of Militia and Defence to deliver at Fort Selkirk 250 tons or more of supplies not later than August 31, 1898.

The contract was unconditional in its terms and subject to no exception.

On August 26, 1898, Mr. D. H. Pingree, the general manager of the company, by formal memorandum in writing, acknowledged the inability of the company to transport the goods beyond Weare, in Alaska, and he, in the same memorandum, requested Captain Pearce, who was in charge of the government stores upon the company's vessels and barges, to take charge of forwarding the goods to their destination. Captain Pearce was to have absolute discretionary powers in the work of forwarding. He was to be at liberty to charter other vessels which he considered necessary, to have access to the stores at any time or for any purpose, &c.

The memorandum also provided that disbursements of money Captain Pearce had made, or promised to make, in connection with the forwarding of the goods, were to be deducted from the freight charges due the company from the government.

Captain Pearce's report detailed the circumstances which led up to and culminated in the general manager abandoning, in apparent desperation, the attempt to get in the supplies.

Captain Pearce was placed in a position demanding exercise of judgment, which it is not possible for any one now to say was not wisely exercised. It is apparent that he did his utmost to meet the eventuality which was forced upon him by the incompetency of the company's officials. He made expenditures which are properly chargeable against the freight charges, and after deducting these charges, there is apparently a balance due to the company of \$18,379.40.

In my opinion, this sum is due to the company under the terms of the agreement of August 26, 1898, a copy of which, for convenience sake, I append here.

There was a sum of \$6,613.85 claimed to be due for shortages on goods delivered. These goods may necessarily have been consumed upon the boats after Captain Pearce had taken control, and in such event their value would necessarily be a part of the cost of transportation to be deducted from the balance owing to the company. Part of these goods, or all of them in fact, may have disappeared under circumstances which would render the government responsible. At this distance of time, and especially in view of Captain Pearce's death, it is not now possible to determine such a question in advance. The item remains in dispute, and without Captain Pearce's

evidence, it is probable that if the case went to trial, the item, or a great part of the item, would not be allowed to the Crown.

In my opinion, the Crown is liable for \$18,379.40, which is the amount of the freight charges, after deducting all disbursements made under the terms of the memorandum of August 26, 1898. For the reason pointed out, I think it is to the advantage of the Crown to make the settlement proposed, so as to put an end to litigation, which now involves only the \$6,613.85 item. The litigation cannot be concluded without very great expense, and owing to the death of Captain Pearce, it seems in every way probable that the result of litigation would not be favourable to the Crown, and that the costs involved, which the Crown would in all probability be called upon to pay, would offset any reduction in the item which might be gained by a judicial trial.

Yours, &c.,

WALTER BARWICK.

AUDIT OFFICE, OTTAWA, April 16, 1904.

SIR,—Let me acknowledge the receipt of your letter of the 12th instant, in answer to mine of the 7th instant, relative to the manner in which cheque No. 3409, of September 17, 1903, is drawn.

You will notice that the cheque was drawn in favour of 'H. N. Whitcomb, J. L. Lafontaine & M. Auger,' and then amended by the insertion before the first name of 'The Eastern Townships Bank, Waterloo, Que., for.' My inquiry was simply as to your authority for the change. Is there not a power-of-attorney?

I am inclosing you herewith the cheque in question for your examination, to be returned with your letter.

SIR,—With further reference to your letter of April 7, relative to this department's cheque, No. 3409, of September 17, 1903, in favour of the Eastern Township's Bank, Waterloo, Que., for H. N. Whitcomb, J. L. Lafontaine and M. Auger, I have the honour to inform you that I cannot trace the present whereabouts of the power-of-attorney.

I inclose, herewith, a copy of a letter to the manager of the Eastern Townships Bank, of June 22, 1903, which will prove to you the existence of the power-of-attorney in question, and I have before me the receipt of the accountant of this department for it, and of its being filed in his branch. Unfortunately, this power-of-attorney has been mislaid, but I trust this evidence will be satisfactory.

I return, herewith, the cheque received with your letter of April 16.

### Change in Method of Payment of Inspection Expenses.

AUDIT OFFICE, OTTAWA, July 26, 1904.

SIR,—In your June expenditure on account of 'Arms, Ammunition, &c.,' I notice a payment of \$442.12, by cheque No. 11948, to Lieutenant-Colonel R. Brown, for his services inspecting saddlery, &c. His account is as follows:—

To commission on \$18,750 at 2 per cent. . . . .	\$375 00
being for inspection of 500 sets Colonial pattern saddlery—	
Monday, May 16, 1904, 100 sets.	
Friday " 20 " 100 "	
" June 20 " 300 "	
To commission on \$3,116 at 2 per cent. . . . .	62 32
being for inspection of 38 sets ambulance wagon harness, reported June 4, 1904.	
To commission on \$240 at 2 per cent. . . . .	4 80
being for inspection of leggings drivers' long, 48 croppers with hip-straps and trace-bearers, and 48 dock-pieces, reported on or about May 12, 1904.	

\$442 12

In connection with this payment, a statement of the reasons why a change from the rate of \$10 a day to a percentage basis in the method of paying inspection charges

should be given. It appears surprising that Mr. Brown could inspect 300 sets of saddlery and earn \$225 in one day.

The account in question is certified by Colonel Macdonald: 'prices according to contract and not previously certified for payment. Please send me a copy of the contract referred to. The account is not certified by any official that the services have been performed, and it is returned herewith for amendment as to certificate and for explanation.

I am, sir, your obedient servant,

The Deputy Minister of Militia and Defence.

J. L. McDOUGALL, A.G.

DEPT. OF MILITIA AND DEFENCE, OTTAWA, August 9, 1904.

SIR,—With reference to your letter of the 26th ultimo, relative to the payment of \$442.12, by cheque No. 11948, to Lieutenant-Colonel R. Brown, for his services inspecting saddlery, I have the honour to inform you that a change from a *per diem* rate of \$10 to a 2 per cent upon the contract value of materials was made with a view to effecting a saving to the public; the latter arrangement covers all travelling and personal expenses, and it is expected that the cost of inspection will be considerably reduced by its adoption.

The dates mentioned in the accounts to which you refer have reference only to the dates of certificates of inspection. The work of inspection entails a careful examination of every strap and part of either harness or saddlery, before the work of making up is begun. The inspection of the 500 sets referred to was commenced on January 1 last, and completed on June 20, the date of the last report.

I inclose, herewith, a copy of the recommendation of the Director of Contracts, of March 18 last, upon which the Minister authorized the change from the *per diem* rate. I also return the account certified to by Colonel Macdonald, amended as requested.

I am, sir, your obedient servant,

The Auditor General.

OTTAWA, March 18, 1904.

SIR,—In order to better control the time taken up and charged for by our officer at Montreal, inspecting the saddles and harnesses, &c., ordered by the department from Messrs. H. Lamontagne & Co., I would suggest that an allowance be granted of 2 per cent of the cost of the articles so inspected, instead of a day-rate of pay. This would cover hotel and travelling expenses and loss of time, which cannot be controlled from headquarters.

