OFFICE OF THE SUPERINTENDENT OF INSURANCE,

OTTAWA, August 23, 1910.

To the Honourable W. S. FIELDING,

Minister of Finance.

Six.—I have the honour herewith to submit the statements in detail of Insurance Companies for the year 1909, together with such an abstract and analysis of them as appears proper to exhibit the progress of the business and the conditions of the companies.

FIRE AND INLAND MARINE INSURANCE, 1909.

During the year 1909 the business of fire insurance in Canada was carried on by 55 companies; of these 23 were Canadian, 18 British and 14 American. Inland marine insurance was also transacted by 7 of them (1 Canadian, 2 British and 4 American), and ocean marine by one of them (Canadian). This list of companies differs from that of the previous year by the addition of two Canadian companies (the North Empire Fire and the Occidental Fire). Three British companies (the British and Foreign Marine, the Marine and the Ocean Marine), are licensed to carry on the business of inland marine insurance and the business of insuring registerel mail matter in transit from place to place in Canada, and two of them (the British and Foreign Marine and the Marine) did inland marine business during 1909.

FIRE PREMIUMS AND LOSSES IN CANADA IN 1909.

Cash received for premiums during the year in Canada amounted to \$17,049,474, being greater than that received in 1908 by \$22,199; and the amount paid for losses was \$8,646,826, which is less than that paid in 1908 by \$1,632,629. The ratio of losses paid to premiums received is shown in the following table:—

The loss rate for 1909 (50.72) is 13.49 below the average for the forty-one years ever which our records extend.

Obtaining an approximation to the losses incurred during the year, by excluding the payments for losses outstanding at the beginning of the year, and including the amounts estimated for those of the year still unsettled, the ratio of the losses incurred to premiums received comes out 50.46 per cent, which is 10.31 per cent less than the 60.77 of the previous year, and is 10.97 per cent less than the average for the last fifteen years (61.43). The following are the rates of incurred losses from 1895:—

FIRE INSURANCE IN CANADA IN 1909.

The gross amount of policies, new and renewed, taken during the year by fire companies was \$1.579.975,867, which is greater by \$113,681,846 than the amount taken in 1908. The premiums charged thereon amounted in 1909 to \$22,293,633.25, being \$325,200.90 greater than the amount charged the previous year. The rate of premiums (1.411) is somewhat lower than that of 1908 (1.498). The loss rate (50.72) is 9.65 per cent less than the loss rate of the previous year (60.37) and 13.49 per cent less than the average loss rate (64.21) for the past forty-one years.

The rate per cent of premiums charged upon risks taken is shown in the following table:—

PREMIUMS AND LOSSES COMPARED WITH RISKS.

The average rate of premiums charged on each \$1,000 of risks taken in 1909 is \$14.110, as against \$14.982 which was the corresponding rate in 1908. The individual rates for the different companies will be found in the annexed table, and will be seen to vary a good deal, as might naturally be expected, considering the varieties of the business done by the companies.

The losses incurred (approximate) during the year, compared with the amount of risk current (taking for this the mean of the amounts in force at the beginning and end of the year), have been at the average rate of \$4.83 per \$1,000 current risk. The corresponding rates for 1882-3-4-5-6-7-8-9-90-1-2-3-4-5-6-7-8-9-1900-1-2-3-4-5-6-7-8, are \$5.68. \$5.56. \$5.37. \$4.54. \$5.48, \$5.70. \$4.70, \$4.19, \$4.84, \$5.33, \$5.61, \$6.17, \$5.50, \$5.75. \$5.15. \$5.38, \$6.20, \$4.99, \$8.38, \$6.68, \$4.06, \$5.22, \$12.05. \$4.88, \$4.97. \$5.69 and \$6.41, respectively.

The losses are, however, as usual, distributed very unevenly among the different companies, as appears from the following, computed on the above basis; where for convenience of comparison, the corresponding rates for 1908 are appended within parentheses:—

Alliance, \$2.09 (\$3.81); London Assurance, \$2.33 (\$4.49); North Empire, \$2.40 (...); Western, \$2.90 (\$5.42); Equity Fire, \$3.07 (\$8.27); London Mutual, \$3.23 (\$4.22); Caledonian, \$3.43 (\$6.61); Scottish Union and National, \$3.46 (\$5.96); Manitoba Assurance, \$3.62 (\$4.82); British America, \$3.70 (\$5.46); Ætna Fire, \$3.76 (\$3.53); Nova Scotia Fire, \$3.88 (\$2.93); Phænix of Hartford, \$3.95 (\$4.66);

Law Union and Rock, \$4.02 (\$5.64); Occidental Fire, \$4.13 (....); Pacific Coast Fire, \$4.29 (\$21.47): Anglo-American. \$4.37 (\$9.25); Royal, \$4.47 (\$4.99); Norwich Union Fire, \$4.53 (\$6.53); Canadian Fire, \$4.54 (\$7.05); Atlas, \$4.62 (\$6.45); Commercial Union, \$4.70 (\$4.83); London and Lancashire Fire, \$4.73 (\$6.56); Mcreantile Fire, \$4.86 (\$5.41); North British and Mercantile, \$4.92 (\$5.55); Phenix of Brooklyn, \$4.95 (\$6.73); Montreal-Canada, \$5.00 (\$7.09); Liverpool and London and Globe, \$5.05 (\$6.61); Queen Insurance Co. of America, \$5.06 (\$7.73); German-American, \$5.09 (\$8.77); Northern. \$5.17 (\$8.39); Hartford Fire. \$5.22 (\$5.30); Phenix of London, \$5.22 (\$6.58); Sun Insurance Office, \$5.29 (\$5.60); Home Fire. \$5.35 (\$6.54); Insurance Company of North America, \$5.70 (\$6.96); Guardian, \$5.79 (\$7.32); York-hire, \$5.87 (\$5.39); St. Paul Fire and Marine, \$5.87 (\$14.37); Rochester-German, \$6.03 (\$7.83); Ontario Fire, \$6.12 (\$8.83); Connecticut Fire, \$6,16 (\$8.15); Sovereign Fire, \$6.52 (\$11.90); Dominion Fire, \$6.99 (\$20.87); Quebec Fire, \$7.08 (\$3.09); National Fire \$7.14 (\$3.84); Rimouski. \$7.59 (\$6.21); Acadia Fire, \$7.75 (\$5.34); Central Canada Manufacturers, \$8.12 (\$12.97); Eastern Canada Manufacturers, \$8.12 (\$12.97); Springfield Fire and Marine, \$8.96 (none); General Accident Fire and Life, \$9.04 (\$1.67); Richmond and Drummond, \$15.30 (\$14.41); Lumber Insurance Company, \$20.74 (\$18.90); Ottawa Assurance Company. \$24.57 (\$14.78).

The annexed table gives the gross amount of risks taken by the several companies during the year, and the premiums charged thereon, and also the distribution of losses with the proportionate rate of premiums to risks, and the proportion of the amounts paid for losses to those received for premiums during the year. For convenience of comparison the rates of 1908 are appended. It must be noted that the premiums in the second column are those charged on the whole gross amount of risks taken by each company during the year.

BRITISH FIRE COMPANIES

The total cash receipts from premiums (including the inland marine business of the Commercial Union and the Alliance) were \$9.756,139, being a decrease of \$205,237, as compared with the previous year; the payments for losses were \$4.880,822, being \$939.488 less than for 1908; while the general expenses amounted to \$2,975,801, being \$108,953 greater than in 1908, thus showing balance of \$1.899.516 favourable to the companies. In the previous year there was a favourable balance of \$1,274.218.

Paid for losses general expenses	
Total	
Balance in favour of the companies	\$1,899,516

The following detail gives the balance for the different companies:-

Balance in favour.—Alliance, \$49,295; Atlas, \$105.244; Caledonian, \$97,225; Commercial Union, \$269,914; General Accident Fire and Life, \$90.594; Guardian, \$134,050; Law Union and Rock, \$31,929; Liverpool and London and Globe, \$105,787;

London and Lancashire Fire, \$120,425; London Assurance, \$58,626; North British, \$110,349; Northern. \$88,866; Norwich Union Fire, \$158,502; Phonix of London, \$117,200; Royal, \$219,984; Scottish Union and National, \$74,549; Sun Fire, \$39,986; Yorkshire, \$35,991. Total balance in favour, \$1,899,516.

For every \$100 of premiums received there was spent on the average \$49.93 in payment of losses, and \$30.47 for general expenses.

In 1908 the loss rate was \$58.43, and the general expenses \$28.78, for every \$100 of premiums received.

For the fire business the rate of premium was \$13.837 per \$1,090 of risks taken, as against \$14.794 in 1908.

Hence these companies have done a larger volume of business than in 1908 at a lower rate of premium, a higher rate of expense, and at a lower rate of fire losses.

Collecting the result for the thirty-five years from 1875 to 1999, as regards the receipts for premiums and the expenditure of the British companies, we find:—

Paid for losses (1875-1909)	\$110,182,028
" general expenses	47,228,921
Total payments	\$157,410,949
Received for premiums	170,937,555
Excess of receipts over expenditure	\$ 13,526,606

It will be seen, from an examination of the table given below, that an adverse balance was in existence from the year 1877 till the end of the year 1886, due to the exceptional circumstances of the conflagration at St John in the first mentioned year—when the losses paid by British companies amounted to almost five millions of dollars; that such adverse balance was reversed at the end of the year 1887, when a favourable balance of \$341,938 was shown, and that this favourable balance increased thereafter from year to year (with the exception of the year 1893) up to the close of 1899, when it amounted to \$5,029,980. In 1900 the loss by the British companies on account of the Ottawa and Hull conflagration amounted to over two and a half million of dollars. To this is due the large deficit of that year, \$1,365,476, wiping out the savings of the preceding four years, and reducing the favourable balance at the end of 1900 to \$3,664,504, which sum had been still further reduced to \$3,512,636 at the end of 1901. The favourable experience for the years 1902 and 1903, increased this balance to \$7,123,044 at the end of 1903, but it was again reduced by the unfavourable

9-10 EDWARD VII., A. 1910

experience of 1904 to \$3.969,472. During the past five years the favourable balance has been largely increased and now amounts to \$13.526,696.

As the reports of the general business of the British companies which are appended to their several statements, are made up in a form not readily understood, except by an expert, I have this year, as in previous years, made an approximate analysis of them which will be found on page c. Only two or three of these companies profess to make any special provision for the liability under the head of 'Unearned Premiums,' but they set aside a certain sum under the title of 'Fire Fund,' which is held to meet future contingencies, and is charged against the company as a liability. I have taken 60 per cent of the annual revenue from premiums as a fair approximation to the exact pro rata of the premiums on unexpired risks, which forms the basis of the item in our returns for Canadian business. Also, in cases where life assurance is combined with fire (the assets of these branches being required by the Imperial statute to be kept separately) I have omitted the life-business entirely, considering that the life funds are more than sufficient to cover the liabilities in this branch, and thus making the results, as regards paid-up capital, less favourable to the companies.

AMERICAN FIRE COMPANIES.

The receipts for premiums (including the inland marine business of the Ætna Fire, the Home Insurance Company, the Insurance Company of North America, the St. Paul Fire and Marine and the tornado business of the Phenix of Brooklyn, and the Springfield Fire and Marine) were \$3.658.709; the payments for losses, \$1,746,049; and the general expenses, \$1,024,632. Hence for every \$100 of premiums received there were spent on the average \$47.72 in payment of losses, and \$28.00 in general expenses.

The following detail gives the balances for the different companies:-

Balances in favour.—Ætna Fire, \$95,678; Connecticut Fire, \$18,659; German-American, \$39,417; Hartford Fire, \$204,270; Home Fire, \$76,722; Insurance Co. of North America, \$26,018; Lumber Insurance Co., \$2,477; National Fire, \$56,460; Phenix of Brooklyn, \$116,468; Phænix of Hartford, \$68,911; Queen, of America, \$75.017; Rochester-German, \$18,835; Springfield Fire and Marine, \$44,263; St. Paul Fire and Marine, \$44,833. Total balance in favour, \$888,028.

The results of the total business of these companies, from 1875 to 1909, inclusive, are as follows:—

Paid for losses (1875-1909)	\$23,107,250
" general expenses	10,492,480
-	
Total payments	\$33.599,730
Received for premiums	38,562,732
-	
Excess of receipts over payments	\$ 4,963,002

CANADIAN FIRE COMPANIES.

In considering the Canadian companies, their whole fire insurance business, in Canada and elsewhere, as well as their whole marine business, must be taken into account, inasmuch as a separation of expenses between these branches has not been made.

The following table gives the distribution of fire business between Cauada and elsewhere, for the fourteen companies transacting business outside of Canada, and shows that the home business was, on the whole, less favourable to the companies than the foreign business.

The subjoined table gives the rate per cent of losses paid, as compared with premiums received, upon business done in Canada and other countries by Canadian companies, during the years 1878 to 1909, inclusive, a perusal of which will show that, taken over the whole period, the Canadian business has been more favourable to the companies than the business transacted in other countries:—

The assets of the twenty-three Canadian companies doing fire business amounted, at the end of the year to \$11,818.155, covering a total amount of insurance of all kinds of \$1,019,170.595, being at the rate of \$11.60 for every \$1,000 of insurance in force; they have also subscribed capital not called or not paid up, amounting to \$3,246,696, making a total security of \$14.78 for every \$1.000 insured. The liabilities of the same companies amounted to \$7,180,693, made up as follows:—

Unsettled losses	
Unearned premiums	
Sundry	 753,662
	\$7,180,693

The unearued premiums are here taken to be the *pro rata* proportions of the gross premiums for the time unexpired in the cases of fire and inland marine insurance, and the whole premiums in the case of a current ocean risk. The surplus of assets over liabilities available for the protection of policy-holders, independent of the subscribed capital not called up, amounts to \$4,640,464.96.

The capital stock of these companies paid up or in course of payment, amounts to \$6,720,481.

The following table gives the condition at the end of 1909 of all the Canadian stock companies in reference to the surplus on account of policy-holders.

A comparison of this with the figures of the previous year shows the following results:—

Gain or improvement during 1909.—Acadia Fire, \$11,500; Anglo-American, \$5,205; British America, \$238,622; Dominion Fire, \$17,769; Equity Fire, \$30,080; 8—B₃

London Mutual, \$22,838; Manitoba Fire, \$52,156; Mercantile Fire, \$33,089; Nova Seotia Fire, \$9,285; Pacific Coast Fire, \$16,687; Western, \$364,419.

Loss or deterioration during 1909.—Canadian Fire, \$184,475; Central Canada Manufacturers, \$1,295; Eastern Canada Manufacturers, \$784; Montreal-Canada, \$7.994; Ontario Fire, \$7,105; Ottawa Fire, \$3,581; Quebee Fire, \$3,472; Riehmond and Drummond, \$58,298; Rimouski, \$15,558; Sovereign Fire, \$539.

Including the whole business of the mixed companies, outside as well as within the Dominion, it appears that the Canadian companies have received during the year 1909 a total cash income of \$8,135,129.21, which is made up as follows:—

	1909.	The same in 1908.	The same in 1907.	The same in 1906.
Interest and dividends	\$ ets. 323,309 70 7,751,727 44 60,092 07	301,209 15 7,506,568 66 77,726 33	\$ cts. 269,918 89 8,592,041 45 59,425 71 8,921,386 05	244,284 68 8,663,876 20 470,731 12

In the same way the cash expenditure during 1909 has been \$7,692,692.25, distributed into:—

	1909.	The same in 1908.	The same in 1907.	The same in 1906.	
Losses paid	2,941,149 99 339,000 65	\$ cts. 5,471,015 65 2,785,940 01 119,337 41 8,376,293 07	\$ cts. 5,786,024 20 3,152,540 95 94,649 99 9,033,215 14	\$ cts. 6,693,036 95 2,981,601 05 279,202 53 9,953,840 53	

Thus it appears that for every \$100 of income there has been spent \$94.56, namely: for losses, \$54.24; for general expenses, \$36.15; and for dividends to stockholders, \$4.17. Hence, also, for every \$100 of premiums received there has been paid out \$56.92 for losses, \$37.94 for expenses, and \$4.37 for dividends to stockholders.

The total cash income received by the Canadian companies during the thirty-five years from 1875 to 1909, inclusive, is \$170,677,720.24. The respective amounts for the several years, and the distribution thereof under proper headings, are shown in the subjoined table:—

The expenditure of the same companies during the same period of thirty-five years amounted in the aggregate to the sum of \$172,555,847.99, thus showing an excess of expenditure over income to the amount of \$2,151,818.17. The amount expended in the respective years, and their distribution under proper headings, are given in the following table:—

INLAND NAVIGATION AND OCEAN INSURANCE, 1909.

the continent of Europe.

