## SYMBOLS

The following standard symbols are used in Statistics Canada publications:

- . . figures not available.
- . . . figures not appropriate or not applicable.
- nil or zero.
- - amount too small to be expressed.
- p preliminary figures.
- r revised figures.
- x confidential to meet secrecy requirements of the Statistics Act.

## SIGNES CONVENTIONNELS

Les signes conventionnels suivants sont employés uniformément dans les publications de Statistique Canada:

- . . nombres indisponibles.
- . . . n'ayant pas lieu de figurer.
- néant ou zéro.
- - nombres infimes.
- p nombres provisoires.
- r nombres rectifiés.
- x confidentiels en vertu des dispositions de la Loi sur la Statistique relatives au secret.

## Note on CANSIM®

Data in this publication at the provincial and Canada level are available through CANSIM (Canadian Socio-Economic Information Management System). All tabulator data by province and for Canada appearing in this publication, as well as many other data series are available to the public from CANSIM via terminal, on computer printouts or in machine-readable form. For more information please call 995-7406.

The series available can be found within the following matrices covering the period 1972 to date monthly:

- A. Number of international travellers entering and returning to Canada by type of transport.
- B. Number of non-resident travellers entering Canada by selected country of residence (excluding the USA).
- C. Number of vehicles travelling between Canada and the United States.

## Note au sujet de CANSIM®

Les données figurant dans cette publication sont disponibles, soit au niveau provincial ou au niveau du Canada, à travers CANSIM (Système canadien d'information socio-économique). Toutes les données présentées dans cette publication et beaucoup d'autres données contenues dans le CANSIM peuvent être extraites par l'intermédiaire d'un terminal sous forme d'imprimés d'ordinateur ou sous une forme lisible par machine. Pour de plus amples informations, s'il-vous-plaît appelez 995-7406.

Les séries disponibles peuvent être trouvées dans les matrices suivantes à partir de 1972 jusqu'à ce jour, par mois:

- A. Nombre de voyageurs internationaux entrant et retournant au Canada, selon le moyen de transport.
- B. Nombre de voyageurs non résidents entrant au Canada, selon certains pays de résidence. (n'inclut pas les É.-U.)
- C. Nombre de véhicules voyageant entre le Canada et les États-Unis.

<sup>1</sup> No direct vehicle entries in these provinces. – Aucune entrée directe dans ces provinces.

In the third quarter of 1978, non-resident travellers entering Canada numbered 14.8 million, up fractionally from last year. Canadian residents returning from international trips totalled 13.5 million, down 0.7% over the third quarter of 1977. Immigrants, military personnel, diplomats and crews who are excluded from the above accounted for 1.1 million, up 7% over 1977.

On a year-to-year basis, non-resident visitors entering Canada numbered 27.6 million, down 0.2% from 1977, while Canadian residents re-entering from international visits totalled 31.4 million, down 1.1%. Immigrants, military personnel, diplomats and crews numbered 3.0 million, 2.8% over the first nine months of 1977.

Preliminary estimates for the third quarter of 1978 show that Canada earned \$1.132 million from international travel, up 15.6% from the same period last year. Receipts from the United States totalled \$800 million, up 5.8%, while receipts from visitors from all other countries jumped to \$332 million from \$223 million.

Canadians' payments on travel were estimated at \$1.178 million in the third quarter. Payments to the United States increased by 6.4% to \$695 million while those to other countries amounted to \$483 million, up 7.8% over last year. As a result, a deficit of \$46 million was recorded in the third quarter of 1978 in comparison to \$122 million in 1977.

For the first nine months of 1978, receipts from international travel reached \$1.969 million while payments attained \$3.356 million, leading to a deficit of \$1.387 million compared to \$1.314 million in 1977.

#### Non-resident Travellers Entering Canada

During the third quarter of 1978, 14.0 million United States residents entered Canada, a slight decrease of 1% over the similar figure for 1977. The number of visitors from countries other than the United States, which has demonstrated strong growth throughout 1978, increased by more than 20% over last year to 820,000. This rapid growth in visitors from other countries offset the decline in United States travellers and produced a slight increase in the total number of international visitors who entered Canada in the third quarter of 1978.

