Return to an order of the House of Commons, dated the 21st February, 1901, for copies of all despatches, letters, telegrams, correspondence, reports respecting the subjects included in the following telegram of August 2nd, 1900: "Ottawa, Ont., Aug. 2, via Bennett, Aug. 7. F. C. Wade, Dawson,—Sir Wilfrid has handed me your message. Am endeavouring to remove difficulties caused by delays in answering communications addressed to other departments. Superintendent Taché, of the public works department, is now en route to Dawson, with orders for the construction of trails and public buildings. Government considering plan of readjustment of royalty which will lighten tax and, we think, prove generally satisfactory. Order granting representation in local council takes effect immediately. Ryley, of mining branch, en route to Dawson. Will report amendments to mining laws. Careful consideration, letters and petitions received here, convinces me every reasonable request regarding mining laws can be met in near future. Impossible for me to visit Yukon now. Hope to get there before many months. CLIFFORD SIFTON." Presented 25th March, 1901.—*Sir Charles Hibbert Tupper*.....*Not printed.*

OFFICE OF THE SUPERINTENDENT OF INSURANCE,

OTTAWA, July 3, 1901.

To the Honourable

W. S. FIELDING,

Minister of Finance.

SIR,—I have the honour herewith to submit the statements in detail of Insurance Companies for the year 1900, together with such an abstract and analysis of them as appeared proper to exhibit the progress of the business and the condition of the companies.

FIRE AND INLAND MARINE INSURANCE, 1900.

During the year 1900 the business of fire insurance in Canada was carried on by 38 companies; of these 9 were Canadian, 21 British and 8 American. Inland marine insurance was also transacted by 4 of them (2 Canadian and 2 American), and ocean marine by 2 of them (both Canadian). This list of companies differs from that of the previous year by the addition of 2 Canadian companies. One British company (the British and Foreign Marine) is licensed to carry on the business of inland marine insurance and the business of insuring registered mail matter in transit from place to place in Canada, but did no inland marine business during 1900.

Since the close of the year 1900, one fire insurance company, the Equity Fire, has received a license.

FIRE PREMIUMS AND LOSSES IN CANADA IN 1900.

The cash received for premiums during the year in Canada has amounted to \$8,331,948, being greater than that received in 1899 by \$421,456; and the amount paid for losses has been \$7,774,293, which is greater than that paid in 1899 by \$2,592,255. The ratio of losses paid to premiums received is shown in the following table:—

SESSIONAL PAPER No. 8

The unusually high loss ratio in 1900 was due to the Ottawa-Hull conflagration which occurred on the 26th April, when losses were incurred by the licensed companies to the amount of \$3,662,098.45. See page xv of last report.

If we had excluded from these tables the year of the disastrous fire in St. John (1877), the average loss rate would have come out 65.95.

Obtaining an approximation to the losses incurred during the year, by excluding the payments for losses outstanding at the beginning of the year, and including the amounts estimated for those of the year still unsettled, the ratio of the losses incurred to premiums received comes out 97.00 per cent, which is 39.25 per cent greater than the 57.75 of the previous year and is 29.62 per cent greater than the average for the last fifteen years (67.38). The following are the rates of incurred losses from 1886:—

FIRE Insurance in Canada, 1900.

The gross amount of policies, new and renewed, taken during the year by fire companies was \$803,428,654, which is greater by \$47,171,556 than the amount taken in 1899. The premiums charged thereon amounted in 1900 to \$10,031,735.34, being \$715,049.98 greater than the amount charged the previous year. The rate of premiums (1.249) does not differ to any material extent from that of 1899 (1.232). The loss rate (93.31) is 27.80 per cent greater than the loss rate of the previous year (65.51) and 27.36 per cent greater than the average loss rate (65.95) for the past thirty-two years, the year 1877 being excluded.

The rate per cent of premiums charged upon risks taken is shown in the following table:—

—	Gross Amount of Risks taken during the year.	Premiums charged thereon.	Rate of Premiums charged per cent of Risks taken.	The same for 1899.	The same for 1898.	The same for 1897.	The same for 1896.

Decrease.—Ætna Fire, \$36,483. Total increase, \$7,360,216.

PREMIUMS AND LOSSES COMPARED WITH RISKS.

The average rate of premium charged on each \$1,000 of risks taken in 1900 is \$12.486 as against \$12.319, which was the corresponding rate in 1899. The individual rates for the different companies will be found in the annexed table, and will be seen to vary a good deal, as might naturally be expected, considering the varieties of the business done by the companies.

The losses incurred (approximate) during the year, compared with the amount of risk current (taking for this the mean of the amounts in force at the beginning and end of the year), have been at the average rate of \$8.38 per \$1,000 current risk. The corresponding rates for 1882—3—4—5—6—7—8—9—90—1—2—3—4—5—6—7—8—9 were \$5.68, \$5.56, \$5.37, \$4.54, \$5.48, \$5.70, \$4.70, \$4.19, \$4.84, \$5.33, \$5.61, \$6.17, \$5.50, \$5.75, \$5.15, \$5.38, \$6.20 and \$4.99, respectively.

SESSIONAL PAPER No. 8

The losses are, however, as usual, distributed very unevenly among the different companies, as appears from the following, computed on the above basis: where, for convenience of comparison, the corresponding rates for 1899 are appended within parenthesis:—

London Mutual, \$2.31 (\$2.51); Western, \$4.16 (\$3.71); British America, \$5.67 (\$4.32); Scottish Union and National, \$5.69 (\$4.48); Liverpool and London and Globe, \$5.96 (\$4.95); Mercantile Fire, \$6.09 (\$2.98); Royal, \$6.41 (\$4.44); Northern, \$6.66 (\$4.78); Commercial Union, \$7.07 (\$6.17); Phoenix of Hartford, \$7.37 (\$6.40); London Assurance, \$7.42 (\$3.16); London and Lancashire Fire, \$7.92 (\$4.12); Phoenix of Brooklyn, \$8.12 (\$5.41); Connecticut Fire, \$8.14 (\$6.59); Quebec Fire, \$8.37 (\$8.65); Phoenix of London, \$8.48 (\$5.86); Sun Fire, \$8.71 (\$6.88); North British and Mercantile, \$8.85 (\$5.06); Queen, \$8.91 (\$5.42); Guardian, \$9.22 (\$4.63); Norwich Union, \$9.41 (\$5.94); Lancashire, \$9.51 (\$5.83); Imperial, \$9.84 (\$5.75); Anglo-American, \$10.29 (. . . .); Atlas, \$10.49 (\$6.01); National of Ireland, \$10.49 (\$6.01); Caledonian, \$10.51 (\$4.23); Ottawa Fire, \$11.05 (. . . .); Union Assurance, \$11.78 (\$6.50); Law Union and Crown, \$12.16 (\$3.63); Alliance, \$12.20 (\$3.51); Insurance Company of North America, \$12.37 (\$5.38); American Fire, \$12.85 (\$5.37); Canadian Fire, \$12.91 (\$4.09); Manchester, \$13.15 (\$6.37); Hartford, \$13.65 (\$5.29); Ætna Fire, \$14.74 (\$5.85); Victoria-Montreal, \$31.92 (\$7.45).

The annexed table gives the gross amount of risks taken by the several companies during the year, and the premiums charged thereon, and also the distribution of losses, with the proportionate rate of premiums to risks, and the proportion of the amounts paid for losses to those received for premiums during the year. For convenience of comparison the rates of 1899 are appended. It must be noted that the premiums in the second column are those charged on the whole gross amount of risks taken by each company during the year.

SESSIONAL PAPER No. 8

BRITISH FIRE COMPANIES.

The total cash receipts from premiums were \$5,846,021, being an increase of \$193,777 as compared with the previous year; the payments for losses were \$5,515,232 being \$1,648,018 greater than for 1899; while the general expenses amounted to \$1,696,265, being \$80,341 greater than in 1899, thus leaving a balance of \$1,365,476, adverse to the companies. In the previous year there was a balance of \$169,106 favourable to the companies.

Paid for losses.....	\$ 5,515,232

Total.	<u>\$ 7,211,497</u>
Received for premiums.....	5,846,021
Balance adverse to the companies.....	<u>\$ 1,365,476</u>

The following detail gives the balances for the different companies:—

Balances in favour.—Northern, \$3,189; Scottish Union and National, \$19,104. Total, \$22,293.

Adverse balances.—Alliance, \$141,320; Atlas, \$38,266; Caledonian, \$125,000; Commercial Union, \$26,983; Guardian, \$120,208; Imperial, \$98,944; Lancashire, \$65,151; Law Union and Crown, \$1,730; Liverpool and London and Globe, \$35,324; London and Lancashire Fire, \$34,163; London Assurance, \$55,812; Manchester, \$167,740; National of Ireland, \$38,266; North British and Mercantile, \$200,567; Norwich Union, \$89,967; Phœnix of London, \$6,354; Royal, \$28,792; Sun Fire, \$40,231; Union Assurance, \$72,951. Total, \$1,387,769.

Total adverse balance, \$1,365,476.

For every \$100 of premiums received there were spent, on the average \$94.34 in payment of losses and \$29.02 for general expenses.

In 1899 the loss rate was \$68.42, and the general expenses \$28.59 for every \$100 of premiums received.

For the fire business the rate of premium was \$12,415 per \$1,000 of risks taken, as against \$12,231 in 1899.

Hence these companies have done a larger volume of business than in 1899, at a somewhat higher rate of premium, and rate of expense, and at a very much higher rate of loss.

Collecting the result for the twenty-six years from 1875 to 1900, as regards the receipts for premiums and the expenditure of the British companies, we find:—

Paid for losses (1875-1900).....	\$ 66,352,600

Total payments.....	<u>\$ 91,847,869</u>
Received for premiums.....	95,512,373
Excess of receipts over expenses.....	<u>\$ 3,664,504</u>

64 VICTORIA, A. 1901

It will be seen, from an examination of the table given below, that an adverse balance was in existence from the year 1877 till the end of the year 1886, due to the exceptional circumstances of the conflagration at St. John in the first mentioned year—when the losses paid by British companies amounted to almost five millions of dollars; that such adverse balance was reversed at the end of the year 1887, when a favourable balance of \$341,938 was shown, and that this favourable balance increased thereafter, from year to year (with the exception of the year 1893) up to the close of 1899 when it amounted to \$5,029,980. In 1900 the loss by the British companies on account of the Ottawa and Hull conflagration amounted to over two and a half millions of dollars. To this is due the large deficit of that year, \$1,365,476, wiping out the savings of the preceding four years, and reducing the favourable balance at the end of 1900 to \$3,664,504, which is nearly the same amount as at the end of 1895.

As the reports of the general business of the British companies, which are appended to their several statements, are made up in a form not readily understood, except by an expert, I have this year, as in previous years, made an approximate analysis of them which will be found on page lxxv. Only two or three of these companies profess to make any special provision for the liability under the head of "Unearned Premiums;" but they set aside a certain sum under the title of "Fire Fund," which is held to meet future contingencies, and is charged against the company as a liability. I have taken 60 per cent of the annual revenue from premiums as a fair approximation to the exact *pro rata* of the premiums on unexpired risks, which forms the basis of the item in our returns for Canadian business. Also, in cases where life insurance is combined with fire (the assets of these branches being required by the Imperial statute to be kept separately) I have omitted the life business entirely, considering that the life funds are more than sufficient to cover the liabilities in this branch, and thus making the results, as regards paid up capital, less favourable to the companies.

AMERICAN FIRE COMPANIES.

The receipts for premiums (including the inland marine business of the Ætna Fire and the Insurance Company of North America) were \$1,193,183 ; the payments for losses \$1,246,394 ; and the general expenses \$332,085. Hence for every \$100 of premiums received there were spent on the average \$104.46 in payment of losses, and \$27.83 in general expenses.

The following detail gives the balances for the different companies :—

Balances in favour.—Connecticut Fire, \$1,140 ; Phenix of Brooklyn, \$21,920 ; Total, \$23,060.

Adverse balances.—Ætna Fire, \$160,716 ; American Fire, \$10,811 ; Hartford Fire, \$111,672 ; Insurance Company of North America, \$80,456 ; Phenix of Hartford, \$5,151 ; Queen, \$39,550. Total, \$408,356.

Total adverse balance, \$385,296.

The results of the total business of these companies, from 1875 to 1900 inclusive, are as follows :—

CANADIAN FIRE COMPANIES.

In considering the Canadian companies, their whole fire insurance business, in Canada and elsewhere, as well as their whole marine business must be taken into account, inasmuch as a separation of expense between these branches has not been made.

The following table gives the distribution of fire business between Canada and elsewhere, for the four companies transacting business outside of Canada and shows that the home business has been, on the whole, less favourable to the companies than the foreign business.

SESSIONAL PAPER No. 8

The subjoined table gives the rate per cent of losses paid, as compared with premiums received, upon business done in Canada and other countries by Canadian companies, during the years 1878 to 1900 inclusive, a perusal of which will show that, taken over the whole period, the Canadian business has been more favourable to the companies than the business transacted in other countries :—

The assets of the nine Canadian companies doing fire business amounted, at the end of the year, to \$6,029,108, covering a total amount of insurance of all kinds of \$590,075,017, being at the rate of \$10·22 for every \$1,000 of insurance in force; they have also a reserve of subscribed capital not called up, amounting to \$2,182,245, making a total security of \$13·92 for every \$1,000 insured. The liabilities of the same companies amounted to \$3,873,717, made up as follows :—

Unsettled losses	\$ 519,261
Unearned premiums	3,278,989
Sundry	75,467
Total	\$ 3,873,717

The unearned premiums are here taken to be the *pro rata* proportions of the gross premiums for the time unexpired in the cases of Fire and Inland Marine insurance, and

the whole premium in the case of a current Ocean risk. The surplus of assets over liabilities available for the protection of policy-holders, independent of the reserve of subscribed capital not called up, amounts to \$2,155,391.

The capital stock of these companies paid up or in course of payment, amounts to \$3,261,655.

The following table gives the condition at the end of 1900 of all the Canadian stock companies in reference to the surplus on account of policy-holders.

†As reduced by Act of Parliament. *Deficit of \$60,634.66.

A comparison of this with the figures for the previous year shows the following results :—

Loss or deterioration during 1900 :—British America, \$145,655.05 ; Canadian Fire, \$11,228.45 ; London Mutual, \$7,542.01 ; Mercantile Fire, \$6,704.31 ; Quebec Fire, \$49,321.57 ; Western, \$249,874.31 ; Victoria-Montreal, \$176,138.93.

Including the whole business of the mixed companies, as well outside as within the Dominion, it appears that the Canadian companies have received during the year 1900 a total cash income of \$5,513,892.84, which is made up as follows :—

SESSIONAL PAPER No. 8

In the same way the cash expenditure during 1900 has been \$5,909,939.15, distributed into:—

	1900.	The same in 1899.	The same in 1898.	The same in 1897.

Total.....	5,909,939 15	4,755,207 29	4,259,609 55	4,094,341 26

Thus it appears that for every \$100 of income there has been spent \$107.19, namely: for losses, \$69.43; for general expenses, \$34.86; and for dividends to stockholders, \$2.90. Hence, also, for every \$100 of premiums received there has been paid out \$71.61 for losses, \$35.95 for expenses, and \$2.99 for dividends to stockholders.

The total cash income received by the Canadian companies during the twenty-six years from 1875 to 1900 inclusive, is \$98,425,715.05. The respective amounts for the several years, and the distribution thereof under proper headings, are shown in the subjoined table:—

INLAND NAVIGATION AND OCEAN INSURANCE, 1900.

Inland Marine insurance is carried on in Canada by two Canadian companies (the British America and Western), and to a very limited extent by two American companies (the Aetna Fire, and the Insurance Company of North America). Ocean business is transacted by the two Canadian companies, but the greater part of this business is transacted by companies which are not required to be licensed, and do not report to this Department.

The figures given below include the Canadian inland marine business of the two American companies, and the whole inland marine and ocean business done by the two Canadian companies.

SESSIONAL PAPER No. 8

Inland Marine.

The premiums received amounted to \$577,202, the losses incurred to \$316,464, and the losses paid to \$310,064. At the end of the year the losses unsettled were \$34,260.

The inland marine business has been less unfavourable than the year previous. The losses incurred amounted to only 54·83 per cent of the premiums received. The rates for 1898 and 1899 were 79·02 and 73·90, respectively.

Ocean Marine.

The premiums received amounted to \$670,960, the losses incurred to \$559,488, and the losses paid to \$546,705. At the end of the year the total outstanding or unsettled losses were \$40,739.

