### Workmen's Compensation Boards

AUDIT OFFICE, OTTAWA, April 20th, 1922.

SIR,—With reference to an Order in Council of the 12th instant, P.C. 6/752, authorizing advances under the Workmen's Compensation Act as follows:

Workmen's Compensation Board, New Brunswick, \$15,000.

Workmen's Compensation Board, Nova Scotia, \$10,000.

I beg to point out that up to March 31, 1922, similar advances to the following amounts have been made to the various provinces:

Ontario.. . . .	\$90,000 00
Nova Scotia.. . . .	60,000 00
New Brunswick.. . . .	155,000 00
Manitoba.. . . .	60,000 00
Alberta.. . . .	37,000 00
British Columbia.. . . .	55,000 00

I have not, so far, received any accounting statements from the provinces concerned showing the disposition made of these advances and I shall be obliged if you will let me know if it is the intention of the Department of Finance to ask the provinces to furnish statements showing in detail the disbursements made from the advances in question.

The total amount advanced was paid in the following fiscal years:

1919-1920.. . . .	\$75,000 00
1920-1921.. . . .	170,000 00
1921-1922.. . . .	212,000 00

Sub-section 3 of the Act of 1919 empowers the Governor in Council to pay, under certain conditions, such portion of the administration expenses of the Boards as may be fair and reasonable, but so far as I am informed the Governor in Council has taken no action in this regard.

I am, sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister, Finance Department, Ottawa.

DEPARTMENT OF FINANCE, OTTAWA, April 22, 1922.

DEAR SIR,—Mr. Saunders has asked me to reply to your letter of the 20th instant with reference to accounting statements from the various Provincial Workmen's Compensation Boards.

All such statements received by this Department are immediately forwarded to the Auditor General, marked for attention of Mr. Glass.

A few months ago the Compensation Boards were circularized with the request that they make monthly returns in duplicate, one copy for this Department and one copy for the Auditor General's Office.

Returns are now being received as follows:—

Alberta—monthly—last return was for March 1922, Manitoba—monthly—last return was for February 1922, New Brunswick—monthly—last return was for March 1922, Nova Scotia—monthly—last return was for February 1922, Ontario—monthly—last return was for March 1922, British Columbia, statement received to December 31st, 1921 and the Board states it will send reports from time to time.

Having reference to the last paragraph of your letter, the Boards periodically include in their returns amounts representing proportion of administration expenses.

Please be good enough to advise this Department further, in the light of the foregoing, in order that any necessary representations may be made to the various Boards.

Yours truly,

R. B. VIETS, *Departmental Solicitor.*

WM. KEARNS, Asst. Auditor General, Ottawa.

---

AUDIT OFFICE, OTTAWA, April 28, 1922.

SIR,—With further reference to the advances made to the various provinces under the Workmen's Compensation Act I find that the vouchers sent to this Office are practically useless for the purpose of effective audit.

If practicable the provinces or the boards administering the Act should send vouchers showing particulars as follows and certified by the proper officers:

1. Name in whose favour payment has been made.
2. Particulars of payment, whether compensation, medical fees, etc.
3. Numbers and dates of cheques. If possible paid cheques to be returned by Banks to this Office.
4. Government department to which employee is attached.

It seems to me the Order in Council called for by Sub-Section 3 of Section 1 of the Act of 1919 should be obtained.

I am, sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister, Finance Department, Ottawa.

---

DEPARTMENT OF FINANCE, OTTAWA, June 26, 1922.

DEAR SIR,—Referring to your letter of April 28th with reference to vouchers furnished by the different Compensation Boards covering payments made by way of compensation in cases of accident to Government employees, I beg to advise you that we asked the Boards to furnish the details which you requested.

Some time ago a suggestion was made to the Deputy Minister of Railways and Canals that it would be appropriate for that Department, in view of the fact that such a large proportion of the total disbursements are on account of accidents to employees of Government Railways, to undertake the responsibility of dealing entirely with the matter insofar as Departmental administration is concerned. The Deputy Minister has agreed and has drafted a scheme of administration. Under this arrangement the different Boards will make their monthly statements to the Department of Railways and Canals who will check all payments insofar as their own employees are concerned and secure approval from the Heads of other Departments insofar as payments to their employees are concerned. We have advised all the Boards that this arrangement will take effect from July 1st.

It is the intention of the Department of Railways and Canals to secure a proper accounting not only for payments which will be made in the future but for those which have been made. Probably you will think it advisable to associate one of your officers with the Comptroller's Branch in this connection.

SESSIONAL PAPER No. 1

We have asked the different Boards to furnish their regular statements of disbursements to this Department up to the end of June, together with a statement showing the position of our account at that date.

Yours truly,

B. J. ROBERTS, *Secretary*.

WM. KEARNS, Asst. Auditor General, Ottawa.

AUDIT OFFICE, OTTAWA, August 14th, 1922.

SIR,—With reference to certain advances to the various provinces under the Workmen's Compensation Act previously made on application by the Finance Department, I am advised by the secretary of that Department that from July 1st, 1922, the entire expenditure under this Act will be controlled by the Department of Railways and Canals.

For your information I am sending you a copy of my letter to the Deputy Minister of Finance, dated April 28th, 1922. I would like to know what steps, if any, have been taken by your Department to secure a proper accounting of the expenditure made by the Compensation Boards of the various provinces. Your attention is particularly directed to the last paragraph of my letter with reference to the Order in Council called for by Sub-Section 3 of Section 1 of the Act of 1919 in connection with the administration expenses of the Boards. So far as I am informed the Governor in Council has taken no action in this regard.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister,  
Railways & Canals Department,  
Ottawa.

DEPARTMENT OF RAILWAYS AND CANALS, OTTAWA, August 24, 1922.

*Re: Expenditures under the Workmen's Compensation Act.*

Dear SIR,—Acknowledging receipt of your letter of 14th instant, with reference to the matter of securing a proper accounting of expenditures made by the Compensation Boards of the various Provinces, under the above Act.

I beg to advise you that this matter has been taken up with the various Provincial Boards, and arrangements are being made for the Boards to furnish monthly statements of expenditure showing the following information:

1. Claim number.
2. Cheque number and date of same.
3. Amount of payment.
4. Name of Claimant.
5. Particulars of payment (whether compensation, medical aid, etc.).
6. Period covered by payment.
7. Department in which Claimant was employed.

Arrangements have also been made with the various Departments to have all expenditures checked against the departmental records of accidents, and certified by the Departments concerned.

It is our intention to make monthly payments to the Boards, based on the monthly statements of expenditure, after same have been properly audited. A sufficient amount will be left on deposit with each Board to meet all payments during the period which must necessarily elapse between the time the payments are made by the Boards, and the repayments are made by the Dominion Government.

With reference to the matter of paid cheques issued by the Boards on account of Dominion Government being returned by the Banks to your office, the Boards advise that as these cheques are the only vouchers they have to support payments, they cannot very well allow same out of their hands. They are willing however to turn these cheques over for audit at their offices at any time.

We expect to be able to make an audit of expenditure by the Boards for the month of August, and to continue these audits from month to month. An attempt will also be made to check up all previous expenditures by the Boards, and make adjustment between such expenditures and the amounts deposited with the Boards by the Dominion Government.

With reference to the payment of a portion of the administration expenses of the Boards under Section 1, Subsection 3 of the Dominion Act of 1919, I find that the Boards have, in most cases, charged the Dominion Government account with a portion of their annual administration expenses, without same being authorized by the Governor-in-Council, as required by the Act.

We propose making an audit of the expenses of the various Boards for the years 1919, 1920 and 1921 in order to determine the fair and reasonable portion of such expenses to be paid, at an early date, and the matter placed before the Governor-in-Council, with our recommendation in connection with same.

I am enclosing for your information a copy of proposed details of a scheme for handling this matter, which was submitted to the Finance Department prior to the Departmental administration of the Act being placed in the hands of this Department.

It will no doubt be necessary to make some slight changes in the details of this scheme, when same is actually put into effect.

I shall be pleased to furnish you with any further information you may require in connection with the handling of this matter.

Yours faithfully,

G. A. BELL.

Wm. KEARNS, Asst. Auditor General, Ottawa.

AUDIT OFFICE, OTTAWA, March 28, 1923.

SIR,—With further reference to the expenditure under the Workmen's Compensation Act, let me call your attention to an extract from your letter dated August 24th, 1922, as follows:—

"With reference to the payment of a portion of the administration expenses of the Boards under Section 1, Subsection 3 of the Dominion Act of 1919. I find that the Boards have, in most cases, charged the Dominion Government account with a portion of their annual administration expenses, without same being authorized by the Governor in Council, as required by the Act.

We propose making an audit of the expenses of the various Boards for the years 1919, 1920 and 1921 in order to determine the fair and reasonable portion of such expenses to be paid, at an early date, and the matter placed before the Governor in Council, with our recommendation in connection with same".

I should like to be informed as to the progress that has been made towards meeting the provisions of the Act as required by Section 1, Subsection 3.

I am, Sir, your obedient servant,

WM. KEARNS, Asst. A.G.

The Deputy Minister,  
Railways & Canals Department,  
Ottawa.

---

DEPARTMENT OF RAILWAYS AND CANALS, April 3, 1923.

DEAR SIR,—Acknowledging receipt of your letter of 28th March with reference to the payment of a portion of the administrative expenses of the Provincial Compensation Boards, under Section 1, Subsection 3 of the Dominion Compensation Act.

I beg to advise you that an audit of the expenses of the Nova Scotia and New Brunswick Boards has been completed to December 31, 1922. Expenses of the Manitoba, Alberta and British Columbia Boards have been audited to December 31, 1921. The Ontario Board has not yet supplied complete details of expenses claimed, but have promised same early this month. Upon receipt of such details an audit will be made to December 31, 1922.

It was not intended to submit a report to Council in this matter until such time as the audit of the expenses of all the Boards is complete to December 31, 1922. The audit will be completed as soon as possible.

Yours faithfully,

W. V. COPE,

WM. KEARNS, Assistant Auditor General, Ottawa, Ont.

### Conseils de compensation ouvrières

BUREAU DE L'AUDITEUR GÉNÉRAL, OTTAWA, le 20 avril 1923.

MONSIEUR,—Relativement à un arrêté en conseil du 12 courant, décret du C.P. 6/752, autorisant des avances sous l'empire de la Loi de compensations ouvrières:

Bureaux de compensations ouvrières, Nouveau-Brunswick.. . . .	\$15,000
Bureaux de compensations ouvrières, Nouvelle-Ecosse.. . . .	10,000

Je désire vous faire remarquer qu'il a été fait jusqu'au 31 mars 1922, des avances semblables s'élevant aux montants suivants, aux diverses provinces:

Ontario.. . . .	\$ 90,000 00
Nouvelle-Ecosse.. . . .	60,000 00
Nouveau-Brunswick.. . . .	155,000 00
Manitoba.. . . .	60,000 00
Alberta.. . . .	37,000 00
Colombie britannique.. . . .	55,000 00

Je n'ai pas jusqu'ici reçu d'états de compte des provinces intéressées faisant voir comment on a disposé de ces avances. Il me fera plaisir que vous me fassiez connaître, si le ministère des Finances a l'intention de demander aux provinces de fournir des états de compte, indiquant en détails les déboursés faits à même les avances en question.

Le montant total avancé durant les exercices suivants:

1919-20.. . . .	\$ 75,000 00
1920-21.. . . .	170,000 00
1921-22.. . . .	212,000 00

Le sous-article 3 de la loi de 1919 autorise le Gouverneur en conseil de payer, à de certaines conditions, telle partie des dépenses administratives des conseils qui peuvent être justes et raisonnables, mais dans la mesure où j'en suis informé, le Gouverneur en conseil n'a rien à faire à cet égard.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Au sous-ministre des Finances, Ottawa.

MINISTÈRE DES FINANCES, OTTAWA, le 22 avril 1923.

CHER MONSIEUR,—M. Saunders m'a demandé de répondre à votre lettre du 20 courant, relativement aux états de compte émanant des divers conseils provinciaux de compensations ouvrières.

Tous les états que ce ministère reçoit sont immédiatement transmis à l'auditeur général, avec la mention d'être remis à M. Glass.

Il y a quelques mois on a envoyé aux conseils de compensations, des circulaires dans lesquelles on leur demandait de faire des rapports mensuels en duplicata, une copie étant destinée à ce ministère, et l'autre au bureau de l'Auditeur général.

Les rapports sont maintenant reçus comme suit:

Alberta—mensuellement—dernier rapport pour mars 1922, Manitoba—mensuellement—dernier rapport pour février 1922, Nouveau-Brunswick—mensuellement—dernier rapport pour mars 1922, Nouvelle-Ecosse—mensuellement—dernier rapport pour février 1922, Ontario—mensuellement—dernier rapport pour mars 1922. Colombie britannique—Il en a été reçu un état couvrant les opé-

rations jusqu'au 31 décembre 1921, et le conseil déclare qu'il enverra des rapports de temps en temps.

Relativement au dernier paragraphe de votre lettre, les conseils incluent périodiquement dans leurs rapports, les montants représentant leur proportion des dépenses administratives.

Veuillez avoir la bonté de notifier encore le ministère, à la lumière de ce qui précède, afin que toutes les représentations nécessaires soient faites aux divers conseils.

Bien à vous,

R. B. VIETS, *avocat du ministère.*

WM. KEARNS, Auditeur général adjoint, Ottawa.

BUREAU DE L'AUDITEUR, OTTAWA, le 28 avril 1922.

MONSIEUR,—A propos des avances de fonds faites aux provinces sous le régime de la Loi de compensations ouvrières, je me rends compte que les bordereaux expédiés à ce bureau ne sont d'aucun usage pratique pour les fins d'une apuration effective.

Les provinces ou commissions chargées d'appliquer la loi devraient, si possible, expédier des bordereaux contresignés par qui de droit et portant le détail des opérations effectuées, comme il suit:

1. Nom de la personne en faveur de qui le paiement a été effectué.
2. Nature du versement, soit au titre des compensations, soit à celui de frais médicaux, etc.
3. Nombre et date des chèques. Si possible, prière de voir à ce que les banques fassent parvenir les chèques à ce bureau.
4. Ministère fédéral auquel est attaché la personne visée.

Il me semble que l'arrêté ministériel postulé par le sous-article 3 de l'article 1 de la loi de 1919 devrait être accordé.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Le sous-ministre des Finances, à Ottawa.

---

MINISTÈRE DES FINANCES, OTTAWA, le 26 juin 1922.

CHER MONSIEUR,—Me référant à votre lettre du 28 avril relative à des bordereaux fournis par les commissions de compensations à propos de versements effectués pour fins de compensations à des accidentés appartenant au personnel gouvernemental, je dois vous informer que nous avons prié les commissions en cause de fournir les détails requis par vous.

Quelque temps passé, on a fait entendre au sous-ministre des chemins de fer et canaux qu'il serait opportun de la part de ce ministère, vu la grande proportion des déboursés totaux affectée aux accidentés des chemins de fer de l'Etat, de prendre exclusivement en mains de traiter cette question dans tous ses détails en ce qu'elle a trait à l'administration ministérielle. Le sous-ministre a acquiescé et rédigé un projet administratif. Sous le régime de ce projet, les commissions auront à soumettre leurs comptes rendus mensuels au ministère des Chemins de fer et Canaux qui vérifieront tous les versements effectués dans la mesure où leurs propre personnel sera en cause et s'assureront de la sanction des chefs des autres ministères à propos de versements à effectuer aux employés de ces derniers. Nous

avons notifié toutes les commissions que le nouveau régime entrera en vigueur au 1er juillet.

C'est l'intention du ministère des chemins de fer et canaux de s'assurer d'une comptabilité effective non seulement pour ce qui a trait aux versements à effectuer dans l'avenir mais encore pour ceux du passé. Il est probable que vous apercevrez l'à-propos d'établir le contact entre l'un de vos fonctionnaires et la division du contrôleur en l'occurrence.

Nous avons prié les commissions de faire tenir leurs états ordinaires des déboursés effectués à ce ministère jusqu'à fin juin, accompagnés d'un exposé de l'état de nos comptes à date.

Bien à vous,

B. J. ROBERTS, *secrétaire*.

BUREAU DE L'AUDITEUR, à OTTAWA, le 14 août 1922.

MONSIEUR,—A propos d'avances de fonds déjà effectuées sur demande aux provinces sous le régime de la loi des compensations ouvrières par le ministère des Finances, j'apprends du secrétaire de ce ministère qu'à partir du 1er septembre 1922 tous les déboursés effectués sous le régime de cette loi, seront placés sous la haute surveillance du ministère des Chemins de fer et Canaux.

Pour votre gouverne, je vous fait tenir copie de ma lettre au sous-ministre des Finances en date du 28 avril 1922. J'aimerais à être mis au courant des dispositions, s'il s'en trouve, prises par votre ministère pour effectuer une comptabilité effective des déboursés des commissions de compensations des provinces.

Votre attention est tout particulièrement attirée sur le dernier alinéa de ma lettre relative à l'arrêté postulé par le sous-article 3 de l'article 1 de la loi de 1919 relativement aux frais d'administration des commissions. Pour ce que j'en sais, le Gouverneur en conseil n'a pris aucune attitude en la matière.

