QUARTERLY PRODUCTION OF PROCESSED FOODS

PRODUCTION TRIMESTRIELLE D'ALIMENTS
CONDITIONNES

All manufacturers of the main processed food items are asked to report their production quarterly, and the present release contains data, by quarters, for the years 1946-1947, 1st quarter 1948.

Tous les manufacturiers des principales variétés de denrées conditionnées doivent chaque trimestre, faire rapport de leur production, et la présente publication renferme des renseignements, par trimestre, pour les années 1946, 1947, et le premier trimestre de 1948.

This commodity series has been arranged to closely parallel Annual Census of Industry data, but exact agreement between the quarterly and the annuals is not possible. In this release, the quarterly figures as collected are retained for back years, unless there is a large discrepancy, since they are the best base for evaluating current quarterly figures. However, as soon as they are available, the 1946 totals, taken from the Annual reports, will also be included in the quarterly releases, in order that relationships may be established and differences noted.

Cette série est préparée parallèlement au recensement annuel de l'industrie, mais une comparaison exacte entre les chiffres trimestriels et les chiffres annuels n'est pas toujours possible. Dans le présent bulletin, les chiffres trimestriels des années antérieures sont gardés, à moins qu'il n'y ait des écarts évidents, étant donné qu'ils fournissent la meilleure base pour l'évaluation des chiffres trimestriels courants. Toutefois, dès que les totaux de 1946, tirés des rapports annuels, seront disponibles, ils seront donnés dans les bulletins trimestriels afin de pouvoir comparer et établir les différences.

This quarterly series does not include the pack of fresh fruits and vegetables, figures for which are collected at the end of each pack season and released separately.

Cette série trimestrielle ne renferme pas l'emballage des fruits et légumes frais, dont les renseignements sont recueillis à la fin de chaque saison d'emballage et publiés séparément.