In the ocean business the rate of losses incurred to premiums received was 83·39 per cent, whilst in 1898 and in 1899 the rates were 97·88 and 80·16, respectively.

An abstract of the inland marine business will be found on page lxxiv, and details of this and the ocean business for the individual companies on pages lxxii and lxxiii.

LIFE INSURANCE, 1900.

The business of life insurance was transacted by thirty-five active companies of which eighteen are Canadian, eight British and nine American.

Insurances Effected during the Year.

The total amount of policies in Canada taken during the year 1900, was \$68,896,092, which is greater than the amount taken in 1899 by \$1,495,359. The Canadian companies show a decrease in 1900 of \$3,592,179, whilst in 1899 they had an increase of \$6,511,316; the American companies have an increase of \$5,117,668, while in 1899 they had an increase of \$5,116,094: and the British companies have a decrease of \$30,130, whilst in 1899 they had an increase of \$425,020, the total increase in 1900 being \$1,495,359, as above stated.

The respective amounts effected are:—

Canadian companies.....	\$38,545,949
British "	3,717,997
American "	26,632,146

So that the amount taken by native companies exceeds that taken by the British and American together by more than \$9,195,000.

Life Insurance in Force in 1900.

The total amount of insurance in force at the close of the statements was \$431,069,846, which shows the large increase of \$26,898,973 over that of the previous year, being distributed as follows:—

	Total in Force.	Increase.
Canadian companies.....	\$267,151,086	\$14,949,370
British "	39,485,344	1,459,396

Amount of Insurance terminated in 1900.

The amount of insurance terminated in natural course, namely, by death, maturity or expiry, was \$7,952,832, which is greater by \$426,682 than the corresponding amount in the previous year; and the amount terminated by surrender and lapse was \$29,851,916, being greater than in the previous year by \$2,043,209.

Relatively to the amounts at risk the amounts so terminated do not differ to any material extent from those of the previous year, giving for every \$1,000 of current risk \$18.13, terminated in natural course and \$68.06 by surrender and lapse, making a total of \$86.19. In the year 1899 these rates were \$18.65 and \$68.90 respectively, making a total of \$87.55, thus giving a difference of only \$1.36 for each \$1,000 at risk.

The following table exhibits the rates for the last five years:—

The total termination amounts to about 54·87 per cent of the amount of new policies. The actual amounts of termination were distributed as follows:—

	Naturally.	By Surrender and Lapse.
	\$	\$
Canadian companies	3,746,504	16,096,975
British "	936,681	1,512,732

The details of the individual companies will be found on page c.

Canadian Policies in Force.

Omitting the industrial policies of the London Life and the Metropolitan, the thrift policies of the Sun Life, the monthly policies of the Excelsior and the provident policies of the North American, the following table gives the numbers and amounts of policies in Canada and the average amount of a policy in force at the date of the statements:—

	Number.	Amount.	Average Amount of a Policy.
		\$	\$
Canadian companies	169,544	261,971,401	1,545
British "	20,019	39,485,314	1,972
American "	62,076	113,231,573	1,824
Total	251,639	414,688,318	1,648

The average amount of *new* policies is, for Canadian companies \$1,490; for British companies, \$1,842; and for American, \$1,825. The corresponding amounts last year were \$1,520, \$1,848 and \$1,817.

DEATH RATE.

In the calculation of the death rate this year, as in previous years, the mean number of policies in force, and the number of policies terminated by death during the year have been admitted as approximations to the mean number of lives exposed to risk, and the number of deaths during the year, respectively. It is believed that the

results arrived at, represent the actual mortality among insured lives in Canada as accurately as can be gathered from the returns of the companies.

Collecting the results for the twenty-two years, 1879 to 1900, we find that the total payments to policy-holders amount to 54·09 per cent of the premium-income during the said period.

The subjoined table shows the total premium-income and payments to policy-holders, during the last twenty-two years, of the life insurance companies which have

Collecting the results for twenty-two years, 1879 to 1900, it will be seen that the total payments to policy-holders made by said retired companies exceeds by 50.40 per cent the total premium-income during the same period.

Canadian Companies.

The assets and liabilities, income and expenditure, of the Canadian Life Companies will be found exhibited in the statements under their respective headings at pages xcii, xciii, xcvii and xcvi. The tables of mortality employed by the various companies in the calculation of their reinsurance reserve are shown in the table on page xciii.

From the tables on pages xcvii and xcvi referred to, it will be seen that the Canadian Companies have received an income of \$13,520,227.68 drawn from the following sources:

Premiums and annuity sales	\$ 10,999,604 48
Interest and dividends	2,326,362 87
Sundry	194,260 33
Total	\$ 13,520,227 68

And they expended \$8,395,065.83 under the following items:—

Paid to policy-holders and annuitants	\$ 5,195,145 95
General expenses	3,117,578 18
Dividends to stockholders	82,341 70
Total	\$ 8,395,065 83

Hence, out of every \$100 of income they have expended in payment to policy-holders \$38.42, in general expenses, \$23.06, and in dividends to stockholders, \$0.60, leaving \$37.92 to be carried to reserve.

By reference to the table at page xcii it will be seen that the total assets at December 31, 1900, of the Canadian life companies other than assessment companies (including \$3,074,610 outstanding and deferred premiums, interest and rents due and accrued which have not as yet gone into income) amount to \$59,504,066, an increase over the corresponding amount at the end of the year 1890 of \$38,763,621.

The amount of risks in force have increased from \$138,485,416 in 1890 to \$303,010,848, a gain of \$164,525,432, and the reserves have increased from \$18,093,829 in 1890 to \$53,449,772 in 1900, an increase of \$35,355,943.

The following table gives the premium and other income of the Canadian companies other than assessment companies, during the past twenty-two years, and also the payments to policy-holders, for general expenses and for dividends to stockholders during the same period.

ASSESSMENT LIFE INSURANCE, 1900.

The business of life insurance upon the assessment plan has been transacted by five companies reporting to this office, of which four are Canadian and one American.

The total amount of policies taken in Canada during the year 1900, was \$12,909,800, which is greater than the amount taken in 1899 by \$1,887,800, and the net amount in force at the end of the year was \$128,034,000, which is less than the amount in force at the end of 1899 by \$1,771,877.

The amount of insurance terminated by death was \$1,146,000, and by surrender and lapse, \$11,401,427.

The total terminations amount to 97.19 per cent of the amount of new policies.

The amounts of terminations were distributed as follows :—

	By death.	By Surrender and Lapse.
Canadian companies	\$ 884,000	\$ 5,746,000
American "	262,000	5,655,427
Total.....	\$ 1,146,000	\$ 11,401,427

The details of individual companies will be found on pages ci and ciii.

The total amount paid by members for membership fees, annual dues, assessments, &c., was \$1,719,369 and the amount paid for death claims was \$1,141,751.

Details of the assets and liabilities, income and expenditure will be found on pages civ, cv and cvi.

ACCIDENT AND GUARANTEE INSURANCE IN CANADA, 1900.

The business of accident insurance was transacted by ten companies, viz.: 5 Canadian (1 of which combined it with life insurance, 1 with plate glass insurance, 4 with sickness insurance and 1 with guarantee business) 1 American (also combined with life), and 4 British, (2 of which combined it with guarantee business, and 3 with sickness insurance.)

The list of companies does not differ from that of the previous year.

The total accident premiums received in Canada were \$702,327, insuring an amount of \$112,391,077, and the sum of \$412,316 was paid for claims, with \$84,420 claims not settled.

An abstract will be found on page cx.

The guarantee business was conducted by five companies—two Canadian, two British and one American.

The list does not differ from that of the previous year.

The premiums received were \$103,254, guaranteeing an amount of \$24,849,212 and the net amount paid for claims was \$19,922 with \$28,342 claims not settled.

The Guarantee Company of North America transacts business outside of the Dominion, which is not included in the above.

SICKNESS INSURANCE.

The business of sickness insurance has been carried on by seven companies, viz, three British and four Canadian. Three of the companies combine it with accident insurance, three with guarantee and accident insurance, and one with accident and plate glass insurance. Of the seven companies referred to, only two regularly issue sickness policies *not* in combination with accident risks; four issue combined accident and sickness policies, and one issues a combined accident and sickness policy, a limited sickness policy in conjunction with an accident policy and also in rare cases a separate sickness policy.

It appears, however, that sickness insurance not in combination or in conjunction with accident risks has been carried on only to a very limited extent and returns of the premiums received in respect thereof and losses paid, &c., have not been made to this department.

In addition to the seven companies above referred to, two fraternal societies, licensed by this office, viz.: the Supreme Court of the Independent Order of Foresters and the Subsidiary High Court of the Ancient Order of Foresters pay sick benefits to such of their members as stipulate therefor in their application for membership. In the case of the latter these benefits are paid partly through the lodges and partly by the Subsidiary High Court.

PLATE GLASS INSURANCE IN CANADA, 1900.

The business of plate glass insurance was transacted by four incorporated companies, viz.: 2 Canadian (1 of which combined it with accident insurance), and 2 American.

The companies, having adopted the system of insurance by replacement, instead of paying the value of the glass broken, and their contracts not stating any amounts as insured thereby, their returns do not show the amount of insurance effected during the year, nor the amount in force at the end thereof. The premiums received during the year in Canada for plate glass insurance were \$77,377, being greater than the amount received the previous year by \$7,962, and the total losses incurred were \$36,156, being \$5,538 greater than the amount incurred in 1899. An abstract will be found at page cx.

BURGLARY GUARANTEE INSURANCE, 1900.

This branch of insurance which is transacted to a considerable extent in Great Britain, was introduced into Canada eight years ago. On June 14, 1893, a license was issued to the Dominion Burglary Guarantee Company (Limited), whose head office is at the city of Montreal, to transact the business of guaranteeing against loss or damage by reason of burglary or housebreaking, and guaranteeing against loss of jewellery, bullion and other movable property deposited with it for safekeeping. This company which was incorporated by an Act of Parliament of Canada, assented to on April 1, 1893, is the only company licensed by this department to carry on the business of burglary guarantee insurance in Canada. A table showing the premiums received by it, the number of policies issued, the amount insured thereby, the number and amount of policies in force at the end of the year, the amount of claims paid, &c., will be found at page cxi.

At the present time there are one hundred and three (103) companies under the supervision of this office. The nature of the business transacted by them is as follows :

RULES AND REGULATIONS REGARDING THE ACCEPTANCE OF SECURITIES OFFERED FOR DEPOSIT BY INSURANCE COMPANIES, &c., &c.

The following extracts from Orders in Council, Minutes of the Treasury Board, &c., (most of which have been previously published) are here collected for convenience of reference :

Particulars of Securities offered for Deposit.—‘All applications for the acceptance of bonds or debentures, whether as original deposits or in exchange for securities which the applicants desire to have released, must be accompanied by a statement giving full particulars of the securities offered for acceptance under the following headings, viz. :—

‘Date, date of maturity, place of payment of principal, rate of interest, how payable, *i.e.*, yearly or half-yearly, date and place of payment of interest, market value at time of application for acceptance, and, if not quoted in the market, the price at which purchased by the company and date of such purchase.

‘Also, as regards municipalities whose bonds or debentures are offered :

‘The population, assessed value, rate of taxation, assets, total debenture indebtedness, and all other liabilities, income and expenditure for the last fiscal year, and any other details in the possession of the company which would be of assistance in determining the value of the securities offered for acceptance.

‘The Board desire to be in possession of all possible information in relation to such securities in order that they may be in a position to give the matter proper consideration.’ (T. B., Nov. 9, 1888.)

Railway Debentures.—‘The Board are of opinion that they cannot accept as a deposit the bonds of any railway company, unless guaranteed directly or indirectly by the Canadian Government.’ (T. B., Oct. 27, 1890.)

Loan Companies’ Bonds.—‘The Board had under consideration a memorandum from the Superintendent of Insurance with reference to the application of the Land Mortgage Companies’ Association of the province of Ontario to have the debentures of loan companies accepted by the Government as deposits on behalf of insurance companies, in which he reports that the said Association is composed of incorporated loan companies or societies authorized to lend money on real estate in the province of Ontario, and all such companies or societies are eligible for membership upon payment of certain fees; that the loan companies which compose the said association may be divided into the following classes :—

I. ‘Companies incorporated under the provisions of the statute of the Province of Canada, 9 Victoria, chap. 90, consolidated in chapter 53 of the Consolidated Statutes of Upper Canada, now included in chapter 169 of the last Revised Statutes of Ontario (1887), and commonly known as the Building Societies’ Act.

II. ‘Companies incorporated under the “Canada Joint Stock Companies’ Act, 1877,” now known as the “Companies Act,” being chapter 119 of the Revised Statutes of Canada (1886).

III. ‘Companies incorporated under special Acts of the Legislature of the Province of Canada or of the Parliament of the Dominion of Canada.

IV. ‘Companies incorporated under the “Ontario Joint Stock Companies’ Letters Patent Act, 1874,” being chapter 150 of the former and chapter 157 of the last Revised Statutes of Ontario.

V. ‘Companies incorporated under the English Companies’ Act, and licensed to transact business in Canada under 37 Victoria, chapter 49, being chapter 125 of the Revised Statutes of Canada.

The Board, after careful consideration of the report of the Superintendent of Insurance as to the class of securities upon which the above companies can invest their funds, and as to the borrowing powers of the said companies, direct that the debentures and debenture stock of such companies, belonging to the said association, as meet the requirements hereafter set forth, may be accepted as deposits on behalf of the insurance companies, at such rate as the Treasury Board may see fit to place upon them, not, however to exceed the value usually placed upon municipal securities, viz., 90 per cent of the par value thereof when the market value is at least equal to such par value, or 90 per cent of the market value, when the market value is less than the par value.

The requirements above referred to are as follows :—

1. The company shall have kept strictly within the powers in relation to borrowing and investment conferred upon it by the Act under which it is incorporated.

2. It shall have a paid-up capital of at least \$500,000.

3. It shall have been in successful operation as a loan company for not less than ten years.

4. It shall have a reserve fund amounting to not less than 25 per cent of its paid-up capital.

5. Its stock shall have a market value of not less than par.

The Board also direct that every application on behalf of an insurance company for the acceptance of any such debentures or debenture stock as herein above provided, shall form the subject of a special reference to the Treasury Board, and that the company shall supply, for the information of the Board, all necessary particulars, including a statement of the borrowing powers and powers of

investment of the loan company whose securities are offered as a deposit, and a statement showing in detail the nature of the investments of such loan company, all properly verified. (T. B., October 16, 1896).

No assurance of acceptance of Bonds by the Treasury Board.—The Superintendent asks the decision of the Board upon the following question, viz. :—

‘Will the Board inform a company desirous of purchasing certain bonds or securities whether they will be accepted or not as a deposit in the event of their being purchased?’

‘The Board, after deliberation, are of opinion that they cannot give any assurance to any company that securities will or will not be accepted in the event of their being purchased.’ (T. B. April 1, 1889.)

Deposit Receipts.—‘The Board direct that deposit receipts be not accepted in any case as a deposit on behalf of any company.’ (T. B., January 25, 1888.)

Bank Stock, &c.—‘Bank stock or shares in any private company will not be accepted.’ (O. C., January 17, 1876.)

Registered Bonds as Deposits.—‘When registered bonds are received as deposits they must be registered in the name of the Receiver General. Bonds registered in the name of a company accompanied by an assignment in favour of the Receiver General, will not be accepted. When registered bonds are intended to be used as a deposit, they should, before being forwarded to this department, be registered thus—in the name of ‘the Receiver General of Canada in trust for (*giving the name of the company*) being part of the deposit made by the company with said Receiver General in pursuance of the statutes of Canada in that behalf.’ (T. B., July 13, 1891.)

Foreign Municipal Securities.—‘The Board are of opinion that no municipal securities other than Canadian should be accepted for deposit under the Insurance Act.’ (T. B., January 30, 1894.)

Exchange of Securities deposited with the Receiver General.—The Board establishes the following rule, viz., that bonds or securities of any kind deposited with the Receiver General can be released and withdrawn only upon the deposit with the Receiver General of an adequate amount of other securities satisfactory to the Board. (T. B., October 28, 1899.)

Municipal and other Securities as deposits.—The Board, on the report of the Superintendent of Insurance, direct as follows :—

(1.) That Canadian municipal securities, Montreal Harbour bonds, Canadian Pacific Land Grant bonds, United States State securities and loan companies’ debentures (where such securities are in all respects acceptable to the Treasury Board) be hereafter accepted at 95 per cent of their market value at the time of deposit, such accepted value in no case however to exceed par.

