## Purpose of Iraders' and Investors' Index Numbers

The Investors' Index Numbers measure the trend of values for the investor who buys a fixed list of stocks and holds them over a long period.

The Mradors Index measure the trend of gains or losses for a trader on the Montreal and Toronto Ixchanges, who buys and sells the leading comon stocks in the same proportion as thoy are traded in the market as a whole, at the mathematical avorage price of the week and who turns over his investments every week.
$x$ Revised Inder Figures.
