STOCKS OF CANNED FRUITS AND VEGETABLES ON HAND, APRIL 1, 1934.

The Dominion Bureau of Statistics presents herewith a report on the stocks of canned fruits and vegetables on hand April 1, 1934. This survey was made to meet the ever increasing demand for information of this nature. Forms were sent out to 123 canners and 362 wholesale dealers. Firms with two or more branches were permitted to make a single return covering all their branches. To date, three small canneries and fifteen wholesale dealers have not reported, but the survey may be accepted as approximately complete.

It is the intention of the Bureau to repeat this enquiry semi-annually and to ensure its completeness.
