SESSIONAL PAPER No. 1

Travelling Expenses of Ottawa Officials to be paid from Civil Government Contingencies

AUDIT OFFICE, OTTAWA, December 12, 1923.

SIR,—I beg to draw your attention to an Order in Council of November 7th, 1913, which directs that all the travelling expenses of the officials at Ottawa be paid out of the Civil Government Contingencies of the respective departments.

In the examination of your expenditure for the fiscal year 1922-23 I notice that in a number of cases the travelling expenses of Ottawa officials have been paid from your outside votes. In the great majority of these cases the expenses are paid from the same vote as the official's salary is paid from, although in two or three instances the expenses of a Civil Government official have been paid from outside votes.

I desire to point out that the Order in Council referred to above is not limited in its application to the expenses of officials paid from Civil Government, but applies to the expenses of all officials at Ottawa including those who although paid from other than Civil Government votes have their headquarters at Ottawa.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister of the Interior, Ottawa.

Payment of Living Allowance to Mr. F. H. Peters

AUDIT OFFICE, OTTAWA, December 13, 1923.

SIR,—On July 23rd, 1921 an Order in Council (P.C. 83/2614) was passed granting to Mr. F. H. Peters, Field Superintendent of Irrigation at Calgary, who was called to Ottawa to be temporarily assigned to special duties in the Department of the Interior, a living allowance from March 1st, 1921, of \$6.00 a day while on special duty in Ottawa.

On January 31st, 1922 an Order in Council (P.C. 41/200) was passed authorizing the payment to Mr. Peters of the sum of \$1,084.50 being the amount of his removal expenses from Calgary to Ottawa. From the accounts rendered in support of this claim Mr. Peters appears to have removed his family from Calgary to Ottawa in the early part of October, 1921.

Although Mr. Peters was paid his removal expenses nearly two years ago the Department of the Interior has continued to pay, and is still paying, the per diem allowance of \$6.00 to Mr. Peters, on the grounds that he has not yet been permanently assigned to duties in Ottawa, but that he still holds the position of Field Superintendent of Irrigation with head quarters (nominally) at Calgary.

As the payment of this living allowance has been continued for such an extended period I should like to be informed if it was the intention of the Treasury Board that it should be paid so long as Mr. Peters was retained in Ottawa, notwithstanding the fact that his removal expenses were also paid some two years ago. The last official information that I have as to the payments to

Mr. Peters makes the total amount of \$5,850 paid him on account of living allowance up to October 31st last, in addition to the \$1,084.50 paid as removal expenses.

I enclose herewith a copy of the correspondence on this subject which has passed between this office and the Department of the Interior.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

J. C. SAUNDERS, Secretary of the Treasury Board, Ottawa.

AUDIT OFFICE, OTTAWA, April 11, 1922.

SIR,—An Order in Council dated July 23, 1921, authorizes the payment of a living allowance of \$6.00 a day from March 1, 1921, to Mr. F. H. Peters, Field Superintendent of Irrigation at Calgary, who was called to Ottawa to be temporarily assigned to special duties in your department. This allowance has continued to be paid up to the present time. A second Order in Council, dated January 31, 1922 authorizes the payment to Mr. Peters of \$1,084.50, being the amount of removal expenses incurred by him upon his transfer to Ottawa, without increase of salary. The accounts submitted by Mr. Peters show that his household effects were removed from Calgary to Ottawa in the early part of October, 1921.

I am of the opinion that Mr. Peters' transfer must be regarded as permanent from the time he moved his household effects from Calgary to Ottawa, and that he should be called upon to refund all subsequent payments of the living allowance.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister of the Interior.

DEPARTMENT OF THE INTERIOR, OTTAWA, May 9, 1922.

DEAR MR. KEARNS,—I have your letter of the 11th ultimo with respect to the matter of payment of living allowance to Mr. F. H. Peters, Field Superintendent of Irrigation, Calgary, who was called to Ottawa to assist in the work of re-organizing the survey services, and in reply may say that this is a complicated situation for which no one is particularly to blame. It results entirely from the present method of making appointments.

As soon as we decided to amalgamate our survey branches under the direction of Dr. Deville, Surveyor General, we instructed Mr. Peters to come to Ottawa because we felt that we needed the advice and assistance of a Field Superintendent who possessed engineering experience as well as surveying experience. The arrangement was altogether temporary, it being contemplated that when the re-organized survey services were classified, Mr. Peters would be assigned a permanent position in the central office if he made good on the organization work.

As he was put to extra expense on account of this we secured authority for the payment of a living allowance of \$6.00 per day on the understanding that this would be dropped as soon as the organization work was completed and the Commission was prepared to deal with the matter of his permanent assignment here. We have a recommendation now before the Commission but until this is dealt with we do not know whether Mr. Peters will be retained here permanently and so we have been continuing to pay the living allowance. Incidentally, it might be stated that no one has been promoted to Mr. Peters' position at Calgary as there is no vacancy until he is permanently transferred to some other position.

I can realize that from your standpoint the passing of the second Order in Council authorizing the payment to Mr. Peters of \$1,084.50, removal expenses, from Calgary to Ottawa, somewhat complicates the situation but I would ask that this be allowed to remain over until we see what action the Civil Service Commission take with respect to the provision of a position here. If it should happen that the Commission agree to classify Mr. Peters at a higher salary from the date upon which he took over his present duties in Ottawa then I can see that the Department could not pay his removal expenses. In the meantime, however, until this is settled, I don't think he should be called upon to make any refund; on the contrary, we should continue to pay the living allowance authorized by Council.

Yours very truly,

W. W. CORY, D.M.

The Asst. Auditor General.

AUDIT OFFICE, OTTAWA, June 22, 1923.

SIR,—I beg to draw your attention to my letter of April 11th, 1922, with regard to the payment of a living allowance of \$6.00 a day to Mr. F. H. Peters, Field Superintendent of Irrigation at Calgary, who was called to Ottawa to be temporarily assigned to special duties in your department.

In your reply of May 9th, 1922, you state that this allowance would be dropped as soon as the organization work was completed and the Commission prepared to deal with the matter of his permanent assignment here. You further state that at the time of your reply you had a recommendation before the Commission, but that until that was dealt with you did not know whether Mr. Peters would be retained at Ottawa permanently, and so were continuing to pay the living allowance.

Although more than thirteen months have elapsed since that letter was written I find that Mr. Peters is still drawing the living allowance in question, although his family and household effects were removed to Ottawa in the early part of October, 1921, at an expense to the government of \$1,084.50.

The following statement shows briefly the payments to Mr. Peters in this connection:

Living allowance when at Ottawa, March 1st, 1921,	
to May 31st, 1923, 822 d. at \$6.00 per day.	\$4,932 00
Removal expenses of family and household effects,	
Calgary to Ottawa, October, 1921.	1,084 50
	<hr/>
	\$6,016 50

I think that some definite action as to Mr. Peters' status should be taken at once, and that the payment of the living allowance should not continue indefinitely.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister of the Interior, Ottawa.

DEPARTMENT OF THE INTERIOR, OTTAWA, July 9, 1923.

SIR,—I am in receipt of your letter of the 22nd ultimo relative to the payment of a living allowance of \$6 per day to Mr. F. H. Peters and beg to inform you that the case of this officer has not yet been finally disposed of by the Civil Service Commission. For your information I may say that an Order in Council was passed on the 5th June, 1923, creating the two major positions in the Surveys Bureau and the Civil Service Commission is proceeding as rapidly as possible with the work of organization in the amalgamated Branches.

The position of Mr. Peters has not changed materially since my letter to you of the 9th May, 1922, and, although he is performing the duties of Assistant Director General of Surveys, the Department has no assurance that he will ultimately be assigned thereto. As soon as the Commission has authorized Mr. Peters' appointment, the payment of his living allowance will be dropped but, in the meantime, it is thought only fair to continue paying the same.

It is unfortunate that there has been so much delay in the settlement of this case, but this is due to causes which are beyond the control of the Department.

Yours truly,

R. A. GIBSON, *Acting D.M.*

WM. KEARNS, *Asst. Auditor General, Ottawa.*

TREASURY BOARD, OTTAWA, January 10, 1924.

DEAR SIR,—I beg to acknowledge receipt of your communication of the 13th ultimo concerning continuation of per diem living allowance to Mr. F. H. Peters of the Department of Interior.

The Treasury Board, after full consideration of the special circumstances connected with this case, and in view of Mr. Peters' return to Calgary at an early date, are of the opinion that payment of his living allowance may be continued until his departure from Ottawa.

Yours truly,

J. C. SAUNDERS, *Secretary.*

WM. KEARNS, *Asst. Auditor General of Canada.*

Appointment of Mr. A. Helmer to an Unclassified Position

AUDIT OFFICE, OTTAWA, December 7, 1923.

SIR,—A certificate was issued on September 6th, last, for the temporary employment in the Forestry Branch of the Interior Department, of Mr. Albert Helmer as Supervisor of Grazing Regulations for a period of six months from May 12th, 1923, at a salary of \$250 a month, under the provisions of sub-section 5 of section 23 of the Civil Service Act. On November 5th a second certificate was issued extending the employment of Mr. Helmer for a further period of six

SESSIONAL PAPER No. 1

months from November 12. Kindly advise me if the remuneration stated in these certificates was established by the Governor in Council as is required by the last clause of subsection 5.

I am of opinion that this subsection was intended to allow the employment for a short period only of persons possessing expert knowledge and that when the employment is to be continuous for an extended period, as in the present case, the position should be classed in the usual way.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Secretary, Civil Service Commission, Ottawa.

CIVIL SERVICE COMMISSION, OTTAWA, December 13, 1923.

DEAR SIR,—In reply to your letter of the 7th instant in connection with the employment, under Section 23 (5) of the Civil Service Act, of Mr. A. Helmer, Department of the Interior, I beg to inform you that the salary of \$250 per month was fixed by P.C. 22/1277 of July 10th, 1923.

It is not expected that this position will be maintained on its present basis for an extended period.

Yours truly,

WM. FORAN, *Secretary.*

WM. KEARNS, *Asst. Auditor General, Ottawa.*

Charges by Mr. T. H. Bartley in his Account for Survey Work in 1922-23.

AUDIT OFFICE, OTTAWA, November 22, 1923.

SIR,—I beg to ask your attention to an account which has been transmitted to me by your department, covering the expenses of survey work done in connection with Ordnance and Admiralty Lands during the fiscal year 1922-23 by Mr. T. H. Bartley of your department.

The amount of the account in question, omitting Mr. Bartley's pay is \$2,182.96 made up as follows:—

Allowances.. . . .	\$961 00	
Salary of assistant, etc..	972 50	
Transport expenses.. . . .	219 68	
Miscellaneous.. . . .	29 78	
		\$2,182 96

In connection with this account, however, the following payments, made from the vote for Ordnance lands, must be considered:—

Cheque No. 4347, (part) motor car mileage, June.. . . .	\$ 11 65
Cheque No. 3811, motor car mileage, July.. . . .	76 65
Cheque No. 4347, (part) motor car mileage, August.. . . .	44 70
Cheque No. 4729, motor car mileage, September.. . . .	101 70
	\$134 70

which bring the transport account up to \$354.38.

The period covered by the account is from June 9th, 1922, to February 15th, 1923, a period of 252 days, of which 119 are shewn by Mr. Bartley as having been spent in the field. The accounts show that Mr. Bartley was operating in Ottawa and vicinity from June 9th to October 10th, when he went to Toronto and Hamilton returning to Ottawa at the end of October. During the period

between June 9th and October 31st he appears to have travelled exclusively in his own automobile, with the exception of a short trip from Hamilton to Burlington and return, for which a charge of 45c. is made for rail fare. The total payments to him for the use of his automobile being \$341.10, made up of 2,274 miles at 15c. a mile.

I infer from the accounts for motor mileage that, while Mr. Bartley was working in the vicinity of Ottawa, he made Ottawa (where he lives) his headquarters, going out each morning to his work by car and returning each night. If such was the case I consider that he should have charged actual living expenses only, say one meal (or perhaps in some cases two) each day for himself and assistant. I find however that he charges \$4 a day for himself and \$4 for his assistant as living expenses, that being the authorized rate of allowance for a surveyor travelling with an assistant, but which I consider is not applicable in this case. In order to justify this claim I think that Mr. Bartley should be called upon to show that he and his assistant were actually away from Ottawa, without returning at nights, for the whole time for which the allowance is charged.

