AUDIT OFFICE, OTTAWA, August 25, 1923.

SIR,—The Supply Bill of the fiscal year ended March 31st, 1921, made provision under Vote 549 for advances to the amount of \$703,000 to Victoria (B.C.) Shipowners Limited for the construction of four vessels at an estimated cost of \$250,000 for each vessel, not less than sixty per cent of the workmen employed in such construction to be returned soldiers; advances to be made on progress certificates under supervision of an engineer of the Department of Marine and not to exceed \$175,000 on each vessel. Such advances to be secured by first mortgage on the vessels and to be repayable with interest at the rate of six per cent per annum, such interest to be a first charge on the aggregate net operating revenue from the vessels. Also to provide salary of a Government Inspector at a rate not exceeding \$250 a month.

This provision has been treated as a loan and consequently the unexpended balance at the end of each fiscal year did not lapse but was carried forward from year to year.

Commencing in June, 1920, and up to date, payments amounting to \$651,696.41 have been made leaving a balance of \$51,303.59.

It seems to me necessary that I should be in a position to report to Parliament if the four vessels in question, or any of them, have been completed and, if so, the disposition made of them. Have first mortgages on the vessels been obtained as required under the terms of the vote?

If the vessels have not been completed, please let me know how far construction has proceeded and if the vessels in their present condition have been taken over by the Government or are still in the hands of the contractors.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

A. JOHNSTON, Esq., Deputy Minister of Marine and Fisheries, Ottawa.

DEPARTMENT OF MARINE AND FISHERIES, OTTAWA, September 7, 1923.

SIR,—In reply to your letter of the 25th ultimo, with reference to the results obtained from the expenditure made on account of the above vote, I beg to advise, as follows:

As you are no doubt aware, this Department came into this matter as the Department having shipbuilding experience, after the agreements with the Victoria, B.C., Shipowners and contract for the construction of the four vessels had been made through the Department of Finance, our function being to endeavour to get the best results at the contract terms with the expenditure authorized. We, consequently, detailed one of our experienced officers in the Steamship Inspection Branch to look into the matter, and, on his recommendation, engaged a local shipbuilding expert to supervise the work on behalf of the Government.

It soon became apparent from the methods of construction adopted and the business management, or mismanagement, of the B.C. Shipowners, Limited, that the estimates for the construction of each of the four ships would not be sufficient to complete them, and, as a matter of fact, but one ship was ever completed,—this being the vessel named the *S. F. Tolmie* which was completed by this Depart-

ment after the B.C. Shipowners had gone into bankruptcy,—the Department, on account of this bankruptcy, having taken over, on behalf of the Government, the yard and all the materials on hand, under the terms of the contract which provided for seizure by His Majesty in case of a default by the Shipbuilding Company.

The total expenditure on this vote, referred to in your letter, was made for the partial construction of three hulls, which were in different stages of construction at the time of the Victoria Shipowners' bankruptcy, and in completing the *S. F. Tolmie*. It was decided to abandon work on the other three hulls, which were not in an advanced stage of construction, but to complete and put in commission the partially finished hull of the first ship. The *S. F. Tolmie*, consequently, was completed and launched, and was operated for a short time from Vancouver under an agreement with the Canadian Government Merchant Marine. A first mortgage for "account current" was taken on the vessel in the name of His Majesty, represented by the Minister of Finance.

The vessel lost on her first voyage some \$25,000 and has never been successful in her operation. The Department determined, consequently, that the wisest thing to do was to dispose of her for the best price obtainable, and tenders were asked for her purchase. The highest bid received for her was \$22,000 and this was accepted by the Department, and the vessel is now in process of transfer to new owners.

In addition to the uncompleted hulls, there was taken over at the time of the bankruptcy, about a million and a half feet of lumber and other materials, such as hardware and vessel fittings. This, the Department have been endeavouring to dispose of to best advantage, but, owing to legal complications, this has, as yet, been unaccomplished. It is expected that the legal difficulties will be removed almost immediately and the Department will then proceed to dispose of the materials, but it is not expected that the net return will amount to more than two or three thousand dollars. Various offers have been received for the material, but, owing to the inability of the Department to give possession immediately, these materials, particularly the lumber, have greatly deteriorated and are only worth a fraction of their original value.

I have the honour to be, Sir, your obedient servant,

E. HAWKEN, *Asst. D.M.*

The Assistant Auditor General, Ottawa.

Meals supplied Members of the Royal Fisheries Commission while on Board SS. Estevan

AUDITOR GENERAL'S OFFICE, November 27, 1923.

SIR,—I notice on examination of the vouchers sent me in support of expenditure in connection with the Royal Fisheries Commission that the full allowance of \$20.00 a day was paid to certain of the Commissioners for the days during which accommodation was provided by the Department for the Commissioners and party on board the steamer *Estevan*.

The Department paid \$387.58 for meals for the Commissioners and party during this period and it seems to me that as the Commissioners were not called upon to pay board or living expenses while on the *Estevan* the full daily allowance should not have been paid them.

I shall be obliged if you will let me have your explanation.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

A. JOHNSTON, Esq., Deputy Minister, Marine and Fisheries, Ottawa.

DEPARTMENT OF MARINE AND FISHERIES, OTTAWA, December 4, 1923.

SIR,—I have your letter of the 27th ultimo with reference to payments made to members of the Royal Fisheries Commission that inquired into fishery matters in British Columbia last year.

If you will refer to the Order in Council appointing this Commission you will find that it sets forth as follow:—

“The Minister further recommends that each of the said Commissioners be granted an allowance to cover their actual living expenses, but not to exceed in any case \$20.00 per day during the time of absence from their place of residence on the work of the Commission.”

I understand that the interpretation placed upon the above wording by the members of the Commission is that they are entitled to an allowance for living expenses averaging \$20.00 per day during the entire time they were absent from their places of business. They have submitted certified accounts of their expenditures for living not in excess of that amount and on the strength of the interpretation above alluded to, the accounts have been paid.

I am, Sir, your obedient servant,

A. JOHNSTON, *D.M.*

Crédit dans l'année 1920-21 pour quatre navires à Victoria, C.B.

BUREAU DE L'AUDITEUR GÉNÉRAL, OTTAWA, le 25 août 1923.