(2.) That all securities of the classes mentioned in the preceding clause (1) which have been heretofore deposited and are still in the hands of the Dominion Government at Ottawa or in the hands of the Bank of Montreal, London, England, on behalf of the government, be revalued upon the basis set out in said clause (1).

(3.) That for the purpose of such revaluation the various insurance companies by which such securities have been deposited be required to furnish from time to time when called for by the Superintendent, schedules thereof giving the full particulars of such securities, including their par and market values, such par and market values to be certified to by a competent valuator or appraiser. (T. B., June 14, 1900.)

LEGAL DECISIONS.

The following digest of recent legal decisions will be found useful by those engaged in the business of insurance :—

1. LIFE INSURANCE FOR BENEFIT OF WIFE, INTENTION TO ASSASSINATE, POLICY INCONSISTENT WITH APPLICATION, PREMIUM NOTE, PART PAYMENT, ESTOPPEL, WINDING UP, PROOF OF CLAIM OF UNMATURED POLICY HOLDER, INSTALMENT POLICY.

(a) *Jugé*:—En vertu de l’article 5604 des statuts révisés de Québec, une police d’assurance effectuée sur la vie du mari en faveur de la femme, est insaisissable tant qu’elle dure, de même que les sommes qui sont entre les mains de l’assureur après l’échéance du risque, mais du moment que le produit d’une telle police est entre les mains d’un tiers, il est saisissable.

(October 10, 1899.—Sir L. N. Casault, Thibadeau v. Warren, 17 Superior Court Reports (Quebec) p. 347.)

(b) Le fait qu le bénéficiaire d’une police d’assurance sur la vie a pu avoir l’intention d’assassiner (et a de fait assassiné) l’assuré ne suffit pas alors qu’il n’est pas prouvé que l’assuré eut cette intention quand il a fait assurer sa vie, ni que le bénéficiaire fut son agent en effectuant l’assurance pour libérer l’assureur de l’obligation de payer le montant de l’assurance aux héritiers de l’assuré sur revocation judiciaire du bénéfice stipulé en faveur de l’assassin.

February 28, 1900.—Quebec Appellate Court, Standard Life Assurance Company v. Trudeau, 9 Queen’s Bench Reports, p. 499.)

(c) The plaintiff applied to the defendants for insurance at a fixed annual premium for life, but the policy sent to him contained a provision that the premium might be increased.

SESSIONAL PAPER No. 8

The plaintiff did not read the policy, and, pursuant to notices from the defendants, paid them seven annual premiums at the original rate. In the eighth year the defendants demanded a larger premium:—

Held, that the policy not being in accordance with the application, was a mere counter proposal, and that there was no contract; that the plaintiff was under no obligation to read the policy, which he was entitled to assume, in the absence of anything done by the company to call his attention to the provision in question, to be in accordance with the application; that he was, therefore, not barred by acquiescence or delay, and that he was entitled to repayment of the premiums with interest.

(November 13, 1900.—Ontario Court of Appeal, *Mowat v. Provident Savings Life Assurance Society*, 27 Ontario Appeal Reports, p. 675.)

(d) G made application for a policy of insurance upon his life in the defendant company, the amount insured to be paid in case of the death of the insured to plaintiff. The defendant company accepted the risk, and issued and delivered the policy, the premium upon which was to be paid half-yearly in advance. G paid the first premium partly in cash and partly by giving his promissory note payable two months after date. The form of application signed by G contained an agreement on his part that if any note given for the first of any subsequent premium or any part thereof were not paid when due, any policy issued under said application should cease to be in force without any notice or action on the part of the company. The note given by G fell due on July 18 and was not paid. G died on August 7, and after his death the amount due on the note was tendered to the company and refused.

Held, 1. The stipulation avoiding the policy for non-payment of the note was inoperative, not being set out on the face of the policy in compliance with the provisions of R.S.C., c. 124, s. 27.

2. Under all the circumstances of the case the note given by G and accepted by the company was an absolute payment.

3. Plaintiff was entitled to judgment for the amount of the policy with costs, less the amount unpaid on the note.

(January 2, 1901.—Mr. Justice Townshend, Supreme Court, N.S., *Greenwood v. Home Life Insurance Company*, 37 Canada Law Journal (1901), p. 129.)

(e) A condition in a policy of life insurance provided that any premium, or note given therefor, was not paid when due the policy should be void. A note given payable with interest, in payment of a premium provided that if it were not paid at maturity the policy should forthwith become void. On the maturity of the note it was partly paid, and an extension was granted, and in a part payment being again made a further extension was granted. The last extension was overdue and balance on note was unpaid at the death of the assured. A receipt of the company given at the time of taking the note was of the amount of the premium, but at the bottom of the face of the receipt were these words: "Paid by note in terms thereof." While the note was running the policy was assigned for value, with the assent of the company, to the plaintiff, to whom the receipt was delivered by the assured.

Held, That no estoppel was created by the receipt; that there was no duty upon the company to have afforded the plaintiff an opportunity of paying the premium; and, that the policy was void.

(January 25, 1901.—Mr. Justice Barker, Supreme Court, N.B., *Wood v. Confederation Life Insurance Company*, 37 Canada Law Journal (1901), p. 246.)

(f.) The amount for which the holder of an unmaturing policy payable at the death of the insured is to rank against an insolvent Life Insurance Company in liquidation under the Ontario Insurance Act, R.S.O., 1897, cap. 203, is the difference if any, at the date of the commencement of the winding up, between and in favour of the present value of the reversion in the sum assured at the decease of the life and the present value of a life annuity of an amount equal to the future premiums which would become payable during the estimated duration of the life assured.

(Feb. 5, 1901.—Divisional Court, Ontario, *re Merchants' Life Association of Toronto*, *Vernon Cases*, 1 Ontario Law Reports, p. 256.)

(g) Motion by the *Imperial Life Insurance Company*, under Rule 938, for an order giving directions as to the mode of payment of moneys arising from an insurance effected by them upon the life of one McKellar, now deceased.

The insured applied for a policy of \$5,000 on his life, payable in the event of his death in fifteen instalments of \$333.33 each. Being asked in the application: "In event of death of beneficiaries" (his three daughters) "do you desire that the assurance shall be made payable to your executors, administrators or assigns?" He answered "No, make to my two sons." This policy was drawn payable in fifteen annual instalments to the three daughters, or, in the event of their death, to the two sons.

The three daughters applied to the Company for payment of the whole amount to them forthwith; and this motion was made in consequence.

Boyd, C.—The three daughters apply to accelerate the payments and obtain the whole amount insured forthwith. It is sought to further this result by citing cases as to vesting of legacies, so as to entitle the daughters surviving the insured to become the recipients of the whole fund, though payable by instalments. It does not appear to me desirable to incorporate the somewhat technical and not

always satisfactory doctrine as to the vesting of legacies into these policies of insurance. The intention of the insured was certainly to eke out the amount insured, so far as possible, by means of annual payments for the benefit of his daughters if alive at the date of payment, and, if not, for the benefit of his sons who might survive the deceased daughters.

I therefore do not sanction the proposed application that the whole should be paid en bloc to the daughters, to the possible exclusion of the sons.

2.—BENEVOLENT SOCIETIES, ASSESSMENT LIFE INSURANCE, PREFERRED BENEFICIARY, ERROR IN AGE, INCREASE OF ASSESSMENTS.

(h) The defendants were an unincorporated union or society of workmen of a particular class, having their head office in a foreign country, with unincorporated branches or lodges in this Province:—

Held, that beneficiary certificates issued by them to members, entitling members or their representatives, upon payment of certain assessments, and compliance with certain conditions, to certain pecuniary benefits, were not subject to the provisions of sec. 144 of the Ontario Insurance Act, 60 Vic., cap. 36.

Held, also, that even if the Act did apply, a beneficiary certificate not containing an absolute contract to pay any sum but stating merely that upon compliance with the conditions, and upon payment of the assessments, directed by the constitution, the sum authorized by the constitution would be paid, and that any default would render the certificate void, was not within the section, and that the conditions of the constitution must be read into it in determining its validity.

(June 29, 1900.—Ontario Court of Appeal, *Wintemute v. Brotherhood of Railroad Trainmen*, 27 Ontario Appeal Reports, p. 524.)

(i.) The following important judgment rendered by Mr. Justice Curran, Montreal, is extracted from the *Montreal Gazette* of November 30, 1900:—

‘By his declaration plaintiff sets forth, that about May 6, 1886, defendant issued a policy of insurance, on the life of plaintiff, for the sum of ten thousand dollars, which was to remain in force so long as plaintiff paid the dues and annual premiums. Thirty dollars admission fee was paid by plaintiff. That plaintiff paid regularly all calls, from the said May 6, 1886, to May 6, 1896. That plaintiff paid into the association defendant, for admission fees, dues, premiums, etc., \$1,821.80 on the policy, and that, for five years past, the interest on payment made amounted to \$180, making in all at least the sum of \$1,981.80.

‘That by printed circulars, documents and advertisements, printed and advertised and communicated to plaintiff, defendants and their agents, duly authorized, before plaintiff became insured, and before each payment of premium or dues, in order to induce plaintiff and others to insure with them, and to continue so insured, represented to plaintiff, that the said dues and assessments paid by him and others of the same scale, if continued, were sufficient in rate and amount per annum, without increase thereof, to pay for and continue in full force, during plaintiff’s whole lifetime said insurance of \$10,000, and further, to create an emergency fund of twenty-five per cent of all assessments, and a sum additional thereto, sufficient, with interest and lapses, to render such insurance self-sustaining, in about fifteen years, whereas defendants well knew, that they would enormously increase the said costs of such insurance, in and after said period of 15 years, as well as before.

‘That, notwithstanding such representations, defendants in the month of July, 1895, suddenly, and without previous intimation, and without any pretense of unforeseen death rate, enormously increased the assessment of plaintiff and other members of the same class, raising plaintiff’s assessment from \$174.60 per annum to \$271.80, or nearly \$100 annually.

‘That such increase, unless made fraudulently, for the purpose of forcing plaintiff and other similarly situated in the company, out of the same, proves clearly that the representations made with reference to the sufficiency of plaintiff’s payments, without increase, were untrue. That defendants, as experts in insurance, must have made such false representations wilfully. That it is evident, that the representations made by defendants and their agents were fraudulent. Plaintiff alleges that he is not an expert in insurance, that he relied upon the representations of defendants and their agents, that the original payments he was called upon to make, would be sufficient, without increases, to maintain his policy of \$10,000 in force, and that without such false representations, he would not have entered into the contract of insurance with defendants. Plaintiff asserts, that when called upon for such sudden increase, he lost all confidence in the association defendant, and, as he had been fraudulently deceived by them, he refused to pay the increased assessment, and thereupon, defendants declared his policy cancelled, and appropriated the sum of \$1,981.80 for their own benefit, and refused to indemnify him for his loss, incurred by their false and fraudulent representations. Plaintiff then sets forth many allegations, of fraudulent practices, by defendants, in the methods of management of their association, and finally, alleges that he had thus been insured by defendants for nearly a period of ten years, at the expiration of which he had attained the age of fifty-eight, thus placing him in a position where he could not get insured in an honest, reliable company, except at a greatly enhanced cost, over what he would have been called upon to pay had he not been deceived by defendants, and he places the damage done him, under this head, at the amount of \$1,950, but he limits his claim to the reimbursement of the moneys paid in as above stated, unless the same should be set aside, in which case he claims judgment for the damages thus suffered.

SESSIONAL PAPER No. 8

Defendants plead that they are a corporation, and were so at all the times mentioned, operating under the law of the State of New York, cap. 267, of 1875, and cap. 175, of 1883. That they do business under the co-operative or assessment plan, receiving members under the terms of written applications for membership, subject to the provisions of its constitution, by-laws, rules and regulations. That they issue certificates upon such applications, whereby, upon the decease of a member, money or other benefit is paid to the legal representatives or beneficiary of such member. That the money or benefit so paid, is derived from various sources, donations, admission fees, dues, and assessments, or some of them, to be collected from the members thereof, or from members of a class therein. That defendant has no capital stock or invested capital, but is purely a mutual association, all of which was well known to plaintiff prior to his application for membership. Defendant admits and alleges that plaintiff, on May 6, made application for membership and that, thereupon a certificate was issued to him, entitling him to the benefits mentioned therein. That it was stipulated, that the contract, between plaintiff and defendant was set forth in the application, the policy and the constitution and by-laws of the association defendant, copies of which they file. They allege that the bi-monthly payments, paid as assessments, by plaintiff, amounted to no more than \$1,542.30. They deny the allegation with reference to the printed circulars. They admit that the assessments of the plaintiff were increased, from \$174 to \$271 per annum. They also deny the imputation of false representations alleged by plaintiff, but admit that the amounts paid by plaintiff and others, in like position, at the time they became members, were not sufficient, without increase, to even maintain plaintiff's insurance during life, much less to render it self-sustaining. They deny that they were aware of this fact or that, as insurance experts, they should have known it, or that any representations to that effect were made with fraudulent intent. Defendants allege that they ignore the motives that induced plaintiff to join the association, or that the reasons alleged by him were such as to induce him to become a member thereof, or that without such reasons and the representations, which he alleges were fraudulently made, he would not have so become a member, or continue to hold an insurance policy, in said association; but, that they have, in all matters referred to by the plaintiff, in his allegations under this head, adhered to the constitution and by-laws. They admit that plaintiff continued to be insured, for a period of nearly ten years, and that his age is fifty-eight. Defendant then alleges that among other things it was provided in said policy or certificate of membership that all mortuary assessments should be payable at the home office of the association in the city of New York, within thirty days from the first week day of the months of February, April, June, August, October and December, of each and every year, during the continuance of this certificate (or from such other periods as the board of directors may, from time to time, determine), and within thirty days from the day of the date that each assessment is ordered; and, it was further provided in said certificate:—

1. "If at such date as the board of directors of the association may, from time to time, fix or determine, for making an assessment, the death fund is insufficient to meet the existing claims by death, an assessment shall then be made upon every member whose certificate is in force at the date of the last death assessed for, and said assessments shall be made at such rates according to the age of each member as may be established by the said board of directors, and the net amount received from such assessment (less 25 per cent to be set aside for the reserve fund), as provided in the constitution or by-laws of said association, shall go into the death fund."

2. "The net earnings of the association together with 25 per cent. of said net receipts from each assessment shall constitute a reserve fund, which shall be deposited with a trust company or companies or department constituted by governmental or legal authority, and upon the order of the board of directors of the said association shall be securely invested in United States bonds, mortgages, or other interest bearing securities for the exclusive benefit of the members of the association, and the interest on the same as it accrues shall be placed to the credit of the death fund to be used in providing for the current death claims. The reserve fund above \$100,000 and in excess of sums represented by outstanding bonds may be applied to the payment of claims in excess of the American Experience Mortality Table, and when any claim by death is due, after a mortuary assessment upon each member of the association has been made, according to the rules of the association, to making up any deficiency that may then exist in the death fund."

(Which is the same as sections 2 and 3, of article XI, of the said constitution or by-laws.)

3. "After the expiration of such period of five years, during the continuance of this certificate of membership, a bond shall be issued for an equitable proportion of the reserve fund, and the principal of said bond shall be available ten years from its date towards paying future dues and assessments under this certificate, and should membership hereunder cease from any cause, said bond shall at once become null and void, and any portion of said principal not thus used shall be applied to increase the bonds issued at the next quinquennial apportionment to other members of the association holding certificates issued during the same years as this certificate, and at each apportionment the rates of assessments may be changed to correspond with the actual mortality experience of the association." (And said provision in said certificate is the same as section 5 of article XI, of the constitution or by-laws of the association), and the said certificate further provides:

4. "No agent of the association has authority to make, alter or discharge contracts, waive forfeitures, extend credits, or grant permits, and no alterations of the terms of this contract shall be valid, and no forfeiture thereunder shall be waived unless such alteration or waiver shall be in writing and signed by the president and one other officer of the association."

It was further provided in said certificate of membership:

5. "That this contract shall be subject to all the provisions and conditions contained in the constitution or by-laws of this association, with the amendments made and that may hereafter be made thereto" (which said provision was also contained in said application.)

Said application contained the further provision :

6. "It is hereby expressly agreed that the person soliciting or taking this application, also the medical examiner, shall be, and is, my agent, and not that of said association, as to all answers and statements in this application ; and inasmuch as only the officers at the home office of the association in the city of New York have authority to determine whether or not a certificate shall issue on any application, and as they act on the written statements and representations referred to, no statements, representations or information, made or given by or to the person soliciting or taking this application, for a certificate, or by any other person, or to the association, shall be binding on the association, or in any manner affect its rights, unless such statements, representations or information be reduced to writing and presented to the officers of the association at the home office in this application." And said certificate further provides :

7. "The entire contract contained in this certificate and said application, taken together, shall be governed by and subject to and construed only according to the constitution or by-laws and regulation of said association and the laws of the state of New York, the place of this contract being expressly agreed to be the home office of said association in the city of New York."