For the first three quarters of 1978, total United States entries were down slightly over 1977 to 26.2 million. The decreases in United States traffic is concentrated in the automobile and train modes while travel by bus, plane, boat and other methods all increased. Provincially, only British Columbia had more United States entries in each mode of travel category in the first nine months of 1978 over 1977. One or more nights bus and total plane travel increased in Quebec, Ontario and Alberta as well as in British Columbia while same-day bus traffic decreased in only Quebec and Manitoba.

Tourist travel from the United States, which includes overnight or longer auto and bus traffic and all plane, boat and train entries, was down less than 1% in the first nine months of 1978. One or more nights automobile traffic was down by 3% (7.5 million entries) while non-auto tourist traffic increased by 5.1% to 2.9 million entries. By regions, only British Columbia and the Yukon had more United States tourist entries in the first nine months. Quebec and Ontario had a less than 1% drop in the number of United States tourist entries while New Brunswick, Manitoba, Saskatchewan and Alberta all had larger declines in tourist entries from the south. A depreciated

Durant le troisième trimestre de 1978, il y a eu 14.8 millions de voyageurs non résidents qui sont entrés au Canada, ce qui est légèrement plus élevé que l'an dernier. Le nombre de résidents canadiens revenant au pays a diminué de 0.7 % en totalisant 13.5 millions. Les immigrants, le personnel militaire, les diplomates et les équipages, exclus des chiffres ci-dessus, ont atteint 1.1 million, soit 7 % de plus qu'en 1977.

Depuis le début de l'année, les visiteurs non résidents venant au Canada ont diminué de 0.2 % comparativement à 1977 pour s'établir à 27.6 millions alors qu'il y a eu 31.4 millions de résidents canadiens qui sont revenus de voyages à l'étranger, soit une baisse de 1.1 %. Les immigrants, le personnel militaire, les diplomates et les équipages se sont accrus de 2.8 % par rapport aux neuf premiers mois de 1977 en atteignant 3.0 millions.

Les estimations provisoires pour le troisième trimestre de 1978 révèlent que les voyages internationaux ont rapporté \$1.132 millions au Canada, ce qui représente une augmentation de 15.6 % comparativement à 1977. Les recettes provenant des visiteurs américains ont augmenté de 5.8 % pour atteindre \$800 millions alors que celles en provenance des visiteurs d'autres pays ont bondi à \$332 millions par rapport à \$223 millions l'an dernier.

Les paiements des Canadiens sur les voyages ont été estimés à \$1.178 millions pour le troisième trimestre. Les paiements fait aux États-Unis ont augmenté de 6.4 % pour s'établir à \$695 millions alors que ceux fait aux autres pays ont totalisé \$483 millions, soit une hausse de 7.8 % comparativement à 1977. Conséquemment, le troisième trimestre a enregistré un déficit de \$46 millions par rapport à \$122 millions en 1977.

Les recettes provenant de voyages internationaux ont atteint \$1.969 millions pour les neuf premiers mois de 1978 alors que les paiements se sont établis à \$3.356 millions, résultant en un déficit de \$1.387 millions comparativement à \$1.314 millions en 1977.

#### Voyageurs non résidents entrant au Canada

Au cours du troisième trimestre de 1978, il y a eu 14.0 millions de visiteurs venant des États-Unis qui sont entrés au Canada, soit une diminution de 1 % par rapport à 1977. Le nombre de visiteurs provenant de pays autres que les États-Unis, qui a connu une forte croissance tout au cours de 1978, s'est accru par plus de 20 % pour atteindre 820,000. Cette augmentation rapide dans le nombre de visiteurs venant d'autres pays a contrebalancé la diminution dans le nombre de voyageurs américains et a ainsi contribué à une légère avance dans le nombre total de voyageurs internationaux qui sont venus au Canada durant le troisième trimestre de 1978.