Inland marine insurance was carried on in Canada by one Canadian company (the Western Assurance Company), and to a limited extent by four American companies (the Ætna Insurance Company, the Home Insurance Company, the Insurance Company of North America, and the St. Paul Fire and Marine), and four British companies (the British and Foreign Marine Insurance Company, the Marine Insurance Company, the Alliance Assurance Company, Limited, and the Commercial Union Assurance Company, Limited). Ocean business was transacted by the Western Assurance Company, but the greater part of this business is transacted by companies which are not required to be licensed, and do not report to this Department.

The figures given below include the Canadian inland marine business of the four American companies and the four British companies, and the whole inland marine and ocean business done by the Western Assurance Company and the old unexpired business of the British America Assurance Company.

INLAND MARINE.

The premiums received amounted to \$447,534, the losses incurred to \$324,933, and the losses paid to \$351,548. At the end of the year the losses unsettled were \$31,627.

The inland marine business has been unfavourable, as was also the case in the year previous. The losses incurred amounted to 72.61 per cent of the premiums received. The rates for 1906, 1907 and 1908 were 99.52, 73.49 and 72.17, respectively.

OCEAN MARINE.

The premiums received amounted to \$428,725, the losses incurred to \$421,121, and the losses paid to \$392,037. At the end of the year the total outstanding or unsettled losses were \$72,778.

In the ocean business the rate of losses incurred to premiums received was 98.23 per cent, whilst in 1906, 1907 and 1908 the rates were 94.21, 88.26 and 81.36, respectively.

An abstract of the inland marine business will be found on page xeix, and details of this and the ocean business for the individual companies on pages xeix and xevii.

LIFE INSURANCE, 1909.

The business of life insurance was transacted by forty active companies, of which twenty-three are Canadian, six British and eleven American.

Insurance Effected during the Year.

The total amount of policies in Canada taken during the year 1909 was \$131,739,078, which is greater than the amount taken in 1908, by \$31,842,872. The Canadian companies show an increase in 1909 of \$10,092,394, whilst in 1908 they had an increase of \$7,190,817; the British companies have an increase of \$540,473, whilst in 1908 they had a decrease of \$111,986; and the American companies have an increase of \$21,210,005, whilst in 1908 they had an increase of \$2,434,443, the total increase in 1909 being \$31,842,872. as above stated.

The respective amounts effected are:--

Canadian companies	\$79,121,977
British companies	3,930,230
American companies	48,686,871

So that the amount taken by native companies exceeds that taken by the British and American together by over \$26,500,000.

Life Insurance in force in 1909.

The total amount of insurance in force in Canada at the close of the statements was \$780,356,980, which shows the large increase of \$60,840,966 over that of the previous year, being distributed as follows:—

				Amount in force.	Increase.
Canadian	companies	 	 	 \$515,415,437	\$35,148,506
British ec	mpanies	 	 	 46,985,192	823,235

Γ	'otal '	 	 	 \$780,356,980	\$60,840,966

The following tables will enable the progress of the total business to be traced during the past thirty-five years, both as regards the amount of insurance effected from year to year, and the total amount in force:—

Amount of Insurance terminated in 1909.

The amount of insurance terminated in natural course, namely, by death, maturity or expiry, was \$11,435,061, which is greater by \$387,678 than the corresponding amount in the previous year; and the amount terminated by surrender and lapse was \$62,780,606, being greater than in the previous year by \$3,852,182.

Relatively to the amounts at risk the amounts so terminated do not differ to any material extent from those of the previous year, giving for every \$1,000 of current risk \$14.56 terminated in natural course and \$79.94 by surrender and lapse, making a total of \$94.50. In the year 1908 these rates were \$15.02 and \$80.12, respectively, making a total of \$95.14, thus giving a difference of \$0.64 for each \$1,000 at risk.

The following table exhibits the rates for the last six years:—

The total termination amounts to about 70.05 per cent of the amount of new policies. The actual amounts of termination were distributed as follows:—

	Naturally.	By Surrender and Lapse.
Canadian companies. British " American " Total	\$ 6,445,645 1,346,823 4,443,345 12,235,813	\$ 37,934,652 2,175,429 21,869,773 61,979,854

Canadian Policies in force.

Omitting the industrial policies of the London Life, the Union Life, the Metropolitan and the Prudential, the thrift policies of the Sun Life and the monthly policies of the Excelsior, the following table gives the number and amounts of policies in Canada and the average amount of a policy in force at the date of the statements:—

	Number.	Amount.	Average amount of a Policy.
Canadian companies British " American " Total	321,403 23,102 108,206 452,711	\$ 494,190,870 46,985,488 171,248,452 712,424,810	\$ 1,538 2,034 1,583 1,574

The average amount of *new* policies is: for Canadian companies, \$1,656; for British companies, \$2,092; and for American companies, \$1,467. The corresponding amounts last year were \$1,595, \$2,203 and \$1,361.

DEATH RATE.

In the calculation of the death rate this year, as in previous years, the mean number of policies in force and the number of policies terminated by death during the

year have been admitted as approximations to the mean number of lives exposed to risk and the number of deaths during the year, respectively. It is believed that the results arrived at represent the actual mortality among insured lives in Canada as accurately as can be gathered from the returns of the companies.

Collecting the results for the thirty-one years, 1879 to 1909, we find that the total payments to policy-holders amount to 51.98 per cent of the premium income during the said period.

The subjoined table shows the total premium income and payments to policy-holders during the last thirty-one years of the life insurance companies which have ceased to do new business in Canada, and also the ratio of payments to policy-holders to premiums received:—

Collecting the results for thirty-one years, 1879 to 1909, it will be seen that the total payments to policy-holders made by said retired companies exceed by 70.47 per cent the total premium income during the same period.

Canadian Companies.

The assets and liabilities, income and expenditure, of the Canadian life companies will be found exhibited in the statements under their respective headings at

pages exxi, exxii, exxvii and exxx. The tables of morality employed by the various companies in the calculation of their reinsurance reserve are shown in the table on page exxii.

From tables on pages exxvii and exxx referred to, it will be seen that the Canadian companies have received an income of \$31.797,509, drawn from the following sources:—

Premiums and annuity sales	\$24,236,724
Interest and dividends	7,105,898
Sundry	454,887
Total	\$31,797,509
And they expended \$17,330,088 under the following items:-	
Paid to policy-holders and annuitants	\$10,271,551
General expenses (including investment expenses)	6,483,223
Taxes	260,076
Dividends to stockholders	315.238
=	\$17,330,088

Hence out of every \$100 of income they have expended in payment to policyholders, \$32.30; in general expenses, \$20.42; in taxes, 82 cents; and in dividends to stockholders, 99 cents, leaving \$45.47 to be carried to reserve.

By reference to the table at page exxi, it will be seen that the total assets at December 31, 1909, of the Canadian life companies other than assessment and fraternal companies (including \$6,481,659 outstanding and deferred premiums, and interest and rents due and accrued which have not yet gone into income) amount to \$153,790,291, an increase over the corresponding amount at the end of the year 1908 of \$15,298,912.

The amount of risks in force has increased during the year from \$601,218,828 to \$646,710,120, a gain of \$45,491,292, and the reserves have increased from \$121,231,238 in 1908 to \$132,928,937 in 1909, an increase of \$11,697,699.

The following table gives the premium and other income of the Canadian companies other than assessment companies, during the past thirty-one years, and also the payments to policy-holders for general expenses and for dividends to stockholders during the same period:—

VALUATION OF LIFE POLICIES IN CANADA.

The following are the results of the valuation of the policies of a number of the licensed life insurance companies completed since the issue of the 1908 report. The valuations were made in accordance with the statutory requirements, that is to say, on the basis of the H^m. Mortality Table of the Institute of Actuaries, with interest at 4½ per cent for policies issued previous to January 1, 1900, and at 3½ per cent for policies issued on or after that date, the pure premiums only being valued.

ASSESSMENT LIFE INSURANCE, 1909.

The business of insurance on the assessment plan has been carried on for four Canadian associations reporting to this office, three of them being fraternal societies, and the other the Commercial Travellers' Mutual Benefit Society.

The total amount of policies taken in Canada during the year 1909 by the four Canadian associations above referred to was \$7,677,750, which is less than the amount of assessment policies of these associations taken in 1908 by \$272,600, and the net amount in force at the end of the year was \$130,854,810, which is less than the amount in force at the end of 1908 by \$5,270,074. The amount of the insurance terminated by death was \$1,362,321, and by surrender and lapse, \$13,850,457. The total terminations amount to 198.14 per cent of the amount of new policies.

The details of individual companies will be found on pages exl and exlii.

The total amount paid by members in Canada for membership fees, annual dues, assessments, &c., was \$2,272,075, and the amount paid for death claims was \$1,573,800.

Details of the assets and liabilities, income and expenditure will be found on pages exliii and exliv.

ACCIDENT INSURANCE, 1909.

Accident insurance may be subdivided into two classes, viz.:—Employers' Liability Insurance and Personal Accident, both of which are covered by an accident license.

The business of accident insurance was transacted by seventeen companies, viz.: Nine Canadian (all of which combined it with sickness insurance, one with plate glass insurance, one with steam boiler and with personal property and three with guarantee insurance, one with steam boiler insurance and personal property insurance and three with guarantee insurance); three American (one of which combined it with life, and one with sickness and steam boiler insurance, and one with sickness and burglary insurance), and five British (three of which combined it with guarantee business, one with plate glass, one with fire insurance and all with sickness insurance).

EMPLOYERS' LIABILITY.

Of the seventeen accident companies, fifteen transacted employers' liability insurance, viz.:—Eight Canadian, five British and two American.

The total premiums received for this class of risks was \$1,182,852, and the losses paid amounted to \$569,437, with unsettled claims outstanding to the amount of \$304,277.

An abstract will be found at page el.

Personal Accident.

All the accident companies transacted personal accident business, the total premiums for which were \$1,642,091, insuring amount of \$267,294,432. The claims paid

amounted to the sum of \$528,433, and there were outstanding at the close of the year unsettled claims amounting to \$124,430.

An abstract will be found at page cl.

GUARANTEE INSURANCE, 1909

Guarantee business was transacted by ten companies, of which four are Canadian, three British and three American.

The total premiums received were \$280,354, guaranteeing an amount of \$84,206.922, and the net amount paid for claims was \$61,253, with unsettled claims amounting to \$57,143 outstanding at the end of the year.

An abstract will be found at page exlix.

The Guarantee Company of North America transacted business outside of the Dominion which is not included in the above.

CONTRACT INSURANCE.

Contract insurance was transacted by two companies, both American. This class of insurance is included in the definition of guarantee insurance in the Insurance Act, 1910.

The premiums received in 1909 amounted to \$39,669, and no losses were incurred. An abstract will be found at page cliii.

SICKNESS INSURANCE.

The business of sickness insurance was carried on by sixteen companies, viz.: two American, four British and ten Canadian. Four of the companies combine it with accident insurance, six with guarantee and accident insurance, two with accident and plate glass insurance, two with accident, steam boiler and personal property insurance, and one with accident and burglary insurance.

It appears, however, that sickness insurance not in combination or in conjunction with accident risks has been carried on only to a very limited extent, and returns of the premiums received in respect thereof and losses paid, &c., have not been made to this Department.

In addition to the fifteen companies above referred to, four fraternal societies, licensed by this Department, viz.: the Supreme Court of the Independent Order of Foresters, the Subsidiary High Court of the Ancient Order of Foresters, the Canadian Order of the Woodmen of the World, and the Catholic Mutual Benefit Association, pay sick benefits to such of their members as stipulate therefor in the application for membership. In the case of the Ancient Order of Foresters, these benefits are paid partly through the lodges and partly by the Subsidiary High Court.

PLATE GLASS INSURANCE IN CANADA, 1909.

The business of plate glass insurance was transacted by seven companies, viz.: Three Canadian (one of which combined it with accident and sickness insurance and one with burglary insurance), two British (one of which combined it with accident and sickness insurance) and two American.

The companies having adopted the system of insurance by replacement, instead of paying the value of the glass broken, and their contracts not stating any amounts as insured thereby, their returns do not show the amount of insurance effected during the year, nor the amount in force at the end thereof. The premiums received during the year in Canada for plate glass insurance were \$132,901, being less than the amount received the previous year by \$916, and the total losses incurred were \$53,083, being \$3.934 greater than the amount incurred in 1908. An abstract will be found at page cliii.

BURGLARY INSURANCE, 1909.

This branch of insurance, which is transacted to a considerable extent in Great Britain, was introduced into Canada seventeen years ago. On June 14, 1893, a license was issued to the Dominion Burglary Guarantee Company (Limited), now the Dominion Guarantee Company, Limited, whose head office is at the city of Montreal, te transact the business of guaranteeing against loss or damage by reason of burglary or house-breaking, and guaranteeing against loss of jewellery, bullion and other moveable property deposited with it for safekeeping. This company, which was incorporated by an Act of the Parliament of Canada, assented to on April 1, 1893, was, at December 31, 1904, the only company licensed by this Department to earry on the business of burglary insurance in Canada. On May 15, 1905, a license was granted to an American company, the Fidelity and Casualty Company of New York, and on September 18, 1909, a license was granted to the London and Lancashire Plate Glass and Indemnity Company of Canada, which was incorporated by the Parliament of Canada on July 6, 1909. A license has, since the close of the year 1909, been granted to the Dominion of Canada Guarantee and Accident Insurance Company, to transact this class of insurance. The total premiums received amounted to \$57,900, and the losses paid to \$15,916. An abstract will be found at page eli.

STEAM BOILER INSURANCE.

This class of business was carried on by four companies, three Canadian and one American. The total premiums received amounted to \$99,158, and the claims paid to \$11,480, with unsettled claims outstanding at the end of the year amounting to \$11,555. An abstract will be found at page cli.

PERSONAL PROPERTY INSURANCE.

This branch of business was earried on by two companies, one Canadian and one American. The total amount of premiums received during the year was \$25,496, and the losses paid amounted to \$6,186. An abstract will be found at page cli.

TITLE INSURANCE

The Title and Trust Company is licensed by this Department to transact the business of 'Title insurance' as defined in the company's Act of incorporation, that is to say, 'guarantee the title to, or the quiet enjoyment of, property, either absolutely or subject to qualifications and conditions, and to guarantee any person interested in or about to become interested in, or owning, or about to purchase or acquire any real property, against any losses, actions, proceedings, claims or demands by reason of any insufficiency or imperfections or deficiency of title or in respect of encumbrances, burdens or outstanding rights; and to guarantee the due payment of the whole or part of any loan, advance, mortgage or claim, hypothecary or otherwise, or the interest thereon.'

- The total premiums received during the year amounted to \$2,618, and no claims were incurred.

LIVE STOCK INSURANCE.

A license was on the 18th day of May, 1908, issued to the Yorkshire Insurance Company for the transaction of the business of live stock insurance in combination with the business of fire insurance. On November 5, 1908, a license was issued to the General Animals Insurance Company of Canada for live stock insurance business. The premiums received during the year amounted to \$47,485. The losses incurred were \$24,201, and losses paid, \$20,786, with unsettled claims at the end of the year amounting to \$4,465. An abstract will be found at page cliii.

At the present time there are one hundred and forty-four (144) companies under the supervision of this office. The nature of the business transacted by them is as follows:—

RULES AND REGULATIONS REGARDING THE ACCEPTANCE OF SECURITIES OFFERED FOR DEPOSIT BY INSURANCE COMPANIES, &c., &c.

The following extracts from Orders in Council, Minutes of the Treasury Board, &c. (all of which have been previously published) are here collected for convenience of reference:—

Particulars of Securities offered for Deposit.—All applications for the acceptance of bonds or debentures, whether as original deposits or in exchange for securities which the applicants desire to have released, must be accompanied by a statement giving full particulars of the securities offered for acceptance under the following headings, viz.:—

'Date, date of maturity, place of payment of principal, rate of interest, how payable, *i.e.* yearly or half yearly, date and place of payment of interest, market value at time of application for acceptance, and, if not quoted in the market, the price at which purchased by the company and date of such purchase.

'Also as regards municipalities whose bonds or debentures are offered:

'The population, assessed value, rate of taxation, assets, total debenture indebtedness, and all other liabilities, income and expenditure for the last fiscal year, and any other details in the possession of the company which would be of assistance in determining the value of the securities offered for acceptance.

'The Board desire to be in possession of all possible information in relation to such securities in order that they may be in a position to give the matter proper consideration.' (T.B., Nov. 9, 1888.)

