Purpose of Mraders and Investo Index Numbers
The Investors Index numbers measure the trend of values for the investor who buys a fixed list of stocixs and holds them over a long period.

The Iradors! Index moasures the trond of gains or losses for a trader on the Contreal and Toronto Exchanges, who buys and solls the leading common stocks in the samo proporition as they are tradod $\dot{1}$ the market as a whole at the mathematical average price of the woek and who tums over his invesiments overy week.

[^0]Note: Tho Investors' Indox moasures the trond of values for tho Investor who buys a fixed list of stocks and holds them over a long period,
