## Purpose of Traders! and Investors' Index Numbers

The Investors' Index Numbers measure the trend of values for the investor who buys a fixed list of stock and holds them over a long period.

The Traders' Index measure the trend of gins or losses for a trader on the Montreal and Toronto Exchanges, who buys and solls the leading common stocks in the same proportion as they are traded in the maricet as a wholo, at the mathomatical averago price of the weak and who turns over his investments every week.
$x$ Revised index figures.