It is further provided in said constitution or by-laws, article XI., section 4 :

"The corporate powers of the association shall be vested in the board of directors, who shall have power to adopt such rules and regulations as they deem necessary, not inconsistent with this constitution or by-laws, and to amend the same, and to fix the amount and rate of assessments, fees and dues, and to enact rules and regulations for the government of officers and employees and for the management of the affairs of the association."

Article XI., section 8 :—

"The board of directors shall have authority to fix and determine the amount of benefits for which certificates of membership will be issued, rates of assessments, admission fees and annual dues ; and to adopt such other rules and regulations as they may deem best for the interest of the association ; and shall have the authority to adopt and execute, in addition to the mode in this constitution or by-laws provided for, such other or additional plans and systems of participation in benefits of membership, and of the holding, division and legal investment of reserve fund, and accumulations in conformity with the laws of the state of New York, and of the use thereof for the benefit of members, from time to time, as the board of directors may deem expedient, and for the best interests of the association."

Article XI., section 5 :—

"On the first week day of the months of February, April, June, August, October and December of each and every year (or at such other dates as the board of directors may, from time to time, determine), an assessment shall be made upon the entire membership in force at the date of the last death of the audited death claims prior thereto, for such a sum as the executive committee may deem sufficient to meet the existing claims by death, the same to be apportioned among the members according to the age of each member."

Article VIII., Section 1 :—

"Only such persons who are in good health, and shall pass a rigid medical examination, and be approved by the medical director or his deputy, and the executive committee, or its duly appointed representative, may become members of the association, subject to all the requirements for membership set forth in the constitution or by-laws, and in the application for and certificate of membership."

Article XII., Section 1 :—

"This constitution or by-laws may be revised or amended at any annual meeting of the association, or at a special meeting of the members called for that purpose, by a two-thirds vote of the members present in person or by proxy, but no such amendment, shall be considered unless the same shall have been submitted in writing to the Executive Committee at least thirty days previous to such annual or special meeting, except by unanimous consent of the members present at such meeting."

Defendant alleges that from time to time the constitution or by-laws, rules, regulations and usages of defendant association were duly amended so as to increase the assessments payable by the plaintiff and all others similarly situated to such amount as should be necessary to meet the requirements of the business of defendant association : that the plaintiff and all others similarly situated acquiesced in the amendments aforesaid, and likewise accepted and availed themselves of the benefits conferred upon them by such amendments, except that the plaintiff objected to the assessment known as mortuary call No. 81.

16. Defendant further alleges that in and by said certificate of membership or policy of insurance, it was, among other things, provided as follows :—

"This certificate is also issued and accepted subject to the express condition that if any of the payments above stipulated shall not be paid on or before the day of the date, as above provided, at the home office of the association in the city of New York, or to a collector of the association furnished with a receipt signed by its president, secretary or treasurer . . . then, and in . . . such case the consideration of this contract shall be deemed to have failed, and this certificate shall be null and void, and all payments made thereon shall be forfeited to the association."

That in, and by the application for said certificate of memberships or policy of insurance, which application is hereinbefore referred to, it was among other things, expressly stipulated and agreed as follows :—

"And the applicant further agrees that if any of the statements, representations or answers made herein are not true, full and complete, or if he or his representative shall omit or neglect to make any of the payments as required by the conditions of such certificate or by the constitution or

SESSIONAL PAPER No. 8

by-laws of said association, then the certificate to be issued hereon shall be null and void, and the officers of said association may cancel said certificate and the same shall be returned to them, and all money paid thereon shall be forfeited to said association.'

That in, and by the constitution or by-laws of the defendant association hereinbefore referred to, it is among other things, provided as follows:—

'If at any time any person secures membership in this association by concealing any fact, or if the statements in his application for membership are in any respect untrue; or if any of the conditions or provisions upon which the certificate of membership is issued are violated, or if any of the conditions or provisions of the certificate of membership or of the constitution or by-laws are violated by the member, then and in every such case, such membership shall at once cease and determine and the certificate shall be null and void, and all payments made thereon forfeited to the association.'

Defendants further plead that plaintiff failed, after due notice to pay his mortuary call 81, and that, therefore, his policy has lapsed, and that all his payments therefore made, have been forfeited. They further assert that the contributions made by plaintiff and others of his class, were less than the payments made upon death claims in said class, and that any reserve fund, in the association, has arisen, wholly out of the assessments, made upon members of the association, in other classes. They allege that during the continuance of plaintiff's contract, by and with the consent of plaintiff, and for the purpose of reducing the assessments payable by him, a resolution was adopted on January 25, 1889, by the members of the association defendant, commonly known as the Shick's resolution, empowering the board of directors, to use the current receipts applicable to surplus reserve or emergency fund, so as to continue the policy of plaintiff at rates of age of entry, instead of being advanced, as would otherwise have been necessary. Defendants also plead, that, by the law of the state of New York, they are subject to the supervision of the superintendent of insurance of the said state, and they set forth the penalties to which insurance companies expose themselves, by non-conformance to the law in that respect. They allege that on March 27, 1895, the superintendent of insurance made a report, stating, amongst other things concerning defendant:—

'We find that the fundamental principle of assessment insurance (such as was adopted by the defendant) is its absolute equality between all members of the same expectancy: that with advancing age, must come increased rates of assessment, and if members were carried at age of entry, it would result in the later members being assessed disproportionately and in excess of the amount of benefit received by them.'

That defendant simply acted in conformity with the said report of the superintendent of insurance, in the best interests of plaintiff and all concerned, that it made the increase alleged in his assessments, but that such increase was also made upon all members, similarly situated, according to the constitution and by-laws of the association, and in no way infringing upon plaintiff's rights under his agreement. Finally, that assuming the false representations alleged in the declaration of plaintiff to have been made, which they deny, defendant cannot be held responsible for them, and plaintiff could not have been induced into error by them, and they pray for dismissal of plaintiff's action.

This action is brought under article 993 C.C.: 'Fraud is a cause of nullity, when the artifices practised by one party, or with his knowledge as such, that the other party would not have contracted without them. It is never presumed and must be proved.' At the opening of the trial, plaintiff's counsel stated: that this is not an action for breach of contract, but for false representation, leading plaintiff to enter into a contract of life insurance with defendant, without which having been so made by defendant, he never would have entered into it at all. Another of plaintiff's counsel, at the closing argument said: 'We do not for a moment deny that if we are bound by that contract, we are subject to the enhanced rates . . . but what we say is, that these contracts are not binding on us at all, and anything in these contracts containing stipulations, which would be binding on us otherwise, do not affect the present issue at all. . . . We say the plaintiff did not give a valid consent to these conditions, because he was defrauded into signing a contract, which he did not understand, and which was misrepresented.' These statements, made in open court, simplify the issues, and remove many obstacles from the way of a prompt decision of the main issue. In order to ascertain whether plaintiff was defrauded into signing the contract or rather in the first instance, making a written application to become a member of the company defendant, it is necessary to make a brief review of the facts as brought out in evidence. Plaintiff is a practising lawyer, and has been a member of the Bar for over thirty years. He is a man of high standing in his profession, a Queen's Counsel, and has filled many important offices requiring great legal acumen. At the date of making his application for membership in the association defendant, he had already attained eminence, and if any one, not an insurance expert, be competent to judge of the nature of a contract of insurance he is certainly such person. In order to do plaintiff full justice, it is proper to quote his own sworn testimony, as to how he was induced to take the policy in question. He says, 'It was at the solicitation of Mr. Wells, the general agent of the company. . . . Mr. Wells first canvassed me in Ottawa. I was on some business at the Supreme Court, and Mr. Wells canvassed me there. . . . Q. Are you an expert in mutual insurance or any insurance? A. I am not: I would not undertake, at all, to form an opinion on the question of life insurance. Q. State as succinctly as you can what led you to become a member of this association. A. Mr. Wells, from printed circulars and pamphlets, which he had, showed me how much more economical it was to insure in this association, compared with the old line companies, as he called them, and he convinced me of that. I had an idea myself that the old line companies made pretty large profits, and that there might be a margin to reduce the insurance, and from documents he showed me, he convinced me that it would be a great deal more economical, I think by about one-half, and that my ten thousand dollars of insurance, would cost me, according to those papers, under two hundred dollars per year. . . .

The question that arose in my mind was whether after going into this association, in after years the assessments might not be put up, in an inordinate way, so that I could not pay. . . . Mr. Wells by these documents of the company, pointed out that there would be no increase. . . . I may say right at the outset, that without these representations, I would not have touched this insurance, I would not have looked at it.

Plaintiff then read the paragraphs to which he referred in exhibit 6 :—

'The reserve fund of this association is a true tontine fund, its interest earnings being applicable, during a stipulated period, to diminish the aggregate premium and the principal distributed, for the same purpose, at the end of the period.'

Plaintiff said he specially referred to the following :—

'Indeed, by means of the issue of bonds every five years, subject to the above conditions, a constant application of the reserve fund is made to diminish and finally extinguish the payment of premiums.'

Q. Will you also look at page 2 of exhibit 6, and at the top of page 3, and say whether that was pointed out to you.

A. Yes, that was also one of the clauses. This was the question at the time, whether I was going to be struck for higher rates. This is what it says: "The reserve fund, above \$100,000, and in excess of sums represented by outstanding bonds, may be applied to the payment of claims, in excess of the American experience table of mortality, and when, under such circumstances, any claim by death is due, to make up deficiency that may exist in the death fund, thus protecting our membership against adverse contingencies, such as increased mortality by epidemic, etc."

Plaintiff also complained specially of a representation made in exhibit 5.

"A reserve fund which provides against excessive assessments."

The interest on reserve fund is applied to the payment of death claims. This will be nearly, or quite sufficient, to pay all claims caused by any increase in the death rate, by reason of the advancing age of the association.

Its system provides, through its reserve fund, for the decrease of the assessments and thus lessen payments in later years.

The assessments of persistent members will be greatly reduced in fifteen years, and it is estimated that the certificate will be nearly, if not quite, self-sustaining."

And on page 5 of the same exhibit: "Thus, after fifteen years, through the maturing of the bonds, the payment of future dues and assessments by our members will, in a great measure, be provided for, and the principal of the first bond will then be available to meet assessments, &c."

'Insurance actuaries calculate that should this association experience the same mortality and rates of lapses, as that experienced by the level premium companies in the past decade, its certificates will be self-sustaining after fifteen years.'

It may be fairly assumed that the extracts just quoted implied that there would be no increase in payments for assessments; there is not an absolute warranty, the whole is couched in the language of expectation, alleged, however, to be based upon the calculation of actuaries; but it is misleading, and, as has been fully established, not only by witnesses for the plaintiff, but by the principal witness of the defence, Mr. Eldridge, actual vice-president and actuary of the company, the inducements held out therein were totally unjustifiable and could not be realized. Plaintiff took no means to ascertain, from actuaries, the truth or falsity of the statements. He relied upon the general manager of the company. Having been convinced by the pamphlets, plaintiff signed an application for membership. That application, as mentioned in the plea of the defendants, was made subject to 'all the limitations and requirements of the constitution and by-laws of the association, with the amendments made, or that may hereafter be made thereto, all of which are hereby made part of the certificate that may be issued on this application.' The plaintiff thereby placed himself, as he says, through the above misleading statements, completely in the hands of the company. Upon this application a policy was issued, on every material point differing from what the plaintiff stated the nature of his supposed engagement with the defendants was intended to be. In plain English, it is therein stated that the assessments for death rates were not to be made at the age of entry of the insured, but at such rates as the directors might establish, 'according to the age of each member.' The plaintiff must have known that whilst the representations in the pamphlets held out bright expectations in the direction of decreasing assessments, that he was accepting a policy from and making a contract with defendants, that bound him in a totally different manner.

We must now follow the plaintiff in his dealings with the company defendant, from the date of his policy to the moment he refused to pay the increased assessment demanded. Mr. Eldridge, who has been favorably spoken of as a candid witness by plaintiff's counsel, gives us the history of the company. At the date of plaintiff's entry it was carrying on business upon an assessment as of the age of entry, although the policy provided for the payment of assessments upon the natural plan or cost of insurance as of attained age. This it continued to do until the spring of 1889, and it had been enabled so to do, as the company was comparatively a young one, and in the early years of such an association the death calls are less numerous than at a later period. In 1889 it was found that the assessments levied were insufficient to meet death losses, and place 25 per cent of the net mortuary payment into the reserve fund. In January of that year a general meeting of the policy-holders was held, and they voted to instruct the management, in lieu of increasing the rates, as would be necessary, to use the funds of the association, originally applicable under the contract, to the augmentation of the reserve fund, for the purpose of maintaining the rates of assessment, as of original age of entry (exhibit of defendant 9). This meeting plaintiff does not deny he was notified to attend. The effect of that resolution, says Mr. Eldridge, 'was to diminish the augmentation to the reserve fund,

SESSIONAL PAPER No. 8

ultimately to stop the contributions to the reserve fund, and finally to employ the already accumulated reserve fund, in saving the members from paying the rates that would otherwise be required, by applying immediately the relief of the reserve fund, instead of waiting until the expiration of fifteen years as originally provided.' It would be too lengthy to enter into the full details of the changes effected in the mode of business of the company defendant. In 1890 a ten-year distribution plan was adopted, and in 1896 the five-year combination option plan was inaugurated. Plaintiff, as a member of the association, took no part in any of the proceedings, attended none of the meetings, and until the moment that the demand was made upon him for the increase of nearly over one hundred dollars per annum, allowed his fellow-members and the directors to act as they deemed best in management of the affairs of the company. The superintendent of insurance of the state of New York had intervened and reported upon the affairs of the company, but plaintiff took no notice of this important proceeding, at the time, until a certificate of the superintendent attesting to the solvency of the company was sent him from the head office. Plaintiff was anxious to know something about the charges of extravagant expenditure in the management, and he had addressed a letter to the head office without getting satisfaction. He wrote on June 14 to Mr. Wells, recalling to his memory that it was through him that he had been induced to join the company defendant. He asked for full information as to the charges made against the company of extravagant expenditure in management, and says: 'You know I write in no unfriendliness. I have always thought that many of the old line companies are simply extortionate, and could give you examples, if I wished, in my own experience. * * * He refers to the report of the superintendent of insurance as to the curtailment of expenses and the charges made in a public newspaper, and says: 'Cut down your expenses on the one hand, raise your assessments on the other. You can add 10 to 30 per cent to your rates and still give a cheap insurance.' Prior to this letter plaintiff had written on April 23, 1895, to Mr. D. Z. Bessette, the Montreal manager, on the same subject. In that letter he writes: 'I may say that I wrote and write, in no unfriendliness to the association, but the reverse. I am one of the oldest members here. I have always thought that the ordinary life companies, as a rule, take too much from those insured with them compared with what they return. * * * On the other hand, I have had my doubts as to the sufficiency of the assessment charges of the M. R. F. Association to carry the association through. No doubt it is all right in the earlier years of the association, but as time goes on more deaths will fall in to be paid. I, myself, would willingly add to the amount I now pay, about \$200 a year for \$10,000 insurance, if that were necessary, to place the association in a still stronger position and meet obligations, as to insufficiency of rates, and I think it might be a wise step for the association to add 20 to 25 per cent to their rates, even if it did cause some loss of business.' When the increase of premiums was called for, which brought about the present litigation, plaintiff, on August 24, 1895, wrote to Mr. Bessette, Montreal, agent of defendant, as follows:—

DEAR SIR,—I have notice of assessment for the months of July and August. I find myself unable to continue my premiums. If my policy, on which I have paid about \$2,000 cash, has any surrender value, I wish to surrender it. If not, I fear it must lapse through my not being in a position to continue it. The increase in amount is between 50 and 60 per cent, and while I approved of a moderate increase, I did not expect so large a one, which makes the insurance more costly to me than I could have insured for when I insured in the M. R. F. A. Yours truly,

N. H. TRENHOLME.

N. B.—I imagine, from the way this increase appears to have been made, although I have had no definite information on the subject, viz., on the old policy members and not generally, the object, or one object, desired will be attained—that of relieving the association from risks of long standing, and which, in the nature of things, must fall in before many years. To my mind, those who have paid in most should be most considerably treated, if any difference is to be made. But I am so utterly in ignorance of the *modus operandi* of the whole thing that I cannot discuss the matter.