Railway Debentures.—'The Board are of opinion that they cannot accept as a deposit the bonds of any railway company, unless guaranteed directly or indirectly by the Canadian government.' (T.B., Oct. 27, 1890.)

Loan Companies' Bonds.—The Board had under consideration a memorandum from the Superintendent of Insurance with reference to the application of the Land Mortgage Companies' Association of the province of Ontario to have the debentures of loan companies accepted by the government as deposits on behalf of insurance companies in which he reports that the said association is composed of incorporated loan companies or societies authorized to lend money on real estate in the province of Ontario, and all such companies or societies are eligible for membership upon payment of certain fees; that the loan companies which compose the said association may be divided into the following classes:—

- I. 'Companies incorporated under the provisions of the statutes of the province of Canada, 9 Victoria, chap. 90, consolidated in chapter 53 of the Consolidated Statutes of Upper Canada, included in chapter 169 of the Revised Statutes of Ontario (1887), and commonly known as the "Building Societies' Act."
- II. 'Companies incorporated under the "Canada Joint Stock Companies' Act, 1877," now known as the "Companies' Act," being chapter 79 of the Revised Statutes of Canada (1906).
- III. 'Companies incorporated under special Acts of the Legislature of the province of Canada or of the Parliament of the Dominion of Canada.'

- IV. 'Companies incorporated under the "Ontario Joint Stock Companies' Letters Patent Act, 1874," being chapter 150 of the former and chapter 157 of the last Revised Statutes of Ontario.'
- V. 'Companies incorporated under the English Companies' Act, and licensed to transact business in Canada under 37 Victoria, chapter 49, being chapter 125 of the Revised Statutes of Canada.'

The Board, after careful consideration of the report of the Superintendent of Insurance as to the class of securities upon which the above companies can invest their funds, and as to the borrowing powers of the said companies, direct that the debentures and debenture stock of such companies, belonging to the said association, as meet the requirements hereafter set forth, may be accepted as deposits on behalf of the insurance companies, at such rate as the Treasury Board may see fit to place upon them, not, however, to exceed the value usually placed upon municipal securities, viz., 90 per cent of the par value thereof when the market value is at least equal to such par value, or 90 per cent of the market value when the market value is less than the par value.

(The rate of acceptance has since been changed to 95 per cent of the market value at the time of deposit, such accepted value in no case to exceed par. (See below T. B., June 14, 1900.)

The requirements above referred to are as follows:-

- 1. The company shall have kept strictly within the powers in relation to borrowing and investment conferred upon it by the Act under which it is incorporated.
 - 2. It shall have a paid-up capital of at least \$500,000.
- 3. It shall have been in successful operation as a loan company for not less than ten years.
- 4. It shall have a reserve fund amounting to not less than 25 per cent of its paid-up capital.
 - 5. Its stock shall have a market value of not less than par.

The Board also direct that every application on behalf of an insurance company for the acceptance of any such debentures or debenture stock as herein above provided shall form the subject of a special reference to the Treasury Board, and that the company shall supply, for the information of the Board, all necessary particulars, including a statement of the borrowing powers and powers of investment of the loan company whose securities are offered as a deposit, and a statement showing in detail the nature of the investments of such loan company, all properly verified. (T.B., October 16, 1896)

No assurance of acceptance of bonds by the Treasury Board.—The Superintendent asks the decision of the Board upon the following questions, viz.:—

'Will the Board inform a company desirous of purchasing certain bonds or securities whether they will be accepted or not as a deposit in the event of their being purchased?'

'The Board, after deliberation, are of the opinion that they cannot give any assurance to any company that securities will or will not be accepted in the event of their being purchased.' (T.B., April 1, 1889.)

Deposit Receipts.—'The Board direct that deposit receipts be not accepted in any case as a deposit on behalf of any company.' (T.B., January 25, 1888.)

Bank Stocks, &c.—'Bank stock or shares in any private company will not be accepted.' (O.C., January 17, 1876.)

Registered Bonds as Deposits.—'When registered bonds are received as deposits they must be registered in the name of the Receiver General. Bonds registered in the name of a company accompanied by an assignment in favour of the Receiver General, will not be accepted. When registered bonds are intended to be used as a deposit, they should, before being forwarded to this Department, be registered thus—in the name of 'the Receiver General of Canada in trust for (giving the name of the company) being part of the deposit made by the company with said Receiver General, in pursuance of the statutes of Canada in that behalf.' (T.B., July 13, 1891.)

Foreign Municipal Securities.— The Board are of opinion that no municipal securities other than Canadian should be accepted for deposit under the Insurance Act.' (T.B., January 30, 1894

Exchange of Securities deposited with the Receiver General.—The Board establishes the following rule, viz., that bonds or securities of any kind deposited with the Receiver General can be released and withdrawn only upon the deposit with the Receiver Geneeral of an adequate amount of other securities satisfactory to the Board. (T.B., October 28, 1899.)

Municipal and other Securities as Deposits.—The Board on the report of the Superintendent of Insurance, direct as follows:—

- (1) That Canadian municipal securities. Montreal Harbour bonds, Canadian Pacific Land Grant bonds, United States state securities and loan companies' debentures (where such securities are in all respects acceptable to the Treasury Board) be hereafter accepted at 95 per cent of their market value at the time of deposit, such accepted value in no case however to exceed par.
- (2) That all securities of the classes mentioned in the preceding clause (1), which have been heretofore deposited and are still in the hands of the Dominion government at Ottawa, or in the hands of the Bank of Montreal, London, England, on behalf of the government, be revalued upon the basis set out in said clause (1).
- (3) That for the purpose of such revaluation the various insurance companies by which such securities have been deposited be required to furnish from time to time when called for by the Superintendent schedules thereof giving the full particulars of such securities, including their par and market values, such par and market values to be certified to by a competent valuator or appraiser. (T.B., June 14, 1900.)

Respecting quality of paper and type used in bonds to be hereafter deposited with the Receiver General.—The Board had under consideration reports from the Comptroller of Dominion Currency and the Superintendent of Insurance in reference to the quality of the paper upon which bonds for deposit with the Receiver General are engraved, lithographed or printed, and also in reference to the quality of type used for such purpose.

From the reports above referred to, it appears that there are now on deposit with the Receiver General in the custody of the Comptroller of Dominion Currency, bonds and debentures to the amount of more than \$38,000,000, which are held under and for the purposes of the Insurance Act; that of these securities about 65 per cent are municipal, the greater portion of which have half-yearly or yearly coupons attached; that in some cases the principal is payable in yearly or half-yearly instalments, such instalments being sometimes represented by coupons attached to the bond, and sometimes by separate bonds; that these bonds and debentures have, when deposited, periods to run varying from two or three years to fifty years, and all such must be handled at least once and generally twice each year, and that notwithstanding the greatest care, the removal from the box containing them, unfolding, cutting and refolding and replacing

them must of necessity to a certain extent wear and injure them, and hence the necessity of having all bonds, when deposited, in such sound condition that they may be reasonably expected, notwithstanding the unavoidable wear and tear, to hold together until the date of maturity; that many of the debentures now held are on the commonest kind of paper; that the coupons attached, from constant handling, are frequently torn, and that many of those on the debentures recently taken have been in such bad condition that they had to be patched before they were put into the vault.

In view of the above representations, and on the recommendation of the Superintendent of Insurance, the Board direct that, of the securities hereafter offered for the above named purposes only such be accepted as are either engraved, lithographed or printed in clearly legible type on tough, durable paper: Provided, however, that for good and sufficient cause shown bonds not meeting the foregoing requirements may be temporarily accepted.

The Board further direct that a copy of this Minute be sent to every licensed insurance company, and also that the Minute be published by the Superintendent of Insurance in his annual report. (T.B., June 5, 1908.)

LEGAL DECISIONS.

1. Life Insurance.

(a) Terms of Policy not according to Application—Note for First Premium—Objection to Policy—Payment for Time Insured and Repudiation of Policy—Note Transferred to Third Party with Notice—Liability of Maker.

Defendant applied for a \$10,000 policy in an insurance company, giving a note for first premium. When the policy was presented to defendant he found that it was for only \$7,452, and otherwise not in accordance with the policy for which he contracted. He sent the company a cheque to cover the time he had retained the policy and repudiated the contract. The company transferred the note to their agent, who brought action to recover the balance:—

Held, that there had been no consideration given for the note, and that the transferee having notice was in no better position to recover thereon than the company. Action dismissed.

(January 10, 1910—Divisional Court—Pearlman v. Sutcliffe—15 Ontario Weekly Reporter, p. 140.)

(b) Endowment Policy-Assignment of-Revocation of Assignment.

Plaintiff placed an endowment insurance on his life for \$5,000, and by a subsequent writing appointed defendant beneficiary under said policy, but later desired to change the appointment to his neice, as beneficiary, but was told that the policy was already assigned and it could not be changed. The policy matured and defendant claimed the amount, being \$6,799.30. Plaintiff asked for a declaration that he was entitled to be paid said moneys, and that the assignment to the defendant had been revoked.

Held, that plaintiff was entitled to the money due and that the paper called the assignment had been revoked.

(c) Will—Appointment of Trustee to Receive Moneys for Infant Children—Payment to Trustee—Discharge of Insurers—Inconsistent Duties of Trustee—Breach of Trust—R.S.O., 1887, ch. 136, sec. 11.

The testatrix by her will appointed her husband executor thereof and also trustee to receive all moneys payable under policies on her life, describing them, and including two issued by the defendants, all of which she declared to be for the benefit of her children. She devised and bequeathed to her husband all her real and personal estate, and directed that such estate, including all moneys accruing from the policies of life insurance, was to be held by her husband upon trust, first to pay her debts and funeral and testamentary expenses, and second to invest and apply the income for the benefit of the children and divide the corpus among them when the youngest should attain majority, &c. The defendants paid the amounts of their two policies (which on their face were payable to the children) to the husband as 'executor of will, trustee of minor children, and administrator of estate' of the testatrix. By the statute then in force, R.S.O., 1887, ch. 136, sec. 11, the insured may by will appoint a trustee of the money payable under a policy, and payment made to such trustee shall discharge the insurers:—

Held, that there was no breach of trust in making payment to the private trustee named in the will, who was also a statutory trustee to give a discharge, and the defendants could not be regarded as participants in any breach of trust afterwards committed by the husband; and this notwithstanding the inconsistency of the duties imposed upon the husband, the will directing that payment of debts should be made in part out of these insurance moneys, while the statute exempted them from the payment of debts.

Scott v. Scott (1890) 20 O.R., 313, distinguished.

Campbell v. Dunn (1892) 22 O.R., 98 Dodds v. Ancient Order of United Workmen (1894) 25 O.R., 570, and Cleaver v. Mutual Reserve Fund Life Association (1892) 1 O.B., 147, 153, followed.

Judgment of MacMahon, J., affirmed.

(February 21, 1910—Divisional Court—Dicks v. Sun Life Assurance Co.—XX Ontario Law Reports, p. 369.)

(d) Beneficiary—Change of—Requisites for—Payment of Premium by Insured in Understanding that Policy would Enure to Benefit of new Beneficiary—Trusts—Costs.

Deceased made his fiancee the beneficiary in a life policy. They disagreed and he said he would make his mother the beneficiary, and the premium was paid on that understanding. No change, however, was made in the beneficiary. The insured died intestate.

Held, there is a resulting trust in favour of the mother, and it should go to her in her own right.

(June 4, 1909—Mr. Justice Russell, Supreme Court, Nova Scotia—Allen v. Went-zell—7 Eastern Law Reporter, p. 575.)

(e) Benevolent Association—Contract of Life Insurance—Member Changed Occupation—Liability under Beneficiary Certificate.

Members of Lenevolent associations are bound by the rules and requirements of the association. Where a carter changed his occupation to a railway brakeman, without notice to the association, when the rules required him to do so and to pay a higher rate for his insurance, it was held, that his beneficiary could not recover on his beneficiary certificate.

(November 6, 1909—Mr. Justice Riddell—Wilson v. Sons of England Benefit Society—14 Ontario Weekly Reporter, p. 912.)

(f) Premium not Paid in Full at Death—Acceptance of Part after Expiry of Days of Grace—Waiver of Forfeiture—Conduct and Practice of Insurers—Estoppel.

In an action upon a policy of life insurance the defence was that the assured or the plantiff (his wife) did not pay the quarterly premium due on September 1, 1908, on that date, nor within one month thereafter, the period of grace allowed by the policy, whereupon the policy lapsed, and was not revived, and was at the date of the death of the assured, the 3rd November, 1908, null and void.

The evidence showed that the defendants by their practice, through their agents, with the knowledge and consent of the superior officers, took money on account of premiums whenever it was given to them, whether the period of grace had expired or not; and in this case, of the \$2.55 premium due on the 1st September, \$1 was paid on the 23rd September, \$1 on the 1st October, and forty-five cents on the 24th October, these amounts being received by the defendants and carried into their books as good payments. The ten cents remaining due was, before the death, tendered to the agent to whom the plaintiff or the insured had been in the habit of paying, but was refused:—

Held, that, even if there was no tender of the ten cents before death, the defendants were not in a position to forfeit the policy; by their dealing they were estopped from saying that the policy was not a current policy on the 24th October; and the defendants could not, on their own motion and without specific warning, afterwards revive the right to forfeit for non-payment of a small balance; and their implied engagement to accept that balance within a reasonable time remained operative though death ensued.

Judgment of the County Court of Wentworth reversed.

(October 28, 1909—Divisional Court—Whitehorn v. Canadian Guardian Life Insurance Co.—19 Ontario Law Reports, p. 535.)

2. Fire Insurance.

(g) Payment of Premium—Acceptance of Bill of Exchange for Amount—Settlement —Payment not Made at Maturity—Notice of Loss—Omission to Give—Conditions of Policy—(Sask.) Ordinance of 1903, c. 16—Waiver—Proofs of Loss—Statutory Declaration—Origin of Fire—Omission to State Belief—Costs—Untenable Defences.

Action on a fire policy. Defendants drew on plaintiffs for premium. This draft was accepted but not paid.

Held, not a good defence. Notice of loss is a condition precedent, and as none given, plaintiffs are not aided by c. 16 above. There was no waiver. The affidavit of loss was insufficient. Action dismissed.

(October 1, 1909—Mr. Justice Wetmore, Saskatchewan—Bell Brothers v. Hudson's Bay Insurance Co.—11 Western Law Reporter, p. 633.)

(h) Illegal and Immoral Contract—Premises Occupied as a 'Sporting House'—Intention—Voidable Contract—Public Policy—Unoccupied Premises—Changes Material in the Risk.

Plaintiff brought action on an insurance policy placed by defendants on a building owned by plaintiff and occupied as a sporting house. Held, that plaintiff entitled to recover. Defendants knew of character of house on accepting the application.

(December 2, 1909—Mr. Justice Stuart, Alberta—Morin v. Anglo-Canadian Fire Insurance Co.—12 Western Law Reporter, p. 387.)

(i) The judgments of the Supreme Court in the cases of Equity Fire Insurance Company v. J. C. Thompson and the Union Bank of Canada and the Standard Mutual Fire Insurance Company v. J. C. Thompson and the Union Bank of Canada referred to at page lvi of last report issued from this Department have been reversed by the Privy Council.

3. Accident Insurance.

(j) Employers' Liability—Employment of Child under Fourteen—Condition in Policy
—Ontario Factorics Act, R.S.O. (1897), c. 256, s. 3 (5)—Knowledge of Insured—
Liability of Insurance Company.

Plaintiffs employed one Jones, a child under fourteen, to work in their factory. He was injured by the fall of a goods elevator and recovered \$1,500 damages against plaintiffs on the ground that it was negligence of the part of a company to employ a boy contrary to the prohibition of the Ontario Factories Λet, R.S.O., 1897, s. 256, s. 3 (5).

Plaintiffs then brought action against defendant company to recover amount paid Jones, claiming under an Employers' Liability Insurance policy issued plaintiffs by defendant company. Defendants contended that they were relieved of liability by a clause in the policy to the effect that the insurance did not cover injuries caused or received by any child illegally employed with the knowledge of the insured.

Hetd, that the plaintiffs had no knowledge that Jones was under the age of fourteen years, and was employed contrary to the provisions of said Act, and that the defendant company was liable to repay plaintiffs amount which they had paid Jones.

(November 20, 1909—Mr. Justice Latchford—Morton v. Ontario Accident Insurance Co.—14 Ontario Weekly Reporter, p. 1010.)

(k) Disability—Payment of Claim for Short Period—Reccipt—Injuries Subsequently Developing from same Accident—Permanent Disability—Terms of Policy—Liability Confined to one Claim.

