BETWEEN:

THE GOVERNMENT OF CANADA as represented by
the Solicitor General of Canada
(herein called "Canada")

AND

THE GOVERNMENT OF THE NORTHWEST TERRITORIES
as represented by the Minister of Justice
(herein called the "GNWT").

WHEREAS Canada and the GNWT:

- 1) recognize the need to contribute to the improvement of the maintenance of social order, public security and personal safety in First Nations Communities;
- 2) recognize the need to provide First Nations Communities with policing services that are professional, effective, efficient and responsive to the unique needs of these communities;
- 3) recognize the importance of providing policing services for First Nations Communities in the GNWT through the RCMP First Nations Community Policing Service;
- 4) recognize that First Nations Communities must have a role in the administration and management of their policing services and recognize the necessity of entering into negotiations with them to ensure that this role is given expression in the form of Community Tripartite Agreements;
- 5) recognize the desirability of providing greater responsibility and accountability for the delivery of policing services to the First Nations Communities in the Northwest Territories, and, therefore agree, to enter into a tripartite process which will lead to greater responsibility and accountability of policing services to the First Nations Communities in the Northwest Territories;
- 6) recognize the principle that First Nations Communities, in keeping with their increased role in determining policing arrangements, may contribute financially to the extent of their existing or future ability to pay, either in cash or in kind, towards the cost of providing policing services in First Nations Communities. Contributions under this provision would accrue equally to reduction of federal and territorial cost shares;

- 7) recognize the need to continue the RCMP First Nations Community Policing Service, and the need to provide such additional positions in the RCMP First Nations Community Policing Service as may be subsequently agreed to under Community Tripartite Agreements;
- 8) wish to, subject to, and in accordance with the terms of this Agreement, enter into cost-sharing and related agreements to provide policing services to First Nations Communities in the Northwest Territories through the RCMP First Nations Community Policing Service;
- 9) recognize that the policing services provided for First Nations Communities include the enforcement of applicable federal and territorial statutes as well as applicable present or future by-laws duly enacted by local governing bodies of First Nations Communities for any purpose specified in the Community Tripartite Agreements, the prevention of crime and the maintenance of order;
- 10) recognize that nothing in this Agreement shall be construed so as to affect, or prejudice or derogate from, any Aboriginal, treaty, constitutional or other rights, privileges or freedoms which have accrued or may accrue to Canada, the GNWT or any First Nations Community;
- 11) recognize that nothing in this Agreement prejudices or limits the ability of the parties to negotiate, at any time, different terms for providing policing services to First Nations Communities under any other agreement; and

WHEREAS Section 20 of the Royal Canadian Mounted Police Act (Canada) provides that the Solicitor General of Canada may, with the approval of the Governor in Council, enter into an arrangement with the government of any province for the use or employment of the Royal Canadian Mounted Police, or any portion thereof, in aiding the administration of justice in the Northwest Territories and in carrying into effect the laws in force therein;

WHEREAS the Commissioner of the Northwest Territories is authorized, pursuant to section 19 of the Northwest Territories Act, S.C., c.N-27, to enter into an agreement, on behalf of the Government of the Northwest Territories, with the Government of Canada, under and for the purposes of the Royal Canadian Mounted Police Act (Canada), to provide for the use and employment of the Royal Canadian Mounted Police (the "RCMP") in aiding in the administration of justice in the Northwest Territories and in carrying into effect the laws in force in the Northwest Territories on the terms and conditions that may be contained in the agreement;

WHEREAS the Parties recognize that the Nunavut Act, S.C.1993, c.28 (the "Act") is due to come into effect no later than April 1, 1999 and that should the Act come into effect prior to the expiry of this Agreement, amendments may have to be made to this Agreement with respect to the territory affected by the coming into force of the Act;

WHEREAS Canada and the GNWT wish to enter into such an arrangement as evidenced by this Agreement;

WHEREAS by Order in Council P.C. 1993-553 dated March 23, 1993 the Governor in Council authorized the Solicitor General to enter into this Agreement on behalf of the Government of Canada;

WHEREAS by Order in Council P.C. 1992-270 dated February 13, 1992 the Governor in Council transferred to the Solicitor General of Canada the powers, duties and functions of the Minister of Indian Affairs and Northern Development relating to the Indian Policing Services Program.