N. W. T.

On October 14 of the same year, 1895, plaintiff notified defendant's agent, Bessette, that he intended to take proceedings to recover back from the defendant the moneys he had paid in.

We have the following facts proven:—

1. The representations contained in the pamphlets of which plaintiff complains.
2. The application for a policy on different principles from those set forth in the pamphlets.
3. The acceptance of the policy, not on a level premium, but upon a premium according to the age of the applicant.
4. Plaintiff's remaining in the company and paying his premiums for nine years during which many new members joined the association.
5. Plaintiff's neglect to attend any of the annual or special meetings of the policyholders.
6. The absence of any protest on his part, when the plan of insurance payments was changed, by the Shield's resolution, three years after he had become a member. The effect of such change enabling plaintiff and others to get cheap insurance for six years to the detriment of younger members of the association.
8. The letters of plaintiff, just quoted, in which no word of complaint is to be found as regards fraud or deceit on the part of defendant towards plaintiff at the time of effecting his insurance policy, nor on any of the occasions when defendant adopted new insurance plans.
9. The views of plaintiff that the assessments were most probably too low to ensure safety for policyholders.

At the trial plaintiff sought to strengthen his case against the defendant, by establishing that similar false representations had constantly been made and circulated in pamphlet form, during all the time he was a member of the association. Reference will be made to this later. The court is of opinion that plaintiff should have strongly suspected the bona fides of the representation in the pamphlets in question, and did not act with ordinary prudence in refraining from any investigation of the soundness of such alluring representations as they contained. Yet he solemnly swears that he was misled, that he was ignorant of life insurance and its complications, and we should hesitate before rejecting the testimony of a gentleman of such high standing. The superintendent of insurance of the state of New York, in his report, plaintiff's exhibit P., 26, says, speaking of the early management of this company, that: "They displayed lack of knowledge of the elementary principles of life insurance." Judging from the pamphlets before the court, we are inclined to believe that they were knaves rather than fools. They made those false representations, and plaintiff was induced by them to enter into the association. The article of the Code has already been cited, its terms are clear, but it is well to see what the authorities say, and there is, actually, no difference on this question between our own law and that of England or of France.

Bacon on Benefit Societies, and Life Insurance Companies, V., 1, p. 348:—In the course of the preceding discussion much has been said in regard to representation as contra-distinguished from warranty, and in speaking of the latter, many characteristics of the former have been mentioned. * * * A misrepresentation renders the policy void on the ground of fraud, while non-compliance with a warranty operates as an express breach of the contract.

Kerr on Fraud and mistake, page 31.

In order that a misrepresentation may support an action at law, or be of any avail whatever as a ground for relief in equity, it is essential that it should be material in its nature and should be a determining ground of the transaction. The misrepresentation must, in the language of the Roman law, be *dolus dans locum contractui*. There must be the assertion of a fact on which the person entering into the transaction relied, and in the absence of which it is reasonable to infer that he would not have entered into it at all, or at least not in the same terms. Both facts must concur; there must be false and material representations, and the party seeking relief should have acted upon the faith and credit of such representations. . . . Fraud is divided by the civilians into *dolus dans locum contractui*, and *dolus incidens*, or accidental fraud. The former is that which has been the cause or determining motive of the transaction: that, in other words, without which the party defrauded would not have contracted. Incidental or accidental fraud is that by which a man, otherwise intending to contract, is deceived as to some accessory or accident of the contract; for example, as to the quality of the object of sale or its price. The determination of the question as to the character of the *dolus* rests in each particular case with the court. Accidental or incidental fraud is not a ground for avoiding a transaction, but simply subjects the party to an action for damages. Duranton, vol. 10, liv. 3, s. 169; Toull. Dr. Civ. liv. 3, tit. 3, c. 2, s. 5, art. 90; Bedarride, sur dol, p. 45.

If the case rested here the plaintiff's position would be strong, but, unfortunately for him, it does not. At the end of about three years, in 1889, the Shields resolution was passed by a meeting of the policy-holders. After that, plaintiff, who still continued to remain in the company and to get the benefit of that resolution in the shape of insurance for \$10,000 at nominal rates, cannot successfully pretend that he was any longer under any false impression as to the true state of affairs. He ratified his contract by adhering to the company—as a member of a mutual association, he became insurer and insured, and was liable to all its members, as they were to him. He became responsible for all the literature issued by defendants after his acquiescence. In the very exhibits 5 and 6, upon which plaintiff relies, we find pages of names of eminent personages, who are set forth as belonging to the company defendant. These were so published to induce plaintiff and others to join. Presumably, the membership of plaintiff was an inducement to subsequent insurers to become associates in the company. He was a member, at all events, after he had acquiesced in the change of plan of insurance, and his membership was calculated to inspire confidence in others. If he wished to repudiate his contract, he should have done so on the passing of the Shields resolution. Thus we find the following authorities:—

Bigelow on the law of Torts, p. 27: 'A party to a joint stock company, or other association, can neither maintain a bill in equity against the company to be relieved from liability, nor defend an action on his subscription, by alleging the false representations of the company or its agents, unless, first, he repudiates the contract promptly before the rights and interests of others have been affected by his action: or unless, secondly, all the other members of the company interested united in the false statements.'

American and English Encyclopedia of Law, Vol. XVI., page 877:—Insured must repudiate contract within reasonable time. Thus a member of a mutual fire insurance company cannot avoid his policy on the ground that he was induced to make the contract by fraudulent misrepresentations of the agent of the company, where he has made no objection for over a year, and has paid assessments, and in the meantime a large number of other persons have been induced to become members on the faith of his membership.

Pollock on Contract, page 370:—The contract must be rescinded within a reasonable time; that is, before the lapse of a time after the true state of things is known, so long, that under the circumstances of the particular case the other party may fairly infer that the right of rescission is waived.

It is believed that the statement of the rule in some such form as this will reconcile the substance and language of all the leading authorities. On the one hand, it is often said that the election must be made within a reasonable time, while on the other hand it has several times been explained that

SESSIONAL PAPER No. 8

lapse of time as such has no positive effect of its own. The court is specially cautious in entertaining charges of fraud or misrepresentation brought forward after a long interval of time.

Plaintiff was liable under the principles that govern mutual insurance (more especially to younger members joining later than himself) for the management of the affairs of the company. This as a lawyer he certainly knew. This doctrine we find in May, on Insurance, Vol. 2, p. 1248:—The principle which lies at the foundation of mutual insurance, and gives it its name, is mutuality; in other words, the intervention of each person insured in the management of the affairs of the company, and the participation of each member in the profits and losses of the business, in proportion to his interest. Each person insured becomes a member of the body corporate, clothed with the rights and subject to the liabilities of a stockholder.

Plaintiff's letters show the state of his mind, as to the insufficiency of the premiums, at all events, after the company had changed its plans in 1889. He knew, or should have known, that to enable him and others in like class, to go on paying less than half the ordinary insurance rates and still hold a policy of \$10,000, which would have been paid had death intervened, \$230,000 had been taken from the reserve fund to the detriment of younger members. The plaintiff acquiesced in his contract and became bound thereby, and when he refused to pay the last call, he forfeited all his rights under the policy. A claim for damages has been put forth in addition to the demand for a refund of premiums. Under the proof made, it is difficult to find any damages established in such a way as that they could be intelligently or legally assessed. Plaintiff has had insurance upon his life for nine years and upwards at the lowest rate. He must admit, that he thereby enjoyed a great advantage, for which he should pay. Then the position is extremely complicated, and as between himself and the fellow-members of this company, there is nothing before the court to indicate their relative positions in regard to the funds of the institution, and in the absence of such proof the claim for damages must also fail. The action of plaintiff is dismissed with costs.

(k) 'The Catholic Order of Foresters' were incorporated in the State of Illinois, and had branches in Ontario, and in 1892 became registered as a friendly society in Ontario under the provisions of the Insurance Corporations Act, 1892, and had since kept their registry in force as a friendly society, and had not at any time been registered as an insurance company.

A member of one of the Ontario branches was the holder of a certificate of the society whereby they promised to pay to the defendant, a brother of the holder, \$1,000, upon satisfactory proof of his death. The holder was resident in Ontario; the application for the certificate was made in Ontario; and the certificate was delivered in Ontario.

The holder made a will whereby he bequeathed the certificate to the wife of one of the plaintiffs, naming the plaintiffs executors:—

Held, That the Order were legally entitled to do business in Ontario; that the certificate in question was a 'contract of insurance' within the meaning of the Ontario Insurance Act, R.S.O. 1897, ch. 203; that the rules of the Order, so far as they were inconsistent with the provisions of the Act, were modified and controlled by such provisions; and therefore the benefits of the certificate passed by virtue of the will to the legatee, although the rules of the Order provided that no will should be permitted to control.

(l) A benevolent society's certificate provided for payment to the plaintiff, upon his total disability or upon his attaining the age of seventy years, out of the total disability fund, in accordance with the laws governing the fund, sums not exceeding in the aggregate \$1,000. In his application, upon which it was declared the certificate was founded, the plaintiff gave his age as 54, when it was in fact 55, the latter age being within the age allowed for entrance, and the assessments and fees chargeable being the same for both ages. The plaintiff attained the age of 70 on December 10, 1899, and brought this action on May 15, 1900, asking for payment of \$1,000. The jury found that the plaintiff's age was not material to the contract, and that the statement as to age was made in good faith and without any intention to deceive.

Held, That the certificate was binding and that the plaintiff was entitled to payment thereunder upon in fact attaining the age of 70, but that 'laws governing the fund,' applied though not set out, and that under them, the plaintiff was entitled at the time of action brought only to an instalment of \$225.

3.—FIRE INSURANCE, CO-INSURANCE CLAUSE, RENEWAL OF POLICY, APPREHENSION OF INCENDIARY DANGER, INSURABLE INTEREST, UNPAID VENDOR.

(m) The transfer of a policy of fire insurance to a mortgage creditor of the insured, as security for the debt of the latter, has no retroactive effect, and does not protect the transferee against defects and nullities in the policy existing prior to its transfer to and acceptance by him. So, where the insured had no valid title to the property insured the transferee cannot recover.

2. The acceptance by the insurance company of a transfer of fire insurance, validates the transfer as a transfer, but does not create a new contract of insurance with the transferee.

(April 27, 1899.—Quebec Appellate Court, *Gooley v. Stanstead and Sherbrooke Mutual Fire Insurance Co.*, 9 Queens Bench Reports, p. 324.)

(n) A policy of fire insurance issued on January 2, 1896, contained the clause known as the 'co-insurance clause,' (requiring the insured to keep the property covered by other policies to at least 75 per cent of its value) printed under the heading 'variations in conditions,' as prescribed by sections 115 and 116, R.S.O., c. 167.

Held, affirming the judgment of the court of appeal (27 O.A.R., 373; 36 C.L.J., 421) which affirmed the judgment at the trial (29 O.R., 695), that whether or not the alteration introduced into the policy was of the nature of a variation of any particular statutory condition or in addition to statutory conditions, the clause was neither unjust nor unreasonable, and that it formed part of the contract of insurance to the same extent as the statutory conditions indorsed on the policy would have been if the alteration had been printed therein.

(o) Where at the time of effecting an insurance against fire, there was a prior insurance in force, as to which no statement was made, either in the application or policy issued thereon, the renewal of such policy, without any such statement being then made, the prior insurance having then expired, does not validate the policy, the renewal being merely a continuation of the policy and not a new insurance.

This case has been appealed to the Court of Appeal.

(p) An application for insurance on the contents of a barn contained the question 'is there any incendiary danger threatened or apprehended?' to which the answer was 'No.' The plaintiff, who had not previously carried any insurance, stated that he effected the insurance, having learned that the owner of the barn had placed a high insurance on it as well as on the adjacent dwelling house. This was told by the plaintiff to the company's agent, who filled in the application and the answers to the questions. The application was then signed by the applicant, who was not an illiterate man, but he did not read over the application and was not told that the question had been answered in the negative.

Held, that the plaintiff was bound by his untrue answer to the question, it being material to the risk, for the reasonable inference was that the apprehension of incendiary danger as a fact existed.

ACCIDENT INSURANCE—HAZARDOUS OCCUPATION, VOLUNTARY EXPOSURE, CONDITION PRECEDENT, RIDING IN PUBLIC CONVEYANCE.

(r) The insured, who was a baggageman at a railway station, received the injuries which caused his death while in the act of coupling cars, which was not part of his duty as baggageman. The evidence showed that he had coupled cars on other occasions, and that on this occasion he understood the brakesman to request him to make the coupling. In his application for an accident insurance policy he was

described as a baggageman, and in the policy there was the following clause, which was also contained in the application: "1. If the insured is injured in any occupation or exposure classed by this company as more hazardous than that stated in said application, his insurance shall be only for such sums as the premium paid by him will purchase at the rates fixed for such increased hazard."

By clause 4 it was provided that the contract should not cover death resulting from "voluntary exposure to unnecessary danger."

Held, that the words "occupation or exposure" did not apply to the insured's casual act of coupling, nor was there "voluntary exposure to unnecessary danger."

(s) The defendants insured the plaintiff against accident by a policy containing a condition that if "accidental injuries * * * shall immediately, continuously, and wholly disable and prevent the assured from pursuing his usual business or occupation," &c., they would pay a certain weekly allowance during a limited period.

The plaintiff was injured accidentally within the meaning of the policy, but did not become wholly disabled from its effect until three months after, when he notified the company:—

Held, that the word "immediately" in the condition had relation to causation and not to time, and that plaintiff was entitled to recover.

The policy also contained a condition that written notice must be immediately given to the company at the office in Montreal * * * and "that if in any other respect the conditions of this insurance are disregarded all rights hereunder are forfeited to the corporation":—

Held, that the giving of notice forthwith was not thereby made a condition precedent to the right of recovery on the policy.

5—GUARANTEE INSURANCE, INTERIM RECEIPT.

(u) The company appellant effected an insurance with the company respondent for the fidelity of certain of appellant's employees, amongst whom was one Boisvert. An interim receipt for the premium was given, in which it was stated that it was issued 'subject to the conditions of the company's general form now in use for the class of risk.' Before the expiration of three months allowed for the issue of the policy under the conditions of the interim receipt, there was a shortage in Boisvert's accounts, for which the appellant made a claim under the contract of insurance. The respondent pleaded that by one of the conditions of its ordinary policy the insured was obliged to prosecute the defaulting employee to conviction with all diligence, and that as this condition had not been complied with by the plaintiff, appellant, it could not recover.

Held:—1. The conditions of the respondent's ordinary form of policy for this class of risk must be included and read into the text and meaning of the interim receipt. The acceptance of the receipt in this form must be held to indicate either that appellant knew what these particular conditions were, and had such a knowledge of the general conditions in use by guarantee companies, that it was willing to be bound by them.

2. It was not an unreasonable condition that the employer should, as a condition precedent, use all possible diligence to prosecute the defaulting employee to conviction.

6—MUTUAL INSURANCE, ASSESSMENT ON PREMIUM NOTES, DISCOUNT FOR PROMPT PAYMENT, MUTUAL HAIL INSURANCE ACT, R.S.M., c. 106, s. 35.

(v) Appeal from the judgment of the County Court in favour of defendant, a member of the plaintiff company in an action to recover the amount of an assessment on a premium note given by defendant for an insurance against loss by hail.

Section 35 of the Mutual Insurance Act, R.S.M., c. 106, under which the plaintiff company was incorporated, provides that the assessment upon premium notes or undertakings shall always be in proportion to the amounts of such notes or undertakings. In making the assessment of five per cent upon the amount of each policy, the directors added a proviso that all members and policy holders, who should pay the full amount of the assessment on or before the 1st of November, 1899, should be entitled to and should receive a discount of 25 per cent upon the amount of such assessment.

Held, that the effect of the resolution was to assess 75 per cent of 5 per cent upon those who should pay on or before November 1, 1899, and the full 5 per cent on those who should not, and that that the assessment was, therefore, void, as being in contravention of section 35 of the Act.

The company had no power to impose penalties for default in prompt payment. It was a mutual company, and the directors must strictly observe the requirements of the Act, and preserve an equality among the members in assessing them.

(November 17th, 1900—Chief Justice Killam, Manitoba Farmers' Mutual Hail Insurance Company v. Lindsay, 37 Canada Law Journal (1901) p. 44.)

7—MARINE INSURANCE—POLICIES ON HULL AND FREIGHT—COST OF REPAIRS—CONSTRUCTIVE TOTAL LOSS—NOTICE OF ABANDONMENT.

