## Purpose of Traders 1 and Investors: Index Numbers

The Investors' Index numbers measure the trend of values for the investor who buys a fixed list of stocks and holds them over a long period.

The Traders' Index moasures the trend of Eains or losses for a trader on the Lontroal and Toronto Exchances, tho burs and sells the leaking cormon stocks in the same proportion as they are traded in the markt as a whole at the mathematical averase price of $x$ Revised index figuros. ... livostrnents every week.
$f$ Teakly figures.

Note: The Investors Index measures the trend of values for the Investor who buys a fixed list of stocks and holds them over a long period.

x Wookly figuros.