When Mr. Bartley went to Toronto and Hamilton in October, he evidently travelled in his car instead of by rail. This use of motor cars where there is good rail transportation should, in my opinion, not be allowed unless it can be clearly shown that there is a distinct saving either of time or money, or of both, in using a motor car.

I shall be glad if you will look carefully into the matter of the above charges as I feel indisposed to pass the account as it stands without fuller information regarding the charges objected to above.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister of the Interior, Ottawa.

Geodetic and Astronomical Surveys—Overpayments in Adjusting Salaries on Reclassification

AUDIT OFFICE, OTTAWA, June 12, 1923.

SIR,—In February last, when a number of your officials employed in the Geodetic Survey and the Astronomical Branches of your Department had the date of their permanency dated back by the Civil Service Commission from April 1st, 1921 to April 1st, 1919 a pay list was submitted to this office for the adjustment of the arrears. In that payroll the following officials were shown to be still overpaid to the extent of the amounts set after their names:—

A. J. Brabazon, overpaid.. . . .	\$ 27 50
W. M. Dennis, overpaid.. . . .	114 50
E. G. Gerard, overpaid.. . . .	7 35
T. C. Dennis, overpaid.. . . .	93 00
A. J. Rainboth, overpaid.. . . .	58 10
J. F. Dolan, overpaid.. . . .	33 07
Thos. Hackett, overpaid.. . . .	13 75

As these overpayments or any part of them do not appear as yet to have been recovered, I have to ask what action your department has taken or proposes to take with regard to the same.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister of the Interior, Ottawa.

DEPARTMENT OF THE INTERIOR, OTTAWA, June 21, 1923.

DEAR MR. KEARNS,—I beg to acknowledge the receipt of your letter of the 12th instant relating to overpayments made to a number of officials of the Geodetic Survey, Astronomical Surveys and International Boundary Surveys Branches in connection with adjustment of their salaries. In reply I am to state that the overpayments above referred to have been made under very special circumstances and are, more or less, the result of a misunderstanding of the exceptional features connected with the cases of these officials.

I wish to add, however, that an effort is being made to rectify these cases by the insertion of an item in the Supplementary Estimates for the current fiscal year, failing which steps will be taken at a later date to adjust the matter with the officers concerned.

Yours very truly,

W. W. CORY, D.M.

WM. KEARNS, Asst. Auditor General, Ottawa.

Emploment of Mr. D. W. Hays on North Saskatchewan Irrigation Project

AUDIT OFFICE, OTTAWA, June 8, 1923.

SIR,—I beg to ask your attention to the following payments made from your Irrigation Vote for 1922-23 to Mr. D. W. Hays.

Cheque No. 3548, issued on August 21st, is for a payment of \$2,191.65 for expenses and services in connection with a report on the North Saskatchewan Irrigation Project, as follows:—

Expenses between June 9th and July 21st.. . . .	\$ 191 65
Services, when travelling, 14 d. at \$50.. . . .	700 00
Study of data, and making report, 13 d. at \$100.	1,300 00
Total.. . . .	<u>\$2,191 65</u>

Cheque No. 7868, issued on April 5th, 1923, is for a payment of \$6,171.00 for inspection of plans, hydrometric records and report on Lethbridge South-East Project, as follows:—

Travelling expenses, Sept. 27th to Oct. 6th. \$20 25	
Travelling expenses, Jan. 12th to 13th.. . .	17 60
	<u>\$ 37 85</u>
Office expenses.. . . .	113 25
Services on trip of inspection, 8 d. at \$50.. . .	400 00
Services on study of water resources, general plans for project, and report, 55 d. at \$100.. . . .	5,500 00
Services of engineer, J. J. Walsh, on drafting and computations, 12 d. at \$10.. . . .	120 00
Total.. . . .	<u>\$6,171 10</u>

In each case there is a notation on the voucher to the effect that payment was authorized by the Minister.

Section 23, subsection 5, of the Civil Service Act is as follows—"The Commission may authorize the temporary employment, without a competitive or other examination, of persons possessed of professional, scientific, technical or other expert knowledge, whose services are required for work of an exceptional character, and the salary or other remuneration to be paid to any person so employed shall be such as the Governor in Council may prescribe."

It appears to me that the employment of Mr. Hays is one of the cases contemplated by this subsection, and that, accordingly, to legalize these payments, the authority of the Civil Service Commission must be obtained for Mr. Hays' employment, and the rates of pay must be approved by the Governor in Council.

In the second account, under the heading "Office Expenses" there is an item of \$73.00 for stenographic work. I should like to know the basis on which the amount is arrived at.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister of the Interior, Ottawa.

Jasper Park—Payment to Grand Trunk Pacific Railway in Connection with Dam and Pipe Line

AUDIT OFFICE, OTTAWA, May 29, 1923.

SIR,—Cheque No. 2468, issued on July 10th last, and charged against your appropriation for Canadian National Parks, is for a payment of \$1,000.02 to the Grand Trunk Pacific Railway Company, being the Government's proportion of the cost of dam and pipe line at Jasper, Alberta, less \$9,500 paid in March, 1912. A notation on the voucher submitted in support of this payment states that it was made in accordance with an agreement between your Department and the Grand Trunk Pacific Railway Company, and refers to a Departmental letter of March 15th, 1920, and to Mr. Hinton's reply of March 20th, 1920.

Kindly let me have a copy of the agreement entered into with the Railway Company, in connection with this work as well as of the letters referred to. It is usual to have all agreements of this nature, where a proportion only of the cost is paid by the government, authorized by Order in Council; was such authority obtained in this case? I have also to ask for an explanation of the delay in settling this claim, ten years having passed since the original advance was made.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister of the Interior, Ottawa.

DEPARTMENT OF THE INTERIOR, OTTAWA, June 9, 1923.

DEAR MR. KEARNS,—I am in receipt of your letter of the 29th ultimo, in connection with cheque No. 2468 issued on the 10th July last and as requested am attaching hereto a copy of the agreement entered into with the Grand Trunk Pacific Railway Company and copies of the exchange of letters between Mr. W. P. Hinton and the Commissioner of Canadian National Parks, with respect to the dam and pipe line constructed at Jasper, Alberta.

SESSIONAL PAPER No. 1

Regarding the ten years' delay in having final payment made to the Railway Company I may say that during this period the work was finally completed, but it took a great deal of time to arrive at the amount of the Department's share. When this was agreed upon the Department was not prepared to pay the balance until the Company had executed the agreement, which was only returned by the Company under cover of their letter of the 26th May, 1922.

Yours very truly,

W. W. CORY, *D.M.*

WM. KEARNS, Asst. Auditor General, Ottawa.

AUDIT OFFICE, OTTAWA, June 12, 1923.

SIR,—I beg to acknowledge receipt of your letter of the 9th inst., in reply to mine of the 29th ultimo, with regard to the agreement entered into by your department with the Grand Trunk Pacific Railway Company with respect to the dam and pipe line constructed at Jasper, Alberta.

In your reply you appear to have overlooked that part of my letter in which I state that "It is usual to have all agreements of this nature, where a proportion only of the cost is paid by the Government, authorized by Order in Council." I think it would be advisable to have this agreement ratified by obtaining an Order in Council covering the final payment.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister of the Interior, Ottawa.

Rocky Mountains Park—Overpayment to J. Glennon

AUDIT OFFICE, OTTAWA, June 20, 1923.

SIR,—I beg to ask your attention to the case of Mr. Joshua Glennon, who is employed by the Parks Branch of the Department of the Interior at Banff, Alta.

Mr. Glennon, whose salary at the time of the reclassification was \$1,200, was graded as Public Buildings Engineman Caretaker, for which position the original range of compensation was \$1,260, \$1,320, \$1,380, \$1,440. His salary for 1919-1920 was adjusted to \$1,260 in accordance with those rates and increased to \$1,320 for 1920-21.

Under Order in Council No. 1423, dated June 25th, 1920, the title of position was altered to Public Buildings Engineer Caretaker, and the range of compensation was changed to \$1,200, \$1,260, \$1,320. Notwithstanding the change in the compensation which reduced the maximum rate to \$1,320, your Commission in March 1921 approved of an increase to Mr. Glennon from \$1,320 to \$1,380, and again in March, 1922, approved of a further increase from \$1,380 to \$1,440. The consequence of authorizing these increases is that Mr. Glennon has been paid

\$60 more than the maximum of his class during the year 1921-22, \$120 more than the maximum during 1922-23 and \$20 more than the maximum during the first two months of the current fiscal year. As these overpayments were made in good faith by the Department of the Interior on the authority of certificates issued by your Commission, it is questionable if the overpayments can be legally recovered, but the certificates referred to above, authorizing the increases, should be cancelled and Mr. Glennon should revert to the present maximum of \$1,320.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Secretary, Civil Service Commission, Ottawa.

CIVIL SERVICE COMMISSION, OTTAWA, June 28, 1923.

SIR,—I beg to acknowledge receipt of your letter of the 20th instant, with reference to the salary of Mr. Joshua Glennon, Public Building Engineman Caretaker, Department of the Interior, at Banff, Alta. I am unable to explain how two increases above the maximum of the class could have been recommended for Mr. Glennon by the Department and approved by the Commission, and regret very much that such an error should have occurred. Under the circumstances, there appears to be nothing to do but to cancel the increases as suggested by you and put Mr. Glennon back to the present maximum of the class, namely \$1,320 per annum.

I am, Sir, your obedient servant,

W. FORAN, *Secretary.*

WM. KEARNS, *Asst. Auditor General, Ottawa.*

Rocky Mountains Park—Expenses with Indigent

AUDIT OFFICE, OTTAWA, May 26, 1923.

SIR,—Cheque No. 2042 issued at Banff on October 11th, 1922, and charged against your appropriation for Canadian National Parks is for an advance of \$175.00 to Mr. J. M. Dignall, park warden. The proceeds of this cheque were expended in connection with the removal of an indigent woman, Mrs. Wall, from Banff to Williams Lake, B.C., as follows:—

Canadian Pacific Railway, fares, etc.	\$77 00
Mrs. I. Stuart, police matron in charge of Mrs. Wall, expenses <i>en route</i> including \$20.00 for her own services.	98 00

As this expenditure is of somewhat an unusual nature, being in fact, to the best of my recollection, the first of its kind that has come before me in your accounts, I have to ask for a full explanation of the same.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister of the Interior, Ottawa.

INTERIOR DEPARTMENT, OTTAWA, June 8, 1923.

DEAR MR. KEARNS,—I am in receipt of your letter of the 26th ultimo, asking for an explanation of the expenditure incurred by the Canadian National Parks Branch in the removal of an indigent, Mrs. Wall, from Banff to Williams Lake, B.C.

In reply I may say that on the 20th September last the Superintendent of Rocky Mountains Park forwarded here a report from the Canmore detachment of the R.C.M.P., citing the circumstances in connection with Mrs. Wall's condition. She had been employed as housekeeper by a Mr. Pendergast and was stricken with paralysis on the 9th March, 1922. Mr. Pendergast had assumed responsibility for her care until August when he felt that he could not afford to do more and reported the matter to the police. As this department has charge of the municipal administration of townships in the park it has to assume the responsibility of a municipality with respect to indigents. Action was, therefore, immediately taken to communicate with Mrs. Wall's relatives and to place her under competent care in the meantime. Mrs. Wall's sister at Williams Lake agreed to take charge of her if we would send her to Williams Lake, B.C. This was done at an expense of \$175.00.

Since the 24th October the Canadian National Parks Branch has been endeavouring to secure a refund of this amount together with the sum of \$39.00 paid by cheque No. 2111 to Mrs. Richardson for thirteen days board, room and care of Mrs. Wall. It has been impossible to collect this amount from the relatives and action is now being taken to collect from the Provincial Authorities of British Columbia.

I trust this explanation will be satisfactory.

Yours very truly,

W. W. CORY, D.M.

WM. KEARNS, Asst. Auditor General, Ottawa.