Major R. Brown, of the P.L.D.G., is the officer generally entrusted with this kind of work in Montreal. He is a thoroughly reliable and an efficient inspector.

I have the honour to be, sir, your obedient servant,

#### Payment of Expenses of Troops called out in aid of Civil Power.

AUDIT OFFICE, OTTAWA, February 6, 1904.

SIR,—Let me acknowledge the receipt of your January statement of expenditure, amounting to \$178,043.99, with application to repay Bank of Montreal.

Of this amount you ask that \$1,521.48 be charged to what you call Sault Ste. Marie strike.

Please let me have your authority for an expenditure on this service.

I am, sir, your obedient servant,

The Deputy Minister of Militia and Defence.

J. L. McDOUGALL, A.G.

DEPT. OF MILITIA AND DEFENCE, OTTAWA, February 10, 1904.

SIR,—In reply to yours of the 6th instant, respecting an amount, \$1,521.48, pay of troops in aid of civil power at Sault Ste. Marie, charged in January statement.

The Order in Council respecting this expenditure has not been put through yet, for the reason that the claims for transport are not all in, there being one from the Canadian Pacific Railway Company still outstanding. This has been asked for and will doubtless come in this week. The Order in Council covering all the expenditure will then be put through, and the usual proceedings against the municipality instituted for the recovery of the whole amount.

If, however, you require it, an Order in Council covering the \$1,521.48 will be put through now, and another one, for the transport expenses, later.

I am, sir, your obedient servant,

The Auditor General.

L. F. PINAULT, *Col., D. M. of M. & D.*

AUDIT OFFICE, OTTAWA, February 13, 1904.

SIR,—I am in receipt of your letter of the 10th, in reply to mine of the 6th instant, in reference to an amount of \$1,521.48 in your January expenditure.

The Militia Act, section 34, subsection 6, states that such pay and allowances of the force called out, together with the reasonable cost of transport, may, pending payment by the municipality, be advanced in the first instance out of the Consolidated Revenue Fund of Canada by authority of the Governor General in Council. It would appear that you have made the expenditure without first getting this authority.

I think that one Order in Council, recommending that authority be given to incur the expenditure made on this account, would cover the case.

I would ask that in future similar cases you obtain the necessary authority of the Governor General in Council before making any expenditure.

I am, sir, your obedient servant,

J. L. McDOUGALL, A.G.

---

DEPT. OF MILITIA AND DEFENCE, OTTAWA, July 29, 1904.

SIR,—With reference to your letter, relative to advances to Captain H. C. Thacker, on duty in Japan, I have the honour to inform you that no returns have as yet been received from this officer.

Captain Thacker has been instructed to submit details of all his expenditure. Being in the field, however, it is hardly practicable for him to do this promptly and regularly, but in due time all necessary vouchers will be furnished you.

I am, sir, your obedient servant,

The Auditor General.

L. F. PINAULT, Col., D. M. of M. & D.

---

AUDIT OFFICE, OTTAWA, November 28, 1904.

SIR,—In further reference to the subject of my letter of July 26, 1904, and your reply of July 28, please let me know in what state the account of Capt. H. C. Thacker now stands.

I am, sir, your obedient servant,

The Deputy Minister of Militia and Defence.

J. L. McDOUGALL, A.G.

---

DEPT. OF MILITIA AND DEFENCE, OTTAWA, December 2, 1904.

SIR,—With reference to your letter of November 28 again inquiring as to how the matter of the account of Captain Thacker's travelling expenses now stands, I have the honour to inform you that no statement has yet been received from that officer. A despatch received from the War Office some weeks ago stated that Captain Thacker was being invalided home, and it is considered probable that the statement which you require will be sent in at an early date.

I am, sir, your obedient servant,

The Auditor General.

L. F. PINAULT, Col., D. M. of M. & D.

*Re Mounted Police Pensions.*

AUDIT OFFICE, OTTAWA, January 4, 1905.

SIR,—No abatement on account of the Pension Fund has come to account from Inspector J. D. Moodie later than July, 1903.

The abatements from the following officers, viz.:—Supt. Snyder, Inspectors Horri-gan, McDonell, A. E. C., and Richards and Asst. Surgeon Paré for June, 1903, were covered by Yukon cheque No. 236 Ottawa credit on August 31. This cheque was not deposited till September 29, and then it was credited to the current year instead of 1903-4.

In the return for March appertaining to the Territories, there is an error in the addition of 67c. and in consequence the deposit is that amount short.

Inspector Pelletier contributes to the Retirement Fund. The abatement from his salary for August 1903, \$4.17 was credited to the Pension Fund in error. It will be necessary to send an application for a transfer.

I am, sir, your obedient servant,

The Comptroller, N.W.M. Police.

J. L. McDOUGALL, A.G.

SESSIONAL PAPER No. 1

**Two Statutory Increases within one year not legal.**

---

AUDIT OFFICE, OTTAWA, May 10, 1904.

SIR,—I beg to bring to your notice the September, 1903, pay-list of the Ottawa Post Office on which J. R. Clewes is entered for salary at the rate of \$770 per annum. This salary was authorized by Order in Council of August 28, 1903. As Mr. Clewes' salary was increased from \$680 to \$720 on October 1, 1902, I shall be obliged if you will give me the section of the Post Office Act or the Civil Service Act under which the increase to \$770 has been authorized.

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDOUGALL, A.G.

---

POST OFFICE DEPARTMENT, OTTAWA, May 18, 1904.

SIR,—I beg to acknowledge the receipt of your communication of the 10th instant calling attention to the fact that the salary of Mr. J. R. Clewes, of the Ottawa Post Office was increased from \$680 to \$720 on October 1, 1902, and inquiring under what section of the Post Office Act or the Civil Service Act his salary was increased to \$770 from August 13, 1903.

In reply I beg to say that Mr. Clewes' salary was increased from \$680 to \$720 from July 1, 1902, by Order in Council dated May 20, 1902. The increase was, however, withheld until October 1, 1902. On July 1, 1903, Mr. Clewes was entitled to another increase of \$40, raising his salary to \$760. Section 6 of the Amendment to the Post Office Act of 1903, which went into operation on August 13, 1903, provided, however, for an increase of \$50 to third class clerks instead of \$40, as formerly, and Mr. Clewes was given the additional \$10 from August 13, 1903, by Order in Council of August 28, 1903, making the \$50 increase to which he became entitled under the amendment in question.

I am, sir, your obedient servant,

The Auditor General.

R. M. COULTER, D.P.G.

---

AUDIT OFFICE, OTTAWA, May 21, 1904.

SIR,—I have the honour to acknowledge the receipt of your letter of the 18th inst. in explanation of the increases of salary authorized by Orders in Council in favour of Mr. J. R. Clewes of the Ottawa Post Office during the current fiscal year.