Je suis, monsieur, votre obéissant serviteur,

WM KEARNS, *A.G. adj.*

Le sous-ministre des  
Chemins de fer et Canaux,  
à Ottawa.

MINISTÈRE DES CHEMINS DE FER ET CANAUX, OTTAWA, le 24 août 1923.

CHER MONSIEUR,—Dépenses en vertu de la Loi sur les accidents du travail. J'accuse réception de votre lettre du 14 courant concernant la question d'obtenir des comptes convenables des dépenses faites par les offices de compensation des diverses provinces, en vertu de la loi susmentionnée.

J'ai l'honneur de vous informer que cette question a été discutée avec les différents offices provinciaux et qu'on est à prendre des mesures pour que les offices fournissent des états mensuels de leurs dépenses contenant les renseignements suivants:

1. Numéro de la réclamation.
2. Numéro et date du chèque.
3. Somme payée.
4. Nom du réclamant.
5. Détails du paiement (compensation, aide médicale, etc.).
6. Période couverte par le paiement.
7. Département où le réclamant était employé.

Des mesures ont également été prises pour que toutes les dépenses soient vérifiées d'après les dossiers du ministère, sur les accidents, et certifiées par les ministères concernés.

Nous avons l'intention de faire des paiements mensuels aux offices, basés sur les états mensuels des dépenses, après une bonne vérification de ces dépenses. Une somme suffisante sera laissée à chaque office pour faire tous les paiements nécessaires pendant la période qui doit nécessairement s'écouler entre le moment où ces paiements sont effectués par les offices et celui où le gouvernement fédéral les rembourse.

Pour ce qui est de la question des chèques payés émis par les offices pour le compte du gouvernement du Dominion et qui sont retournés par les banques à votre bureau, les offices sont d'avis que comme ces chèques sont les seules pièces justificatives qu'ils ait pour justifier leurs paiements, il ne peuvent que difficilement s'en départir. Ils sont tout de même prêts à produire ces chèques pour vérification à leurs bureaux en tout temps.

Nous comptons pouvoir faire la vérification des dépenses des offices pour le mois d'août et continuer ces vérifications tous les mois. Nous tenterons aussi de contrôler toutes les dépenses antérieures des offices et de faire des rajustements entre ces dépenses et les sommes déposées aux offices par le gouvernement du Dominion.

Pour ce qui est du paiement d'une partie des frais d'administration des offices en vertu de l'article 1, paragraphe 3 de la loi du Dominion de 1919, je constate que les offices, dans la plupart des cas, ont imputé sur le compte du gouvernement fédéral une partie de leurs frais annuels d'administration, sans y être autorisés par le Gouverneur en conseil, comme l'exige la loi.

Nous nous proposons de vérifier les dépenses des différents offices pour les années 1919, 1920 et 1921 afin de déterminer la part de ces dépenses qu'il est raisonnable de payer à une date prochaine et nous soumettrons la question au Gouverneur en conseil avec notre recommandation.

J'envoie, pour votre information, une copie des détails projetés d'un plan pour régler la question, plan qui a été soumis au ministère des Finances avant que l'application de la loi n'ait été placée entre les mains de notre ministère.

Il faudra sans doute quelques légers changements dans les détails de ce projet avant de le mettre en vigueur.

Je serai heureux de vous fournir tous les détails additionnels que vous pourriez désirer relativement à cette affaire.

Votre tout dévoué,

G. A. BELL.

WM KEARNS,  
Auditeur général adjoint, Ottawa.

BUREAU DE L'AUDITEUR, le 28 mars 1923.

MONSIEUR,—Référant de nouveau aux déboursés effectués sous le régime de la Loi de compensation ouvrière, permettez-moi d'attirer votre attention sur un extrait de votre lettre en date du 24 août 1922 qui se lit ainsi:

“Relativement au paiement d'une partie des frais d'administration des Bureaux selon les termes de l'article I, paragraphe 3, de la Loi fédérale de 1919: je constate que dans la plupart des cas les bureaux ont imputé au compte du gouvernement fédéral une partie de leurs frais d'administration sans que la chose soit approuvée par le Gouverneur en conseil tel que la loi l'exige.

Nous nous proposons de vérifier les dépenses des divers bureaux au cours des années 1919, 1920 et 1921 afin de déterminer dans un court délai quel montant

il serait juste de payer sur ces dépenses et de soumettre les faits au Gouverneur en conseil avec notre recommandation à l'égard de ce paiement."

J'aimerais bien à connaître le progrès qui a été effectué en vue de se conformer aux dispositions de la loi telles que contenues à l'article I, paragraphe 2.

Je suis, monsieur, votre obéissant serviteur,

WM KEARNS, *A.G. adj.*

Le sous-ministre des Chemins de fer et Canaux,  
Ottawa.

MINISTÈRE DES CHEMINS DE FER ET CANAUX, le 3 avril 1923.

MONSIEUR,—En réponse à votre lettre du 28 mars relative au paiement d'une partie des frais d'administration des bureaux provinciaux de compensation ouvrière, sous le régime de l'article I, paragraphe 2, de la Loi fédérale de compensation ouvrière.

J'ai l'honneur de vous informer que la vérification des dépenses des bureaux de la Nouvelle-Ecosse et du Nouveau-Brunswick est terminée jusqu'au 31 décembre 1922. Les dépenses des bureaux du Manitoba, de l'Alberta et de la Colombie-Britannique ont été vérifiées jusqu'au 31 décembre 1921. Le bureau d'Ontario n'a pas encore fourni les détails complets concernant les dépenses dont on réclame le paiement. Dès que ces détails nous seront parvenus nous procéderons à la vérification des comptes jusqu'au 31 décembre 1922.

Ce n'était pas notre intention de soumettre au conseil un rapport à cet égard avant d'avoir complété la vérification des dépenses de tous les bureaux jusqu'au 31 décembre 1922. Cette vérification sera terminée le plus tôt possible.

Bien à vous,

W. V. COPE

**Payment in Advance on Contract for Publication of Special Articles in Veteran Magazine**

---

AUDIT OFFICE, April 25, 1923.

SIR,—Cheque No. 27392 was issued by your office on the 23rd of March, 1923, in favour of "The Veteran," for \$6,000, being in full for the publication of 20 special explanatory articles dealing with federal legislation affecting the interests of ex-members of military forces of Canada and their dependents, which were to be prepared by the Editor of "The Veteran" and submitted to you for approval before publication and in accordance with what purports to be a guarantee from the Editor of "The Veteran."

The guarantee, which is attached, appears to be a memorandum by the Editor of "The Veteran" setting forth that these articles are to consist of one page weekly in 20 consecutive issues, commencing and including the issue of March 10th, 1923, and are to be paid for at the rate of \$300 per week. This memorandum appears to have been approved by the Minister only. With a contract of this kind it is necessary that the approval be by Order in Council, as the amount is above \$5,000.

I would also ask why the payment was made in full on the 10th of March, when the memorandum provided for the payments to be made at the rate of \$300 per week, as the services were rendered.

This amount has been charged to the year 1922-23, although a very small portion of it will come within that year.

Kindly let me have your explanation at once, as it may be necessary to transfer a portion of this amount to the year 1923-24.

I am, sir, your obedient servant,

WM. KEARNS, *Ass't. A.G.*

The Deputy Minister, Dept. of Soldiers' Civil Re-establishment.

---

DEPARTMENT OF SOLDIERS' CIVIL RE-ESTABLISHMENT,

DEPUTY MINISTER'S OFFICE, April 28, 1923.

DEAR SIR,—Replying to your letter of the 25th instant, I would advise you that I have discussed this matter with the Honourable the Minister, and am now able to advise that the payment of this account in a lump sum at the time the contract was made was a matter of agreement as governing the price paid, the terms of which were for advance payment.

If it is your opinion that this payment should be split up into two amounts, one for each fiscal year, it will then possibly be necessary to enter into a new arrangement with "The Veteran"; there will thus be two contracts instead of one, and there will then be no need for a covering Order in Council. On the other hand, I would advise that the publication of these articles was provided for in last year's estimates on the recommendation of the Parliamentary Committee of last session, and would refer you in this regard to the Second and Final Report of the Special Committee of the House of Commons on Pensions, Soldiers' Insurance and Re-establishment, dated June 17th, 1922, particularly to Page 8, Paragraph 3. It is realized that the Department should have arranged for this publicity at a much earlier date. There was a delay, however, in view of the fact that the Royal Commission on Pensions and Re-establishment was appointed, and it was considered that the report of that Commission

would be available in time to permit of the action being taken after receipt of their recommendations. When it became evident that the report would not be available until after the present session was ended, it was decided that a longer delay would not be advisable. While it is true that a percentage of the articles are not appearing until this present fiscal year, as indicated above the arrangement made was based on a lump sum price and at that time this year's appropriations were not available.

As indicated above, I would advise you that if you consider it necessary, an Order in Council authorizing the placing of this advertising will be drawn up and submitted for approval. On the other hand, if you consider that payment of this account should be made in two separate amounts, then no Order in Council would not appear to be necessary, but a new arrangement would probably have to be made with "The Veteran," covering two separate periods.

If you will advise me as to your wishes in this connection I will be glad to see that same are carried out.

Your sincerely,

N. F. PARKINSON, D.M.

The Assistant Auditor General.

AUDIT OFFICE, May 15, 1923.

SIR,—I am in receipt of your letter of April 28th with reference to the payment of \$6,000 to "The Veteran" for the publication of 20 special explanatory articles.

In reply, I may say that I consider it necessary that the authority of the Governor in Council be obtained for this payment.

I have also examined the report of the Special Committee on Pensions, Soldiers' Insurance and Re-establishment, and I cannot find in that report any instructions justifying your Department in making a contract of this kind. The only reference to this appears to be under Section 4 of the Report, which reads:—

"That there should be prepared by the D.S.C.R. a memoranda or set of regulations in brief form and in distinct and ordinary language setting forth in identical terms what the rights of the returned soldier may be and that this be forwarded to each returned soldier with his pension cheque, if any, and sent to any soldier from whom application for help or for pension is received, and in addition be given reasonable publicity through Veterans' magazines and by means of posting notices in the various post-offices throughout Canada stating that the memoranda or set of regulations will be delivered on demand to any returned soldier."

This certainly does not anticipate the preparation of special articles by the editor of a magazine and published under the conditions as set forth in the contract.

With regard to your statement that the payment of the account in a lump sum at the time the contract was made was a matter of agreement as governing the price paid, I would be pleased to have a copy of this agreement, as the agreement forwarded to this office does not provide for any such arrangement.

I am, Sir, your obedient servant,

WM. KEARNS, Asst. A. G.

The Deputy Minister, Dept. of Soldiers' Civil Re-establishment.

DEPARTMENT OF SOLDIERS' CIVIL RE-ESTABLISHMENT,

DEPUTY MINISTER'S OFFICE, June 11, 1923.

DEAR SIR,—Replying to your letter of the 15th May regarding payment to the "Veteran" for the publication of 20 special explanatory articles, I would advise you that Order in Council P.C. 1011 covering this matter was passed on June 4th, 1923. I am attaching a copy herewith for your information.

Regarding the payment of this account in advance, there is no written agreement covering this matter, all of which was covered by verbal arrangement in conjunction with the drawing up of the contract already forwarded to you.

Yours sincerely,

N. F. PARKINSON, *D.M.*

The Assistant Auditor General.

AUDIT OFFICE, June 23, 1923.

SIR,—I am in receipt of your letter of the 11th instant referring to a contract with "The Veteran" for the publication of twenty special articles at a cost of \$6,000, and note that this has now been approved by Order in Council.

As payment has been made in advance, I have to request that you furnish me a statement on completion of the contract, showing the titles of the articles, the dates of publication, with a certificate that the terms of the contract have been carried out to the satisfaction of the Department.

I am, Sir, your obedient servant,

DEAR SIR,—Replying to your letter of the 23rd June, I would advise that such statement as you request will be forwarded to you as soon as the publication of the series of articles in the "Veteran", in accordance with the contract entered into, has been completed.

AUDIT OFFICE, October 23, 1923.

SIR,—With reference to your letter of June 25th last, regarding a payment to "The Veteran" for the publication of 20 special explanatory articles dealing with federal legislation, I would draw your attention to your promise to forward me the statement requested in my letter of June 23rd, and to inform you that, up to the present, this statement has not been received.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister, Dept. of Soldiers' Civil Re-establishment.

## DEPARTMENT OF SOLDIERS' CIVIL RE-ESTABLISHMENT,

DEPUTY MINISTER'S OFFICE, October 26, 1923.

SIR,—I have your letter of October 23rd which refers to my letter of June 29th in respect of the contract with the "Veteran" for the publication of twenty articles concerning Re-establishment.

Seventeen articles have been published as shown by the attached list. It was deemed advisable to reserve a certain amount of space so that information concerning The Federal Appeal Board and its functions might be published. Owing, however, to the temporary suspension of the issue of the "Veteran", due I believe to financial difficulties, the issue of these articles has been delayed. I am informed that the "Veteran" will resume publication during November, when the remaining three articles will be published, of which I will advise you in due course.

Yours very truly,

R. M. STEWART, *Assistant Secretary.*

Assistant Auditor General.

**Purchase of Dictaphones: Order not placed through Stationery Office or Purchasing Commission**

AUDIT OFFICE, February 19, 1923.

SIR,—With reference to the purchase of 16 dictaphones, at a cost of \$3,610, from the Columbia Graphophone Company, Toronto, paid by Head Office cheque No. 21569, will you please inform me why these machines were not ordered through the Stationery Office.

Will you also inform me if this purchase was authorized by the Purchasing Commission, and if the requisition for purchase bears the approval of the Minister, as required by Order in Council No. P.C. 1077 of April 4th, 1921.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister, Dept. of Soldiers' Civil Re-establishment.

## DEPARTMENT OF SOLDIERS' CIVIL RE-ESTABLISHMENT,

DEPUTY MINISTER'S OFFICE, March 3, 1923.

DEAR SIR,—Replying to your letter of the 19th ultimo, I would advise you that the purchase of the above noted was not made through the Stationery Office due to the fact that before recommendation was made to the Honourable the Minister in this connection, it was necessary that the whole question of the use of dictaphone machines by the Department be gone into very carefully through a trial which the Columbia Graphophone Co. and the Edison Dictating Machine Co. were willing to arrange. A number of machines were installed by both companies in the Department and used experimentally for some five weeks prior to any further action being taken.

I would further advise that not only the Stationery Office but also other Government Departments were gotten in touch with by officers of this Department before any action was taken, in order that any surplus machines available might be utilized instead of purchasing new ones. There were no surplus

machines in the Stationery Office at that time but we did get two from the Mines Branch, which, however, were obsolete and not in working order.

For the same reasons as above indicated, this purchase was not made through the Purchasing Commission. It was, however, approved by the Honourable the Minister, and I am given to understand by him that it was also discussed as a matter of policy in Council.

Yours sincerely,

N. F. PARKINSON, D.M.

The Assistant Auditor General.

AUDIT OFFICE, March 14, 1923.

SIR,—In January last the Department of Soldiers' Civil Re-establishment purchased 16 dictaphones from the Columbia Graphophone Company, Toronto. On the 19th ultimo I wrote the Department enquiring why these machines were not purchased through the Stationery Office. In answer to this enquiry the Deputy Minister writes as follows:—

"I would advise you that the purchase of the above noted was not made through the Stationery Office due to the fact that before recommendation was made to the Honourable the Minister in this connection, it was necessary that the whole question of the use of dictaphone machines by the Department be gone into very carefully through a trial which the Columbia Graphophone Co. and the Edison Dictating Machine Co. were willing to arrange. A number of machines were installed by both companies in the Department and used experimentally for some five weeks prior to any further action being taken.

"I would further advise that not only the Stationery Office but also other Government Departments were gotten in touch with by officers of this Department before any action was taken, in order that any surplus machines available might be utilized instead of purchasing new ones. There were no surplus machines in the Stationery Office at that time but we did get two from the Mines Branch which, however, were obsolete and not in working order."

It is not clear how the placing of this order through the customary channels would have affected the trial of the machines which the Department desired to carry out before deciding to purchase. Will you kindly advise if this trial could have been arranged had the order been placed through the Stationery Office.

I shall be obliged if you will also state to what extent the services of the Stationery Office were utilized by the Department, as indicated in the second paragraph quoted, in connection with the purchase.

A description of the equipment secured from the Columbia Graphophone Company is attached. Kindly advise me what the net cost of similar equipment would be if ordered through the Stationery Office.

I am, Sir, your obedient servant,

WM. KEARNS, Asst. A.G.

Superintendent of Stationery, Department of Public Printing and Stationery.

DEPARTMENT OF PUBLIC PRINTING AND STATIONERY,

March 16, 1923.

DEAR SIR,—In reply to yours of the 14th *re* purchase of Dictaphones by the Soldiers' Civil Re-establishment, I am glad to see that the Auditor General's

Office are taking some steps to question purchases of Stationery and Office Supplies, that are purchased otherwise than through this Department, as I have frequently advised the Departments generally as to the irregularity of such purchases. There is no doubt that Dictaphones are considered just as much an office necessity as a Typewriter; consequently purchases should be made through this office.

