**Ottawa Parliament Buildings Restoration—Payments to Sydney E. Junkins**

OFFICE OF THE AUDITOR GENERAL, September 5, 1923.

SIR,—Let me direct your attention to voucher R. W. 31572, in favour of Sydney E. Junkins, for \$3,829.34, charged to "Ottawa Parliament Buildings, Restoration."

The account is made up of the following items:

Expenses, travelling, hotels, &c., stenography, &c..	\$ 888 19
Time and expenses, engineering assistance.. . . .	741 15
Fee.. . . .	2,200 00
	<hr/>
	\$3,829 34

I would like information regarding the authority for the employment of Mr. Junkins, the nature of his services and the basis on which the remuneration paid was determined. I would also like to have fuller details of the two expense items \$888.19 and \$741.15.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister, Public Works Department, Ottawa.

DEPARTMENT OF PUBLIC WORKS, September 15, 1923.

SIR,—I duly received your favour of the 5th instant in reference to payment to Mr. S. E. Junkins of \$3,829.34, charged to "Ottawa Parliament Buildings, Restoration".

The employment of Mr. Junkins was authorized by the Honourable the Minister of Public Works, and he was engaged to go thoroughly into the situation as between the Joint Committee of Parliament and Mr. Pearson, Architect for the Parliament Buildings, in respect of the latter's claim for additional fee. The claim of Mr. Pearson had been presented very elaborately and, when considering same thoroughly from different angles, the Department could not agree with Mr. Pearsons' results. The Minister and the Joint Committee therefore, felt the need of assistance from an exceptionally competent outside expert who could advise them, very much in the capacity of an arbitrator, as to what would be a fair allowance to make the Architect.

As a result of Mr. Junkins' exhaustive study and report, the Department, with the concurrence of the Joint Committee, approved of a certain settlement with Mr. Pearson which has been completed, and the account referred to is Mr. Junkins' remuneration for his labours.

The arrangement made was the usual one comprising fee for absolutely personal services, plus actual expenses for travelling, stenography and Engineering assistance.

I have no further details of the two items of \$888.19 and \$741.15, but am writing Mr. Junkins to be good enough to supply same.

J. B. HUNTER, *D.M.*

The Auditor General.

SESSIONAL PAPER No. 1

DEPARTMENT OF PUBLIC WORKS, October 4, 1923.

SIR,—With further reference to my letter of the 15th ultimo, I enclose copy of a communication which has just been received from Mr. Sydney E. Junkins, giving fuller details, as requested in your letter of October 2nd, of the two expense items: \$888.19 and \$741.15.

**Harbours and Rivers Generally—Nova Scotia**  
**Purchase of Water Lot for Eastern Passage Seaplane Station**

OFFICE OF THE AUDITOR GENERAL, April 5, 1923.

SIR,—I beg to acknowledge receipt of your application No. 469 in favour of the Equitable Investment Company and Murray, McKinnon and Inglis, Agents of the Minister of Justice, for the sum of \$2,000 being purchase price of a water lot required in connection with the Eastern Passage Seaplane Station chargeable to "Harbours and Rivers, Generally, Nova Scotia".

It seems to me that a claim of this nature is not a proper charge on a Parliamentary appropriation provided explicitly for "Harbours and Rivers, Generally, Nova Scotia", and I shall be obliged if you will let me know the circumstances in connection with the acquisition of this lot which you consider a justification for making the amount claimed a charge on the vote in question.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

Deputy Minister, Public Works Department, Ottawa.

DEPARTMENT OF PUBLIC WORKS, April 11, 1923.

SIR,—I have your letter of the 5th inst., relative to this Department's application No. 469, in favour of the Equitable Investment Company and Messrs. Murray, McKinnon and Inglis, for the sum of \$2,000, being the purchase price of a water lot required in connection with the Eastern Passage Seaplane Station, the expenditure to be chargeable to the appropriation "Harbours and Rivers Generally, Nova Scotia," and enquiring as to the circumstances in connection with the acquisition of this lot, which the Department considers a justification for making the amount claimed a charge upon the vote in question.

As stated in the Order in Council, a copy of which, I understand, was attached to application No. 469, this water lot is required by the Government to complete the property required in connection with the Seaplane Station at the Eastern Passage on the Dartmouth side of the Harbour at Halifax. The purchase of the property already bought was paid out of demobilization appropriation, but, as the Department of Public Works did not ask for any appropriation in its estimates for the fiscal year ended March 31st, 1923, for demobilization purposes, there is no other vote to which the expenditure can be charged.

A seaplane is a contrivance which flies but necessarily navigates the water to some extent, and a seaplane station is consequently a harbor requiring both land and water facilities. The purchase of a water lot to complete the site required for the Seaplane Station at Eastern Passage is, therefore, in practically the same category as land purchased as sites for wharves or approaches leading thereto.