As I understand this case, Mr. Clewes was granted an increase of \$40 to date from July 1, 1903, that amount being the statutory increase authorized by law as it was on July 1, 1903.

On August 13 following a new Act came into force under the provisions of which the third class clerks who were subject to the legislation repealed by this new Act became eligible for annual increases of \$50 instead of \$40. The department has evidently interpreted this new Act as giving authority to augment the statutory increases already granted on July 1, 1903 by \$10 in each case to date from August 13—the day on which the Act came into force.

It seems to me this is not the correct interpretation of section 6 of Chapter 49 of the Acts of 1903, entitled 'An Act to amend the Post Office Act.' In my opinion, the statutory increase granted on July 1, is the only increase that may be granted under the section of the Act quoted, until the clerks to whom such increases have been so granted again become eligible for an annual increase, except in the case of third class clerks whose salaries are less than \$700 per annum. These, it seems to me, may have their salaries increased to the minimum.

I shall be glad if you will give this matter your early attention, so that if my view of the law is to prevail, the necessary refunds may be made before the end of the fiscal year.

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDOUGALL, A.G.

---

POST OFFICE DEPARTMENT, OTTAWA, June 4, 1904.

SIR,—I have to acknowledge the receipt of your further communication of the 21st ultimo, in regard to the granting of an increase of \$40 to Mr. J. R. Clewes. Junior Third Class Clerk in the Ottawa Post Office, on the 1st July, 1903, and an additional increase of \$10 on the 13th August, 1903, under the Amendment to the Post Office Act of 1903, and stating that the increase of \$40 granted from the 1st July, 1903, is the only increase that could be granted under the statute in question.

In reply I have to say that the Act of 1903, which went into operation on the 13th August last, provided for an annual increase of \$50 for junior third class clerks instead of \$40 as formerly. Mr. Clewes was given an increase of \$40 from the 1st July, 1903, and in the opinion of this department he was, under statute, entitled to the balance of the \$50 increase from the date on which the statute went into operation. This view of the case appears to have been taken by the Treasury Board when the Order in Council granting the increase was passed.

I am, sir, your obedient servant,

The Auditor General.

R. M. COULTER, D.P.G.

---

AUDIT OFFICE, OTTAWA, June 7, 1904.

SIR,—I have the honour to acknowledge the receipt of your letter of the 4th instant in explanation of your having allowed an additional statutory increase of \$10, from 15th August, 1903, to certain clerks of your department who had already received a statutory increase of \$40 from 1st July previous, in which I understand you to hold to the opinion that such additional increase is legal under the Post Office Act as amended in 1903.

In my opinion the amendment in question is not open to that interpretation and consequently I shall be obliged to regard these increases as illegal.

Please make the necessary deductions from the next pay-lists or, if you do not feel disposed to accept my ruling on the matter, have the point at issue submitted for the decision of the Treasury Board.

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDOUGALL, A.G.

---

POST OFFICE DEPARTMENT, OTTAWA, June 16, 1904.

SIR,—In reply to your letter of the 7th instant in regard to the additional statutory increase of \$10 granted to certain third class clerks in the Outside Service of this department from the 13th August last, I have the honour to say that it has been decided to call upon the clerks in question to refund the amount.

I am, sir, your obedient servant.

The Auditor General.

R. M. COULTER, D.P.G.

**Date of Increase of Salary and Order of Promotion.**

AUDIT OFFICE, OTTAWA, April 22, 1904.

SIR,—I beg to bring to your notice supplementary pay list for December, 1903, of the Montreal Post Office, paid by salary cheque No 4914. T. A. Giroux and J. C. H. B. Beausoleil were paid balance of salary for that month at the rate of \$1,000 per annum. These clerks were promoted from the junior third to the senior second class by Order in Council dated December 4, 1903. The increase of salary should not be reckoned from a date anterior to the date of the Order in Council making the promotions.

I desire also to call your attention to section 60 of the 'Regulations for the governance of the Board of Civil Service Examiners,' which states 'that the order of progress in the service is from a lower to the next higher class'. In the cases of Messrs. Giroux and Beausoleil two intermediate classes have been passed over, senior third and junior second.

In July Mr. Beausoleil was paid as a porter from the Miscellaneous vote. On July 28, he was appointed a probationary third class clerk. I have not yet received any report that his appointment has been confirmed. By clause (a), section 10 of Chap. 17, R. S. C., no person may be promoted unless he has served the probationary period.

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDOUGALL, A.G.

**Over payment from Retirement Fund.**

AUDIT OFFICE, OTTAWA, June 17, 1904.

SIR,—A. M. Richardson, a letter carrier at Winnipeg, was dismissed by Order in Council dated August 13, 1903, and, according to the pay-lists sent me, was paid salary to July 22, 1903. The deposits to his credit in the Retirement Fund should therefore have ceased with the payment made on the latter date. I find, however, that the department paid in to his credit five per cent on \$36.25 for July instead of five per cent on \$25, the amount to which he was entitled as salary for the month, and in addition \$1.81 for August though no salary was paid him for this month, his dismissal from the service having taken effect from July 22.

Please let me know the circumstances under which it was possible for an error of this kind to have occurred.

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDOUGALL, A.G.

---

POST OFFICE DEPARTMENT, OTTAWA, June 29, 1904.

SIR,—I have the honour to acknowledge the receipt of your letter of the 17th inst., in which you point out that the full retirement assessment of letter carrier A. M. Richardson for July and August was paid to his credit although he was dismissed from the service in July.

In reply I beg to explain that the pay-lists of city post offices have to be prepared early in the month so that half the month's salary can be paid on the 15th, and the retirement assessment is paid over to the Finance Department before the Accountant's office has any knowledge of the absence of a person whose name is entered on the list. Owing to this fact, Richardson's assessment for August was paid over and when the Finance

Department was asked to pay him the amount deposited to his credit, the full amount deposited was, of course, paid to him.

I might say, that an arrangement has been made between the officers of the department through whose hands the pay-lists and applications to the Finance Department pass, to have such amounts repaid direct to the department in future.

Your office is in error with reference to Richardson's July salary. If you will refer to the pay lists for August you will see that he was paid up to the 28th, not the 22nd, as stated in your letter. His pay was withheld for nine days' absence and you will observe that his gross salary for the nine days was returned to the department, so that the amount paid him by the Postmaster of Winnipeg, together with the retirement assessment withheld in the first place, would be the salary he was entitled to receive for July.

I might add that although Richardson was suspended from duty on July 30, the postmaster did not receive authority from the department to dispense with his services until about the middle of August and by that time the August pay-list had been prepared and forwarded to the accountant of the department.

I am, sir, your obedient servant,

The Auditor General.

R. M. COULTER, *D.P.G.*

*Re Post Office Account.*

AUDIT OFFICE, OTTAWA, April 27, 1904.