Regarding the statement that the Soldiers' Civil Re-establishment had made inquiries for second-hand, or any machines, that might be surplus to requirements in other Departments, this is correct. I was not aware though that they had received any from the Mines Branch; in fact if this is the case and the transaction had been properly made, this machine should have been returned here as surplus stores and a requisition from the Soldiers Civil Re-establishment requesting the same sent in, in which case they would have been transferred to them without further charge and the transaction would have been complete, whereas now the records show that these machines were purchased by the Mines Branch and if the question was raised the Mines Branch could not produce them, and we have no record that such machines were transferred to any other Department. On inquiry being made here for surplus machines they were furnished, on requisition No. 6263, with two Transcribing Machines, which were supplied without charge.

Regarding the placing of the order as to its effect on trial, I might state that this could easily have been accomplished; in fact just as readily as it was by handling the order direct. I would also state that as far as the price is concerned our Purchasing Branch would naturally have asked for prices and would have had quotation on file from the manufacturers, in which case the records would have been complete here as to the transaction. This Department, at all times, makes it a special point to procure anything within reason that is required by the different services of the Government, provided that the authority and signature on the requisition is in proper form, with as little delay as possible.

Yours truly,

EDMUND RYDER, *Superintendent of Stationery.*

The Assistant Auditor General.

AUDIT OFFICE, March 20, 1923.

SIR,—I have to acknowledge receipt of your letter of the 3rd instant referring to the purchase of dictaphones from the Columbia Graphophone Company, Toronto.

I enclose a copy of a letter addressed by me to the Superintendent of Stationery on this subject and a copy of his reply.

I may add that I agree with the view expressed by the Superintendent of Stationery that these machines should have been ordered through his office.

I am, sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister, Dept. of Soldiers' Civil Re-establishment.

DEPARTMENT OF SOLDIERS' CIVIL RE-ESTABLISHMENT,

DEPUTY MINISTER'S OFFICE, March 23, 1923.

DEAR SIR,—I have your letter of the 20th instant, referring to the purchase of dictaphones from the Columbia Graphophone Company, Toronto.

I have read the letter addressed to you by the Superintendent of Stationery, and your remarks, and would advise that no future purchases of this nature will be made by the Department without reference to the Superintendent of Stationery.

Yours sincerely,

N. F. PARKINSON, *D.M.*

The Assistant Auditor General.

**Cash Advances: Amounts carried forward from year to year.**

AUDIT OFFICE, January 17, 1923.

SIR,—Cheque No. 1536, issued by your Department during the year 1922-23, covers a payment to the Receiver General for cash advances carried over from the year 1921-22.

Upon examination of the various advances charged, I find that a number of them have been carried over from other years, and, apparently, no attempt has been made to obtain an actual refund. A number of advances appear to be for officials in your own department, while others appear to be for persons not now in the service.

I would be pleased to have a statement from you with regard to each and every one of the items, stating why the amount has been carried over in this way, so as not to have it appear upon the accounts, and why the amounts were not refunded by the various individuals.

I am, sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Supervisor of Expenditures, Dept. of Soldiers' Civil Re-establishment.

---

DEPARTMENT OF SOLDIERS' CIVIL RE-ESTABLISHMENT,

February 22, 1923.

SIR,—With reference to your letter of the 17th ultimo, I enclose list of Cash Advances from 1921-22 Letter of Credit, which are outstanding at the present moment. I have put comments in explanation against each one of these.

Those issued to officials of this Department have been advances on travelling expenses, and from time to time during the year have been refunded and readvanced.

In the case of the advance of \$10,000 to the Saskatchewan Sanatorium, this was fully covered by outstanding maintenance accounts which were due to the Sanatorium. It has been the custom of this Department to make this advance yearly, and outstanding maintenance accounts against the Department will more than liquidate it at any time.

The advance to Mrs. Van Koughnet is used as a revolving fund in the purchase of soldiers' comforts, etc., and the withdrawal of this advance would cause a great deal of inconvenience and delay in the carrying on of the Soldiers' Comfort Branch in Toronto. It must be remembered in this connection that Mrs. Van Koughnet is a voluntary worker and has given every moment of her time, for the last four years, to this work and has not received one cent of remuneration. It would be impossible for us to replace her services by any one else without paying a large salary.

I have given instructions that these advances are to be refunded not later than the end of the fiscal year, and this will be carried out.

I have the honour to be, sir, your obedient servant,

JOHN F. WADDINGTON, *Supervisor of Expenditures.*

The Assistant Auditor General.

---

AUDIT OFFICE, September 15, 1923.

SIR,—I find among the payments made by your Head Office during the current year a number of travelling advances that appear to have been made when no travel was in contemplation.

For instance, the advance made to Dr. W. C. Arnold by cheque No. 564, issued April 18th, 1923, was made to him while he was still charged with an equal amount advanced in 1922-23, which was refunded to Casual Revenue on April 23rd, 1923. I infer that the cheque issued on the 18th was used to make the refund deposited on April 23rd. Advances amounting to \$400 were made to this officer in 1921-22, but in neither year did he submit any travelling claims. Apparently his duties did not require him to travel, and it is not understood why this advance has been extended to him from year to year.

This advance should be refunded, and all others now outstanding that are in excess of the amount required to cover travel in immediate contemplation.

I am, sir, your obedient, servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister, Dept. of Soldeirs' Civil Re-establishment.

---

DEPARTMENT OF SOLDIERS' CIVIL RE-ESTABLISHMENT

DEPUTY MINISTER'S OFFICE, September 18, 1923.

DEAR SIR,—I have your letter of the 15th instant, *re* outstanding travelling advances, and would advise you that it is only comparatively recently that I have had this matter reviewed with a view to reducing the issue of such travelling advances only to those officials who do a considerable amount of travelling; all others to arrange for an advance for any particular journey which must be returned on completion of such journey.

As concerning advance to Dr. Arnold which you mention particularly; I agree with you that it was larger than necessary and I have already advised Dr. Arnold prior to receipt of your letter, that same should be reduced to a amount commensurate with the amount of travelling he is called upon to do. The information contained in your letter is not quite correct, in that Dr. Arnold is called upon to do a considerable amount of travelling over extended periods, since he is Director of Medical Services of the Department and his work includes the inspection of hospitals and Unit organization. I am inclined to think that he has not reduced the amount of the advance before this in accordance with my request, on account of the fact that he was counting on making a trip to the Western Coast this month which has been unavoidably delayed. However, your request will be given immediate attention.

Yours sincerely,

N. F. PARKINSON, *D.M.*

The Assistant Auditor General, Ottawa, Ont.

**Parliamentary grant required for Compensation for Injuries not of  
Legal Obligation**

AUDIT OFFICE, June 15, 1923.

SIR,—I am in receipt of a copy or an Order in Council dated 5th June, 1923, purporting to authorize the payment of two hundred and fifty dollars to Andrew Agnew, of the town of Ste. Agathe des Monts, in complete settlement, as a matter of grace, of his claim for compensation for injuries sustained when he stepped on a broken plank in the board walk fronting the property belonging to your Department in the town.

In view of the fact that there is no legal claim against the Government in connection with this matter, and that the payment is made purely as a matter of grace, I consider that an Order in Council is not sufficient authority for the payment and that allowances of this kind should be made the subject of a special vote by Parliament.

I am, sir, your obedient, servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister, Dept. of Soldeirs' Civil Re-establishment.

**Disablement Fund made up of Voluntary Subscriptions Administered  
by Officer of Department as Trustee**

AUDIT OFFICE, March 17, 1923.

SIR,—Cheque No. 5917, issued by "F" Unit in June, 1922, is in favour of Disablement Fund, "F" Unit, London, Ont., and appears to have been deposited to the credit of the Disablement Fund by the Unit Director.

Kindly inform me as to the nature of this fund and whether it is carried as an official account in the Unit, and for what purpose it is used.

I am, sir, your obedient, servant,

WM. KEARNS, *Asst. A.G.*

The Supervisor of Expenditures, Dept. of Soldiers' Civil Re-establishment.

---

DEPARTMENT OF SOLDIERS' CIVIL RE-ESTABLISHMENT,

DEPUTY MINISTER'S OFFICE, March 24, 1923.

SIR,—Your letter of the 17th instant to the Supervisor of Expenditures has been referred to me for reply. The Disablement Fund is a fund which was created in 1915 through various voluntary subscriptions paid to the Military Hospitals Commission, predecessor of this Department, for loan or donation purposes. It has been administered by me as sole trustee since its inception. I enclose for your information a set of the regulations governing the operation of this fund in the various units of the Department. Each unit is furnished with a certain sum of money.

2. I do not know the details of the particular transaction to which you call attention but it is not an infrequent thing for it to be necessary to make an advance to a man a little ahead of time, or even to pay him the full amount due and to obtain his authority to reimburse the Disablement Fund for such an advance out of any pay and allowances which may be coming due to him. I presume the case in question falls under this head.

3. As the money standing to the credit of this fund has not been provided by the Government no statement has been made to your office. The accounts, however, are audited by the district and head office audit staff of this Department and a summary of the standing of the fund is always included in the annual report.

4. I trust this information is what you require.

Yours faithfully,

E. H. SCAMMELL, *Asst. D.M.*

Assistant Auditor General.

---

AUDIT OFFICE, April 5, 1923.

DEAR SIR,—I beg to enclose herewith, for the information of the Treasury Board, copy of correspondence between this office and the Department of Soldiers' Civil Re-establishment respecting a fund known as the Disablement Fund, which, it would appear from the Assistant Deputy Minister's letter, is under his administration as sole trustee since its inception.

A statement of this fund has been inserted in the report of the Department of Soldiers' Civil Re-establishment for the fiscal year ended March 31st, 1922, on page 83, showing total amount of subscriptions of \$128,628.17 and the disposition made of this amount and the accruing interest thereon.

This statement, though published in the Departmental Report for the information of Parliament, has not been submitted for audit to this office, but the fact of including the transactions in the annual report of the Department may give the impression to the subscribers to the fund that it is being administered on lines similar to those provided by law for the administration of the Patriotic Fund.

As this is not so, I feel I should let you know the facts of the case for such action as may be deemed necessary.

I enclose a copy of the Regulations and Instructions governing the administration of the fund sent me by the Department.

I am, sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

Deputy Minister, Finance Dept.

### **Expenses of Witness before Special Parliamentary Committee charged to Departmental Appropriation**

AUDIT OFFICE, December 22, 1922.

SIR,—In July, 1922, cheque No. 5406 was issued by your Department to Thomas Hurst, to cover his claim for board in Ottawa and travel from Vancouver, while engaged in pressing a claim against the Government for difference between Army Pay and Technical Pay, during his services overseas.

The only authority given is the approval of the Minister. In this connection I would be pleased to have you inform me why this was made a charge against your Department, as the claim is apparently one in connection with the Department of Militia and Defence and if any allowances are to be made, it should be authorized by an Order in Council.

I am, sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

Supervisor of Expenditures, Dept. of Soldiers' Civil Re-establishment.

DEPARTMENT OF SOLDIERS' CIVIL RE-ESTABLISHMENT, December 29, 1922,

*Re: Thomas Hurst.*

SIR,—I have received your letter of December 22nd with regard to cheque No. 5406 issued by this Department to Thomas Hurst covering his claim for board in Ottawa and travel from Vancouver.

This man came to Ottawa from Vancouver to appear before the Committee on Pensions and Re-establishment last session (see Proceedings, pages 245-260) in order to present his claim for working pay while in the C.E.F. The man had every reason to believe that his claim would be allowed; but as it was not possible technically to grant this, it was decided, after consultation with the Committee, that, as the man was without funds, his passage back to Vancouver and his subsistence while in Ottawa should be paid. This payment was approved by the Minister.

Yours very truly,

JOHN F. WADDINGTON, *Supervisor of Expenditures.*

The Auditor General.

AUDIT OFFICE, January 11, 1923.

SIR,—I am in receipt of your letter of the 29th ultimo with regard to cheque No. 5406, issued in favour of Thomas Hurst, covering his claim for board in Ottawa and travel from Vancouver.

In reply, I may say that if this man was summoned by the Committee on Pensions and Re-establishment, his transportation should have been paid by that Committee and not by your Department, and I would be pleased to know what reasons led the Committee to request that your Department pay the expenses.

I am, sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Supervisor of Expenditures, Dept. of Soldiers' Civil Re-establishment.

DEPARTMENT OF SOLDIERS' CIVIL RE-ESTABLISHMENT, January 15, 1923.

*Re: Thomas Hurst.*

DEAR SIR,—Replying to your letter of January 11th regarding the claim for board in Ottawa and return journey to Vancouver paid by the Department of Soldiers' Civil Re-establishment for Thomas Hurst, this man appeared before the Committee on Pensions and Re-establishment giving evidence of his substantial claim for pay and allowances which was finally not acceded to; but the Committee rose before his travelling claim was authorized. It, therefore, devolved upon the Minister of this Department to authorize this claim, which he did.

Yours faithfully,

JOHN F. WADDINGTON, *Supervisor of Expenditures.*

The Auditor General.

### Payment of Removal Expenses on Appointment

AUDIT OFFICE, January 3, 1923.

SIR,—Cheque No. 11070, issued by your Department in September, 1922, covers the payment of \$97.40 to Joseph N. Bisson for his transportation expenses, including household furniture, from Quebec to Ottawa.

I do not find that this account was ever submitted to the Treasury Board, as provided by the Order in Council governing removal expenses. It would also appear that this was not a removal, but was an original appointment, in which case Mr. Bisson would not be entitled to removal expenses.

Kindly inform me under what authority this payment was made, and whether Mr. Bisson was employed by your Department prior to his transfer to Ottawa.

I am, sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Supervisor of Expenditures, Dept. of Soldiers' Civil Re-establishment.

DEPARTMENT OF SOLDIERS' CIVIL RE-ESTABLISHMENT, January 15, 1923.

DEAR SIR,—Replying to your letter of January 3, re cheque No. 11070 issued in September, 1922, covering a payment of \$97.40 to Joseph Bisson for transportation expenses, including household furniture, from Quebec to Ottawa, this transfer was made on the authority of the Minister of this Department.

I have taken the matter up with the Minister and informed him that these accounts must be submitted to the Treasury Board in the future, as provided by Order in Council governing removal expenses.

Mr. Bisson was not employed by this Department prior to his transfer to Ottawa.

Yours faithfully,

JOHN F. WADDINGTON, *Supervisor of Expenditures.*

The Assistant Auditor General.

### Cost of Medical Treatment of Fenian Raid and Northwest Rebellion Pensioners

AUDIT OFFICE, September 29, 1923.

SIR,—I am in receipt of an Order in Council, dated the 12th of September, 1923, in which the provisions of Order in Council P.C. 580, dated 10th March, 1922, and the amendment thereto are extended to include any Fenian Raid or Northwest Rebellion pensioner who may be in need of medical treatment, and the Order in Council provides that the cost of such treatment shall be charged to the Parliamentary Votes for treatment and allowances of former members of the Canadian Expeditionary Forces.

In this connection I would draw your attention to the fact that the Parliamentary Vote for treatment and allowances to former members of the Canadian Expeditionary Forces is not applicable to the payment of treatment or allowances to Fenian Raid or Northwest Rebellion pensioners, and until such time as Parliament makes provision for these payments, I cannot accept any payment under the Order in Council above quoted.

I am, sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister, Dept. of Soldiers' Civil Re-establishment.

## DEPARTMENT OF SOLDIERS' CIVIL RE-ESTABLISHMENT,

DEPUTY MINISTER'S OFFICE, October 8, 1923.

SIR,—With reference to your letter of the 29th ultimo and my recent conversation with you I beg to call your attention to the fact that the term used in Order in Council P. C. 1808, of the 12th September, 1923, "the Parliamentary Votes for treatment and allowances to former members of the Canadian Expeditionary Force", was used in order definitely to refer to the Parliamentary Votes granted to this Department. It did not mean that these Votes were intended exclusively to cover former members of the Canadian Expeditionary Force but that they were principally intended for that purpose. No mention is made in the votes themselves as to the particular objects to which they are to be applied other than that they are for this Department.

2. For some years the medical examination of Fenian Raid and Northwest Rebellion pensioners has been charged to the "care of patients and medical examination of pensioners" as set forth in Vote No. 286. The salaries of medical officers and others engaged in this work are covered by Vote No. 288.

3. In view of the fact that Votes 285-297 inclusive are not limited by statute to former members of the Canadian Expeditionary Force but are for the purpose of the work of this Department, part of which would appear to be the duty of caring for pensioners who served in the Fenian Raid or Northwest Rebellion, it would appear that the Department is justified in charging any costs incurred to these votes.

4. You mentioned in our conversation that it might be necessary to secure a further Order in Council. If you still are of this opinion the matter can, of course, be dealt with but I hardly think this is necessary as the intention of Parliament would appear to have been quite clear, namely to provide funds for the work of the Department.

Yours faithfully,

E. H. SCAMMELL, *Asst. D.M.*

Assistant Auditor General, Ottawa.

AUDIT OFFICE, October 17, 1923.