MONSIEUR,—Les prévisions budgétaires de l'exercice terminé le 31 mars 1921, pourvoient par le crédit 549 à des avances s'élevant au montant de \$703,000, devant être faites à la Victoria B. C. Shipowners, Limited, pour la construction de quatre navires au coût approximatif de \$250,000 pour chaque navire, pas moins de soixante pour cent des ouvriers devant travailler à leur construction devant être des soldats rapatriés. Les avances devant se faire d'après des certificats de progrès sous la surveillance d'un ingénieur du ministère de la Marine et ne devant pas dépasser \$175,000 pour chaque navire. Lesdites avances devant être obtenues par première hypothèque sur les navires et devant être remboursables avec intérêt au taux de six pour cent par année, ledit intérêt devant être une première imposition sur les recettes globales nettes provenant des navires; aussi afin de pourvoir au traitement de l'inspecteur gouvernemental à un taux ne dépassant pas \$250 par mois.

On a jugé que cette disposition était l'équivalente d'un prêt et conséquemment, le solde non dépensé à la fin de chaque exercice n'a pas été périmé mais il a été reporté d'année en année.

A partir de juin 1920, et jusqu'à date, il a été fait des paiements s'élevant à \$651,696.41, laissant un solde de \$51,303.59.

Il me semble que je devrais être en mesure de communiquer au Parlement si les quatre navires en question ou aucun de ceux-ci ont été complétés, et, dans l'affirmative, ce qu'on en a fait. A-t-on obtenu les premières hypothèques sur les navires, comme l'exigeaient les termes du crédit?

Si les navires n'ont pas été terminés, veuillez avoir la bonté de me faire connaître où en est rendue leur construction, et si les navires ont été acquis dans leur état actuel, par le gouvernement, ou s'ils sont encore confiés aux entrepreneurs.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

MINISTÈRE DE LA MARINE ET DES PÊCHERIES

OTTAWA, le 7 septembre 1923.

MONSIEUR,—En réponse à la vôtre du 25 dernier, relativement aux résultats obtenus des déboursés faits au compte du votre précité, j'ai l'honneur de vous informer de ce qui suit:

Comme vous le savez sans aucun doute, on a confié cette affaire à ce ministère, parce qu'il est au courant de la construction des navires, après que les ententes avec la Victoria B. C. Shipowners et que le contrat pour la construction des quatre navires eurent été conclues, par l'entremise du ministère des Finances. Nos fonctions étaient de nous efforcer d'obtenir les meilleurs résultats selon les termes du contrat avec le déboursé autorisé. Nous avons, conséquemment, proposé l'un de nos fonctionnaires d'expérience dans la division de l'inspection des vapeurs, et, sur sa recommandation, nous avons engagé un expert constructeur de navires local, afin de diriger la besogne de la part du gouvernement.

Il devint bientôt évident d'après les méthodes de construction adoptées et

de l'administration, ou de la mauvaise administration de la B. C. Shipowners, Limited, que les prévisions pour la construction de chacun des quatre navires ne suffiraient pas à les achever, et, comme question de fait, il n'y eût qu'un navire de terminé, le *S. F. Tolmie*, que ce ministère termina après que les B. C. Shipowners eussent fait faillite; le ministère à cause de cette faillite, ayant acquis de la part du gouvernement, le chantier et tous les matériaux en main, d'après les termes du contrat stipulant la saisie par Sa Majesté au cas de défaut par la Shipbuilding Company.

Le déboursé total à même ce vote, mentionné dans votre lettre, fut fait pour la construction partielle de trois coques, qui étaient plus ou moins avancées lors de la faillite de la Victoria Shipowners, ainsi que pour l'achèvement du vapeur *S. F. Tolmie*. Il fut décidé d'abandonner la besogne pour les trois autres cales qui n'étaient pas très avancées, mais de compléter et de mettre en service la coque partiellement terminée du premier navire.

En conséquence, le *S. F. Tolmie* fut achevé et lancé, et fut exploité durant un court laps de temps, à partir de Vancouver, en vertu d'une entente avec la marine marchande du gouvernement canadien. Une première hypothèque fut prise pour "compte courant" sur le navire au nom de Sa Majesté, représentée par le ministre des Finances.

Le navire perdit dès son premier voyage environ \$25,000 et son exploitation ne fut jamais rémunératrice. Conséquemment, le ministère résolut, que la chose la plus sage, c'était d'en disposer au meilleur prix possible, et des soumissions furent demandées pour son achat. L'enchère la plus élevée reçue pour celui-ci fut de \$22,000. Celle-ci fut acceptée par le ministère, et le navire est actuellement en voie d'être cédé aux nouveaux propriétaires.

En outre des coques non achevées, il fut acquis lors de la faillite, environ un million de pieds de bois et autres matériaux, tels que quincaillerie et gréements de navires. Le ministère s'est efforcé d'en disposer au meilleur prix, mais, par suite de complications légales, la chose ne s'est pas faite encore. On s'attend à ce que les difficultés légales soient aplanies presque immédiatement, et le ministère commencera alors à vendre les matériaux, mais on ne s'attend pas à ce que ceux-ci rapportent plus de deux ou trois mille piastres nettes. Il a été reçu diverses offres pour les matériaux, mais vu que le ministère est incapable d'en accorder la possession immédiate, ces matériaux, surtout le bois, se sont détérioré grandement, et ne valent plus qu'une fraction de leur valeur première.

J'ai l'honneur d'être, monsieur, votre obéissant serviteur,

E. HAWKEN, S.-M. adj.

Repas donnés aux membres de la Commission royale sur les pêcheries lorsqu'ils étaient à bord du vap. Estevan.

BUREAU DE L'AUDITEUR GÉNÉRAL, le 27 novembre 1923.

MONSIEUR,—Je remarque en faisant l'examen des pièces justificatives qui m'ont été envoyées, à l'appui des déboursés afférents à la Commission royale sur les pêcheries, que l'allocation complète de \$20.00 par jour a été payée à certains commissaires pour les jours durant lesquels le ministère les a logés eux et leur parti à bord du vapeur *Estevan*.

Le ministère a payé \$387.58 pour les repas des commissaires et de leur parti pendant cette période. Il me semble que comme on n'avait pas demandé aux commissaires de payer leur pension ou leurs dépenses de subsistance, alors qu'ils se trouvaient à bord de l'*Estevan*, qu'on n'aurait pas dû leur payer leur allocation quotidienne complète.

Je vous serai obligé si vous voulez bien me dire ce qui en est.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

M. A. JOHNSTON, sous-ministre de la Marine et des Pêcheries, Ottawa.

MINISTÈRE DE LA MARINE ET DES PÊCHERIES, OTTAWA, 4 décembre 1923.

MONSIEUR,—J'ai en main votre lettre du 27 dernier, relativement aux paiements faits aux membres de la Commission royale sur les pêcheries, qui a fait enquête sur des questions intéressant les pêcheries dans la Colombie britannique l'année dernière.