An accident insurance policy was issued by the defendants to the plaintiff, and was in force on the 3rd September, 1907, when the plaintiff was injured in a railway accident. Provision was made in the policy for the payment of varying amounts depending upon the nature and extent of the injury. On the 17th December, 1907, the plaintiff, believing that he would speedily recover from the effect of his injury, sent in a claim for eight weeks' total and four weeks' partial disability. The claim was admitted by the defendants, and they at once sent the plaintiff a cheque for \$425, which he accepted. He signed a receipt for the \$425, 'in final settlement of my claim, including double liability, under policy No. 64276, for injuries received on the 3rd day of September, 1907, and I hereby acquit and discharge the (defendants) from all and any further claims under said policy which I have or may hereafter have as a result of said injuries.' The plaintiff on the 9th October, 1908, made a claim for permanent disability arising from the same railway accident, the defendants first having had notice of this on the 18th June, 1908; and this action was brought to recover the amount of that claim. Being examined as a witness, the plaintiff admitted that in making the settlement of December, 1907, he intended to make and believed he was making a full and final settlement of all claims against the defendants arising out of the accident. He believed that he had substantially recovered from its serious consequences, and that, if he had continued to recover as he was recovering when he received the cheque, there would have been nothing further about it. He said he did not read the receipt which he signed, and in this he was believed by the trial judge.

Some of the terms of the policy were: that the defendants should not be liable for more than one claim on account of any one accident; that the entire amount payable to and claimed by the assured should be ascertained and admitted before any part thereof was paid; that the amount so paid should be in diminution of the total amount insured in case of a subsequent claim in the same year; and that notice of the injury should be given within twenty-one days after the accident, and particulars of the claim sent within two months of the time when the same became a claim within the meaning of the policy:—

Held. Meredith, J. A., dissenting, that the plaintiff was not entitled to recover. Judgment of Clute, J., reversed.

(Dec. 31, 1909.—Court of Appeal, Ontario—Kent v. Ocean Accident and Guarantee Corporation—Vol. XX, Ontario Law Reports, p. 226.)

LEGISLATION.

1. Dominion Legislation.

The Insurance Act, 1910, was assented to on the 4th May last. A Bill was introduced in the House of Commons in the session of 1907-8, intituled 'An Act respecting Insurance' the purpose of which was to amend the then existing Act by repealing certain of its provisions and substituting others therefor and by making several additions thereto. This Bill was in due course referred to the Select Standing Committee on Banking and Commerce where it was very fully discussed by the members of the committee and by the representatives of the companies and others interested in the subject of insurance. It was not, however, further proceeded with. In the session of 1909, a modified form of the Bill of the previous session was introduced in the House of Commons and after passing the usual stages was, after having been carefully considered by a sub-committee of the Committee on Banking and Commerce and by the full committee, reported to the House, where after further consideration in Committee of the Whole House it was read a third time and passed by the House of Commons. This Bill as passed by the Commons was introduced in the Senate but failed to become law as there was not sufficient time before the close of the session for its due consideration. Early in last session (1909-10) the foundation of the present Act was introduced in the Senate in the form of Bill A, and after passing the preliminary stages was referred to the Banking and Commerce Committee of the Senate presided over by the Hon. Senator Gibson. The Bill received a very careful consideration by the honourable gentlemen comprising the committee, who after hearing at great length the representations of the insurance companies, of the agents and policy-holders, and of the insuring public and others interested therein, reported the Bill with numerous amendments. Their report was with a couple of slight amendments adopted by the Senate and the Bill put through the final stages and passed by the Senate. There were but few alterations made by the Commons in the Bill, and these being assented to by the Senate, the Bill in its present form was finally passed by both Houses and having been assented to on the 4th May last, became operative on that day. It is believed that a very great improvement has been made in the law in respect of the several matters dealt with. Perfection is not claimed for it but in view of the enormous amount of time and labour expended in connection with it, it is sincerely to be hoped that the Act will prove fairly satisfactory.

Some of the principal alterations made by the now existing law hereinafter referred to as the new Act, a copy of the text of which (the schedule except forms C, D, E, F and G being omitted) together with an index thereto will be found in the appendix at page clxix, are as follows:—

(1) Eight new definitions (a, h, s, t, u, v, x and cc) have been added and three (r, w and dd) have been extended and modified. (Sec. 2.)

(2) A license for the transaction of inland marine insurance which was necessary under the old Act is not necessary under the new Act. (Sec. 3.)

(3) A license may be granted for a portion of the Dominion and subject to any condition deemed necessary, and may be renewed for any term less than a year. (Sec. 7.)

(4) Excluding life insurance, with which no other branch can be combined, a license may be granted for a larger number of branches or classes than could be combined under the old Act. (Sec. 8.)

(5) A license cannot be granted to any individual underwriter or underwriters except in the case of associations formed upon the plan known at Lloyds. (Sec. 12.)

(6) Under the old Act an initial deposit of \$100,000 was required for a fire insurance license in the case of a company other than a Canadian company. The new Act requires only \$50,000. (Sec. 14.)

(7) A Canadian trust company may be appointed sole trustee for an insurance company other than a Canadian company in whom may be vested securities to cover the Canadian liabilities of such insurance company, instead of placing them with the Receiver General. Only such trust companies are now eligible as trustees. (Sec. 20.)

(8) In addition to the annual statements heretofore required from life companies half-yearly statements showing the securities purchased and loans made, and in like manner the securities sold and loans paid off, are required under the new Act. (Sec. 31.)

(9) The branch of the civil service by which the provisions of the old Act were administered was regarded as a branch of the Finance Department. Under the new Act it is constituted a separate department, viz.: the Department of Insurance. (Clause (a) Secs. 2 and 37.)

(10) When a license has been suspended by the Governor in Council in consequence of deficiency of assets, such modified or conditional license may be issued as

may be necessary for the protection of policy-holders. (Sec. 41, subsec. 3.)

(11) The basis of valuation of the policies of life insurance companies under the old Act was the II^M Table of the Institute of Actuaries of Great Britain. The H^M tables were published in 1872, having been compiled from the experience of twenty offices, and at the time the Consolidated Insurance Act of 1877 was passed were the most up to date standard tables of mortality in existence. Since that time, however, an investigation has been made by a committee of British actuaries into the mortality experience of sixty life insurance offices covering a period of thirty years from 1863 to 1893. The result of the labours of the committee was the issue in 1902 of the British Offices Life Tables, 1893, O^{m (5)}, which tables have been substituted for future use in departmental valuations for the tables which formed the standard under the old Act. It is almost universally agreed that the new table which has been adopted more accurately represents the present day mortality than the former table which has been superseded. (Sec. 42.)

(12) For any violation of the provisions of the new Act or failure by any Canadian company to comply with the provisions of its charter or Act of incorporation the license may in either case be withdrawn or suspended or renewal thereof refused. This right of withdrawal or suspension or refusal to renew under the circumstances above mentioned which was denied under the old Act is now made quite clear by the new.

(Sec. 45.)

(13) The date of holding a company's annual general meeting may be changed

by by-law. (Sec. 51.)

(14) Provision is made for the amalgamation in certain cases of life insurance companies or for taking over the assets and reinsuring the policies of one life insurance company by another. The English legislation upon the same subject has been closely followed with the difference that the Treasury Board takes the place in the Canadian Act which the court holds under the English Act. (Sec. 52.)

- (15) No life company is to be permitted to pay any commission or other compensation except such as has been determined in advance. (Sec. 53.)
- (16) Advances to agents are not to be allowed as assets in the Superintendent's annual report. (Sec. 54.)
- (17) Compensation to the directors of a Canadian life company for their services must be authorized by a vote of the members. No salary can be paid to an officer of such a company unless authorized by a vote of the directors. No salary or compensation, &c., amounting in any year to more than \$5,000 can be paid to any agent unless the contract under which the payment is made has been approved by the directors. (Sec. 55.)
- (18) A company cannot make an agreement for payment for services with any officer or trustee extending over a longer period than five years. (Sec. 56.)
- (19) Agents only are to receive commissions,—With, however, an exception in favour of employees or servants of a company who personally solicit insurance outside office hours. (Sec. 57, subsec. 1.)
- (20) Staff Pension Funds may be established by a by-law approved at an annual meeting or at a special general meeting of the members, notice of the intention to consider such by-law having been given. (Sec. 57, subsec. 2.)
- (21) The powers of investment of companies within the legislative power of the Parliament of Canada have been very materially changed. While on the one hand the field for investment has been greatly widened territorially and otherwise, the classes of securities which are eligible as investments are more restricted than under the old Act. It would not, however, serve any useful purpose to endeavour to summarize the differences and for accurate knowledge on the subject a careful perusal of the statute will be found necessary. (Sees. 58, 59, 60, 63, 64, 65 and 66.)
- (22) The formation of subsidiary companies for the transaction of business other than insurance controlled or operated by life insurance companies is prohibited, and underwriting by such companies is restricted. (Secs. 61 and 62.)
- (23) A company may hold such real estate as is required for its actual use and occupation, or such as may reasonably be required for the natural expansion of its business. In the past, Acts of incorporation have usually contained provisions limiting the real estate which might be held to a specified annual value in each province of the Dominion. (Sec. 67.)
- (24) Authority is conferred on the Superintendent to cause an appraisement of the value of the real estate owned by or mortgaged to a company to be made and to correct the company's annual statement in accordance with such appraisement. The Superintendent may also order a special audit of the books of a company under certain circumstances. (Sec. 68.)
- (25) The penalty clauses of the old Act have been redrafted but no very important alteration has been made therein except that to solicit a risk or advertise for any business of insurance or inspect any risk or adjust any claim on behalf of any individual underwriter or underwriters or any unlicensed insurance company is made punishable by the new Act. (Sec. 70.)
- (26) Unauthorized investments are not to be allowed as assets in the report of the Superintendent, who may make all necessary corrections in the annual statements made by the companies and increase or diminish the liabilities to the correct amounts, subject to an appeal to the Exchequer Court. (Sec. 77.)
- (27) Under the old Act an Act of incorporation of an insurance company expired for all purposes at the expiration of two years from the passing thereof unless in the meantime the company had procured a license under the said Act. Under the new Act under like conditions it expires for all purposes except the winding up of the company's affairs. (Sec. 78.)

(28) Provision is made for the reduction in certain cases of the capital of a company within the legislative power of the Parliament of Canada and the subsequent

increase of such capital to the original amount. (Secs. 79 and 80.)

(29) Authority is given to companies within the legislative power of the Parliament of Canada and duly licensed at the time of the passing of the new Act to pass by-laws enabling them to carry on with the approval of the Treasury Board, such other kind or kinds of insurance within the limits set forth in Section 8 as may be authorized by the licenses to be from time to time issued to such company. (Sec. 81.)

(30) A short or model form of Act of incorporation is provided for in the new

Act. (See Sec. 82, form F, in the schedule to the Act and Part V thereof.)

(31) After January 1, 1911, every policy of life insurance and the endorsements thereon shall be deemed to contain the whole contract between the policy-holder and the company. (Sec. 84.)

(32) An agent or other person soliciting insurance for a life company is not to be

considered for any purpose the agent of the insured. (Sec. 85.)

(33) After January 1, 1911, estimates as to dividends or shares of surplus expected

to be paid are wholly forbidden. (Sec. 86.)

- (34) Each life company is required to keep on deposit with the Superintendent a copy of its fixed rates in the ordinary branch, such rates being based upon an insurance of \$1,000, applicable to insurance for that amount and pro rata for greater amounts. Rebating and discrimination in favour of individuals between the insured of the same class and equal expectation of life are forbidden under heavy penalties. A summary of the provisions relating to these subjects is not deemed necessary; it would be difficult if not impossible to condense them. (Secs. 87 and 88.)
- (35) It will be remembered that the Royal Commission on life insurance submitted with their report a draft Insurance Bill. This Bill provided that deferred dividend policies should not in future be issued, but that all participating policies should provide for the distribution of profits at least once a year. The commissioners found that the large amounts of profits accumulated during the deferred dividend period and belonging contingently to the participating policy-holders were frequently diverted to other branches of the company's business, especially to obtain new business. result was that the policy-holders, who were paying a larger premium in expectation of generous profits, were being mulcted to enable the company to obtain a large volume of new business, and did not receive the full amount of profits to which they were equitably entitled. This state of affairs would undoubtedly be corrected by compulsory distribution of profits once a year. It was alleged on the other hand, however, that the deferred dividend policy is the most popular form of insurance, that its prohibition would result in a great diminution of business, and also that the fund created by these accumulating profits is necessary as a reserve which may be drawn upon in case of an adverse fluctuation in the values of securities. It, therefore, appeared desirable to frame a section which would give to insurers what appealed to them as a desirable form of policy and at the same time to prevent the extravagant expenditure of the profits accruing on such policies. The Bill as introduced in the session of 1907-08 provided that no policy should in future be issued providing for the distribution of profits at less frequent intervals than triennially, which would prevent the accumulation of very large amounts of profits in the hands of the companies. The Bill of 1909, which in this respect corresponded with the Bill of 1909-10 which has become law, further liberalized the section by permitting the issue of quinquennial distribution policies without restriction; and also policies with longer dividend periods provided that the amount of profits accruing to the policy-holders is apportioned quinquennially and carried as an absolute liability in the company's accounts. This latter provision will prevent a dividend once apportioned from being diverted from the use of the policy-holders to any other purpose whatever. (Sees. 89 and 90.)

- (36) Options are given to the policy-holder as to the manner in which his profits are payable and provision is made for the application of surplus for his benefit in case he fails to make his election. (Secs. 91 and 92.)
- (37) The Royal Commission previously referred to recommended that the surplus on deferred dividend policies already issued awaiting distribution among policy-holders entitled thereto should be apportioned at least quinquennially and carried as a liability in the company's accounts. This would have a retroactive effect and was opposed on the ground that it involved a violation of contract rights. It was urged before the committee that no liability was incurred by the company in respect of such surplus until the amount is actually payable to the policy-holder, and on the other hand it was vigorously contended that such surplus should not be used to meet contingencies and that the only method to prevent it from being so used was to make it a liability. After very full consideration it was deemed more equitable, while requiring its apportionment quinquennially, to treat the amount so apportionable as a contingent liability only and not as a present liability of the company. (Sec. 93.)
- (38) Authority is given for the institution of a suit against a company or the directors or other officers thereof in the name of the Attorney General, on behalf of the policy-holders of such company or of any class of such policy-holders where a cause of action exists.

Proceedings may also be taken by the Attorney General at the request of the Superintendent for the winding-up of a Canadian company or for the winding-up of the Canadian affairs of a company other than Canadian, and for the distribution of its Canadian assets. (Sec. 94.)

- (39) All policies issued in Canada by life companies after the first day of January, 1911, are required to contain in substance certain provisions which are specified in Sec. 95, which also provides that forms of all such policies shall be filed with the Superintendent. (Sec. 95.)
- (40) Companies are required after January 1, 1911, to keep separate accounts of participating and non-participating business. (Sec. 96.)
- (41) Life companies other than Canadian are required to insert in each of their Canadian policies a provision to the effect that an action to enforce the obligations thereof may be taken in a court in the province where the policy-holder resides or last resided before his death. (Sec. 97.) A similar provision applicable only to assessment companies was contained in the old Act.
- (42) Sec. 98 requires that all life insurance companies having a capital stock within the legislative power of the Canadian Parliament shall have two classes of directors, viz.: shareholders' directors and policy-holders' directors, the latter to be at least one-third of the total number of directors. The policy-holders' directors must be policy-holders who are not shareholders and are to be elected by the participating policy-holders, who must, however, vote in person and not by proxy. The section fixes the qualification for the classes of directors. Paid officers of the company with certain specified exceptions are not eligible as directors.
- (43) Provision is made by which a provincial company, which has been licensed to transact business throughout the Dominion, desiring to confine its business to the province by the legislation of which it was incorporated, may withdraw its deposit from the Receiver General and have it transferred to the treasurer of such province and thereafter cease to transact business outside said province. (Sec. 108.)
- (44) A clause has been inserted in Sec. 109 to the effect that in the event of its appearing that the net premium calculated on the basis of the British Offices Life Tables, 1893 O^{m (5)} and a rate of interest of 3½ per cent. together with two and a half per cent loading for expenses, is in excess of the premiums receivable in respect of any policies issued after January 1, 1911, the company must be charged as a separate liability with the value of an annuity, the amount of which shall be equal to such excess.

(45) Sec. 110 fixes and defines the relative and respective rights of shareholders and policy-holders in the distribution of the profits of life companies within the legislative power of the Parliament of Canada. It gives legislative sanction to the method which in the past has been followed by Canadian companies generally and by the best English companies.