SIR,—The balance at the credit of the post office account on June 30 of each of the last five years, as shown by the balance sheet of the Finance Department, was as follows:—

June 30, 1899.....	\$ 282,898 45
“ 30, 1900.....	299,816 47
“ 30, 1901.....	483,103 89
“ 30, 1902.....	633,628 60
“ 30, 1903.....	1,272,784 75

I understand this balance is made up of money orders and postal notes issued previous to June 30, and still outstanding, and salary warrants unpaid.

How is the large increase accounted for? What means have you of verifying the balance carried forward?

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDOUGALL, A.G.

POST OFFICE DEPT., OTTAWA, May 5, 1904.

SIR,—I have your letter of the 27th ultimo, in which you quote the balances to the credit of post office account as they appear in the books of the Finance Department, and ask how the increase, from year to year, is accounted for, and what means the department has of verifying the balance carried forward.

In reply, I beg to say that the increase of the balances is partly due to the large increase of money order and postal note business, but mainly to the fact that, in July, 1901, the system of the exchange of money orders between the United States and Canada was changed. Previous to that date, payments to each country were based on their respective issues, but, since that time, payments have been made only on the

actual paid orders returned by each country; consequently, if the paid orders are not returned promptly, the post office account exhibits a correspondingly large balance held to meet such demands.

The Canadian orders paid by the United States are not returned to this department by the Auditor of the Treasury at Washington for some months after payment, and to this fact may be mainly attributed the increased balances.

The department does not attempt to prove that the outstanding money orders, postal notes and salary warrants amount to the balance shown by the post office account. To do so would entail an amount of labour out of all proportion to the object to be achieved; indeed, it is doubtful if any workable scheme could be devised which would be found practical, for, so far as is known, no country proves its outstanding money orders with the balance in hand.

This department, however, does prove that every money order issued by postmasters in Canada is charged for the proper amount, and that the paid orders and postal notes sent to the department by postmasters agree with the credits claimed in their cash accounts. Under this system there is no probability of any error escaping detection, and it may, therefore, be assumed that, the details being correct, the balances held to meet outstanding payments are also correct.

I am, sir, your obedient servant,

The Auditor General.

R. M. COULTER, D.P.G.

#### *Re Surplus Cash.*

POST OFFICE DEPT., OTTAWA, February 1, 1904.

SIR,—I have to acknowledge your further letter of September 21 last, with reference to the surplus cash reported by the postmasters during the year ended June 30, 1902, and to say that the regulations require postmasters to enter all surplus cash which may be discovered by them in the preparation of their cash accounts. Such amounts, as you are aware, are retained by the department for a certain period and are then paid over to revenue. Every effort is made by the department to trace errors which would lead to the discovery of the surpluses, but, in the amounts questioned by you nothing has since turned up which would indicate the cause of the surplus amounts. The inspectors are not required to look into such matters specially.

I am, sir, your obedient servant,

The Auditor General.

R. M. COULTER, D.P.G.

---

AUDIT OFFICE, OTTAWA, February 5, 1904.

SIR,—I have your letter of the 1st instant in reply to mine of September 21, in reference to the surplus cash accounted for by postmasters.

You state that the inspectors do not look into such matters specially.

Where these amounts are trifling it may not be of much consequence. But when a postmaster has a surplus of over \$50, which he cannot account for, it would seem to call for as thorough an examination as could be made. Presumably it must have been on money order or savings bank account.

I have to ask for your further consideration of this matter.

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDOUGALL, A.G.

SESSIONAL PAPER No. 1

POST OFFICE DEPT., OTTAWA, February 8, 1904.

SIR,—I have your further letter of the 5th instant, regarding surplus cash reported by postmasters, in which you refer specially to the supervision given by inspectors to cases where the postmasters have reported large surpluses.

This department is aware that such surpluses may, very often, be attributed to errors in money order or savings bank account, and particular attention has been given to these points in the efforts made to trace the origin of such amounts. As you are probably aware, the savings bank depositors are required to send their bank books to the department, for examination, once each year, and, if a postmaster has failed to charge a savings bank deposit the examination of the depositor's books should bring such an omission to light. If, on the other hand a postmaster charges himself with a money order for a less sum than the order calls for, the error will perhaps not be detected until the paid money order reaches the department and can be compared with the entry in the postmaster's cash account. In such cases as these the information in the hands of postmasters is not of a character to assist an inspector in getting at an explanation of the errors leading to a surplus, consequently an inspector is not sent to an office at a distant point, involving perhaps several day's travel, with the special object of looking into a matter which is not putting the department to loss, and which, in nine cases out of ten, will eventually be set right through the audit established by the department.

From time to time surpluses are reported about which it is impossible to obtain definite information and which, after both the postmasters and the department have exhausted all means to trace them, are paid over to revenue.

I am, sir, your obedient servant,

The Auditor General.

R. M. COULTER, D.P.G.

*Re Post Office Expenditure Chargeable to Revenue.*

AUDIT OFFICE, OTTAWA, April 5, 1904.

SIR,—The expenditure paid out of post office revenue during 1902-3 amounted to \$1,193,573.61, made up of salaries paid postmasters, including share of box rents, forward allowances, allowances for rent, fuel and light, and commissions on money order and postal note business.

No statement nor vouchers are furnished to this office in connection with this expenditure, and consequently no audit can be made.

The rents of letter-boxes and drawers during 1902-3 amounted to \$81,145.70, of which 50 per cent, I understand, is repaid to the postmasters. I wrote you November 3, 1902, in reference to these payments, and asking for a statement covering the previous fiscal year, but I never got any reply.

In order that a test audit may be made of all expenditure paid out of revenue, I have to ask for a detailed statement of the warrants issued for the September quarter of 1903, showing the different services for which the payments were made and the paid warrants appertaining thereto.

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDougall, A.G.

POST OFFICE DEPT., OTTAWA, April 20, 1904.

SIR,—I have your letter of the 5th instant, on the subject quoted above, in which you request, for purposes of a test audit, that you be furnished with a detailed statement of the warrants issued for September quarter 1903, showing the different services for which the payments were made and the paid warrants appertaining thereto.

In reply, I beg to say that to comply with your request would entail the preparation of a statement containing over ten thousand names, showing the salary and allowances attached to each office, as well as the selection of the warrants for that quarter from among the warrants already paid for the nine months ended March 31. It will be seen that to do this would throw a great deal of extra labour on the staff of this department, and it is suggested, as an alternative, that you will name a certain number of post offices, the warrants for which and all particulars will be furnished. If these are found to be correct, it may be fairly assumed that the balance of the payments from revenue are in a similar condition.

I am, sir, your obedient servant,

The Auditor General.

R. M. COULTER, *D.P.G.*

AUDIT OFFICE, OTTAWA, April 27, 1904.

SIR,—I have your letter of the 20th inst. in reply to mine of the 5th, asking for the warrants issued for September quarter, 1903, and statements thereof.

You state that this would entail a great deal of work, and suggest as an alternative that I should name a certain number of post offices, the warrants for which and all particulars would be furnished.

In accordance with your suggestion I have to ask for the warrants for the following post offices:—Belleville, Brantford, Chatham, Guelph, Napanee, Owen Sound, Peterborough, St. Catharines, Stratford and Woodstock. I would like to have the warrants for these offices for the whole year 1902-1903.