Depuis le début de l'année, les entrées totales venant des États-Unis ont baissé légèrement par rapport à 1977 en atteignant 26.2 millions. Les baisses dans le trafic provenant des États-Unis ont été enregistrées dans le trafic automobile et par train alors que les voyages par autocar, avion, bateau et autres moyens ont tous augmenté. Sur le plan provincial, seule la Colombie-Britannique a eu plus d'entrées des États-Unis dans chaque catégorie de voyageurs au cours des neuf premiers mois de 1978 par rapport à 1977. Les voyages d'une nuit ou plus par autocar et le trafic par avion se sont accrus au Québec, en Ontario de même qu'en Colombie-Britannique alors que le trafic du même jour par autocar a diminué au Québec et au Manitoba.

Le nombre de touristes provenant des États-Unis, ce qui comprend les catégories de voyageurs ayant séjourné une nuit ou plus utilisant l'automobile et l'autocar et toutes les entrées par avion, train et bateau, a connu une baisse inférieure à 1 % au cours des neuf premiers mois de 1978. Le trafic d'une nuit ou plus par automobile a diminué de 3 % (7.5 millions d'entrées) alors que le trafic touristique autre que l'automobile s'est accru de 5.1 % pour atteindre 2.9 millions. Sur le plan régional, seuls la Colombie-Britannique et le Yukon ont connu plus d'entrées de touristes américains durant les neuf premiers mois. Le Québec et l'Ontario ont connu une baisse inférieure à 1 % alors que le Nouveau-Brunswick, le Manitoba,

Canadian dollar, lower sales and hotel taxes, and a concerted effort by all levels of government produced an increase in the number of tourist entries from the United States in specific areas of Canada.

For the January-September period of 1978, 1.4 million visitors from countries other than the United States entered Canada, up 17.9% over the same period in 1977, and 4.7% over 1976. As previously mentioned, overseas entries into Canada have been the bright spot in Canada's tourism picture. The Commonwealth Games in Edmonton attracted a number of overseas visitors resulting in a substantial increase in entries in Edmonton, Calgary and Vancouver International Airports in July and August. For the first three quarters of 1978, residents of Japan have increased by 28%, France 21%, West Germany 19% and the United Kingdom by 18%.

### Resident Travellers Returning to Canada

During the first nine months of 1978, 30.0 million Canadians returned from visits to the United States, down 1.3% from last year. For the same period, residents returning from countries other than the United States increased by 2.1% to 1.5 million. In total, 31.4 million Canadians have taken international trips in the first three quarters of 1978, 1.1% down from 1977.

In the third quarter, same-day automobile, total plane, total train and one or more nights bus traffic all increased this year over last year. Plane traffic increased in each month producing a quarterly increase of 10% to 512,000 re-entries in the third quarter. Canadians returning from the United States by automobile after a stay of one or more nights decreased by 1.8%, 5.2% and 8.0% in July, August and September respectively. These decreases resulted in a drop of 4.4% to 3.8 million re-entries in the third quarter.

In July-September period, the total number of Canadian residents returning from trips to countries other than the United States decreased by less than half a per cent to 557,000. Re-entries directly from overseas increased by 1.1%, to 511,000, while re-entries via the United States decreased by 15%.

Canadian tourists, defined as one or more nights automobile and bus traffic and all plane, boat and train re-entries, decreased, in the first nine months by 0.6% to 11.5 million. Canadian tourists returning from the United States in the same period, decreased by 1% due to a 3.5% drop in long-term automobile travel to 7.1 million re-entries. Resident tourists returning from other countries increased to 1.5 million, a 2.1% increase over 1977.

la Saskatchewan et l'Alberta ont connu des baisses plus élevées dans le nombre d'entrées de touristes américains. La dépréciation du dollar canadien, des taxes de vente et d'hôtel plus basses, et un effort commun par tous les niveaux de gouvernement ont résulté en une augmentation dans le nombre d'entrées de touristes américains en certains endroits du Canada.