(46) Section 134 fixes the basis of the computation of the reserve liability of fire insurance companies for the purposes of the annual statement required to be furnished to the Superintendent and for calculating the reinsurance value of the unmatured Canadian policies of a company other than Canadian for the purpose of ascertaining the

deposit to be made by such companies with the Receiver General.

(47) Sec. 135 defines impairment of capital in the case of fire insurance companies, deals with the payment of dividends and prescribes the action to be taken when the assets fall below the minimum amount allowable, referring specially to the case when dividends have been improperly paid. There is no similar provision in the old Act.

(48) Canadian fire companies are required to set aside each year a percentage of their profits to form a fund to be known as a surplus fund until such fund is at least equal to the reserve of unearned premiums on unmatured policies in Canada not reinsured. (Sec. 136.)

(49) Rebating is prohibited in the case of fire insurance companies, and penal-

ties prescribed for violations of the Act in this respect. (Secs. 137 and 138.)

(50) Any person may without liability to penalty insure his property situated in Canada with any British or foreign unlicensed insurance company or underwriters or with persons who insure reciprocally for protection and not for profit, and any property so insured may be inspected and any loss incurred in respect thereof adjusted, but the contract must be made outside of Canada and without solicitation of any kind and such companies, underwriters, &c., must not advertise their business in Canada by circular or otherwise or maintain an office or agency therein. Persons so insuring their property are required subject to penalty for default to make returns to the Superintendent giving particulars of the insurance so effected, upon blank forms to be furnished by the Superintendent. (Sec. 139.)

(51) Under the new Act the sections thereof applicable to fire insurance companies and the business of fire insurance are, with a couple of exceptions, made applicable mutatis mutandis to all companies other than life or fire insurance companies and to their business, and to all matters not otherwise provided for in the Act. Under the old Act the Treasury Board accomplished by an order in each case what is now

settled by section 142 of the new Act.

(52) Part V. is wholly new. It is intended to apply to companies heretofore incorporated and not yet licensed and to companies to be hereafter incorporated. Sec. 145 contains provisions to be found in almost every Act incorporating an insurance company passed in or prior to last session of Parliament. Sec. 146 relates to directors, their election, duties and powers, and is as to life companies similar to Sec. 98 of the new Act which is applicable to companies now in operation. Sec. 185 makes the same provisions as to new companies as made by Sec. 110 in the case of old companies and Sec. 186 or a similar section is to be found in the Acts of all life companies recently incorporated. With the exception of these sections (145, 146, 185 and 186) the several sections in this part contained are substantially such as are contained in the old Companies Clauses Act (Cap. 118 R.S.C., 1886) and the second part of the Companies' Act (Cap. 79, R.S.C., 1906).

(53) Part VI. enacts penalties for offences not otherwise in the Act provided for.

There was nothing similar in the old Act. (Sec. 187.)

(54) Sees, 49, 51, 52 and 71 of the old Act remain in force until January 1, 1911. The remainder of the old Act was repealed on May 4, 1910. (Sec. 188.)

Following the Insurance Act, 1910, in the appendix will be found:—

(a) Secs. 4 and 5 of Chap. 9 of the Statutes of 1871 referred to in Subsec. 6 of Sec. 20 of said Λct, and

(b) The provisions of the Winding-up Act relating specially to insurance companies.

In addition to the Insurance Act, 1910, the undermentioned Acts were passed by the Parliament of Canada at the session of 1909-10, 9-10 Edward, VII:—

1. An Act respecting the Phonix Assurance Company, Limited. This Act makes an amendment in Sec. 1 of Chap. 145 of the Statutes of 1908, the effect of which is to permit the issue of a license to the above named company for the transaction of the business of life insurance in combination with fire insurance.

2. An Act respecting the Union Life Assurance Company. This is an amending Act which authorizes an increase of the company's capital and limits the time during which real estate acquired under a reinsurance contract may be held by the company.

- 3. An Act respecting the Montmagny Mutual Fire Insurance Company and to change its name to 'The Factories Insurance Company.' This company was incorporated under authority of the statutes of the province of Quebec for the transaction of the business of fire insurance. This Act in addition to changing its name authorizes the company upon compliance with the requirements of the Act and receiving a license (which has not yet been applied for) under the statute to carry on its business throughout the Dominion.
- 4. An Act respecting the Hudson Bay Insurance Company. This company was incorporated by an Act of the legislature of the province of Saskatchewan to carry on the buisness of fire insurance. This Act is similar to No. 3 and authorized the new company which it incorporates to acquire the business of the old and upon compliance with the provisions of the Act and receiving the necessary license therefor to carry on throughout the Dominion such of the following branches of business as are specified in such license, viz.: fire insurance, cyclone or tornado insurance, hail insurance, inland transportation insurance, and explesion insurance. A license in pursuance of the Act has not yet been applied for. The head office is at Vancouver.
- 5. An Act respecting the British North Western Fire Insurance Company. This company was incorporated in 1906 by an Act of the legislature of the province of Manitoba under the name of The Freehold Fire Insurance Company' which name was subsequently changed to its present name. The Act is similar to Nos. 2 and 3 and upon compliance with its terms the company is authorized to carry on throughout Canada the business of fire insurance and the businesses of inland marine insurance and inland transportation insurance as defined in the Insurance Act. The head office is at Winnipeg. No license has yet been applied for.

6. An Act respecting the Eastern Canada Manufacturers Mutual Fire Insurance Company. The Act authorizes a change in the method of collecting its premiums similar to that employed by the companies known as the 'New England Mutuals.'

- 7. An Act respecting the Central Canada Manufacturers Mutual Fire Insurance Company. This Act except as to the name is a verbatim copy of the Act mentioned in No. 6.
- 8. An Act respecting the Royal Guardians. This is a society which was incorporated in 1899, under the provisions of the Revised Statutes of Quebec. The present Act reincorporates the society and enables it upon complying with the provisions thereof and upon being duly licensed under the Insurance Act. 1910. to carry on business throughout the Dominion. The Act confers the right to pay sickness and disability benefits, also mortuary benefits and annuities.
- 9. An Act to incorporate the Independent Order of Rechabites. The Act establishes a fraternal society with authority to pay mortuary, sick and funeral benefits, and also to contribute towards the relief or maintenance of its members in old age. Its business is to be carried on upon the legal reserve basis. The head office is to be at Bedford Park, Ont.

10. An Act to incorporate the Protectorate Life Insurance Company of Canada. The capital stock is fixed at \$1,000,000. Its head office is to be at the city of Ottawa. The provisions of Part V. of the Insurance Act, 1910, are applicable to the company.

11. An Act to incorporate the Merchants and General Insurance Company. The capital stock is fixed at \$1,000,000. The head office is to be at the city of Montreal. The Act grants authority to carry on such of the following branches of insurance as shall be mentioned in the license to be issued to the company, viz.: fire insurance, inland transportation insurance, accident insurance, sickness insurance, guarantee insurance, plate glass insurance and steam boiler insurance. Part V. of the Insurance Act 1910, applies to the company.

12. An Act to incorporate the Laurentian Insurance Company of Canada. The capital stock is fixed at \$1,000,000. The head office is to be at the city of Montreal. The Act, which is similar to No. 11, grants authority to carry on such of the following branches of insurance as shall be mentioned in the license to be issued to the company, viz.: fire insurance, inland transportation insurance, accident insurance, sickness insurance, guarantee insurance, steam boiler insurance and sprinkler leakage insurance. Part V. of the Insurance Act, 1910, applies to the company.

2. Ontario Legislation.

The following amendments to the Ontario Insurance Act have been made by the Statute Law Amendment Act, 1910, chapter 26, 10 Edward VII.

(Assented to March 19, 1910.)

5. (1) The Ontario Insurance Act is amended by adding thereto after section 149, section 149a, as follows:—

149a. Where a contract of insurance of the person provides either in terms or in effect that the contract shall be indisputable or incontestable, it shall not be disputable or contestable on the ground that the assured committed suicide, unless in express terms it is so stipulated by the contract, and is so stated in the application on which the contract is founded.

(2) This section shall come into effect on the 1st day of January, 1911.

18. (1) Subsection 2 of section 150 of the Ontario Insurance Act is hereby amended by striking out the words 'No corporation' in the first line of the said subsection, and by inserting in lieu thereof the following words:-

'No corporation, company, association, or society shall insure the life of an infant,

whose age at the time of insurance is not at least one year, nor'

This subsection shall come into effect on the 1st day of January, 1911.

The above named subsection will now read as follows:-

No corporation, company, association, or society shall insure the life of an infant. whose age at the time of insurance is not at least one year, nor shall insure or pay on the death of a child under 10 years of age, any sum of money which added to any sum payable on the death of such child by any other insuring corporation exceed the following amounts respectively, that is to say:-

If any	such child	dies under	the age	of	2	years	 \$ 32
	44		"		1)	6.4	 40
	66		66		4	**	 48

	66	•6	-6		9	4.6	 200
	66	44	44		10	"	 260

(a) Provided that nothing in this section contained shall apply to such insurances on the lives of children under 10 years of age as were in force on the fourteenth day of April 1892, or apply to insurance on the lives of children of any age where the person affecting the insurance has a pecuniary interest in the life of the assured.

(2) Clause 36 of section 2 of the Ontario Insurance Act as amended by section 1 of the Act passed in the 7th year of His Majesty's reign, chaptered 36, is further

amended by adding thereto the following:-

"This clause shall in the case of an assured dying hereafter apply to insurance of the person effected on or before the 13th day of April, 1897."

The clause as amended will now read as follows:-

36. In insurance of the person, 'heirs,' 'legal heirs' or 'lawful heirs' shall mean and include all the lawful surviving children of the assured and also the wife or husband if surviving the assured; or, where the assured died without lawful surviving children and unmarried, it shall mean those persons entitled to take according to the Statute of Distributions. This clause shall in the case of an assured dying hereafter apply to insurance of the person effected on or before the 13th day of April, 1897.'

Statutes of 1910, Chapter 51.

An Act respecting Mortgages of Real Estate.

(Assented to March 19, 1910.)

His Majosty, by and with the advice and consent of the Legislative Assembly of the Province of Ontario, enacts as follows:—

5. (1) All money payable to a mortgagor on an insurance of the mortgaged property, including effects, whether affixed to the freehold or not, being or forming part thereof, shall, if the mortgagee so requires, be applied by the mortgagor in making good the loss or damage in respect of which the money is received.

(2) Without prejudice to any obligation to the contrary imposed by law or by special contract, a mortgagee may require that all money received on an insurance of the mortgaged property be applied in or towards the discharge of the money due under

his mortgage.

Statutes of 1910, Chapter 69.

An Act respecting Liens of Mechanics, Wage-earners and Others.

(Assented to March 19, 1910.)

His Majesty, by and with the advice and consent of the Legislative Assembly of the province of Ontario, enacts as follows:—

9. Where any of the property upon which a lien attaches is wholly or partly destroyed by fire, any money received by reason of any insurance thereon by an owner or prior mortgagee or charges shall take place of the property so destroyed, and shall be subject to the claims of all persons for liens to the same extent as if such money was realized by a sale of such property in an action to enforce the lien.

By Chapter 158 of the Ontario Statutes of 1910, 10 Edward VII, intituled: 'An Act respecting the Monarch Fire Insurance Company, Cash, Mutual and Stock,' the authorized capital stock of this company is reduced to \$500,000 divided into shares of \$50 each called 'New or Substituted Shares.' Of the twenty per cent paid on the old

shares fifty per cent is written off.

3. Manitoba Legislation.

The undermentioned Acts were passed by the legislature of the province of Manitoba, in the session of 1910, assented to March 16, 1910:—

1. An Act to amend 'An Act to incorporate the Prudential Life Insurance Company.'

This company was incorporated by Chap. 67 of the Manitoba Statutes of 1902.

The amending Act of 1910 authorizes the increase of the guarantee fund from five hundred thousand dollars to one million dollars; provides that the valuation of its policies may be based on the Mortality Table of the Canadian Life Officers' Association of Canada and a rate of interest not exceeding three and one-half per cent per annum; fixes the voting power of subscribers to the guarantee fund and of applicants for insurance, and makes other verbal alterations.

2. An Act to amend 'An Act to incorporate the Canada Provident Life Assurance

Company.'

This company was incorporated by Chap. 66 of the Manitoba Statutes of 1900. The amending Act changes the name of the company to 'The Canada Provident Assurance and Investment Company,' authorizes the company to transact the business of personal accident insurance, empowers the trustees by by-law to subdivide the shares into shares of any amount less than \$100, and makes other changes of minor importance.

3. An Act to amend an Act respecting the British North Western Fire Insurance Company.

This company was incorporated in 1906 under the name of 'The Freehold Fire Insurance Company' which name was in 1907 changed to 'The Prince Rupert Fire

Insurance Company' and subsequently in 1908 to its present name.

The amounting Act provides for the subdivision of its \$100 sh

The amending Act provides for the subdivision of its \$100 shares into shares of \$40 each, authorizes the directors by by-law to change the number of directors to any number not less than seven nor more than fifteen, and makes certain consequential changes in the original Act of incorporation. A Dominion charter was granted to the company during the last session of the Parliament of Canada. See Chap. 70.

4. An Act to incorporate 'The Western Life Assurance Company of Canada.'

This Act authorizes the company to make contracts of life insurance, grant, sell or purchase annuities, grant endowments and generally carry on the business of life insurance in all its branches. Directors must hold at least \$5,000 stock. The powers of investment are similar to those specified in Secs. 49,51 and 52 of Chap. 34 of the Revised Statutes of Canada, 1906. The basis of valuation for policies, bonus additions and profits is the Mortality Table of the Institute of Actuaries of Great Britain and a rate of interest not exceeding three and one half per cent per annum.

5. An Act to incorporate 'The Prudential Fire Assurance Company.'

This company has authority to effect insurance against losses by fire, lightning, windstorms, accident and casualties, cyclones and tornadoes, to transact inland marine insurance, inland transportation insurance, and plate glass insurance. The authorized capital is \$500,000. Directors must hold at least \$2,500 stock. Before commencement of business two hundred and fifty thousand dollars capital stock must be subscribed and at least twenty-five thousand dollars paid thereon.

6. An Act to incorporate 'The Accident Insurance Company of Manitoba, Limited.'

The company's authorized capital is \$500,000 which may be increased by by-law to \$1,000,000. It is empowered to transact accident, sickness and guarantee insurance.

7. An Act to amend Chap. 10 of 9 Edw. VII., being 'An Act respecting the licensing of extra-Provincial Corporations.'

The amending Act repeals Sec. 8 of the original Act and substitutes a new section therefor. The new section deals with the appointment of attorneys within the province of Manitoba upon whom process in all actions and proceedings instituted against extra-provincial companies may be served.

8. The Workmen's Compensation Act, 1910.

This Act is intituled 'An Act respecting compensation to workmen for accidental injuries suffered in the course of their employment.' It will be found interesting by, and of considerable importance to companies transacting the business of accident insurance. The twelfth section thereof is in the following words:—

'12. Where a claim for compensation is established against an employer under the provisions of this Act, and such employer is protected wholly or partially against such liability by insurance, the workman found entitled to compensation may, by serving a notice of his claim upon the insurance company, create a lien or charge against such insurance money to the extent of the liability of the insurance company to the employer, but not exceeding the amount of the compensation awarded, and may recover against the insurance company as for a debt to that amount, subject always to any defences which may exist as between the insurance company and the employer.'

4. New Brunswick Legislation.

Statutes of 1909, Chapter 40.

An Act to amend the Act, 5 Edward VII, Chapter 4, intituled 'An Act respecting Life and Accident Insurance.'

(Passed April 29, 1909.)

Whereas, inconvenience has arisen by reason of claims being set up by two or more persons to the moneys payable under policies of insurance where the insurer admits the claim and liability to pay, and is willing to pay the money to the person or persons legally entitled to the same, but is compelled to submit to the costs of a suit, and to interplead in order to have the rights of the claimants determined;

Be it therefore enacted by the Lieutenant Governor and Legislative Assembly, as

follows :-

1. The Act, 5 Edward VII. Chapter 4, is hereby amended, by adding thereto the

following, as section 25 of said Act:-

25. (1) In the event of there being two or more claimants to the insurance moneys payable under any policy of insurance, or any part thereof, whose claims are conflicting and inconsistent with each other, and the insurer admits the claim or any part thereof, but is in doubt as to whom to pay the same by reason of such conflicting claims, the insurer, at any time after the date of the receipt of the proofs thereof, and of the admission of the claim or any part thereof, may, on affidavit or otherwise, obtain an order from the Supreme Court in Equity for the payment of the money into court, and in such case, the costs of the application shall be paid out of the said money, (unless the court otherwise directs), and the residue shall be paid into court pursuant to such order, and said payment shall be sufficient discharge to the insurer for the money paid, and the money shall be dealt with as the said court may direct.