(*v*) Plaintiff's vessel while on a voyage from Trinidad to Vineyard Haven encountered heavy weather and put into St. Thomas, W.I., in a damaged condition. Notice of abandonment was given to the insurers on hull and freight, all of whom replied declining to accept. By direction of the agent for the insurers the cargo was taken out and stored and the vessel put upon the slip for the purpose of being repaired and carrying the cargo forward to its destination. After repairs were made the vessel was taken off the slip and a portion of the cargo reloaded, when it was discovered that the vessel was leaking, and that it would be necessary to again remove the cargo and place the vessel on the slip for further repairs. The cost of the repairs up to this time, without including work which remained to be done and could not be done at St. Thomas, was upwards of \$4,000, while the vessel was valued at only \$6,000. The parties who had made the repairs, in order to preserve their lien, refused to allow the cargo to be taken out a second time, and, in default of payment, proceedings were taken against the ship and cargo, under which they were finally sold.

The jury found in answer to questions submitted that the vessel was repaired by the underwriters; that the repairs were not sufficient; and that the vessel was sold under the lien for such repairs. Also that the agent of the insurers, by his acts, prevented plaintiff from dealing with the vessel in respect to repairs, as he otherwise would have done. Also, that each of the defendant companies, by its acts, reasonably led plaintiff to believe that the furnishing of formal proofs of loss and interest and adjustment was not required. On motion to set aside the verdict for plaintiff and for a new trial,

Held—1. In view of their subsequent acts that the refusal of the defendant companies to accept the abandonment, did not prevent the working of an acceptance.

2. The taking possession of the ship and incompletely repairing her and then allowing her to be sold for the cost of those repairs constituted an acceptance of the abandonment.

3. If the facts stated were not an acceptance of the abandonment, they were such a wrongful conversion of the ship as would preclude the insurers from setting up non-acceptance.

4. The extraordinary powers conferred by implication of law upon the shipmaster in case of shipwreck were displaced upon the arrival of the owner, or of an agent having express authority from the owner to represent him, and that the trial judge was right in so directing the jury.

5. Misdirection as to the particular agent of defendant companies who waived proofs of loss was immaterial if there was an acceptance of the abandonment.

6. A mistake of the trial judge as to a matter of fact about which there was no dispute, and which he would have corrected if it had been called to his attention, could not be taken advantage of on the appeal unless it was shown that his attention had as a matter of fact been directed to such mistake.

7. Under O. 37 r. 6 the misdirection must have been such as to have occasioned some substantial wrong or miscarriage in the trial.

8. The trial judge was right in rejecting evidence of a witness as to what he understood or did not understand, generally, where the memory of the witness appeared to be defective as to conversations as to which he was examined.

9. Where the underwriter was wrongfully interfering with the control of the ship, there was nothing to prevent the insured from electing at the last moment to hold that the underwriter had accepted the abandonment.

10. If the renewal of the notice of abandonment when the project of the insurers to repair failed did not conclude the matter the vessel was lost to the insured, by reason of her sale to defray the cost of the repairs put upon her by the underwriters.

11. The Court, even if dissatisfied with the verdict, especially after a second trial, will defer to the opinion of a special jury composed of men peculiarly able to understand the subject matter.

12. Where the members of the jury are selected from a class of people possessing expert knowledge of the matters in dispute, and they are furnished with a stenographic report of the evidence of the witnesses given on a former trial, it is not a matter of great importance that they should not have had an opportunity of observing the demeanour of the witness.

Plaintiff sought to recover under the sue and labour clause an amount in excess of that payable for a total loss for the services of the master and crew who remained in and about the ship, and for the services of the special agent of the plaintiff.

Held, that the amount claimed for services of the master and crew while the vessel was in the hands of the underwriters did not come within the sue and labour clause and was not recoverable, and that plaintiff could not recover for services of his special agent who was acting adversely to the underwriters.

LEGISLATION.

1. DOMINION LEGISLATION.

The following Acts relating to insurance companies and societies were passed by the Parliament of Canada at the session of 1901, 1 Edward VII. :—

(1) An Act respecting the British America Assurance Company. This Act provides that the company may own, equip and operate on the lakes and rivers of Canada ice breakers and wreck relieving steamers and other appliances for ice breaking and wreck relieving, and may purchase shares in any company incorporated for such purposes ; with a proviso, however, that the amount so invested shall not exceed twenty-five per cent of the company's paid up capital.

(2) An Act to incorporate the Canadian Mutual Aid Society. This Act authorizes the society to carry on the business of accident insurance, other than employers liability insurance, and sickness insurance, with the proviso that no contract of insurance, as to sickness shall exceed \$240 for any one continuous disability arising therefrom ; and that no contract as to accident shall exceed \$500 either for one continuous disability from accident or as an accidental death benefit. The premiums are to be paid monthly in advance. The head office is to be at Windsor, Ont.

(3) An Act to incorporate the Century Life Insurance Company. This Act contains the usual provisions of a life insurance company's charter. The head office is to be at the city of Vancouver, in the province of British Columbia. The company has not yet been organized.

(4) An Act respecting the Dominion Burglary Guarantee Company. This Act authorizes the company to insure against burglary, &c., goods in transit as well as at rest ; confers the right to establish messenger and attendance services, and makes other minor changes in the company's powers.

(5) An Act respecting the Supreme Court of the Independent Order of Foresters. This is in part a confirmatory Act. It declares that the Order had authority to accept and did accept the assets and membership, and assumed the liabilities of the provincial corporation of the same name. It also defines more fully the Order's powers of investment, and authorizes the use of a short name in by-laws, &c., and in correspondence.

(6) An Act respecting the Subsidiary High Court of the Ancient Order of Foresters in the Dominion of Canada. This Act declares that the society had authority to accept and did accept the assets and membership, and had authority to assume and did assume the liabilities of the society incorporated by the province of Ontario, under the same name.

(7) An Act respecting the London Mutual Fire Insurance Company. This Act removes a limitation which existed as to the number of shares which may be held by one person, and provides that with the exception of the manager no agent or paid officer or person in the employment of the company shall be eligible to be elected a director.

(8). An Act to incorporate the Manufacturers' and Temperance and General Life Assurance Company.

This Act incorporates a company with the usual powers of a life insurance company, its object being to take over and effect a complete amalgamation of the two companies now licensed under the name of "The Manufacturers' Life Insurance Company" and "The Temperance and General Life Assurance Company of North America." The Act contains a provision under which the name of the company may be changed by an order of the Governor General in Council.

(9). An Act to incorporate the St. Lawrence Lloyds.

This Act authorizes the company to carry on the business of ocean marine insurance, and upon compliance with the provisions of the Insurance Act, the businesses of inland marine, inland transit and fire insurance. The company has also authority to equip, maintain and operate on the lakes and rivers of Canada, ice breakers and wreck-relieving steamers and other appliances for ice breaking and wreck relieving. Its head office is to be in the city of Montreal.

(10). An Act to incorporate the United Empire Life Insurance Company.

This Act contains the customary provisions of a life insurance company's charter. The head office is to be at the city of Ottawa, Ont. Steps are now being taken to organ

(11). An Act respecting the Western Assurance Company.
This Act is identical with that respecting the British America Assurance Company, above mentioned.

2. ONTARIO LEGISLATION.

Statutes of 1901, Chapter 21.

An Act to amend The Ontario Insurance Act.

(Assented to April 15, 1901).

His Majesty, by and with the advice and consent of the Legislative Assembly of the Province of Ontario, enacts as follows:—

1.—(1) Sub-section 1 of section 2 of *The Ontario Insurance Act* is amended by inserting in the first line after the word ‘expenses’ these words, ‘and all fees, allowances.’

(2) Sub-section 5 of the said section 2 is amended by inserting in the sixth line of the said sub-section after the word ‘creditor’ these words, ‘in a winding up or liquidation under this Act.’ The said sub-section is further amended by adding at the end thereof the following words:—

‘Provided (a) That in such winding up or liquidation no beneficiary under an unmaturred policy (not being also the policyholder, or a beneficiary for value), shall be entitled to rank as creditor or to claim in respect of such policy.

‘Provided also (b). That, in a friendly society registered as such under this Act, no unmaturred policy or contract of insurance shall create any claim or liability against the society, while a going society, or against the estate of the society in a winding up or liquidation under this Act; but in such a winding up or liquidation the person assured or the beneficiary for value under such unmaturred policy or contract shall be entitled to share in the surplus assets of the society as provided in sub-section 4 of section 183 hereof, or sub-section 5 of section 191 hereof, as the case may be.’

‘Provided also (c), That in the case of any insurance corporation (other than a registered friendly society) where the corporation is licensed under section 53 hereof or is being wound up hereunder, every contract of annuity upon life and every unmaturred policy or contract of life (including endowment or tontine) insurance required to be valued from time to time for a true showing of the corporation’s liabilities, or intitled to be valued in a winding up hereunder shall be valued in the manner provided by schedule F hereto.’

(3) Clause (e) of sub-section 41 of the said section 2 is amended by inserting in the second line after the word ‘expectancy’ these words ‘or expectation or probability.’

(4) Sub-section 47 of the said section 2 is amended by adding at the end thereof these words: ‘and the word “unmaturred” designates a contract as before such maturity.’

(5) Sub-section 55 of the said section 2 is amended by adding at the end thereof these words:—
“‘Unearned premium’ is that part of the last prepaid premium which is repayable to the assured where, between two premium days, the policy or contract of insurance has been terminated by the act of the insurer, or by a winding up or liquidation hereunder. The part so repayable shall be proportionate to the unexpired part of the year or other definite and certain period in respect of which the said premium was prepaid; provided that no person shall be entitled both to have a policy valued and also to claim for such unearned premium.

‘For purposes of valuing any policy or contract of life insurance required or entitled to be valued under this Act “premium” or “net premium” or “pure premium” has the same meaning as the word “premium” in the fourth clause of Schedule F hereto.

(6) The five preceding sub-sections of this section are to be deemed and construed to declare the law of the Province as the said law existed on, and has existed since, the fourteenth day of April, 1892.

2. (1) Sub-section 5 of section 41 of *The Ontario Insurance Act* is amended by substituting in the seventh line the words ‘one-tenth’ for the words ‘one-fifth.’

(2) Sub-section 1 of section 43 of the said Act is amended by adding at the end of the said sub-section the following words:—

‘Provided, that sections 44 to 52, inclusive, shall not apply to registered friendly societies: provided also, that in the case of a registered friendly society any deposit made under this Act shall not make any unmaturred policy or contract of insurance a liability against the society while a going society, or against the estate of the society in a winding up or liquidation under this Act; but in such winding up or liquidation the persons assured under such unmaturred policies or contracts shall be entitled to share in the surplus assets of the society as provided in sub-section 4 of section 183 hereof or sub-section 5 of section 191 hereof, as the case may be.’

(3) Sub-section 2 of section 148 of the said Act is amended by adding at the end thereof these words:—

‘Provided that no such action or proceeding shall be commenced after the expiration of the said year and six months.’

(4) Sub-section 2 of section 149 of the said Act is amended by adding at the end thereof the following words:—

‘To facilitate the use of the H^m tables of the said Institute of Actuaries for any purpose of this Act the said tables may be taken as they appear in any published edition or collection of standard actuarial or valuation tables.’

SESSIONAL PAPER No. 8

(5) Subsection 3 of section 151 of the said Act is amended by inserting after the word 'value' in the eleventh line these words: 'but a beneficiary shall only be deemed a beneficiary for value when he is expressly stated to be so in the policy.'

(6) Subsection 2 of section 160 of the said Act is amended by adding at the end of the subsection these words: 'But no beneficiary shall be deemed to be a beneficiary for value unless in the policy expressly stated to be so.'

(7) Subsection 6 of section 151 of the said Act is amended by striking out all the words of the said subsection after the words 'assured' in the sixth line, and by substituting therefor the following words: 'The insurance shall be for the benefit in equal shares of the surviving infant children of the assured, and if no surviving infant children then the benefit of the contract and the insurance money shall form part of the estate of the assured.'

(8) Subsection 4 of section 155 of the said Act is amended by adding at the end of the said subsection the following words: 'In ascertaining the fees payable under this subsection the wearing apparel and similar personal effects of the assured shall not be deemed part of the estate of the assured.'

(9) Subsection 4 of section 191 of the said Act is amended by inserting, after the words 'expiry of the term' in the eighteenth line the following words:

'In the case of annuities on lives or of unmatured policies of life insurance (including therein endowment and tontine insurance) any annuity or such unmatured policy issued by a corporation licensed under section 53 hereof, shall if valid and subsisting at the commencement of the winding up, be entitled to rank on the said second schedule for the value ascertained according to the Schedule F, hereto; in the case of all other unmatured policies issued by any corporation which is being wound up hereunder, the policy if valid and subsisting at the commencement of winding up shall be entitled to rank on the said second schedule for the unearned premium (if any) as provided in subsection 55 of section 2 hereof. On the distribution of the assets of the estate the distributive sum payable in respect of any annuity or unmatured policy shall be paid respectively to the annuitant or to the policy-holder (or the beneficiary for value if any) or to their respective assigns.'

3. (1) Section 192 of *The Ontario Insurance Act* is amended by inserting after subsection one a new subsection (to be numbered 1A) as follows:—

1A. Where in any winding up or liquidation under this Act the liability of the estate is admitted, but the person to whom the estate is liable is disputed or uncertain, or where in the opinion of the Insurance Registrar no sufficient discharge to the estate for the liability can be had, the amount of the liability (or as the case may be) of the dividends payable on the liability shall be paid into Court, or set aside out of the funds already in Court, and shall in the books of the Accountant of the Supreme Court of Judicature be entered as to the credit of claim arising under Policy No. of the corporation, or as the case may be; and for such payment into Court or setting aside out of the funds already in Court the Master shall have authority to make any order or direction that is necessary. The receipt or certificate of the said Accountant shall be a sufficient discharge to the estate and the receiver for the moneys so paid into court or set aside. For the payment out of court of such moneys any person claiming to be entitled thereto may make before a Judge of the High Court a motion entitled as in the matter of this Act and of Policy No. of the corporation (or according to circumstances), and the Judge shall make such order or such disposition of the matter as the case shall require; but the estate or the receiver shall not be a necessary party to any such motion or to any proceedings relating to the disposal of the said moneys.'

(2). Sub-section 1 of section 193 of the said Act is amended by striking out all the words of the said sub-section after the word 'situate' in the eighth line down to and including the words 'day of filing' in the tenth line, and by substituting therefor the following words: 'And in two of the daily newspapers published in the city of Toronto the receiver shall give notice of the date of filing: the receiver shall also forthwith serve a copy of the report on the Insurance Registrar bearing indorsed thereon notice of the said date of filing.'

(3). Sub-section 2 of the said section 193 is amended by striking out all the words of the said sub-section down to and including the word 'Court' in the third line, and by substituting therefor the following words: '(2). At the expiration of fourteen days from the date of serving such indorsed copy of the report on the Insurance Registrar the report shall become absolute unless notice of appeal by any party interested is served within that time, and'

(4). Sub-section 3 of the said section 193 is amended by inserting after the word 'Registrar' in the first and the seventh lines respectively, these words 'or their respective assigns.'

(5). Section 194 is amended by adding thereto sub-section 6 as follows:—

'(6). Without a fiat of the Attorney-General being first had and obtained for the purpose, no action or proceeding in any Court of law or equity shall be brought or taken against the Insurance Registrar (including Inspector of Insurance and Registrar of Friendly Societies) for anything done or not done in the performance, or intended or supposed performance, of his duty under this Act or under any other Act that imposes duties upon the said officer.'

4. Sub-section 1 of section 92 of *The Ontario Insurance Act* is hereby repealed and the following sub-section is substituted therefor:—

92. (1) The surplus insurance funds of a provincial insurance corporation, or of a branch or lodge thereof shall in the name of the corporation, branch or lodge be loaned upon or invested in securities which are a first charge on land held in fee simple or shall be invested in the public stock, funds or Government securities of the Dominion of Canada or of any province of Canada, or in securities guaranteed by either the said Dominion or province, or in the public stock, funds or Government securities of the United Kingdom, or (such securities being in other respects reasonable

and proper) in terminating debentures of any municipal corporation in the Dominion of Canada, or in the terminating debentures of any society or company incorporated under the Act respecting building societies or any Act of the province consolidating the said Act, or any society or company incorporated or constituted under *The Loan Corporations Act*, or in terminating debentures of any society, or company in which, under the law of the province, trustees may invest trust funds; or in the terminating debentures of incorporated companies which have, in the Dominion of Canada, been for at least five consecutive years actually supplying gas, water, heat, light, power, or electricity to the public or to any municipal corporation; or terminating debentures of steam or electric railway companies, or of street railway companies (by whatever power operated), or of telegraph or telephone companies, but so that the loan or loans upon the security of, or the purchase or investment in the debentures of any of the societies or companies mentioned in the present sub-section shall not in the aggregate exceed one-fifth of the paid-up capital of the society or company issuing such debentures; or the said surplus insurance funds shall remain deposited (whether with or without interest) in the name of the corporation in a post-office savings bank or in any chartered bank of Canada, or in any building society or loan company in Ontario by any Act of Ontario, or of the Dominion of Canada duly authorized to receive deposits.

