# REPORT

## OF THE

# UNDER-SECRETARY OF STATE

---

To the Honourable

W. J. ROCHE, M.D., LL.D.,

Secretary of State of Canada.

SIR,—I have the honour to submit to you a statement of the work of the Correspondence Branch of the Department of the Secretary of State for the year ended March 31, 1912.

### INCORPORATION OF COMPANIES.

The number of charters, including supplementary charters, issued under the Companies Act during the fiscal year 1911-12 was 658 as compared with 544 in the last previous year. The total capitalization of new companies was \$447,626,999, and the capitalization of existing companies was increased by \$42,939,000, the whole amounting to \$490,565,999, as compared with \$483,131,400, in 1910-11.

Particulars as to the objects, powers, capital stock, &c., of the companies incorporated or granted Supplementary Letters Patent during the twelve months will be found in my report of the work of the Registrar's Branch of the Department.

The Departmental report for the period ended March 31, 1908, included a complete list of all companies to which charters, either original or supplementary, or both, had been granted under the various joint stock companies Acts of Canada from as far back as 1821 to that date. That list is not contained in the present report but will appear in that for next year, the intention being to publish it at intervals of five years. Each yearly report in the meantime contains as usual the record of the charters and supplementary charters issued in the twelve months which it covers.

### NATURALIZATION OF ALIENS.

In my report as Deputy Registrar General above referred to, full particulars are given of all naturalizations effected throughout the Dominion for the twelve months since the date of the last return, viz., to December 31, 1911. Complete returns showing the names, places of residence, and former nationalities of all Canadian naturalized subjects of His Majesty are tabulated and recorded in the Registrar's Branch of the Department, and are always available for reference.

3 GEORGE V., A. 1913

The payments to the returning officers, details of which will be found in the report of the Auditor General, amounted to \$5,557.19. All the correspondence in connection with the returns and all the accounts for the same were dealt with in this branch.

## CANADA TEMPERANCE ACT.

There were no elections under this Act during the past year. At this date the Act is in force in the following counties and cities:—

*Nova Scotia.*

Counties of Annapolis, Cumberland, Digby, Guysborough, Hants, Kings, Pictou, Queens, Shelburne and Yarmouth.

*New Brunswick.*

Counties of Albert, Carleton, Charlotte, Kings, Northumberland, Queens, Sunbury, Westmoreland and York, and City of Fredericton.

*Manitoba.*

The Act is not in force anywhere in any of the other provinces or territories.

## RECEIPTS AND EXPENDITURE.

library of the High Commissioner's office in London with Canadian books and periodicals, &c.,—left a credit balance of \$122,495.22.

## GENERAL.

During the year many valuable additions have been made to the records of the Library. These include many rare volumes of old sessional papers not now to be found elsewhere. The acquisition of these has enabled the librarian to complete several series dating back to Confederation. Marked progress has been made in the indexing and classification of the mass of documents deposited in the department prior to the establishment of the present library, and it is hoped that before long all these papers will be accessible.

My report of the work done in the Registrar's Branch of the Department follows this. In addition to the list of charters of incorporation and supplementary charters, and the returns of naturalization already mentioned, it contains a list of all boards of trade registered in the Department, trade unions, loan companies, licenses granted to British and Foreign companies, commissions issued to public officers, and other useful information.

The synopsis of returns to addresses and orders passed by the Senate and House of Commons of Canada during the session of 1910-11, received and prepared by the Department, and presented through the Secretary of State, will be found in Appendix A.

The Civil Service List of Canada for the year 1912, showing the names, dates of appointments, and promotion, ages and salaries of all persons permanently employed in the several departments of the service and in the two Houses of Parliament on April 1, 1912, is now in course of preparation.

I have pleasure in expressing my satisfaction with the manner in which the staff of the Department have performed their duties during the year.

I have the honour to be, Sir,  
Your obedient servant,

THOMAS MULVEY.

*Under Secretary of State.*

## REPORT OF THE UNDER-SECRETARY OF STATE FOR EXTERNAL AFFAIRS.

To the Right Honourable R. L. BORDEN, K.C., M. P.,  
Secretary of State for External Affairs.

