## Purpose of 'raders' and Investors' Index Numbers

The Investors' Index Fumbers measire the trend of values for the investor who buys a fixed list of stocks and holds them over a long period.

The Traders' Index measures the trend of gains cr losses for a trader on the Kontreal and Toronto Frchanges, who buys and sells the leading comon stocks in the same proportion as they are traded in the market as a whole, at the mathematical average price of the week and who turns over his investments every week.
x Revised Index Figures.

Note:- The Investors Indoz measnos the trerd of values for the Investor who buys a fired list of atocks and holds them over a lons period