Pour la période de janvier à septembre 1978, il y a eu 1.4 millions de visiteurs provenant de pays autres que les États-Unis qui sont entrés au Canada, soit une augmentation de 17.9 % par rapport à la même période de 1977, et 4.7 % de plus que 1976. Comme il l'a été mentionné auparavant, les entrées des visiteurs de tous les autres pays ont été le point saillant du tourisme au Canada en 1978. Les Jeux du Commonwealth tenus à Edmonton ont attiré un nombre de visiteurs d'autres pays causant des hausses substantielles d'entrées de voyageurs aux aéroports internationaux d'Edmonton, de Calgary et Vancouver en juillet et en août. Pour les trois premiers trimestres de 1978, les résidents en provenance du Japon ont augmenté de 28 %, de la France de 21 %, de l'Allemagne de l'Ouest de 19 % et du Royaume-Uni de 18 %.

### Voyageurs résidents revenant au Canada

Au cours des neuf premiers mois de 1978, le nombre de résidents canadiens revenant des États-Unis a diminué de 1.3 % par rapport à l'an dernier s'établissant à 30.0 millions. Les résidents revenant de pays autres que les États-Unis ont totalisé 1.5 millions, soit une augmentation de 2.1 % sur l'an dernier. Au total, il y a eu 31.4 millions de Canadiens qui sont revenus de voyages internationaux durant les trois premiers trimestres de 1978, soit une baisse de 1.1 % par rapport à 1977.

Durant le troisième trimestre, le trafic du même jour par automobile, celui par avion, celui par train et celui d'une nuit ou plus par autocar ont tous augmenté cette année par rapport à l'an dernier. Le trafic par avion a augmenté dans chacun des mois produisant une augmentation de 10 % pour le trimestre alors qu'il y a eu 512,000 rentrées dans le troisième trimestre. Le nombre de Canadiens revenant des États-Unis par automobile après un séjour d'une nuit ou plus a baissé de 1.8 %, 5.2 % et 8.0 % respectivement en juillet, août et septembre. Les diminutions ont causé une baisse totale de 4.4 % au troisième trimestre alors qu'il y a eu 3.8 millions de rentrées.

Durant la période de juillet à septembre, il y a eu 557,000 Canadiens revenant de voyages dans des pays autres que les États-Unis, soit une diminution inférieure à un demi de 1 %. Les rentrées directes se sont élevées de 1.1 %, atteignant 511,000, alors que celles via les États-Unis ont diminué de 15 %.

Le nombre de touristes canadiens, comprenant le trafic par automobile et par autocar d'une nuit ou plus et toutes les rentrées par avion, bateau et train, a diminué de 0.6 % au cours des neuf premiers mois lorsqu'il s'est établi à 11.5 millions. Le nombre de touristes canadiens revenant des États-Unis a baissé de 1 % durant la même période en raison d'une diminution de 3.5 % dans les voyages à long terme par automobile qui ont atteint 7.1 millions de rentrées. Le nombre de touristes résidents revenant d'autres pays a totalisé 1.5 millions, soit une augmentation de 2.1 % par rapport à 1977.

## METHOD OF COLLECTION

The statistics published in this report provide measures of international traveller flows across Canada's frontier.

The surveys cover non-residents entering Canada and residents returning to Canada from the United States and other countries at land, air and sea points of entry.

The close co-operation of officials in the Department of National Revenue, Customs and Excise, Manpower and Immigration and toll authorities across Canada is greatly appreciated.

All travellers who clear customs are recorded by Customs' officers on the documents listed below:

**E62 Entry Tally** – To record travellers by land and car ferry at ports of entry on the United States-Canada border. This count of United States and Canadian travellers is done on a full census basis except for seven points of entry where sampling techniques are used linked to toll counts to provide estimates of traffic categories. The sample consists of systematically selecting 25% of the days of the year and conducting a census of travellers on each of the selected days.

**E63 Private Craft and Passenger Arrivals** – To record on a census basis travellers entering Canada by private plane and boat, commercial freighters, passenger ferries and excursion cruises.

**E64 Referral Card** – to record on a census basis travellers entering Canada in commercial planes and boats including charter and cruise arrivals.

All the above forms are sent directly to the International Travel Section in Statistics Canada for processing, summary and publication. Documents are registered, sorted, edited and captured on a mini-computer system.