Si vous voulez bien vous reporter à l'arrêté en Conseil nommant cette Commission vous verrez qu'il énonce ce qui suit:—

“ Le ministre recommande en outre que l'on accorde à chacun desdits commissaires une allocation afin de couvrir leurs frais de subsistance réelle, mais que ceux-ci ne dépassent en aucun cas \$20.00 par jour, lorsqu'ils seront éloignés de chez eux et qu'ils seront engagés à la besogne de la Commission.”

Je crois que les membres de la Commission ont interprété la recommandation ci-dessus comme leur donnant droit à une allocation s'élevant à \$20.00 par jour, pour leurs frais de subsistance, pendant toute la durée de leur absence de chez eux. Ils ont soumis des comptes certifiés de leurs dépenses de subsistance ne dépassant pas cette somme, et sous l'influence de l'interprétation mentionnée plus haut, les comptes ont été payés.

Je suis, monsieur, votre obéissant serviteur,

A. JOHNSTON, *S.-M.*

Unexpended Balances of Appropriations not transferable to meet expenditure in subsequent year

DEPARTMENT OF NATIONAL DEFENCE, March 27, 1923.

SIR,—On March 20th, application was made to you for a transfer of \$326,852.38 from Adjustment of War Claims, 1922-23, to a special account designated "Unclaimed C.E.F. Pay and Allowances".

Before making this application, the matter was taken up with officials of the Department of Finance who did not see any objection to making the transfer and, accordingly, the estimates for Adjustment of War Claims for the fiscal year 1923-24 were diminished by the amount of these credit balances.

The purpose of this transfer is to obviate the necessity of Parliament voting money each year for the unclaimed portion of these balances. Had it been possible to ascertain the Post Office addresses of those at whose credit the balances stand, payment should properly have been made during the fiscal year 1918-19. Each year since, large amounts of money have been included in our estimates and voted by Parliament, the greater part of which has not been used. It is not possible, however, to determine how much will be needed each year to satisfy claims tendered during the year.

Every effort has been made to locate these claimants by means of notices in "The Veteran", and lists sent to each Headquarters of the G.W.V.A. To add to the difficulty, many of the claimants are not aware that the balances are due them.

The balances included in the statement accompanying the application for a transfer have all been carefully checked and audited and consist of unclaimed amounts due to ex-members of the Canadian Expeditionary Forces, or their dependents, on account of Pay and Allowances; War Service Gratuity, or Separation Allowance.

In the year 1919, the same action was taken in regard to the balances due to the estates of deceased ex-members of the Canadian Expeditionary Forces and many cheques have since been issued against the special account thus created.

I am, sir, your obedient servant,

The Auditor General.

G. J. DESBARATS, *Acting D.M.*

AUDIT OFFICE, March 28, 1923.

SIR,—I am in receipt of your application of the 20th instant for a transfer of \$326,852.38 from the appropriation Adjustment of War Claims, 1922-23, to a special open account for the purpose of meeting claims for approved balances due to ex-members of the C.E.F. and their dependents.

If it was not possible to pay these approved claims during the fiscal year for which the appropriation applicable to them was granted, I am of opinion the balance of the appropriation resulting from their non payment, irrespective of the cause of such non payment, should lapse and be written off.

I do not think that Parliament in granting supplies for any fiscal year, intended that a certain portion of the supplies, so granted, might be transferred, towards the end of the year, to an open account that might not be finally closed for several years.

It would, it seems to me, be more in accordance with Parliamentary control if the Department would furnish a list of these approved claims to the Finance Department with a request that the necessary provision to meet them be inserted in the Supplementary Estimates.

I am, sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Acting Deputy Minister, National Defence.

Extra Allowance to General Officer Commanding District No. 2

AUDIT OFFICE, December 22, 1922.

SIR,—I beg to call your attention to an apparent contravention of the Pay and Allowance Regulations, 1920.

Article 36, Table IV, places the position of general officer commanding in Class I at a yearly salary rate of \$6,000.

Article 43 stipulates that a Class I officer "shall not be entitled to any additional pay or allowances except:—

(a) Travelling allowance and transport expenses, at prescribed rates when travelling on duty away from his station.

(b) Transfer allowance under article 98."

The regulations appear to have been adhered to, with one exception.

From May 26, 1922, monthly payments at the rate of \$1,380 per annum have been made from Permanent Force appropriation to the Alexandra Palace Co., Toronto, for rent of suite No. 318 occupied by Major General H. A. Panet, General Officer Commanding, Military District No. 2.

A deduction at the rate of \$700 per annum has been made on this account, from Major General Panet's pay—the balance, amounting to \$680 per annum being made a charge to the appropriation.

At this rate, the amount due from Major General Panet up to November 30, 1922, is \$350.97.

In view of the provisions of the above quoted regulations I shall be obliged if you will let me know the authority for this extra allowance in General Panet's favour.

I am, sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister, Militia and Defence.

DEPARTMENT OF MILITIA AND DEFENCE, January 2, 1923.

SIR,—In reply to your letter of December 22nd, I beg to advise that suitable Government accommodation is not available in Military District No. 2, for the General Officer Commanding that District, and special authority was granted by the Honourable the Minister for quarters to be leased by the Department in the Alexandra Apartments in Toronto for a period of three months at \$125 per month; lease to be renewable in periods of three months, and the arrangement to stand until such time as a suitable house could be leased in Toronto for the General Officer Commanding, at that rental.

The cost of quarters provided in the Alexandra Apartment for the General Officer Commanding the District, has been less than the amount authorized by the Minister for that purpose, i.e.—\$115 per month, and it was found unnecessary to enter into a Lease in respect of those quarters, as it was possible to obtain them on a monthly basis.

You will observe that Article 77, Clause 2 of the Pay and Allowance Regulations 1920, stipulate that if quarters are provided for the General Officer Commanding a District, the amount to be deducted from his pay shall be as determined by the Minister in Militia Council, but shall not exceed \$800 per annum, and the deduction in respect of the quarters provided for the General Officer Commanding, Military District No. 2, was decided upon in accordance with the provisions of that Article at \$700 per annum, and deductions have therefore been made accordingly.

I am, sir, your obedient servant,

The Auditor General.

G. J. DESBARATS, *Acting D.M.*

AUDIT OFFICE, January 15, 1923.

SIR,—I beg to acknowledge receipt of your letter of the 2nd instant H.Q. 1650-2 (Vol. 12) in reply to mine of the 22nd ultimo with reference to a rent allowance to Major General H. A. Panet, General Officer Commanding Military District No. 2, Toronto.

You inform me that, owing to the fact that suitable government quarters were not available, authority was granted to lease apartments at a rental of \$125 per month, that the actual rental paid was \$115 per month, and that, under Article 77 of the Pay and Allowance Regulations, 1920, a deduction at the rate of \$700 per annum was made from Major General Panet's pay.