SCHEDULE F.—[R.S.O. 1897, c. 203. s. 2 (5)].

RULE FOR VALUING AN ANNUITY.

(1). An annuity required or entitled to be valued under *The Ontario Insurance Act* shall (irrespectively of the state of the health of the annuitant or nominee) be valued according to the table known as the *Hm* table of the Institute of Actuaries of Great Britain, interest being reckoned at the rate of four per centum per annum, and the age of the life being taken as at the nearest birthday.

RULE FOR VALUING A POLICY OR CONTRACT OF LIFE INSURANCE.

(2). The value of a policy or contract of life insurance required or entitled to be valued under *The Ontario Insurance Act* is (irrespectively of the state of health of the assured or policy-holder) the difference between the present value of the reversion in the sum insured (including any bonus or addition thereto made before the commencement of the winding up), and the present value of the future net annual premiums.

(3). Such present value shall be computed according to both the tables and the rate of interest mentioned in sub-section 2, of section 149, of *The Ontario Insurance Act*.

(4). The premium to be calculated is such net or pure premium as according to the said tables, and said rate of interest is sufficient to provide for the risk incurred by the insurer in issuing the policy or contract exclusive of any loading or addition for office expenses and other charges.

(5). The present value of the reversion at any age is the net single premium that, according to the said tables and said rate of interest, is equivalent to the present value of the net annual premium payable at that age and so long thereafter as required by the policy or contract.

Statutes of 1901, Chapter 9.

An Act to amend the Supplementary Revenue Act, 1899.

(Assented to April 15, 1901.)

His Majesty, by and with the advice and consent of the Legislative Assembly of the Province of Ontario, enacts as follows:

1. Section 6 of the Supplementary Revenue Act, 1899, is amended by striking out the last three lines of the said section and substituting therefor 'in the manner provided by the Assessment Act and amendments thereto.'

2. Section 7 of the Supplementary Revenue Act, 1899, as the said Act is amended by the Supplementary Revenue Act, 1900, is hereby amended, by inserting in the twelfth line of the said section after the word 'premiums' the words 'or assessments.'

3. Notwithstanding anything contained in either of the said Acts, in the preceding section mentioned, the word 'Company' in the thirteenth line of said section 7 extends to and includes any Mutual Fire Insurance Company whatsoever standing registered under the Ontario Insurance Act.

3. QUEBEC LEGISLATION.

Statutes of 1901, Chapter 20.

An Act to amend the law respecting Mutual Benefit Associations.

(Assented to March 28, 1901).

His Majesty, by and with the advice and consent of the Legislature of Quebec, enacts as follows:—

1. The following articles are inserted in the Revised Statutes after article 3104b, as enacted by the Act 62 Victoria, chapter 32:—

"3104ba. Every association shall keep and divide its accounts so that each kind of assistance or benefit granted to the members may be separately managed, and be the object of a distinct service or fund.

SESSIONAL PAPER No. 8

"3104bb. In addition to the assistance funds in case of sickness, indemnities to heirs of deceased members, or other kinds of mutual assistance, a separate service shall be established for the general expenses which are to be paid each month by special contributions or revenues collected for that purpose, and without the other services being in any way affected.

"3104bc. Whenever a distinct service or special fund shall cease to maintain itself in a satisfactory manner, the association may liquidate the same without for that reason losing its corporate existence.

"3104bd. The rules of the association may allow its members to subscribe to either of the special services mentioned in article 3104bb or to all and each of them at a time, whilst allowing any such members to cease belonging to any particular service, without losing their other rights as members.

"3104be. With respect to the associates and between themselves, each service or fund shall only be liable for its own debts, except in the case of a general liquidation, in which case all the funds shall be liable for the general debts, only however after the payment, by each fund, of its own debts."

2. This Act shall come into force on the day of its sanction.

4. MANITOBA LEGISLATION.

Statutes of 1900, Chapter 18.

An Act to amend 'The Manitoba Insurance Act.'

(Assented to July 5, 1900.)

Her Majesty, by and with the advice and consent of the Legislative Assembly of the province of Manitoba, enacts as follows:—

1. Paragraph (b) of section 25 of chapter 13 of 57 Victoria, being "The Manitoba Insurance Act," as amended by section 1 of chapter 10 of 60 Victoria, is hereby further amended by striking out the words 'duplicate original' in the seventh line of the amending clause in section 1 of said amending Act, and inserting instead thereof the word 'copy' and by inserting the words 'duly certified by a notary public to be a true copy' after the word 'document' in the eighth line of said clause.

2. Paragraph 2 of section 3 of said amending Act is hereby amended by striking out the word 'refunds' in the third line thereof and inserting therefor the words 'abatement of the fees payable.'

3. This Act shall come into force on the day it is assented to.

Statutes of 1900, Chapter 19,

An Act to amend 'The Manitoba Insurance Act.'

(Assented to July 5, 1900.)

Her Majesty, by and with the advice and consent of the Legislative Assembly of the province of Manitoba, enacts as follows:—

1. Sub-section (b) of section 3 of chapter 13 of 57 Victoria, being 'The Manitoba Insurance Act,' is hereby amended by inserting after the word 'society' in the second line thereof the words 'chartered or licensed under the Statutes of Canada or any province thereof.'

2. This Act shall come into force on the day it is assented to.

Statutes of 1900, Chapter 55.

An Act respecting the Taxation of Corporations and others for the purpose of Supplementing the Revenues of the Crown in the Province of Manitoba.

(Assented to July 5, 1900.)

Her Majesty, by and with the advice and consent of the Legislative Assembly of the province of Manitoba, enacts as follows:—

1. This Act may be cited as 'The Corporations Taxation Act.'

2. Where the following words appear in this Act, or in the schedule thereto, they shall be construed in the manner hereinafter mentioned unless the context shall require a different construction:

* * * * *

(3.) 'Insurance company' shall embrace and include life, fire, ocean marine, inland transit, accident, plate glass, steam boiler and burglary insurance companies, and every guarantee company, wheresoever such companies may be incorporated, whether the head office is situated in the Province of Manitoba or elsewhere, and which transacts business in the Province of Manitoba, but shall include mutual fire or hail insurance companies (unless where any mutual fire or hail insurance company transacts business on the cash plan) or friendly, fraternal or charitable societies or associations, chartered or licensed by the Dominion of Canada or any of the Provinces thereof, transacting insurance in the Province of Manitoba.

* * * * *

(7.) 'Head office' in the case of companies whose organization and chief executive officers are within Manitoba, shall mean the place where the chief executive officers of the corporation transact its business within the Province.

(8.) 'Head office' in the case of companies whose organization and chief executive officers are without Manitoba, shall mean the office within Manitoba which on December 31, 1899, was known, or may at any time thereafter be known, as the head office of the company within Manitoba, and in the event of no such office being designated or known as the head office, then the office in Manitoba to which the other offices or agencies in Manitoba made returns, and in case there was no such office upon the date aforesaid, then the office which did the largest business in the Province during the year 1899. In the case of companies or corporations, wheresoever incorporated, which may hereafter begin business in Manitoba the head office shall be the office which shall be designated by the company, and notice thereof shall be given to the Provincial Treasurer, and where no such notice is given the head office shall be that office or place of business of the company designated as the head office by an order of the Lieutenant-Governor-in-Council on the recommendation of the Provincial Treasurer.

3. For the purpose of adding to or supplementing the revenues of the Crown in the Province of Manitoba every company, joint stock company, corporation, association, individual, partnership, syndicate or trust hereinbefore described, and being any of the classes of companies or corporations or being an individual, partnership, syndicate or trust hereinafter mentioned or referred to, and which transacts business in the Province of Manitoba under its, his or their name or otherwise or through an agent or agents, shall annually pay to the Crown in this Province each and every year the several taxes by this Act imposed thereon at the times and in the manner hereinafter provided.

3. (a) Every insurance company which transacts business in the Province of Manitoba shall pay a tax of one per cent, calculated on the gross premiums received by such company in respect of the business transacted in the Province of Manitoba during the preceding year, but in the case of mutual fire or hail insurance companies which receive premiums in cash the tax shall be calculated on the gross premiums received by such companies in cash in respect of the insurance transacted on the cash plan in the said Province during the preceding year: Provided that every company licensed or registered under "The Manitoba Insurance Act," and assessed under the provisions thereof, shall be credited with the payment under said provisions as in reduction of the tax payable under this Act.

(b) Where the receipts from premiums of an insurance company, whose head office is elsewhere than in Manitoba, are less than \$20,000, and where such company lends money on security and has invested in this Province \$100,000 or more, such company shall pay a tax of three-quarters of one per cent, calculated on gross premiums, and one-half of one per cent on the income from investments received by such company in respect of the business transacted in the Province during the preceding year.

(c) In the case of re-insurance by an insurance company, the principal company shall be exempt from the tax imposed by this Act on the portion of the premium paid to the re-insuring company, but the company receiving the premium for re-insurance shall nevertheless be liable for the tax in respect thereof as part of its gross premiums. Where the re-insuring company does not conduct business in Manitoba, or has no principal or head office therein, the principal company shall retain in its hands so much of the said premium as will be equivalent to the tax by this Act, imposed on or in respect of such premium, and shall be liable for the tax and for the payment thereof to the treasurer of the Province.

4. The said taxes imposed by this Act for the year 1900 shall only be payable to the extent of one-half thereof and shall become due and payable on the first day of August of said year and in each and every year thereafter, that is to say, from and inclusive of the year 1901, be payable on the first day of April. In the case of companies within the meaning of this Act the said taxes shall be based on the returns of such companies for the year preceding the date of payment.

5. All premiums payable to any insurance company on or in respect of any policy or renewals thereof shall for the purposes of this Act be deemed to be payable within the Province to any and every insurance company doing business in the Province, and the taxes aforesaid shall be payable by the company as aforesaid upon and in respect of all such premiums whether they are paid or made payable in the Province or elsewhere than in the Province and whether such premiums are wholly earned or partly earned in Manitoba, and whether the policies are issued to or held by persons who resided at the time of the issue of the policy or who afterwards reside in Manitoba, and whether the business in relation to such policies is or was transacted in whole or in part within Manitoba or elsewhere.

6. In case of default in payment of taxes imposed by this Act, the same may be levied and collected with costs by distress upon the goods and chattels, wherever found, of the company liable therefor under a warrant signed by the Treasurer of the Province directed to the Sheriff of the Judicial District or Division in which the company in arrear may have any goods or chattels, and in such case the Sheriff shall realize the said taxes or so much thereof as may be in arrear and all costs by sale of such goods or chattels or so much thereof as may be necessary to satisfy the said warrant and costs, or the said taxes or the penalty and double tax hereinafter provided, or both, may, at the option of the Treasurer, be sued for and recovered with costs in any court of competent jurisdiction in an action to be brought in the name of the Treasurer, and the action or suit shall be tried by a Judge without a jury.

7. In case of liquidation or insolvency of any of the corporations or companies upon which a tax is by this Act imposed, the amount unpaid of such tax shall be a first lien or preference upon the estate of such corporation or company subject to the provisions of any Statute in Canada and to the cost and charges of liquidation or insolvency proceedings.

SESSIONAL PAPER No. 8

RETURNS.

8. On or before the first day of August, in the year 1900, and thereafter on or before the first day of April in each and every year, every corporation or company on which a tax is by this Act imposed and which is doing business in the Province of Manitoba, shall without any notice or demand to that effect from the Provincial Treasurer or otherwise howsoever, deliver to the said Provincial Treasurer a detailed statement in which shall be set forth the name of the corporation or company, its business, the amount of its capital stock, and the amount thereof paid-up; and in addition, in the case of a bank, the number of offices or agencies thereof in this Province, and in the case of street railways operated by electricity the number of miles in operation in any city or cities within the Province during the preceding year.

(2). Such statement and the information required by this section shall be made and furnished by and under the oath of the president and manager or of the manager and vice-president having personal knowledge of the affairs of the company, or by such other person or persons connected with the company or corporation as the Treasurer may require, and it shall be in accordance with one of the forms in Schedule A hereto or upon such other forms as may from time to time be prescribed by the Lieutenant-Governor-in-Council.

(3). Any oath required to be taken under this Act may be taken before a commissioner for taking affidavits or a notary public.

9. Every corporation or company which, and the manager or agent in the Province of any company as aforesaid who, neglects to conform to the provisions of the preceding section shall each be liable to a penalty of \$20 per day for each day during which default is made, and the company shall also be liable to pay a tax of double the amount for which it would have been liable under the preceding sections, and any penalty or such double tax may be recovered in any court of competent jurisdiction in an action brought in the name of the Treasurer aforesaid to be tried by a Judge without a jury.

(2). In any such action the said Treasurer shall have the right either before or after the trial to require the production of documents, to examine parties or witnesses or to take such other proceedings in aid of the action as a plaintiff has or may take in any ordinary action.

10. The Treasurer may at his discretion and for good cause enlarge the time for making any such returns.

11. Every insurance company making the return hereinbefore mentioned shall in addition to the other particulars, state in the return the gross premiums received during the preceding year by the company in respect or on account of business wholly or in part or of policies issued to or held by persons residing in the Province of Manitoba, whether such premiums were so received by the company within the Province or were received by the company elsewhere in respect of such Manitoba business.

12. If the Treasurer of the Province desires in order to enable him to determine the correctness of any return made under the provisions of this Act, or desires further information thereon, he may require the president, manager, secretary or agent of the corporation or company to furnish a further statement under oath within thirty days.

13. In case the required information is not furnished within the time limited, as aforesaid, or in case the Treasurer is not satisfied therewith, the Lieutenant-Governor-in-Council may direct an inquiry to be made by a commissioner or commissioners, appointed under an Act respecting Commissioners to make inquiries concerning public matters, being chapter 22 of the Revised Statutes of Manitoba, and the determination of such commissioner or commissioners, after giving the parties an opportunity to be heard, shall, for the purposes of this Act, be final as to the particulars mentioned in their report, but the Lieutenant-Governor-in-Council may for cause vary the said report; but the amount found by the commissioner or commissioners shall not be increased without giving the company or its agents an opportunity of being first heard.

14. If the inquiry is occasioned by failure to furnish the information required by the Treasurer, the company or corporation shall pay the costs of the inquiry, subject to the next succeeding section, but if the statement is found to be correct and the required information was duly furnished, the Treasurer may direct the costs, or such of them as were necessary, to be paid by the Province, and he may for this purpose settle the same or may direct a taxation thereof.

(2). In case the commissioner or commissioners shall find that the statement filed understates the amount on which the tax should be paid, the company or corporation, besides paying the cost of the inquiry, shall pay as a tax such sum as shall be found payable under the report of the commissioner or commissioners with fifty per cent. added to the entire tax as the same would have been computed under the preceding sections unless the Lieutenant-Governor-in-Council shall otherwise order.

(3). The costs of the commission shall be determined and certified by the Treasurer, or he may direct the same to be taxed, and when payable to the Crown the same may be recovered in the manner herein provided for the recovery of taxes.

(4). If the Treasurer directs the costs to be taxed the same shall be taxed by the Prothonotary of the Court of Queen's Bench at Winnipeg.

15. When the commissioner or commissioners have found the statement so filed as aforesaid understates the amount on which the tax should be paid, but also certify that such mis-statement was not made with intent and for the purpose of decreasing the amount of taxes to be paid, but was made bona fide and in good faith and with no improper motive, the Lieutenant-Governor-in-Council may, upon the recommendation of the Treasurer, remit so much of the added percentage and so much of the costs as to him in his discretion may seem meet to do justice in the premises.

64 VICTORIA, A. 1901

16. In case any company or corporation neglects or refuses to make the return within the time prescribed by this act or to furnish to the Treasurer any further or other information required after making such return or, having made such return and furnished such further or other information, it is found by the commissioner or commissioners that the return or the statements made by the company or corporation are glaringly inaccurate and that the amount upon which the tax should be paid has been wilfully understated, the Treasurer of the Province may, in addition to subjecting the company or corporation to the penalties hereinbefore by this Act provided, order the cancellation of the license, certificate of registration or letters patent of incorporation under which such company or corporation transacts and carries on business in this Province, whereupon such licenses, certificate of registration or letters patent shall be absolutely revoked and rendered null and void to all intents and purposes whatsoever.