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDOUGALL, *A.G.*

POST OFFICE DEPT., OTTAWA, May 9, 1904.

SIR,—Referring to your letter of the 27th ult., regarding post office expenditure paid out of revenue, in which you ask for the warrants of certain post offices for the year ended June 30 last, in order that a test audit may be made, I beg to inclose herewith the warrants for the offices mentioned, with statements for each office covering the period referred to above as follows: Belleville, Brantford, Chatham, Guelph, Napanee, Owen Sound, Peterborough, St. Catharines, Stratford, Woodstock.

I shall be pleased to have the warrants returned to me when they have been checked in your office.

I am, sir, your obedient servant,

The Auditor General.

R. M. COULTER, *D.P.G.*

---

AUDIT OFFICE, OTTAWA, December 7, 1904.

SIR,—The post office revenue in 1902-1903 was \$5,410,523.25, and in 1903-1904, \$5,907,258.53, an increase of \$496,735.28, or about '918 per cent.

The expenditure chargeable to revenue in 1902-1903 was \$1,193,573.61, and in 1903-1904, \$1,440,517.37, an increase of \$246,943.76, or about 2'06 per cent.

As the payments to postmasters in towns and villages is based on a percentage of their collections, I have to ask how, when the revenue increased less than 1 per cent, the expenditure increased more than 2 per cent.

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDOUGALL, *A.G.*

See Reply to this letter on page S-103.

SESSIONAL PAPER No. 1

*Allowance for Rent, Fuel and Light.*

AUDIT OFFICE, OTTAWA, December 7, 1904.

SIR,—The allowances for rent, fuel and light amounted as follows during the last five years:—

1899-1900. . . . .	\$50,042 46
1900-1901. . . . .	50,419 10
1901-1902. . . . .	51,439 36
1902-1903. . . . .	52,862 91
1903-1904. . . . .	88,862 32

This very large increase seems to call for some explanation. Was there a new schedule established for these allowances, and if so, under what authority?

Such a large increase in one item of expenditure, over 68 per cent, is an evidence of the great objections to paying any portion of the expenditure of the post office service out of the revenue, instead of having it all voted by parliament.

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDOUGALL, A.G.

See reply to this letter on page S-104.

*Re Casual Revenue.*

AUDIT OFFICE, OTTAWA, April 16, 1904.

SIR,—I have received your statement of collections during the December quarter on account of casual revenue.

Eleven dollars and forty cents is entered as proceeds of sales of postal maps. A statement should be furnished certified by the officer in the department in charge of the maps.

The same remark applies to amount realized from savings bank pass-books issued to replace books lost by depositors.

The receipts from sale of waste paper seem to call for some explanation. The amount from Hamilton was \$2.25, from Toronto \$34.93 and from Montreal \$2.83. Why is there nothing from any of the other large post offices? The disparity between the amount from Toronto and Montreal is very marked. The rate obtained in Toronto is 30 cents and 12 cents per 100 lbs. In Montreal 15 cents and 10 cents for the same classes of waste paper.

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDOUGALL, A.G.

POST OFFICE DEPT., OTTAWA, July 4, 1904.

SIR,—Referring to your letter of April 16 last, with respect to the casual revenue collections of this department for the quarter ended December 31, 1903, I beg to inclose certificates from the secretary and the superintendent of the savings bank branch, respectively, for the items \$11.40, 'sale of postal maps' and \$21 'received by the savings bank branch for pass-books issued to replace books lost by depositors.'

Inquiry has been made of the postmasters at all city offices which fail to account for receipts from the sale of waste paper, but the reply, in every instance, is to the effect that no purchaser for the paper can be found. The smallness of the receipts at Montreal was due to the fact that, through a misunderstanding on the part of the caretaker, a large portion of the paper had been burned in the furnace. The rates received at that place appear to be the highest obtainable.

I am, sir, your obedient servant,

The Auditor General.

R. M. COULTER, D.P.G.

*Re Post Office Box Rents.*

AUDIT OFFICE, OTTAWA, June 8, 1904.

SIR,—Statements have reached this office showing the amounts collected for rent of post office boxes and drawers during the half year ending December 31 last.

The collections made at the following offices are considerably less than for the same period last year, and call for explanation.

The Deputy Postmaster General.

J. L. McDOUGALL, A.G.

POST OFFICE DEPT., OTTAWA, August 4, 1904.

SIR,—Referring to your letter of June 8 last, in which attention is drawn to the falling off in the box rent receipts at certain offices for the half year ended December 31, 1903, as compared with the corresponding period of 1902, and an explanation requested, I beg to offer the following information:—

The larger figures at Almonte, Chatham, Peterborough, Petrolea, Joliette, North Sydney and St. Stephen, in 1902, were due to the collection of arrears. It was found that these postmasters had not been adhering strictly to the regulations of the department, which require all rents to be paid for in advance, and instructions were issued to enforce the rules and collect the amounts overdue.

The Springhill office was moved into the government building in July, 1902, and deposits collected on the keys furnished the box holders. This swelled the receipts and accounts for the difference.

The Paris and Woodstock offices were also moved into government buildings in July, 1902, and rents collected up to December 31 of that year. When the period expired, a large portion of the lessees renewed for the twelve months up to December 31, 1903. There was also a considerable sum collected at Paris in 1902 for deposits on keys.

Owing to the fact that there are constant variations in the periods for which boxes are let, the amounts collected for rents during any one period will likely vary more or less with the collections made for the same number of months during another year.

I am, sir, your obedient servant,

The Auditor General.

R. M. COULTER, D.P.G.

AUDIT OFFICE, OTTAWA, July 5, 1904.

SIR,—The box rent returns show that at nearly every post office there are some free boxes, a large number of vacant boxes, and at a few post offices there are unpaid boxes. I have to ask for explanations.

A good many postmasters have not furnished the counterfoils of the receipts issued. They should be required to do so.

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDOUGALL, A.G.

SESSIONAL PAPER No. 1

POST OFFICE DEPT., OTTAWA, July 6, 1904.

SIR,—Replying to your letter of the 5th instant, *re* post office box rents, in which you ask why there are some free boxes; why there are a large number of vacant boxes, and why there are, at a few offices, some unpaid boxes, I beg to say that boxes are furnished free of rent to newspapers; boxes are vacant because they are not required by the public, and some boxes appear to be unpaid because, when renewals of rent fall due, boxes are continued in the names of the lessees for a certain time, so as to establish whether they are required by the same persons for a further term, after the expiration of thirty days, if rent has not been paid, boxes are closed.

Postmasters have lately been provided with new books of receipts containing counterfoils, and hereafter the counterfoils will be transmitted.

I am, sir, your obedient servant,

The Auditor General.

R. M. COULTER, *D.P.G.*

### *Re* Brantford Post Office.

AUDIT OFFICE, OTTAWA, June 7, 1904.