SIR,—I have the honour to submit my annual report upon the work of the Department of External Affairs containing a brief account of the more important matters dealt with in the correspondence with outside Governments, arranged as they concern Canada's relations with Foreign Powers or with other portions of the Empire:—

### RELATIONS WITH FOREIGN POWERS.

#### NORTH ATLANTIC COAST FISHERIES ARBITRATION.

The award of the arbitrators left undecided the question of the reasonableness of objections raised before the Tribunal by the United States to certain Canadian and Newfoundland regulations which it was contended contravened the provisions of the Treaty of 1818. The Tribunal desired to have this question first considered by the Commission of Experts provided for by Art. III of the Arbitration Agreement, and steps were taken to assemble that Commission; but as a result of diplomatic discussion it has been found possible amicably to adjust the differences regarding existing regulations in so far as Canada is concerned.

The Arbitrators had further recommended a method of procedure to provide for the settlement of differences regarding future regulations; but as the suggested procedure was not altogether acceptable, a formal agreement has been negotiated between the two Governments whereby the recommendations have been adopted in a modified form. This agreement also includes the acceptance by both parties of the recommendations of the Tribunal with regard to the limits of the bays contiguous to the territory of the Dominion.

#### PECUNIARY CLAIMS AGREEMENT WITH THE UNITED STATES.

This Agreement with the terms of submission and the First Schedule of claims to be submitted, was finally confirmed by an exchange of notes between the two Governments on the 26th April, 1912. Negotiations are in progress for the settlement of a second schedule to include further claims on both sides. The questions of the personnel of the tribunal to try the claims and of the date when it shall be convened are now under consideration.

## ALASKA BOUNDARY DEMARCATION.

This work continues to advance; the line tracing has been carried during the past season to latitude  $69^{\circ} 20'$  within a few miles of the Arctic Ocean, the triangulation to latitude  $68^{\circ} 54'$  and the topography to  $69^{\circ} 04'$ .

## TREATY WITH UNITED STATES FOR REGULATION OF FISHERIES IN WATERS CONTIGUOUS TO THE BOUNDARY.

The regulations drawn up by the Commissioners under this Treaty have not so far been approved by the United States Commissioners. Dr. Jordan the United States Commissioner having resigned, his place has been filled by the appointment of Mr. Job. E. Hedges.

## TREATY WITH UNITED STATES RELATING TO BOUNDARY WATERS.

The International Joint Commission provided for by this Treaty has now been fully constituted, Messrs. T. Chase Casgrain, K.C., H. A. Powell, K.C., and C. A. Magrath having been appointed as the Canadian members. The United States members as originally appointed were the Honourable T. H. Carter, the Honourable James Tawney and the Honourable Frank Sherwin Streeter, but the death of Mr. Carter making a new appointment necessary the Honourable George Turner was appointed to fill the vacancy.

The Commissioners met at Washington early in the year for purposes of organization and Rules of Procedure to be followed in cases before the Commission were adopted.

Applications have been received by the Commission through the United States Government from the Watrous Boom Company for the approval of the erection of booms in the Rainy River, and from the Rainy River Improvement Company for the approval of the erection of a dam at Kettle Falls; and a joint reference has been made by the two Governments of questions relating to the use of the waters of the Lake of the Woods.

## RELATIONS WITH OTHER PORTIONS OF THE EMPIRE.

## TRADE AGREEMENT BETWEEN CANADA AND WEST INDIAN COLONIES.

The consideration of the measures to be taken to give effect to the suggestions of the Royal Commission on Trade Relations between Canada and the West Indies, gave occasion for the convening of a conference of representatives of the Dominion and the Colonies concerned. The conference opened at Ottawa on the 29th March, Canada being represented by the Honourable G. E. Foster, Minister of Trade and Commerce, the Honourable W. T. White, Minister of Finance, and the Honourable J. D. Reid, Minister of Customs. The West Indian Colonies represented were Trinidad, British Guiana, Barbados, St. Lucia, St. Vincent, Antigua, St. Kitts, Dominica and Montserrat. On the 9th April an agreement was concluded, subject to the approval of the Parliament of Canada, of the legislatures of the West Indian Colonies concerned, and of the Secretary of State for the Colonies, by which preferential tariff treatment in the West Indian Colonies is accorded to a scheduled list of Canadian products in return for similar preferential treatment of enumerated West Indian

products and the free entry of others when imported into Canada. The tariff concessions granted by Canada are to be extended for three years to the colonies of the Bahamas, Bermuda, British Honduras, Grenada, Jamaica and Newfoundland, but may then be withdrawn from any of those colonies which have failed to grant the preferential tariff treatment provided by the Agreement to the scheduled Canadian products. The Agreement is to remain in force for ten years.