AUDIT OFFICE, OTTAWA, June 23, 1923.

SIR,—In the letter of credit expenditure at Banff, during the month of May, last, by Mr. Stronach, Superintendent of the Rocky Mountains Park, I find the following payments:—

Cheque 201, May 9th, 1923.

City of Calgary, Hospitals Dept.

Hospital expenses for Joseph Arychuk in Mount View Hospital, Calgary, October 26th, 1920 to March 17th, 1921, 143 days at \$2.00 . . .		\$ 286 00
Pathological Fee		1 00
March 21st, 1921 to June 18th, 1921, 90 d. at \$2.		180 00
August 29th, 1921 to November 8th, 1922, 437 d. at \$2		874 00
Total		\$1,341 00

Cheque 202, May 9th, 1923.

Alberta Provincial Government, Dept. of Public Health

Charges for care of Joseph Arychuk, Canmore, in Central Sanitarium from January 5th, 1923 to April 30th, 1923, 116 days at \$3.00		\$ 348 00
---	--	-----------

As no explanation whatever is given of these charges further than a reference to a departmental letter authorizing the same, I have to request a full explanation of the circumstances connected with this case, together with your authority for paying the same from your Parks vote.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister of the Interior, Ottawa.

DEPARTMENT OF THE INTERIOR, OTTAWA, September 26, 1923.

SIR,—I beg to refer to your letter of the 23rd June, 1923, in which you call attention to two payments, amounting to \$1,689.00, made at Banff in connection with Joseph Arychuk, an indigent patient. In reply I am to point out that the Department of the Interior, as owners and administrators of the Dominion Parks, have to assume the same responsibility for indigent cases within the park areas as a municipality would under similar circumstances. A copy of a report from the Commissioner of Dominion Parks is enclosed herein for your information; the case of Joseph Arychuk is fully explained in all its details and, after perusal, you will no doubt admit that there was no other course open to the Department, but to pay the accounts.

Cases of this nature are bound to come up at various intervals and, in order that there may be no misunderstanding with regard to the settlement of the same, it is the intention to amend, in the next estimates, the wording of the appropriation for Canadian National Parks so as to cover such contingencies.

Yours very truly,

Northwest Territories—Advance to Mr. V. Stefanssen

AUDIT OFFICE, OTTAWA, November 9, 1923.

SIR,—On August 22nd, 1922, cheque No. 3593 was issued against your appropriation for North-West Territories, Explorations, in favour of V. Stefanssen for the amount of \$3,000. This cheque was issued under the authority of an Order in Council of August 21st, 1922, (P.C. 1735) which authorizes "that the sum of \$3,000 be advanced to Vilhjalmur Stefanssen to assist in providing for the relief of the four men who were left on Wrangel island."

As this payment was made as an *advance* to Mr. Stefanssen I infer that it was the intention of Council that he should render a statement of his expenditure of the same. No accounts covering this advance have, however, been received in this office, and I understand that no accounts have been received in your department. Kindly take steps to obtain a statement from Mr. Stefanssen showing how this money was expended.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister of the Interior, Ottawa.

DEPARTMENT OF THE INTERIOR, OTTAWA, November 19, 1923.

DEAR MR. KEARNS,—I have your letter of the 9th instant in which you suggest that we ask Mr. V. Stefanssen for an accounting for the advance of \$3,000.00 made to him to assist in providing for the relief of the four men who were left on Wrangel Island.

In reply, I may say that as Mr. Stefanssen is at present in the Old Country, we have written to the Stefanssen Arctic Exploration and Development Company, Vancouver, to whom the amount was paid over, asking them to furnish us with a statement as to how this money was expended.

Yours very truly,

W. W. CORY, D.M.

The wording of the vote from which these expenses were paid is "Salaries and expenses in connection with the administration of the North-West Territories, including the erection of buildings, etc." From the correspondence attached to certain of the vouchers for the above payments it appears that \$2,500 of this vote was reserved for the purchase of specimens. The establishment of

a museum can hardly be called part of the administration expenses, and although the wording of the vote is rather broad and indefinite I am of opinion that any proposed expenditure of this nature should have been specifically mentioned in the vote.

The payment of \$133 to Mr. J. F. Moran for articles purchased by him should be supported by receipts from the parties from whom they were bought.

I understand that the tobacco and other articles covered by the first four of the above payments were purchased for the trading for specimens with the natives; I should like to be officially informed that they were so used.

I notice that the account for tobacco purchased from the Lemesurier Tobacco Company was reduced from \$611.66 to \$312.56 although the quantity was not reduced. Kindly advise me of the reason of this large reduction.

I understand that these specimens are stored at present at the North-West Territories Branch of your department in the Transportation Building. I should like to know what ultimate disposal it is proposed to make of the same.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister of the Interior, Ottawa.

Northwest Territories—Purchase of Cigarettes, etc.

AUDIT OFFICE, October 26, 1923.

SIR,—Cheque No. 4297 issued on September 16th, 1922, and charged against the vote for North-West Government, Explorations, is for the payment of \$132.35 to Thos. Burns of Quebec for the following supplies:—

1,000 Players Cigarettes.. . . .	\$ 17 35
500 7-20-4 Cigars.. . . .	40 00
500 Benson and Hedges Cigars.. . . .	75 00
	<hr/>
	\$132 35

Although this is a very unusual item to be made a charge against public moneys, no explanation whatever is attached to the account as to why it should be so charged. I have, accordingly, to ask for a full explanation of this item, with the reasons for considering it a proper charge against the government. I notice that, while there are a number of certificates on the account, there is no certificate that the goods were actually received. Kindly have such certificate supplied.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister of the Interior, Ottawa.

DEPARTMENT OF THE INTERIOR, OTTAWA, November 15, 1923.

DEAR MR. KEARNS,—I have your letter of the 26th ultimo in which you question an item for cigars and cigarettes purchased for the C.G.S. 'Arctic' in July, 1922.

SESSIONAL PAPER No. 1

In reply I am enclosing you, herewith, copy of a memorandum submitted by Mr. J. D. Craig, Advisory Engineer, who has been in charge of the expeditions. Endorsed on this is the usual certificate that the goods were received and the prices fair and just.

We have found that for the small expenditure made in entertaining we have reaped great advantage in the matter of co-operation which is so essential to those on a hazardous expedition of this nature. It must also be borne in mind that the 'Arctic' is sent to the North primarily for the purpose of maintaining British Sovereignty in these Northern Islands and the Officer-in-Charge holds a commission which makes him the representative of the Canadian Government.

I trust that in view of the information now afforded you will be able to pass the account as rendered.

Yours very truly,

W. W. CORY, D.M.

WM. KEARNS, Asst. Auditor General, Ottawa.

DEPARTMENT OF THE INTERIOR, N.W.T. & YUKON, November 8, 1923.

Memorandum:

Mr. Marchand, Financial Controller.

Regarding the attached correspondence concerning cigars and cigarettes purchased for the C.G.S. "Arctic" in July, 1922, I may say that these goods were procured solely for official use on Government business.

A certain amount of entertaining is forced on the officer in charge of a northern expedition like this, when meeting other ships in port, or when exchanging courtesies with Post Managers or others at the various stops, and naturally the officer in charge cannot be expected to pay for this out of his own pocket.

These goods were thus used at Godhavn and Etah, Greenland, last year and this year, and at Ponds Inlet, Albert Harbour and Pangnirtug, and on other occasions. The cigarettes were all used, together with others purchased this year, and of the cigars some 450 still remain on hand.

(Sgd) J. D. CRAIG.

Allowance for use of Privately Owned Motor Cars

AUDIT OFFICE, December 19, 1923.

SIR,—It has been the practice, for some time back for your department, as well as for several other departments, to allow certain of the officials who own automobiles to use their own automobiles in connection with their official duties. Payment for the use of the cars has been made on a mileage basis, the original allowance being 15c. per mile which has been recently reduced to 11c. per mile; out of this allowance all expenses in connection with the maintenance and running of the car are to be paid.

The rates allowed by your department are, I presume, the result of a calculation into which enter the different items of expense connected with the car. I shall be glad if you will furnish me with a statement showing how these rates were arrived at.

The rapidly growing use of the automobile in the public service calls for a careful scrutiny of all charges in connection with the same, especially in the cases where the car is privately owned and an allowance based on mileage is paid. Kindly let me know what check you have on the charges for mileage; are the officials required to give full particulars of the various trips charged for by them, showing in detail the distance covered on each trip, and is a statement required from them that this mode of transportation was the most advantageous to the public service that was available?

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister of the Interior, Ottawa.

SESSIONAL PAPER No. 1

Frais de voyage des fonctionnaires d'Ottawa doivent être pris sur les fonds contingents du gouvernement civil

BUREAU DE L'AUDITEUR, 12 décembre 1923.

MONSIEUR,—Je désire attirer votre attention sur un arrêté en conseil du 7 novembre 1913 qui stipule que tous les frais de voyage des fonctionnaires d'Ottawa doivent être pris sur les fonds contingents du gouvernement civil de chacun des ministères intéressés.

En revoyant vos dépenses pour l'exercice 1922-23, je remarque que, dans nombre de cas, les frais de voyage des fonctionnaires d'Ottawa ont été payés à même les crédits extérieurs. Dans la grande majorité de ces cas les dépenses sont portées au même compte que la rétribution du fonctionnaire malgré que dans deux ou trois cas les dépenses d'un fonctionnaire du gouvernement civil aient été payées à même les crédits extérieurs.

Je désire vous faire remarquer que l'arrêté en conseil ci-dessus mentionné ne doit pas s'appliquer seulement aux dépenses des fonctionnaires payés à même les crédits du gouvernement civil, mais à tous les fonctionnaires d'Ottawa, y compris ceux qui sont rétribués au compte de crédits autres que ceux du gouvernement civil, mais qui travaillent à Ottawa.

Je demeure, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Paiement d'une allocation alimentaire à M. F. H. Peters

BUREAU DE L'AUDITEUR, OTTAWA, 13 décembre 1923.

MONSIEUR,—Le 23 juillet 1921, il a été adopté un arrêté en conseil (C.P. 83/2614) accordant à M. F. H. Peters, surintendant extérieur des travaux d'irrigation à Calgary, qui a été appelé à Ottawa pour remplir temporairement certains devoirs spéciaux au ministère de l'Intérieur, une allocation alimentaire de \$6 par jour, pour la durée de ces devoirs spéciaux à compter du 1er mars 1921.

Le 31 janvier 1922, un autre arrêté en conseil a été passé (C.P. 41/200) autorisant le paiement à M. F. H. Peters d'une somme de \$1,084.50, montant de ses dépenses de déménagement de Calgary à Ottawa. D'après les comptes produits à l'appui de sa réclamation, M. Peters semble avoir fait venir sa famille de Calgary à Ottawa au début du mois d'octobre 1921.

Malgré que M. Peters ait été remboursé de ses dépenses de déménagement depuis tout près de deux ans, le ministère de l'Intérieur a continué et continue encore à lui payer l'allocation de \$6 par jour, sous prétexte qu'il n'a pas encore été nommé d'une manière permanente à Ottawa, et qu'il reste encore surintendant extérieur des travaux d'irrigation, avec bureaux (nominalement) à Calgary.

Vu que cette allocation a été payée pendant une période très longue, je voudrais savoir si c'est l'intention de la Commission du Trésor d'approuver cette dépense aussi longtemps que M. Peters restera à Ottawa, malgré le fait qu'il a été remboursé de ses frais de déménagement depuis près de deux ans. Les derniers détails que je possède au sujet des paiements faits à M. Peters établissent un montant de \$5,850 pour allocation alimentaire, en outre de la somme de \$1,084.50 pour frais de déménagement.

Je vous envoie ci-inclus copie de la correspondance à ce sujet échangée entre ce bureau et le ministère de l'Intérieur.

Je demeure, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

J. C. SAUNDERS, secrétaire de la Commission du Trésor, Ottawa.

BUREAU DE L'AUDITEUR, OTTAWA, le 11 avril 1922.