I find that government quarters for general officers commanding are available in only four of the eleven military districts—yet in no other instance is any portion of the outlay for rental for an officer in this position made a charge to the public.

In four districts government quarters are occupied and paid for in accordance with the terms of Article 77.

In the absence of any authority in Pay and Allowance Regulations for an additional payment to Major General Panet, it seems to me the department should not have allowed it.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister of National Defence.

Living Allowance to Mr. C. A. Brouillet

AUDIT OFFICE, November 26, 1923.

SIR,—I beg to draw your attention to payments made from Adjustment of War Claims appropriation during the fiscal year 1922-1923 to Mr. C. A. Brouillet who is designated as a clerk on the "War Employees" pay lists.

The items are as follows:—

C. A. Brouillet	
Salary, 365 d. to Mar. 31, 1923 at \$4.. . . .	\$1,460 00
Bonus, 12m.. . . .	261 00
Room rent, April 18 to May 23, 35 d. at \$2.50 per	
d., May 24 to Mar. 31 (less 20d.) 41 weeks	
and 6 days at \$15 per wk.. . . .	715 46
Meals \$813.30; tips \$81.95; car fare 14c.. . . .	895 39
	<u>\$3,331 85</u>

The vouchers show that Mr. Brouillet was employed at Toronto throughout practically the whole year, yet his expenses were paid on the same basis as those of any official making a brief business trip.

Would you be good enough to let me have your authority for this apparently extraordinary expenditure covering Mr. Brouillet's living expenses?

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister, National Defence.

DEPARTMENT OF NATIONAL DEFENCE, OTTAWA, December 12, 1923.

SIR,—In reply to your letter dated the 26th of November, you are advised that Mr. C. A. Brouillet has been continuously employed by this Department since January 6th, 1916, as a temporary employee. Mr. Brouillet is a married man domiciled in Ottawa.

In April 1922, the permanent position of Senior Audit Clerk, M.D. No. 2, Toronto, became vacant and pending the appointment of a permanent employee, Mr. Brouillet was detailed to fill the position temporarily. At this time a new District Auditor had been appointed by the Civil Service Commission at Victoria, B.C. and the Acting Auditor, Mr. J. E. W. Houghton thus became surplus. The latter was a permanent employee and it was then intended to transfer him to the permanent position at Toronto, filled temporarily by Mr. Brouillet. It was not in the public interest, however, to make this change until after such time as the new appointee at Victoria had become thoroughly familiar with his duties. To this end, therefore, it was necessary for Mr. Houghton to remain for a period further at Victoria in order that the new auditor might have the benefit of his past long experience in the District.

In July, 1922, the transfer of Mr. Houghton to Toronto was considered, but in view of the fact that the question of re-organization and possible re-allocation of personnel was then being considered by the Civil Service Commission Organization Branch, it was decided that pending the approaching re-organization of the three Departments no change be made.

The matter was again taken up later, but as re-organization was not completed, no steps could be taken to appoint a permanent employee at Toronto. When the amalgamation was effected the position at Toronto was finally filled by a surplus permanent clerk from the Accounts Branch of the Air Board, in accordance with the policy to be followed on amalgamation, of absorbing surplus permanent employees in other positions where vacancies occurred. Meanwhile a vacancy had also occurred in Calgary, to which place Mr. Houghton was detailed from Victoria, B.C.

During the period Mr. Brouillet was in Toronto temporarily, he was obliged to maintain his home in Ottawa, where his wife and children continued to reside, and it was impossible, owing to the exceptional circumstances connected with the amalgamation of the three Departments, to determine or foretell the extent of this temporary service.

Under the circumstances, it is considered that this clerk was entitled to his actual and reasonable living expenses whilst temporarily detailed away from home.

I am, Sir, your obedient servant,

H. W. BROWN, *for Acting D.M.*

The Asst. Auditor General.

Clerks Employed Without Certificate from the Civil Service Commission

AUDIT OFFICE, July 21st, 1923.

SIR,—I beg to enclose, for your information, copy of a letter received from the Civil Service Commission respecting the re-employment in the Department of National Defence of Miss E. Mattice, temporary clerk stenographer, whose services were dispensed with by the Department on the 31st March, 1923.

As you will notice, the Commission claim that, under the Civil Service Act, Miss Mattice's re-employment should have been approved by a Civil Service Certificate.

SESSIONAL PAPER No. 1

Will you please let me know the circumstances under which Miss Mattice has been re-employed and the Vote to which her salary is charged.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister, National Defence.

DEPARTMENT OF NATIONAL DEFENCE, OTTAWA, September 10, 1923.

SIR,—I have your letter of July 21, with reference to the re-employment of Miss J. E. Mattice.

I enclose herewith copy of my letter of the 19th June to the Civil Service Commission, which I trust will make it clear why Miss Mattice was retained for a short time after the date fixed for her retirement.

Her services were dispensed with on the 6th August last; her salary was charged to the Vote for the Adjustment of War Claims.

I should be glad to discuss with you the status of any other clerks in this Department at your convenience.

I am, Sir, your obedient servant,

G. J. DESBARATS, *Acting D.M.*

The Asst. Auditor General.

DEPARTMENT OF NATIONAL DEFENCE, June 19, 1923.

SIR,—I have your letter of the 13th instant, with regard to the employment of Miss E. Mattice in this Department.

Her case is similar to that of a very large number of temporary employees of the Militia Department taken on during the first two or three years of the war, and before the passing of the Civil Service Act of 1918. Their employment was not authorized by the Civil Service Commission; and later on when the question of classification came up, it was decided either by or with the concurrence of the Commission that it would be better not to attempt classification since the reduction of this temporary staff was being proceeded with as fast as practicable, and eventually it would disappear. Consequently no certificates of employment were ever issued by the Commission in these cases.

On the 31st of March last, the services of over 100 of these temporary employees were dispensed with, and they were given two months' leave with pay from the 1st April. Miss Mattice was one of the number. Very shortly afterwards, it was found necessary to recall several of the stenographers and typists who had thus been given leave pending retirement, because of the large number of permanent stenographers who were absent on account of sickness. The percentage of such absences to the total number of those employed was very large, ranging from 12% to 16%. It was thought that conditions would shortly improve, but this was not the case. At first only four stenographers were recalled or retained, but in May it became evident that additional help would be needed for a short time, since the holiday season called for the supply of a small staff who could act as reliefs; and there were none to spare for this purpose. With this end in view, Miss Mattice was recalled and employed in the stenographers' pool. During her eight years' service, she has worked in a number

of branches of the Department, and is especially valuable on that account as a relief clerk. At present she is on loan to the Air Section, but this is merely a temporary arrangement.