SIR,—I am in receipt of your letter of the 8th instant with reference to Order in Council No. 1808, of the 12th September, 1923, in which the provisions of Order in Council No. 580, of the 10th March, 1922, are extended to include any Fenian Raid and Northwest Rebellion pensioners who may be in need of medical treatment.

In reply, I may say that the Order in Council referred to the Parliamentary Vote as for the treatment and allowances of former members of the Canadian Expeditionary Force, and while the vote in question does not specifically state that it is confined to members of the Canadian Expeditionary Force, I am of the opinion that such was the intention of Parliament, and that payments for medical treatment of Fenian Raid and Northwest Rebellion pensioners should be covered by a special vote, in the same way as are the pensions paid to these people. But with the assurance that the vote for Care of Patients and Medical Examination of Pensioners, voted under the head of Soldiers' Civil Re-establishment, included an amount to cover these payments, and that Parliament so intended it, there will be no further objection from this office.

I am, sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister, Dept. of Soldiers' Civil Re-establishment.

**Expenses of Repatriation of Overseas Forces Resident in England**

DEPARTMENT OF SOLDIERS' CIVIL RE-ESTABLISHMENT,

December 30, 1922.

SIR,—I have to-day received letter dated 13th December from the Secretary of the High Commissioner's Office enclosing receipts covering the amount of £332-8-0, being the proceeds of our cable transfer to the Bank of Montreal on July 21st, 1922.

Under Order in Council P.C. 1757, dated 7th September, 1922, the findings of a Special Committee appointed by the House of Commons were submitted by the Minister, Dept. of Soldiers' Civil Re-establishment, containing the recommendation that subject to the regulations to be drawn up by the Department of Soldiers' Civil Re-establishment and other Departments of the Government concerned, provision should be made regarding repatriation.

Recommendations of this Department which, having at this time a London Office dealing with matters of unemployment relief, hospital care, etc., and Pension matters, and capable, therefore, of handling the administrative problems connected with the aforementioned recommendations, did not meet with the plans of the Government so that an administration staff was appointed under the office of the High Commissioner of Canada in London to deal with these several matters including Unemployment Relief, and repatriation.

As the recommendations of this Department were not conceded, and as we are of the opinion that the fulfilment of the spirit of the Order in Council is open to various interpretations, it is not considered that this Department can accept any responsibility beyond that of financial agents for the repayment of amounts expended under this Order in Council.

Therefore, the attached original vouchers are forwarded to you for what action you deem right to take under the circumstances.

Needless to say, we shall be happy, as always, to render any co-operative assistance you may require from us.

I am, sir, your obedient servant,

JOHN F. WADDINGTON, *Supervisor of Expenditures.*

The Auditor General.

AUDIT OFFICE, March 6, 1923.

SIR,—I beg to acknowledge the receipt of your letter of December 30th, 1922, with reference to certain expenditure in connection with the repatriation of overseas forces resident in England made through the Office of the High Commissioner in which you say:—

"Recommendations of this Department which, having at this time, a London Office dealing with matters of unemployment relief, hospital care, etc., and pension matters, and capable therefore of handling the administrative problems connected with the aforementioned recommendations did not meet with the plans of the Government so that an administration staff was appointed under the Office of the High Commissioner of Canada in London to deal with these several matters including unemployment relief and repatriation."

You further state that "as the recommendations of this Department were not conceded, and as we are of opinion that the fulfilment of the spirit of the Order in Council is open to various interpretations, it is not considered that this Department can accept any responsibility beyond that of financial agents for the repayment of amounts expended under this Order in Council."

As it is essential to a proper audit of the expenditure in question that the vouchers sent me in support of such expenditure shall be certified as required by the Consolidated Revenue and Audit Act, by some responsible officer of the Government, I shall be obliged if you will let me know to whom I am to apply for this necessary certificate.

A summary of the expenditure for the months of October, November and December, 1922, shows as follows:—

Administration.. . . . .	£799.	13.	3
Passages paid.. . . . .	435.	19.	8
Relief.. . . . .	70.	0.	6

making a total of £1305. 13. 5. You will notice the administration expenses exceed the expenditure for repatriation, etc., by £293. 13. 1, that is, the expenditure on administration was over sixty per cent of the total amount.

It seems to me this apparently excessive amount for administration purposes should be explained.

I am, sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

Supervisor of Expenditures, Department of Soldiers' Civil Re-establishment.

---

DEPARTMENT OF SOLDIERS' CIVIL RE-ESTABLISHMENT,

DEPUTY MINISTER'S OFFICE, March 23, 1923.

DEAR SIR,—I regret that I have delayed replying to your letter of the 6th instant, addressed to the Supervisor of Expenditures.

In connection with the expenditures on account of Repatriation; as you were previously advised in a communication from this office, this Department has no means of either controlling such expenditures or obtaining information with regard to same.

My understanding of the situation is that the employees performing this work are under the jurisdiction of the High Commissioner's Office in London, and information respecting their accounts should apparently be obtained through the office of the Secretary of State for External Affairs.

Yours sincerely,

N. F. PARKINSON, *D.M.*

The Auditor General.

---

AUDIT OFFICE, March 31, 1923.

SIR,—I beg to enclose herewith copy of correspondence between the Department of Soldiers' Civil Re-establishment and this Office respecting certain expenditures made through the High Commissioner's Office, London, England.

You will notice that the Department refuses to certify the accounts, sent from the High Commissioner's Office, in accordance with the provisions of the Consolidated Revenue and Audit Act, for the reason that the employees performing the work—Repatriation of Overseas Forces—are under the jurisdiction of the High Commissioner's Office and that the Department has no means of either controlling such expenditures or obtaining information with regard to them.

SESSIONAL PAPER No. 1

In my letter to the Department under date March 6th, 1923, I called attention to the seemingly excessive amount spent on administration and I shall be obliged if you will obtain from the proper source an explanation of this expenditure.

Has the authority of the Governor General in Council been obtained for the employment of the administration staff in connection with repatriation expenditure under the supervision of the High Commissioner and for the rates of remuneration at which the members have been paid?

I am, sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

Sir JOSEPH POPE, Under Secretary of State, External Affairs.

---

DEPARTMENT OF EXTERNAL AFFAIRS, April 5, 1923.

SIR,—I have the honour to acknowledge the receipt of your letter of the 31st ultimo, asking me to make enquiries of the High Commissioner with regard to certain expenditures made by him on behalf of the Department of Soldiers' Civil Re-establishment.

In reply I beg to say that this seems to be a matter entirely between the High Commissioner and the Department of Soldiers' Civil Re-establishment, in respect of which this Department has no knowledge. If the High Commissioner is written to, I feel sure that Mr. Larkin will be ready to afford any explanations asked for and to give any necessary certificates.

I have the honour to be, Sir, your obedient servant,

JOSEPH POPE, *Under-Secretary of State for External Affairs.*

The Auditor General, Ottawa.

---

AUDITOR GENERAL'S OFFICE, April 18, 1923.

SIR,—I have the honour to acknowledge the receipt of your letter of the 5th instant with reference to certain expenditures made by the High Commissioner at London, England in connection with the repatriation of overseas soldiers in which you intimate that the information asked for in my letter of the 31st ultimo should be obtained by me from the High Commissioner direct.

I made application for the information to you because I assumed the High Commissioner, in all matters of administration, reported through your Department to the Minister of the Crown responsible to Parliament for all expenditure in connection with or under the supervision of the High Commissioner's Office.

The Deputy Minister of the Department of Soldiers' Civil Re-establishment has informed me by letter, a copy of which I sent you, that his Department is not in a position to certify the expenditure authorized by the High Commissioner in connection with the repatriation of overseas forces for the reason that the recommendations of the Department "did not meet with the plans of the Government so that an administration staff was appointed under the Office of the High Commissioner of Canada in London to deal with these several matters including unemployment, relief and repatriation".

I presume the administration staff referred to was appointed through your Department and would be responsible to you through the High Commission for expenditure incurred by them or under their supervision.

It is, in my opinion, essential to a proper accounting of public moneys that the Departments of Government at Ottawa should assume responsibility for all expenditure made by their agents and, as the Department of Soldiers' Civil Re-establishment, to whom the High Commissioner forwarded the accounts, has refused to assume the responsibility called for by the Consolidated Revenue and Audit Act, it seemed to me that, as the High Commissioner's Office is more closely connected officially with the Department of External Affairs than with any other Department at Ottawa you might be in a position to obtain the information and certificate which I regard as necessary to a proper audit of the expenditure in question.

I have the honour to be, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

Sir JOSEPH POPE, Under-Secretary of State for External Affairs.

## Païement effectué à l'avance sur Contrat relatif à la Publication d'Articles spéciaux dans le Magazine des Vétérans

BUREAU DE L'AUDITEUR, 25 avril 1923.

CHER MONSIEUR,—Le 23 mars 1923, votre bureau a émis le chèque n° 27392 au montant de \$6,000 en faveur de la publication "The Veteran", soit le plein montant exigé pour la publication de 20 articles explicatifs spéciaux sur la législation fédérale concernant les intérêts des vétérans canadiens et de leurs dépendants. Ces articles devaient être préparés par le rédacteur du "Veteran", soumis à votre approbation avant d'être publiés et conformes à la garantie donnée à ce sujet par ledit rédacteur du "Veteran".

La garantie, qui est annexée, semble n'être qu'un mémoire du rédacteur du "Veteran" à l'effet que ces articles devront comprendre une page par semaine dans 20 numéros consécutifs, qu'on en commencera la publication dans le numéro du 10 mars 1923 et qu'on les paiera au taux de \$300 par semaine. Ce mémoire semble n'avoir été approuvé que par le ministre. Pour un contrat de ce genre il est nécessaire de le faire approuver par un arrêté en Conseil, car le montant dépasse \$5,000.

Je désirerais également savoir comment il se fait que le paiement a été fait au complet le 10 mars, lorsque le mémoire stipule que les paiements se feront au taux de \$300 par semaine, à mesure que les articles seront publiés.

On porte ce montant au compte de l'exercice 1922-23, bien qu'une faible partie seulement de ce travail soit exécuté au cours de cette période.

Veuillez avoir la bonté de me donner immédiatement des explications à ce sujet, car il sera peut-être nécessaire de transporter une partie de ce montant au compte de l'exercice 1923-24.

Je suis, cher monsieur, votre obéissant serviteur,

WM. KEARNS, A.G. adj.

Le sous-ministre du Rétablissement des Soldats dans la vie civile.

MINISTÈRE DU RÉTABLISSEMENT DES SOLDATS DANS LA VIE CIVILE,

BUREAU DU SOUS-MINISTRE, 28 avril 1923.

CHER MONSIEUR,—En réponse à votre lettre du 25 courant, je vous ferai remarquer que j'ai discuté cette question avec le ministre, et je suis en mesure maintenant de vous dire que le versement de cette somme en un seul montant est une des conditions auxquelles ce prix a été consenti lors de la signature du contrat, et que ce versement devait être fait à l'avance.

Si vous êtes d'avis que ce paiement doit être divisé en deux montants, un pour chaque exercice, il sera peut-être nécessaire de conclure une nouvelle entente avec le "Veteran". Il y aura alors deux contrats au lieu d'un, et nous n'aurons pas besoin de les faire approuver par un arrêté en Conseil. D'un autre côté, je vous ferai remarquer que les crédits nécessaires à la publication de ces articles ont été inclus dans le budget de l'an dernier sur la recommandation du comité parlementaire de la dernière session, et à ce sujet je vous renvoie au deuxième et dernier rapport du comité spécial de la Chambre des Communes sur les pensions, l'assurance et le rétablissement des soldats, daté le 17 juin 1922, et tout particulièrement au paragraphe 3 de la page 8. Il est évident que le ministère aurait dû prendre des mesures au sujet de cette publicité beaucoup plus tôt. Cependant, il y a eu retard à la suite de l'institution de la Commission Royale sur les pensions et le rétablissement. On croyait que le rapport de cette Commission serait prêt à temps pour permettre d'agir après sa réception. Lorsqu'il devint évident qu'il

ne serait pas prêt avant la fin de la présente session, on décida qu'il ne serait pas bon de retarder plus longtemps. Il est vrai qu'un certain nombre de ces articles ne seront publiés qu'au cours du présent exercice, mais le prix mentionné au contrat était conditionnel à son versement en un seul montant et les crédits de l'année courante n'étaient pas disponibles alors.

Si vous jugez qu'il soit nécessaire de faire autoriser cette publicité par un arrêté en Conseil, on le rédigera et on le fera approuver. D'un autre côté, si vous êtes d'avis, que ce paiement doit s'effectuer en deux montants distincts, il semble que l'arrêté en Conseil ne sera pas nécessaire, mais il faudra probablement conclure une nouvelle entente avec le "Veteran", pour couvrir les deux périodes.

Veuillez avoir la bonté de me faire connaître vos volontés à ce sujet, je m'y conformerai avec plaisir.

Bien à vous,

N. F. PARKINSON, S.-M.

A l'Auditeur général adjoint.

---

BUREAU DE L'AUDITEUR, 15 mai 1923.

CHER MONSIEUR,—J'accuse réception de votre lettre du 28 avril relativement au paiement de \$6,000 au "Veteran" pour la publication de 20 articles explicatifs spéciaux.

En réponse, je vous ferai remarquer qu'il est nécessaire, à mon avis, de faire autoriser ce déboursé par le Gouverneur en conseil.

J'ai également parcouru le rapport du comité spécial sur les pensions, l'assurance et le rétablissement des soldats, et je n'y trouve aucune instruction autorisant votre ministère à signer un contrat de ce genre. La seule mention qui y est faite se trouve à l'article 4 de ce rapport. Il se lit comme suit:—

"Que le ministère du R.S.V.C. prépare un memorandum ou une série de règlements sous une forme abrégée et dans un langage simple et clair indiquant quels sont les droits de l'ancien soldat, et que cela soit transmis à chaque ancien soldat avec son chèque de pension, s'il en reçoit un, et à tout soldat demandant de l'aide ou une pension, et en outre que ce memorandum soit l'objet d'une publicité raisonnable dans les revues des vétérans et au moyen d'avis affichés dans tous les bureaux de poste du pays indiquant que ce mémoire ou cette série de règlements sera transmise à tout ancien soldat, sur demande."

Ce paragraphe ne fait aucunement prévoir la préparation d'une série d'articles spéciaux par le rédacteur d'un magazine et sa publication aux conditions énoncées dans le contrat.

En ce qui concerne votre déclaration à l'effet que le versement de cette somme en un seul montant est une des conditions auxquelles ce prix a été consenti lors de la signature du contrat, je serais heureux d'avoir une copie de cette entente, car il n'est aucunement question de cet arrangement dans la copie qui m'a été transmise.

Je suis, cher monsieur, votre obéissant serviteur,

WM. KEARNS, A.G. adj.

Le sous-ministre du R.S.V.C.

MINISTÈRE DE LA RÉINTÉGRATION SOCIALE DES SOLDATS

BUREAU DU SOUS-MINISTRE, le 11 juin 1923.

CHER MONSIEUR.—En réponse à votre lettre du 15 mai concernant le paiement au "Veteran" de la publication de 20 articles d'explications spéciales, je

SESSIONAL PAPER No. 1

vous ferai observer que le décret C.P. 1011 relatif à cette question a été rendu le 4 juin 1923. Vous en trouverez une copie, ci-joint, pour votre information.

Quant au paiement de ce compte d'avance, il n'y a pas de convention écrite s'y rapportant. La chose a été entendue verbalement lorsqu'il s'est agi de la rédaction du contrat qui vous a été transmis.

Bien à vous,

N. F. PARKINSON, S.-M.

L'Auditeur général adjoint, Ottawa.

BUREAU DE VÉRIFICATION, 23 juin 1923.

MONSIEUR,—J'accuse réception de votre lettre du 11 courant concernant un contrat passé avec le "Veteran" pour la publication de vingt articles spéciaux au coût de \$6,000, et je constate que la chose a été approuvée par un décret.

Comme le paiement a été effectué d'avance, je dois vous prier de me fournir un état, lors de l'accomplissement du contrat, montrant les titres des articles, les dates de publication, avec un certificat attestant que les conditions du contrat ont été remplies à la satisfaction du ministère.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, A.G. adj.

Le sous-ministre de la Réintégration sociale des soldats.

MINISTÈRE DE LA RÉINTÉGRATION SOCIALE DES SOLDATS

BUREAU DU SOUS-MINISTRE, 25 juin 1923.

CHER MONSIEUR,—En réponse à votre lettre du 23 juin, je dois vous dire que l'état demandé vous sera transmis dès que la série des articles du "Veteran" aura été publiée en entier, suivant les termes du contrat.

Bien à vous,

N. F. PARKINSON, S.-M.

L'Auditeur général adjoint, Ottawa.

BUREAU DE VÉRIFICATION, 23 octobre 1923.

MONSIEUR,—Au sujet de votre lettre du 25 juin concernant le paiement au "Veteran" de la publication de vingt articles spéciaux relatifs à la législation fédérale, j'appelle votre attention sur la promesse que vous m'avez faite de me transmettre l'état requis dans ma lettre du 23 juin, et je tiens à vous apprendre que jusqu'à présent nous n'avons pas encore reçu cet état.