Data on expenditures of travellers produced in Table I are derived from questionnaire sample surveys. Detailed methods and definitions are described in publication 66-201, Annual, "Travel Between Canada and Other Countries".

For further information please contact Mr. Mike Valiquette, Chief, International Travel Section, Statistics Canada, Ottawa, K1A 0T6 (613-995-0847).

### Definition of Terms

**International Traveller** – The term international traveller applies to all persons arriving in Canada who are cleared through Customs and Immigration points of entry. One person may cross into Canada several times on one trip away from home. The method of collection counts each crossing or visit made. The term international traveller is divided into three groups; non-resident traveller, resident traveller and other traveller. If all "same day" travellers are excluded from non-resident and resident categories, the numbers remaining approximate the international definition of "tourist".

**Non-resident traveller** – An international traveller resident of a country other than Canada who passes through Canada Customs and is entering Canada for the following reasons:

- Business, commuting to work, seasonal or temporary employment.
- Pleasure, holiday, vacation, health and shopping.
- Visiting friends or relatives.
- Attending a convention, conference or seminar.
- Study, summer resident.
- Travelling in transit who do clear Canada Customs.

## MÉTHODE DE COLLECTE

Cette publication présente la statistique sur les mouvements des voyageurs internationaux traversant les frontières canadiennes.

L'enquête couvre les non résidents entrant au Canada et les résidents revenant au Canada après un voyage aux États-Unis et dans les autres pays aux différents points d'entrée (terre, air et mer).

Nous apprécions grandement l'étroite collaboration des fonctionnaires du ministère du Revenu national, Douanes et accise, des représentants du ministère de la Main-d'oeuvre et de l'Immigration et des responsables des postes de péage dans tout le Canada.

Tous les voyageurs qui passent à la douane sont inscrits par les douaniers sur les documents décrits ci-après:

**E62 Feuille de pointage des arrivées** – Sert au dénombrement des voyageurs par terre et par traversier pour automobiles aux postes frontières États-Unis – Canada. Il s'agit habituellement d'un dénombrement intégral, sauf pour sept points d'entrée où on utilise des techniques d'échantillonnage que l'on combine à un dénombrement total effectué aux postes de péage pour estimer les catégories de trafic. L'échantillon représente un dénombrement systématique de 25% des jours de l'année au cours desquels on conduit un dénombrement intégral des voyageurs.

**E63 Arrivées d'aéronefs et de navires particuliers et de leurs passagers** – Sert au dénombrement intégral des voyageurs arrivant au Canada en avion ou en bateau particulier, à bord de cargos, de traversiers et de navires de croisière.

**E64 Referral Card** – Sert au dénombrement intégral de voyageurs arrivant au Canada par avion et bateau commercial, y compris par vol nolisé et par bateau de croisière.

Toutes ces formules sont envoyées directement à la section des voyages internationaux de Statistique Canada pour l'exploitation, la mise en sommaire et publication. Les documents sont enregistrés, triés, vérifiés et captés par un système de mini-ordinateur.

Les données sur les dépenses des voyageurs reproduites au Tableau I sont dérivées d'enquêtes par sondage. La publication annuelle "Voyages entre le Canada et les autres pays" no. 66-201 au catalogue, donne des détails sur les définitions et méthodes employées dans ces enquêtes.

Pour plus d'information, veuillez communiquer avec M. Mike Valiquette, chef de la section des voyages internationaux, Statistique Canada, Ottawa, K1A 0T6 (613-995-0847).

### Définitions des termes

**Voyageur international** – Les voyageurs internationaux sont toutes les personnes qui arrivent au Canada par un point d'entrée des Douanes ou de l'Immigration. Au cours d'un même voyage, il se peut qu'une personne entre au Canada plusieurs fois. La méthode de collecte prend en compte chaque passage à la frontière ou chaque visite effectuée. Les voyageurs internationaux se divisent en trois groupes: voyageurs non résidents, voyageurs résidents et les autres voyageurs. Si tous les voyageurs "pour la journée" sont exclus des catégories voyageurs non résidents et voyageurs résidents les autres répondent à peu près à la définition internationale de "touriste".