SIR,—The total post office revenue collected at Brantford for 1890-1903 is returned as \$33,748.43, and the salaries, allowances and commissions as \$6,111.38.

This latter amount is made up as follows:—

Salary. . . . .	\$ 1,500 00
Staff and contingencies. . . . .	4,054 84
Box rents. . . . .	556 54
	<hr/>
	\$6,111 38

I have to ask for a statement showing how the amount paid for staff and contingencies is made up.

I was under the impression that only 50 per cent of the receipts from box rents was paid to the postmaster. In this case the whole receipts seem to have been paid over. Please explain.

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDOUGALL, *A.G.*

POST OFFICE DEPT., OTTAWA, July 12, 1904.

SIR,—I have the honour to acknowledge the receipt of your communication of the 7th ultimo, asking for a statement showing the amount paid for salaries and contingencies at the Brantford post office, and in reply I have to say that the sum of \$5,732 is allowed for salaries, out of which the postmaster takes \$1,500 for his own salary, the balance, \$4,232, is used in payment of the salaries of the staff.

No special allowance is made for contingent expenses. In the salary warrant for January last, the words 'incidental expenses' were used in error, by a clerk in this department, which was explained to one of your staff personally. In lieu of an allowance for contingent expenses the postmaster is allowed to retain all the box rents, which amounted to \$556.54 during the financial year ended June 30, 1903. The department retains all commissions on money order, savings bank and postal note business.

I am, sir, your obedient servant,

The Auditor General.

R. M. COULTER, *D.P.G.*

AUDIT OFFICE, OTTAWA, July 13, 1904.

SIR,—I have your letter of the 12th inst., in which you state that the postmaster at Brantford is allowed to retain all the box rents in lieu of an allowance for contingent expenses. The box rents for 1902-03 amounted to \$556.54, of which the postmaster is allowed 50 per cent. Therefore the balance, \$278.27, is what is allowed him for contingent expenses. You do not state why this is done, or on what authority. The actual contingent expenses of the post office at Brantford, when supported by proper vouchers, should be paid, nothing more. But by the present practice the postmaster may be receiving more than the expenses of his office amount to. The practice is objectionable, and should be discontinued.

As this office is not furnished with a copy of the departmental regulations as issued, nor of the salary warrants except when specially asked for, I am not in a position to know if there are any other postmasters getting more than 50 per cent of the proceeds of the box rents. If there are any, please let me have a list stating the extra allowance.

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDougall, A.G.

POST OFFICE DEPT., OTTAWA, July 23, 1904.

SIR,—With reference to your letter of the 13th inst., in regard to allowing the postmaster at Brantford the box rents for contingent expenses, I have to say that it has been arranged for the department to retain the box rents and to pay all legitimate contingent expenses.

I am, sir, your obedient servant,

The Auditor General.

R. M. Coulter, D.P.G.

#### *Re Post Offices at Belleville and Peterborough.*

AUDIT OFFICE, OTTAWA, June 7, 1904.

SIR,—The receipts and disbursements at the following offices for the fiscal year ended June 30, 1903, were as follows:—

	Receipts.	Salary.	Staff and Contingencies.	Total.
Belleville. . . . .	\$15,979 46	\$1,100 00	\$3,198 00	\$4,298 00
Peterborough . . . .	24,608 85	1,999 94	2,675 20	4,675 14

I have to ask for the details that make up the staff and contingencies in each of these cases.

No part of the revenue from box rents seems to have been paid to either of these postmasters.

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDougall, A.G.

POST OFFICE DEPT., OTTAWA, July 6, 1904.

SIR,—With reference to your communication of the 7th ultimo, asking for the details that make up the amount paid for salaries and contingencies at the Belleville and Peterborough post offices, I have to say that the amount paid at the offices in question for salaries and contingent expenses during the year ended June 30, 1903, is made up as follows:—

SESSIONAL PAPER No. 1

*Belleville—*

Postmaster.. . . . .	\$1,100 00
Clerical assistance.. . . . .	3,098 00
Contingent expenses.. . . . .	100 00
	<hr/>
	\$4,298 00

*Peterborough—*

Postmaster.. . . . .	\$1,999 94
Clerical assistance.. . . . .	2,585 20
Contingent expenses.. . . . .	90 00
	<hr/>
	\$4,675 14

I may say that in each case 50 per cent of the box rents and the usual commission on money order, savings bank and postal note business are included in the amount allowed for salaries and contingent expenses.

I am, sir, your obedient servant,

The Auditor General.

R. M. COULTER, D.P.G.

*Re Post Office Box Rents, Owen Sound.*

AUDIT OFFICE, OTTAWA, June 6, 1904.

SIR,—There does not seem to have been any letter box rents collected at the Owen Sound post office previous to 1894.

The receipts since, according to the returns published in the Audit Report were as follows:—

1894-95.. . . . .	\$ 663 25
1895-96.. . . . .	1,026 32
1896-97.. . . . .	844 67
1897-98.. . . . .	173 88
1898-99.. . . . .	219 39
1899-1900.. . . . .	1,060 73
1900-01.. . . . .	1,216 80
1901-02.. . . . .	1,152 53
1902-03.. . . . .	1,233 86

I have to ask for an explanation of the small amounts received in 1897-98 and 1898-99; also a statement of the amount of these rents paid each year to the postmaster.

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDUGALL, A.G.

POST OFFICE DEPT., OTTAWA, July 2, 1904.

SIR,—In reply to your letter of the 6th ult., on the subject of post office box rents at Owen Sound, covering the period from 1894-95 to 1902-03, I beg to say that it is not now possible to go closely into particulars, owing to the fact that, for many of the years mentioned, the papers in connection with the box rent matters at all post offices, have been destroyed. It may, however, be mentioned that, for nearly the whole of the years 1898 and 1899, the government did not have a lease of the Owen Sound office, and consequently, the postmaster was not required to account for box rent collections during the interval, which fact will probably account for the small amounts shown for 1897-98 and 1898-99.

Until the matter was finally settled, the postmaster was allowed 50 per cent of the collections in 1899-1900, amounting to \$391.14.

Then, in 1903, 10 per cent of the previous year's box rents was paid to the postmaster as a special allowance.

With the above exceptions, the postmaster has accounted for all box rent collections during the period covered by your letter.

I am, sir, your obedient servant,

The Auditor General.

R. M. COULTER, D.P.G.

AUDIT OFFICE, OTTAWA, July 5, 1904.

SIR,—I am in receipt of your letter of the 2nd instant explaining the small amount collected for box rents at Owen Sound in 1897-98 and 1898-99. You state that during that time the government had not a lease of the Owen Sound office, but you do not explain why. Presumably the government erected the boxes in the post office, as the rents for 1894-95, 1895-96 and 1896-97 were accounted for and averaged \$844.74 per year. Assuming the same average for 1897-98 and 1898-99, and deducting the amounts that came to account those years, there remains \$1,296.21 which the government lost on box rents. On the other hand the allowance for rent, fuel and light during those two years was only \$43.93 less than the previous two years.