Je suis, monsieur, Votre obéissant serviteur,

WM. KEARNS, A.G. adj.

Le sous-ministre de la Réintégration sociale des soldats.

MINISTÈRE DU RÉTABLISSEMENT DES SOLDATS DANS LA VIE CIVILE

BUREAU DU SOUS-MINISTRE, le 26 octobre 1923.

CHER MONSIEUR,—J'ai reçu votre lettre du 23 octobre au sujet de la mienne du 29 juin concernant le contrat passé avec le "Veteran" pour la publication de vingt articles ayant trait à la réintégration.

Dix-sept articles ont paru comme l'indique la liste ci-jointe. Nous avons jugé à propos de réserver une certaine quantité d'espace à des renseignements concernant le Bureau fédéral des Appels et ses fonctions. Mais par suite de la suspension temporaire de la publication du "Veteran", causée, je crois, par des difficultés financières, la publication de ces articles s'est trouvée retardée. On m'informe que le "Veteran" va paraître en novembre alors que le reste de nos articles sera publié. Je vous en avertirai, le moment venu.

Votre tout dévoué,

R. M. STEWART, *Sous-secrétaire.*

L'auditeur général adjoint.

### Achat de dictaphones: Commande donnée en dehors du bureau de la Papeterie et de la commission des Achats.

BUREAU DE VÉRIFICATION, 19 février 1923.

MONSIEUR,—Au sujet de l'achat de 16 dictaphones au coût de \$3,610, de la *Columbia Graphophone Company*, Toronto, payé par le chèque du bureau-chef n° 21569, veuillez me dire pourquoi ces machines n'ont pas été commandées par l'intermédiaire du bureau de la Papeterie.

Voulez-vous aussi me dire si cet achat a été autorisé par la Commission des Achats et si la requisition de cet achat porte l'approbation du ministre, tel que requis par le décret C.P. 1077 du 4 avril 1921.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Le sous-ministre de la Réintégration sociale des soldats.

### MINISTÈRE DU RÉTABLISSEMENT DES SOLDATS DANS LA VIE CIVILE

BUREAU DU SOUS-MINISTRE, le 3 mars 1923.

MONSIEUR,—En réponse à votre lettre du 19 du mois passé je dois vous informer que l'achat des seize dictaphones n'a pas été fait par l'entremise de la division de la papeterie parce que, avant que la chose ne fut recommandée au ministre, il était nécessaire que le ministère étudiât soigneusement la question de l'emploi des dictaphones et en fit faire un essai par la *Columbia Gramophone Co.* et la *Edison Dictating Machine Company*, ce à quoi les deux compagnies consentirent. Un certain nombre de machines furent installées au ministère par les deux compagnies; le ministère s'en servit pendant cinq semaines avant de prendre aucune décision.

Je puis vous informer, en outre, que les fonctionnaires du ministère consultèrent non seulement la division de la papeterie mais aussi les autres ministères avant de prendre aucune décision, afin de pouvoir utiliser les machines disponibles plutôt que d'en acheter de nouvelles. Il n'y avait pas, à cette époque, de machines disponibles à la division de la papeterie, mais nous en trouvâmes deux à la division des Mines; toutefois elles étaient démodées et en mauvais état.

Pour la raison précitée l'achat n'a pas été négocié par l'entremise de la Commission d'achat. Cependant le ministre y donna son approbation et il m'a laissé entendre que la chose a été discutée par le cabinet.

Votre dévoué,

N. F. PARKINSON, *S.-M.*

A l'Auditeur général adjoint.

BUREAU DE L'AUDITEUR GÉNÉRAL, le 14 mars 1923.

MONSIEUR,—Au mois de janvier dernier le ministère du Rétablissement des Soldats dans la vie civile a acheté 16 dictaphones de la *Columbia Gramophone Company*, de Toronto. Le 19 écoulé j'écrivai au ministère pour lui demander pourquoi l'achat n'avait pas été fait par la division de la papeterie. En réponse le sous-ministre m'a écrit ce qui suit:

"Je dois vous informer que l'achat des seize dictaphones n'a pas été fait par l'entremise de la division de la papeterie parce que, avant que la chose ne fut recommandée au ministre, il était nécessaire que le ministère étudiât soigneusement la question de l'emploi des dictaphones et en fit faire un essai par la *Columbia Gramophone Co.* et la *Edison Dictating Machine Co.*, ce à quoi les deux compagnies consentirent. Un certain nombre de machines furent installées au ministère par les deux compagnies; le ministère s'en servit pendant cinq semaines avant de prendre aucune décision.

"Je puis vous informer, en outre, que les fonctionnaires du ministère consultèrent non seulement la division de la papeterie mais aussi les autres ministères avant de prendre aucune décision, afin de pouvoir utiliser les machines disponibles plutôt que d'en acheter de nouvelles. Il n'y avait pas de machines disponibles à la division de la papeterie, mais nous en trouvâmes deux à la division des Mines; toutefois elles étaient démodées et en mauvais état."

Je ne comprends pas clairement comment l'essai que le ministère voulait faire des machines avant d'en décider l'achat aurait été affecté si la commande avait passé par le canal usuel. Auriez-vous la bonté de me dire si l'essai aurait pu se faire au cas où la commande aurait été donnée par la division de la papeterie?

Je vous serais obligé si vous me disiez jusqu'à quel point le ministère a eu recours à la division de la papeterie, tel que déclaré au second paragraphe cité, relativement à cet achat.

Vous trouverez ci-joint une description des machines achetées de la *Columbia Gramophone Company*. Veuillez me dire quel serait le prix net de machines semblables commandées par la division de la papeterie?

Votre obéissant serviteur,

WM. KEARNS, A.G. adj.

DIVISION DES IMPRESSIONS ET DE LA PAPETERIE PUBLIQUES, le 16 mars 1923.

MONSIEUR,—En réponse à la vôtre du 14 relativement à l'achat de dictaphones par le ministère du Rétablissement des Soldats dans la vie civile, je suis heureux de constater que le Bureau de l'Auditeur général s'enquiert des achats de fournitures de bureau effectuées autrement que par l'intermédiaire de cette division; j'ai souvent averti les ministères de l'irrégularité de tels achats. Il n'y a pas de doute que le dictaphone, tout autant que le dactylographe, est un article de bureau, et l'achat devrait s'en faire par l'intermédiaire de notre division.

La déclaration que le ministère du Rétablissement des Soldats dans la vie civile s'est enquis si nous avions des machines usagées ou autres ou si les ministères en avaient dont ils ne se servaient pas, est exacte. J'ignorais toutefois qu'il en avait obtenu de la division des Mines. Si la transaction s'était faite régulièrement, cette machine nous aurait été renvoyée et le ministère du Rétablissement

des Soldats nous aurait adressé sa demande; nous les lui aurions transférées sans frais additionnels et la transaction aurait été complète. Les livres indiquent que ces machines furent achetées par la division des Mines, et si on les demandait la division ne pourrait pas les produire et nos registres n'indiquent pas que ces machines furent transférées à un autre ministère. Quand on nous les demanda nous livrâmes les machines dont nous disposions; la réquisition portait le numéro 6263; nous livrâmes aussi sans frais, deux machines reproductrices.

Je dois dire que nous aurions pu obtenir l'essai en plaçant nous-mêmes la commande tout aussi bien que le ministère. Quant au prix, je dois dire que notre division d'achat s'en serait enquis; elle a d'ailleurs les listes de prix des manufacturiers et nous aurions tenu des écritures complètes de la transaction. Notre division s'efforce constamment d'acquiescer, dans le moindre délai possible, tout ce que demandent les divers services du gouvernement pourvu qu'on nous présente une réquisition régulièrement autorisée et signée.

Votre dévoué,

EDMUND RYDER, *Surintendant de la Papeterie.*

L'Auditeur général adjoint.

BUREAU DE L'AUDITEUR, 20 mars 1923.

CHER MONSIEUR.—J'accuse réception de votre lettre du 3 courant concernant l'achat de dictaphones de la *Columbia Graphophone Company*, Toronto.

J'inclus une copie de la lettre que j'ai adressée au Surintendant de la Papeterie à ce sujet, ainsi qu'une copie de sa réponse.

J'ajouterais que j'approuve l'idée exprimée par le Surintendant de la Papeterie à l'effet que ces machines auraient dû être commandées par son bureau.

Je suis, monsieur, votre obéissant serviteur.

WM. KEARNS, *A.G. adj.*

Le Sous-ministre du R.S.V.C.

MINISTÈRE DU RÉTABLISSEMENT DES SOLDATS DANS LA VIE CIVILE,

OTTAWA, 23 mars 1923.

CHER MONSIEUR.—J'accuse réception de votre lettre du 20 courant au sujet de l'achat des dictaphones de la *Columbia Graphophone Company*, Toronto.

J'ai pris connaissance de la lettre que vous avez adressée au Surintendant de la Papeterie, ainsi que de vos observations, et vous pouvez être certain qu'à l'avenir aucun achat de cette nature ne sera fait par le département sans consulter le Surintendant de la Papeterie.

Bien à vous,

N. F. PARKINSON, *S.-M.*

L'Auditeur Général adjoint.

### Débours: Montants reportés d'année en année

BUREAU DE L'AUDITEUR, 17 janvier 1923.

CHER MONSIEUR.—Le chèque n° 1536, émis par votre département au cours de l'année 1922-23, couvre une remise faite au Receveur Général pour des débours reportés de l'année 1921-22.

Sur examen des diverses avances portées à ce compte, je constate qu'un certain nombre d'entre elles sont reportées d'autres années, et, apparemment,

aucun effort n'a été fait pour obtenir un remboursement. Certaines de ces avances semblent avoir été faites à des fonctionnaires de votre département, tandis que d'autres semblent l'avoir été à des personnes qui ne font plus partie du service.

Je désirerais que vous me transmettiez un relevé concernant chacun de ces item, avec les raisons justifiant le report de ce montant de manière à ce qu'il n'apparaisse pas dans les comptes, et les raisons pour lesquelles ces montants n'ont pas été remboursés par les divers individus.

Je suis, cher monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Le Contrôleur des Dépenses, ministère du R.S.V.C.

MINISTÈRE DU RÉTABLISSEMENT DES SOLDATS DANS LA VIE CIVILE, le 22 février 1923.

MONSIEUR,—Au sujet de votre lettre du 17 écoulé, j'inclus une liste des débours sur la lettre de crédit de 1921-22 qui sont en souffrance dans le moment. J'ai mis une explication en regard de chacun.

Ceux qui avaient été faits aux fonctionnaires du ministère étaient pour frais de voyage et, de temps à autre dans l'année, ont été remboursés et avancés de nouveau.

Dans le cas d'une avance de \$10,000 au Sanatorium de la Saskatchewan, la somme était pleinement couverte par les comptes d'entretien dus au sanatorium. Le ministère a coutume de faire ce débours tous les ans, et les comptes d'entretien dus par le ministère le contrebalancent en tout temps.

L'avance faite à Mme Van Koughnet sert de fonds roulant pour l'achat de douceurs pour les soldats, etc., et la suppression de ce débours causerait beaucoup d'embarras et de retard dans le travail de la division du confort des soldats, à Toronto. Il faut se rappeler que Mme Van Koughnet accomplit un travail volontaire et y a consacré tout son temps depuis quatre ans sans recevoir un sou de rémunération. Il serait impossible de la remplacer sans payer un gros traitement.

J'ai donné instruction que ces avances devaient être remboursées pas plus tard que la fin de l'exercice et c'est ce qui aura lieu.

J'ai l'honneur d'être, monsieur, votre obéissant serviteur,

JOHN F. WADDINGTON, *Contrôleur des dépenses.*

L'Auditeur général adjoint.

BUREAU DE VÉRIFICATION, 15 septembre 1923.

MONSIEUR.—Parmi les paiements effectués par votre bureau-chef au cours du présent exercice, je trouve un certain nombre de frais de voyages avancés lorsqu'aucun voyage n'était prévu.

Par exemple, l'avance faite au Dr W. C. Arnold par le chèque n° 564, émis le 18 avril 1923, lui a été consentie lorsqu'il était encore débité pour une égale somme, avancée en 1922-23, qui a été remboursée parmi les recettes extraordinaires le 23 avril 1923. Je suppose que le chèque émis le 18 a servi à effectuer le remboursement de la somme versée le 23 avril. Des débours au montant de \$400 ont été faits à ce fonctionnaire en 1921-22, mais, dans ces années, il n'a jamais réclamé de dépenses de voyage. Apparemment, ses fonctions ne lui demandent pas de voyager et nous ne comprenons pas pourquoi ces avances lui sont faites d'année en année.

Ce débours devrait être remboursé de même que tous les autres actuellement dus qui dépassent la somme requise pour couvrir les voyages prévus pour des dates prochaines.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, A.G. *adj.*

Le sous-ministre de la Réintégration sociale des soldats.

#### MINISTÈRE DU RÉTABLISSEMENT DES SOLDATS DANS LA VIE CIVILE

18 septembre 1923.

CHER MONSIEUR,—J'ai reçu votre lettre du 15 courant *re* les avances courantes pour frais de voyage, et je dois vous dire que ce n'est que récemment que mon attention a été portée vers la réduction de ces avances courantes qui ne doivent être faites qu'aux fonctionnaires dont les fonctions exigent de faire nombre de voyages; les autres devant demander une avance pour chaque voyage, et rendre compte aussitôt leur retour.

En ce qui concerne le Dr Arnold, que vous mentionnez spécialement, je viens avec vous que les avances qui lui ont été faites étaient plus élevées qu'il n'est nécessaire, et j'ai déjà conseillé au Dr Arnold, avant la réception de votre lettre, de réduire ce montant en proportion des voyages qu'il est appelé à faire. Les renseignements contenus dans votre lettre ne sont pas tout à fait exacts, car le Dr Arnold est appelé à faire bien des voyages durant parfois assez longtemps, puisqu'il est directeur des services médicaux du département et que son travail comprend l'inspection des hôpitaux et l'organisation des unités. Je suis porté à croire qu'il n'a pas réduit le montant des avances conformément à ma demande, parce qu'il comptait se rendre à la côte occidentale durant ce mois, voyage qui a été retardé inévitablement. Cependant, votre demande recevra notre attention immédiate.

Sincèrement à vous,

N. F. PARKINSON, S.-M.

A l'Auditeur général adjoint, Ottawa, Ont.

#### Vote du Parlement requis pour allocation de compensation pour blessures sans obligation légale

BUREAU DE L'AUDITEUR, 15 juin 1923.

MONSIEUR,—Je reçois une copie d'un arrêté en conseil en date du 5 juin 1923, passé dans le but d'autoriser le paiement de deux cent cinquante dollars à Andrew Agnew, de la ville de Ste-Agathe-des-Monts, en règlement complet, par commisération, de sa réclamation pour blessures reçues alors qu'il marchait sur un madrier brisé dans le trottoir bordant la propriété de votre département dans cette ville.

Par suite du fait qu'il n'y a pas d'obligation légale de la part du gouvernement à ce sujet, et que le paiement est fait comme gratification, je considère qu'un arrêté en conseil n'est pas une autorité suffisante pour décider ce paiement, et qu'une allocation de ce genre doit être faite d'après un vote spécial du Parlement.

Je demeure, monsieur, votre obéissant serviteur,

WM. KEARNS, A.G. *adj.*

Au sous-ministre du département du Rétablissement civil des soldats.

## Fonds d'invalidité formé par des souscriptions volontaires administré par un fonctionnaire du département comme fiduciaire

BUREAU DE L'AUDITEUR, 17 mars 1923.

MONSIEUR,—Le chèque n° 5917 émis par l'unité "F" en juin 1922, est fait en faveur du "fonds d'invalidité" de l'unité "F" London, Ontario, et paraît avoir été déposé au crédit du fonds d'invalidité par le directeur de l'unité.

Veuillez me dire quelle est la nature de ce fonds, s'il est gardé comme compte officiel de l'unité, et à quelles fins il est utilisé.

Je demeure, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

A l'apurateur des dépenses du département du Rétablissement civil des soldats.

MINISTÈRE DU RÉTABLISSEMENT DES SOLDATS DANS LA VIE CIVILE, 24 mars 1923.

MONSIEUR,—Votre lettre du 17 courant à l'apurateur des dépenses m'a été remise pour réponse. Le fonds d'invalidité est un fonds qui a été créé en 1915 et formé de diverses souscriptions payées à la Commission des hôpitaux militaires qui a précédé ce département, pour des fins de prêts ou de donation. Depuis ses débuts, ce fonds a été administré par moi à titre de fiduciaire. Je vous envoie la série des règlements qui gouvernent l'administration de ce fonds dans les diverses unités du département. Chaque unité reçoit une certaine somme d'argent.

2. Je ne connais pas les détails de la transaction particulière sur laquelle vous attirez notre attention, mais il arrive très fréquemment qu'il est nécessaire de faire une avance à un homme avant le temps de l'échéance, ou même de lui payer le plein montant dû et d'obtenir des autorités le remboursement de ces avances au fonds d'invalidité sur les soldes ou allocations qui viennent dus à ce même homme. Je présume que le cas en question tombe sous cette catégorie.