**Voyageur non résident** – Voyageur international, résident d'un pays autre que le Canada, qui passe par les Douanes canadiennes et qui entre au Canada pour une des raisons suivantes:

- Affaires, migration quotidienne, emploi saisonnier ou temporaire.
- Voyage d'agrément, congé, vacances, voyage pour motifs de santé ou emplettes.
- Visite à des amis ou des parents.
- Représentation à un congrès, une conférence ou un colloque.
- Études, résidence d'été.
- Voyage en transit en passant par les Douanes canadiennes.

**Resident Traveller** – An international traveller resident of Canada who has travelled outside of Canada for the same reasons as given above and who is returning to Canada through Canada Customs.

**Other Travellers** – A group consisting of the following types of international travellers:

- Immigrants and former residents returning to establish residence.
- Military personnel and dependents.
- Diplomats and dependents.
- Persons engaged in the operation of a transport.

**Land** – Automobile, bus and rail traffic as well as “other methods” entering by land and ferry.

**Air** – Commercial and charter services and private plane.

**Marine** – Commercial and cruise ship, passenger ferries and private or rented boat, and passengers on freighters.

**Other Methods** – Pedestrians, bicycle, motorcycle, etc.

**Direct to Canada** – Non-residents entering from countries other than the U.S.A. or Canadian residents returning from countries other than the U.S.A. directly to Canada. It should be noted that statistics are not provided on this basis for travellers leaving Canada.

**Via the United States** – Non-residents entering from countries other than the U.S.A. or Canadian residents returning to Canada from countries other than the U.S.A. through or by way of the United States. The length of stay in the U.S. has no bearing on the classification; a person could be in transit through the U.S. or could have stayed several days. Examples: a non-resident entering direct to Canada who visits the United States during his trip would be counted twice; direct on his first entry and via the U.S. on his second entry. A returning resident vacationing in The Southern United States who travels to the Caribbean would be counted as returning via the United States.

**Countries Other than the United States** – This designation includes all countries other than Continental United States, Alaska and Hawaii.

**Voyageur résident** – Voyageur international, résident du Canada, qui a voyagé à l'extérieur du Canada pour les mêmes raisons qui ci-dessus et qui revient au pays en passant par les Douanes canadiennes.

**Autres voyageurs** – Groupe constitué des genres suivants de voyageurs internationaux:

- Les immigrants et les anciens résidents revenant fixer leur demeure.
- Les militaires et les personnes à leur charge.
- Les diplomates et les personnes à leur charge.
- Les personnes travaillant dans les transports.

**Par terre** – En automobile, en autocar, par chemin de fer de même que par les “autres moyens de transport” (arrivée par terre et par traversier).

**Par air** – Services commerciaux, vols nolisés et avions particuliers.

**Par eau** – Bateaux commerciaux et de croisière, traversiers pour voyageurs, bateaux particuliers ou loués et cargos.

**Autres moyens** – À pied, à bicyclette, en motocyclette, etc.

**Directement au Canada** – Non-résidents arrivant de pays autres que les États-Unis ou résidents du Canada revenant de pays autres que les États-Unis et arrivant directement au Canada. À remarquer qu'il n'y a pas de statistiques correspondantes pour les voyageurs qui sortent du Canada.

**Via les États-Unis** – Non-résidents arrivant de pays autres que les États-Unis ou résidents du Canada revenant au Canada en provenance de pays autres que les États-Unis mais en passant par les États-Unis. La durée du séjour aux États-Unis n'a aucune importance; il peut s'agir d'un simple passage aux États-Unis ou d'un séjour de plusieurs jours. Exemples: un non-résident entrant directement au Canada et qui visite les États-Unis au cours de son voyage serait dénombré deux fois; comme entré directement lors de sa première entrée et comme entré via les États-Unis lors de la seconde. Un résident revenant aux pays après avoir visité le sud des États-Unis et s'être rendu dans les Caraïbes serait dénombré comme un résident revenant via les États-Unis.

**Pays autres que les États-Unis** – Cette catégorie comprend tous les pays autres que les États-Unis (partie continentale), l'Alaska et Hawaii.