(2) At any time after such voluntary payment of money into court, and said Supreme Court in Equity shall, upon the application of any of the claimants, by affidavits or otherwise, order the other claimant or claimants to appear and state the nature and particulars of and maintain or relinquish his or their claim or claims, and, upon return of the said order and proof of the due service or publication thereof as directed by the court, may hear the allegations of all parties, claimants, and proceed to

the hearing of the parties, and from evidence in such a way and manner as the court may direct, and upon said hearing may dispose of and determine the merits of their claims and the rights of the said parties, in summary manner, and make such order therein, and as to the disposal of, and the payment of said money so voluntarily paid into court, and as to the costs of all other matters, as may appear just.

(3) If such claimant or claimants shall not appear on service of such order to maintain or relinquish his or their claim or claims, or shall neglect to comply with any order made after appearance, the court may declare him or them to be forever barred from any and all claim, share or interest in said money, and shall thereupon make such order as to the payment of the said money to the other claimant or claimants, and as to costs and other matters as may appear just.

Statutes of 1909, Chapter 65.

An Act to consolidate and amend the laws respecting the Levying, Assessing and Collecting of Rates and Taxes in the city of Saint John.

(Passed April 29, 1909.)

Be it enacted by the Lieutenant Governor and Legislative Assembly, as follows:-

1. This Act may be cited as the 'Saint John City Assessment Act, 1909.'

2. Where the following words occur in this Act or the schedule hereto, they shall be construed in the manner hereinafter mentioned, unless a contrary intention appears:

(1) 'Tenant' shall include occupant and the person in possession other than the owner.

- (2) 'Land' and 'real estate' shall include land, buildings erected thereon, renewable terms of years in land and the improvements thereon, chattels real, machinery and other property so fixed or related to any building or land, as to form part of the realty, and also the pipes, poles, wires, rails, tunnels, bridges, conduits and other constructions and apparatus of every nature used in connection with the generation or distribution of power, light, heat, water, electricity, or any property, substance or product capable of transportation, transmission, or conveyance, or for traction purposes, whether any of the same be constructed or placed upon, over or under property, streets, highways, or elsewhere within the limits of the city; but nothing in this definition of 'land' or 'real estate' shall be taken as an exclusive definition of 'land' and 'real estate' or the limiting of the meaning of 'land' and 'real estate' at common law.
 - (5) 'Insurance Company' shall mean any person or persons, company, or friendly society, or other corporation transacting, within the city of Saint John, any description of the business of insurance, either by means of an established agency or by a broker or company or limited agent.
 - 3. (2) Real estate, shall be assessed at the true and real value thereof according to the best judgment of the assessors, subject to appeal as hereinafter provided.
 - 7. Insurance companies, mercantile agencies and other companies as hereinafter mentioned, shall be assessed in respect of real estate, in the same manner as individuals. In addition to the same and in lieu of all other assessments in respect of such insurance and other business, they shall be rated and assessed in the manner hereinafter set forth, that is to say:—
 - (a) Every insurance company transacting the business of fire insurance shall pay a tax of one hundred dollars.
 - (b) Every insurance company transacting the business of life insurance, shall pay a tax of one hundred dollars.

(c) Every insurance company transacting any other business of insurance, shall pay a tax of fifty dollars.

(d) Every insurance company having its head office in the city of Saint John, shall pay an additional tax of one hundred dollars.

5. BRITISH COLUMBIA LEGISLATION.

The undermentioned Acts were passed by the Legislature of the province of British Columbia during its session in 1910, assented to 10th March, 1910:—

1. The British Empire Insurance Company Act, 1910, being Chapter 61 of the Statutes of 1910—

The authorized capital is \$500,000 with power to increase the same as the company may determine. Before the commencement of business \$100,000 of the stock must be subscribed and \$15,000 paid thereon. The company is empowered to insure against loss by (a) fire and lighting, (b) death or injury of live stock, (c) injury of crops by hail. It is required to give to or deposit with the provincial government from time to time such security as the Lieutenant Governor in Council shall determine, and shall not commence nor carry on business until such security is given. The company is authorized to procure itself to be licensed or registered in any province or country outside of British Columbia and transact its business therein, the directors having first obtained the necessary license or certificate of registration legalizing the transaction of such business.

2. The Western Union Fire Insurance Company Act, 1910, being Chap. 82 of the Statutes of 1910.

The authorized capital is \$1,000,000. Before the commencement of business \$150,000 of the capital stock must be subscribed and ten per cent of that amount paid thereon and such security given to or deposited with the provincial government as the Lieutenant Governor in Council shall direct and approve. The Board of Directors is to consist of not less than five nor more than twenty members of whom four, or such greater number as fixed by by-law, will be a quorum. The Act contains the same provision as to being licensed or registered outside of the province of British Columbia, as is contained in 'The British Empire Insurance Company Act, 1910,' above mentioned.

6. YUKON LEGISLATION.

Chapter 45 of the Consolidated Ordinances of the Yukon Territory which went into effect on the first day of July, 1903, reads thus:—

An Ordinance respecting Insurance for the benefit of Wife and Children.

- 1. In this ordinance 'maturity of the policy' or 'maturity of the contract' means the happening of the event or the expiration of the term at which the benefit under the policy or contract accrues due. N. W. T., c. 49, s. 1.
- 2. Any person may insure his life for the whole term thereof or for any definite period for the benefit of his wife and children or of his wife and some one of his children or of his children only or of some one of them and where the insurance is effected for the benefit of more than one he may apportion the amount of the insurance money as he deems proper. N. W. T., c. 49, s. 2.
- 3. The insurance may be effected either in the name of the person whose life is insured or in the name of his wife or of any other person (with the assent of such other person) as trustee. N. W. T., c. 49, s. 3.

4. In case a policy or written contract of life insurance effected by a man on his life, is expressed upon the face of it to be for the benefit of his wife or his wife or his wife and children or any of them or in case he has heretofore indorsed or may hereafter indorse or by any writing identifying the policy by its number or otherwise has made or may hereafter make a declaration that the policy is for the benefit of his wife or of his wife and children or any of them, such policy shall enure and be deemed a trust for the benefit of his wife for her separate use and of his children or any of them according to the intent so expressed or declared and so long as any object of the trust remains, the money payable under the policy shall not be subject to the control of the husband or his creditors or form part of his estate when the sum secured by the policy or written contract becomes payable but this shall not be held to interfere with any pledge of the policy to any person prior to such declaration.

(2) In the case of a policy or written contract of life insurance effected before marriage a declaration under this section shall be and be deemed to have been as valid and effectual as if such policy or contract has been effected after marriage but nothing herein contained shall affect any action or proceeding now pending. N.W.T., c. 49,

s. 4.

5. The insured may by an instrument in writing attached to or indorsed on or identifying the policy by its number or otherwise, vary an apportionment previously made so as to extend the benefits of the policy to the wife or the children to one or more of them although the policy is expressed to be for the benefit of the wife alone or the child or children alone or although a prior declaration was so restricted; and he may also apportion the insurance money among the persons intended to be benefited; and may from time to time by an instrument in writing attached to or indorsed on the policy or referring to the same alter the apportionment as he deems proper; he may also by his will make or alter the apportionment of the insurance money; and an apportionment made by his will shall prevail over any other made before the date of the will except so far as such other apportionment has been acted on before notice of the apportionment by the will.

(2) This section applies to policies heretofore issued as well as to future policies.

N. W. T., c. 49, s. 5.

6. Where no apportionment is made all persons entitled to be benefited by the insurance shall be held to share equally in the same; and where it is stated in the policy or declaration that the insurance is for the benefit of the wife and children generally or of the children generally without specifying the names of the children the word children means all the children of the insured living at the maturity of the policy whether by his then or any former wife and the wife to benefit by the policy shall be the wife living at the maturity thereof. N. W. T., c. 49, s. 6.

7. Any such policy may be surrendered or assigned:

(a) Where the policy is for the benefit of children only and the children surviving are of the full age of twenty-one years if the person insured and all such surviving children agree to so surrender or assign; or

(b) Where the policy is for the benefit of both a wife and children and the surviving children are all of the full age of twenty-one years if the person insured and his then wife if any and all such surviving children agree to so surrender or assign; or

(c) Where the policy is for the benefit of a wife only or of a wife and children and there are no children living of the person insured and his then wife agrees to so

surrender or assign. N. W. T., c. 49, s. 7.

8. Where an apportionment as in sections 2 and 5 hereof provided for has been made if one or more of the persons in whose favour the apportionment has been made die in the lifetime of the insured, the insured may by an instrument in writing attached to or indorsed on or otherwise referring to and identifying the policy of insurance declare that the share formerly apportioned to the person so dying shall be for the benefit of such other person or persons as he names in that behalf not being other than

the wife and children of the insured and in default of any such declaration the share of the person so dying shall be the property of the insured and may be dealt with and disposed of by him as he sees fit and shall at his death form part of his estate. N. W. T., c. 49, s. 8.

- 9. Where no apportionment as in sections 2 and 5 hereof provided for has been made, if one or more of the persons entitled to the benefit of the insurance die in the lifetime of the insured and no apportionment is subsequently made by the insured the insurance shall be for the benefit of the survivor or of the survivors of such persons in equal shares if more than one; and if all the persons so entitled die in the lifetime of the insured the policy and the insurance money shall form part of the estate of the insured; or after the death of all the persons entitled to such benefit the insured may by an instrument executed as aforesaid make a declaration that the policy shall be for the benefit of his then or any future wife or children or some one of them. N. W. T., c. 49, s. 9.
- 10. When the insurance money becomes due and payable it shall be paid according to the terms of the policy or of any declaration or instrument as aforesaid as the case may be free from the claims of any creditors of the insured except as herein provided. N. W. T., c. 49, s. 10.
- 11. Where the insurance money or part thereof is for the benefit in whole or part of the children of the insured and the children are mentioned as a class and not by their individual names, the money shall not be payable to the children until reasonable proof is furnished to the company of the number, names and ages of the children. N.W.T., c. 49, s. 11.
- 12. The insured may by the policy or by his will or by any writing under his hand appoint a trustee or trustees of the money payable under the policy and may from time to time revoke such appointment in like manner and appoint a new trustee or new trustees and make provision for the appointment of a new trustee or trustees and for the investment of the money payable under the policy. Payment made to such trustee or trustees shall discharge the company.
- 13. If no trustee is named in the policy or appointed as mentioned in section 12 hereof to receive the shares to which infants are entitled their shares may be paid to the executors of the last will and testament of the insured or to a guardian of the infants duly appointed by the Territorial Court of the Yukon Territory or a judge thereof upon the application of the wife or of the infants or their guardian and such payment shall be a good discharge to the insurance company. N. W. T., c. 49, s. 13.
- 14. Any trustee named as provided for in the next preceding two sections and any executor or guardian may invest the money received in government securities or municipal or school debentures or it mortgages of real estate or in any other manner authorized by the will of the insured and may from time to time alter, vary and transpose the investments and apply all or any part of the annual income arising from the share or presumptive share of each of the children in or towards his or her maintenance and education in such manner as the trustee, executor or guardian thinks fit and may also advance to and for any of the children notwithstanding his or her minority the whole or any part of the share of the child of and in the money for the advancement or preferment in the world or on the marriage of such child. N. W. T., c. 49, s. 14.
- 15. A guardian appointed as provided in section 13 hereof shall give security to the satisfaction of the court or judge for the faithful performance of his duty as guardian and for the proper application of the money which he may receive. Where the amount of the insurance money payable to a guardian of infants does not exceed \$400 and probate is sought in respect of a will for the sole purpose of obtaining insurance money to an amount not exceeding \$400 the fees payable on the appointment of such guardian or executor shall be \$4 and no more, and such fees shall be regulated in the manner prescribed. N. W. T., c. 49, s. 15.
- 16. If there is no trustee, executor or guardian competent to receive the share of any infant in the insurance money and the insurance company admits the claim or any

part thereof the company at any time after the expiration of two months from the date of their admission of the claim or part thereof may obtain an order from the Territorial Court of the Yukon Territory, or a judge thereof for the payment of the share of the infant into court; and in such case the costs of the application shall be paid out of the share (unless the court or judge otherwise directs) and the residue shall be paid into court pursuant to the order; and such payment shall be a sufficient discharge to the company for the money paid; and the money shall be dealt with as the court or judge directs.

(2) If the company does not within four months from the time the claim is admitted either pay the same to some person competent to receive the money under this ordinance or pay the same into the Territorial Court the said court or judge thereof may upon application made by some one competent to receive the said money or by some other person on behalf of the infant order the insurance money or any part thereof to be paid to any trustee, executor or guardian competent to receive the same or to be paid into court to be dealt with as the court or judge directs and any such payment shall be a good discharge to the company.

(3) The court or judge may order the costs of the application and any costs incidental to establishing the authority of the party applying for the order to be paid out of such moneys or by the company or otherwise as seems just and the court or judge may also order the costs of and incidental to obtaining out of court moneys voluntarily

paid in by a company to be paid out of such moneys. N. W. T., c. 49, s. 16.

17. If a person who has heretofore effected or who hereafter effects an insurance for the purposes contemplated by this ordinance whether the purpose appears by the terms of the policy or by indorsement thereon or by an instrument referring to and identifying the policy finds himself unable to continue to meet the premiums, he may surrender the policy to the company and accept in lieu thereof a paid-up policy for such sum as the premiums paid would represent payable at death or at the endowment age or otherwise (as the case may be) in the same manner as the money insured by the original policy if not surrendered, would have been payable; and the company may accept the surrender and grant the paid-up policy notwithstanding any declaration or direction in favour of the wife and children of any of them. N. W. T., c. 49, s. 17.

18. The person insured may from time to time borrow from the company insuring or from any other company or person on the security of the policy such sums as are necessary and the same shall be applied to keep the policy in force on such terms and conditions as are agreed on; and the sums so borrowed, together with such lawful interest thereon as is agreed upon, shall so long as the policy remains in force, be a first lien on the policy and on all moneys payable thereunder, notwithstanding any declaration or direction in favour of the wife or children or any or either of them. N.W.T., c. 49, s. 18.

19. Any person insured under the provisions of this ordinance may in writing require the insurance company to pay the bonuses or profits accruing under the policy or portions of the same to the insured; or to apply the same in the reduction of the annual premiums payable by the insured in such way as he directs; or to add the said bonuses or profits to the policy; and the company shall pay or apply such bonuses or profits as the insured directs and according to the rates and rules established by the company; provided always that the company shall not be obliged to pay or apply such bonuses or profits in any other manner than stipulated in the policy or the application therefor. N.W.T., c. 49, s. 19.

20. In case of several actions being brought for insurance money, the court is to consolidate or otherwise deal therewith so that there shall be but one action for and in respect of the shares of all the persons entitled under a policy. If an action is brought for the share of one or more infants entitled all the other infants or the trustees, executors or guardians entitled to receive payment of the shares of such other infants shall be made parties to the action, and the rights of all the infants shall be

dealt with and determined in one action. The persons entitled to receive the shares of the infants may join with any adult persons claiming shares in the policy. In all actions where several persons are interested in the money the court or judge shall apportion among the parties entitled any sum directed to be paid, and shall give all necessary directions and relief. N.W.T., c. 49, s. 20.

- 21. No declaration or appointment affecting the insurance money or any portion thereof, nor any appointment or revocation of a trustee shall be of any force or effect as respects the company until the instrument or a duplicate or copy thereof is deposited with the company. Where a declaration or indorsement has been heretofore made and notice has not been given, the company may until they receive notice thereof, deal with the insured or his executors, administrators or assigns in respect of the policy in the same manner and with the like effect as if the declaration or indorsement had not been made. N.W.T., c. 49, s. 21.
- 22. If the policy was effected and premiums paid by the insured with intent to defraud his creditors, the creditors shall be entitled to receive out of the sum secured an amount equal to the premiums so paid. N.W.T., c. 49, s. 22.
- 23. Nothing contained in this ordinance shall be held or construed to restrict or interfere with the right of any person to effect or assign a policy for the benefit of his or her father, mother, husband or wife or children or some one of them in any other mode allowed by law. N.W.T., c. 49, s. 23.
- 24. Where all the persons entitled to be benefited whether by original insurance, by written declaration or instrument of variation or apportionment under any policy are of full age, they and the person insured may surrender the policy or assign the same either absolutely or by way of security. N.W.T., c. 49, s. 24.
- 25. Where any policy of insurance or written contract of life insurance or the declaration indorsed upon or attached to any policy of insurance to which this ordinance applies, whether such declaration has heretofore been or shall hereafter be made provides that the policy shall be for the benefit of a person, and in the event of the death of such person for the benefit of another person, such first mentioned person shall if living be deemed for the purposes of section 24 of this ordinance the person entitled to be benefited under such policy. N.W.T., c. 49, s. 25.