### Edifice du Parlement d'Ottawa; réfection—Palements à Sydney E. Junkins

BUREAU DE L'AUDITEUR GÉNÉRAL, 5 septembre 1923.

MONSIEUR,—Permettez-moi d'attirer votre attention sur la pièce R.W. 31572, au montant de \$3,829.34, en faveur de Sydney E. Junkins, montant imputé à la rubrique "Edifice du Parlement d'Ottawa, réfection".

Le montant est formé des articles suivants:

Dépenses de voyage, de pensions, etc., sténographie, etc.	888 19
Services et dépenses d'ingénieurs adjoints. . . . .	741 15
Honoraires. . . . .	2,200 00

\$3,829 34

Je voudrais connaître de quelle autorité relèvent les services de M. Junkins, quelle est la nature de ses services et sur quelle base la rétribution a été calculée. Je voudrais aussi avoir plus de détails sur les deux articles de \$888.19 et \$741.15.

Je demeure, monsieur, votre obéissant serviteur,

WM. KEARNS, A.G. adj.

Au sous-ministre des Travaux publics, Ottawa.

MINISTÈRE DES TRAVAUX PUBLICS, 15 septembre 1923.

MONSIEUR,—J'ai reçu votre honorée du 5 courant au sujet du paiement à M. S. E. Junkins de la somme de \$3,829.34, imputée à la rubrique: "Edifice du Parlement d'Ottawa, réfection."

L'emploi de M. S. E. Junkins a été autorisé par l'honorable ministre des Travaux publics; ce monsieur a été engagé pour faire une enquête complète sur la situation existant entre le comité conjoint du Parlement et M. Pearson, l'architecte chargé de la réfection de l'édifice parlementaire, travail pour lequel M. Pearson réclamait un honoraire additionnel. La réclamation de M. Pearson avait été présentée avec force détails, et, en étudiant le tout sous divers aspects, le ministère n'a pu accepter les vues de M. Pearson. En conséquence, le ministre et le comité conjoint ont senti le besoin d'un expert éminemment qualifié venant de l'extérieur pour les conseiller à la manière d'un arbitre sur la rétribution raisonnable qu'il convenait de payer à l'architecte.

Comme résultat de l'étude approfondie et du rapport de M. Junkins, le ministère, avec l'approbation du comité conjoint, a convenu avec M. Pearson d'un certain règlement qui a été exécuté, et le compte mentionné est celui de M. Junkins comme rétribution de son travail.

Les conventions faites ont été suivant les cadres ordinaires d'un honoraire pour les services exclusivement personnels, avec en sus les frais réels de voyage, de sténographie et des ingénieurs employés comme aides.

Je n'ai pas d'autres détails sur les deux articles de \$888.19 et \$741.15, mais je demande à M. Junkins d'avoir la bonté de nous les fournir.

J. B. HUNTER, S.-M.

A l'Auditeur général.

BUREAU DU SOUS-MINISTRE, MINISTÈRE DES TRAVAUX PUBLICS, 4 octobre 1923.

MONSIEUR,—Me référant de nouveau à ma lettre du 15 écoulé, j'envoie, ci-inclus, copie d'une communication que nous venons de recevoir de M. Sydney E. Junkins, donnant de plus amples détails, tel que requis dans votre lettre du 2 octobre, sur les deux articles de dépenses: \$888.19 et \$741.15.

J. B. HUNTER, S.-M.

A l'Auditeur général.

**Havres et rivières en général—Nouvelle-Ecosse—Achat de lot de grève pour le poste d'aéronautique maritime du Passage de l'Est**

BUREAU DE L'AUDITEUR GÉNÉRAL, 5 avril 1923.

MONSIEUR,—J'accuse réception de votre requête n° 469 en faveur de la *Equitable Investment Company* et de Murray, McKinnon and Inglis, agents du ministère de la Justice, pour la somme de \$2,000, prix d'achat d'un lot de grève requis pour le poste d'aéronautique maritime du Passage de l'Est, imputable sur le crédit "Havre et Rivières en général, Nouvelle-Ecosse".

Il me semble qu'une réclamation de cette nature ne peut pas être imputée sur un crédit parlementaire exclusivement réservé aux "havres et rivières en général, Nouvelle-Ecosse". Vous m'obligeriez en me faisant connaître les circonstances relatives à l'acquisition de ce lot qui vous paraissent justifier l'imputation de cette somme sur le crédit en question.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Le sous-ministre, ministère des Travaux publics, Ottawa.

BUREAU DU SOUS-MINISTRE, MINISTÈRE DES TRAVAUX PUBLICS, 11 avril 1923.