Please explain the reason why this postmaster was paid 10 per cent of the box rents of 1901-02 as a special allowance, and on what authority.

Have any other postmasters been paid more than the allowance of 50 per cent during 1902-03?

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDOUGALL, A.G.

### *Re Post Office Revenue.*

AUDIT OFFICE, OTTAWA, November 8, 1904.

SIR,—I have not yet received the statements of the accounting postmasters for the past year. These statements usually reach us in printed form, and I understand the delay in sending them to this office, is because you have not received them from the Printing Bureau.

The manuscript covering post office expenditure for the Audit Report is about ready for the printers, and I shall be obliged if you can expedite matters, so that these statements can soon be furnished.

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDOUGALL, A.G.

POST OFFICE DEPT., OTTAWA, November 9, 1904.

SIR,—I beg to acknowledge the receipt of your letter of yesterday's date, asking that the report of post office revenue may be forwarded to you at the earliest possible date.

In reply, I beg to say that this portion of our report is now in the hands of the printer, and I will see that it is forwarded to you just as soon as it is received from the Printing Bureau.

You will understand, of course, that I am not in a position to make any definite promise while the matter is in the hands of the King's Printer, but it is probable that the portion you ask for can be sent over about the end of next week.

I may add that the manuscript was forwarded from this office to the Printing Bureau on September 10 last.

I am, sir, your obedient servant,

The Auditor General.

R. M. COULTER, D.P.G.

SESSIONAL PAPER No. 1

AUDIT OFFICE, OTTAWA, November 12, 1904.

SIR,—I have received your letter of the 9th instant, in which you state that the delay in forwarding the returns of the accounting postmasters, was owing to the delay on the part of the King's Printer, who had the manuscript since September 10, but you hope to be able to send it over about the end of next week.

I shall be glad to have it even in part, just as soon as it is ready.

In order to avoid delay another year, I would suggest that a copy of the manuscript should be forwarded to this office.

Please let me know whether you will give instructions now to those who attend to this work to supply the manuscript in due time next year.

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDOUGALL, A.G.

POST OFFICE DEPT., OTTAWA, December 6, 1904.

SIR,—Referring to previous correspondence on the subject of the delay in furnishing your office with the accounting portion of the Annual Report of the Postmaster General for 1903-04, I beg to acknowledge the receipt of your further letter of the 12th ultimo dealing with this subject, and suggesting that you be furnished with a copy of the manuscript supplied to the Bureau. In reply, I beg to say that, while the preparation of the Postmaster General's Report is in progress, it is not thought advisable that any extra demands should be made upon the staff which at that period is working overtime, and I am, therefore, unable to meet your wishes in respect to the extra copy of the manuscript. As you are aware, there was no delay in supplying the Printing Bureau with matter, but the circumstances this year were exceptional and prevented the work being taken up there until a much later period than usual. There is no reason to anticipate delay of a similar character in future, and, in all probability, the accounting appendix will be furnished at the usual time hereafter.

I am, sir, your obedient servant,

The Auditor General.

WM. SMITH, *Act'g D.P.G.*

*Re Post Office Expenditure chargeable to Revenue.*

POST OFFICE DEPT., OTTAWA, December 13, 1904.

SIR,—In reply to your letter of the 7th instant in which you ask an explanation of the reason why the expenditure paid out of revenue during the year ended June 30, 1904, showed such a large percentage of increase over the previous year, I beg to say the main reason for the increase lies in the fact that, commencing on July 1, 1903, the Postmaster General authorized the following increase in the payments to postmasters:—

Ten per cent on salaries, forward allowances, commission on money order and savings bank business.

The payment of a minimum salary of \$25, instead of \$10, as formerly, and a scale of rent allowances based on a revenue of \$100 and upwards, instead of on a scale the minimum payment of which was based on a revenue of \$300 and upwards.

Apart from the increase entailed by these changes, there is, of course, the increase attributable to an all-round increase of revenue.

The changes outlined above were fully explained by the Postmaster General during the last session of parliament.

I am, sir, your obedient servant,

The Auditor General.

R. M. COULTER, *D.P.G.*

POST OFFICE DEPT., OTTAWA, December 13, 1904.

SIR,—In reply to your letter of the 7th instant, in which attention is called to the increased expenditure in the payment to postmasters out of revenue for rent, fuel and light during the year ended June 30 last, I beg to say the reason for the increase will be found in the fact that the Postmaster General authorized a scale of payments to take effect from July 1, 1903, under which a postmaster became entitled to a payment for rent, fuel and light whenever the revenue of the office amounted to \$100 or upwards. Previous to this time the minimum revenue on which a payment of this nature could be made was \$800.

This change was explained by the Postmaster General during the last session.

I am, sir, your obedient servant,

The Auditor General.

**Purchases of Stationery made by the Departments direct, instead of through the Stationery Office.**

*Inland Revenue Department.*

AUDIT OFFICE, OTTAWA, October 20, 1903.

SIR,—From statements just received from the Superintendent of Stationery I find that your department purchased supplies, during the month of July last, to the amount of \$12, from the Pritchard-Andrews Co., direct, instead of through the medium of the Stationery Office, the account being subsequently sent to that office for payment. I would point out that this is in contravention of the Printing and Stationery Act which provides that all Stationery supplies shall be purchased through the Department of Printing and Stationery. Kindly inform me of the circumstances under which this direct purchase was made and be good enough to see that in future the law is complied with in this respect.

I am, sir, your obedient servant

The Deputy Minister, Inland Revenue Dept.

J. L. McDOUGALL, A.G.

INLAND REVENUE DEPT. OTTAWA, October 21, 1903.

SIR,—I beg to acknowledge the receipt of your communication of 20th instant, relative to an expenditure of \$12 to the Pritchard-Andrews Co., direct, instead of through the medium of the Stationery Office. In reply I beg to state that when this department learned of the Martineau defalcations it deemed it wise to immediately procure a cheque perforator. One which was on sale by the above company was obtained (March 11, 1903) and at once put into use. All cheques, up to the time the 'Beebe Indelible Cheque Protector' was obtained as approved by the Hon. the Treasury Board in June last, were perforated by this machine. I am aware of the fact that the action of the department was not in strict accordance with the requirements of the Act, but the circumstances were so exceptional that it considered a deviation therefrom, in the public interest, might be overlooked.

I am, sir, your obedient servant,

The Auditor General.

W. J. GERALD, *D.M.I.R.*

*Interior Department.*

AUDIT OFFICE, OTTAWA, October 20, 1903.

SIR,—From statements just received from the Superintendent of Stationery, I find that the following purchases were made by your department, during the months of July and August, from the dealers directly, instead of through the medium of the Stationery Office, the accounts being subsequently sent to that office for payment:—

July—Jas. Hope & Sons.....	\$ 2 50
Pritchard-Andrews Co.....	4 05
August—Pritchard-Andrews Co.....	4 50

I would point out to you that this is in contravention of the Printing and Stationery Act, which provides that all Stationery supplies shall be purchased through the Department of Printing and Stationery. Kindly inform me of the circumstances under which these direct purchases were made and see that in future the law is complied with in this respect.