* The amounts in this column give the pro rata of gross premiums for the unexpired terms of all policies of the several companies in force at December 31, 1999, as provided by the statutes in that behalf. Upon the assumption that adequate premiums have been collected these amounts may be regarded as considerably in excess of the sums which would ordinarily be required to pay the losses to account under outstanding risks, a fact which may properly be taken into account in the case of individual companies in considering questions of actual or probable as distinguished from legal surplus, declaring dividends, impairment of capital and other cognate subjects.

In December, 1906, the capital stock of this Company, which was formerly \$1,000,000, was further increased by an issue of \$550,000 7 per cent preference stock, subscribed for at a premium of 25 per cent. The total subscribed capital now stands at \$1,400,000, of which there had been paid in up to the date of the return \$1,399,029.79.

#The capital stock of this Company which had previously been \$500,000, the whole of which was subscribed and \$125,000 paid thereon, was by chapter 83 of the Statutes of 1904, reduced to \$250,000, the amount paid up remaining unchanged. An additional \$125,000 was paid in out of surplus in 1995. In 1909, by virtue of the a \$150,000 was paid into the capital stock of this Company during the year 1004, and under the provisions of chapter 110 of the Statutes of 1904 the paid up capital was reduced to \$100,000, the same amount at which it stood at the end of 1903. Further calls received during 1907 bring the paid-up capital to \$125,000. The above statute, the capital was increased to \$500,000. An additional \$250,000 was paid in out of surplus in 1969, making the capital fully paid up.

b In December, 1965, preference stock of this Company to the amount of \$500,000 was called in and cancelled, and a new issue of \$1,000,000 7 per cent preference stock was made at 25 per cent premium. The total capital stock is now \$2,500,000, fully subscribed. subscribed capital was reduced from \$500,000 to \$250,000, at which it now stands.

This contract expires on August 31, 1915. The Home Life have also a contract with Ar. J. K. McCutcheon, under which the said McCutcheon receives as general manager a salary of \$5,000 per annum and a percentage of \$3 per cent of the gross actual premiums collected by the Association in each year, the percentage, however, not to each year. This contract terminates on October 13, 1920. The Department of Justice is of the opinion that these contracts do not constitute liabilities requiring capitalization as such.

9-10 EDWARD VII., A. 1910 *The amounts in this column give the provata of gross premiums for the unexpired terms of all policies of the several companies in force at December 31, 1909, as provided in the statutes in that behalf. Upon the assumption that adequate premiums have been collected these amounts may be regarded as considerably in excess of the sums which would ordinarily be required to pay the losses to accrue under outstanding risks, a fact which may properly be taken into account in the case of individual companies in considering questions of actual or probable as distinguished from logal surplus, declaring dividends, impairment of capital and other cognate subjects.

them, to be sold in such manner and after such notice and formalities as the court may appoint, and proceeds thereof, after paying the expenses incurred, shall be distributed pro rata amongst the claimants according to such schedule, and the balance, if any, shall be surrendered to the company. But if any loss shall be sustained or any claim shall arise after the statement of outstanding policies has been obtained from the company, as hereinbefore provided, and before the final order of the court for the distribution of the proceeds of the securities, or if the proceeds of the securities shall not be sufficient to cover in full all claims recorded in the schedule, the policy-holders shall not be barred from any recourse they may have either in law or equity against the company issuing the policy, other than that for a share in the distribution of the proceeds of the securities held for such company by the Receiver General.

Provisions when a company CARSES business in Canada.

5. When any company has ceased to transact business in Canada, and has given the notice required by this Act to that effect, before its securities can be given up to it, it must insure on behalf of its Canadian policy-holders, all outstanding risks in some company or companies licensed in Canada, or obtain the surrender of the policies. Upon making application for its securities, the company must file with the Minister of Finance a list of all Canadian policy-holders who have not been so insured or have not surrendered their policies, and it must at the same time publish in the Canada Gazette a notice that it has applied to Government for the release of its securities on a certain day, not less than thirty days after the date of the notice, and calling upon its Canadian policyholders opposing such release to file their opposition with the Minister of Finance on or before Release of all the day so named; and after that day, if the Treasury Board is satisfied that the company has ample assets to meet its liabilities, all the securities may be released to it by an Order of the Governor in Council, or a sufficient amount of them may be retained to cover the value of all risks respecting which opposition has been filed, and the remainder may be released, and thereafter, from time to time, as such opposing risks may lapse or proof may be adduced that they have been satisfied, further releases may be made on the authority aforesaid; and after a company has ceased to transact business in Canada after the notice hereby required, and its license has in consequence been withdrawn, such company may nevertheless continue to receive the premiums coming due on policies not reinsured or surrendered and may pay the losses arising thereon, as if such license had not been withdrawn.

or part of its deposited securities.

PART III.

LIFE INSURANCE COMPANIES.

160. The provisions of this Part apply only to life insurance companies, and to insurance companies doing life and other insurance, in so far as relates to the life insurance business of such companies.

161. Whenever a license of a company has expired or been withdrawn under the Insurance Act, and has not been renewed within thirty days after such expiry or withdrawal, the company shall be subject to the provisions of this Act applicable to the case of insolvency of such a company, except in case of,—

(a) a company which previously to the twenty-eighth day of April, one thousand eight hundred and seventy-seven, was licensed to transact the business of life insurance in Canada and ceased to transact such business before the twenty-first day of March, one thousand eight hundred and seventy-eight, having before that date given written notice to that effect to the Minister; or.

(b) a company licensed under the Insurance Act to transact the business of life insurance in Canada which has, in manner provided by the said Act, procured the transfer of its outstanding policies in Canada to some company or companies licensed under the said Act, or obtained the surrender of its policies as far as practicable.

162. In case of the insolvency of any company, the deposits of such company held by the Minister, and the assets held by the trustees under the Insurance Act, shall be applied *pro rata* towards the discharge of all claims of policy-holders in Canada duly authenticated against such company.

163. Upon the insolvency of any company and the making of a winding-up order under this Act, the policy-holders in Canada shall be entitled to claim for the full net values, including bonus additions and profits accrued, of their several policies at the time of the winding-up order, less any amount previously advanced by the company on the security of the policies.

2. Such claims shall rank with judgments obtained and claims matured on Canadian policies, in the distribution of the assets.

161. The liquidator may require the Superintendent of Insurance to value, or procure to be valued under his supervision, the policies of the policy-holders in Canada, on the basis prescribed in the Insurance Act.

2. The expenses of such valuation, at a rate of three cents for each policy or bonus addition so valued, shall be retained by the Minister from the securities held by him.

165. Upon the completion by the liquidator of the statement to be prepared by him of all judgments against the company upon policies in Canada, and of all claims upon policies matured or outstanding, the court shall cause the securities held by the Minister for such company, and the assets held by the trustees provided in the Insurance Act, or any part of them it deems fit, to be sold or realized in such manner and after such notice and formalities as the court appoints.

166. The proceeds so realized, after paying expenses incurred, shall, except in so far as they have been applied under this Act to effect a re-insurance of policies, be distributed *pro* rata amongst the claimants according to such statement.

2. If the proceeds are not sufficient to cover in full all claims recorded in the statement, such policy-holders shall not be barred from any recourse they have, either in law or equity, against the company issuing the policy or against any shareholder or director thereof, other than for a share in the distribution of the proceeds aforesaid, or in respect to any distribution of the general property and assets of the company, other than the deposit and the assets vested in trustees.

167. Whenever the company or the liquidator, or the holder of the policy or contract of insurance exercises any right which it or he has to cancel any policy or contract, the holder shall be entitled to claim as a creditor for the sum which, under the terms of the policy or contract, is due to him upon such cancellation.

168. The liquidator shall, without the filing of any claim, notice or evidence, or the taking of any action by any person, make a statement of all the persons appearing by the books and records of the officers of the company to be creditors or claimants on any matured, valued or cancelled policy or contract of insurance, and of the amount due to each such person in respect of such claims, and every such person shall be collocated and ranked as, and shall be entitled to the right of, a creditor or claimant for such amount, without filing any claim, notice or evidence, or taking any action; Provided that any such collocation may be contested by any person interested, and any person who is not collocated, or who is dissatisfied with the amount for which he is collocated, may file his own claim.

169. A copy of such statement, certified by the liquidator, shall, forthwith after the making of such statement, be filed in the office of the Superintendent of Insurance at Ottawa.

2. Notice of such filing shall forthwith be given by the liquidator by notice in the *Canada Gazette*, and in the official gazette of each province, and in two newspapers issued at or nearest

to the place where the head office in Canada of the company is situate.

- 3. The liquidator shall also, forthwith, send by mail, prepaid, a notice of such filing to each creditor named in the statement, addressed to the addresses in Canada of such creditors, as far as the same are known, and, in the case of foreign creditors, addressed to the addresses of their representatives or agents in Canada, as far as the same are known.
 - 170. The holder of a policy or contract of life insurance, upon which a claim accrues after the date of the winding-up order and before the expiration of thirty days after the filing, in the office of the Superintendent of Insurance, of the statement referred to in the last preceding section, shall be entitled to claim as a creditor for the full net amount of such claim less any amount previously advanced by the company on the security of the policy or contract, and the said statement and the dividend sheet shall, if necessary, be amended accordingly: Provided that no claim which accrues after the expiration of the thirty days aforesaid shall rank upon the estate unless nor until there is sufficient to pay all creditors in full.
 - 171. If, before the expiration of the thirty days hereinbefore mentioned, the holder of a policy or contract of life insurance, on which a claim has not accrued, signifies in writing to the iquidator his willingness to accept an insurance in some other company for the amount which can be secured by the dividend on his claim to which such holder is or may become entitled, the liquidator may, with the sanction of the court, effect for such holder an insurance to the amount aforesaid in another company or companies, approved of by the Superintendent of Insurance, and may apply to that purpose the dividend on his claim to which such holder is or may become entitled: Provided that such insurance shall be effected only as part of a general scheme for the assumption, by some other company or companies, of the whole or part of the outstanding risks and liabilities of the insolvent company.
 - 172. If the company is licensed under the Insurance Act, the liquidator shall report to the Superintendent of Insurance once in every six months, or oftener as the Superintendent requires, on the condition of the affairs of the company, with such particulars as the Superintendent requires.
 - 173. Publication in the Canada Gazette, and in the official gazette of each province, and in two newspapers published at or nearest to the place where the head office in Canada of an insurance company is situate, of notice of any proceeding of which, under this Act, creditors should be notified, shall be sufficient notice to holders of policies or contracts of insurance in respect of which no notice of claim has been received.

PART IV.

OTHER THAN LIFE INSURANCE COMPANIES.

- 174. The provisions of this Part apply only to insurance companies other than life insurance companies, and to insurance companies doing life and other insurance, in so far as relates to the insurance business of such companies which is not life insurance business.
- 175. Any company shall be deemed insolvent upon its failure to pay any undisputed claim arising, or loss insured against in Canada, upon any policy held in Canada for the space of sixty days after becoming due, or, if disputed, after final judgment and tender of a legal valid discharge, and, in either case, after notice thereof to the Minister.
- 2. In any case when a claim for loss is, by the terms of the policy, payable on proof of such loss, without any stipulated delay, the notice to the Minister under this section shall not be given until after the lapse of sixty days from the time when the claim becomes due.
- **176.** Any deposit held by the Minister for policy-holders, shall be applied *pro rata* towards the payment of all claims duly authenticated against such company, upon or in respect of policies issued to policy-holders in Canada.
- 177. Holders of policies or contracts of insurance on which no claim has accrued at the time the winding-up order is made, shall be entitled to claim as creditors, for such part of the premium paid, as is proportionate to the period of their policies or contracts respectively unexpired at the date of the winding-up order.
- 2. Such return or unearned premium shall rank with judgments obtained and claims accrued in the distribution of the assets.
- 178. Upon the completion of the statement to be prepared by the liquidator under this Act, the court shall cause the securities held by the Minister for the company, or any part of them it deems fit, to be sold in such manner and after such notice and formalities as the court appoints.

2. The proceeds thereof, after paying expenses incurred, shall, except in so far as they have been applied under this Act to effect a re-insurance of the policies, be distributed *pro rata* among the claimants according to such statement.

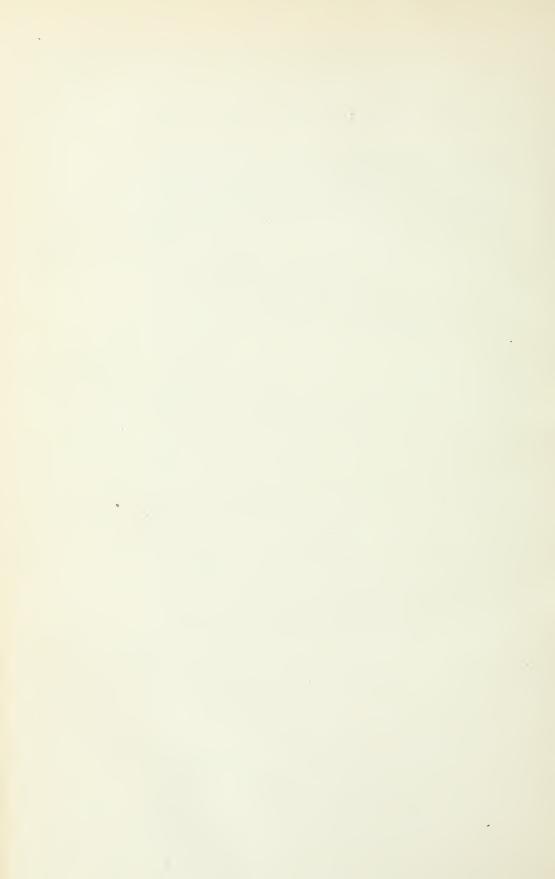

3. If the proceeds are not sufficient to cover in full all claims recorded in the statement, such policy-holders shall not be barred from any recourse they have, either at law or in equity, against the company issuing the policy, other than for a share

in the distribution of the proceeds of the securities held for such company by the Minister.

- 179. Whenever the company or the liquidator, or the holder of the policy or contract of insurance, exercises any right which it or he has to cancel the policy or contract, the holder shall be entitled to claim as a creditor for the sum which, under the terms of the policy or contract, is due to him upon such cancellation.
- **180.** The liquidator shall, without the filing of any claim, notice or evidence, or the taking of any action by any person, make a statement of all the persons appearing, by the books and records of the officers of the company, to be creditors or claimants under the three last preceding sections, and of the amounts due to each such person thereunder.
- 181. Every such person shall be collocated and ranked as, and shal be entitled to the rights of, a creditor or claimant for such amount, without filing any claim, notice or evidence, or taking any action: Provided that any such collocation may be contested by any person interested, and any person not collocated, or dissatisfied with the amount for which he is collocated, may file his own claim.
- **182.** A copy of such statement, certified by the liquidator, shall, forthwith after the making of such statement, be filed in the office of the Superintendent of Insurance, at Ottawa, and notice of such filing shall be forthwith given by the liquidator by notice in the *Canada Gazette*, and in the official gazette of each province, and in two newspapers published at or nearest to the place where the head office in Canada of the company is situate.
- 183. The liquidator shall also forthwith send by mail, prepaid, a notice of such filing to each creditor named in the statement, addressed to the addresses in Canada of such creditors, as far as the same are known, and, in the case of foreign creditors, addressed to the addresses of their representatives or agents in Canada, as far as the same are known.
- which a claim accrues, after the date of the winding-up order, and before the expiration of thirty days after the filing, in the office of the Superintendent of Insurance, of the statement aforesaid, shall be entitled to claim, as a c editor, for the full net amount of such claim; and the said statement and the dividend sheet shall, if necessary, be amended accordingly: Provided that no claim which accrues after the expiration of

the thirty days hereinbefore mentioned, shall rank upon the estate, unless nor until there is sufficient to pay all creditors in full.

