## HOSPITALS IN CANADA - 1956

All hospitals, including institutions for mental diseases and sanatoria for tuberculosis, which were in operation in Canada at any time in 1956 are listed in this publication. Lists were checked and revised by provincial health authorities and are complete as at December 31, 1956. The Bureau gratefully acknowledges their assistance. The provinces are arranged in geographic order from east to west, and the hospitals in each province are arranged alphabetically by location. Headings in the explanatory notes below correspond to columnar headings in subsequent pages.

**LOCATION** - Represents postal address. Street address is also shown in some centres where the information is available.

TBU	Tuberculosis unit

**CATEGORY** - Symbols used are:

Mun	Municipal (including county, hospital district, and union of municipalities)
OR	Other religious denomination (not shown elsewhere)
Prov	Provincial