MONSIEUR,—Un arrêté en conseil en date du 23 juillet 1921 autorise le paiement d'une allocation de subsistance de \$6 par jour depuis le 1er mars 1921 à M. F. H. Peters, surintendant régional de l'irrigation à Calgary, qui a été provisoirement appelé à Ottawa pour remplir certaines fonctions spéciales à votre ministère. On a continué de lui payer cette indemnité jusqu'à aujourd'hui. Un deuxième arrêté en conseil en date du 31 janvier 1922 autorise le paiement à M. Peters de la somme de \$1,084.50 représentant le montant de ses frais de déplacement causés par son transfert ici à Ottawa sans autre augmentation de traitement. Les comptes soumis par M. Peters démontrent que son ménage a été déménagé de Calgary à Ottawa au commencement du mois d'octobre 1921.

Je suis d'opinion que le transfert de M. Peters doit être considéré comme permanent à partir du moment que son ménage est parti de Calgary pour Ottawa et qu'il doit être prié de rembourser tous les paiements qu'il a reçus dans la suite en allocation de subsistance.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Le sous-ministre de l'Intérieur.

MINISTÈRE DE L'INTÉRIEUR, OTTAWA, le 9 mai 1922.

CHER MONSIEUR KEARNS,—J'ai votre lettre du 11 du mois dernier relativement à l'allocation de subsistance payée à M. F. H. Peters, surintendant régional de l'irrigation à Calgary, qui a été appelé à Ottawa afin d'aider à la réorganisation des services d'arpentages et je dois vous dire que c'est là une situation assez embrouillée dont la responsabilité n'est imputable à personne en particulier. Elle est le résultat des méthodes présentes concernant les nominations.

Dès que nous avons pris la décision de fusionner nos divers services d'arpentages sous la direction du Dr. Deville, arpenteur général, nous avons donné instruction à M. Peters de venir à Ottawa parce que nous étions convaincus que nous avions besoin des services d'un surintendant régional possédant à la fois l'expérience comme ingénieur et comme arpenteur. L'arrangement n'était que provisoire absolument, l'intention étant lorsque les services d'arpentages seraient classifiés de nommer M. Peters à une position permanente si ses services au cours du travail d'organisation étaient satisfaisants.

Vu qu'il a encouru des dépenses supplémentaires à cause de cela nous avons obtenu l'autorisation voulue pour le paiement d'une allocation de subsistance de \$6 par jour avec l'entente que cette allocation cesserait dès que le travail de réorganisation serait terminé et que la Commission du Service civil serait prête à régler la question de sa nomination permanente ici. Nous avons présentement une recommandation que nous avons faite à la Commission mais tant que cette

dernière ne se sera pas prononcée en la matière nous ne savons pas si M. Peters sera retenu ici d'une façon permanente et nous avons par conséquent continué à lui payer l'allocation de subsistance. En passant on pourrait faire remarquer qu'il n'y a eu personne de promu à la position de M. Peters à Calgary vu qu'il n'y aura réellement pas de vacance tant qu'il ne sera pas transféré permanemment à une autre position.

Je me rends bien compte qu'à votre point de vue le second arrêté en conseil autorisant le paiement à M. Peters de 1,084.50 comme frais de déménagement de Calgary à Ottawa, complique un peu la situation, mais je vous demanderais de laisser les choses dans leur état actuel et de nous donner le temps de voir ce que la Commission du Service civil est décidée de faire au sujet d'une position ici. Si la Commission devait consentir à nommer M. Peters à une position comportant un traitement plus élevé à partir de la date qu'il est entré en fonctions ici à Ottawa alors je suis persuadé que le ministère ne peut pas lui payer ses frais de déménagement. Cependant, en attendant que cette question soit réglée je ne crois pas juste de le forcer à rembourser ce qu'il a reçu mais au contraire on devrait continuer à lui payer l'allocation telle qu'autorisée par le conseil.

Bien à vous,

W. W. CORY, S.-M.

L'Auditeur général adjoint.

BUREAU DE L'AUDITEUR, OTTAWA, le 22 juin 1923.

MONSIEUR,—Je désire attirer votre attention sur ma lettre du 11 avril 1922 au sujet du paiement d'une allocation de subsistance de \$6 par jour à M. F. H. Peters, surintendant régional de l'irrigation à Calgary, qui a été appelé à Ottawa étant nommé temporairement à certaines fonctions spéciales dans votre ministère.

Dans votre réponse du 9 mai 1922 vous dites que cette allocation devait cesser une fois le travail de réorganisation terminé et que la Commission serait prête à décider la question de sa nomination permanente ici. Vous dites de plus qu'au moment de votre réponse vous aviez fait à la Commission une recommandation et que vous ne saviez pas, tant que la Commission n'aurait pas rendu sa décision, si M. Peters serait retenu permanemment à Ottawa et que par conséquent l'allocation de subsistance lui était encore payée.

Bien qu'il se soit écoulé plus de treize mois depuis que cette lettre a été écrite je constate que M. Peters retire encore l'allocation en question malgré le fait que sa famille et son ménage aient été déménagés à Ottawa au commencement d'octobre 1921 entraînant une dépense pour le gouvernement de \$1,084.50.

Le relevé suivant indique brièvement les paiements effectués à M. Peters sous ce rapport:

Allocation de subsistance pendant son séjour à Ottawa du 1er mars 1921 au 31 mai 1923, 822 jrs.	
à \$6 par jour.	\$4,932 00
Frais de déménagement, famille et ménage, de Calgary à Ottawa.	1,084 50
	<hr/>
	\$6,016 50

Je crois que vous devriez immédiatement voir au règlement du statut de M. Peters et que le paiement de l'allocation de subsistance ne doit pas se poursuivre indéfiniment.

Je demeure, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Le sous-ministre de l'Intérieur, Ottawa.

MINISTÈRE DE L'INTÉRIEUR, OTTAWA, le 9 juillet 1923.

MONSIEUR,—Je vous accuse réception de votre lettre du 22 du mois dernier relativement au paiement d'une allocation de subsistance de \$6 par jour à M. F. H. Peters et je dois vous informer que le cas de ce fonctionnaire n'a pas encore été réglé définitivement par la Commission. Pour votre propre renseignement je puis vous dire qu'un arrêté en conseil a été adopté le 5 juin 1923 créant les deux positions majeures dans l'Office des Arpentages et la Commission procède aussi rapidement que possible au travail de réorganisation des divisions fusionnées.

La position de M. Peters n'a pas sensiblement changé depuis ma lettre que je vous envoyais le 9 mai 1922 et bien qu'il remplisse les fonctions de directeur général adjoint des arpentages, le ministère n'est aucunement assuré qu'il sera définitivement nommé à cette position. Dès que la Commission aura approuvé la nomination de M. Peters le paiement de l'allocation de subsistance sera discontinué, mais en attendant nous croyons qu'il n'est que juste d'en continuer le paiement.

Il est bien malheureux que le règlement de cette question ait subi tant de retards mais cela est dû à des causes qui échappent au contrôle de ce ministère.

Bien à vous,

R. A. GIBSON, *S.-M. int.*

WM. KEARNS, Auditeur général adjoint, Ottawa.

CONSEIL DE LA TRÉSORERIE, OTTAWA, 10 janvier 1924.

CHER MONSIEUR,—J'accuse réception de votre lettre, datée le 13 du mois dernier, concernant la continuation du paiement d'une allocation de subsistance à M. F. H. Peters du ministère de l'Intérieur.

Le Conseil de la Trésorerie, après avoir étudié avec soin les circonstances particulières de ce cas et s'être rendu compte que M. Peters retournera sous peu à Calgary, est d'avis que l'on peut continuer à lui payer son allocation de subsistance jusqu'au moment de son départ d'Ottawa.

Bien à vous,

J. C. SAUNDERS, *secrétaire.*

WM. KEARNS, Auditeur général adjoint.

Nomination de M. A. Helmer, à une position non classifiée

BUREAU DE VÉRIFICATION, OTTAWA, 7 décembre 1923.

MONSIEUR,—Le 6 septembre dernier, vous avez émis un certificat pour l'emploi temporaire, dans la division de sylviculture, ministère de l'Intérieur, de M.

SESSIONAL PAPER No. 1

Albert Helmer, comme surveillant de l'application des règlements concernant les pâturages, pendant une période de six mois, à compter du 12 mai 1923, à un traitement de \$250 par mois, suivant les dispositions du paragraphe 5 de l'article 23 de la Loi du service civil. Le 5 novembre, vous avez émis un nouveau certificat prolongeant l'emploi de M. Helmer pour une nouvelle période de six mois à partir du 12 novembre. Veuillez me dire si la rémunération fixée dans les certificats a été établie par le Gouverneur en conseil tel que requis par la dernière clause du paragraphe 5.

Je suis d'avis que ce paragraphe avait pour but de permettre l'emploi temporaire, pour une courte période, des seules personnes possédant des connaissances d'expert et que, lorsque l'emploi doit durer, comme dans le cas présent, la position devrait être classifiée de la façon ordinaire.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Le secrétaire de la Commission du Service civil.

COMMISSION DU SERVICE CIVIL, OTTAWA, 13 décembre 1923.

CHER MONSIEUR,—En réponse à votre lettre du 7 courant relativement à l'emploi de M. A. Helmer, au ministère de l'Intérieur, en vertu du paragraphe 23 (5) de la Loi du service civil, je désire vous informer que le traitement de \$250 par mois a été fixé par le décret C.P. 22/1277 du 10 juillet 1923.

Nous ne nous attendons pas de maintenir cette position sur la base actuelle.

Votre tout dévoué,

WM. FORAN, *secrétaire.*

WM. KEARNS, Auditeur général adjoint, Ottawa.

Frais de M. T. H. Bartley, dans son compte pour travaux d'arpentages en 1922-23

BUREAU DE VÉRIFICATION, OTTAWA, 22 novembre 1923.

MONSIEUR,—J'appelle respectueusement votre attention sur un compte que votre département m'a transmis touchant les dépenses pour travaux d'arpentages accomplis sur les terres de l'artillerie et l'amirauté pendant l'exercice 1922-23 par M. T. H. Bartley, de votre ministère.

Le compte en question, à part le traitement de M. Bartley, est de \$2,182.96, réparti comme suit:—

Allocations.. . . .	\$961 00
Salaire de l'assistant, etc.. . . .	972 50
Frais de transport.. . . .	219 68
Divers.. . . .	29 78
	<hr/>
	\$2,182 96

A propos de ce compte, les paiements suivants, effectués à même le crédit des terres de l'artillerie, doivent entrer en compte:—

Chèque n° 4347, (partie) transport en auto, juin.	\$ 11 65
Chèque n° 3811, transport en auto, juillet.	76 65
Chèque n° 4347, (partie) transport en auto, août.	44 70
Chèque n° 4729, transport en auto, septembre.	101 70
	<hr/>
	\$134 70

ce qui élève le compte du transport à \$354.38.

La période couverte par le compte va du 9 juin 1922 au 15 février 1923, période de 252 jours, dont M. Bartley dit avoir passé 119 en campagne. Ces comptes montrent que M. Bartley travaillait à Ottawa et aux environs du 9 juin au 10 octobre et qu'il est allé à Toronto et à Hamilton puis est revenu à Ottawa à la fin d'octobre. Entre le 9 juin et le 31 octobre, il semble avoir voyagé exclusivement avec son auto, sauf pour un court voyage de Hamilton à Burlington aller et retour, voyage pour lequel il réclame 45c. pour voyage en wagon. Le total des paiements qui lui ont été faits pour l'usage de son automobile est de \$341.10, représentant 2,274 milles à 15c. du mille.

D'après ces comptes pour transport en auto, je conclus que, tandis que M. Bartley travaillait dans le voisinage d'Ottawa, il demeurait chez lui à Ottawa et partait tous les matins en auto pour aller à son ouvrage. Dans ce cas, je crois qu'il aurait dû réclamer simplement ses frais de table, par exemple, un repas ou peut-être deux par jour, pour lui-même et son aide. Mais je constate qu'il demande \$4 par jour pour lui-même et \$4 pour son aide, taux autorisé pour un arpenteur voyageant avec un auxiliaire. Je ne crois pas que ce taux s'applique dans le cas présent. Afin de justifier cette réclamation, je crois qu'il importerait de demander à M. Bartley de prouver que lui et son assistant étaient en dehors d'Ottawa, qu'ils ne revenaient pas le soir, et cela pendant toute la période où il réclame l'allocation.