- 185. Before the expiration of the thirty days aforesaid, the liquidator may, with the sanction of the court, arrange with any incorporated insurance company, approved of for such purpose by the Superintendent of Insurance, for the re-insurance by such company of the outstanding risks of the insolvent company, and for the assumption by such company of the whole or any part of the other liabilities of the insolvent company.
- **186.** In case of such arrangement the liquidator may pay or transfer to such company, such of the assets of the insolvent eompany as may be agreed on as the consideration for such re-insurance or assumption, and in such case the arrangement for re-insurance shall be in lieu of the claim for unearned premium.
- 2. Any remaining assets of the insolvent company shall be retained by the liquidator as a security to the creditors for the payment of their claims, and shall, if necessary, be so applied, and shall not be returned to the company, except on the order of the court after the satisfaction of such claims.
- **187.** If the company is licensed under the Insurance Act, the liquidator shall report to the Superintendent of Insurance once in every six months, or oftener, as the Superintendent requires, on the condition of the affairs of the company, with such particulars as the Superintendent requires.
- 188. Publication in the Canada Gazette, and in the official gazette of each province, and in two newspapers published at or nearest to the place where the head office of an insurance company is situate, of notice of any proceeding of which, under this Act, creditors are to be notified, shall be sufficient notice to holders of policies or contracts of insurance, in respect of which no notice of claim has been received.

GENERAL BUSINESS STATEMENT FOR THE YEAR ENDING DECEMBER 31, 1909.

FIRE DEPARTMENT.

The net premiums amounted to £1,480,576 11s. 6d., and the net losses, paid and

outstanding, to £750,061 6s. 3d.

The fire fund reserve for unexpired risks has been increased from £590,000 to £595,000, and the sum of £234,049 ls. 9d. has been transferred to profit and loss account.

DIVIDEND AND FUNDS.

Including the balance of £252,661 18s. 3d. brought forward from 1908, less the interim dividend paid in November last and the cost of businesses acquired, the available surplus amounts to £479,930 12s. 2d., out of which the directors propose:—

(1) To transfer to the staff pension fund the sum of £10,000, thus increasing that

fund from £60,000 to £70,000.

(2) To pay on the 2nd May a dividend of 10s. per share, free of income tax, making, with the interim dividend already paid, a total distribution for the year of £84,520, or 16s. per share, and

(3) To carry forward the remaining balance of £417,105 12s. 2d. to the next

account.

GENERAL BUSINESS STATEMENT FOR THE YEAR ENDING DECEMBER 31, 1909.

FIRE DEPARTMENT.

The premiums received last year amounted to £1,228,702, showing, in comparison with the premiums of the previous year, a decrease of £545. The losses incurred amounted to £613,645, or 49.9 per cent of the premiums. The general average of the experience of the company from the beginning is now 58.3 per cent, or, including its provision for losses on current risks, 60.5 per cent. The expenses of management (including commission to agents and charges of every kind) came to £464,833, or 37.8 per cent of the premiums, a ratio 1.0 more than that of the previous year.

The result is that, after charging the account with £614,351, being 50 per cent of the premiums of the year, and crediting it with £614,624, the amount similarly charged in 1908, there remains a credit balance of £150,497, which, as usual, has been transferred to the profit and loss account.

GENERAL BUSINESS STATEMENT FOR THE YEAR ENDING DECEMBER 31, 1909.

The fire account shows that after deduction of reinsurances the net premiums amounted to £1,076,636, and the net losses paid and outstanding to £589,544. After charging agents' commission and all expenses of management and carrying £102,584 to profit and loss, the balance in this account is £916,834.

The Profit and Loss account has been closed with a balance of £55,000, out of which an interim dividend of ten shillings per share was paid in January last, and the directors recommend that a further dividend of fifteen shillings per share be paid, free of income tax, on the 9th June next, making twenty-five shillings per share for the year 1909. It will be observed that there is now brought into profit and loss from the Fire and Accident funds only, such sums as may be required to meet the outgoings and dividend, which change is of advantage in the system of accounts, and does not of course affect the interests of the shareholders.

The assets of the society as shown in the balance sheet amount to £2,059,506, as compared with £1,679,408 for the previous year.

GENERAL BUSINESS STATEMENT FOR THE YEAR ENDING DECEMBER 31, 1909.

FIRE DEPARTMENT.

The fire premiums received, after deducting reinsurances, amounted to £1,386,645, and the losses paid and outstanding to £704,227, or 50.8 per cent of the premiums. The expenses and commission together amounted to £521,836, being 37.6 per cent of the pr miums. A profit is shown in this department of £160,645, which with the receipts for interest of £48,457, makes a total of £209,102 to be carried to profit and loss.

The revenue from interest as hitherto credited to the fire account, amounted to £69,926 as against £66,924 in 1908; but in accordance with the Assurance Companies Act this item has for the first time been divided and only the amount of £48,457 earned by the fire funds appears in the fire account, the remainder, viz., £21,169, being passed direct to the profit and loss account. This alteration is merely a change of book-keeping.

PROFIT AND LOSS ACCOUNT.

After payment of the dividends in 1909, the amount standing to the credit of profit and loss, including £209,102 transferred from the fire account and £21,469 interest not carried to other accounts, was £378,415. From this sum the directors have set aside £100,000 as an addition to the fire general reserve, increasing that reserve to £800,000. This leaves an available balance in profit and loss of £278,415, out of which the directors recommend the payment of a final dividend for the year 1909 of 18s. per share, free of income tax, upon the 68,062 shares hitherto forming the capital of the company, which will absorb £61,256. This dividend, with the interim dividend of 12s. per share paid on October 30 last, makes a total of 30s. per share for the year, free of tax.

RESOURCES OF THE COMPANY AS AT JANUARY 1, 1910.

(Subject to the completion of the remaining formalities in connection with the transfer of the law life business.)

GENERAL BUSINESS STATEMENT FOR THE YEAR ENDING DECEMBER 31, 1909.

FIRE DEPARTMENT.

The net premium income, after deduction of reinsurances, amounted to £276,259, as against £263,901 in the previous account.

The losses were £138,323, the ratio being 50·1 per cent, as against 48·2 per cent

for the previous year.

From the balance at credit of this account £40,175 has been carried to profit and loss, and the reserve for unexpired liability has been increased to £110,504.

PROFIT AND LOSS ACCOUNT.

This account includes £3,000, one-fifth proportion of the shareholder' profits declared in the life department; it also includes a sum of £13,400 written off securities as depreciation—see the valuation report following—and after payment of the dividend and other charges, shows a credit balance of £51,578.

GENERAL ACCOUNT.

The premium income amounted to £112,485. The claims paid and outstanding were £63,384, or $56 \cdot 3$ per cent, and after increasing the reserve for unexpired liability to £31,562, a sum of £6,000 is carried to profit and loss.

GENERAL RESERVE FUND.

The reserves hitherto appearing in the fire and general accident departments—other than those for unexpired liability under existing policies, and the estimates for outstanding claims which still remain in those accounts—are shown in a separate account. After payments made during the year in connection with acquired companies, this general reserve fund now amounts to £349,705.

^{*}In addition to the bonds and stocks above enumerated, the company owns a considerable amount of common stocks and other securities, most of them obtained as bonuses in connection with purchases of bonds. As it would be difficult to assign any market value to them as yet, they are not included in the published list of the company's assets until such time as their value shall have become better established. These securities are, however, checked and audited in exactly the same manner as the others owned by the company.

They are as follows: -

GENERAL BUSINESS STATEMENT FOR THE YEAR ENDING DECEMBER 31, 1909.

The net income from premiums, after deducting reassurances, was £558,343 ls. 0d.

The balance of claims account, including reserve for claims then under investigation and provision for liability on notices of accidents received was £278,229 l8s. 6d.

Of the Investments Reserve Fund of £50,000, the sum of £22,000 has been applied to writing down the investments, the depreciation of which the Directors regard as permanent, £16,000 has been retained in the Investments Reserve Fund to meet depreciation which may be regarded as temporary, and the balance of £12,000 has been carried to reserve. The Directors recommend the transfer from the General Revenue Account of £10,000 to Reserve, which will then amount to £242,000, and the payment of a dividend (1) on the Preference Shares after the rate of 5 per cent per annum, for the half-year ending 31st December, 1909 (2) on the ordinary shares of ten shillings per share, making with the Interim Dividend paid in September, eighteen shillings per share free of Income Tax, and the payment of a bonus of four shillings per share also free of Income Tax.

GENERAL BUSINESS STATEMENT FOR THE YEAR ENDING DECEMBER 31, 1909.

The gross premium income was £348,068 14s. 5d., as against £358,953 16s. 1d., and the interest from investments £19,891 10s. 11d., as against £18,819 3s. 4d., to which has to be added the sum of £970 19s. 0d. profit on realization of investments, as against £7,552 7s. 9d. in the previous year, the total income being £368,931 4s. 4d., against £385,325 7s. 2d.

The amount disbursed in respect of claims was £217,459 3s. 2d., against £203,-154 14s. 11d., a proportion of $62^{\circ}47$ of the gross premium income, as against 56.59 in the previous year. The rebates and bonus to policy-holders in the form of reduction

in premiums, amounted to £15,533 5s. 3d.

After payment of all charges and including a balance of £221,733 15s. 6d. brought forward from the previous year, there remains a credit balance of £240,180-16s. 10d. The directors recommend that, after making provision for current risks, and for outstanding claims, a dividend of 5s. per share be paid making (with the

interim dividend of 3s.) 8s. per share for the year, free of income tax.

The directors have entered into a provisional agreement with the North British and Mercantile Insurance Company, under which it is proposed that the company's business or shares will be acquired by that company, as from the first of January last, the consideration being that for every share in the Railway Passengers Assurance Company the holder will receive the sum of £8 10s, in cash, interest upon that amount being allowed at the rate of 4 per cent from the 1st of January until the purchase is completed. The shareholders will be summoned at the earliest possible moment to consider this proposal, and if approved to adopt it. This company will continue to conduct its business as heretofore.

GENERAL STATEMENTS OF BRITISH COMPANIES

FOR

YEAR ENDING DECEMBER 31, 1909.

(Received too late for publication with the Statements of their Canadian business.)

THE GUARDIAN ASSURANCE COMPANY, LIMITED.

GENERAL BUSINESS STATEMENT FOR THE YEAR ENDING DECEMBER 31, 1909.

FIRE DEPARTMENT.

The fire premiums after deducting reinsurances, amounted to £554,849 13s. 5d., as against £543,263 14s. 7d. in 1908, showing an increase of £11,585 18s. 10d., and the losses, after making the same deduction, to £292,031 4s. 4d., as against £307,150 8s. 1d. in 1908, being a reduction of £15,119 3s. 9d. and amounting to $52 \cdot 63$ per cent of the premiums.

The expenses and commission together amounted to £209,008 1s. 7d., being 37.67

per cent of the premiums.

After providing for losses, expenses, bad debts, and for the additional premium reserve (£4,700) required by the increase in premiums during the year, there was a profit on the trading account of £48,898–18s. 3d. Adding to this the interest on the reserve funds, which amounts to £29,979–5s. 1d., there results a profit of £78,878–3s. 4d. Out of this sum the directors have applied £4,962–17s. 0d. to writing down certain depreciated securities, leaving a balance of £73,915–6s. 4d., to be transferred to profit and loss. The premium reserve fund now amounts to £245,650 and the general reserve fund to £520,000, making the total fund in this department £765,650.

DIVIDEND AND APPROPRIATION STATEMENT.

The directors recommend to the proprietors that for the year ending the 31st December, 1909, a dividend of 10s. be declared free of income tax, on each £10 share of the subscription capital, being at the rate of 10 per cent on the paid-up capital of £5 per share; and that, 4s. on each share having been paid as an interim dividend in January last, the balance of 6s. on each share be paid on the 1st July next.

The appropriation statement will thus be as follows, viz.:—

THE ROYAL INSURANCE COMPANY.

GENERAL BUSINESS STATEMENT FOR THE YEAR ENDING DECEMBER 31, 1909.

FIRE DEPARTMENT.

The premiums, after deduction of reinsurances, amounted to £3,788,383 10s. 1d., and the net losses to £1,854,691 8s. 8d. After charging commission expenses of management, and fire brigade contributions, the surplus of £570,614 14s. 8d. has been carried to profit and loss, from which account the sum of £500,000 has been transferred to the Fire Fund, increasing the same to £2,300,000.

LIFE DEPARTMENT.

In the Assurance branch, 3,249 new policies were issued for £1,512,423, yielding in annual premiums £56,563, and in single premiums £4,973, and £92,284 was reassured at premiums of £3,722. The total premiums, after deducting reassurances, amounted to £727,534 9s. 3d., and interest to £347,791 19s. 7d. The claims for the year were £623,445 12s. 4d., including bonus additions of £112,416 9s. 7d.

In the Annuity branch the purchase-money and premiums amounted to £66,506 17s. 8d., and the interest to £25,944 4s. 10d. Sixty-three annuities expired during

the year, relieving the company from annual payments of £5,693 7s. 8d.

The quinquennial valuation of the liabilities of this department has been completed by Mr. Duncan C. Fraser, M.A., F.I.A., the company's actuary, and is based upon the British Offices' Life Tables which afford the latest and most trustworthy data for estimating the mortality of assured lives and annuitants. Full details will be found in the accompanying report, and in accordance with the recommendations contained therein, the directors have decided to apportion to participating policy-holders the sum of £829,839, which will provide in the case of 'Royal,' 'Queen,' and 'Midland Counties' policies a reversionary bonus at the rate of 30/- per cent per annum for the past quinquennium; and for the current quinquennium an interim bonus of 20/- per cent per annum in respect of policies under which claims by death may arise before December 31, 1914, and under which at least two years premiums have been paid; and an interim bonus at the full rate of 30s. per cent per annum in respect of maturing endowment assurances. In the case of 'Lancashire' and 'United Kent' policies the bonuses are regulated by the agreements made with those companies. The profit accruing to the shareholders for the five years is £130,000, after deduction of which the Life and Annuity funds together amount to £10,124,278 17s. 9d.

*The amounts in this column give the provented of gross premiums for the unexpired terms of all policies of the several companies in force at December 31, 1969, as provided by the statutes in that behalf. Upon the assumption that adequate premiums have been collected these amounts may be regarded as considerably in excess of the sums which would ordinarily be required to pay the losses to account under outstanding risks, a fact which may properly be taken into account in the case of individual companies in considering questions of actual or probable as distinguished from light surplus, declaring dividends, impairment of capital and other cognate subjects.

+In December, 1966, the capital stock of this Company, which was formerly \$1,000,000, was further increased by an issue of \$550,000 7 per cent preference stock, subscribed for at a premium of 25 per cent. The total subscribed capital now stands at \$1,400,000, of which there had been paid in up to the date of the return #The capital stock of this Company which had previously been \$500,000, the whole of which was subscribed and \$125,000 paid thereon, was by chapter 83 of the Statutes of 1904, reduced to \$250,000, the amount paid up remaining unchanged. An additional \$125,000 was paid in out of surplus in 1995. In 1909, by virtue of the a \$150,000 was paid into the capital stock of this Company during the year 1964, and under the provisions of chapter 110 of the Statutes of 1904 the paid up capital was reduced to \$100,000, the same amount at which it stood at the end of 1903. Further calls received during 1907 bring the paid-up capital to \$125,000. above statute, the capital was increased to \$500,000. An additional \$250,000 was paid in out of surplus in 1909, making the capital fully paid up.

b In December, 1966, preference stock of this Company to the amount of \$500,000 was called in and cancelled, and a new issue of \$1,600,000 7 per cent preference The total capital stock is now \$2,500,000, fully subscribed subscribed capital was reduced from \$500,000 to \$250,000, at which it now stands. stock was made at 25 per cent premium.

† The Home Life Association of Canada have a contract with the Peoples' Life Insurance Company under which the Peoples' Life insure a renewal commission of Peoples' Life policies issued in substitution of Peoples' Life policies. This contract express on August 31, 1915. The Home Life have also a contract with Mr. J. K. McCutcheon, under which the said McCutcheon receives as general manager a salary of \$5,000 per annum and a percentage of 34 per cent, of the gross actual premiums collected by the Association in each year, the percentage, however, not to exceed \$7,100 in any one year. This contract berminates on October 13, 1220. The Department of Justice is of the opinion that these contracts do not constitute liabilities requiring capitalization as such. "The Guaranteed Security business, forming nearly one-third of the total is valued upon the HM. 4 and HM. 3 p.c. basis.

*The amounts in this column give the pro rata of gross premiums for the unexpired terms of all policies of the several companies in force at December, 31, 1909, as provided in the statutes in that behalf. Upon the assumption that adequate premiuns have been collected these amounts may be regarded as considerably in excess of the sums which would ordinarily be required to pay the losses to accrue under outstanding risks, a fact which may properly be taken into account in the case of individual companies in considering questions of actual or probable as distinguished from legal surplus, declaring dividends, impairment of capital and other cognate subjects.
