NOTE: The publication of statistics showing the gross imports and exports of gold has been temporarily suspended as from September, 1939. Statistics for periods prior to this time have been accordingly revised to exclude all gold formerly included in the total of merchandise exports.

Statistics showing the net exports of non-monetary gold, including changes in stocks held under earmark, will be published as a footnote to the trade figures and are given above.

Detail of Canadian External trade by commodities and principal countries, is shown in the new Monthly publication of the Trade of Canada. This publication may be obtained on application to the King's Printer, Ottawa, priced at 75¢ per copy, or \$7.50 for an annual subscription.