3. Vu que l'argent à la disposition de ce fonds n'est pas fourni par le gouvernement, aucun état n'a été fourni à votre bureau. Cependant les comptes sont apurés par le personnel du district et du bureau principal de ce département et un état sommaire du compte de ce fonds est toujours inclus dans le rapport annuel.

4. J'aime à croire que ce sont là tous les renseignements que vous désirez.

Bien à vous,

E. H. SCAMMELL, *S.-M. adj.*

A l'Auditeur général adjoint, Ottawa.

BUREAU DE L'AUDITEUR GÉNÉRAL, 5 avril 1923.

CHER MONSIEUR,—Veuillez trouver ci-inclus, pour renseigner la Trésorerie, copie d'une correspondance entre ce bureau et le département du Rétablissement civil des soldats, concernant un fonds connu sous le nom de fonds d'invalidité, qui, ainsi qu'il appert par la lettre du sous-ministre adjoint, est administré par lui à titre de fiduciaire depuis la fondation du fonds.

Un état sommaire de ce fonds a été inséré dans le rapport du département du Rétablissement civil des soldats pour l'exercice financier terminé le 31 mars 1922, à la page 83, démontrant que le total des souscriptions reçues est de \$128,628.17 et expliquant ce qu'on a fait de ces sommes et de l'intérêt encaissé de ce chef.

Cet état, bien que publié dans le rapport du département pour l'information du Parlement, n'a pas été soumis à ce bureau, mais le fait de l'inclure dans le rapport annuel du département peut donner à croire aux souscripteurs à ce fonds qu'il est administré suivant les règlements en vigueur établis par la loi pour l'administration du fonds patriotique.

Comme il n'en est pas ainsi, il m'a semblé que je devais vous faire connaître les faits de ce cas afin que vous puissiez agir comme vous le jugerez à propos.

Je vous envoie ci-inclus copie des règlements et instructions concernant l'administration de ce fonds, copie que j'ai reçue du département.

Je demeure, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Au sous-ministre des Finances.

### Dépenses des témoins paraissant devant le comité parlementaire imputables au crédit des ministères

BUREAU DE L'AUDITEUR, le 22 décembre 1923.

MONSIEUR,—Au mois de juillet 1922, votre ministère a émis le chèque n° 5406 en faveur de Thomas Hurst, pour couvrir sa réclamation pour pension à Ottawa et son passage de Vancouver, laquelle dépense a été encourue pendant qu'il cherchait à se faire indemniser par le gouvernement pour la différence entre la solde de l'armée et la solde effective pendant son service outre-mer.

La seule autorité soumise est l'approbation du ministre. Sous ce rapport vous me feriez plaisir en m'informant pourquoi cette dépense a été imputée au compte de votre ministère vu que la réclamation relève apparemment du ministère de la Milice et de la Défense, et si quelque allocation doit être accordée elle devra être autorisée par un arrêté en Conseil.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Surveillant des dépenses,

Ministère du Rétablissement des Soldats dans la vie civile.

MINISTÈRE DU RÉTABLISSEMENT DES SOLDATS DANS LA VIE CIVILE,

29 décembre 1923.

*Re: Thomas Hurst.*

MONSIEUR,—J'ai reçu votre lettre du 22 décembre au sujet du chèque n° 5406 émis par notre département en faveur de Thomas Hurst comme indemnité pour sa pension à Ottawa et son passage de Vancouver.

Cet homme est venu à Ottawa de Vancouver pour comparaître devant le comité des pensions et du rétablissement de la session dernière (voir procès-verbal, pp. 245-269) afin de présenter sa réclamation pour solde de travail pendant son service dans les T.E.C. Cet homme avait toutes les raisons de croire que sa réclamation serait accordée; mais vu que, au point de vue technique, il était impossible de se rendre à sa demande il a été décidé, après consultation avec le comité, vu que l'homme était sans ressources, qu'il lui serait payé sa pension pendant son séjour à Ottawa et son passage pour retourner à Vancouver. Ce paiement a été approuvé par le ministre.

Bien à vous,

JOHN F. WADDINGTON, *surveillant des dépenses.*

A l'Auditeur général adjoint.

BUREAU DE L'AUDITEUR, le 11 janvier 1923.

MONSIEUR,—Je vous accuse réception de votre lettre du 29 du mois dernier concernant le chèque n° 5406 émis en faveur de Thomas Hurst couvrant sa réclamation pour sa pension à Ottawa et son passage de Vancouver.

En réponse je dois vous dire que cet homme a été convoqué par le comité des pensions et du rétablissement et que son transport aurait dû être payé par le comité et non par votre ministère et je serais heureux de connaître quelles sont les raisons qui ont porté le comité à demander à votre ministère de payer cette dépense.

Je suis votre obéissant serviteur,

WILLIAM KEARNS, *A.G. adj.*

Surveillant des dépenses,

Ministère du Rétablissement des Soldats dans la vie civile.

MINISTÈRE DU RÉTABLISSEMENT DES SOLDATS DANS LA VIE CIVILE,

15 janvier 1923.

*Re Thomas Hurst,*

MONSIEUR,—En réponse à votre lettre du 11 janvier concernant la réclamation pour pension à Ottawa et le passage de retour à Vancouver payée par le ministère du Rétablissement des Soldats dans la vie civile, à Thomas Hurst, cet homme est comparu devant le comité des pensions et du rétablissement pour rendre témoignage au sujet de sa légitime réclamation pour solde et allocation qui en définitive n'a pas été acceptée; mais le comité leva la séance avant d'autoriser le paiement de sa réclamation pour ses frais de déplacement. Par conséquent, il appartenait au ministre de ce ministère d'approuver la réclamation, ce qu'il a fait.

Bien à vous,

JOHN F. WADDINGTON, *surveillant des dépenses.*

A l'Auditeur général adjoint.

### **Païement des frais de déménagement lors de la nomination**

BUREAU DE L'AUDITEUR, le 3 janvier 1923.

MONSIEUR,—Le chèque n° 11070 émis par votre ministère au mois de septembre 1922 couvre le paiement de \$97.40 à Joseph N. Bisson pour ses frais de déplacement, y compris le déménagement de ses meubles de Québec à Ottawa.

Je n'ai pas constaté que ce compte ait jamais été soumis au Conseil du Trésor en conformité de l'arrêté en Conseil concernant les frais de déménagement. Il semblerait aussi qu'il ne s'agit pas en la matière d'un déplacement mais bien d'une nomination proprement dite auquel cas M. Bisson n'aurait aucun droit au remboursement de ses frais de déplacement.

Veuillez m'informer d'après quelle autorité ce paiement a été effectué et si M. Bisson était à l'emploi de votre ministère avant son transfert à Ottawa.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Surveillant des dépenses,

Ministère des Soldats dans la vie civile.

## MINISTÈRE DU RÉTABLISSEMENT DES SOLDATS DANS LA VIE CIVILE,

15 janvier 1923.

CHER MONSIEUR,—En réponse à votre lettre du 3 janvier ayant trait au chèque n° 11070 émis au mois de septembre 1922 et représentant le paiement de \$97.40 à Joseph Bisson pour frais de déplacement, y compris les frais de transport de son mobilier, de Québec à Ottawa, je dois vous dire que ce déplacement a été autorisé par le ministre du ministère.

J'ai soumis la chose au ministre et ai porté à sa connaissance le fait qu'à l'avenir ces comptes devront être soumis à la trésorerie, tel que stipulé par l'arrêté du Conseil qui a trait aux frais de déplacement.

M. Bisson n'était pas au service de ce ministère avant d'être transféré à Ottawa.

Votre sincère,

JOHN F. WADDINGTON, *contrôleur des dépenses*.

A l'Auditeur général adjoint.

**Frais de Traitement médical des Pensionnaires de l'Invasion Fénienne et de la Rébellion du Nord-Ouest**

BUREAU DE L'AUDITEUR GÉNÉRAL, le 29 septembre 1923.

MONSIEUR,—Je reçois à l'instant un arrêté du Conseil, en date du 12 septembre 1923, aux termes duquel les dispositions de l'arrêté du Conseil C.P. 580, en date du 10 mars 1922 et les modifications faites à cet arrêté deviennent applicables au pensionnaire de l'invasion fénienne et de la rébellion du Nord-Ouest pouvant avoir besoin de suivre un traitement médical, et cet arrêté du Conseil stipule que les frais de tout traitement de ce genre seront imputables sur le crédit parlementaire pour le traitement des anciens membres des forces expéditionnaires canadiennes et allocations.

A ce propos, je voudrais attirer votre attention sur le fait que le crédit parlementaire pour le traitement des anciens membres des forces expéditionnaires canadiennes et allocations ne s'applique pas au paiement du traitement des pensionnaires de l'invasion fénienne et de la rébellion du Nord-Ouest, et tant que le parlement n'aura pas voté les crédits nécessaires à ces paiements, je ne puis accepter aucun paiement fait en vertu de l'arrêté du Conseil précité.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Le sous-ministre du ministère du

Rétablissement des Soldats dans la vie civile.

## MINISTÈRE DU RÉTABLISSEMENT DES SOLDATS DANS LA VIE CIVILE,

BUREAU DU SOUS-MINISTRE, le 8 octobre 1923.

MONSIEUR,—A propos de votre lettre portant la date du 29 du mois dernier et de notre récente conversation j'ai l'honneur d'attirer votre attention sur le fait que l'expression employée dans l'arrêté du Conseil C.P. 1808, du 12 septembre 1923, "le crédit parlementaire pour le traitement des anciens membres des forces expéditionnaires canadiennes et allocations", a été employée définitivement dans le but de faire allusion aux crédits parlementaires accordés à ce ministère. Cette expression ne voulait pas dire que ce crédit devait servir uniquement à l'usage des forces expéditionnaires canadiennes mais qu'il devait être employé principalement à cette fin. Dans le crédit même, il n'est aucunement fait mention du

but auquel il doit être employé si ce n'est celui d'être mis à la disposition de ce ministère.

2. Depuis quelques années l'examen médical des pensionnaires de l'invasion féniennne et de la rébellion du Nord-Ouest a été porté au compte de l'item "soins des patients et examen médical des pensionnaires" tel que stipulé dans le crédit n° 286. Les appointements des médecins et des autres personnes accomplissant ce travail sont compris dans le crédit n° 288.

3. Par suite du fait que les crédits 285-297 inclusivement ne sont pas restreints, aux termes de la loi, aux anciens membres des forces expéditionnaires canadiennes, mais sont accordés pour les fins des travaux de ce ministère, travaux qui, ce semble, comportent le devoir de prendre soin des pensionnaires qui ont fait du service lors de l'invasion féniennne et de la rébellion du Nord-Ouest, il semblerait que ce ministère ait le droit d'imputer tous ces frais sur ces crédits.

4. Vous avez laissé entendre au cours de notre conversation, qu'il serait peut-être nécessaire d'obtenir un nouvel arrêté du Conseil. Si vous êtes encore de cet avis, cette question peut être étudiée, naturellement, mais je suis porté à croire que la chose n'est pas nécessaire puisqu'il semble bien clairement que l'intention du parlement était de mettre des fonds à la disposition du ministère en vue de ces travaux.

Votre bien sincère,

E. H. SCAMMELL, *S.-M. adj.*

A l'Auditeur général adjoint, Ottawa.

BUREAU DE L'AUDITEUR GÉNÉRAL, le 17 octobre 1923.

MONSIEUR:—Je reçois votre lettre du 8 courant ayant trait à l'Arrêté du Conseil n° 1808 en date du 12 septembre 1923 qui rend les dispositions de l'arrêté du Conseil n° 580 en date du 10 mars 1922 applicables aux pensionnaires de l'Invasion féniennne et de la Rébellion du Nord-Ouest pouvant avoir besoin de suivre un traitement médical.

Permettez-moi de dire, en réponse, que l'arrêté du Conseil avait trait au crédit parlementaire pour le traitement des anciens membres des Forces Expéditionnaires Canadiennes et les allocations, et bien que le crédit en question n'indique pas tout particulièrement qu'il est restreint aux membres des Forces expéditionnaires canadiennes, je suis d'avis que c'était bien l'intention du parlement et que les paiements pour le traitement médical des pensionnaires de l'Invasion féniennne et de la Rébellion du Nord-Ouest devraient être autorisés par un crédit spécial, de la même manière que les pensions payées à ces messieurs. Mais, puisque vous m'assurez que le crédit relatif aux Soins des Patients et à l'Examen médical des Pensionnaires, adopté pour le ministère du Rétablissement des Soldats dans la Vie Civile, comprenait un montant destiné à couvrir ces paiements, et que c'était bien l'intention du Parlement qu'il en soit ainsi, ce bureau ne s'opposera plus à cette manière d'agir.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Le Sous-ministre du ministère du

Rétablissement des Soldats dans la vie civile.

**Frais de rapatriement des soldats demeurant outre-mer**

MINISTÈRE DU RÉTABLISSEMENT DES SOLDATS DANS LA VIE CIVILE,

30 décembre 1922.

MONSIEUR,—J'ai reçu aujourd'hui une lettre, en date du 13 décembre, du secrétaire du haut-commissaire, accompagnant des reçus pour la somme de £332-8-0, provenant de notre transfert par câble à la Banque de Montréal, le 21 juillet 1922.

En vertu de l'arrêté en conseil P.C. 1757, en date du 7 septembre 1922, le rapport du comité spécial de la Chambre des Communes a été soumis au ministre du Rétablissement des soldats dans la vie civile; il contient la recommandation que l'on adopte des dispositions pour assurer le rapatriement des soldats, sujet aux règlements qui pourront être adoptés par le ministère du Rétablissement des soldats et des autres ministères intéressés.

Les recommandations de ce ministère, qui avait alors à Londres un bureau chargé des secours aux sans-travail, des soins aux hôpitaux, etc., et des questions de pensions et qui aurait bien pu s'occuper des problèmes faisant le sujet des recommandations susdites, ne rencontrèrent pas les vues du Gouvernement. L'on nomma un personnel administratif, sous la direction du haut-commissaire du Canada à Londres, afin de régler les différentes questions relatives aux secours aux sans-travail et au rapatriement.

Comme on n'a pas accepté les recommandations de ce ministère et que nous sommes d'avis que l'esprit de l'arrêté en conseil peut recevoir diverses interprétations, nous ne considérons pas que le ministère puisse accepter d'autres responsabilités que celle d'agent financier pour le remboursement des sommes dépensées en vertu de cet arrêté en conseil.

Nous vous transmettons donc les récépissés originaux pour que vous en disposiez comme vous le jugerez à propos.

Il est inutile d'ajouter que nous serons toujours heureux, comme dans le passé, de vous prêter toute l'assistance que vous nous demanderez.

Votre obéissant serviteur,

JOHN F. WADDINGTON, *Vérificateur des déboursés.*

A l'Auditeur général.

(Copie)

BUREAU DE L'AUDITEUR, le 6 mars 1923.

MONSIEUR,—J'accuse réception de votre lettre du 30 décembre 1922 relative à certains déboursés afférents au rapatriement des forces d'outre-mer domiciliées en Angleterre par l'intermédiaire de l'office du Haut-commissaire et où vous dites:

"Les recommandations de ce département qui dispose, pour l'instant, d'un bureau à Londres chargé de traiter les questions de secours, de chômage, soins hospitaliers, etc., ainsi que les pensions, et en état de ce fait de traiter des problèmes administratifs reliés aux recommandations ci-haut, n'a pas rencontré les vues du gouvernement et en conséquence on a institué un personnel administratif placé sous la haute main du bureau du Haut-commissaire du Canada à Londres et chargé de régler ces nombreuses questions avec celles du secours aux sans-travail et du rapatriement."

Vous ajoutez que, "les recommandations de ce département n'ayant pas été sanctionnées, et notre avis étant que l'accomplissement de l'esprit de l'arrêté ministériel se prête à diverses interprétations, il n'est pas jugé que ce département puisse accepter aucune responsabilité autre que celle d'agent financier chargé du remboursement des déboursés par cet arrêté."

Comme il est essentiel pour connaître comme il convient des déboursés en jeu que les bordereaux que l'on m'a fait tenir pour justifier de ces déboursés soient certifiés comme de règle sous l'acte du revenu consolidé et de la vérification des comptes, par quelque fonctionnaire responsable du Gouvernement, vous m'obligerez en me faisant savoir à qui je dois m'adresser pour l'obtention de ce certificat indispensable.

Un sommaire des déboursés pour les mois d'octobre, novembre et décembre 1922 porte ce qui suit:

Administration . . . . .	£799.	13.	3
Frais de rapatriement . . . . .	435.	19.	8
Secours . . . . .	70.	0.	6

soit un total de £1305. 13. 5. Vous remarquerez que les frais d'administration dépassent les frais de rapatriement, etc., de £293. 13. 1., à savoir qu'ils (ou) que les frais administratifs constituent plus de soixante pour cent du chiffre global.

Il me semble que ces déboursés apparemment excessifs afférents à l'administration appelle des éclaircissements.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Inspecteur des comptes au ministère du  
Rétablissement des soldats dans la vie civile.

#### MINISTÈRE DU RÉTABLISSEMENT DES SOLDATS DANS LA VIE CIVILE,

BUREAU DU SOUS-MINISTRE, le 23 mars 1923.

