The publication of statistics showing the *gross* imports and exports of gold has been temporarily suspended as from September, 1939. Statistics for periods prior to this time have been accordingly revised to exclude all gold formerly included in the total of merchandise exports.

Statistics showing the *net* exports of non-monetary gold, including changes in stocks held under earmark, will be published as a supplement to the trade figures, and are given above.

La publication des statistiques des importations et exportations *brutes* d'or a été suspendue temporairement depuis le commencement de septembre, 1939. Les statistiques antérieures à cette période ont été revisées de manière à exclure tout l'or autrefois compris dans le total des exportations de marchandises.

Les statistiques montrant les exportations *nettes* d'or non monétaire, y compris les changements dans les stocks d'or affecté, paraîtront comme supplément aux chiffres du commerce, et sont données ci-dessus.
