(1) Non-resident refers to vehicles registered in countries other than Canada and includes automobiles, taxis, motorcycles, bicycles and all other vehicles except trucks used commercially. Data for 1968 are subject to revision. (2) Vehicles remaining one or more nights in Canada. Included in total entries.

Note: Port administrative procedures used prior to March 1, 1967 appear to have resulted in an overstatement of vehicles staying one or more nights in Canada and a corresponding understatement of same day traffic.