CHER MONSIEUR,—Je regrette le retard apporté à répondre à votre lettre du 6 de ce mois adressée à l'inspecteur des comptes.

Relativement aux frais de rapatriement et comme ce bureau l'avait déjà porté à votre connaissance par une communication, ce département ne peut d'aucune façon soit contrôler ces déboursés, soit se renseigner à leur endroit.

Mon sentiment en l'espèce est que les personnes qui s'acquittent de ce soin sont placées sous la juridiction du bureau du Haut-commissaire à Londres, et que les renseignements relatifs à leurs déboursés doivent selon toute apparence originer du bureau du secrétaire d'Etat des Affaires étrangères.

Sincèrement à vous,

N. F. PARKINSON, *S.M.*

A l'Auditeur général.

BUREAU DE L'AUDITEUR, le 31 mars 1923.

MONSIEUR,—Je vous soumetts sous ce pli copie de la correspondance échangée entre le ministère du Rétablissement des soldats dans la vie civile et ce bureau relativement à certains déboursés effectués au bureau du Haut-commissaire à Londres, Angleterre.

Vous voudrez bien remarquer que le ministère se refuse à certifier ces comptes originaires du bureau du Haut-commissaire, conformément aux dispositions de la loi du revenu consolidé et de la vérification des comptes, pour la raison que les employés qui s'acquittent de ce soin—Rapatriement des Forces d'outre-

mer—sont placés sous la juridiction du bureau du Haut-commissaire et que le ministère ne peut d'aucune façon contrôler ces dépenses ni se renseigner à leur endroit.

Dans ma lettre au ministère en date du 6 mars 1923, j'attirais l'attention sur le chiffre apparemment excessif des frais d'administration et je vous serai obligé de vous procurer de source autorisée les raisons de ces déboursés.

L'autorisation du Gouverneur général en conseil a-t-elle été obtenue aux fins d'utiliser le personnel administratif auquel soit affecté le versement des déboursés de rapatriement sous la gouverne du Haut-commissaire, et relativement au tarif de rémunération dont ce personnel a bénéficié?

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Sir JOSEPH POPE, sous-secrétaire d'Etat aux Affaires étrangères.

---

MINISTÈRE DES AFFAIRES EXTÉRIEURES, le 5 avril 1923.

MONSIEUR,—J'ai l'honneur d'accuser réception de votre lettre du 31 dernier, dans laquelle vous me demandez de m'enquérir auprès du Haut-commissaire au sujet de certains déboursés faits par lui, en faveur du ministère du Rétablissement des soldats dans la vie civile.

En réponse j'ai l'honneur de vous dire que cela semble être une question n'intéressant que le Haut-commissaire et le ministère du Rétablissement des soldats dans la vie civile, et au sujet de laquelle ce ministère ne sait rien. Si vous écrivez au Haut-commissaire, je suis certain que M. Larkin vous donnera toutes les explications que vous lui demanderez de même que les certificats nécessaires.

J'ai l'honneur d'être, monsieur, votre obéissant serviteur,

JOSEPH POPE, *sous-secrétaire d'Etat pour les affaires extérieures.*

A l'Auditeur général, Ottawa.

---

BUREAU DE L'AUDITEUR GÉNÉRAL, le 18 avril 1923.

MONSIEUR,—J'ai l'honneur d'accuser réception de votre lettre du 5 courant, relativement à certains déboursés faits par le Haut-commissaire, à Londres, Angleterre, touchant le rapatriement des soldats d'outre-mer, dans laquelle vous me laissez entendre que je devrais obtenir moi-même directement du Haut-commissaire, les renseignements que je vous demandais dans ma lettre du 31 dernier.

Je vous ai demandé ces renseignements parce que j'ai supposé que le Haut-commissaire, dans toutes les questions d'administration, vous faisait rapport par l'entremise de votre ministère, au ministre de la Couronne responsable au Parlement, pour tous les déboursés faits sous la surveillance du bureau du Haut-commissaire ou relativement à ce bureau.

Le sous-ministre du ministère du Rétablissement des soldats dans la vie civile m'a informé par lettre, copie de laquelle je vous ai envoyée, que son ministère n'est pas en mesure de certifier les déboursés autorisés par le Haut-commissaire, concernant le rapatriement des forces d'outre-mer, pour le motif que les recommandations émanant du ministère "n'étaient pas conformes aux plans du gouvernement, de sorte qu'il a été nommé un personnel administratif dépendant du bureau du Haut-commissaire à Londres, afin de voir à ces diverses questions y compris le chômage, les secours et le rapatriement".

---

Je suppose que le personnel administratif mentionné a été nommé par l'entremise de votre ministère et serait responsable envers vous par le bureau du Haut-commissaire des déboursés faits par lui ou sous sa surveillance.

Il est à mon sens, essentiel, pour qu'il soit tenu une comptabilité exacte des fonds publics, que les ministères du gouvernement à Ottawa assument la responsabilité de tous les déboursés faits par leurs agents, et, comme le ministère du Rétablissement des soldats dans la vie civile, à qui le Haut-commissaire a transmis le compte, a refusé d'assumer la responsabilité que comporte la Loi du Revenu consolidé et de l'audition, il m'a semblé que, vu que le bureau du Haut-commissaire est en contact plus étroit officiellement avec le ministère des Affaires extérieures qu'avec tout autre à Ottawa, vous pourriez être en mesure d'obtenir les renseignements et les certificats que je considère nécessaires pour la vérification exacte des déboursés en question.

J'ai l'honneur d'être, monsieur, votre obéissant serviteur,

WM. KEARNS, A.G. *adj.*

**Payment of Retiring Allowances**

AUDIT OFFICE, March 21, 1923.

SIR,—I have before me a copy of your Head Office Circular No. 313, dated October 2nd, 1922, setting out regulations approved by the Board with regard to Retirement Leave. These regulations are as follows:—

**RETIREMENT LEAVE**

From date hereof to March 31st, 1923, an employee being retired on account of reduction in staff may be granted Retirement Leave to be computed as follows:—

1. At the rate of one day for every completed month of continuous service with the Board up to the date on which he or she relinquishes the active service of his or her duties; plus

2. Accrued balance of unused Sick Leave.

3. Accrued balance of Annual Leave.

The maximum number of working days pay allowed in the case of retirement is sixty (60) days.

This Leave will not be granted to employees in the case of dismissal occasioned by misconduct or neglect of duty.

These regulations appear to be at variance with the regulations set forth in Order in Council of March 23rd, 1920 (P.C. 587) where I find the following:—

“The employment of any person appointed under these regulations may be terminated at any time by the Board on giving the appointee one month's notice in writing or summarily by notice in writing and payment of one month's salary; provided, however, that in cases where in the opinion of the Board a dismissal is occasioned by neglect of duty or misdemeanour, termination shall take place immediately on written notice without payment of further salary, and such termination shall be reported to the Governor in Council.”

This regulation, which was approved by the Governor in Council, has the force of law, and cannot be set aside or amended except by a further Order in Council. Unless an amending order is obtained Clause 1 of your regulations should be amended to conform thereto.

Clause 2 of your regulations, which grants the accrued balance of unused sick leave, is in my opinion unjustifiable. An employee has no inherent right to sick leave, which may only be granted in cases of actual illness established by satisfactory evidence. Any provision made by statute or otherwise for the granting of sick leave gives the employee no right to claim or to receive leave in excess of Annual leave except in cases of actual illness.

Clause 3 of your regulations, which grants the accrued balance of Annual Leave may, perhaps, with fairness to the employee, be allowed to stand.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Chairman, Soldiers' Settlement Board.

SOLDIER SETTLEMENT BOARD, OTTAWA, March 28, 1923.

DEAR SIR,—Referring to your letter of the 21st March with respect to retirement leave, I beg to explain the Board's understanding and interpretation of its authority in this matter.

This method of computing retirement leave was put into force in connection with the Department of Soldiers' Civil Re-Establishment by Order in Council P.C. 1352 of the 29th June, 1922.

After consultation with the then Minister of the Interior, the same provision was made effective in the case of those officials of the Board being retired as surplus to establishment.

The Board's previous practice was to retire in these cases with one month's salary, plus a maximum of three weeks' annual leave.

The features under discussion are,

1. Retiring leave of one day for each month of continuous service, and.
2. Unused sick leave.

It is true that as stated by you an employee has no right to sick leave, except in case of actual illness, but in the case of the Department of Soldiers' Civil Re-Establishment, and possibly the Militia Department, Council itself made this exceptional provision and regulated for the allowing of the leave in question in the case of the retirement of surplus officials.

In the case of the Soldier Settlement Board, our position was somewhat unusual in that Council had already given the Board special authority under Clause six of Order in Council of the 23rd March, 1920, to regulate concerning leave of absence, sick leave, holidays, etc.

Since this general power under Clause six had already been given, it appeared to us only necessary to provide by Board regulation that in the case of retiring employees, leave be granted in conformity with the precedent established by Order in Council in the case of the Department of Soldiers' Civil Re-Establishment.

If this method of computing retiring leave were not followed by us, the alternative method would be followed, namely, the retirements this spring would have been arranged on the basis of three weeks' annual leave, plus one month's pay. There has been in effect very little difference between the two methods, except that the one provides a sliding scale which works out in favour of those who have had the longest term of employment, but the maximum which may be granted in any event is sixty days. The average leave granted in these cases has been approximately 49 days. However, we are aware that this fact has nothing to do with the question of authority since one method of procedure may be authorized and the other not authorized.

If, after the above explanation, you are not satisfied, that the procedure is properly authorized, or if there is doubt as to the authority, we will hereafter, as requested in your letter of the 21st March, amend our regulations accordingly.

Yours truly,

J. BARNETT, *Chairman.*

WM. KEARNS, Asst. Auditor General.

AUDIT OFFICE, OTTAWA, April 6, 1923.

SIR,—I beg to acknowledge receipt of your letter of the 28th ultimo with regard to the retirement leave granted employees of the Soldier Settlement Board whose services were no longer required.

In your letter you state that "this method of computing retirement leave was put into force in connection with the Department of Soldiers' Civil Re-Establishment by Order in Council of June 29th, 1922, and that, after consultation with the then Minister of the Interior, the same provision was made effective in the case of those officials of the Board who were being retired." Might I ask how the Order in Council referred to was made effective in the case of your officials.

While Clause 6 of the Order in Council of March 23rd, 1920, gave the Board authority to make necessary regulations regarding hours of attendance, leave of

SESSIONAL PAPER No. 1

absence, sick leave, etc., clause 4 of the same Order makes definite regulations for payments on termination of services. This latter clause (No. 4) which allows the payment of one month's salary, in lieu of notice, is the regulation that should govern you until such time as it may be rescinded or amended by the Governor in Council, ministerial authority being insufficient to set aside or alter the terms of an Order in Council.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Chairman, Soldier Settlement Board.

SOLDIER SETTLEMENT BOARD, OTTAWA, April 10, 1923.

DEAR SIR,—*Re: Retirement Leave*—We have your letter of the 6th April stating that while Order in Council of the 23rd March, 1920, gave the Board authority to make regulations regarding leave of absence, sick leave, etc., clause 4 thereof deals with dismissals and asking how the provision made in the S.C.R. order of the 29th June, 1922, was made effective in the case of our officials.

In reply to this question would say that what we are considering is the question of leave of absence, not a question of dismissal or termination of services. All our terminations are reported to and confirmed by Council.

Clause 4 referred to is appropriate in the case of summary dismissal, or where for instance an appointment is made and the employee found unsatisfactory and dismissed after thirty days' notice or thirty days' pay. This action is hardly suitable, however, in the case of retirement of an official on staff reduction after two or three years' satisfactory service.

In determining what leave should be granted in such case, the S.C.R. order was taken as a precedent not as an authority. The S.C.R. order makes certain definite provision for retirement leave of this character, calculated on the basis of length of service and utilization of holiday and sick leave allowances.

The Board has power, as stated, to regulate on the granting of leave, and it accordingly made the regulation for the granting of leave applicable in the case of retiring officials.

Taking the S.C.R. order as a precedent and having the power to regulate on the subject of leave, the Board made the same provision with respect to retiring leave as was made in the case of the Department of Soldiers' Civil Re-Establishment; in other words, in our opinion, all that was necessary to grant the retiring leave in the case of our officials was to make, under said Section 6, a regulation providing for leave in the case of retirement.

Yours truly,

J. BARNETT, *Chairman.*

WM. KEARNS, *Asst. Auditor General, Ottawa.*

---

AUDIT OFFICE, OTTAWA, June 14, 1923.

SIR,—I find that it has been the practice in your office when an employee is leaving, to issue a cheque at the time of the termination of his active services, covering payment for the period embracing any leave on retirement that may have been granted him as well as any statutory leave that may be due him at the time.

This practice is, in my opinion open to objections, the employee must still be regarded as being an employee of your office, although on leave with pay, and the payments of salary when on such leave should be made in the ordinary way at the end of each month until the end of the period covered by his leave. In the event of his dying before the expiration of such leave, or of his being appointed to another branch of the public service, there would be no further claim for salary for the unexpired portion of his leave.

I have, therefore, to request you to modify your practice in accordance with the above.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Chairman, Soldier Settlement Board, Ottawa.

SOLDIER SETTLEMENT BOARD, OTTAWA, June 15, 1923.

DEAR SIR,—I beg to acknowledge the receipt of your letter of June 14th regarding the issuance of cheques at the time of the termination of their active services of employees leaving this Board, and covering payment for a period embracing any leave on retirement which may have been granted them, and in reply beg to advise that your instructions in this matter will be followed in future.

Your obedient servant,

JOHN BARNETT, *Chairman.*

WM. KEARNS, Assistant Auditor General, Ottawa.

### Purchase of Trunks, etc.

AUDIT OFFICE, OTTAWA, April 24, 1923.

SIR,—Cheque No. 950 issued in December last is for the payment of \$282.50 to Hugh Carson Company, Limited, for articles supplied as follows:—

Nov. 15, 1922,	1 special extra large Wardrobe trunk. . . . .	\$85 00
	1 Kit bag, brown. . . . .	65 00
	1 Attaché case, brown. . . . .	10 00
Nov. 30, 1922,	1 Steamer Trunk. . . . .	15 00
	1 large commercial trunk with tray in corner. . . . .	34 50
Nov. 16, 1922,	1 Medium wardrobe trunk. . . . .	45 00
	1 Kit bag, brown. . . . .	28 00

\$282 50

The first five articles were lettered "R. Innes, S.S.B." the last two, "B.E. Dobson, S.S.B." I understand that these articles were supplied Mr. Innes and Mr. Dobson, who were proceeding to India on business connected with the Soldier Settlement Board.

As it is not the general practice for the government to supply officers travelling, with articles of this description except for the conveyance of official papers I have to ask for an explanation of the above purchases. I would also

SESSIONAL PAPER No. 1

like to have an explanation of the difference in the prices of the two Kit bags purchased, one of which is charged at \$65.00 while the other is charged at \$28.00, although the description on the invoices is exactly the same in each case.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Chairman, Soldier Settlement Board, Ottawa.

SOLDIER SETTLEMENT BOARD, OTTAWA, April 28, 1923.

DEAR SIR,—I have your letter of April 24th, wherein you request an explanation of certain travelling equipment supplied to Lt. Col. R. Innes and Mr. B. E. Dobson of this Office, who proceeded in December last to India on business connected with the Soldier Settlement Board.

These officers were despatched by the Government on a special mission in regard to the demobilization of large numbers of Indian officers, who it is suggested, would afford valuable material for immigration to Canada. The journey obviously entailed travelling for a very considerable time and over vast distances, not only by sea, but also throughout the entire interior of India. In the course of their duties in India these officers have had to visit every Army Command, which of course means travelling the length and breadth of the country. It was necessary for them to take with them large supplies of stationery, and the equipment purchased was almost entirely for this purpose. The difference in price of the two kit bags, to which your letter refers, is explained by the fact that the one at \$65.00 was a good deal larger and fitted strongly with straps which were not attached to the smaller bag at \$28.00.

I might mention that this journey was undertaken with the express authority of the Minister of the Interior, and at the instance and with the approval of His Excellency, the Governor General. Thus it was considered not necessary to have each individual purchase essential to the equipment of these two officers properly for their undertaking approved in detail by the Minister in each case.

I trust this explanation will be satisfactory to yourself.

Yours faithfully,

JOHN BARNETT, *Chairman.*

WM. KEARNS, *Asst. Auditor General, Ottawa.*

### Payment of Sales Tax

THE SOLDIER SETTLEMENT BOARD, April 30, 1923.

DEAR SIR,—In reply to your letter of the 10th instant in which you request information as to whether charges for Sales Tax included in accounts paid by the Board have been refunded, I beg to advise you as follows:—

We were notified on November 3rd, 1922, by the Assistant Director of the Purchasing Commission of Canada that the Sales Tax was not payable by Government Departments. Action was immediately taken to see that from that date on, no Sales Taxes were paid.

In connection with previous payments made on account of Sales Tax, I would advise that a comparatively small amount has been paid by the Board.