I trust it will be obvious to the Commission that to get the most effective help for the Department in such circumstances for an additional three months, it is far better to retain in employment a stenographer already experienced in the ways of the Department, than to experiment with a new and untried appointee. It is believed that by the 1st October next our permanent staff of stenographers will be adequate for our needs.

I am, Sir, your obedient servant,

G. J. DESBARATS, *Acting D.M.*

The Secretary, Civil Service Commission.

AUDIT OFFICE, September 12, 1923.

SIR,—I have your communication of the 10th instant enclosing a copy of a letter dated June 19th, 1923, addressed by you to the Civil Service Commission with reference to the employment of Miss E. Mattice in the Department of National Defence.

In your letter to the Commission you give your reasons for re-engaging Miss Mattice. That these reasons were not considered satisfactory by the Commission, is evidenced by their letter to this office dated July 18th, 1923, a copy of which I forwarded to you on July 21st, last.

Concerning Miss Mattice and all similar cases, you will note the request of the Commission that "payment of salary be suspended." Without a Civil Service certificate, any salary payments made to Miss Mattice since the date of her re-engagement were illegal. Salary payments made to Miss S. Scharf since her re-engagement on June 6th last, are in the same category.

In your letter to the Commission, dated June 19, 1923, you refer to the fact that "War Employees" have never been classified. Should it be intended to retain the services of a number of these employees for a further considerable period, I would suggest that the names be now submitted to the Civil Service Commission together with those of any other employees in the department of National Defence, who occupy positions other than those exempted by Order in Council.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister of National Defence.

DEPARTMENT OF NATIONAL DEFENCE, OTTAWA, September 17, 1923.

SIR,—I have received your letter of the 12th instant, respecting the employment of Miss E. Mattice and Miss S. Scharfe, and note your remarks.

Arrangements have been made to dispense with the services of a considerable number of temporary employees, who will be released on the 30th instant. In the circumstances, it is intended to take up with the Civil Service Commission, immediately after the end of this month, the question of the classification of such temporary employees as remain at that time in the service of the Department. The Civil Service Commission has concurred in this arrangement.

I am, Sir, your obedient servant,

G. J. DESBARATS, *Acting D.M.*

The Asst. Auditor General.

Reliquat non dépensé d'un crédit non applicable aux dépenses de l'année

MINISTÈRE DE LA DÉFENSE NATIONALE, le 27 mars 1923.

MONSIEUR,—Le 20 mars on vous a prié d'effectuer le transfert de \$326,852.38 du compte "Règlement des réclamations de guerre" 1922-23 à un compte spécial désigné sous le nom de "Compte des soldes et allocations non réclamées des T.E.C."

Avant de vous faire cette demande la chose avait été discutée avec les hauts fonctionnaires du ministère des Finances qui n'ont vu aucune objection audit transfert et par conséquent les crédits demandés pour le règlement des réclamations de guerre pour l'exercice 1923-24 ont été diminués d'autant.

Le but de ce transfert est d'obvier à la nécessité de faire voter à chaque année l'argent de ces reliquats non réclamés. Eût-il été possible de trouver les adresses postales de ceux au crédit desquels ces balances existent encore, les paiements auraient été effectivement faits au cours de l'exercice 1918-19. Depuis cette date à chaque année des sommes considérables sont comprises dans nos crédits et votées par le Parlement qui en grande partie ne sont pas dépensées. Cependant, il est impossible de déterminer combien il faudra chaque année pour satisfaire aux réclamations présentées au cours de l'exercice.

On a fait tous les efforts pour atteindre les réclamants soit par des avis dans le *Vétéran*, soit par des listes envoyées aux quartiers généraux de l'A.V.G.G. Une autre difficulté c'est qu'un grand nombre d'anciens soldats ignorent qu'ils ont droit à ces balances.

Les balances comprises dans le relevé accompagnant la demande du transfert ont toutes été vérifiées avec soin et consistent de montants non réclamés dus aux anciens membres des Troupes Expéditionnaires Canadiennes ou à leurs dépendants, soit à titre de soldes et allocations; soit pour gratifications pour service en temps de guerre ou pour solde assignée.

Au cours de l'année 1919 la même chose s'est faite au sujet des balances dues aux successions des anciens membres décédés des Troupes Expéditionnaires Canadiennes et depuis lors plusieurs chèques ont été émis pour être imputés au compte spécial ainsi créé.

Bien à vous, votre obéissant serviteur,

G. J. DESBARATS, *S.-M. intérimaire*.

L'Auditeur général.

BUREAU DE L'AUDITEUR, OTTAWA, le 28 mars 1923.

MONSIEUR,—Relativement à votre demande du 20 mars courant de transférer \$326,852.38 du crédit "Règlement des réclamations de guerre" 1922-23 à un compte ouvert spécial afin de payer les réclamations pour les balances approuvées dues aux anciens membres des T.E.C. et à leurs dépendants voici ce que j'ai à vous soumettre.

S'il n'était pas possible de payer ces réclamations approuvées pendant l'exercice au cours duquel les crédits applicables à ce paiement sont votés, je suis d'opinion que le reliquat résultant des paiements non effectués pour quelque cause que ce soit, devrait devenir caduc et être biffé.

Je ne crois pas que le Parlement en votant les crédits pour un exercice quelconque ait l'intention de permettre qu'une partie des crédits ainsi votés puissent à la fin de l'année être transférée à un compte ouvert susceptible de ne pas se fermer d'ici à plusieurs années.

Il me semble que ce serait plus en accord avec le contrôle que doit exercer le Parlement, si votre ministère fournissait une liste de ces réclamations approu-

vées au ministère des Finances avec la requête que les prévisions nécessaires pour les payer soient comprises dans le Budget Annexe.

Je demeure, monsieur, votre obéissant serviteur,

WM. KEARNS, A.G. adj.

Le sous-ministre intérimaire de la Défense Nationale.

Allocation supplémentaire à l'officier commandant général du district n° 2

BUREAU DE L'AUDITEUR, le 22 décembre 1922.

MONSIEUR,—Je désire attirer votre attention sur une infraction apparente aux règlements concernant la solde et les allocations de 1920.

L'article 36, Tableau IV place la position de l'officier général commandant dans la Classe I à un traitement annuel de \$5,000.

L'article 43 stipule qu'un officier de la Classe I "n'aura aucun droit à toute solde ou allocation supplémentaires, excepté:—

(a) Les allocations de déplacement et frais de transport aux taux prescrits lorsque ses fonctions l'obligent à s'éloigner de son poste.

(b) L'indemnité de transfert conformément à l'article 98."

Les règlements semblent avoir été observés réserve faite d'une exception.