Lorsque M. Bartley est allé à Toronto et à Hamilton, en octobre, il a évidemment pris sa voiture plutôt que le train. Cet emploi de l'auto lorsqu'il y a de bons chemins de fer, à mon avis, ne doit pas être permis, à moins qu'il ne soit évident qu'il y a une économie de temps ou d'argent ou des deux.

Je serais heureux que vous examiniez ces frais, car je me sens peu disposé à passer ce compte tel quel, sans plus de renseignements.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, A.G. adj.

Levés géodésiques et astronomiques—surpayes et rajustement des traitements d'après la reclassification.

BUREAU DE VÉRIFICATION, OTTAWA, le 12 juin 1923.

MONSIEUR,—En février dernier, alors qu'un certain nombre de vos fonctionnaires des divisions des levés géodésiques et astronomiques obtinrent de la Commission du Service civil une permanence rétroactive du 1er avril 1921 au 1er

SESSIONAL PAPER No. 1

avril 1919, un bordereau des traitements nous a été transmis pour le rajustement des arrérages. Ce bordereau indiquait que les fonctionnaires suivants avaient reçu en trop les sommes indiquées en regard de leurs noms:—

	Payé en trop
A. J. Brabazon..	\$ 27 50
W. M. Dennis..	114 50
E. G. Gerard..	7 35
T. C. Dennis..	93 00
A. J. Rainboth..	58 10
F. J. Dolan..	33 07
Thos. Hackett..	13 75

Comme ces surpayes ne paraissent pas avoir été recouvrées, soit en totalité soit en partie, je dois vous demander quelle mesure votre ministère a prise ou se propose de prendre à ce sujet.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Le sous-ministre de l'Intérieur, Ottawa.

MINISTÈRE DE L'INTÉRIEUR, OTTAWA, 21 juin 1923.

CHER M. KEARNS,—J'accuse réception de votre lettre du 12 courant relative-ment aux paiements faits en trop à un certain nombre de fonctionnaires des services des levés géodésiques et astronomiques et des frontières internationales à propos du rajustement de leurs traitements. Je dois dire que ces surpayes ont été faites dans des circonstances très spéciales et résultent plus ou moins d'un malentendu sur les particularités exceptionnelles des cas de ces fonctionnaires.

Mais je désire ajouter que nous essayerons de rectifier ces erreurs en plaçant un crédit dans le budget supplémentaire de l'exercice courant. Si nous n'y parvenons pas, nous prendrons des mesures plus tard pour rajuster l'affaire avec les fonctionnaires intéressés.

Votre tout dévoué,

W. W. CORY, *S.-M.*

Emploi de M. D. W. Hays pour un project d'irrigation dans le nord de la Saskatchewan

BUREAU DE L'AUDITEUR, OTTAWA, 8 juin 1923.

MONSIEUR,—Je désire attirer votre attention sur les paiements suivants faits à M. D. W. Hays à même le crédit pour irrigation de 1922-23.

Le chèque n° 3548, émis le 21 août, est destiné à couvrir un montant de \$2,191.65 pour dépenses et services au sujet d'un rapport sur le projet d'irrigation dans le nord de la Saskatchewan, comme suit:

Dépenses du 9 juin au 21 juillet..	\$ 191 65
Services en voyage, 14 j. à \$50..	700 00
Etude des données et rédaction du rapport, 13 j. à \$100..	1,300 00
Total..	<u>\$2,191 65</u>

Le chèque n° 7868, émis le 5 avril 1923, doit payer un montant de \$6,171.00 pour examen des plans, des levés hydrométriques et rédaction d'un rapport sur un projet d'irrigation au sud-est de Lethbridge, comme suit:

Frais de voyage, 27 sept. au 6 oct.	\$20 25	
Frais de voyage, 12 janv. au 13 janv.	17 60	
		\$ 37 85
Dépenses de bureau		113 25
Services en voyage d'inspection, 8 j. à \$50		400 00
Services pour étude des ressources hydrauliques, pour plans du projet et rédaction du rapport, 55 j. à \$100		5,500 00
Services d'un ingénieur, J. J. Walsh, pour dessins et calculs, 12 j. à \$10		120 00
Total	\$6,171 10	

Dans chaque cas, on trouve sur la pièce justificative une note expliquant que le paiement a été autorisé par le ministre.

Le paragraphe 5 de l'article 23 de la Loi du service civil stipule ce qui suit: "La Commission peut, sans examen de concours ou autre, autoriser l'emploi temporaire de personnes ayant des connaissances professionnelles, scientifiques, techniques, ou d'autres experts dont les services sont requis pour un travail d'une nature exceptionnelle, et le Gouverneur en conseil peut prescrire le salaire ou autre rémunération à payer à toute personne ainsi employée."

Il me semble que l'emploi de M. Hays est l'un des cas visés par ce paragraphe, et que, par conséquent, pour légaliser ces paiements, il faudra l'autorisation de la Commission du Service civil pour l'emploi de M. Hays, et faire approuver le taux de rétribution par arrêté en conseil.

Dans le deuxième compte, sous la rubrique "Dépenses de bureau", il y a un article de \$73.00 pour travail de sténographe. J'aimerais à savoir sur quelle base on a calculé ce montant.

Je demeure, monsieur, votre obéissant serviteur,

Parc Jasper—Paiement au chemin de fer du Grand-Tronc-Pacifique au sujet d'un barrage et d'une canalisation

BUREAU DE L'AUDITEUR, OTTAWA, 29 mai 1923.

MONSIEUR,—Le chèque n° 2468, émis le 10 juillet dernier, et imputé à votre crédit pour parcs nationaux du Canada, couvre un montant de \$1,000.02 en faveur du Grand-Tronc-Pacifique, destiné à défrayer la part du gouvernement dans le coût d'un barrage et d'une canalisation à Jasper, Alberta, moins \$9,500 payé en mars 1912. Une note sur la pièce justificative soumise à l'appui de ce paiement explique que ce paiement est effectué conformément à une entente entre votre ministère et le Grand-Tronc-Pacifique et mentionne une lettre de votre ministère en date du 15 mars 1920, et la réponse de M. Hinton datée du 20 mars 1920.

SESSIONAL PAPER No. 1

Veillez me faire parvenir copie de ce contrat passé avec la compagnie du chemin de fer au sujet de cet ouvrage, ainsi que des lettres ci-dessus mentionnées. D'ordinaire les contrats de cette nature, comportant une part à payer par le gouvernement, sont autorisés par arrêté en conseil; cette procédure a-t-elle été suivie dans ce cas? J'aimerais aussi à avoir une explication du retard apporté à régler cette réclamation, dix années s'étant écoulées depuis la première avance faite.

Je demeure, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Au sous-ministre de l'Intérieur, Ottawa.

MINISTÈRE DE L'INTÉRIEUR, OTTAWA, 9 juin 1923.

CHER M. KEARNS,—J'ai reçu votre honorée du 29 dernier au sujet du chèque n° 2468, émis le 10 juillet dernier, et conformément à votre demande, vous trouverez ci-joint copie du contrat intervenu entre ce ministère et la compagnie du chemin de fer Grand-Tronc-Pacifique, et copie de la correspondance échangée entre M. W. P. Hinton et le commissaire des terres nationaux du Canada, au sujet du barrage et de la canalisation construits à Jasper, Alberta.

Au sujet du délai de dix années pour effectuer le paiement final à la compagnie de chemin de fer, je puis dire que durant cette période l'ouvrage a été complété, mais il a fallu beaucoup de temps pour établir la part du gouvernement. Quand cette quantité a été fixée, le ministère n'était pas prêt à faire le paiement final tant que la compagnie n'eût pas exécuté complètement le contrat, condition qui a été remplie par le rapport de la compagnie dans sa lettre du 26 mai 1922.

Votre bien dévoué,

W. W. CORY. *S.-M.*

WM. KEARNS, Auditeur général adjoint, Ottawa.

BUREAU DE L'AUDITEUR GÉNÉRAL, OTTAWA, le 12 juin 1923.

MONSIEUR,—J'ai l'honneur d'accuser réception de votre lettre en date du 9 du mois courant, répondant à ma lettre du 29 du mois écoulé, ayant trait à l'entente consentie entre votre ministère et la compagnie du chemin de fer Grand-Tronc-Pacifique au sujet de la digue et du posage des conduites à Jasper, Alta.

Dans votre réponse vous semblez avoir oublié cette partie de ma lettre où je déclare "qu'il est d'usage de faire autoriser par un arrêté en conseil toutes les ententes de ce genre dans lesquelles une partie seulement du coût de construction est payée par l'Etat". Je crois qu'il serait préférable de faire ratifier cette entente par un arrêté en conseil autorisant le paiement final.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Le sous-ministre de l'Intérieur, Ottawa.

Parc des Montagnes Rocheuses—Plus-payé à J. Glennon

BUREAU DE L'AUDITEUR GÉNÉRAL, OTTAWA, 20 juin 1923.

MONSIEUR,—J'ai l'honneur d'attirer votre attention sur le cas de M. Joshua Glennon, employé au service de la division des Parcs du ministère de l'Intérieur, à Banff, Alta.

M. Glennon, dont les appointements lors de la reclassification étaient de \$1,200, a été placé dans la classe des mécaniciens-concierges d'édifices publics, position à laquelle est attachée un salaire initial de \$1,260, augmentant à \$1,320, \$1,380 et \$1,440. Pour l'année 1919-20, les appointements de ce monsieur ont été portés à \$1,260, conformément à cette classification, puis augmentés à \$1,320 pour l'année 1920-21.

En vertu de l'arrêté en conseil n° 1423, en date du 25 juin 1920, le titre de cette position a été changé en celui de mécanicien-concierge d'édifices publics et les appointements attachés à cette position ont été fixés à \$1,200, \$1,260, \$1,320. Nonobstant cette modification des appointements qui réduisait le maximum à \$1,320, votre Commission, au mois de mars 1921, a autorisé l'augmentation des appointements de M. Glennon de \$1,320 à \$1,380 et de nouveau, au mois de mars 1922, de \$1,380 à \$1,440. Par suite de l'autorisation accordée lors de cette augmentation il s'en suit que M. Glennon a touché \$60 de plus que le maximum de sa classe en 1921-22, \$120, de plus que le maximum en 1922-23, et \$20 de plus que le maximum pendant les deux premiers mois du présent exercice. Comme ces plus-payés ont été faits de bonne foi par le ministère de l'Intérieur sur la foi de certificats émis par votre Commission, je doute fort que ces plus-payés puissent légalement être recouvrés, mais les certificats en question autorisant ces augmentations devraient être annulés et M. Glennon ne devrait toucher à l'avenir que le maximum actuel de sa classe, soit \$1,320.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Le secrétaire, Commission du Service civil, Ottawa.

COMMISSION DU SERVICE CIVIL, OTTAWA, le 28 juin 1923.

MONSIEUR,—J'ai bien l'honneur d'accuser réception de votre lettre en date du 20 du mois courant ayant trait aux appointements de M. Joshua Glennon, mécanicien-concierge d'édifices publics, ministère de l'Intérieur, à Banff, Alta. Il m'est impossible d'expliquer le fait que deux augmentations au delà du maximum de la classe ont pu être recommandées en faveur de M. Glennon par le ministère et approuvées par la Commission, et je regrette beaucoup qu'une telle erreur se soit produite. Dans les circonstances, il semble n'y avoir d'autre alternative que celle d'annuler, comme vous le recommandez, les augmentations et de remettre M. Glennon au maximum actuel de la classe, soit \$1,320 par année.

Je suis, monsieur, votre obéissant serviteur,

WM. FORAN, *secrétaire.*

SESSIONAL PAPER No. 1

Parc des Montagnes Rocheuses—dépenses relatives à une indigente

BUREAU DE L'AUDITEUR GÉNÉRAL, OTTAWA, le 26 mai 1923.