17. In any action brought by the Treasurer under this Act it shall be sufficient if the action is brought by "the Treasurer of the Province of Manitoba" as plaintiff, and it shall not be necessary to name the Treasurer, and the action shall not abate by reason of a change in the person of Treasurer, but the action may proceed as if no change had been made.

18. Where a company or corporation pays the tax by this Act imposed, no similar tax shall be imposed or collected by any municipality in this Province, and no company made liable to taxation by this Act, nor any of its agents, shall require any licence, authorization or permit of any municipality for doing business in the municipality or for establishing agencies therein.

19. The word "premiums" where used in this Act shall embrace, mean and include the first premium payable upon the policy of insurance and the annual or other premiums payable thereon thereafter and whether for renewals or otherwise: and the words "preceding year" the 31st day of December next before the time when the taxes hereby imposed are payable, and the said taxes shall be levied upon capital stock as the same stood on the said 31st of December, and the statement hereinbefore required shall give the information required as of the said date.

20. This Act shall come into force on the day it is assented to.

3.—NOVA SCOTIA LEGISLATION.

Statutes of 1900, Chapter 26.

An Act to amend Chapter 22 of the Acts of 1898, entitled 'An Act to consolidate and amend the Acts relating to the Property of Married Women.'

(Passed March 30, A.D. 1900.)

Be it enacted by the Governor, Council and Assembly as follows:

1. Section 2 of Chapter 22 of the Acts of 1898 is amended by adding thereto the following subsections:—

(2.) In any case in which a decree for divorce on account of the adultery of the wife has been pronounced by the Court for Divorce and Matrimonial Causes, and in any case in which the wife is guilty of adultery after her marriage and during her coverture, which has not been condoned by the husband, any policy of assurance effected by her husband on his own life for the benefit of such wife or of such wife and children, or of such wife or her heirs, executors, administrators or assignees, and all the moneys payable under the said policy, shall be payable to the child or children of such marriage, if any, and if there be no child or children of such marriage then the said moneys shall form part of the estate of the insured.

(3) The company issuing such policy of assurance may plead this Act as a defence, and such defence shall be a complete bar to an action on such policy by or for the benefit of any wife divorced on account of adultery, or guilty of adultery, as set out in the last preceding sub-section, or by or on behalf of the heirs, executors, administrators or assignees of such wife, other than the children of her marriage with her said husband.

(4) In any case in which a decree for divorce on account of the adultery of the wife has been pronounced by the Court for Divorce and Matrimonial Causes, a receipt signed by the children of such marriage, or by their guardian, if they are minors, or by the legal representatives of the deceased husband if there be no children of such marriage, shall be a sufficient discharge to the insurance company of all claims on the policy insuring the life of the husband for the benefit of such wife, or such wife and children, or of such wife or her heirs, executors, administrators or assignees: and in any such case the insurance company shall pay the amount due on such policy to the children of such marriage, if over the age of twenty-one years, or to their guardian if they are minors, and if there be no such children, then to the legal representative of the deceased husband.

(5) In any case in which an insurance company shall receive notice that any wife named as beneficiary in a policy of assurance effected by her husband on his life, has been divorced from her husband on account of adultery, it shall not be lawful for such company to pay the proceeds of such policy or the amount due thereon, or any part thereof, to such wife, or her legal representatives, unless and until her or their right to receive the same shall be determined by a court of competent jurisdiction; and in case of the receipt of such notice, and in the event of any action being taken against such company by any of the claimants to the amount under such policy, it shall be the duty of such company to apply to the court to have all other claimants to the amounts due under such policy made parties to such suits, and the court or a judge may make all such other claimants parties, and,

SESSIONAL PAPER No. 8

after all such claimants are made parties, the insurance company may pay the amount which the company is liable into court; and the court shall determine which of the claimants are entitled to the amount due on such policy, and shall direct to whom the same shall be paid, and the unsuccessful claimants shall pay all the costs incurred by the insurance company in connection with said suit.

6.—PRINCE EDWARD ISLAND LEGISLATION.

Statutes of 1900, Chapter 6.

An Act to impose certain Taxes on certain Companies and Associations and Brewers.

(Assented to June 9, 1900.)

Be it enacted by the Lieutenant Governor and Legislative Assembly, of the Province of Prince Edward Island, as follows:—

1. In order to provide for the exigencies of the Public Service there shall be and are hereby imposed upon the Companies, Associations and Brewers hereinafter mentioned, the taxes hereinafter specifically named, which taxes each of such Companies, Associations and Brewers, respectively, shall annually pay to the Provincial Secretary for the use of the Province.

(1) Upon all Companies accepting risks and carrying on the business of insurance against fire in the Province, whose principal office or organization is not within the Province, the sum of one hundred and fifty dollars each

(2) Upon all Companies accepting risks and carrying on the business of insurance against fire in the Province, whose principal office or organization is within the Province, the sum of seventy-five dollars each.

(3) Upon all Insurance Companies and Associations of any kind having agencies or accepting risks upon the lives of persons within the Province, and transacting the business of life or endowment insurance therein as the sole object of their organization or as incidental to other purposes of their organization, whose principal office or organization is not within the Province, the sum of two hundred and twenty-five dollars each.

(4) Upon all Companies doing the business of Accident and Guarantee insurance within the Province, the sum of fifty dollars each.

(13) Upon all Incorporated Companies and Associations whose principal office and organization is not within the Province, doing business in this Province, other than those previously enumerated, the sum of one hundred dollars each.

2. The taxes imposed by this Act shall be payable semi-annually on the first juridical day of the months of June and December in each year, commencing on the first juridical day of December following the passage hereof, on which day the first semi-annual payment of the taxes aforesaid shall be due and payable by such Companies, Associations of persons to the Provincial Secretary of the Province.

3. The manager agent or sub-agent of every Company or Association mentioned in this Act, or the person who transacts, negotiates or solicits any business for or on behalf of any such Company or Association shall be personally liable for the tax imposed by this Act on the Company or Association of which he is a manager, agent or sub-agent, or for which he transacts, negotiates or solicits any business, but nothing in this Section shall be construed to exonerate or discharge the said Companies or Associations from the payment of such taxes.

4. Every tax imposed by this Act shall on the day on which it becomes due become a Crown debt, and if not paid on such date may be recovered with legal interest thereon, with full costs of suit, by an action brought in the name of Her Majesty by the Provincial Secretary of the Province, in the Supreme Court of Judicature of the Province, every such action to be tried without a jury.

5. Costs shall not be awarded or adjudged against His Majesty in any action instituted in Her Majesty's name by the Provincial Secretary under this Act, but on the recommendation of the Court the Provincial Secretary may in his discretion pay to the party in favour of which judgment has been rendered the costs to which he may deem such party equitably entitled.

6. The taxes imposed by this Act shall form part of the revenue of the Province, and any expenses incurred in carrying out this Act may from time to time be paid out of such revenue.

7. Nothing in this Act shall affect the liability of the several Companies and Associations mentioned in the Act passed in the fifty-seventh year of Her present Majesty's reign, chapter three, and in the Act passed in the sixty-second year of Her present Majesty's reign, chapter eighteen, for the taxes imposed by the said Acts, and which have accrued due before the coming into force of this Act, nor the remedy for the recovery of the said taxes provided by said Acts, but for all other purposes the said Acts are hereby repealed.

* The amounts in this column give the *pro rata* of gross premiums for the unexpired terms of all policies of the several companies in force at December 31, 1900, as provided in the statutes in that behalf. Upon the assumption that adequate premiums have been collected these amounts may be regarded as considerably in excess of the sums which would ordinarily be required to pay the losses to accrue under outstanding risks, a fact which may properly be taken into account in the case of individual companies in considering questions of actual or probable as distinguished from *legal* surplus, declaring dividends, impairment of capital and other cognate subjects.

GENERAL BUSINESS STATEMENT FOR THE YEAR ENDED DECEMBER 31, 1900.

The net premiums, after deducting reinsurances effected with other companies in reduction of this company's liabilities, amounted to £955,705 18s. 9d.

The net fire losses incurred, including full estimates for all outstanding at the closing of the books, amounted to £483,413 15s. 9d.

The surplus on the working of the business, after making full provision for all commissions, expenses, depreciations, bad debts and other charges, amounts to £137,528 11s. 9d. Interest on investments has yielded the further sum of £41,723 4s. 2d., and the total credit balance on the year's operations is, therefore, £179,251 15s. 11d.

This amount in addition to the balance of £323,580 0s. 0d. brought forward from the previous account, but deducting the interim dividend of £17,020 paid in November last, makes an available total of £485,811 15s. 11d.

The directors propose to pay on the 3rd proximo, a further dividend of 8s. per share, free of income tax, making, with the interim dividend already paid, a total distribution for the year of £51,060, or 12s. per share; and to carry forward the remaining balance of £451,771 15s. 11d. to the next account.

The financial position of the company will then stand as follows:—

Capital fully subscribed.....	£ 2,127,500 0 0
Of which is paid up.....	212,750 0 0
Reserve and reinsurance fund.....	£ 750,000 0 0

64 VICTORIA, A. 1901

LIFE ASSOCIATION OF SCOTLAND—*Continued.*

GENERAL BUSINESS STATEMENT FOR YEAR ENDING APRIL 5, 1900.

The new life assurances, completed and paid for, under 1,199 policies, amounted to £683,210. Of this sum £71,500 was reassured with other offices, the net amount retained on the Association's own risk being therefore £611,710. During the three previous years the average net amount of new business, after deduction of reassurances, was £689,073. For the whole of the latter half of last financial year the country was in a somewhat unsettled state, owing principally to the war in South Africa, and, in common with the experience of the majority of other offices, the new business of the Association suffered in consequence, there being in particular an almost entire absence of the larger class of transactions. The new premiums of the year amounted to £25,450 7s. 4d., of which £1,824 11s. was paid to the reassuring offices.

New life annuities, numbering 51, were purchased, at the price of £31,955 1s. 2d., for the annual amount of £2,517 0s. 2d.

The total revenue from premiums and interest (exclusive of the purchase money for annuities) was £581,307.

The claims by death, including bonuses, amounted to £391,190. This shows an abnormally heavy mortality experience in the course of this particular year, the total claims being in excess of the amount expected by reason of an undue proportion having fallen on policies of above the average amount. Exclusive of bonuses, the number and amount of actual claims, as compared with the expected by the H. M. Table, are as follows:—

	EXPECTED CLAIMS.		ACTUAL CLAIMS.	
	Number.	Amount (excluding bonuses).	Number.	Amount (excluding bonuses).
Class A (old series).....	342	£136,689	361	£158,628
Other classes.....	420	181,731	395	209,328
Together.....	762	£318,420	756	£367,956

Fluctuations in the claim-rate are, of course, unavoidable from year to year, and the experience of the three previous years having been very favourable, it is with satisfaction that the directors are able to state that the total claims for the four years now run of the current quinquennium are still well within the amount expected and provided for.

Endowment assurances, to the number of 72, matured by the survivance of the lives to the stipulated dates, the amount payable thereunder being £25,551 2s. 10d. The annuities cancelled by death numbered 56, the Association being thereby relieved of the annual payment of £2,748 15s. 2d.

The ratio of expenses to life premium income has been very favourable, being once again the lowest for very many years past.

The funds of the Association now amount to £5,084,175, having increased during the year by £48,527. The revenue account and balance sheet are appended.

At April 5, 1900—

31,075 policies were in force, assuring (exclusive of bonuses).....	£14,844,776 stg.
Total claims paid under life policies amounted to.....	8,008,170 "
Cash bonuses and bonus additions amounted to.....	2,203,279 "

The allocation of bonus to the policy-holders in class A (old series) is made annually, and the yearly valuation of the policies in that class having been completed, the directors now declare the following cash bonuses on the premiums for ordinary whole-life policies, by premiums payable throughout life, for the year commencing April 6, 1901, to be applied as formerly in part-payment of the premiums falling due during that year:—35 per cent to entrants on or before April 5, 1855; 25 per cent to entrants between April 6, 1855, and April 5, 1860; 20 per cent to entrants between April 6, 1860, and April 5, 1865; 17½ per cent to entrants between April 6, 1865, and April 5, 1871; 15 per cent to entrants between April 6, 1871, and the close of the class. In the case of assurances by a limited number of premiums and endowment assurances, the cash bonuses are of precisely the same amount as if they were ordinary assurances by premiums during life.

The directors now declare a dividend on the amount of the paid-up capital of the Association (£87,500) at the same rate as last year, namely, £1 6s. 3d. per share, payable on November 11 next, under deduction of the interim payment made on May 15 last.

APPENDIX A

GENERAL STATEMENTS OF BRITISH COMPANIES

FOR

YEAR ENDING DECEMBER 31, 1900.

(Received too late for publication with the Statements of their Canadian Business.)

THE GUARDIAN FIRE AND LIFE ASSURANCE COMPANY (LIMITED).

GENERAL BUSINESS STATEMENT FOR THE YEAR ENDING DECEMBER 31, 1900.

(For Statement of Canadian business see page 42.)

FIRE DEPARTMENT.

The fire premiums, after deducting reinsurances, amounted to £393,249 19s. 4d., as against £376,473 13s. 8d. in 1899, showing an increase of £16,776 5s. 8d., and the losses, after making the same deduction, to £258,028 4s. 8d., as against £211,069 6s. 5d. in 1899, an increase of £46,958 18s. 3d.

The percentage of the losses upon the premiums for 1900 was 65.62, as against 56.06 per cent in 1899. The expenses and commission together amounted to £131,618 4s. 10d., being 33.48 per cent on the premiums, as compared with 34.08 per cent in 1899.

After providing for losses and expenses, income tax and bad debts, and for the premium reserve to cover the unexpired liability on policies current at the end of the year, there was a loss on the trading account of £3,779 16s. 1d. Setting against this loss the interest on the fire fund, which amounts to £20,709 4s. 1d. (after making a small deduction of £22 6s. 2d. added to reserve), there results a profit of £16,929 8s. The general fire reserve fund has been increased by the addition of £2,500, arising from profit on investments realized, together with the small sum from interest above-mentioned, and now amounts to £372,500, and the premium reserve fund, calculated according to the usual method, amounts to £175,500, making the total fire fund £548,000.

THE IMPERIAL INSURANCE COMPANY (LIMITED).

GENERAL BUSINESS STATEMENT FOR THE YEAR ENDING DECEMBER 31, 1900.

(For Statement of Canadian business see page 48.)

The net premiums of 1900 amounted to £736,688 (£72,442 more than those of 1899), and the losses paid and outstanding to £451,462, being 61·28 per cent thereon, against a loss ratio of 60·79 in the previous year.

The directors have pleasure in recommending a dividend for 1900 of £1 5s. a share, free of income-tax, and 10s. having been paid as interim dividend on January 5 last, it is proposed that the balance of 15s. a share be paid to the members.

After providing for the payment of that dividend, which absorbs £75,000, the funds of the company stand as follows:—

THE NORTHERN ASSURANCE COMPANY.

GENERAL BUSINESS STATEMENT FOR THE YEAR ENDING DECEMBER 31, 1900.

(For Statement of Canadian Business, see page 58.)

FIRE DEPARTMENT.

The premiums received last year amounted to £752,309 15s. 4d., showing, in comparison with the premiums of the previous year, an increase of £43,119 8s. 0d.

The losses incurred amounted to £417,188 13s. 0d., or 55·5 per cent of the premiums. The general average of the experience of the company from the beginning is now 58·5 per cent, or, including its provision for losses on current risks, 60·1 per cent.

The expenses of management (including commission to agents and charges of every kind) came to £259,076 6s. 10d., or 34·4 per cent of the premiums, which is a trifle less than the ratio of the previous year.

After crediting the account with £283,676 2s. 11d., the amount set aside in 1899 as provision for 'current risks,' and charging it with £300,923 18s. 2d., being 40 per cent of the premiums for 1900, as a similar provision for the latter year, there remains a credit balance of £58,797 0s. 3d., which, as usual, has been transferred to the profit and loss account.

* The amounts in this column give the *pro rata* of gross premiums for the unexpired terms of all policies of the several companies in force at December 31, 1900, as provided in the statutes in that behalf. Upon the assumption that adequate premiums have been collected these amounts may be regarded as considerably in excess of the sums which would ordinarily be required to pay the losses to accrue under outstanding risks, a fact which may properly be taken into account in the case of individual companies in considering questions of actual or probable as distinguished from *legal* surplus, declaring dividends, impairment of capital and other cognate subjects.