Du 26 mai 1922 des mensualités au taux de \$1,380 par année ont été effectuées imputables au compte de la Force permanente en faveur de la Alexandra Palace Co., Toronto, pour le loyer du local n° 318 occupé par le major général H. A. Panet, officier général commandant du district militaire n° 2.

Une réduction de \$700 par année a été faite de la solde annuelle payée au major général Panet—la balance s'élevant à \$680 par année ayant été imputée au compte du crédit pour allocations supplémentaires.

D'après ces chiffres le major général Panet devrait encore jusqu'au 30 novembre 1922 la somme de \$350.97.

Vu les dispositions susdites contenues dans les règlements précités je vous serai bien obligé si vous me faites savoir, d'après quelle autorité cette allocation supplémentaire est faite en faveur du général Panet.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, A.G. adj.

Le sous-ministre de la Milice et de la Défense.

MINISTÈRE DE LA MILICE ET DE LA DÉFENSE, le 2 janvier 1923.

MONSIEUR,—En réponse à votre lettre du 22 décembre j'ai l'honneur de vous informer que le gouvernement ne possède pas de local convenable dans le district militaire n° 2 pour l'officier commandant de ce district et une autorisation spéciale a été accordée par le ministre en vue de louer des pièces au compte du ministère dans les Alexandra Apartments, à Toronto, pour trois mois à \$125 par mois: le bail étant renouvelable tous les trois mois et cet arrangement devant être maintenu jusqu'à ce que l'on puisse trouver une maison convenable à Toronto au même loyer pour l'officier commandant.

Le coût du loyer pour le local aux Alexandra Apartments mis à la disposition de l'officier commandant du district a été inférieur au montant autorisé par le ministre à cette fin, savoir, \$115 par mois, et on n'a pas jugé nécessaire de rédiger de bail pour ce local vu qu'il était possible de l'obtenir au mois.

Vous constaterez que l'article 77, clause 2 des règlements concernant la solde et les allocations, 1920, stipule que si un local est fourni à l'officier général commandant du district le montant à déduire de sa solde sera déterminé par le ministre, au conseil de la Milice, mais ne devra pas excéder \$800 par année, et la déduction effectuée à l'égard du local fourni à l'officier commandant général du district militaire n° 2 a été déterminée en conformité des dispositions de l'article susdit à \$700 par année et par conséquent les déductions ont été faites en conséquence.

Je suis, monsieur, votre obéissant serviteur,

G. J. DESBARATS, *S.-M. intérimaire.*

L'Auditeur général.

BUREAU DE L'AUDITEUR, le 15 janvier 1923.

MONSIEUR,—J'ai l'honneur de vous accuser réception de votre lettre du 2 courant Q.G. 1650-2 (Vol. 12) en réponse à ma lettre du 22 du mois dernier relativement à une indemnité de logement au major général H. A. Panet, officier commandant général du district militaire n° 2, Toronto.

Vous m'informez que le gouvernement n'ayant pas de local convenable, l'autorisation a été accordée de louer une suite de pièces à \$125 par mois, et qu'effectivement le loyer payé a été de \$115 par mois et qu'en conformité de l'article 77 des règlements concernant la solde et les allocations 1920 une déduction de \$700 par année a été faite de la solde du major général Panet.

Je constate que le gouvernement sur les onze districts militaires ne possède de logement approprié que dans quatre districts et cependant il n'y a aucun autre exemple où une partie des frais de logement pour un officier dans cette position soit portée à la charge du public.

Dans quatre districts les locaux du gouvernement sont occupés et payés conformément aux termes de l'article 77.

Vu l'absence de toute autorisation conférée par les règlements concernant la solde et les allocations visant le paiement d'une allocation supplémentaire au major général Panet, il semblerait que le ministère n'aurait pas dû permettre cette dépense.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Le sous-ministre de la Défense Nationale.

Allocation de subsistance en faveur de M. C. A. Brouillet

BUREAU DE L'AUDITEUR, le 26 novembre 1923.

MONSIEUR,—Je désire attirer votre attention sur les paiements effectués imputables au compte des crédits pour le règlement des réclamations de guerre pendant l'exercice 1922-23, en faveur de M. C. A. Brouillet qui est désigné comme commis sur les listes de paye des "Employés de guerre".

Les item sont comme suit:—

C. A. Brouillet

Traitement 365 jours au 31 mars 1923 à \$4.	\$1,460 00
Boni, 12 mois	261 00
Loyer de chambre du 18 avril au 23 mai, 35 jours à \$2.50 par jour, du 24 mai au 31 mars (moins 20 jours) 41 semaines et 6 jours à \$15 par semaine	715 46
Repas \$813.30; pourboires \$81.95; tramways, 14c..	895 39
	<hr/>
	\$3,331 85

Les pièces justificatives indiquent que M. Brouillet a été employé à Toronto pendant toute l'année et cependant ses dépenses ont été payées sur la même base que celles de tout autre fonctionnaire qui fait un voyage d'affaires de courte durée.

Voulez-vous être assez bon de me communiquer d'après quelle autorité on a payé cette dépense extraordinaire couvrant les frais de subsistance de M. Brouillet.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Le sous-ministre de la Défense Nationale.

MINISTÈRE DE LA DÉFENSE NATIONALE, OTTAWA, 12 décembre 1923.

MONSIEUR,—En réponse à votre lettre du 26 novembre, je vous ferai remarquer que M. C. A. Brouillet a été à l'emploi de ce ministère continuellement depuis le 6 janvier 1916, en qualité de fonctionnaire temporaire. M. Brouillet est marié et habite Ottawa.

Au mois d'avril 1922, la position permanente de commis-vérificateur senior, D.M. N° 2, Toronto, devint vacante, et on envoya M. Brouillet la remplir temporairement en attendant la nomination d'un fonctionnaire permanent. A cette époque un nouveau vérificateur divisionnaire avait été nommé par la Commission du Service civil à Victoria, C.-B., et ainsi le vérificateur suppléant, M. J. E. W. Houghton, se trouva surnuméraire. Ce dernier était un fonctionnaire permanent et on avait l'intention de le transférer à la position permanente de Toronto, remplie temporairement par M. Brouillet. Cependant, il n'aurait pas été sage de faire ce changement avant que le nouveau titulaire à Victoria ait eu le temps de se familiariser complètement avec ses fonctions. En conséquence, M. Houghton a été obligé de rester plus longtemps à Victoria afin de faire profiter le nouveau vérificateur de sa longue expérience dans le district.

Au mois de juillet 1922, il fut question du transfert de M. Houghton, mais comme la division de l'organisation de la Commission du Service civil était alors à étudier la question de la réorganisation et d'une nouvelle répartition possible du personnel, on décida de ne faire aucun changement en attendant la réorganisation des trois départements.