MONSIEUR,—Le chèque n° 2042 émis à Banff, le 11 octobre 1922, et imputé à même votre crédit pour les Parcs nationaux du Canada est pour une avance de \$175.00 à M. J. M. Dignall, le directeur du parc. Le produit de ce chèque a été dépensé relativement au transport d'une femme indigente, Mme Wall, de Banff à Williams Lake, C.-B., comme suit:

Chemin de fer Pacifique-Canadien, passages, etc. . . .	\$77 00
Mme I. Stuart, surveillante de la police ayant la charge de Mme Wall, dépenses <i>en route</i> y compris \$20.00 pour ses propres services.	98 00

Comme ce déboursé est d'un caractère quelque peu extraordinaire, étant de fait, au meilleur de mon souvenir, le premier de ce genre dont j'ai eu connaissance dans vos comptes, je dois vous en demander des explications détaillées.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Au sous-ministre de l'Intérieur, Ottawa.

MINISTÈRE DE L'INTÉRIEUR, OTTAWA, le 8 juin 1923.

CHER M. KEARNS,—Je reçois votre lettre du 26 dernier, me demandant des explications touchant les dépenses faites par la division des Parcs nationaux pour le transport d'une indigente, Mme Wall, de Banff à Williams Lake, C.-B.

En réponse je puis vous dire que le 20 septembre dernier, le surintendant du parc des Montagnes Rocheuses envoya ici un rapport provenant du détachement de Canmore de la R. G. à cheval C., énumérant les circonstances ayant trait à l'état dans lequel se trouvait Mme Wall. Elle avait été employée en qualité de ménagère par un M. Pendergast et fut frappée de paralysie le 9 mars 1922. M. Pendergast avait assumé la responsabilité des soins à lui donner jusqu'au mois d'août, alors qu'il a cru ne pas pouvoir faire davantage et il en informa la gendarmerie. Comme ce ministère a la direction de l'administration municipale des emplacements de ville dans le parc, il faut qu'il assume la responsabilité inhérente à une municipalité en ce qui concerne les indigents.

On prit donc des mesures immédiates afin de communiquer avec les parents de Mme Wall et de lui donner les soins voulus dans l'intervalle. La sœur de Mme Wall à Williams Lake, consentit à la recevoir si nous voulions l'envoyer à Williams Lake, C.-B. Cela se fit et les déboursés s'élevèrent à \$175.00.

Depuis le 24 octobre la division des Parcs nationaux du Canada essaie d'obtenir le remboursement de cette somme, de même que celui des \$39.00 payés par chèque n° 2111 à Mme Richardson pour le logement, la pension et les soins donnés à Mme Wall. Il a été impossible de percevoir ce montant de ses parents, et on est actuellement à prendre des mesures afin de le percevoir des autorités provinciales de la Colombie-Britannique.

J'espère que ces explications vous satisferont.

Très cordialement à vous,

W. W. CORY, *S.-M.*

WM. KEARNS, Auditeur général adjoint, Ottawa.

BUREAU DE L'AUDITEUR GÉNÉRAL, OTTAWA, le 23 juin 1923.

MONSIEUR,—Parmi les déboursés imputés à la lettre de crédit et effectués à Banff, au mois de mai dernier par M. Stronach, surintendant du parc des Montagnes rocheuses, je relève les versements suivants:

Chèque n° 201, 9 mai 1923.

Ville de Calgary, service des hôpitaux

Frais d'hôpitaux en faveur de Joseph Arychuk payés à l'hôpital de Mount-View, à Calgary, du 26 octobre 1920 au 17 mars 1921, 143 j. à \$2.. . .	\$ 286 00
Honoraire du pathologiste..	1 00
Du 21 mars 1921 au 18 juin 1921, 90 j. à \$2.. . . .	180 00
Du 29 août 1921 au 8 nov. 1922, 437 j. à \$2.. . . .	874 00
Total..	<u>\$1,341 00</u>

Chèque n° 202, le 9 mai 1923.

Gouvernement provincial de l'Alberta, ministère de la Santé

Frais pour soins à Joseph Arychuk, à Canmore, au Sanatorium Central, du 5 janvier 1923 au 30 avril 1923, 116 jours à \$3..	\$ 348 00
--	-----------

Comme aucune explication n'est donnée de ces paiements, si ce n'est la mention d'une lettre du ministère vous autorisant à les effectuer, je dois vous demander de me donner une explication complète des circonstances relatives à ce cas et de me dire sur quelle autorité vous vous appuyez pour imputer cette dépense au crédit des parcs.

J'ai l'honneur d'être, monsieur, votre obéissant serviteur,

WM. KEARNS, A.G. adj.

Le sous-ministre de l'Intérieur, Ottawa.

MINISTÈRE DE L'INTÉRIEUR, OTTAWA, le 26 septembre 1923.

MONSIEUR,—En réponse à votre lettre du 23 juin 1923, dans laquelle vous attirez mon attention sur deux versements, au total de \$1,689.00, en faveur de Joseph Arychuk, un patient indigent, je dois vous dire que le ministère de l'Intérieur, en qualité de propriétaire et d'administrateur des parcs fédéraux, doit assumer la même responsabilité, vis-à-vis les indigents qui demeurent dans les limites des parcs, qui incombe à la municipalité dans des circonstances semblables. Je vous envoie, pour votre information, un exemplaire du rapport du commissaire des parcs fédéraux. Le cas de Joseph Arychuk y est expliqué dans tous ces détails; après en avoir pris connaissance vous conviendrez sans doute que le ministère n'avait pas d'autre alternative que de payer les comptes.

SESSIONAL PAPER No. 1

Des cas de ce genre surviendront nécessairement de temps à autre, et, afin d'éviter tout malentendu quant à leur règlement nous avons l'intention de modifier, dans le prochain budget, le libellé du crédit des Parcs nationaux de façon à lui faire couvrir ces cas éventuels.

Votre tout dévoué,

R. R. GIBSON, *S.-M. adj.*

WM. KEARNS, Auditeur général adjoint, Ottawa.

Territoires du Nord-Ouest—Avance à M. Stefanssen

BUREAU DE VÉRIFICATION, OTTAWA, le 9 novembre 1923.

MONSIEUR,—Le 22 août 1922, le chèque n° 3593, sur votre crédit des territoires du Nord-Ouest, explorations, était émis en faveur de V. Stefanssen au montant de \$3,000. Ce chèque était émis en vertu du décret du 21 août 1922 (C.P. 1735) qui autorise que la somme de \$3,000 soit avancée à Vilhjalmur Stefanssen pour l'aider à "aller secourir les quatre hommes qui ont quitté l'île Wrangel".

Comme ce paiement était une avance faite à M. Stefanssen, j'en conclus que le conseil désirait qu'il rende compte des dépenses qu'il ferait à même ce chèque. Nous n'avons pas encore reçu de compte au sujet de ce débours et je présume que votre département n'en a pas non plus. Veuillez prendre les mesures pour obtenir de M. Stefanssen un compte rendu de l'argent qu'il a dépensé.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Le sous-ministre de l'Intérieur, Ottawa.

MINISTÈRE DE L'INTÉRIEUR, OTTAWA, le 19 novembre 1923.

CHER M. KEARNS,—J'ai reçu votre lettre du 9 courant dans laquelle vous suggérez de demander compte à M. Stefanssen de l'avance de \$3,000 qui lui a été faite pour l'aider à aller secourir les quatre hommes qui ont quitté l'île Wrangel.

M. Stefanssen étant présentement en Europe, nous avons écrit à la *Stefanssen Arctic Exploration and Development Company*, Vancouver, à laquelle cette somme a été versée, lui demandant de nous fournir un état indiquant comment cette somme a été dépensée.

Votre tout dévoué,

W. W. CORY, *S.-M.*

WM. KEARNS, Auditeur général adjoint, Ottawa.

Territoires du Nord-Ouest—Achat de pièces de musée

BUREAU DE VÉRIFICATION, OTTAWA, le 2 novembre 1923.

MONSIEUR,—En examinant votre dépense de l'exercice 1922-23, pour l'administration du Nord-Ouest, je trouve les paiements suivants destinés à acheter des articles de curiosité en vue de l'établissement d'un musée:

Le 5 septembre 1922, chèque 4015, Lemesurier Tobacco Co., 504 livres de tabac.	\$ 312 56
Le 5 septembre 1922, chèque 4016, Thibaudeau Frères & Co., articles de vêtements, etc.	70 19
Le 5 septembre 1922, chèque 4039, Chinic Hardware Co., couteaux, scies, etc.	42 29
Le 9 septembre 1922, chèque 4125, Jos. Amyot & Fils, divers petits objets.	79 60
Le 30 septembre 1922, chèque 4641, O. S. Finnie, spécimens achetés par lui.	90 00
Le 18 novembre 1922, chèque 5449, D'Arcy Arden, spécimens.	136 50
Le 18 novembre 1922, chèque 5450, J. F. Moran, spécimens achetés par lui.	133 00
Le 9 janvier 1923, chèque 6225, Oliver Spanner & Co., préparation de 2 peaux de rat musqué. . .	12 00
Le 15 janvier 1923, chèque 6378, J. B. Laliberté, empaillage de 3 ours blancs.	15 00
Divers spécimens achetés par L. T. Burwash et payés par lui à même ses avances.	472 00
Alberta and Arctic Transportation Co., transport. .	6 25
Total.	<u>\$1,369 39</u>

Le libellé du crédit sur lequel on a payé ces dépenses est celui-ci: "Traitements et dépenses pour l'administration des territoires du Nord-Ouest, y compris la construction d'édifices, etc." D'après la correspondance attachée à certaines pièces justificatives des paiements ci-dessus, il appert que \$2,500 de ce crédit a été réservé à l'achat de spécimens. L'établissement d'un musée peut difficilement compter comme une dépense d'administration, et bien que le libellé du crédit soit plutôt large et indéfini, je suis d'avis que toute dépense de cette nature devrait être mentionnée spécialement dans le crédit.

Le paiement de \$133 à J. F. Moran pour les articles achetés par lui devrait être attesté par des reçus des personnes qui lui ont vendu.

Je comprends que le tabac et les autres articles couverts par les quatre premiers paiements ont été achetés pour les fins de la traite des spécimens avec les indigènes. J'aimerais être officiellement informé que ces articles ont servi à ces fins.

Je remarque que le tabac acheté de "Lemesurier Tobacco Company" a été réduit de \$611.66 à \$312.56, bien que la quantité n'ait pas été réduite. Veuillez m'indiquer la raison de cette forte réduction.

Je comprends que ces spécimens sont actuellement emmagasinés dans la division de votre ministère affectée aux territoires du Nord-Ouest, dans l'édifice Transportation. J'aimerais savoir ce qu'on doit en faire.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, A.G. adj.

Le sous-ministre de l'Intérieur, Ottawa.

Territoires du Nord-Ouest—Achat de cigarettes, etc.

BUREAU DE L'AUDITEUR, 26 octobre 1923.

MONSIEUR,—Le chèque n° 4297, émis le 16 septembre 1922, et imputé au crédit du gouvernement des Territoires du Nord-Ouest pour explorations, est destiné à couvrir un achat fait de Thos. Burns, de Québec, au montant de \$132.35 pour les articles suivants:

1,000 cigarettes Players.	\$ 17 35
500 cigares 7-20-4.	40 00
500 cigares Benson et Hedges.	75 00
	<hr/>
	\$132 35

Malgré que cet achat aux frais du public paraisse assez étrange, il n'est donné aucune explication sur les raisons qui ont amené une telle dépense imputable à ce crédit. C'est pourquoi, je dois vous demander des explications à ce sujet, afin de savoir comment cette dépense a pu être imputée au gouvernement. Je remarque que dans le nombre de certificats relatifs au compte, il manque le certificat de réceptionnement des marchandises. Veuillez me faire parvenir ce dernier.

Je demeure, monsieur, votre obéissant serviteur,

WM. KEARNS, A.G. adj.

Au sous-ministre de l'Intérieur, Ottawa.

MINISTÈRE DE L'INTÉRIEUR, OTTAWA, 15 novembre 1923.

CHER M. KEARNS,—J'ai votre honorée du 26 dernier au sujet des cigares et cigarettes achetés pour le vapeur du gouvernement canadien *Arctic* en juillet 1922.