## ROYAL COMMISSION ON TRADE AND RESOURCES OF THE EMPIRE.

In accordance with a Resolution adopted at the Imperial Conference of 1911, a Commission was issued by the King on the 15th April, 1912, appointing representatives of the United Kingdom, Canada, Australia, New Zealand, South Africa and Newfoundland to enquire into the natural resources, trade and legislation of certain portions of His Majesty's dominions. The Honourable G. E. Foster, Minister of Trade and Commerce was appointed as the representative of Canada and Mr. W. A. Robinson was made Secretary to the Commission.

Meetings of the Commission were held in London in June for the purpose of making arrangements to enable it to perform its duties effectively and the general lines of the procedure to be followed were settled.

I have pleasure in expressing my satisfaction with the manner in which the staff have discharged their duties.

I have the honour to be,

Sir,

Your obedient servant,

JOSEPH POPE,

*Under-Secretary of State for External Affairs.*

OTTAWA, August 23, 1912.

## PASSPORT REQUIREMENTS OF FOREIGN COUNTRIES.

NOTE.—British subjects travelling abroad are recommended to furnish themselves with passports, for even in those countries where they are no longer obligatory they are found to be useful as affording a ready means of identification in case of need.

ARGENTINE REPUBLIC.—Passengers for the Argentine Republic should carry passports, and are advised to also carry certificates of birth. Persons born in His Majesty's dominions should, if they intend to become resident, even for a short time, obtain from a British Consulate in the Republic a Certificate of Nationality for purposes of identification, and to secure exemption from military service.

AUSTRIA-HUNGARY.—Persons entering Hungary from Servia or Roumania must be provided with passports. Although, in other cases, passports are not legally necessary, travellers are advised to carry them. For purposes of residence a passport or other document to prove identity is necessary.

BELGIUM.—It is desirable for travellers to possess passports. For purposes of residence, registration at the Police Office of the district is required, and a passport is accepted as evidence of identity.

BOLIVIA.—See PERU.

BRAZIL.—Passports not actually required, but travellers are advised to carry them for purposes of identification. If intending to become resident they should register their names and addresses at the nearest British Consulate.

BULGARIA.—Travellers should carry passports of recent date. Bulgarian *visa* not required. Residents should provide themselves annually with certificates of registration under the Ottoman Order in Council.

CENTRAL AMERICA.—Possession of passports desirable both for personal security and purposes of identification.

COSTA RICA.—No regulations in force.

GUATEMALA.—Alien residents are required to present at the Guatemala Foreign Office passports *visés* by the Diplomatic or Consular officer in Guatemala of their native country.

HONDURAS.—No regulations except in times of disturbance.

NOTE.—Naturalized British subjects should bear in mind that their naturalization has no effect within the limits of the Foreign State to which they originally belonged, unless they have ceased to be subjects of that state, in the manner prescribed by the laws thereof, or in pursuance of a treaty or convention to that effect.

1. Applications for passports should be made in writing and enclosed in a cover addressed to "THE HONORABLE THE SECRETARY OF STATE FOR EXTERNAL AFFAIRS, OTTAWA."

2. The charge for a passport, whatever number of persons may be named in it, is two dollars. The fee payable must accompany the application. Postage stamps will not be received as payment.

3. Passports are granted only to British born subjects or to persons naturalized in the Dominion of Canada. A married woman is deemed to be a subject of the state of which her husband is for the time being a subject.

4. Passports are not valid after five years from the date of issue. Fresh passports must then be obtained. When the party is a naturalized British subject he will be so designated in his passport.

5. Passports are granted to all persons either known to the Secretary of State or recommended to him by some person who is known to him; or upon the production of a declaration by the applicant, a blank form of which may be obtained at this Department, verified by a declaration made by any banking firm or by any mayor, magistrate, justice of the peace, minister of religion, physician, surgeon, solicitor, or notary resident in the Dominion of Canada. In certain cases, the applicant's certificate of birth must be produced in addition to the declaration.

6. If the applicant for a passport be a naturalized British subject, his certificate of naturalization must be forwarded to the Department of External Affairs with the declaration; and his certificate of naturalization will be returned with the passport to the person who has communicated with this Department in the applicant's behalf for delivery to the latter.