La question fut soulevée de nouveau plus tard, mais comme la réorganisation n'était pas terminée, rien ne pouvait être fait en vue de la nomination d'un fonctionnaire permanent à Toronto. Lorsque la fusion s'effectua, on nomma un commis permanent surnuméraire de la division de la comptabilité de la Commission de l'aéronautique à la position de Toronto, conformément à la politique adoptée lors de la fusion. Cette politique consiste à nommer les fonctionnaires permanents surnuméraires à d'autres positions lorsqu'il y a des vacances. Sur

les entrefaites une vacance s'était également produite à Calgary, et on y a envoyé M. Houghton, de Victoria, C.-B.

Pendant son séjour temporaire à Toronto, M. Brouillet était obligé de garder sa maison à Ottawa, où demeuraient sa femme et ses enfants. Il était impossible, à cause des circonstances tout à fait exceptionnelles dépendant de la fusion des trois départements, de déterminer ou de prévoir la durée de ce service temporaire.

Dans les circonstances, on a cru que ce commis devait recevoir une allocation de subsistance raisonnable pendant la durée de son service temporaire loin de chez lui.

Je suis, monsieur, votre obéissant serviteur,

H. W. BROWN, *S.-M. suppléant.*

L'Auditeur général adj.

Commis employés sans tenir de certificats de la Commission du Service Civil

BUREAU DE L'AUDITEUR, 21 juillet 1923.

MONSIEUR,—J'ai l'honneur de vous transmettre sous ce pli, pour votre gouverne, copie d'une lettre reçue de la Commission du Service civil concernant le nouvel emploi fait au ministère de la Défense Nationale de Miss E. Mattice, commis-sténographe temporaire, qui avait été remerciée de ses services le 31 mars 1923.

Comme vous le verrez, la Commission prétend qu'aux termes de la loi du Service Civil, Miss Mattice aurait dû se procurer un certificat de la Commission du Service civil avant de prendre cet emploi.

Auriez-vous la bonté de me dire à quel titre on a de nouveau retenu les services de Miss Mattice et à même quel crédit elle est payée.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Le sous-ministre de la Défense Nationale.

MINISTÈRE DE LA DÉFENSE NATIONALE, OTTAWA, le 10 septembre 1923.

MONSIEUR,—J'ai en main votre lettre du 21 juillet, concernant le nouvel emploi de Mlle J. E. Mattice.

J'inclus avec la présente copie de ma lettre à la Commission du Service civil, laquelle je l'espère expliquera pourquoi on a gardé Mlle Mattice pendant un bref laps de temps, après la date fixée pour sa mise à la retraite.

On s'est dispensé de ses services le 6 août dernier. Son traitement a été imputé au crédit pour l'ajustement des réclamations de guerre.

Il me fera plaisir de discuter avec vous le status de n'importe quel autre commis à l'emploi de ce ministère, lorsque la chose vous sera possible.

Je suis, monsieur, votre obéissant serviteur,

G. J. DEBARATS, *S.-M. intérimaire.*

A l'Auditeur général adjoint.

MINISTÈRE DE LA DÉFENSE NATIONALE, OTTAWA, le 19 juin 1923.

MONSIEUR,—J'ai bien reçu votre lettre du 13 écoulé, au sujet de l'emploi de Mlle E. Mattice dans ce ministère.

Son cas est semblable à celui d'un grand nombre de fonctionnaires temporaires du ministère de la Milice, engagés pendant les deux ou trois premières années de la guerre, et avant l'adoption de la Loi du Service civil de 1918. La Commission du Service civil n'avait pas autorisé leur emploi; et plus tard lorsque survint la question de la classification, il fut décidé soit par la Commission, ou avec son assentiment, qu'il vaudrait mieux ne pas tenter la classification, vu que l'on s'occupait de la réduction de ce personnel temporaire avec toute la rapidité possible, et qu'il disparaîtrait éventuellement. Par conséquent, la Commission n'a jamais émis de certificats d'emploi dans ces cas.

Le 31 mars dernier, on s'est dispensé des services de plus de 100 de ces fonctionnaires temporaires, et on leur a donné deux mois de congé avec traitement à partir du 1er avril. Mlle Mattice était de ce nombre. Peu après, on découvrit qu'il fallait rappeler plusieurs des sténographes et des dactylographes à qui on avait ainsi donné congé, en attendant leur mise à la retraite, par suite du grand nombre de sténographes permanentes qui étaient absentes à cause de maladie. La proportion de ces absences par rapport au nombre total de celles employées, était très grande, variant de 12 p. 100 à 16 p. 100. On croyait que les conditions s'amélioreraient sous peu, mais il n'en fut pas ainsi. D'abord on ne rappela ou retint que quatre sténographes, mais il devint évident en mai, que des fonctionnaires supplémentaires seraient nécessaires pour un bref laps de temps, vu que le temps des vacances exigeait l'emploi d'un petit personnel qui pût remplacer l'autre. Nous n'avions pas de surnuméraires pour cette fin. Afin d'en arriver là, on rappela Mlle Mattice pour remplir les fonctions de sténographe. Au cours de ses huit années de service, elle a travaillé dans plusieurs des divisions du ministère, et elle est surtout précieuse comme commis surnuméraire. Actuellement elle travaille pour le compte de la division de l'aéronautique, mais cet arrangement n'est que temporaire.

J'espère que la Commission comprendra qu'afin d'obtenir l'aide la plus efficace pour le ministère dans ces circonstances, pour trois mois additionnels, il vaut bien mieux conserver les services d'une sténographe déjà au courant des affaires du ministère, que d'essayer une titulaire nouvelle et inexpérimentée.

On croit que le 1er octobre prochain, notre personnel de sténographes permanentes suffira à nos besoins.

Je suis, monsieur, votre obéissant serviteur,

G. J. DESBARATS, *S.-M. adjoint.*

Au secrétaire de la Commission du Service civil, Ottawa.

BUREAU DE L'AUDITEUR GÉNÉRAL, le 12 septembre 1923.

MONSIEUR,—Reçu votre lettre du 10 courant ainsi que copie de la lettre que vous adressait la Commission du Service civil le 19 juin 1923 relativement à l'emploi de Mlle E. Mattice par le ministère de la Défense Nationale. Votre lettre à la Commission contient vos raisons pour réengager Mlle Mattice. La lettre que la Commission nous a adressée le 18 juillet 1923 et dont nous vous avons expédié une copie le 21 juillet dernier démontre qu'elle n'est pas satisfaite des raisons alléguées par vous. Pour le cas de Mlle Mattice et les cas semblables, vous observerez que la Commission demande "de suspendre le paiement du traitement". En l'absence d'un certificat de la Commission du Service civil, tous les

versements de traitement effectués à Mlle Mattice depuis la date de son réengagement sont illégaux. La même règle s'applique aux versements faits à Mlle S. Scharf depuis son réengagement, le 6 juin dernier. Dans votre lettre du 19 juin 1923 à la Commission vous mentionnez le fait que les "employés de guerre" n'ont jamais été classifiés. Si vous avez l'intention de retenir les services d'un certain nombre de ces employés pour une période importante, je vous suggérerais de soumettre à la Commission du Service civil les noms de ces employés ainsi que les noms des autres employés du ministère de la Défense Nationale qui occupent des positions autres que celles pour lesquelles l'arrêté du Conseil décrète l'exemption.