En réponse, je vous envoie ci-joint copie d'un mémoire soumis par M. J. D. Craig, ingénieur-conseil, qui avait charge de l'expédition. Au dos de ce mémoire, vous trouverez le certificat ordinaire que les marchandises ont été reçues et que les prix payés étaient justes et raisonnables.

Nous avons trouvé que pour de petites dépenses de ce genre en réceptions, nous recevons de grands avantages sous forme de coopération, résultat si précieux dans une expédition hasardeuse comme celle-ci. Il faut aussi se rappeler que l'*Arctic* est envoyé dans le nord principalement dans le but de sauvegarder la souveraineté britannique sur le territoire de ces îles du nord, et que l'officier en charge détient une commission qui fait de lui le représentant du gouvernement canadien.

J'espère qu'avec les renseignements donnés par les présentes vous pourrez accepter le compte tel que soumis.

Votre bien dévoué,

W. W. CORY, S.-M.

A M. WM. KEARNS, Auditeur général, suppléant, Ottawa.

MINISTÈRE DE L'INTÉRIEUR, T.N.-O. ET DU YUKON, 6 novembre 1923.

Mémoire:

M. Marchand, contrôleur de la dépense.

Au sujet de la correspondance ci-jointe relative aux cigares et cigarettes achetés en juillet 1922 pour le vapeur du gouvernement canadien, l'*Arctic*, je puis dire que ces marchandises ont été acquises exclusivement pour usage officiel en transigeant les affaires du gouvernement.

L'officier en charge est forcé de faire certaines réceptions au cours d'une expédition dans le nord, quand il fait la rencontre d'autres vaisseaux dans les ports, ou en échange de politesses avec les gérants et autres officiers des postes de traite aux diverses escales, et naturellement cet officier ne peut payer ces frais à même ses revenus personnels.

Ces marchandises ont été dépensées ainsi à Godhaven et Etah, dans le Groënland, l'année dernière et cette année, et à Ponds-Inlet, Albert-Harbour et Pangnirtug, et en d'autres occasions. Les cigarettes sont toutes dépensées, ainsi que d'autres achetées cette année, et sur les cigares, il en reste environ 450.

Sig. J. D. CRAIG.

Allocation pour l'usage d'automobiles privés

BUREAU DE VÉRIFICATION, le 19 décembre 1923.

MONSIEUR,—Depuis un certain temps, votre ministère, comme plusieurs autres, permet à certains fonctionnaires de se servir de leur propre automobile relativement à leurs fonctions officielles. L'emploi de la voiture se payait au mille à raison de 15c. le mille et l'on a réduit ce taux à 11c. le mille. Tous les frais relatifs à l'entretien et à la conduite de la voiture sont compris dans ce taux.

Les taux admis par votre département sont, je présume, le résultat d'un calcul où entrent les différents item de la dépense relative à un auto. Je serais heureux que vous me fournissiez un état indiquant comment ces taux ont été calculés.

L'usage rapidement croissant de l'automobile dans les services publics exige un examen attentif de tous les frais s'y rapportant, surtout lorsque la voiture appartient à des particuliers et qu'il est payé une allocation basée sur le nombre de milles parcouru.

Veuillez me dire quel contrôle vous avez sur les frais de millage? Les fonctionnaires sont-ils obligés de donner tous les détails voulus concernant les différents voyages dont le paiement est réclamé, surtout la distance parcourue, et de déclarer que ce mode de transport était le plus avantageux pour le service public?

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, A.G. adj.

Le sous-ministre de l'Intérieur, Ottawa.

Judges' Travelling Expenses

AUDITOR GENERAL'S OFFICE, OTTAWA, April 6, 1923.

SIR,—An Order in Council dated December 19th, 1905, a copy of which was sent to this Office, authorizes a certain schedule of allowances for travelling expenses of Supreme Court Judges in the Province of Ontario from their residences in Toronto to the various cities and towns of the Province and, so far as I have been informed, this Order in Council is still in force.

On examination of the accounts for travel sent me recently, I find that in many instances the schedule authorized has not been observed, the Judges, in such instances, making claim for actual expenses, which claim has been allowed by the Department.

If the authorized schedule is not now applicable to Judges' travel, it seems to me the Order in Council should be repealed.

I notice there is considerable difference in the transportation charges of the Judges, for instance, there is a charge from Toronto to Ottawa in one case of \$39.15, while another Judge charges only \$25.00, the amount allowed in the schedule.

As the expressed object of the Order in Council was to secure uniformity in such charges, I feel I should bring this deviation from the course authorized by Council to your notice.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

E. L. NEWCOMBE, Esq., Deputy Minister, Justice Department.

JUSTICE DEPARTMENT, OTTAWA, April 12, 1923.

SIR,—In reply to your letter of 6th instant, with regard to judges travelling allowances in Ontario, I may inform you that it was represented by the judges in 1918 that by reason of the increased cost of travel the commuted allowances authorized by the Order in Council of 19th December, 1905, were no longer adequate, and the judges asked that these allowances should be reconsidered and increased accordingly. The Governor in Council, however, would not take any action in the matter, and so it was departmentally ruled that the judges might adhere to the former tariff, or certify for actual expenses, as they preferred. I think most of the judges adhered to the commuted rates, but some of them certify upon the other principle. I would, however, in any case where the certified amount appears to be excessive or unreasonable, call upon the judge to explain.

I have the honour to be, Sir, your obedient servant,

E. L. NEWCOMBE, *D.M. of Justice.*

The Auditor General, Ottawa.

Coal for Manitoba and Saskatchewan Penitentiaries

AUDITOR GENERAL'S OFFICE, October 19, 1923.

DEAR SIR,—I enclose a copy of a letter which I wrote the Purchasing Agent of Justice Department calling attention to the price paid for a certain grade of coal at the Manitoba and Saskatchewan Penitentiaries, and pointing out that the rate of \$3.80 per ton was in excess of the rate authorized by the Governor in Council P.C. 2701 of November 4, 1920.

Major Dillon has written me in reply that he does not seem able to get a copy of the contract governing the price of the coal in question.

As the report on the penitentiary expenditure for the past fiscal year is now nearly ready for the printer I shall be obliged if you will cause the information asked for the enclosed letter to Major Dillon to be sent me.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

E. L. NEWCOMBE, Esq., Deputy Minister, Justice Department, Ottawa.

AUDITOR GENERAL'S OFFICE, October 3, 1923.

DEAR SIR,—I should like to have, in writing, your explanation of several payments for coal at the rate of \$3.80 per ton delivered at Stony Mountain Penitentiary during the past fiscal year. As you are no doubt aware the Crown Coal Company, Limited have agreed to supply coal for the needs of the Saskatchewan and Manitoba penitentiaries at the rate of \$2.00 per ton f.o.b. the mine.

The Order in Council approving and accepting the offer of the Crown Coal Company for coal at \$2.00 per ton does not provide for coal of any particular size or description, whether lump or run of mine, so I presume the Company agreed to supply coal that would meet the needs of the penitentiaries. On what authority then other than Order in Council P.C. 2701 of November 4, 1920, was payment made at the higher rate?

The Saskatchewan Penitentiary purchased, during the past fiscal year, several tons of coal from the Northern Cartage and Contracting Company at the rate of \$6.00 per ton f.o.b. penitentiary. Please explain.

Yours truly,

WM. KEARNS, *Asst. A.G.*

Major G. A. DILLON, Purchasing Agent, Justice Department, Ottawa.

DEPARTMENT OF JUSTICE, OTTAWA, November 9, 1923.

Re Coal Manitoba and Saskatchewan Penitentiaries.

SIR,—Replying to your letter of the 19th ultimo, please be advised that coal was not screened for use in the penitentiaries previous to the leasing of the mine to the Crown Coal Company. Saskatchewan Penitentiary had used our penitentiary mined unscreened coal for years and found it satisfactory, and Manitoba had used it during the year 1918-19. When the lease of our mine to the Crown Coal Company was signed, run-of-mine coal as previously supplied was intended, and was in fact the only coal produced or available. At that time there was no machinery for the production of any but one class of coal. Expensive machinery for classifying has since been installed by the company.

In 1921 the Warden at Manitoba requisitioned for coal and when told this would be the usual article at \$2.00 per ton replied that:—

“From our experience last winter with one car of run-of-mine coal that we had to take, it was not equal to more than one-half of the screened and in paying freight on such a long haul, it would be, in my opinion, cheaper to have the screened coal.”

The Warden was then asked to secure price and freight rate on screened coal and if he desired that article to make new requisition for same. This was done,

SESSIONAL PAPER No. 1

and all correspondence and prices sent to our Purchasing Agent to enable him "to understand the situation and arrive at a satisfactory conclusion." The Warden stated: "I am of the opinion that it would be to our advantage to purchase the screened run-of-mine at \$3.25 per ton f.o.b. Edmonton". Later the Warden telegraphed that the Crown Coal Company offered a rate of \$2.90 for screened run-of-mine; and the Purchasing Agent who had not yet bought the coal was written to and urged to secure this grade. This coal at \$2.90 was ordered by the Purchasing Agent and supplied and later paid for.

At the end of September a rather serious explosion in the coal vaults, which endangered the lives of inmates and officers, occurred; and the Alberta Government officials sent their Combustion Engineer to the Penitentiary to make a report. His recommendation was that we purchase a 3 in. lump coal, and demand that it be sent in box-cars. This report was sent to the Coal Company and to the Warden.

In March, 1922, the Purchasing Commission of Canada asked that one general requisition be made for all coal "with a view to calling tenders for the consolidated requirements of all departments". This was prepared, approved by the Minister of Justice, and copies forwarded to Purchasing Commission and our Purchasing Agent. This requisition stated that "steam coal for Manitoba and Saskatchewan penitentiaries received from penitentiary mine, Edmonton, Alberta".

During March, 1922, the operating company wrote calling attention to the recommendation made in the fall of 1921 by the Combustion Engineer of the Province of Alberta and offering the 3in. lump coal at \$3.80 per ton, which they stated was below cost. A car-load for trial purposes was sent to each penitentiary. This car is the only \$3.80 coal received at Saskatchewan, as the Warden of this Institution considered lump coal unsuitable for their grates and the run-of-mine previously used had been satisfactory. The Warden of Manitoba, however, reported by using lump a saving of one-third in their consumption could be effected, and that with a freight rate of \$5.30 per ton its use would be advisable; and the Engineer of this Institution reported he would be pleased if this coal could be used as it is free from clinkers, burns freely with hardly any smoke and is more economical than the mine run used last year. The company operating our mine was, therefore, told to ship lump coal at \$3.80 per ton. Where we have an agreement to take the coal our Purchasing Agent considers it not necessary to call for tenders, and we have on file reports from our officers that this grade of coal had been selling in August, 1921, at a price of \$5.75 per ton. The Purchasing Agent of this Department reported last month that this coal was tested out by the Penitentiary and reported to be more economical in every way.

Regarding the final paragraph of your letter as to the coal purchased in Prince Albert at \$6.00 a ton, I may state that owing to the strike in the coal mines at Edmonton in December, 1922, I was compelled to give authority for the purchase of coal, wood, or any substitute in order to prevent the prisoners from being frozen. This covered a short period and the purchases were small and are considered as emergent.

Our file including the lease of the Edmonton Coal Mine was sent you August 11th, 1921, and you retained same until the 6th of September following. You are, therefore, no doubt, familiar with the terms of the lease. On March 2nd, 1921, when the lease was executed notification of its terms was sent the Wardens of the two penitentiaries interested and to our Purchasing Agent, with the information that the company was now ready to supply coal.

I am, Sir, Your obedient servant,

E. L. NEWCOMBE, *D.M. of Justice.*

AUDIT OFFICE, OTTAWA, November 14, 1923.

SIR,—I have the honour to acknowledge the receipt of your letter of the 9th instant in explanation of the purchase of coal at the Manitoba and Saskatchewan penitentiaries at a price per ton in excess of the rate authorized by the Governor in Council—P.C. 2701 of November 4, 1920.

Your explanation does not take into consideration the chief point to which I called attention—namely the competency of the penitentiary officials to pay at a rate per ton in excess of that agreed upon in the first instance and subsequently approved by Council.