MONSIEUR,—Reçu votre lettre du 5 courant relativement à la requête de ce ministère n° 469 en faveur de la *Equitable Investment Company* et de MM. Murray, McKinnon et Inglis, pour la somme de \$2,000 représentant le prix d'achat pour un lot riverain requis en vue de l'établissement du poste d'hydroplanes du passage de l'Est, cette dépense devant être imputée au compte du crédit: "Havres et rivières en général, Nouvelle-Ecosse", et s'informant des circonstances se rapportant à l'achat de ce lot que le ministère a jugé justifiable et demandant pour quel motif ce montant a été imputé au crédit en question.

Ainsi qu'il est expliqué dans l'arrêté en conseil dont une copie a été, me dit-on, attachée à l'application n° 469, ce lot riverain était requis par le gouvernement afin de compléter son établissement ainsi que les installations nécessaires pour son poste d'hydroplanes au passage de l'Est du côté de Dartmouth du havre de Halifax. Les faits de la propriété déjà achetée avaient été portés au compte du crédit de démobilisation, mais vu que le ministère des Travaux publics n'avait demandé aucun crédit aux fins de démobilisation pour l'exercice finissant le 31 mars 1923, il n'y a aucun autre crédit auquel cette dépense puisse être imputée.

Un hydroplane est une machine qui vole mais qui nécessairement doit fonctionner sur l'eau dans une certaine mesure et un poste d'hydroplanes est par conséquent un havre exigeant certaines facilités sur terre et sur mer. L'achat d'un lot riverain en vue de compléter l'établissement requis pour le poste d'hydroplanes pour le passage de l'Est est, par conséquent, pratiquement dans la même catégorie des terrains achetés comme emplacements pour les quais ou les approches qui y conduisent.

Bien à vous,

J. B. HUNTER, *S.-M.*

A l'Auditeur général.

**Collection of Rents: No deductions allowable for maintenance and repairs of buildings**

---

OFFICE OF THE AUDITOR GENERAL, OTTAWA, August 24, 1923.

SIR,—In connection with the collection of rentals from tenants of government-owned properties in Toronto, I notice a difference between the cash collected by your Agent, and the amount deposited to the credit of the Receiver General amounting to \$4,471.56. This has been stated as "allowance for repairs and maintenance."

The Consolidated Revenue and Audit Act (Section 35) requires that "all public moneys, from whatever source of revenue derived, shall be paid to the credit of the account of the Minister of Finance and Receiver General".

Under what authority has your agent been paying expenditure accounts out of revenues collected?

I am, Sir, your obedient servant,

(Sgd.) WM. KEARNS, *Asst. A.G.*

The Deputy Minister, Public Works Department, Ottawa.

---

OFFICE OF THE DEPUTY MINISTER,

DEPARTMENT OF PUBLIC WORKS, August 29, 1923.

SIR,—With reference to your letter of the 24th instant regarding certain amounts which have been deducted from rentals received from properties in Toronto, this matter was brought up some days ago and action has already been taken to carry out the provisions of the Consolidated Revenue and Audit Act (Section 35).

R. C. DESROCHERS, *Acting D.M.*

The Assistant Auditor General.

**Perception de Loyers: Aucune déduction ne peut être faite pour l'entretien et les réparations des édifices**

BUREAU DE L'AUDITEUR GÉNÉRAL, OTTAWA, 24 août 1923.

MONSIEUR,—Relativement à la perception des loyers de locataires occupant des immeubles du gouvernement à Toronto, je constate qu'il y a une différence de \$4,471.56 entre l'argent perçu par votre agent et la somme déposée au crédit du Receveur général. On a déclaré que cet argent avait été "affecté aux réparations et à l'entretien".

La Loi du Revenu Consolidé et de l'Audition (article 35) stipule que "tous les deniers publics, quelle qu'en soit la source, doivent être versés au crédit du compte du ministre des Finances et du Receveur général".

Sur quelle autorité votre agent s'est-il basé pour payer des comptes de dépenses à même les argents perçus?

Je suis, monsieur, votre obéissant serviteur,

(Signé) WM. KEARNS, A.G. adj.

Le sous-ministre, ministère des Travaux publics, Ottawa.

---

MINISTÈRE DES TRAVAUX PUBLICS, 29 août 1923.

CHER MONSIEUR,—Relativement à votre lettre du 24 courant concernant certaines sommes qui ont été déduites des loyers perçus pour ces propriétés de Toronto, je vous ferai remarquer que cette question a été étudiée il y a quelques jours, et les mesures nécessaires ont été prises pour faire observer les dispositions de la Loi du Revenu Consolidé et de l'Audition (article 35).

R. C. DESROCHERS, S.-M. suppléant.

L'Auditeur général adjoint.