J'ai l'honneur d'être, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Le sous-ministre de la Défense Nationale.

MINISTÈRE DE LA DÉFENSE NATIONALE, OTTAWA, le 17 septembre 1923.

MONSIEUR,—J'ai reçu votre lettre du 12 courant relativement à l'emploi de Mlle E. Mattice et de Mlle S. Scharf et j'ai pris note de vos observations.

Nous avons pris des dispositions pour nous dispenser des services d'un nombre important d'employés surnuméraires à partir du 30 courant. Vu cette situation, c'est notre intention de nous entendre avec la Commission du Service civil pour faire classer dès après la fin du mois tels employés surnuméraires qui resteront à l'emploi du ministère. Ces dispositions ont reçu la sanction de la Commission du Service civil.

J'ai l'honneur d'être, monsieur, votre obéissant serviteur,

G. J. DESBARATS, *S.-M. suppléant.*

**Proceeds from sales of Stores not deposited to the credit of the
Receiver General**

AUDITOR GENERAL'S, OFFICE, November 13, 1923.

SIR,—I beg to ask for an explanation of a receipt of \$15,400 given by the Halifax Dockyard to James Duggan and Sons, on March 6, 1923.

This amount is stated to be a part payment on account of sales at an auction held in the dockyard in November 1922.

No details have been sent me in connection with this auction sale and I shall be obliged if you will cause to be sent me full particulars in connection therewith at your early convenience.

There is no record in this Office that this amount and other proceeds of sales during the fiscal year have been brought to account in the way of deposits to the credit of the Receiver General.

As I may find it necessary to send an officer of this Department to Halifax at an early date to audit the stores accounts at the dockyard, I would like to have your explanation of this omission within the next few days.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

G. J. DESBARATS, Esq., Deputy Minister, Militia and Defence, Ottawa.

DEPARTMENT OF NATIONAL DEFENCE, November 29, 1923.

SIR,—In reply to your letter dated the 13th instant, relative to a receipt given for \$15,400 by Halifax Dockyard to Messrs. James Duggan & Sons, on March 6th last, I beg to advise you that this receipt was given for a cheque deposited by James Duggan the auctioneer as a deposit in connection with an auction sale held at the dockyard.

The several accounts in connection with this sale are still subject to adjustment on account of certain litigation between several of the purchasers as to possession of certain lots, and in view of this the account was placed in suspense and transferred to the fiscal year 1923-24 in order to have the whole transaction complete in the one fiscal year.

The question of accounts is still a matter of communication with the dockyard. When the sale has been finally disposed of, however, all statements and accounts duly completed will be forwarded to you.

I have the honour to be, Sir, your obedient servant,

G. J. DESBARATS, *D.M.*

The Auditor General, Auditor General's Office, Ottawa, Ontario.

Produits de la vente de stocks non déposés auprès du receveur-général

BUREAU DE L'AUDITEUR GÉNÉRAL, le 13 novembre 1923.

MONSIEUR,—Je prends la liberté de solliciter de vous des éclaircissements sur le reçu de \$15,400 délivré par l'arsenal maritime de Halifax à James Duggan and Sons le 6 mars 1923.

Cette somme est désignée comme constituant un versement partiel à la suite de ventes à l'encan effectuées à l'arsenal maritime en novembre 1922.

Aucun détail ne m'a été fourni sur cette vente à l'encan et je vous serai obligé de bien vouloir faire en sorte que l'on me fasse tenir tous les détails afférents à cette vente dès que vous le pourrez.

Il n'y a nulle trace à notre bureau que cette somme et autres produits de ventes effectuées au cours de l'exercice aient fait l'objet d'un compte rendu sous forme de dépôt auprès du receveur-général.

Vu la possibilité d'avoir à expédier un fonctionnaire de ce ministère à Halifax à bref délai en vue d'apurer les comptes des magasins de l'arsenal maritime, je vous serais obligé de me faire tenir sous peu les raisons de cette omission.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, A.G. adj.

G. J. DESBARATS, écr., sous-ministre de la Milice et de la Défense, Ottawa.

MINISTÈRE DE LA DÉFENSE NATIONALE, OTTAWA, le 29 novembre 1923.

Service naval.

MONSIEUR,—En réponse à votre lettre datée du 13 de ce mois et relative à un reçu pour la somme de \$15,400 délivré par l'arsenal maritime de Halifax à MM. James Duggan and Sons le 6 mars dernier, je dois porter à votre connaissance que ce reçu a été délivré contre un chèque déposé par James Duggan l'encanteur comme arrhes en rapport avec la vente à l'encan tenue à l'arsenal maritime.

Les nombreux comptes relatifs à cette vente sont encore présentement susceptibles de règlement vu l'existence de différend survenu entre plusieurs des adjudicataires à propos de l'entrée en possession de certains lots de marchandises, et pour cette raison ce compte a été suspendu et reporté à l'exercice 1923-24 afin d'obtenir que l'ensemble de cette transaction soit inscrit au compte d'un unique exercice.

La question des comptes reste à l'heure qu'il est matière à échange de vues avec l'arsenal maritime. Une fois réglée définitivement cette question de vente, tous états et comptes réunis en bonne et due forme seront communiqués à votre bureau.

J'ai l'honneur d'être, monsieur, votre obéissant serviteur,

G. J. DESBARATS, S.-M.

A l'Auditeur général, bureau de l'Auditeur général, Ottawa, Ont.

NOTE.—The annuity payment is for the purpose of paying off in 50 years the original capital, £2,000,000 and interest thereon at 3 per cent per annum.

General working expenses includes salaries and expenses of Head Office, Cable Stations and Cable Ship and Provident Fund.

Reserve and renewal fund is to provide for cable repairs and renewal of the cable when found necessary. Revenue—Traffic receipts.

*This is the seventh occasion since the Pacific Cable was laid on which there has remained a surplus from revenue after the payment of the sinking fund annuities. In accordance with the provisions of the Pacific Cable Act, 1901, this sum must be applied in reduction of the outstanding balance of the original advance for the capital.