---

Very few purchases have been made by the Board during the past year upon which the sales tax was applicable. In order, however, to determine accurately the amount actually paid, it will be necessary to obtain from your Department all of the accounts paid from May to November, approximately 2,000 in number and examine them in detail. Because of the small amount involved, together with the large amount of labour and expense necessary to determine the amounts paid, and also because of the fact that although any payments actually made were received by the Inland Revenue Department, and were not, therefore, a loss to the Government, it was not considered advisable to go to the expense of examining the accounts in order to obtain refunds.

If it is your wish that this examination now be made, the work will be undertaken immediately. I would advise you, however, that if this is to be done, it will probably be necessary to employ additional temporary staff. If this examination is required, I shall be glad if you will kindly advise me.

Yours very truly,

T. B. MALLACE, *Controller of Loan Accounting.*

WM. KEARNS, Asst. Auditor General, Ottawa.

**Paiement des Allocations de Retraite**

---

BUREAU DE VÉRIFICATION, 21 mars 1923.

CHER MONSIEUR,—J'ai devant moi une copie de votre circulaire du bureau-chef, n° 313, datée du 2 octobre 1922, exposant les règlements approuvés par la Commission concernant les congés de retraite. Ces règlements sont les suivants:—

*Congés de retraite*

A partir de la date du présent règlement jusqu'au 31 mars 1923, un employé dont les services ne sont plus requis pour cause de réduction du personnel peut obtenir un congé de retraite à calculer comme suit:—

1. Au taux d'un jour pour chaque mois complet de service continu à la Commission, jusqu'à la date où il cesse de remplir ses fonctions; plus
2. Le reste accumulé de ses congés de maladie; plus
3. Le reste accumulé de ses vacances annuelles.

Le nombre maximum de jours ouvriers de paye accordé dans le cas d'une retraite est de soixante (60) jours.

Ce congé ne sera pas accordé à l'employé destitué pour mauvaise conduite ou négligence à remplir ses fonctions.

Ces règlements semblent s'écarter du règlement proclamé dans le décret du 23 mars 1920 (C.P. 587) où je trouve ceci:—

“L'emploi d'une personne nommé en vertu de ces règlements peut cesser en tout temps dès que la Commission lui donnera un avis d'un mois par écrit ou sommairement un avis écrit accompagné d'un mois de traitement; toutefois, lorsque, de l'avis de la Commission, le renvoi est occasionné par une négligence de fonctions ou de mauvaise conduite, l'emploi cesse à partir du jour de la notification par écrit, sans plus de traitement, et cette destitution doit être rapportée au Gouverneur en conseil.”

Ce règlement, qui a été approuvé par le Gouverneur en conseil, a force de loi et ne peut être abrogé ou amendé que par un nouveau décret. A moins que vous n'obteniez un décret modificateur, la clause 1 de vos règlements doit être amendée de manière à se conformer à ce règlement.

La clause 2 de vos règlements qui accorde le reste accumulé des congés de maladie non utilisés est, à mon avis, injustifiable. Un employé n'a pas un droit absolu aux congés de maladie, qu'on lui accorde seulement dans le cas d'une maladie véritable établie par preuve suffisante. Toute disposition contenue dans les statuts ou ailleurs concernant les congés de maladie ne donnent à l'employé aucun droit de réclamer ou de recevoir un congé outre sa vacance annuelle sauf dans les cas de maladie réelle.

La clause 3 de vos règlements qui accorde le reste accumulé des vacances annuelles peut probablement être maintenue, en justice pour l'employé.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, A.G. adj.

Le président de la Commission de l'Etablissement des soldats sur des terres.

COMMISSION DE L'ÉTABLISSEMENT DES SOLDATS, OTTAWA, 28 mars 1923.

CHER MONSIEUR,—Relativement à votre lettre du 21 mars concernant le congé de retraite, je dois vous expliquer comment la Commission comprend son autorité à ce sujet.

Cette manière d'établir le congé de retraite a été mise en vigueur dans le ministère du Rétablissement des Soldats dans la vie civile par l'arrêté en Conseil C.P. 1352, du 29 juin 1922.

Après avoir consulté le ministre de l'Intérieur alors en fonction, on a appliqué cette procédure aux fonctionnaires de la Commission qui étaient renvoyés faute de travail.

Autrefois, la Commission avait l'habitude de renvoyer ces fonctionnaires en leur accordant un mois de salaire, plus un maximum de trois semaines comme congé annuel.

Les points discutés à ce sujet sont:

1. Le congé de retraite d'une journée pour chaque mois de service ininterrompu, et

2. Le congé de maladie non employé.

Il est vrai, comme vous le faites remarquer, qu'un employé n'a aucun droit au congé de maladie excepté lorsqu'il est réellement malade, mais dans le cas du ministre du Rétablissement des Soldats dans la vie civile, et peut-être aussi du ministère de la Milice, le Conseil lui même adopta cette mesure exceptionnelle et fit un règlement autorisant le congé en question dans le cas de mise à la retraite de fonctionnaires surnuméraires.

En ce qui concerne la Commission de l'Etablissement des soldats, notre position était quelque peu extraordinaire par le fait que le Conseil nous avait déjà accordé une autorisation spéciale en vertu de l'arrêté en Conseil du 23 mars 1920, pour établir des règlements relatifs aux absences, aux congés de maladies, aux congés, etc.

Puisque cette autorisation générale avait déjà été accordée en vertu de la clause 6, il nous a semblé qu'il suffisait de statuer par règlements de la Commission dans le cas des fonctionnaires remerciés de leurs services, qu'un congé leur serait accordé conformément au précédent établi par l'arrêté en Conseil dans le cas du ministère du Rétablissement des Soldats dans la vie civile.

Si nous ne suivions pas cette méthode pour déterminer la longueur du congé de retraite, il nous faudrait suivre la méthode alternative, c'est-à-dire qu'il aurait fallu accorder un mois de congé plus la vacance annuelle de trois semaines aux fonctionnaires congédiés ce printemps. En effet il y a très peu de différence dans les deux méthodes, sauf qu'il y a gradation dans l'une favorable à ceux qui ont été le plus longtemps dans le service, mais le maximum qui peut être accordé dans l'un ou l'autre cas est de 60 jours. La moyenne des congés accordés dans ces cas a été de 49 jours. Cependant, nous savons que ceci n'a rien à faire avec la question de l'autorisation, puisque l'une de ces méthodes peut être autorisée et l'autre ne pas l'être.

Si après avoir pris connaissance de cette explication vous n'êtes pas convaincu que cette procédure est autorisée, si vous avez encore des doutes à ce sujet, nous modifierons à l'avenir nos règlements en conséquence, comme vous nous le demandez dans votre lettre du 21 mars.

Bien à vous,

J. BARNETT, *président.*

WM. KEARNS, A.G. adj.

BUREAU DE L'AUDITEUR, OTTAWA, le 6 avril 1923.

MONSIEUR,—J'ai l'honneur de vous accuser réception de votre lettre du 28 du mois dernier au sujet de la pension de retraite accordée aux employés de la Commission d'Etablissement des soldats dont les services ne sont plus requis.

Vous dites dans votre lettre que "cette méthode de calculer la pension de retraite a été mise en vigueur en ce qui concerne le ministère du Rétablissement des Soldats à la vie civile en conformité d'un arrêté du Conseil du 29 juin 1922, et que, après consultation avec le ministre de l'Intérieur à cette époque, la même disposition a été mise en vigueur dans le cas des fonctionnaires de la Commission

qui étaient mis à leur retraite". Puis-je vous demander comment l'arrêté en Conseil en question a pu être jugé applicable dans le cas de vos fonctionnaires.

Bien que la clause 6 de l'arrêté en Conseil du 23 mars 1920 donnât à la Commission le pouvoir d'édicter les règlements nécessaires relativement aux heures du travail, les congés d'absence ou les congés de maladie, etc., la clause 4 du dit arrêté établit définitivement des règlements pour les paiements à effectuer à la fin du service. Cette dernière clause (4) qui autorise le paiement d'un mois de traitement, au lieu d'un avis, est le règlement d'après lequel vous devez vous gouverner jusqu'à ce qu'il soit révoqué ou modifié par le Gouverneur en conseil vu que l'autorité d'un ministre n'est pas suffisante pour ignorer ou modifier les termes d'un arrêté en Conseil.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Le président, Commission d'Etablissements de soldats.

---

COMMISSION D'ETABLISSEMENT DE SOLDATS, OTTAWA, le 10 avril 1923.

MONSIEUR,—*Re pension de retraite*—Nous avons votre lettre du 6 avril nous disant que bien que l'arrêté en Conseil du 23 mars 1920 accordait à notre Commission le pouvoir de faire des règlements concernant les congés d'absence, les congés de maladie, etc., la clause (4) du dit arrêté a trait aux destitutions et demandant comment la disposition comprise dans l'arrêté en Conseil du 29 juin 1922, R.S.V.C. a été rendue applicable dans le cas de nos fonctionnaires.

En réponse à cette question je vous dirai qu'il s'agit pour nous d'un congé d'absence et non pas d'une destitution ni d'une terminaison du service. Tous les cas de cessation de travail sont rapportés et confirmés par le Conseil.

La clause (4) en question est applicable dans le cas de destitution sommaire, ou dans le cas où, par exemple, une nomination est faite et que l'employé n'a pas donné satisfaction et a été renvoyé après un avis de trente jours ou sur le paiement du traitement de trente jours. Cependant cette disposition conviendrait à peine dans le cas de la mise à la retraite d'un fonctionnaire à raison d'une réduction du personnel après deux ou trois ans de services satisfaisants.

Pour déterminer quelle pension devrait être accordée dans un cas semblable l'arrêté en Conseil R.S.V.C. a été considéré comme un précédent et non comme une autorité. L'arrêté R.S.V.C. contient certaines dispositions définitives pour la mise à la retraite de ce caractère calculée en se basant sur la longueur du service et en utilisant les allocations pour congés ordinaires et congés de maladie.

La Commission a le pouvoir, tel que dit, de faire des règlements concernant les congés et elle a, par conséquent, établi que le règlement concernant la pension était applicable dans le cas des fonctionnaires mis à la retraite.

En prenant l'arrêté en Conseil R.S.V.C. comme un précédent et ayant le pouvoir de faire des règlements en ce qui concerne la pension la Commission a adopté les mêmes dispositions concernant la mise à la retraite que celles qui ont été adoptées au ministère du Rétablissement des Soldats dans la vie civile, en d'autres mots, tout ce qui était nécessaire, pour accorder une pension de retraite dans le cas de nos fonctionnaires c'était selon nous, d'établir sous le régime de l'article 6, un règlement en vue de pourvoir à une pension dans le cas de la mise à la retraite.

Bien à vous,

JOHN BARNETT, *président.*

WM. KEARNS, Auditeur général adjoint, Ottawa.

## BUREAU DE L'AUDITEUR GÉNÉRAL, 14 juin 1923.

MONSIEUR,—Je constate qu'il est d'usage dans votre bureau, lorsqu'un employé quitte le service, d'émettre un chèque au moment de l'expiration de son service actif représentant le paiement de toute la période embrassant tout congé, lors de la retraite, que l'on a pu lui accorder de même que tout congé statutaire auquel il peut avoir droit à ce moment.

Cette pratique, à mon avis, fait naître des objections, les employés doivent être encore considérés comme étant des employés de votre bureau, tout en étant en congé avec traitement, et les paiements du traitement alors que les employés sont ainsi en congé devraient être effectués de la manière ordinaire à la fin de chaque mois jusqu'à l'expiration de la période que couvre son congé. Si l'employé mourait avant l'expiration de son congé, ou avant sa nomination à un emploi dans une autre division du service public, il n'y aurait plus de paiement de traitement pour cette partie non expirée de son congé.

Il me faut, en conséquence, vous prier de modifier votre ligne de conduite conformément à ce qui précède.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Le président de la Commission de l'Etablissement des Soldats sur les terres, Ottawa.

## COMMISSION DE L'ETABLISSEMENT DES SOLDATS SUR LES TERRES,

OTTAWA, le 15 juin 1923.

CHER MONSIEUR,—J'ai l'honneur d'accuser réception de votre lettre en date du 14 juin ayant trait à l'émission des chèques, au moment de l'expiration de leur service actif, aux employés qui quittent le service de la Commission et représentant une période embrassant tout congé, lors de la retraite, que l'on a pu leur accorder, et en réponse j'ai l'honneur de vous dire qu'à l'avenir vos instructions à ce sujet seront mises en pratique.

Votre obéissant serviteur,

JOHN BARNETT, *président.*

WM. KEARNS, Auditeur général adjoint. Ottawa.

SESSIONAL PAPER No. 1

Les cinq premiers objets étaient libellés "R. Innes, S.S.B.", les deux derniers, "B. E. Dobson, S.S.B." Je crois entendre que ces articles ont été fournis à M. Innes et à M. Dobson en route pour l'Inde pour affaires concernant le Bureau d'établissement des soldats.

Comme il n'est pas d'usage général que le Gouvernement fournisse aux officiers en voyage des effets de cette nature hors le cas de transport de papiers officiels, je dois vous demander de me renseigner en l'espèce. Je désirerais également connaître la raison de l'écart des prix des deux sacs pour le tout dont l'un est porté à \$65.00 alors que l'autre l'est à \$28.00, bien que le libellé de la facture soit identique dans l'un et l'autre cas.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *assistant de l'auditeur général.*

Le président du Bureau d'Etablissement des soldats, à Ottawa.

---

BUREAU D'ETABLISSEMENT DES SOLDATS, à OTTAWA, le 28 avril 1923.

CHER MONSIEUR,—J'ai en mains votre lettre du 24 avril où vous demandez des explications sur certains effets de voyage fournis au lieutenant-colonel R. Innes et à M. B. E. Dobson, de ce bureau, lesquels ont fait route en décembre dernier pour l'Inde pour affaires concernant le Bureau d'Etablissement des soldats.

Ces officiers ont été envoyés par le Gouvernement en mission spéciale à l'occasion de la démobilisation de nombreux officiers hindous qui constitueraient, prétend-on, des sujets de premier ordre à diriger sur le Canada. Ce voyage comportait de toute nécessité un déplacement de très longue durée dans des pays lointains et comportant non seulement le voyage en mer mais aussi la traversée de l'Inde jusqu'au centre de ce pays. Ces personnes ont donc dû emporter avec eux une provision considérable de papeterie, et les fournitures achetées à leur intention devaient servir presque uniquement à cette fin. L'écart des prix de ces deux sacs auquel votre lettre fait allusion s'explique en ce que celui facturé \$65.00 était d'un format beaucoup plus grand et doté de courroies solides que ne comportait nullement le sac plus petit facturé \$28.00.

Je pourrais ajouter que ce voyage a été entrepris sur instructions expresses du ministre de l'Intérieur et sur les instances et avec l'assentiment de Son Excellence le Gouverneur général. Pour ces raisons il n'a pas paru nécessaire de faire viser individuellement ces achats destinés à ces deux officiers et en vue expresse de leur voyage en appelant l'attention du ministre sur les détails des articles.

Je compte que ceci sera de nature à satisfaire à votre demande.

Bien à vous,

JOHN BARNETT, *président.*

**Paiement de la taxe sur les ventes**

COMMISSION D'ÉTABLISSEMENT DES SOLDATS SUR LES TERRES, OTTAWA,

le 30 avril 1923.

CHER MONSIEUR,—En réponse à votre lettre du 10 courant, dans laquelle vous me demandez des renseignements afin d'établir si les frais découlant de la taxe sur les ventes compris dans les comptes payés par la Commission ont été remboursés, j'ai l'honneur de vous apprendre ce qui suit:

Nous avons été notifiés le 3 novembre 1922, par le directeur adjoint de la Commission des achats du Canada, que la taxe sur les ventes n'était pas payable par les ministères du gouvernement. On a pris immédiatement des mesures afin qu'à partir de cette date, il ne soit pas payé de taxe sur les ventes.

A propos des paiements antérieurs faits au compte de la taxe sur les ventes, je vous dirai que la Commission n'a payé qu'un montant comparativement faible. La Commission n'a fait qu'un très petit nombre d'achats au cours de l'année dernière, sur lesquels la taxe sur les ventes s'appliquait. Afin, cependant, de déterminer exactement le montant réellement payé, il sera nécessaire d'obtenir de votre ministère tous les comptes payés de mai à novembre, à peu près 2,000, et de les examiner en détail. Par suite du faible montant en jeu, et de la grande somme de travail et de dépenses nécessaires afin de déterminer les montants payés, et aussi à cause du fait que bien que tous les paiements qui ont été faits, ont été reçus par le ministère du Revenu de l'Intérieur, et n'ont pas par conséquent, été perdus pour le gouvernement, on n'a pas jugé expédient de faire les dépenses qu'aurait entraînées l'examen des comptes afin d'obtenir les remboursements.

Si vous désirez que cet examen se fasse maintenant, cette besogne sera entreprise immédiatement. Je tiens à vous dire, cependant, que si cela doit se faire, il sera probablement nécessaire d'employer un personnel temporaire supplémentaire. Si vous exigez que cet examen se fasse, il me fera plaisir que vous m'en avertissiez.

Très cordialement à vous,

T. B. MALLACE, *contrôleur de la comptabilité touchant les prêts.*