I am, sir, your obedient servant,

The Deputy Minister of Interior.

J. L. McDOUGALL, *A.G.*

INTERIOR DEPARTMENT, OTTAWA, November 9, 1903.

SIR,—In reference to your letter of the 20th ultimo, in which you refer to certain purchases made by this department through the dealers direct, instead of through the medium of the Stationery Office, I beg to state that the item of \$4.05, paid to Pritchard-Andrews Co. in July last, is for cleaning and repairing stamps, and such items I understand have not been questioned by you before as they were not considered stationery supplies. The fountain pen \$2.50, purchased from James Hope & Sons, in the same month was, I am informed, required by the Minister of the Interior, and it was thought unnecessary to follow the usual routine by making out a requisition and forwarding it to the Printing and Stationery Department, the pen being required for immediate use. The sum of \$4.50 paid to Pritchard-Andrews Co., in August was for rubber stamps which were ordered by Mr. R. E. Young, and urgently needed in connection with the Railway Land Patent Branch.

I am, sir, your obedient servant,

The Auditor General.

JAS. A. SMART, *D.M.I.*

*Justice Department.*

AUDIT OFFICE, OTTAWA, October 20, 1903.

SIR,—From statements just received from the Superintendent of Stationery I find that your Department purchased supplies during the month of August last, to the amount of \$2.25 from James Hope & Sons, direct instead of through the medium of the Stationery Office, the account being subsequently sent to that office for payment. I would point out that this is in contravention of the Printing and Stationery Act, which provides that all Stationery supplies shall be purchased through the Department of Printing and Stationery. Kindly inform me of the circumstances under which this purchase was made and see that in future the law is complied with in this respect.

I am, sir, your obedient servant,

The Deputy Minister of Justice.

J. L. McDOUGALL, A.G.

JUSTICE DEPARTMENT, OTTAWA, October 22, 1903.

SIR,—Referring to your letter of 20th instant, I am quite aware that all stationery supplies should be purchased through the Department of Printing and Stationery, and I have not intentionally broken this rule. It seems, however, that some small items which were urgently required and not available at the stationery office at the time were obtained through Messrs Hope and Sons. I shall endeavour to see, however, that in future the rules are strictly complied with.

I am, sir, your obedient servant,

The Auditor General.

E. L. NEWCOMBE, D.M.J.

*Marine and Fisheries Department.*

AUDIT OFFICE, OTTAWA, October 20, 1903.

SIR,—From statements just received from the Superintendent of Stationery I find that the following purchases were made by your department during the months of July and August last from the dealers directly, instead of through the medium of the Stationery Office, the accounts being subsequently sent to that office for payment:—

July—Geo. May & Sons.....	\$ 8 00
August—Balch Bros .....	39 00

I would point out to you that this is in contravention of the Printing and Stationery Act, which provides that all stationery supplies shall be purchased through the Department of Printing and Stationery. Kindly inform me of the circumstances under which these direct purchases were made and see that in future the law is complied with in this respect.

I am, sir, your obedient servant,

The Deputy Minister Marine and Fisheries.

J. L. McDOUGALL, A.G.

AUDIT OFFICE, OTTAWA, October 29, 1904.

SIR,—On October 20, 1903, I wrote you with regard to two accounts for purchases of Stationery made by your department from dealers directly instead of through the medium of the Stationery Office. I have not yet received a reply to this letter, and as I am about to publish my report for the fiscal year 1903-04, I would like a reply at your earliest convenience.

I am, sir, your obedient servant,

The Deputy Minister, Marine and Fisheries.

J. L. McDOUGALL, A.G.

*Militia and Defence Department.*

AUDIT OFFICE, OTTAWA, October 20, 1903.

SIR,—From statements just received from the Superintendent of Stationery, I find that your department purchased supplies as follows, during the month of August last, from the dealers directly instead of through the medium of the Stationery Office, the accounts being subsequently sent to that office for payment :—

Pritchard-Andrews Co.....	\$ 3 00
J. Wilson & Co.....	5 75

I would point out to you that this is in contravention of the Printing and Stationery Act, which provides that all Stationery supplies shall be purchased through the Department of Printing and Stationery. Please explain the circumstances under which these direct purchases were made and see that in future the law is complied with in this respect.

I am, sir, your obedient servant,

The Deputy Minister, Militia and Defence Dept. J. L. McDOUGALL, A.G.

MILITIA AND DEFENCE DEPT., OTTAWA, October 26, 1903.

SIR,—In answer to your communication of the 20th instant concerning two payments made to

Pritchard-Andrews Co.....	\$ 3 00
J. Wilson & Co.....	5 75

I have the honour to request that a copy of the details of this account be furnished for my information.

I am, sir, your obedient servant,

The Auditor General.

L. J. PINAULT, Colonel D. M. M. D.

AUDIT OFFICE, OTTAWA, October 31, 1904.

SIR,—In reply to your letter of the 26th October, 1903, with reference to two accounts for stationery supplies purchased from the dealers directly, I beg to say that the accounts in question are as follows :—

Pritchard, Andrews Co. Ltd.—Brass Wheel Stencil, with brushes, ink, etc., purchased for the School of Musketry .....	\$ 3 00
J. Wilson & Co.—Framing two photographs, as per account dated Aug. 3, 1903.....	5 75

I should like an explanation of these purchases at your earliest convenience, as I am about to publish my report for the fiscal year 1903-04.

I am, sir, your obedient servant,

The Deputy Minister, Militia and Defence.

J. L. McDOUGALL, A.G.

*Department of the Secretary of State.*

AUDIT OFFICE, OTTAWA, October 20, 1903.

SIR,—From statements just received from the Superintendent of Stationery, I find that the following purchases were made by your department during the months of July and August last, from the dealers directly, instead of through the medium of the Stationery Office, the accounts being subsequently sent to that office for payment :—

July—C. H. Thorburn.....	\$ 1 00
August—René LeMyre..	2 00

I would point out to you that this is in contravention of the Printing and Stationery Act, which provides that all stationery supplies shall be purchased through the Department of Printing and Stationery. Kindly inform me of the circumstances under which these direct purchases were made and see that in future the law is complied with in this respect.

I am, sir, your obedient servant,

The Under-Secretary of State.

J. L. McDOUGALL, A.G.

DEPARTMENT OF SECRETARY OF STATE, OTTAWA, October 22, 1903.

SIR,—Replying to your letter of the 20th instant, I beg to say that there was no intention of contravening the Printing and Stationery Act in the two purchases of books to which you refer, as they were covered by requisition upon the Stationery Office. However taking your view of the matter I will endeavour to avoid any infraction of the Act in future.

I am, sir, your obedient servant,

The Auditor General.

P. PELLETIER, *Act'g. U. S. S.*