If new conditions arose necessitating a more expensive grade of coal than that available when the agreement was made it seems to me a fresh Order in Council should have been obtained.

I am, Sir, Your obedient servant,

WM. KEARNS, *Asst. A.G.*

Frais de déplacement des juges

BUREAU DE L'AUDITEUR, GÉNÉRAL, OTTAWA, le 6 avril 1923.

MONSIEUR,—Un arrêté du Conseil en date du 19 décembre 1905, et dont une copie a été envoyée à ce bureau, autorise une certaine liste d'allocations pour frais de déplacement des juges de la cour Suprême dans la province d'Ontario, de leurs résidences à Toronto aux différentes cités et villes de la province et, d'après les renseignements obtenus, cet arrêté du Conseil est encore en vigueur.

En examinant les comptes de frais de déplacement qui m'ont été envoyés récemment, je constate que dans bien des cas la liste autorisée n'a pas été observée, les juges, dans ces cas, réclamant le paiement de frais qui ont déjà été accordés par le ministère.

Si la liste autorisée ne s'applique plus maintenant aux frais de déplacement des juges, il me semble que l'arrêté du Conseil devrait être rappelé.

Je constate qu'il existe une différence considérable dans les charges pour frais de déplacement des juges, par exemple, il y a une charge de Toronto à Ottawa, dans un cas, de \$39.15, tandis qu'un autre juge ne réclame que \$25.00, le montant alloué dans la liste.

Comme le but exprès de l'arrêté du Conseil est d'obtenir l'uniformité de toutes ces charges, je crois de mon devoir d'attirer votre attention sur cette déviation de la ligne de conduite autorisée par le Conseil.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

E. L. NEWCOMBE, écr., sous-ministre, ministère de la Justice.

MINISTÈRE DE LA JUSTICE, OTTAWA, 12 avril 1923.

MONSIEUR,—En réponse à votre lettre du 6 courant, concernant les frais de voyage des juges dans Ontario, je puis vous dire qu'en 1918, les juges ont allégué que par suite de l'augmentation du coût des voyages, les allocations modifiées autorisées par arrêté en Conseil n'étaient plus suffisantes, et ils ont demandé de les reconsidérer et de les augmenter en conséquence. Cependant, le Gouverneur en conseil n'a encore rien décidé à ce sujet, et le ministère a décidé que les juges devaient s'en tenir aux anciens tarifs ou certifier leurs dépenses réelles, à leur choix. Je crois que la plupart des juges s'en sont tenus aux taux modifiés, mais quelques-uns d'entre eux ont adopté l'autre mode. Je serais d'avis, cependant, de demander des explications au juge dans les cas où le montant certifié peut paraître excessif ou déraisonnable.

J'ai l'honneur d'être, monsieur, votre obéissant serviteur,

E. L. NEWCOMBE, *S.-M. de la Justice.*

A l'Auditeur général, Ottawa.

BUREAU DE L'AUDITEUR GÉNÉRAL, 19 octobre 1923.

CHER MONSIEUR,—Je vous envoie ci-inclus copie d'une lettre que j'ai écrite à l'agent des achats du ministère de la Justice, attirant son attention sur le prix payé pour une certaine qualité de charbon aux pénitenciers de Manitoba et de Saskatchewan, et lui faisant remarquer que le taux de \$3.50 la tonne dépasse le taux autorisé par le Gouverneur en conseil C.P.2701 du 4 novembre 1920

Le major Dillon m'a répondu qu'il lui est impossible de se procurer une copie du contrat déterminant le prix du charbon en question.

Vu que le rapport concernant les dépenses faites pour les pénitenciers durant le dernier exercice financier est maintenant prêt à être livré à l'imprimeur, je vous serais reconnaissant de bien vouloir me faire envoyer le renseignement demandé dans ma lettre ci-incluse au major Dillon.

Je demeure, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

E. L. NEWCOMBE, sous-ministre de la Justice, Ottawa.

BUREAU DE L'AUDITEUR GÉNÉRAL, le 3 octobre 1923.

CHER MONSIEUR,—J'aimerais à avoir par écrit une explication des différents paiements pour du charbon au taux de \$3.80 par tonne, livré au pénitencier de Stony-Mountain au cours de l'année. Comme vous le savez sans doute, la *Crown Coal Company, Ltd.*, s'est engagée à fournir du charbon pour les besoins des pénitenciers de la Saskatchewan et du Manitoba, au taux de \$2.00 la tonne f.o.b. à la mine.

L'arrêté en Conseil approuvant et acceptant l'offre de la *Crown Coal Company*, à raison de \$2.00 par tonne, ne mentionne aucune description ou dimension particulière de charbon, ou s'il s'agit de charbon en morceaux ou de tout-venant. Je suppose que la compagnie avait convenu de fournir du charbon approprié aux besoins des pénitenciers. En vertu de quelle autorisation, à part l'arrêté en Conseil n° 2701, du 4 novembre 1920, ce paiement a-t-il été fait à un taux plus élevé?

Au cours du dernier exercice financier, le pénitencier de Saskatchewan a acheté plusieurs tonnes de charbon de la *Northern Cartage and Contracting Company* au taux de \$6 la tonne, f.o.b. au pénitencier. Veuillez expliquer cette transaction.

Votre out dévoué,

WM. KEARNS, *A.G. adj.*

Major G. A. DILLON, acheteur, ministère de la Justice, Ottawa.

MINISTÈRE DE LA JUSTICE, OTTAWA, le 9 novembre 1923.

Relativement à l'approvisionnement de charbon des pénitenciers du Manitoba et de la Saskatchewan.

MONSIEUR,—En réponse à votre lettre du 19 écoulé, permettez-moi de vous informer qu'avant la location de la mine à la *Crown Coal Company* on ne s'était pas le charbon pour l'usage des pénitenciers. Le pénitencier de la Saskatchewan faisait usage depuis de nombreuses années du charbon non sassy de notre mine et s'en trouvait bien; le Manitoba en a fait usage en 1918 et 1919. Lors de la location de la mine à la *Crown Coal Company*, l'intention était que les pénitenciers seraient comme antérieurement approvisionnés de tout venant, le seul charbon alors disponible. A cette époque il n'existait pas de machines pour effectuer le triage du charbon. La compagnie a depuis installé des machines coûteuses pour faire ce triage.

SESSIONAL PAPER No. 1

En 1921 le directeur du pénitencier du Manitoba réquisitionna du charbon, et quand on l'informa qu'on lui enverrait le charbon régulier à \$2.00, il répondit:

"Nous avons constaté l'an dernier, quand on nous envoya un wagon de tout venant, que ce charbon ne valait pas plus que la moitié du charbon sassé; je suis d'avis que, vu la longue distance pour laquelle il faut payer le transport, le charbon sassé est le plus économique."

On pria alors le directeur de s'informer des prix et des taux de transport du charbon sassé et de faire une nouvelle réquisition s'il désirait cet article. Cela fut fait, et toute la correspondance et les prix furent communiqués à notre acheteur afin de lui permettre "de se rendre compte de la situation et de prendre une décision sage". Le directeur déclara: "Je suis d'avis qu'il serait plus avantageux d'acheter le tout venant sassé à \$3.25 la tonne, f.o.b. Edmonton." Plus tard le directeur télégraphia que la *Crown Coal Company* lui offrait du tout venant sassé à \$2.90, et l'acheteur, qui n'avait pas encore commandé le charbon fut prié de commander cette qualité. Ce charbon, à \$2.90 fut commandé par l'acheteur, puis livré et subséquemment payé.

A la fin de septembre, il se produisit dans les magasins à charbon une explosion assez sérieuse, qui mit en danger la vie des prisonniers et des fonctionnaires. Le gouvernement de l'Alberta envoya son ingénieur en combustion au pénitencier pour faire une enquête. Il recommanda que nous achetions du charbon de 3 pouces et qu'on nous le livrât en wagons fermés. Ce rapport fut communiqué à la compagnie houillère et au directeur du pénitencier.

Au mois de mars 1922, la Commission d'achat nous demanda de préparer notre réquisition de charbon "afin de lui permettre de demander des soumissions pour l'approvisionnement global de tous les ministères". Nous les préparâmes, les fîmes approuver par le ministre de la Justice et en envoyâmes des copies à la Commission d'achat et à notre acheteur. Cette réquisition stipulait "qu'on désirait pour les pénitenciers du Manitoba et de la Saskatchewan du charbon de la mine d'Edmonton, Alberta."

Au cours du mois de mars 1922, la compagnie écrivit attirant notre attention sur la recommandation faite à l'automne de 1921 par l'ingénieur en combustion de la province de l'Alberta, et elle nous offrait du charbon de 3 pouces à \$3.80 la tonne, ce qui était au-dessous du prix de revient, disait-elle. On envoya, pour que nous en fassions l'essai, un wagon à chaque pénitencier. Ce fut le seul wagon de charbon à \$3.80 reçu au pénitencier de la Saskatchewan, car le directeur de ce pénitencier trouvait que le charbon en mottes ne convenait pas à leurs grilles et était satisfait du tout venant employé antérieurement. Le directeur du pénitencier du Manitoba prétendit, toutefois, qu'en employant du charbon en mottes il pouvait économiser un tiers de sa consommation et vu que le transport ne coûtait pas plus de \$5.30 la tonne il en recommandait l'emploi. Le chauffeur de l'institution dit qu'il serait heureux si on lui permettait de se servir de ce charbon, qui ne contient pas de mâchefer, qui brûle librement, sans produire de fumée, et qui est plus économique que le tout venant employé l'an dernier. Par conséquent on avisa la compagnie qui exploite notre mine d'expédier du charbon en mottes à \$3.80 la tonne. Notre acheteur considère qu'il n'est pas nécessaire de demander des soumissions là où il existe un traité pour l'approvisionnement de charbon; de plus nous avons des rapports de nos fonctionnaires dans nos classes attestant qu'au mois d'août 1921 ce charbon se vendait \$5.75 la tonne. L'acheteur de notre ministère fit rapport le mois dernier de ce que le pénitencier avait essayé le charbon et l'avait trouvé plus économique de toute façon.

Quant au charbon acheté de Prince-Albert à \$6.00 la tonne, dont le dernier paragraphe de votre lettre fait mention, je dois dire qu'à cause de la grève du

charbonnage d'Edmonton, qui eu lieu au mois de décembre 1922, je me vis forcé d'autoriser l'achat de charbon, bois ou autre substitut pour ne pas laisser les prisonniers souffrir du froid. Cette situation ne dura qu'un moment et la quantité de combustible acheté en vertu de cette autorisation d'urgence fut insignifiante.

Nous vous avons envoyé le 11 août 1921 tout notre dossier, y compris le bail de la houillère d'Edmonton, et vous l'avez gardé en votre possession jusqu'au 6 septembre suivant. Par conséquent, vous êtes, sans doute, familier avec les conditions du bail. Le 2 mars 1921, date de la signature du bail, nous avons avisé les directeurs des deux pénitenciers intéressés et notre acheteur de ses conditions; nous les avons aussi informés que la compagnie était prête à expédier le charbon.

J'ai l'honneur d'être, monsieur, votre obéissant serviteur,

E. L. NEWCOMBE, *S.-M. de la Justice.*

BUREAU DE L'AUDITEUR GÉNÉRAL, OTTAWA, le 14 novembre 1923.

MONSIEUR,—J'ai l'honneur d'accuser réception de votre lettre du 9 courant, qui contient une explication des achats de charbon négociés pour les pénitenciers du Manitoba et de la Saskatchewan à un prix la tonne plus élevé que le prix autorisé par l'arrêté du conseil, C.P. 2701 du 4 novembre 1920.

Votre explication ne couvre pas le point principal que j'ai porté à votre attention, à savoir: l'autorité qu'avaient les fonctionnaires des pénitenciers de payer un prix plus élevé la tonne que le prix d'abord convenu et subséquemment approuvé par le conseil.

S'il est survenu de nouvelles conditions qui nécessitaient l'achat de charbon plus coûteux que celui stipulé dans le traité, il me semble qu'on aurait dû demander l'adoption d'un nouvel arrêté du conseil.

Je demeure, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*
